

The Amazing Son In-law chapter 1501-1510

Chapter 1501

A man and a woman at the table, no matter their looks, temperament, and clothes at home, they all looked very luxurious and decent.

The man looked a little haggard, and his face and lips had lost his normal blood color. At first sight, he was a chronically ill, or even dying person.

But the woman next to him was very well maintained and very beautiful. Her appearance was seven points similar to Sara's, and she seemed to be in her 30s.

Marven recognized the two at a glance, they were Uncle Philip, whom he had known since childhood, and his wife, Aunt Lenan.

Just when Marven recognized the two of them, the two also recognized him!

Philip's whole expression was extremely shocked. His face was already very thin. At this time, his eyes widened, trembling and trying to say something, but he seemed to be in his throat.

Miss Lenan, who was on the side, was also dumbfounded. She stood up, pointing at Marven with one finger and covering her mouth with one hand: "You...you...you are... ..You are Ye...Are you Marven???"

Marven's nose was sour, and he sighed softly, and said with a trembling voice: "Aunt Lenan, I am Marven..."

After speaking, he looked at Philip who was trembling and unable to speak, and said in a trembling voice: "Uncle...Hello! And Aunt Lenan, how are you!"

Philip looked at him and muttered, "Are you really Marven?"

Marven nodded seriously and said, "Uncle, it's me, I'm Marven, do you still recognize me?"

"Recognize...recognize..." Philip wiped away tears and said: "You are the same as your father when he was young, and you are similar to the photos of your grandfather when he was young... .."

With that, he stood up laboriously, and then walked towards Marven.

Marven hurried forward, came to Philip a few steps to support him, and said with gratitude and guilt: "Uncle, for so many years, you and Aunt Lenan have been worried..."

Philip wiped out a cloud of old tears and choked up: "Marven, where have you been for so many years? In these years, I have almost traveled all over the world to find you, and there has been no whereabouts of you... .."

Marven couldn't help but sighed: "Uncle, in fact, I have been in Wrestvel these years, and I have been growing up in the orphanage until I was eighteen."

“How come?!” Philip blurted out: “I went to Wrestvel to find you several times. I always went to the welfare home, orphanage, and rescue station, but I never found your whereabouts...”

Marven said, “Uncle, Mr. Darren, the housekeeper of the Ye family back then, sent someone to take over the orphanage secretly. He was afraid that someone would harm me, so he hid all my information. don’t know. I only realized that something was wrong after I met Sara a few days ago, so I went to Darren and asked about it. Then he told me the hidden information...”

Philip was stunned for a while, and then he nodded and said: “That’s how it is, that’s how it is! It seems that Darren is indeed a person who knows his gratitude, and your father treated him like a mountain back then not a wrong person!”

Chapter 1502

As he said, he couldn’t help but choked up: “These years, I have not been able to find any of your whereabouts. I once thought that you are no longer alive...”

At this point, Philip pursed his lips, but tears have already burst.

He endured it for a long time, until tears completely blurred his vision, and finally burst into tears: “Big Brother Ye, you are alive in the sky, look at your son, your son is back, he is back, and I finally have a face to see you...”

Philip was agitated and cried a few times before coughing violently. Lenan on the side was busy wiping the tears from her eyes. While carefully stroking her husband on the back, she choked and said: “Philip, Marven is back here. It is a happy event, don’t cry, your health is not good now, and you can’t stand the emotional ups and downs.”

After Philip calmed down a little bit, he nodded with tears, took Marven’s hand, and said seriously: “Marven, sit down and tell uncle how you came here these years.”

After he finished speaking, he realized something, and hurriedly looked at his daughter Sara, and blurted out: “Sara, how did you and your Marven meet?!”

Sara red eyes and choked up and said, “Dad, I’m sorry. I have kept this from you and mom. In fact, when I went to Wrestvel to pick up an advertising endorsement, I already saw Marven. To tell you, I just want to give you both a surprise after Marven comes home.”

Philip nodded repeatedly, and said with emotion: “Surprise! This is indeed a surprise! It is a great surprise!”

As he said, he grabbed Marven’s hand with both hands and said seriously: “Marven, no matter what you have experienced over the years, it’s good to be able to come back. Don’t go back to Wrestvel again this time. The marriage contract between you and Sara was made by Lenan me with your father and mother. No matter what you have experienced in the past, Sara is your fiancée. Now that you come back, my body is deteriorating. You two will take advantage of my old bones. The wedding is held before it gets to the ground!”

