

The Amazing Son In-law chapter 1421-1430

Chapter 1421

In fact, Elaine didn't want to be Marven's dog licking him.

But her current situation is too embarrassing.

Without the financial power of the family, she is almost impoverished and penniless, and this luxurious Tomson First-Class villa was still under the name of Marven and had nothing to do with her.

More importantly, since losing more than 2 million in the game with Horiyah last time, Elaine also knows that her current family status is relatively low, and even Dave, who has always been suppressed by her, also turned his face and beat her. In this case, she really doesn't have any arrogant capital.

So Elaine knew that now she could only be a human being with her tail clipped, and she has to please Marven a lot, otherwise, if Marven turned his face with her that day and drove her out, it would be over.

Besides, Marven was still willing to ask her about expensive cosmetics, so she immediately complimented him.

Avella didn't expect that Marven would take the initiative to ask her mother about cosmetics. She felt helpless, so she asked Marven, "My husband, why haven't I heard that you have friends in the cosmetics business?"

Marven smiled and said, "Since I started to show Feng Shui to others, my social circle has become wider and wider. How else could I know Liang, the boss of JX Pharmaceutical? If it wasn't because I knew Liang, you too have no chance to eat with a big star like Sara, right?"

Avella nodded lightly, and sighed: "Hey, if you don't owe someone to your family, it's better not to owe it. There are hundreds of thousands of caviar anti-aging cosmetics, which is really too much for a family like us. It's extravagant, no need..."

Elaine was anxious and said hurriedly: "Oh girl! Who said it is unnecessary? My son-in-law Marven didn't say that it was unnecessary. Don't talk nonsense here!"

After finishing speaking, she looked at Marven too busy, and said with a smile: "Marven! Mom's old face depends on you. Otherwise, if your dad always abandons in the future and really wants to divorce, when the time comes, then I will be yellow, and the happiness of this life will be gone!"

Marven said to Avella at this time: "Avella, don't care about the price too much. After all, I can convert the price into a service by looking at the Feng Shui matter, without us actually spending money."

"That's it!" Elaine immediately said with a smile: "My son-in-law has the ability. If your mother can live in the Tomson first grade, it is all thanks to your blessing! I think mother can live here it's all up to you."

After finishing speaking, she still didn't forget to sigh with emotion: "People said that a son-in-law is half a son. I didn't believe it before, but now I really believe it!"

Avella was stunned as she watched from the side.

She never dreamed that the mother, who had always been so harsh on Marven, would actually hold him into a flower.

So she had to say to Marven: "Then you can grasp it yourself, don't know what to say."

Marven smiled and said, "Then I will go find him today."

Marven actually has no friends who make cosmetics. He had already made up his mind when he said that. When he finished his business today, he would buy two sets of cosmetics like Elaine said, one set for his mother-in-law and the other set naturally for his wife.

The reason for giving Elaine this was because Elaine's current attitude made him feel refreshed.

What do men want?

Except for the beloved woman, isn't it about status and face?

Marven is also the Master respected by everyone in Wrestvel's upper class, but he has always been instructed by Elaine at home.

Seeing the face of his wife Avella, Marven could only endure her forever, but it's better now, Elaine finally bowed down to him.

Anyway, what he has now is money. If Elaine treats him respectfully and stubbornly every day, she will not care about giving her a small profit.

Really!

Chapter 1422

When Elaine heard this, she said with great gratitude: "Good son-in-law! You are really the best son-in-law in the world. It is a blessing for mom to get a son-in-law like you..."

The Old Master on the side sighed again and again. He knew that his son-in-law Marven has some skills. Since he said he would get cosmetics for Elaine, he would definitely get it.

However, when he thought that Elaine was about to use more than 100,000 sets of cosmetics, he felt a little uncomfortable.

At this time, Marven just said to him: "By the way, dad, do you use the car today? I have something to do. If you don't use the car, can you lend me for today?"

Marven had to go to the airport to see Sara right away, and then hurry to Wrestvel Stadium. It was indeed a bit inconvenient if there was no car.

Dave hurriedly said: "In this way, you can drive me to the university later. There will be a working meal there at noon, so I won't come back to eat at noon. I will take a taxi and come back by myself after I finish the work in the afternoon."

Marven nodded and said, "Then let's eat quickly, and let's set off when we finish eating."

