

The Amazing Son In-law chapter 1561-1570

Chapter 1561

When he heard that he was going to the conference hall, Yanzheng blushed.

Most of the reporters who are waiting in the conference hall came here early in the morning because they said they were going to meet a board of directors today, and they used the media to release news that their eldest brother was critically ill.

They want to catch a big news about the replacement of the chairman of the Gu Group, so that Yanzheng can also use the current media attention to beat his reputation.

Yanzheng originally wanted them to report on his victory on the board of directors, so that after noon, the media could announce to the public that the chairman of the Gu Group had changed his position and he would become the next chairman.

Unexpectedly, all these things he did would eventually fulfill eldest brother.

He could even think that once the big brother appeared at the press conference with a red face, all the media reporters who thought he was going to die would have to fry them on the spot!

After he announced that he had obtained 51% of the voting rights, the media reporters should be shocked to add nothing to it?

With this thought flying in his mind, he secretly sighed.

Maybe, this is his fate.

Originally, his abilities and wrists were inferior to that of the older brother. He wanted to take advantage of the vacancy, but he didn't expect that there would be a Ye Family Young Master beside him. What's even more amazing was that brother recovered from the serious illness overnight.

It seems that the only thing that suits him is to follow him as a foil.

In fact, Philip is a smart man.

He considered many things very comprehensively, and he was only shivering from success.

It's a pity that in the end he still encountered Marven stirring the situation behind his back.

Without Marven, Philip would strategize again, dragging a dying body, and it would be impossible to fight the union between him and Yangang, and even the safety of his wife and daughter would not be guaranteed in the future.

However, Yanzheng was able to see the situation in time and immediately gave up the original overall plan to stop the loss, and he can also see that this person is at least number one.

Change to the kind of person who can't see the situation clearly and is still stubbornly resisting when he dies, and he will soon be completely cold.

Philip was grateful to Marven at this time.

The appearance of Marven not only saved his own life, but also saved his wife and daughter, and his career.

This kindness, in his opinion, is afraid that it will be a life of poverty, and he can't repay it all. He can only do his best for the rest of his life.

So he took Marven's hand and whispered to him: "Marven, if you don't want to return to Ye's house in the future, come to the Gu Group. Uncle will arrange for you a position of vice chairman. I only have a daughter. With my daughter, everything in the future will be yours!"

What Philip said was not courtesy, but from the heart.

He felt that his daughter was going to marry Marven, and Marven was his son-in-law. If he did not return to Ye's house, Gu's family would belong to him in the future.

Although he is open-minded, he also feels that if his daughter marries Marven, she should be a good helper. Marven and his father, Changying, are both his benefactors. As long as Marven can give his daughter a lifetime of happiness, He is willing to give all his assets as a dowry for his daughter.

Marven naturally knew what he meant. He really regarded himself as the future son-in-law, even half of his son.

But he couldn't deal with this kind of thing, so he said seriously: "Uncle, I have no plans to return to Orgeyon. You still allow me to consider this matter."

Philip also didn't insist, nodded and said, "In short, you should see your uncle at any time and under any circumstances. My home is your home!"

Marven nodded solemnly.

.....

Because he wanted to attend the conference, and Marven didn't want to appear on the scene, he sat in the auditorium of the conference as an ordinary guest in advance under the arrangement of Secretary of Philip.

All the cameras are aimed at the rostrum of the press conference, so he doesn't have to worry about being on TV.

Chapter 1562

When Marven sat down in the auditorium, the entire conference hall was already overcrowded.

The major media have sent reporters one after another, with long guns and short cannons here, waiting for the Gu Group to release important news.

At this moment, the outside world does not know the news of Philip's recovery.

Everyone thought that Philip was already dying and that he might not be able to join the board of directors today.

However, they expect Philip to appear.

Because, as media people, they like to catch some topics that can arouse attention.

So they hope that they can capture the image of Philip's late hero and add some sensational text at that time. This is a proper headline news.

Some people have even thought about the headline of the news.