When Marven heard this, his expression suddenly became very embarrassed and guilty.

Seeing this, Lenan hurriedly blurted out: "Marven, you must not have any psychological pressure. After you and daughter are married, this home is your home. Whether you return to Ye's house or not, you won't be forbidden. Forget it, you are our son-in-law!"

Lenan's words are relatively subtle, but Marven understands the meaning very well. She is saying that no matter whether you have money or not, you don't need to care about it. It is your own home.

Hearing this, Marven couldn't help comparing Lenan with his mother-in-law Viola. This comparison was simply the difference between Ladybug and Wasp.

Sara said embarrassingly on the side: "Dad, Mom, Marven... is... already married..."

"Huh?" When the couple heard this, they were both dumbfounded!

Marven was also very embarrassed and said seriously: "I'm sorry Uncle and Aunt, this matter is a sorry to your daughter, sorry to you and my parents' agreement back then..."

Philip sighed, patted Marven on the shoulder, and said earnestly: "Marven, although I don't know what you have gone through these years, when uncle can guess that you must have had a hard time these years, you were 8 years old. I have been wandering outside since 1999. Many things are definitely involuntary. Let's not talk about this matter. You can tell your uncle in detail how you came here these years."

"Yes." Lenan also nodded and said: "The marriage contract can be discussed in the long term. Let's eat first and talk while eating!"

Chapter 1503

Philip pulled Marven and sat down on the seat beside him.

As soon as he took his seat, he immediately greeted Marven enthusiastically: "Marven, let's eat first. You see if the food at home is suitable for your appetite. If it doesn't suit your appetite, I will let them cook it again."

Marven said hurriedly, "Uncle, you don't have to be so polite."

Philip nodded and asked about Marven's life experience over the years.

Marven didn't hide much from Philip's family. Except for the secrets like "Nine Profound Heavenly Scriptures" that no one could be told, he basically told them about other things.

Including his life before the age of eighteen, and his social experience after the age of eighteen, as well as his acquaintance with Mr. Xiao, his marriage to Avella, and his life after marriage.

The more Philip and Lenan listened, the more distressed they were. In their eyes, Marven is after all the descendants of the Ye family, a direct descendant of the Ye family, and his father back then was the brightest new star of the Ye family. It stands to reason that Marven should have lived the life of a man of

fine clothes and food since he was a child, but they did not expect that he had experienced so much outside since he was a child, and ordinary people experienced constant hardships.

After listening, Philip kept sighing and sighing, and then he asked Marven: “Marven, what are you going to do now? Are you planning to go back to Ye’s house to recognize your grandfather and the others?”

Marven shook his head: “Uncle, I have no plans yet, and I have always suspected that the death of my parents is inseparable from the Ye family. Before I can find out, the Ye family is murdering parents’ suspects, so I’m not going to go back and recognize them.”

Philip said earnestly: “Marven, you can listen to Uncle’s advice and don’t go back and recognize the Ye family, but don’t turn against them either.”

Marven said seriously: “Will you turn your heads into enemies? It’s not that I have the final say, but the facts have the final say. If they really murdered my parents, how can I not avenge my parents?”

Philip sighed and slowly said, “What happened back then...To be honest, I haven’t found a definite clue yet. Whether your parents were harmed by people in the industry, there is no evidence yet.”

Marven said: “At least, my parents were forced to leave Orgeyon because of the exclusion of the Ye family. If it were not for them, my parents would not have died in Wrestrvel.”

Philip nodded slightly: “The causality of the matter is indeed the case. The Ye family should indeed be responsible for the death of your parents.”

After speaking, Philip said with comfort: “Marven, you said that the Ye family instructed Darren to give you a group with a market value of 100 billion, and gave you tens of billions of cash. In my opinion, this should be the Ye family’s compensation to you. Or compensation to your parents. Although these assets and cash are not too much to the Ye family, they are considered sincere. If you don’t want to return to Ye’s family, these assets will be enough for you to live your life. You have been suffering for so many years, so you should enjoy life and stop struggling with the past...”

Chapter 1504

Marven knew that Philip was doing it for his own good, but he still shook his head gently. He said very seriously: “Uncle, although I have a relatively short relationship with my parents, I have only lived with them for eight years, but in my body What is flowing is the blood of the two of them. If I cannot avenge them in this life, how can I be worthy of the blood and life they gave me?”