Dave: "Good!"

Elaine's cooking skills are average.

However, tomato noodles do not require much technical input.

So he can barely eat this meal.

Marven and Dave finished their meal and drove away in a hurry.

Marven just drove Dave's BMW car out of the house, and Dave said with emotion: "Oh, Marven, you are so stupid! Why do you promise Elaine that stinky lady to give her such expensive skincare? I don't even look at her, just her compelling fooled you?"

Marven smiled and said, "Dad, it's only a few hundred thousand. It's not a big deal. Besides, don't I have friends? It's easy to get cosmetics."

Dave couldn't help but sighed: "Oh, what a pity, what a pity!"

Marven smiled without saying a word.

In the eyes of the old man, it would be a pity for Elaine to use a pack of baby noodles for one.

However, to himself, what's the problem with this little money?

Don't say you spend money, just call Zak Chen, Solmon Wang, and Qin Gang and ask them to help buy 10 or 20 sets. What's the point?

The point is that with a little bit of petty profit, he can make the mother-in-law submissive. This business is simply not too costly.

Dave on the side vaguely asked: "Hey, by the way, Marven, that...Dad, can you... please?"

Marven nodded: "Dad, tell me, what are you doing so politely with me?"

Dave smiled, rubbed his hands, and said, "If you have a way to get this kind of cosmetics, can you get me one more set?"

Marven asked subconsciously, "Dad, are you still going to take care of it? But it doesn't seem to be necessary. It's more flavorful when a man is older!"

Dave smiled embarrassedly: "Dad doesn't hide from you, I want to ask you for a set, not for my own use. I want to find a chance to give you Aunt, you know, Dad has no money now, you Auntie has been back for so long, and Dad hasn't given her a gift yet. How embarrassed..."

Then he said, "I wondered, since you have a way to get this kind of cosmetics, then help dad get one more set. Dad will take it to give you Aunt, is it a little bit of face?"

Chapter 1423

As a man, Marven understands Dave's thoughts very well.

In fact, which man does not want to make his beloved woman happy?

It's just that some people really can't reach it, and they can't do anything.

Just like Marven before, not only he was penniless, but also had no longs. Sometimes when Avella celebrated his birthday, or when the two of them celebrate their wedding anniversary, Marven also hoped to give his wife a gift. But because there was no money, he could only think about it.

The first valuable gift he gave to his wife was the jade necklace he bought for her at Rare Earth after Darren found him.

Before that, even if Marven wanted to give his wife the whole world, with his ability at the time, he couldn't even give away a set of cosmetics from the past.

Regardless of how old Dave is, but at this moment, he is still in love with Meiqing, who has been away for more than 20 years, so he naturally hopes to give her some decent gifts.

Marven understood this very well.

So he said very generously: "Okay, Dad, then I'll make an extra set and bring it to you then."

"Great!" Dave was so excited that he couldn't add anything, and said excitedly: "Good son-in-law, you really did a great favor to Dad."

As he said, he was too busy to ask him: "By the way, you must not let your mother-in-law that shrew know about this matter, otherwise, Dad will be over, do you know?"

Marven nodded: "Don't worry, Dad, I know in my heart that I will leave a set in the trunk of your car when you come, and you can take it with you when you meet Aunt next time."

"Okay, great, my good son-in-law thought it all!"

Marven drove the happy Old Master to the gate of the university for the elderly.

After Dave got out of the car, Marven drove straight to the airport to see Sara off.

Sara's private jet is parked in the business hangar of the airport. There are no other passengers, no reporters or paparazzi here, so it can give her the greatest freedom and privacy.

Marven was here too, and saw Sara who was dressed in a capable little suit.

At this time, Sara seemed to be a standard strong woman.

Seeing Marven coming, she couldn't help showing the shame and happiness of the little woman.

Since meeting Marven, her mind has not been able to get rid of Marven's figure.

Although the memories that she can think of in her mind and that she shared with Marven stayed at a young age, because she has repeatedly deepened the impression in her mind for so many years, the memory of more than ten years ago, on the contrary, lingered in her mind.

The power of psychological suggestion is very powerful, and the s*umbag who likes PUA girls like Wu Qi uses the powerful influence of psychological suggestion.

Long-term psychological hints can make a person lose himself.