For example, "The End of an Era", or "The legend is old, can the new chairman of the Gu Group turn the tide".

Now they are only waiting for Philip, who is dyingly ill, to stagger in from the conference hall, even being pushed in a wheelchair.

At this moment, the on-site staff picked up the microphone and said: "Please be quiet, everyone present, our chairman will be here soon!"

As soon as this word came out, everyone turned their attention to the entrance of the venue.

The cameras have already found the angle, and put the entire entrance into the viewfinder frame.

Everyone was waiting for the moment the door opened and Philip showed up.

At this moment, the door was pushed open from the outside in.

The first step forward was Philip's secretary.

The second step forward was Yangang.

The third one is Yanzheng.

The moment they saw Yanzheng, the shutter sound on the scene had begun to intensively shriek.

Because everyone knows that he is the second child of the Gu family, and is also the chairman of the Gu Group, and he is the unyielding successor.

Philip is critically ill. He is the new chairman of a trillion business empire from Gu.

However, no one thought that behind Yanzheng, they did not see Philip's shadow, but saw a middle-aged man who was nearly ten years younger than Yanzheng, with a red face, tall and strong.

The media present could not help but exclaim: "Who is this person? Why haven't I seen him before?"

No wonder they couldn't help Philip all of a sudden.

In recent years, Philip's image in front of the media has grown older.

Moreover, after Philip became seriously ill, some media secretly took pictures of him in overseas hospitals. He was indeed very haggard. At the age of fifty, he seemed to be at least sixty.

Therefore, when they suddenly saw Philip, who looked like 40 years old, no one could adapt to this violent contrast. Moreover, the media reporters were not relatives around him and couldn't recognize him at once. It was normal.

When Philip walked in, some of the media reporters exclaimed: "There he comes! The last one is Philip, Chairman Gu!"

After he exclaimed, someone immediately questioned: "D@mn! Philip was almost dead, wasn't he? The last person looks like he's forty years old. Can he be like this?"

The reporter resolutely said: "Ten years ago, I interviewed Chairman Gu, and he was what he is now! His appearance, demeanor, and posture are all right in memory!"

Chapter 1563

When the reporters heard this, everyone went to seriously look at Philip now.

A closer look reveals that Philip's previous shadow can indeed be seen, and that the five senses and temperament belong to the same person.

So everyone can be sure that this man in his forties is Philip!

Now, the whole scene was in an uproar!

No one can understand why Philip, who said in the headlines this morning that he is critically ill, is so energetic and radiant now!

Therefore, every photojournalist locked his lens firmly on Philip, and the shutter sound made a sound!

At this time, the network media directly broadcast the conference live simultaneously on the Internet through on-site equipment.

When the vast number of netizens saw Philip's red face, the stocks of many listed companies in the Gu Group that had already dropped their limit, immediately loosened!

The so-called limit-limit is a situation in which the stock price drops to 10% and it is not allowed to continue to fall, resulting in a large number of selling orders blocking the lowest price and the stock price unable to rise.

In fact, in this case, if someone eats all the sell orders at the limit price, the stock will automatically open the limit.

The most sensitive in the stock market are brokers and institutions.

When they discovered that Philip turned out to look like a okay person, they immediately realized that the news this morning must be fake news!

Therefore, in this case, they fully believe that the Gu Group's share price will rise immediately.

At this time, if the selling order is eaten up at the limit price, you can buy the bottom at the lowest price.

If the stock can rise against the trend in the future, from the lower limit all the way up to the daily limit, then the institution that buys the bottom will be able to seize the 20% rise in one day!

For example, the stock price was originally 100, but ended up at 90. At this time, 10,000 people put their sell orders at 90. If someone puts these 10,000 people on a 90 stock Buy it all, and the stock price will begin to open the limit.

If you buy the bottom from the price of 90, the stock price rises back to 100, and then continues to rise to the 110 daily limits, it is equivalent to a short period of time, from 90 to 110!

A large number of institutions are frantically accumulating funds, and the stock price has risen all the way after opening the down limit!