Lenan didn’t speak, and when she heard this, she couldn’t help but sigh with red eyes: “So loyal, Marven’s personality and temperament are almost exactly the same as those of Big Brother Ye back then. If Big Brother Ye got into the sand in his eyes, he wouldn’t be resolute. Resolutely took his wife and children to leave Orgeyon. You could not persuade Big Brother Ye back then, and now you may not be able to persuade Marven.”

Philip nodded sullenly, sighed, looked at Marven, then at his daughter Sara, and said seriously: “Marven, other things can be slowed down first. If you really want to be an enemy of the Ye family in the future, let Ye family pays the price, and at least they have to be strong enough.”

As Philip said, he paused slightly and said with a serious face: "From my point of view, your top priority is to leave Wrestvel and return to Orgeyon, and get married with my daughter first. At that time, even if you have not officially returned to the Ye family, You are also a member of my Gu family. If I do not die by chance, I will be able to make some arrangements for you so that you can lay a foundation in Gu family, so that the resources and connections of this family can be used by you."

When Lenan heard this, she nodded without hesitation and said, "Yes, Marven, although you are already married now, your marriage contract with our daughter is more than 20 years earlier than your current marriage, so the girl from the Xiao family, in a sense, can be regarded as getting involved in your original engagement."

Speaking of this, Lenan was busy expressing her position: "Of course, the aunt is not accusing her. After all, she is not responsible for this matter. The aunt just wants to say that according to your parents' arrangements back then, you should marry our daughter. As for the Xiao family girl, my family will not lose her by then. After the divorce, we will prepare her a billion in cash compensation, so we will never make it difficult for you."

Marven was a little embarrassed at once.

Before he came to Gu's family, what worried him most was that Sara's parents talked about the marriage contract with him.

After all, so many years have passed since the childhood marriage contract. For so many years, he and Sara have not met each other, and there is no relationship basis.

If he was still single now, considering his parents' arrangements before death, he could cultivate relationships with Sara. If they get along, he might as well follow his parents' orders to get married.

But now that he already married, how can he abandon Avella and be with Sara in this situation?

Seeing Marven's silence, Lenan sighed and said seriously: "Marven, your Uncle's current physical condition, you must have heard about it from our daughter, before that, we have been with your Uncle. After treatment abroad for a long time, the domestic doctors discovered that your Uncle's condition has deteriorated in the past two days, and are persuading him to continue the hospital treatment, but the situation is not optimistic, maybe one day..."

Speaking of this, Lenan was feeling a little sad for a while, choked up a few times, wiped her tears, and then continued: "The marriage contract between you and Sara was made by the four parents. Two of them have already departed this world. So, your Uncle's body may not last too long. Your parents left early and didn't see your two children get married. Auntie hopes from the bottom of the heart that your Uncle will not have the same regret... "

Sara's eyes were already red, and she sat motionless, tears streaming incessantly.

At this moment, she is still the female star that people all over the country and people all over the world love crazily. Now she is a poor and helpless little girl. Marven can't help but feel pity when he sees her...

Chapter 1505

At this time, Philip coughed a few times with some discomfort. After he recovered, he said seriously: "Marven, in the past ten years, you have lived in Wrestvel, as an unrecognized man. Now your identity should be back to the level!"

As he said, he sighed from the bottom of his heart: "Although the Gu family can't let you soar into the sky, but with the support of the Gu family, if you return to the Ye family in the future, you will have a certain degree of confidence. If you want to compete for the Ye family's property, there will be Gu family behind you. , The chance of success will be much greater!"

Marven felt ashamed after hearing this.

He did not expect that even if he left the Ye family, even if he was married, Philip and Lenan still hoped to fulfill their marriage contract that year and marry Sara, whom hundreds of millions of people have admired.

The more so, the stronger his regret for Sara and the entire Gu family.

At this time, Philip said: "Marven, I was not going to go to the hospital for treatment anymore. I have seen all the big winds and waves in my life, so I am not afraid of death. I hope I can walk with more dignity, but Today, after seeing you again after so many years, I suddenly have a desire to survive. My best hope now is to see you and Sara marry with my own eyes. If I can live until you two have a child, it will be a three-life Fortunately, I will die without regret."

