

The Amazing Son In-law chapter 1281-1290

Chapter 1281

Let Sun Dewang, who is in his fifties and has a family, marry Mr. Xue's daughter?

When Marven said this, all the people at the scene were blown up.

Xue Xinlong scolded angrily: "Are you f*cking looking for death? I asked my girl to marry Carden, not Carden's father!"

Marven smiled and said, "You really don't have the vision to see. Carden doesn't want to marry your daughter? Carden doesn't want to marry. His parents want your daughter to pass, so the best solution is to let his father marry your girl, wouldn't everyone be happy?"

"Little b@stard, what are you talking about!" Xu Liqin said angrily: "Let my husband marry Mr. Xue's daughter? What should I do?"

Marven smiled and said: "You? You want to let Mr. Xue's daughter pass the door. Isn't this just as you wanted? You should thank me for providing you with such a good solution."

After speaking, Marven looked at Sun Dewang again and said with a smile: "Old Man, you have been watching this bad Old Lady all day for so many years. I guess you have seen enough. It happens that this time I am in charge and give you a new young wife, not only I gave you 50 million dowry and brought you a son. What a great thing?"

"You bullsh*t!" Xu Liqin became angry, pointing to Marven and yelling: "I think you b@stard is here to find something. Believe it or not, I'll let someone break your leg!"

After finishing speaking, Xu Liqin looked at Xue Xinlong and said emotionally: "Mr. Xue, this b@stard is messing with mandarin ducks. My husband is old and it doesn't matter if he has a face, but your daughter hasn't married yet. Girl, he said so, it seems to despise you!"

Xue Xinlong was also very angry. He gritted his teeth and cursed: "Boy, you are so courageous. You dare to provoke me. Do you know who I am?"

Marven sneered: "Do I care who you are, I only know that you will be Sun Dewang's father-in-law from now on!"

"You..." Xue Xinlong was trembling all over.

He cares very much about his daughter's reputation, so he will ask her to find a man to marry at all costs.

Unexpectedly, this Marven was here to speak out, and let his daughter marry Sun Dewang, an old thing about his age. Isn't this a slap in the face?

So he said angrily: "Boy, immediately kneel down and apologize to me, otherwise, I will make you regret coming to this world!"

"Oh, Mr. Xue has such a big tone?" Marven said with a smile: "Okay, I want to see how good you are. If you don't have the ability to make me regret it, then I'm sorry, I will let you Regret it."

Xu Liqin suddenly became angry. She pointed at Marven and said angrily: "You are so daring to speak to Mr. Xue like this. Believe it or not, I will let people beat you to death now!"

Marven looked around for a long time, and he was surrounded by some younger relatives and friends of the Sun family, all of whom were ordinary people, and they wanted to hurt him. It was a foolish dream.

On the contrary, if they fight with such a person, then he still have to control the strength at all times. Otherwise, if he accidentally kill a few, it won't be easy.

After all, it's just a small matter, there is no need to kill people.

So he smiled and said: "Bad Old Lady, you really have a bad brain, and now you still stand up for Mr. Xue? You know, your husband will be his son-in-law soon, and you will be swept out by the Sun family. , So in a strict sense, Xue is always your rival's father, you should hate him."

Chapter 1282

"You...you...you you..." Xu Liqin couldn't catch her breath, and shouted to Harbin: "Harbin, you help the aunt beat this b@stard to death. !"

Harbin immediately took a step back and waved his hand with disdain: "aunt, you said just now that I was not a family with you and let me go, now let me help you hit someone? You turn your face faster than a book!"

Xu Liqin hurriedly smiled and said, "Harbin, don't you be angry with your aunt. What your aunt said just now was all in anger. Don't you want our Sun family to get better and better?"

"I'm sorry." Harbin said immediately: "Your home is yours, my home is mine, we are not a family, so if you want to hit someone, you should hit yourself. What do you tell me to do?"

Having said that, Harbin also said to the other grandchildren: "Let's all don't be nosy. This is not our business. People and us are not a family, so we should never be fooled by them. Used as a gun by others."

The others nodded one after another, stepped back a few steps, and had no intention of coming up to help her beat Marven.