At this time, Philip came to the front of the seat, stood in place and waved to the reporter, then walked up to the stage and sat in the middle of the rostrum.

In front of him, a microphone and his name tag were placed with words: "Chairman, Philip Gu."

After sitting down, Philip smiled into the microphone and said forcefully: "First of all, on behalf of the Gu Group and the Gu Group's board of directors, I would like to thank all friends from the media for participating in this press conference in their busy schedule."

A group of Gu Group shareholders followed him to applaud.

Afterwards, Philip said: "Next, I will give some simple and concise answers to some of the questions that your media friends, stockholders and investors are concerned about."

Everyone didn't expect that Philip would go straight to the topic after making a polite sentence, and they couldn't help but sit up straight, listening with respect.

Philip cleared his throat and said in a loud voice: "The first problem is my personal health. I did have some problems with my body before, but now my body has fully recovered!"

As soon as this was said, everyone on the scene couldn't help but gasp.

Everyone knows that Philip has pancreatic cancer, and it is at terminal stage.

This disease is known as the cancer with the highest mortality rate, and it is impossible to cure it.

Now, Philip said that he has fully recovered, which has completely subverted everyone's understanding of the disease.

Chapter 1564

However, looking after Philip's radiant face does not seem to be terminally ill. Is there really any medical miracle that can't be achieved?

At this moment, Philip continued: "The second question, if you don't believe that my body has fully recovered, then after the press conference, I will go to Fairview for a full-body CT scan, and the result of the scans, I would like to announce it to all media and the general public."

With Philip's words, everyone is not suspicious of his condition.

Because a whole body CT scan can find any kind of tumor, even very early stage carcinoma in situ, it can be found well.

If Philip did not recover, he would definitely not dare to accept such an examination.

Everyone couldn't help but marvel. They didn't expect that even pancreatic cancer, a super terminal illness, could be born with such a miracle, which reminds people of the genius Jobs who died young a few years ago.

It's the same disease, why didn't Jobs have such luck?

If Jobs was still alive, maybe he could bring more innovation and change to mankind.

Then, Philip said: "The third question, I think everyone is very concerned about the arrangement of the chairman of the Gu Group. I now officially announce that between me, and the other two shareholders of the Gu Group, Yanzheng and Yangang, A few minutes ago, a voting rights transfer agreement was signed. Shareholders Yanzheng and Yangang have permanently transferred all the voting rights corresponding to their personal shares to me!"

When everyone heard this, they were even more stunned!

They had already inquired about the discord between the Gu family brothers from everywhere.

They know that Yanzheng and Yangang have been forming an alliance to deal with their elder brother, and they are also uniting with other shareholders to deal with their elder brother.

Everyone was still waiting to see a big family fight, but they didn't expect the three brothers to reach such a brotherly agreement.

Yanzheng and Yangang permanently transfer their voting rights to their eldest brother Philip. Doesn't this mean that they will always obey Philip?

What about the brothers competing?

What about the good legacy war?

The reporters present all felt extremely depressed.

It's like everyone has bought melon seeds and drinks, sitting in front of the TV and preparing to watch a Gongdou Opera.

As a result, after turning on the TV, they found that all the empresses, concubines, and nobles in the harem were all clustered around the queen. Everyone had one mind with the queen. Everything was seen by the queen, and the whole harem was in harmony.

How can there be any fights?

What's the life and death?

How can there be any murder?

As the party concerned, it is naturally the most cost-effective solution to make concerted efforts and turn fighting into jade.

But as an audience, this kind of scene is boring to the extreme.

It can even be said to be very disappointing.

Philip glanced over the eyes and expressions of all reporters. He smiled lightly and said into the microphone: "From today onwards, the three Gu family brothers of the Gu family will work together to bring the Gu family into a new glory. As the so-called brothers work together, and their profit cuts gold, we also believe that with our joint efforts, the Gu Group will surely return all stockholders and investors with better performance and higher market value."