Sara on the side burst into tears, choked up: "Dad, don't say that..."

Philip smiled slightly and said seriously: "You know your dad, and I am never hypocritical or sensational. The words you just said are from the heart."

After finishing speaking, he looked at Lenan and said seriously: "Wife, make a phone call with doctor, and say I want active treatment, can live one more day, live until my daughter is married, and live to hold a grandson and granddaughter, no matter how many crimes I suffer, it is worth it."

Lenan immediately nodded excitedly.

In fact, she has been persuading Philip to actively cooperate with the treatment, even if there is a glimmer of hope, don't give up.

But Philip himself had given up, because he didn't want to suffer all kinds of inhuman torture in order to live an extra year and a half.

Advanced cancer is extremely painful. You not only has to endure the rapid decline of the body, but also the physical and mental pain caused by radiotherapy and chemotherapy.

With each chemotherapy, the side effects of the drugs made him vomit to death, and with each radiotherapy, the skin, bones, and internal organs would be painful for a long time.

Over time, he was a tough man who was tortured into a skinny, terminally ill patient.

Therefore, he prefers to spend more time with his wife and daughter, suffer less inhuman torture, and leave a good last time for himself.

But now, his thoughts suddenly changed 180 degrees because of the appearance of Marven.

He wants to live.

He wanted to watch his daughter get married with his own eyes.

He wanted to personally hand over his daughter, who has raised him for more than 20 years, to Marven on the wedding line to fulfill his promise to his brother and friend more than 20 years ago.

He even wanted to be outside the delivery room, waiting for the daughter in the delivery room to give birth to a child safely and let himself see the continuation of the family's blood.

Therefore, he now feels that if these wishes can be fulfilled, even if he has to endure the harshest and most painful torture in the world, he will not hesitate to survive!

At this time, Lenan hurriedly took out her mobile phone to make a call.

Marven hurriedly said at this moment: "Aunt Lenan, I came this time, in fact, it was mainly for Uncle's illness. I have a way to make Uncle's illness completely heal."

"what?!"

Chapter 1506

Both Lenan and Philip were shocked.

Let Philip's condition completely heal?

This... how is it possible?

Their family has been running around to cure this disease for a long time, finding the best experts in the world, using the best special medicines, medical devices and treatment methods.

However, none of them could stop the rapid dying of Philip's life.

Apple's founder, Jobs, was also a billionaire and also suffering from pancreatic cancer. He also received the best treatment in the United States, but the result was very regrettable.

The world's top experts don't think that Philip's illness is likely to be cured, and most of them believe that his life may be less than one year, or even less than six months.

Marven suddenly said that he could be cured, which sounded like a fantasy to the two.

Lenan sighed and said seriously: "Marven, I know you must also care about Uncle, but his condition... is indeed very unoptimistic..."

Philip nodded and said: "Hey...Marven, my disease, you can't know it better. Pancreatic cancer is the most fierce cancer, and I am now in the advanced stage. It has spread throughout the body. It is too late as the saying goes, even for the gods of health it is hard to save."

Marven wanted to say something in his heart, he wanted to tell Philip that even if gods of health can't save you, I can save Marven!

However, people who don't know the truth about this will definitely feel that they are extremely arrogant.

So Marven said seriously: "Uncle, I occasionally got a good medicine some time ago, which has a very good effect on curing various diseases. I took it with me this time. You might as well try it."

Philip naturally didn't believe it.

He himself is a standard atheist and a firm materialist. He firmly believes in science and half disbelief in metaphysics. In addition, he has become a doctor for a long time. The relevant materials and literature have been thoroughly studied and he is also 100% sure that he was hopeless, so when he heard Marven's words, he just shook his head helplessly and said: "Marven, you have this heart, uncle is very grateful, but the sinister degree of this disease, may be far beyond your understanding..."

Lenan on the side also nodded and said, "Yes, Marven, your Uncle's disease can be said to be the most difficult, dangerous, and cruel in the world..."

Marven knew they definitely didn't believe it, so he planned to take out the Rejuvenation Pill and let Philip give it a try.

But at this moment, the servant suddenly ran over and said nervously, "Master, Madam., the two families of Second Master. and Third Master are here..."

Lenan frowned immediately and asked coldly: "What are they here for?"

The servant hurriedly said, "They said they are looking for you and master to discuss something important."