Xu Liqin was angry. She didn't expect this Harbin to respect the old and love the young at all. There were no rules. How could she say it was his aunt. How could he talk to her like this?

However, Xu Liqin also understands now that this is not the time to get to know Harbin as a s*umbag.

So she hurriedly said to Xue Xinlong: "Mr. Xue, this little b@stard insults you, insults your daughter, and says nothing to let him go. Call someone to kill him! Otherwise, this kind of thing will spread, you and Your daughter's face will be all shame!"

Xue Xinlong himself was very angry, and after being so incited by Xu Liqin, he was even more angry.

So, he pointed to Marven and said angrily: "b*stard, wait for me, I will call and find someone to kill you!"

After speaking, he took out his mobile phone, found a phone number, and called.

He also turned on the speaker on purpose. While the phone was beeping while waiting to be connected, he sneered and said to Marven: "Do you know who I call? One of Orvel's four heavenly kings, Brother Zhongliang, you f*cking wait to die!"

Marven smiled and said: "Okay, I'll wait, but you'd better call more, because today is the day when your daughter and Sun Dewang are married, so having more relatives and friends will make it look festive!"

"You're really on the road to death!" Xue Xinlong was trembling all over, just as the phone was connected, so he immediately shouted: "Brother Zhongliang, come to the Hilton Hotel, I f*cking want you to cut a b@stard!"

Xue Xinlong's supermarkets are located in the fringe of the city and the surrounding districts and counties. In that kind of place, there are often gangsters who visit, either for extortion or looting. If you want to do business in a down-to-earth manner, you must have a relationship with the underground world. A certain connection, so he has been on the line of Zhongliang Ma.

After all, Zhongliang is one of the four heavenly kings under Orvel, and can be ranked fourth in the entire Wrester underground world, so his strength is still very strong.

Moreover, his fame is also very great. Since Xue Xinlong approached him, the supermarket business has never been harassed by gangsters.

Because of the long cooperation time, he and Zhongliang also had a very good personal relationship. Some time ago, he kept saying that he would pay a favor to Zhongliang, and also gave a big red envelope of 1.88 million, Zhongliang. For the sake of money, he agreed.

Xue Xinlong thought, if he bowed to Zhongliang and let the wind go, and then developed in the suburban area, it would be even more like a Pingchuan, so he was preparing to find a good day to have a ceremony of burning yellow paper and drinking chicken blood. .

Today, he just met Marven pretending to be coercive with him, and he was still taking care of his daughter's life-long events. He planned to ask Zhongliang to come and help cut him off. Then at noon the two of them would find a big hotel and have a meal together, when the ceremony is done!

Chapter 1283

Zhongliang has always regarded Xue Xinlong as a cash cow. The annual protection fee paid by him alone is as much as seven or eight million. In addition to the part handed over to Orvel, Zhongliang can also save two or three. million.

Therefore, as soon as he heard that he was going to kill someone, he blurted out without hesitation: "Okay, wait a minute, I'll take someone there!"

After Xue Xinlong thanked him so much, he hung up the phone and looked at Marven with a sneer: "Boy, don't blame me for not giving you a chance to survive. I asked you to kneel, but you didn't cherish it, but you don't kneel now. It's too late."

Marven smiled and asked, "Who did you call just now? Brother Zhongliang? Is this the one from "The True Colors of Heroes"?"

"Be less f*cking crazy!" Xue Xinlong said coldly: "Brother Zhongliang is one of Orvel's four heavenly kings!"

When Carden heard this, he said eagerly: "Marven, I'm really sorry today! You can leave with Avella. Zhongliang and Xue Xinlong have a very good relationship. He is on a mixed road, and he is vicious. I don't want you and Avella to get hurt because of me..."

Marven smiled and said, "Carden, you don't need to apologize to me for this matter today, but I feel a little embarrassed. Don't blame me for finding you a stepmother."

"Uh..." Carden was speechless.

Carden always thought that Marven was joking with them, and he didn't take it seriously, but now that Marven meant it, he seemed to be serious!

This...what does this mean?

At this time, Marven looked at Xue Xinlong and said with a smile: "You have said that the four heavenly kings are only one of them. It is not lively enough! Or else, call the remaining three too! After all, they are married. For daughter's great day, the more people who join us, the better."