Ordinary girls, in front of the Master of psychological Suggestions, are afraid that they will fall within a few months.

As for Sara, she has been making psychological hints to herself for more than ten years, and this influence has become even more profound. It can be said that it has reached a point where it is deeply rooted and thoroughly established.

Therefore, after she met Marven again, she immediately began to take on the role of his fiancée.

When she slept last night, she even began to imagine that the two would return to Orgeyon for a wedding in the future.

Chapter 1424

Seeing Marven at this time, the girl's heart in her bone cage suddenly burst, and she ran all the way to Marven, grabbed his arm, and said quietly, "Marven, I am going back to Orgeyon today. Are you willing to leave me?"

Marven smiled and said: "You have to go home, and you have to go back to participate in the rehearsal of the Gala. People across the country are waiting to see your performance."

Sara mumbled dissatisfiedly: "Answer the question! What people want to ask is, you are not willing to go back!"

Marven wanted to say that he was willing, but felt that after speaking out, Sara would definitely be anxious.

However, he couldn't say that he was reluctant, because he actually wanted Sara to go back quickly, otherwise she would only bring trouble and trouble to him if she continued to stay in Wrestvel.

If Avella knew what happened to him and her, he wouldn't know how angry she would be.

So, he said vaguely: "Oh, anyway, you go back to your work, and I will visit your house in a few days, soon."

"Okay, then." Sara pouted, nodded lightly, and said: "I will not tell my father when I go back. I will give him a surprise when you get there."

Marven said, "Okay, then don't tell Uncle Gu now."

The crew was already checking before takeoff. August also took Sara's personal luggage and boarded the private jet first.

Sara stood outside the cabin door, faintly looking at the tall and handsome Marven in front of her, and said, "Marven, after I leave, you have to remember to miss me, do you know?"

Marven nodded: "I know, I know, don't worry, I will definitely miss you."

Sara said again: "You must have a string in your mind at all times, and keep reminding yourself that I am your true fiancée, and the other women outside are all hurried travellers in your life. In this life for my dad, I am a daughter, and you have an uncle. You can't let him down."

Marven's head was big for a while, but he could only say: "Oh, that...I know, oh, it's getting late, you should get on the plane."

Sara gave a hum, and reluctantly said, "Then I'm leaving..."

"Goodbye, good luck."

Sara pursed her lips and looked at him, and immediately gathered courage, kissed him on the cheek, blushing, and said, "This is a reward for you in advance."

Marven asked in surprise: "What are you rewarding me in advance?"

Sara said: "Reward you in advance, remember to miss me!"

After speaking, she blushed and turned back to private jet.

At the moment the cabin door closed, she was still standing at the door and waving to him.

The aircraft engine started and slowly pushed out from the hangar. Marven breathed a sigh of relief. He hurried back to the parking lot and drove straight to the city center.

When he drove out, he immediately called Zak Chen, and he came up and said: "Old man, can you help me see if there is a high-end skincare brand, and what kind of caviar is this anti-aging?"

Zak Chen said: "There is indeed such a brand, and we sell it in Shangri-La. The world's top high-end skincare brand is much stronger than the sea blue mystery."

Marven asked wonderingly: “Does Shangri-La still sell skincare products?”

Zak Chen smiled and said, “Master you have never lived in Shangri-La. You may not have any understanding of the hotel’s rooms. There is a large high-end shopping mall in Shangri-La’s hotel room department. What are the top brands such as Hermes, Chanel and Dior? The specialty stores have everything, which is also a popular way of playing in top hotels in the world. Accommodation, dining, leisure and entertainment, plus shopping, strive to provide high-end customers with a one-stop holiday, and even save the energy of going out shopping.”

Marven suddenly realized, “That’s right, you can help me buy three sets of caviar anti-aging cosmetics, and get someone bring me those to Wrestvel Stadium.”

Chapter 1425

When Zak Chen hurried to buy cosmetics for Marven, Marven had already arrived at the Wrestvel Gymnasium.

Today, the game has reached the semi-finals.

In the last game, Aoxue’s performance in beating Joanna with a single move caused great attention on the Internet, and immediately pushed the attention of this game to a peak.

Therefore, today’s semi-finals attracted the attention of audiences from all over the country, so much so that outside the Wrestvel Stadium, a large number of spectators bought tickets at high prices just to witness Aoxue’s advancement to the final.