Lenan blurted out: "Let them go! We have nothing to do with them!"

As soon as she finished saying this, they heard an angry voice sneer and said: "Oh, sister-in-law, it is all in the family, there is no need to say such ugly things, right? The Old Master has been gone for a few years, so you won't let me and the youngest come in. If this Old Master knows fate, he will be annoyed to come to life!"

Marven looked up and saw eight or nine people rushing in aggressively.

Lenan's expression was immediately ugly, and she asked, "Yanzheng Gu! This is my home! Without my permission, who let you break in?"

Chapter 1507

Following Lenan's anger, the man headed by the other party said with a disdainful expression: "Sister-in-law, this is my elder brother's home. Do I need to say hello to you when I come here as a younger brother?"

Lenan said with an ugly expression: "Yanzheng, then your eldest brother is my husband, and half of this house belongs to me. If you break in without my permission, this is called rushing into the house!"

Yanzheng curled his lips, looked up and down at Lenan, and said with contempt: "Oh, sister-in-law, do you know that you and my elder brother are husband and wife? But have you fulfilled the obligations of a wife?"

Philip stood up with difficulty, and reprimanded: "Yes, how do you talk to your sister-in-law? Your sister-in-law is like a mother to you, don't you understand this?"

"Elder sister-in-law is like a mother?" Yanzheng sneered: "Big brother, don't forget, she is an outsider in Gu's family after all, and as the daughter-in-law of Gu's parents and sons, she failed to give birth to Gu's eldest grandson. When our parents passed away, there was no eldest grandson in the family. She is the sinner of our Gu family!"

When Lenan heard this, her face immediately became very ugly and a little bit aggrieved.

Philip was trembling all over with anger, grabbed a bone china bowl, and slammed it to the ground. The porcelain bowl shattered under Yanzheng's feet!

Immediately afterwards, he blurted out: "Yanzheng! You don't want to make a fuss about this! Your sister-in-law almost died because of a dystocia when she gave birth to Sara. Since then, I vowed never to let your sister-in-law give birth again. For the second child, parents also respected this very much when they were alive, and even their two elders didn't have any opinion. What qualifications do you have to speak out here!?"

Yanzheng said contemptuously: "Big Brother, my parents said they respect you, but don't know how sad this incident is in my heart! It's just that I am embarrassed to express it in your face!"

After a pause, Yanzheng said again: "Furthermore, to be honest, I even suspect that our parents died prematurely, which has a lot to do with the accumulation of depression and illness in their hearts! After all, it's your couple who killed them!"

Sara felt that she was a junior at first, so she resisted her anger and did not interrupt, but at this time, seeing her second uncle speak so excessively, she immediately shouted: "Second uncle! Don't speak too much! This is my family! It is not your turn to come and shout out here!"

Yanzheng hadn't spoken yet, and a man who was a few years younger than him said in a weird manner: "Oh, what's the matter, my dear niece, you are a great start now? Can you ignore second uncle? Are you here? Don't forget, even if you are a big star, you are just an actor!"

The speaker is Philip's third brother and Sara's third uncle, Yangang Gu.

The three Gu family brothers are loyal, righteous, and strong. This is also placed on the expectations of the Gu family's three sons, so that they can be loyal, upright, and strong.

It's just that the second child and the third, compared to their names, are indeed a bit uncoordinated.

At this time, beside Yangang, there was a young man in his early twenties who added fuel and jealousy: "Yes, cousin, our Gu family's ancestral motto is clearly written in the Gu family's ancestral book. The descendants of the Gu family must never engage in an inferior career!"

"Moreover, this actor, in the early years, it was a non-streaming industry that could not even enter the lower ninth stream. After returning, the status rose a little bit, and then she barely never entered the stream. It was ranked in the lower ninth stream. If you are an actor now, then you are a shame to the ancestors of the Gu family. Are you not?"

Sara bit her white teeth and said angrily: "Weiguang, you only know how to spend time and drink, eat and drink blood, why are you here to point fingers at me? I tell you, there is no place for you to speak!"

Chapter 1508

Weiguang curled his lips and said: "Oh, cousin, you are so temperamental. In Gu's family, we are the same generation, so what if you are my sister? You are just a woman who will marry sooner or later, waiting for you to get married. , You are no longer a member of the Gu family, you will be an outsider then, do you understand?"

Marven on the side wanted to speak at this time, but still held back.