"You f*cking don't see the coffin, don't cry!" Xue Xinlong gritted his teeth and cursed: "Okay, I will make you crazy for a while, and you will know the cost of rampantism in a while!"

Marven shook his head and smiled helplessly: "You bad old men, bad old ladies, you are in your 50s or 60s. Why are you still so tempered? You see, I am so young, but I am not angry at all, and I speak calmly."

Having said that, Marven sighed and said: "Well, I will call more people to come and cheer for you."

Xue Xinlong sneered and said: "Boy, you f*cking threaten me, if there is a kind of thing, you can ask someone to come, let's show up with real swords and guns on both sides to compete!"

Marven nodded, took out his phone, and sent a WeChat message to Mr. Orvel.

"Bring all three of the four heavenly kings under your seat, except Zhongliang, to Hilton, and invite you to have a wedding wine."

Mr. Orvel was shocked and returned to the micro-channel: "Mr. Ye, you... is it your second marriage?"

"f*ck off." Marven scolded: "It's not me who asks, someone asks, you can bring someone here."

"Okay, I am here!"

Marven said: "Bring more brothers to join in."

"OK, Mr. Ye!"

Marven then sent Issac another WeChat, asking him to come to the Hilton Hotel to watch a play with him.

Since Issac came back from Changbai Mountain, he has treated Marven as a god. Hearing the call of the young master, without saying anything, he immediately said: "Mr. Ye I am here!"

A few minutes later, a Volkswagen Phaeton with seven or eight vehicles of various colors drove to Hilton's door.

The Volkswagen Phaeton stepped forward and walked down a middle-aged man with a look of flesh.

Seeing this man, Xue Xinlong sneered and said to Marven: "Boy, Brother Zhongliang is here, you are dead today."

Marven had never seen Zhongliang, but when he saw this Phaeton sedan, his heart suddenly moved.

At that time, Jiang Ming, a young man who grew up with his orphanage, drove his Mercedes-Benz and crashed into a Volkswagen Phaeton in order to get rid of his car. It is said that the Phaeton was the car of a big brother on the road. This is Zhongliang.

Marven wiped an upward arc at the corner of his mouth, thinking, this is a bit interesting.

Chapter 1284

At this time, in the other cars, thirty or forty menacing little brothers suddenly ran out.

Afterwards, under the command of Zhongliang, these people ran over and surrounded the crowd.

Xue Xinlong hurriedly waved at him: "Brother Zhongliang!"

Zhongliang nodded, glanced at him, and asked, "Mr. Xue, who is not long-eyed and dares to bump into you?"

Xue Xinlong pointed at Marven and said angrily: "Brother Zhongliang, this little b@stard, not only insults me, but also f*cking insults my girl!"

Zhongliang raised his eyebrows, looked at Marven, and immediately trembled with fright.

d*mn it!

It's Mr. Ye!

After all, Zhongliang is one of Orvel's four great heavenly kings, and one of Orvel's more powerful celebrities. When Marven was in Tianxiang Mansion, he had seen Marven's face.

However, at that time, Orvel was extremely humble to Marven, and he was shy of speaking, so naturally he didn't introduce his men.

He didn't expect that Xue Xinlong would provoke Mr. Ye. He panicked and he blurted out to explain to Marven: "Mr. Ye...Ye Da..."

Marven interrupted him immediately: "You have admitted the wrong person."

"Ah?" Zhongliang said hurriedly and respectfully: "How could it be, the young one used to be in Tianxiang Mansion..."

Marven raised his eyebrows: "I said you admitted the wrong person. Are you deaf?"

Zhongliang's internal organs were all trembling at Marven's roar, knowing that Marven definitely didn't want to tell him who he was, so he was busy to follow his words.

But at this time, Xue Xinlong scolded in a rage: "d*mn, why are you talking to Brother Zhongliang? Are you going to die? Believe it or not, let someone chop you down immediately?"

Xue Xinlong's words immediately scared Zhongliang to the ground almost as soon as his legs were weak.

He turned his face and observed at Xue Xinlong with anger, slapped his face with a slap, "d*mn! Xue Xinlong, do you want to die? Believe it or not, I hacked your life now? "

Xue Xinlong was stunned by this slap.