Inside and outside the venue, Kobayashi’s Weisan advertisements have been launched with great fanfare. Because they are the title dealer, their advertising elements are everywhere. Just use the camera to take a picture. There must be Kobayashi’s Weisan advertisements on this screen.

Moreover, the TV station that broadcasts the game also always displays the logo of Kobayashi Weisan on the lower right corner of the TV screen.

What’s even more powerful is that many network anchors are on the scene, using their mobile phones to broadcast live to netizens on the live broadcast platform. This process is also expanding the influence of Kobayashi Weisan.

It can be said that Kobayashi’s Weisan won enough eyeballs at once.

Jiro was overjoyed for this.

At first, he only thought that this game would not attract too many people’s attention, but fortunately, the naming rights were sold cheaply, but he did not expect that Aoxue would make the game completely popular, and he really made a lot of money.

After Marven arrived at the gymnasium, he went to the players’ lounge at the back. As soon as he entered the room, Aoxue was jumping on the spot to warm up, and Qin Gang and Steven were also there.

Seeing Marven coming in, Aoxue hurried forward and said affectionately: "Master, you are here!"

Marven nodded, smiled and asked, "Aoxue, how do you feel today?"

Aoxue hurriedly said: "Master, I feel in a particularly good state! Don't worry, I will definitely win this game!"

Marven sighed and laughed: "I think with your current strength, no one in this competition can be compared to you, so you have to worry about how to make the game more beautiful."

Aoxue couldn't hide the shame and asked: "Master, oh no, coach Ye, how do you say I should play this game to make it more beautiful?"

Marven said calmly: "It's very simple, just like last time, we still have to win with one move!"

In Marven's view, the perfect way to win a contest between warriors is to win with one move!

The 300 rounds of the war, of course, are hearty.

However, the fact that it usually takes so long to win the battle shows that the actual gap between the two sides is not large, and it can even be said to be equal.

Aoxue's current strength is far beyond those of these contestants. It's just that she herself is somewhat lacking in tactics. If she accumulates more experience, her actual combat ability can be improved.

Aoxue felt a little unsure, but seeing Marven believe in her so much, she nodded and resolutely said: "Coach, rest assured, I will go all out!"

At this moment, in another lounge.

Nanako was wrapped in a blanket with her eyes closed.

Both Tanaka Koichi and Jiro were standing by. Tanaka also had a mobile phone in his hand. The mobile phone was streaming video with Yamamoto Kazuki who was lying on the hospital bed.

But Kazuki Yamamoto on the other end of the phone didn't make a sound. He just looked at his student quietly through Tanaka's lens.

Yamamoto Kazuki was worried that Nanako's mentality would collapse.

Chapter 1426

After all, the appearance of Marven subverted the cognition of the master and apprentice, and brought a heavy blow to their enthusiasm.

However, Yamamoto Kazuki still hopes Nanako can play well.

Even if she couldn't win the championship this time, with her strength, it would be fine to win a runner-up.

However, if she does not perform well, the runner-up may not be able to get it.

Fortunately, he found through the video that Nanako is nothing different from usual.

Nanako herself is not the kind of player who is particularly excited, so she is usually very quiet before the competition and likes to close her eyes and rest like she is now.

Seeing that the time was almost up, Tanaka Hiroichi spoke: "Miss, you will enter the venue in five minutes."

Nanako opened her eyes and nodded gently: "I see."

Koichi Tanaka said again: "Miss, I'm talking on video with Coach Yamamoto. Do you have anything else to ask him?"

With that, he immediately switched the camera and pointed the phone screen at Nanako.

At this time, Nanako saw the weak Yamamoto Kazuki on the hospital bed and said respectfully: "Master how are you feeling now?"

Yamamoto Kazuki laughed at himself: "My biggest problem is that I don't feel it now."

Nanako hurriedly apologized and said, "I'm sorry, Master I didn't mean it."

Yamamoto Kazuki smiled slightly and said, "It's okay, I have already accepted my fate."

As he said, he raised his voice a little bit, and said bluntly: "Nanako! Today's game is very important to you. Whether you can get the silver medal or not depends on whether you can win this game."

"Being a teacher is not a blow to you, but you are probably not Aoxue's opponent, but as long as you agree to this game, the silver medal will already be in your pocket."