After he finished speaking, he joked and talks a little bit: "However, please allow me to say sorry to everyone here. You're disappointed for not letting you see a big family fight!"

As soon as these words came out, the reporters on the scene blushed, but at this moment the share prices of all listed companies under the Gu Group began to soar like a dragon!

Chapter 1565

Almost immediately after Philip's domineering remarks, the stock price, which was steadily rising shortly after opening the limit, suddenly seemed to be sitting on a rocket, and directly rushed to the limit with a sound.

A large number of institutions and a large number of retail investors are watching the press conference. Seeing this, they immediately have full confidence in the Gu Group and are optimistic about it, even far higher than before Philip was sick!

Therefore, everyone started desperately buying all the stocks of Gu's Group-related listed companies that were available on the market, and immediately pulled the price to the daily limit.

In the blink of an eye, the stock price reversed and detonated the entire financial circle.

The reason why everyone is so optimistic about the Gu Group is not only because Philip looks extremely healthy, but also because Philip's voting rights in the Gu Group have reached 51%!

Before that, the three Gu brothers jointly held 51% of the shares and voting rights. Although Philip alone owns half of it, he wants to implement a decision on the board of directors. He must also get votes of the other two brothers, or let others. Some minority shareholders who together exceed the shareholding ratio of Yanzheng and Philip voted in favor.

Now, no more.

He has fully achieved the goal of one person speaking and one person being Master. From now on, his control of the Gu Group will rise to an unprecedented new height.

This has strengthened the confidence of the market and investors in Philip.

If you have confidence in him, you naturally have confidence in the Gu Group.

Once you have confidence in the company, you will have confidence in holding the company's stock.

As a result, the stock price skyrocketed!

Philip did not talk to reporters too much at the scene. After explaining a few questions he wanted to say, he said: "In the future, the Gu Group will redouble its efforts to repay investors and shareholders for the Gu Group. Trust, and please trust us, we will definitely give you a satisfactory answer!"

After that, Philip said again: "Today's press conference ends here, thank you for coming."

A reporter hurriedly stood up and asked loudly, "Chairman Gu, can you accept a simple interview?"

Philip waved his hand: "There is no need for the interview. I just want to say so much. I have said too much, but it will affect everyone's reception of this important information."

After he finished speaking, Marven, who was under his stand, winked quietly and walked out of the venue.

The reporter also wanted to catch up for an interview, but the security personnel at the scene immediately stopped all the reporters and said politely: "Excuse me, the chairman does not accept additional interviews."

Marven stood up, Philip's secretary had already arrived, and said respectfully: "Mr. Ye, the chairman said that the media has paid more attention. Let me take you through other exits."

Marven nodded, followed the secretary for a few steps, and came to Philip's office.

Philip was in red at this time. Seeing Marven coming in, he immediately stepped forward, patted his arm, and said excitedly: "Marven, you make me feel a new life!"

Marven smiled: "Uncle, didn't I give you the medicine yesterday?"

Philip shook his head: "It's not the same. I'm talking about a new life. It's in career. Starting today, the Gu Group can finally save a lot of internal friction and move forward!"

Speaking of this, Philip sighed: "You don't know how it feels if you concentrate on doing things and the person next to you does everything possible to hold you back..."

"It's as if you want to lead everyone forward, and the people around you not only don't follow you, but also pull your sleeves, hug your thighs, and even block you in front and dig holes for you!"

"It's fine now, now I say to run, they must all run, not to run, they must run for me with a whip!"

Marven nodded and said with a smile: "Then I will congratulate Uncle in advance, and hope you to take the Gu family to the next level!"

Philip looked at Marven and said seriously: "Marven, I hope that one day, you will lead the Ye family to the next level with the Gu family. At that time, you will be the most powerful person in the business world!"

Chapter 1566

In Philip's eyes, the Ye family and the Su family were two dragons competing.

The difference in strength between the two is not too great, but the Su Family still beats the Ye Family.

In fact, in the early years, the strength of the two companies can be said to be almost the same.