What's the situation?

I asked you to slash this little b@stard, why did you slap me?

Xue Xinlong was aggrieved and covered his face, looked at Zhongliang, and blurted out: "Zhongliang, you...what are you hitting me for?"

Zhongliang trembled all over.

What are you doing? I f*cking want to kill you!

Who is it not good for you to provoke, Mr. Ye? Isn't this going to pit me to death?

How many people who have offended Mr. Ye have been dragged by my elder brother Orvel to the kennel to feed the dogs. Are you f*cking trying to kill me?

However, he didn't dare to say this clearly. After all, Mr. Ye was already angry just now, and he definitely didn't want to expose his identity...

Thinking of this, he could only suppress the anger and fear in his heart, and said: "I hit you because you are too unqualified to speak. Don't always talk about cutting people. Pay attention to your quality, understand?"

Xue Xinlong was wronged to death, and blurted out: "But you just called me an old dog, and you said you want to hack me to death. What did I say..."

Chapter 1285

When Zhongliang heard Xue Xinlong say this, he slapped him again angrily, and yelled: "Grass, you f*cking dare to talk back to me? I said you listen to me!"

Xue Xinlong was slapped twice and was extremely depressed. How could he have been beaten since he became an adult?

Today, in front of so many people, Zhongliang slapped him twice.

However, although he was very angry, he did not dare to express any dissatisfaction at this moment.

I can only nodded angrily and said, "Brother Zhongliang, you are right. I must pay more attention to what I say outside."

Zhongliang snorted coldly and glanced at Marven. He couldn't help but feel a little guilty, so he asked Xue Xinlong: "What the h*ll is going on today? Tell me clearly!"

Xue Xinlong immediately said with aggrieved and angry face: "Brother Zhongliang, I have lost all my old face today. A little b*tch who didn't know where he came from would dare to pretend to be forceful with me, and dare to insult and humiliate me, you have to help me decide!"

Having said that, Xue Xinlong immediately said the matter exactly.

Zhongliang couldn't help being dumbfounded when he finished speaking.

On the one hand, he was surprised at the promiscuity of Xue Xinlong's daughter, on the one hand, he was also surprised at the shamelessness of the Sun Dewang family, and on the other hand, he was shocked by Mr. Ye's manipulation!

If he were Marven, he would bring someone here to teach the two families a lesson, and then let Carden and Isabella get married.

But a ghost like Mr. Ye could even think of letting Sun Dewang marry Xue Xinlong's daughter!

This is too dark humor!

Sun Dewang and Xu Liqin wanted to make their son the catcher.

But the two of them might not have thought of it anyway, and it was Sun Dewang who was going to be the next Groom.

Moreover, Zhongliang had heard of a lot of Mr. Ye's deeds a long time ago, not to mention, he had already heard of Mr. Ye's resolute and uncompromising character.

Therefore, he looked at Xue Xinlong and Sun Dewang with sympathy at this moment, and he was very clear in his heart that although this solution seemed very absurd and ironic, since this was the decision of Mr. Ye, there must be no buffer room for this matter. .

At this moment, Xue Xinlong saw Zhongliang's expression weird, and hurriedly cried: "Brother Zhongliang, if you say that Xue Xinlong is in Wrestvel, I can be considered a person with a face. This guy humiliates me and humiliates my daughter. ?"

Zhongliang scratched his head awkwardly, looked at Marven, and said, "Xue Xinlong, if you want me to say, you guys don't know how to promote! This matter itself is very complicated, and for your family. There is also a very urgent need to be resolved. You can't find a solution. This Mr. Marven gave you a good idea. Isn't it a good idea? Now this Sun Dewang is right in front of you, and your daughter is also here. Hilton Banquet Once everything is set up, you can simply marry your daughter to Sun Dewang just because of the right time and place, isn't it over?"

"what?!"

Whether it was Xue Xinlong, Sun Dewang, or Xu Liqin, they never expected Zhongliang to say such a thing!

Sun Dewang and Xu Liqin couldn't help cursing in their hearts, the dog-day Zhongliang, was Xue Xinlong invited or Marven invited?