The rule of the top four matches is to fight in pairs, the two who win compete for the championship, and the two who lose compete for third place.

In other words, as long as Nanako wins today, she will at least have the silver medal for the runner-up.

When Nanako heard this, she nodded seriously, and said, "Master I know that I am not Aoxue's opponent, but I will definitely work hard to finish every remaining game, and will never bring shame!"

Yamamoto Kazuki said with satisfaction: "Very well, if this game is won, and in the next game you will face Aoxue. At that time, you will not only go all out, but also let Marven look at you with admiration, and then take advantage of Aoxue's match. If you have a chance, you will ask Marven to accept you as a disciple!"

Nanako smiled bitterly: "Master Marven cannot accept me as a disciple."

Yamamoto Kazuki said puzzledly: "In my opinion, a talented apprentice like you will never be refused. Marven must be the same. Why would he refuse you?"

Nanako shook her head and said, "Just because I am Japanese."

"What?" Yamamoto Kazuki frowned and asked, "Marven looks down on us?"

Nanako said: "It's not that he looks down on us, but he said that the Chinese have taught too many Japanese, but the Japanese have been avenging revenge for two or three hundred years, so..."

When Yamamoto Kazuki heard this, he couldn't help but sighed and said: "Marven is a master of real high-end martial arts. Before we have seen his strength, we just sit and watch the sky, but after seeing his strength, if we don't have a chance to practice. His kind of high-end martial arts really feels that he has been practicing in vain for so many years..."

Chapter 1427

Nanako is also very sorry in her heart.

Knowing that she was sitting in the well and watching the sky, what she wanted most was to jump out of this well, but Marven didn't give her this opportunity.

Yamamoto Kazuki saw her look down and hurriedly calmed down: "Nanako, it's not the time to consider this issue. You will win this game first, and we will discuss the rest!"

Nanako nodded heavily, and immediately said to Yamamoto Kazuki: "Master then I will be on the stage."

"Go!" Yamamoto Kazuki encouraged: "This game must go all out, whether Marven is willing to accept you as a disciple. You must let him see your strength, so in this game, you play as beautifully as possible!"

"Beautifully?"

"Yes!" Yamamoto Kazuki said firmly: "Nanako, the last time Aoxue defeated Joanna with a single move, she was very popular on the Internet. I hope you will do your best when you play and give your opponent no chance. Control the enemy with one move!"

Nanako sighed: "Master, Michel is the second seed. We have played against each other before. Although I have beaten her every time, I cannot avoid a fierce battle every time. It is difficult to defeat her with one move... .."

Yamamoto Kazuki said: "If you can't control the enemy with one move, you have to do your best to defeat her in the first game. You want Marven to see your strength and let him look at you with admiration!"

"Even if it is impossible for him to accept you as a disciple in his life, you must let him know that your talent is far above Aoxue! Not accepting you as a disciple is his loss, not yours!"

Nanako immediately resolutely said: "Okay Master!"

One minute later.

The four players participating in the semi-finals are already waiting to play in their respective channels.

Aoxue and Nanako coincided with the same mentality: they must do their best to win with one move, let Marven look at them with admiration!

After the host finished his opening remarks, he first announced: "First of all, let's invite our Chinese player, Aoxue!"

Aoxue took a deep breath and stepped out of the passage first.

Subsequently, the host announced: "Next, I will invite Aoxue's opponent this time, the Australian player Victoria!"

As soon as the voice fell, a blonde Australian female player also walked out of the passage.

The Australian player's expression was a bit nervous, and the overall momentum was much weaker than Aoxue. It can be seen that she should have no confidence in today's game.

Then, the host called Nanako's name and her opponent, Michelle from the United States.

Nanako and Michelle are both very calm, and their eyes are full of desire to win this game.

Michelle was originally the second seed in this game, and her strength was not much weaker than Nanako. After watching Aoxue's last game, she also realized that she had no hope of competing for the championship this time, so she and Nanako's strategy is the same, all hope to win this game as much as possible and secure the silver medal for the runner-up.

Even Michelle thought more realistically.

She felt that as long as she wins the game, when she faces Aoxue in the final, she could directly abstain and admit defeat on the spot.

Not only will this not affect her from getting the silver medal, but it will also not bring her any risk of injury.