Had it not been for Changying's untimely death at a young age, the Ye family might have already surpassed the Su family under his leadership.

But it was precisely because of the fall of Changying's genius that the Ye family had no successors, so that the Su family gradually opened up a bit of status.

However, Philip believed that if Marven came to inherit the Ye family and then married his daughter, Marven would have both Ye and Gu in his hands by that time.

Even in the future, the two can be deeply merged together.

In that way, Marven would be able to beat the dust in the entire business community.

However, he didn't know when Marven could deal with all the matters of Wrestvel, and then he returned to Orgeyon to marry his daughter.

However, Philip did not mention this matter, let alone urge him, but took a deep look at him, then patted him on the shoulder, and said seriously: "After leaving, let's go see your parents. !"

Marven nodded gently and said, "Uncle, I want to buy them two bunches of flowers. Is there a flower shop nearby?"

"You don't need to buy it." Philip said: "After we go out, your Aunt Lenan has started to prepare. Now they are all ready. Let's go home directly, and after meeting with them, we will go to Waderest Mountain together!"

Marven said gratefully: "It's really hard work for Aunt Lenan. These things should have been handled by me..."

Philip waved his hand: "Lenan, you mother had the same relationship as sisters, and your father and I had the same brotherhood, and we have always regarded you as our own. Therefore, our two families are originally one family, and it is the same who manages them!"

.....

Philip's motorcade drove out of the Gu Group neatly.

The convoy returned to Gu's villa first, and the driver at home drove a black Rolls Royce out again. Lenan and Sara were sitting in this car.

Although the Rolls-Royce looked very large, it only had two seats in the back row, so the four people were divided into two cars, and under the escort of bodyguards, they quickly drove out of the city to the western suburbs of Orgeyon.

Orgeyon is surrounded by mountains on three sides and is full of endless Yanshan Mountains.

Yanshan is steep and steep, easy to defend and difficult to attack. From this point, the Great Wall of China began to extend in both directions, east to Shanhaiguan, and west to Jiayuguan.

Waderest Mountain is an ingot-shaped green hill in the Yanshan Mountains.

This place was originally deep in the mountains, with no people or roads. After the Ye family chose to build the ancestral tomb here, they built a road leading to the foot of the mountain and built a winding road to the mountainside. The investment was huge.

In the past, this mountain and this road were closed. Because the property rights were bought and the road was invested independently, other social vehicles and people were not allowed to enter. Philip's motorcade could enter. This was because they had followed Ye in advance. Because the family said hello!

At this moment, Marven was sitting in the Rolls Royce, getting closer and closer to Waderest Mountain.

In ten minutes, he will be able to see his parents who have been separated for nearly eighteen years from him.

Even though yin and yan are separated, he still can't restrain the tension in his heart.

He looked at the mountain, and said silently in his heart: "Parents, your son has finally come to see you..."

Chapter 1567

Waderest Mountain.

This mountain, which can be called a treasure of feng shui, is not only better than ingots in shape, but also better. It is surrounded by a continuous river with excellent water outlets.

The ancients loved mountains and water. Water not only cleans everything, it is also the source of life. Therefore, water must be indispensable for the so-called feng shui treasure.

The water of Waderest Mountain is indeed beautiful from heaven. Not only does the heavenly gate open and the land is closed, but it also perfectly matches the trend of the fortune to the river and the position and orientation of the mountain itself, forming a "water bureau Xinlong" feng shui array. .

Such a feng shui formation can guarantee the prosperity of the family and the prosperous future generations, and more importantly, it can break the situation of the Dragon Shoal before the Ye family.

Marven has a deep knowledge of Feng Shui mystery because he has studied the "Nine Profound Sky Classics".

Although he didn't know why the old Feng Shui said that Waderest was trapped in the shoal, he could perceive that the ancestral grave of Waderest Mountain not only blessed the descendants and prospered family business, but also faintly soared into the sky.

This made him amazed. The Ye Family really had a lot of money. Not only could they buy such a feng shui place, but they could also invest so much money to make a big investment here.