Why didn't he speak to Xue Xinlong at all?

Chapter 1286

And also slapped Xue Xinlong in the face and asked him to marry his daughter to Sun Dewang...

The latter incident is much more cruel than a slap in the face!

Xue Xinlong was even more depressed and wanted to die. He shivered and said, "Brother Zhongliang...you can't turn your elbows out, but we both want to worship good brothers! My daughter is your niece, do you have the heart to let her marry a bad Old Master like Sun Dewang?"

Zhongliang immediately said: "Xue Xinlong, we are familiar with each other, but you can't talk nonsense. I'm an ordinary acquaintance with you. Who said I would worship you?"

Xue Xinlong was shocked and hurriedly said: "Brother Zhongliang, we have known each other for many years. I have not lost any of the benefits that should be given every year. I gave you such a big red envelope some time ago. How do you turn your face at me now?"

Zhongliang said solemnly: "Xue Xinlong, I'm not turning my face with you, I'm all for your own good, understand? You said that although your daughter is young, she is very dirty, right? She is only in her 20s. She is pregnant with a foreigner's child. The point is that you still have to let her give birth to this child. How can ordinary people handle this kind of super slut?"

After finishing talking, he pointed at Sun Dewang and said seriously: "Look at Sun Dewang, he is a little older, but older men know that they hurt people, and look at him, his biological son is so old, and he has already succeeded in inheriting the family. It doesn't matter to him that, how appropriate it is!"

Sun Dewang's old face is red and hot!

What the hell does this mean? Can you be a father to a black child by co-authoring?

Xu Liqin was even more depressed, and said annoyedly: "I said what's the matter with you? In my face, you seduce my husband to marry a child, is it not sick?"

Zhongliang glanced at her in disgust, and said coldly: "What is the big one? Do you think it is a feudal society? Our country can only be monogamous, don't you know? Since Sun Dewang wants to marry Xue Xinlong's daughter, then You must divorce him first!"

"You bullsh*t!" Xu Liqin was anxious all of a sudden, ignoring that the other party was the eldest brother, angrily scolded: "I think you are making trouble, you bastard, get out! You are not welcome here!"

"f*ck you!" Zhongliang lifted his foot, kicked Xu Liqin's belly, kicked her far away, and cursed: "You dare to yell at me for anything, believe it. If you don't believe me, I cut your tongue?"

Xu Liqin couldn't get up for a long time because of this kick. She lay on the ground and rolled her belly, crying in her mouth.

Sun Dewang hurriedly said to Xue Xinlong: "Oh, Mr. Xue, what the hell is going on? Didn't you invite me here? Didn't you let him cut Marvin? After he comes, he will beat my wife?"

Zhongliang raised his hand and slapped Sun Dewang, and cursed: "Why are you so inept? What I said just now is nothing, right? Didn't you hear Mr. Marvin's arrangement? Starting today, Your wife is Xue Xinlong's daughter, and Xue Xinlong is your father-in-law, do you understand?"

"I....."

Sun Dewang looked uncomfortable.

Xue Xinlong was also very depressed. He angrily said to Zhongliang, "Brother Zhongliang, if you don't want to help, just forget it, but don't kick me off, I don't need you here, please leave!"

"Huh?" Zhongliang said coldly: "Let me go? Xue Xinlong, you have a lot of skills, dare to talk to me in this tone?"

Xue Xinlong clasped his hands together and kept waking up, begging in his mouth: "I beg you, Brother Zhongliang, we will solve this problem by ourselves. We don't need your help. You must be very busy with everything, so we won't waste your time. Please go."

Zhongliang said disdainfully: "What? You let me go and I'll leave? Do you think you are my elder brother?"

At this moment, someone suddenly yelled: "Orvel is here!"

Chapter 1287

"F*ck!"

As soon as Zhongliang heard that Orvel was here, he immediately knew that his eldest brother was coming to Mr. Ye.

So he looked at Xue Xinlong with sympathy and shook his head: "Xue Xinlong, don't blame me for not reminding you, you are ready to marry your daughter!"

After speaking, he hurriedly walked over to meet Orvel.