After all, Aoxue's strength in the last game was too strong, and Michelle was afraid that when she finally meet in the final, she would be injured under her hands.

An athlete has to participate in many games a year, and losing one is actually not a pain, but if you are unable to participate in a year of competition due to injury, it is really not worth the gain.

Chapter 1428

At this time, the four contestants respectively boarded two arenas.

The two arenas are on the left and the other is on the right. Each arena is surrounded by the audience.

Today, there were no empty seats, and the applause, whistles and applause before the game started, it was endless.

Marven stood under the ring behind Aoxue, which was also the position of the coach in the Sanda competition.

The opponent's coach looked at her nervously at this time, and looked at Aoxue on the ring from time to time. The towel in his hand was always ready. Once his apprentice couldn't support herself on the stage, he would be the fastest to throw the towel in time and admit defeat.

On the ring, Aoxue looked at her opponent Victoria with a grim expression.

Before Marven didn't help her improve her physique, she was not an opponent of Victoria. After all, this girl was tall, and her physical function was better than Aoxue before.

But now, she has full confidence in defeating Victoria.

She was just thinking about what method she should use to achieve a victory against Victoria.

At the same time, in another ring, Nanako is also considering the same issue.

Her eyes were not on the opponent Michel, but on Marven by the side of the other ring.

Although Marven was not watching her at this time, she firmly believed that if she performed well enough, Marven would definitely see her!

What is good enough?

It seems that she has to defeat Michelle with one move, just like Master Ye said!

At this moment, the referees on both sides of the ring announced the start of the game at the same time!

Here, Aoxue observed at Victoria, ready to find the opponent's flaws.

Victoria was quite jealous of Aoxue, so she would not dare to take the initiative to step forward for a while, she had been doing a defensive posture, watching Aoxue vigilantly.

On the other hand, as soon as the game started, American player Michelle yelled and immediately attacked Nanako!

For Michelle, she had long been eager to defeat Nanako, and she also knew that her strength was too far behind Aoxue, so she concentrated all her energy on Nanako.

The American fighting mentality itself is very fierce, open and close, and attack with all strength as soon as it comes up. Nanako can only retreat quickly and dodge the raindrops of the opponent's offensive.

At this time, Nanako did not dare to fight back, because she has an obsession in her heart, and wants to defeat Michelle by one move for Marvin to see, so she must not blindly shoot, she must find the best time to solve the battle at once. !

Aoxue was already approaching Victoria at this time. While swinging her body to prepare for dodge, she kept shortening the distance with Victoria, and was also looking for the best time.

But Victoria was quite wary of her and kept backing away, hoping to keep a safe distance.

Just when Victoria was forced to the corner of the ring by Aoxue, Aoxue suddenly seized the opportunity and rushed towards Victoria like a rabbit.

Victoria was nervous, with both hands in front of her, ready to resist Aoxue's first offensive in time.

Aoxue strode quickly, and after her left leg stepped out, she suddenly took a step forward for more than half a meter, her body rotated in the air, and her right leg quickly drew towards Victoria!

Chapter 1429

In the air, there was even Aoxue's voice breaking through the sky.

Victoria's face was shocked!

She had watched Aoxue's game against Joanna, and knew that Aoxue was extremely explosive, and with this kick, she was afraid that she would fly directly out of the ring like Joanna.

As a result, she quickly withdrew her right leg one step, the left and right legs were in a triangle shape with the ground to strengthen the stability of her bottom plate, and then she blocked her arms in front of her, preparing to block Aoxue's blow with a deblocking action.

But she was not Joanna, and she had no idea how strong Aoxue's kick was!

She only felt that her arms were hit by a huge force, and then she heard two crisp cracks, and her two arms were kicked and broken!

Accompanied by strong pain, she could no longer withstand the powerful force, and her whole body was like Joanna in the previous game, and she threw back into the air directly!

A huge exclamation broke out at the scene!

No one thought that Aoxue could be so strong!

And Victoria's coach also looked terrified at this time, he quickly threw the towel into the air, and rushed to Victoria very nervous!

After a while, Victoria was taken away from the scene by the doctor with a painful face, and Aoxue once again won and advanced to the final!

A burst of cheers broke out at the scene, and it was an unprecedented breakthrough for Aoxue to enter the finals of the college Sanda competition.