After all, this is Gu's family affair, and as an outsider, he really can't find a suitable entry point.

If he intervenes at this time, he is also a stranger.

Moreover, it is still unclear what the meaning of Gu's second and third came over with, so he decided to observe again.

At this moment, Philip shouted angrily: "Enough! Don't talk nonsense!"

After speaking, when everyone calmed down, he looked at Yanzheng and Yangang, and asked in a cold voice: "Second, third, you two shouldn't be circumspect and concealed here. What do you want to do? What is your purpose? Just say it upright and openly, chirping like a maiden, and losing the face of our Gu family this is not good!"

Yanzheng touched his chin and smiled suddenly, a bit insidious, but pretending to be concerned: "Big brother, I heard that your health has deteriorated again? Did the hospital ask you to go to receive treatment, but you refused?"

Philip said coldly: "I'm sorry, I just wanted to start and decided to actively receive treatment. My daughter hasn't married yet, so I can't just die cowardly!"

Philip was waiting for the crowd, his expression suddenly changed when he heard this.

Yangang next to him couldn't help complaining: "Brother, haven't you already decided to give up treatment? Why do you regret it at this time? Even with active treatment, your condition may not be able to live longer than ten and a half days, for these ten and a half months. After going to the hospital, you are tortured, tortured, and experimented on. You would say that why did I come here."

Philip's expression was extremely cold, and he gritted his teeth and said: "You guys, what are you trying to say? If you don't get to the point, don't blame me for driving you out!"

Yanzheng smiled and said, "Big brother, the Old Master is eccentric. When he died, the Gu family's assets were divided by 50% for you and 25% for me and the youngest. What do you say you want so much for? Your family doesn't have a son either. When daughter gets married, it's the water thrown out. This property can't be cheaper for outsiders?"

Speaking of this, Yanzheng looked at Lenan again and said with a smile: "What's more, my sister-in-law is not too old and so beautiful. In the future, if eldest brother is gone, how could she stay alone for the rest of her life? She must remarry. ! At that time, she will take away part of Gu's assets. WE cannot bear to care about half of the assets of the family. In the end, they will fall into the hands of outsiders with your wife and daughter?"

When Lenan heard this, he was not only angry but also humiliated, tears burst into his eyes immediately.

Sara also exploded in anger, clenched her fists and looked resentful.

Needless to say, Philip's entire body trembled, his original bloodless face became paler, his whole person was shaky, and he might die almost at any time.

Marven couldn't stand it anymore. While reaching out to hold Philip's swaying body, he shouted with an extremely gloomy expression: "You b@stards, it's a bit too deceitful!"

Chapter 1509

When Yanzheng, Yangang and others saw Marven when they came in, they didn't pay attention to him.

They came over today, and all their goals were focused on the three members of the Gu family, and they treated Marven and the other servants as nothing.

However, they did not expect that this young man would dare to challenge them here, and even said that they were as b@stards, suddenly became angry!

The Gu family in Orgeyon is second only to the Su family and the Ye family in strength, and the total assets are also above the trillion level. Even if Yanzheng and Yangang each have only 25% of the Gu family's assets, but if each person puts it out separately, Are also the top rich, crushing those familiar people on the rich list now is nothing to say.

So, how can they accept that an unknown junior yells at them here?

Therefore, Yanzheng was immediately furious and pointed at Marven and shouted coldly: "Boy, do you know who I am? Talking to me like that, do you have a long life?"

Marven sneered and said: "Of course I know who you are, asshole, you are asshole number one, the guy next to you is asshole number two, and the little a** who just clamored, must be asshole number three, the rest if anyone wants to sort, speak early, lest they miss the top numbers!"

Yanzheng and Yangang are both heirs of the Gu family, and they have also received high-end education since they were young. Both are typical beasts in dress, trained under elite education.

In other words, such people seem to be very educated, rarely interact with others and do not speak dirty words. In fact, their bones have long been broken.

Take Yanzheng as an example. Someone used to toast him at the dinner table. The height of the other party's wine glass was slightly higher than his wine glass. He was smiling at the time as if he didn't care, but he immediately asked the bodyguard to directly after the meal. Forced to stop the opponent's car, pulled the opponent out of the car, and broke his hands.

This is just a small matter. In fact, Yanzheng closed his upper and lower lips, and he didn't know how many people were ruined or even destroyed.