At this time, someone in the crowd said: "I'm going! Mr. Orvel came with the other three of the Four Great Heavenly Kings. This is the Four Tiger Generals under Mr. Orvel! Since Mr. Orvel became the underground king of Wrestvel, The four heavenly kings were each allocated a site, and it has been a long time since they got together to show their faces!"

When everyone heard this, they couldn't help being shocked.

Avella asked Marven in a low voice: "Marven, this Mr. Orvel, shouldn't you call him here?"

Marven nodded and smiled: "Yes, it's him I called. Today he will do what I say, and I must never let people on the rivers and lakes laugh at me."

Avella asked him in a low voice with a look of surprise, "Could it be that you really want Carden's father to marry Mr. Xue's daughter?"

Marven smiled and said, "Of course it's true. Didn't I apologize to Sun Wei in advance before you heard it?"

Marven had already said sorry to Carden just now. I'm sorry, but I will find him a stepmother today, so he will do what he says.

Avella was shocked and couldn't help but said, "Is this joke a bit big?"

"Joke" Marven said with a smile: "Wife, when did I say this was a joke? I always speak for words."

Avella couldn't help asking, "Is this appropriate? I think it's a bit inappropriate..."

Marven grabbed her hand and said softly: "Don't worry, if your husband says it's appropriate, no one dares to say it's inappropriate!"

At this time, Orvel had already stepped towards Marven.

As he walked, he asked Zhongliang in a low voice: "Did you guy cause me any trouble? Did you bump into Mr. Ye or offend Mr. Ye?"

"Big brother, I don't have either!" Zhongliang hurriedly explained: "There is a guy who paid us premiums and asked me to help him cut people. After I came, I found that he was targeting Mr. Ye. I didn't dare to speak to Mr. Ye if I was offending, but beat that person, absolutely not offending Mr. Ye!"

Orvel nodded, feeling a little relieved.

Zhongliang has been with him for many years. Knowing that Zhongliang would never lie to him, he nodded and said in a low voice, "When you get to Mrs. Ye later, you talk less, lest you make more mistakes, you know?"

Zhongliang said immediately: "Don't worry, brother, I will be silent!"

At this time, Orvel brought the four heavenly kings and a group of younger brothers to Marven.

When he came, Sun Dewang, Xu Liqin, and Xue Xinlong were all frightened.

They never dreamed that today they would provoke the underground emperor of Wrestvell!

The ghost knows why he came?

In case something makes him unhappy and makes him blame it, the trouble will be great!

Next, an even more stunned scene happened!

Orvel strode in front of everyone, without saying anything, immediately bowed to Marven, and said respectfully: "Mr. Ye! Orvel is late, and Mr. Ye will punish me!"

As soon as he said this, the four heavenly kings, as well as hundreds of younger brothers from various heavenly kings, bowed together ninety degrees and said in unison: "Mr. Ye, please punish!"

Chapter 1288

One or two hundred people shouted these six words at the same time, making the whole scene seem like thunder!

The others were all frightened.

Xu Liqin's face was pale, Sun Dewang's legs were soft, and Xue Xinlong knelt on the ground with a thud.

He knew he was finished.

Never thought that he would have such a great ability to cut this kid.

Even Mr. Orvel treats him respectfully!

At this time, Orvel didn't have the aura of the underground emperor of Wrestvel, he was exactly a dog of this young man!

What's the sacredness of him?

At this time, Marven looked at Mr. Orvel, smiled faintly, and said: "It's okay, it's not too late to come."

Mr. Orvel asked immediately, "Mr. Ye, don't know, what do you want to tell Orvel to come over for?"

Marven pointed to Xue Xinlong and said, "This person is going to marry his daughter today, but his daughter's fiancé has not yet divorced, so I'll give you half an hour to take his daughter's fiancé and his daughter's fiancé's current wife. Let them go to the Civil Affairs Bureau to complete the divorce procedures."

Mr. Orvel was confused and couldn't figure out what was going on, but he nodded very seriously and said, "Mr. Ye, don't worry, I will finish this matter within half an hour."

After speaking, Mr. Orvel asked carefully: "Mr. Ye, where are the fiancé of this person's daughter and the current wife of this person's daughter's fiancé?"