While celebrating the victory here, Nanako was beaten repeatedly by Michelle from the United States. She didn't make a move, so that she was hit by Michelle several times in the face, and the corners of her mouth and eyes were bruised and bloody with looks very miserable.

While Michelle wondered why Nanako only resisted and didn't fight back, she also seized the opportunity to beat Nanako frantically.

In her opinion, Nanako should be out of state, so she just took this opportunity to defeat her in one fell swoop.

Nanako felt the severe pain coming from the injured part and tried to fight back several times, but she resisted the urge.

She warned herself in her heart: "I can't act rashly! I want to win with one move! I must win with one move! I must make Marven look at me with admiration! Michel, you can attack with all your strength! I will not fight back! At least Before I find your fatal flaw, I will never fight back! Because you are not my enemy at all in my eyes, you are just the transcript that I will use to prove myself to Marven!"

Michelle doesn't know what Nanako is thinking, she just feels that she has finally found a chance to be a notch above this girl!

She has been defeated by her many times before, and today, she's going to defeat her in the face of the whole world in a devastating way!

Thinking of this, she immediately punched Nanako one after another, every punch was extremely harsh!

At this time, the referee on the other side of the ring had already announced Aoxue's victory. Aoxue rushed off the stage excitedly and hugged Marven, happily with nothing to add.

Marven patted her on the back and smiled: "Don't be so happy now. You have a game to play in two days. Go take a shower and change your clothes."

Aoxue nodded hurriedly, and said with admiration: "Coach Ye, you must wait for me, don't slip away while I am going to change clothes!"

Marven nodded: "Okay, I'm waiting for you."

Aoxue was relieved, and after bowing to the audience, she returned to the backstage rest area.

Marven only paid attention to the fight in the next ring.

Chapter 1430

Looking from a distance, he was a little surprised. He didn't expect that Nanako would be hit by the American girl. She seemed very passive and could not fight back.

Moreover, her beautiful face was bruised and bleeding because of repeated hits, especially the corner of her right eye seemed to be a little cracked, which was very disturbing.

Marven couldn't help but stepped to the edge of the ring and carefully observed Nanako. He found that although Nanako was injured, she was very passive in the situation, but her eyes were constantly watching the opponent's movements.

He couldn't understand, since Nanako had been observing the opponent, why didn't she fight back? What is she waiting for?

At this moment, Nanako also saw Marven.

She was a little surprised when she saw Marven surprised.

Because she actually saw a bit of distress in his eyes.

She asked herself from the bottom of her heart, "Is the distress in Marven's eyes because of me? Is he distressing for me?"

At the next moment, she thought a little bit self-deprecating: "Why would he feel sorry for me? In his eyes, I am just a Japanese girl sitting on a well and watching the sky, and my strength, in his eyes, is almost worthless like an ant. Not to mention, my master has humiliated him. Even if he hasn't offended him, he will certainly hate him."

"So, he can love Michelle across from her, it is absolutely impossible for him to love her..."

"But... but the look in his eyes really hurts me! Could it be that he really loves me?"

"It seems that there is only one way to know if he is feeling sorry for me!"

Thinking of this, Nanako deliberately left a gap for the opponent when resisting the attack.

boom!

Michelle seized the opportunity and hit Nanako's right cheek with a punch, and immediately hit her cheek black and purple, even bleeding!

When Nanako was resisting this punch, her eyes kept looking at Marven.

She found that at the moment when she was hit by Michelle, the distress on Marven's face became more obvious!

Although her face was painful, she couldn't help but jump for joy for some reason!

"He really cares about me!"

Thinking of this, the happy little woman smiled.

Marven was very excited about his disciples' success just now. When he saw this scene, he could not help but frown, and wondered in his heart: "What is going on with this Nanako? If she is not in a good state just now, then why she is being absent? Isn't this a lunacy?"

Just between the sparks and flints, he was wondering, Nanako, who was so happy in her heart, suddenly discovered that Michelle's figure was stuttered!

At this moment, she suddenly realized that the opportunity she had been waiting for has come!

Moreover, Marven is looking at her here, and he is looking at him with distressed eyes here, she must seize this opportunity to defeat Michelle!

Not only should Marven be shocked!

Let Marven applaud for herself!