At this moment, Marven was so disrespectful to them, making him almost furious!

However, he was also a little confused about Marven's origin, so he was a little bit puzzled. This person was a guest at Philip's family. He naturally knew the strength of Gu's family, but he dared to talk to himself like this. Is it possible that he didn't know what he didn't know, the background?

The same goes for Yangang. If the other party knows his identity and dared to speak wildly here, he must have two brushes.

However, Weiguang, who was young, did not have this self-knowledge.

He scolded angrily: "dmn, who are you kid? Do you know who you are talking to? We are from the Gu family! Do you fcking want to die?"

Marven glanced at him, and said coldly: "You just barked at Sara, right? Well, since you like to bark like a dog so much, it's better to kneel on the ground and learn two dog barkings. If I am satisfied, I can still let you go!"

"fck you!" Weiguang was immediately furious: "You fcking seek death! Do you know who I am? I am the second son of the Gu family! You dare to be disrespectful to me, I will kill you in a minute!"

Chapter 1510

At this time, a young man who was slightly older than Weiguang and had a calmer temper said: "This brother, today's affairs are our Gu family's housework. Please don't interfere."

The one speaking is Yanzheng's son, Weiliang, and the oldest male in the Gu family's grandson.

Sara is a girl, so he is considered the eldest grandson of the Gu family.

Marven looked at Weiliang and said indifferently: "Whenever something happens, just talk about it. Don't rely on the number of people here, just thinking about bullying fewer people. Here barking and clamoring shamelessly, the Gu family can be regarded as a great family of Orgeyon. , Don't just show up with the lack of education!"

"You..." As soon as Weiguang heard this, he gritted his teeth and wanted to come forward.

Weiliang stopped him, then gave Marven a cold look, and then said to Yanzheng beside him: "Dad, let's stop talking nonsense and get to the point."

Yanzheng looked at Marven coldly, and made up his mind that no matter who this kid is, after his business is resolved today, he must pay the price of blood to let him know Gu family, it's not that he can speak freely. Insulting like that, nobody dares to do so!

Therefore, he temporarily suppressed the resentment in his heart, looked at his eldest brother Philip, and said, "Big brother, I am here as a child of the Gu family this time to defend and safeguard the rights and interests of the Gu family! 50% of the assets of our Gu family are in your name, but you are running out of time now. After you leave, I will be the head of Gu's family. Naturally, I can't sit back and watch 50% of Gu's assets flow into outsiders' names. Therefore, I hope you will start with Gu's interests. Make a will and allocate at least 80% of your assets to me and the third."

After saying this, he saw Philip's face very ugly, and he said: "Brother, I am also for the Gu family, otherwise, once you die, and once sister-in-law and daughter get your inheritance, your inheritance will not have a surname Gu. The strength of the Gu family will instantly be squeezed out of Orgeyon's third place, and even the top five may not be guaranteed. You have the heart to look after the Gu family's hundred-year family business, and you will be cut after you die?"

Philip said coldly: "Second, let your mouth be full of peach blossoms, but in the final analysis, don't you still want my possessions? I tell you, I have already made a will. In my will, my inheritance is divided into two, your sister-in-law inherits half, and the daughter inherits the other half. According to the law, since I have formulated the method of inheritance distribution, you have no right to intervene."

Yanzheng's expression became colder, and he asked: "Are you just caring for your little family and not caring about us as everyone?"

Philip asked, "So what? My family property has nothing to do with you!"

Yangang, the brother on the side, scolded angrily: "Big Brother! Have your cancer cells spread to your brain? How come you, a wise person, don't even have a brain right now?"

When Lenan heard this, she yelled angrily: "Yangang! You are too much!"

Yangang coldly snorted, "Sister-in-law, this is too much? I tell you the too much is still behind."

After finishing speaking, he turned to look at Philip and said coldly: "Brother, let's take a step back and say, even if you are stubborn and unrepentant, let your wife and daughter inherit the family property, you think they are both females, would they be able to hold on to so many assets? We came to you today to solve this problem calmly. You take out 80% of your family property, and the remaining 20% is

enough for your wife and child to be prosperous and wealthy. Live a lifetime, but if you are too greedy, then I can't guarantee that your wife and child will live a stable life after you leave!"

Philip was extremely angry, and shouted: "Yangang, you beast! Are you threatening me?"