Marven pointed to Sun Dewang and Xu Liqin, and said lightly: "This bad Old is his daughter's fiancé, and the bad old woman next to her is the current wife of this bad Old Master."

Mr. Orvel took a look, and he was immediately stunned.

What exactly is going on?

This Xue Xinlong seems to be in his early 50s, and Sun Dewang looks at the same age as him. Why is the relationship between the father-in-law and the son-in-law?

However, he didn't dare to ask indiscriminately, and immediately nodded and said, "Mr. Ye, don't worry, I will take them to get a marriage certificate!"

Upon hearing this, Xu Liqin immediately jumped and scolded emotionally: "Why do you let me divorce my husband?"

Marven sneered: "Just rely on my words from Marven!"

Xu Liqin scolded angrily: "The beauty you want! Want me to divorce my husband unless you kill me!"

Marven smiled and said, "Kill you? Just a bad Lady like you is worthy of letting me kill you? Obediently divorced your husband, get out of Wrestvel, you can still have a way to survive, otherwise, I will not let you survive Don't ask for it, no!"

Xu Liqin was frightened by Marven's aura, she didn't even dare to speak.

Mr. Orvel said coldly at this time: "You two have heard what Mr. Ye said. Don't grind with me here, and quickly follow me to the Civil Affairs Bureau and get the divorce certificate!"

Marven said, "Don't rush to take them away. Bring Mr. Xue's daughter along by the way. After the man divorces the old woman, let Mr. Xue's daughter get the marriage certificate with Sun Dewang on the spot. After receiving the certificate, come over for the banquet at noon!"

Xue Xinlong sat on the ground at this time and said desperately: "I don't agree! No I don't want my daughter to marry this bad Old Master!"

Mr. Orvel said sharply: "Dare to disobey Mr. Ye? Believe it or not, I will kill you now?"

"I don't believe it!" Xue Xinlong collapsed and cried loudly: "In broad daylight and in the sky, I don't believe you can kill me! Moreover, even if I die, I won't let my daughter marry Sun Dewang!"

Chapter 1289

Seeing that Xue Xinlong still dared to object, Mr. Orvel sternly reprimanded: "It is against you. Even Mr. Ye's decision dare to disobey, right?"

Xue Xinlong spoiled his ineffective daughter the most, so he didn't care about the status of Orvel at this time, and said angrily: "My daughter is still young! How could she marry such a bad Old Master as old as me!"

Zhongliang fell into trouble at this time, and sneered: "What? You don't look down on the Old Master, but you send your daughter abroad and let her mess with the people abroad, why are you okay?"

Xue Xinlong said angrily, "don't know that! I want to know that after she goes out, she will get together with the foreign guys, and I won't send her abroad if she is killed!"

Mr. Orvel said indifferently: "Okay, let's talk less nonsense. No one can rebel against Mr. Ye's decision. If you are not on the way, don't blame me for being rude to you!"

Xue Xinlong sternly said: "If there is a species, you will kill me! I still don't believe it! What I say has been rated as an outstanding local entrepreneur in Wrestvel for several years. Today so many people watched, you can kill me in broad daylight. ?"

Mr. Orvel's face suddenly became very ugly.

This guy actually recognized that he didn't dare to act directly on him here.

Although he is the underground emperor of Wrestvel, it is really difficult to deal with a well-known entrepreneur worth hundreds of millions under the circumstances.

Just when he didn't know what to do, suddenly a voice came and said coldly: "Someone even dared to disobey Mr. Ye's words, let me see who it is, the head is so iron!"

Xue Xinlong looked up, and was shocked to death by the speaker!

This... isn't this person Issac, the owner of Shangri-La?

This is the president of the Wrosvel Pinnacle Entrepreneurs Association, the spokesperson of Orgeyon's top big family, and the super-big boss who all the entrepreneurs of Wrosvel are respectful to!

Xue Xinlong spent several years and spent a lot of money to get people to clear up the relationship and let himself join the Wrosvel Pinnacle Entrepreneur Association, because this Pinnacle Entrepreneur Association was organized by Issac, and all the people who collected it were first-class in Wrosvel. Bosses and entrepreneurs, people like themselves worth several hundred million, are simply not qualified to enter.

After joining the Pinnacle Entrepreneur Association, he discovered that the top entrepreneurs in Wrosvel depend more or less on Issac's relationship and channels.

This is mainly because Issac is in Wrosvel and he really has hands and eyes!

Some real estate developers can't get the land they want, so they ask Issac. As long as Issac is willing to help, the problem will be solved.

Some manufacturers can't get the approval document or the authorization of the top big company, as long as they can find his help, it is a matter of sentence.

This is Issac's strength, which is completely beyond the reach of ordinary people.

However, he did not expect that Issac would also come today!

Moreover, did he call that young man Mr. Ye? !

What is the origin of this young man? !

He looked at Issac who was striding over in a panic, and said tremblingly: "Mr. Craven...Mr. Craven...oh no...Chairman Issac, why are you here? ?"

Issac said coldly: "Let me see, who is so bold, who dares to disobey Mr. Ye's orders!"

After finishing speaking, Issac also bowed to Marven and said respectfully: "Mr. Ye, Issac is late, please punish me!"

Chapter 1290

Xue Xinlong looked at Issac and Marven again, only then did he realize that Marven really has great abilities!

Even Issac is so respectful to him, didn't he kick the steel plate?

At this time, Issac turned his face and looked at Xue Xinlong again, and said coldly: "You want to disobey Mr. Ye's arrangement, right? In this case, then I will ask all the supermarkets, all the properties, cars and Bank accounts and stock accounts are all sealed up indefinitely! Let your family have nothing and go to the streets to beg for dinner!"

Upon hearing this, Xue Xinlong said to Marven in a panic: "Mr. Ye, Mr. Ye! I was really wrong, you adults don't remember the villain, don't be familiar with people like me, please!"

Marven smiled and said, "I didn't want to be familiar with you, so you just have to obey my arrangements honestly."

"I...I..." Xue Xinlong couldn't make this determination.

Marry daughter to Sun Dewang? Don't say whether daughter agrees or disagree, I can't hold it on this face!

If people in Wrestvel knew that they had married their daughter to such a bad Old Master, wouldn't they still be able to count themselves to death?

However, it is Issac who is offending him right now!

If Issac really wants to kill him and leave his family with nothing, it will not only be bad luck for daughter, but also for himself and his wife...

Seeing him hesitating for a long time, Issac snorted coldly: "It seems that you are going to fight to the end. Okay, then I will call and arrange it!"

After speaking, Issac wanted to touch the phone.

Xue Xinlong was frightened, and blurted out: "Don't! Don't! President Issac, don't! Can't I promise? I promise! I promise all!"

Issac said coldly: "What did you not do early? You have to agree early. I think of your respect for Mr. Ye, and I will give you some care, but you don't know what is good or bad, and you are rude to Mr. Ye. , From today, you will be officially expelled from the Wrestvel Pinnacle Entrepreneurs Association! You can never join again!"

"Ah?!" Xue Xinlong took the boss's effort to join the Pinnacle Entrepreneur Association.

The purpose is to get some resources and contacts of the association.

During this time, he has indeed received a lot of help and promotion from the Pinnacle Entrepreneur Association.

Even the city knew that he had joined the Pinnacle Entrepreneur Association, so it gave his supermarket a green light and gave a favorable policy of 50% corporate income tax reduction for five years, which can save tens of millions.

Moreover, several real estate business members in the Pinnacle Entrepreneur Association are also considering giving him preferential prices so that they can buy shops from their real estate at extremely low prices, so that their supermarkets can quickly expand. .

However, if the news that he has been expelled from the Pinnacle Entrepreneur Association is spread, not only will his future business development and cooperation be greatly affected, even the favorable policies he's already received will probably be abolished, and he will suffer heavy losses!

But at this time, he really didn't dare to complain anymore. After all, Issac's strength was much stronger than Orvel. If Issac really wanted to block him, then his whole family would have to finish playing!

And it is possible that all the family properties will be sealed up, without a penny, and finally starve to death on the roadside!

After all, this person can cover the sky with just one hand in Wrestling!

Therefore, he could only cry and say: "Chairman, I am willing to accept Mr. Ye's arrangement to marry my daughter to Sun Dewang!"