The geomantic omen here is very good, and if the descendants are a little bit more vigorous, the Ye family will definitely continue to prosper.

When approaching the foot of Waderest Mountain, Philip reminded Marven: "Marven, I will ask the driver to pull over and you can drive."

Marven didn't want to be exposed in front of the Ye family for the time being, so yesterday he had already agreed with Philip, acting as a driver and assistant and going with him to worship his parents.

So he nodded and said, "OK, Uncle, I'll drive."

The driver pulled the car over, handed the sunglasses to Marven, and said, "Mr. Marven, here, this is for you."

Marven took the sunglasses and put them on, took out a disposable mask from his pocket, and then sat in the cab.

The driver did not stay in this car, but went to one of the other vehicles behind.

Marven drove on and continued forward. When he reached the bottom of Waderest Mountain, a mighty white marble gate tower stood in front of him, and under the gate tower, the electric gate was closed tightly, and several security personnel stood on both sides as if standing guard.

The leading car stopped in front of the gate, and then the convoy stopped one after another.

A security guard walked up to Philip's car from the front. Philip put down half of the window. The other side respectfully said, "Mr. Gu, please ask the driver to park the car in the parking lot nearby. There are too many cars for fear of disturbing the ancestors of the Ye family. You can go in the car with your wife and young lady."

Philip nodded and said to the assistant on the co-pilot: "Go and coordinate and let them wait in the parking lot."

The assistant hurriedly asked: "Chairman, what about your safety issues..."

Philip said earnestly: "This is the site of the Ye Family, and there is absolutely no problem of safety issues."

The security guard outside the car bowed respectfully: "Thank you Mr. Gu for your affirmation."

Afterwards, while the assistant pushed the door to get out of the car, he opened his mouth and said to Marven sitting in the cab: "Mr. driver, after going into the mountain, please don't honk the whistle or accelerate quickly, and keep the engine speed as low as possible. Below two thousand five hundred revolutions, so as not to make too much movement and disturb the ambiance."

Marven nodded.

Naturally, the mausoleum should be as quiet as possible, not only can he not honk the horn, nor make noise.

Moreover, the sound of a car engine is the greater the speed, the greater the noise.

Chapter 1568

Whether it is an ordinary family car or a luxury car, when the engine speed is below 2,500 rpm, it will not make much movement, but if the speed is increased to three or four thousand, or even four or five thousand, the noise will immediately increased several times.

Therefore, as a driver, you must be gentle when stepping on the accelerator.

At this time, all the vehicles carried by the security personnel drove into the parking lot beside the entrance building.

There are only two black Rolls Royces left, the one in front is driven by Marven, and the one in the back is another driver from the Gu family.

The electric door below the gate opened to both sides, and the security personnel made a gesture of asking. Marven stepped on the accelerator lightly and drove slowly into the gate building.

When he drove the car into the winding road of Waderest Mountain, he became more and more admired for the Feng Shui master who selected this treasure.

There are countless mountains in the Yanshan Mountains, and he can find them among the thousands of mountains, and he is indeed quite capable.

The two cars were winding upwards on the road, and Marven no longer paid attention to Feng Shui. He could already see a large white marble mausoleum on the mountainside. There was the current ancestral grave of the Ye family.

Soon, the Rolls Royce he was driving went to the flat ground not far below the tomb.

This is a specially opened parking lot. Several men in black suits are standing here, it seems they should be the security personnel of the graveyard.

The larger the family, the more attention is paid to the safety of the ancestral grave.

The top families can flourish and prosper, and the feng shui of the ancestral tomb must have played a considerable role, just like the ancient royal dragon veins, which is of great significance.

If it is a foe or a competitor who has misconceptions and deliberately destroys his family's ancestral grave, the wealth will be lost, or the family will be destroyed.

Therefore, there are as many as a hundred security personnel deployed by the Ye family in Waderest Mountain. In a year, the maintenance and security expenses of the ancestral grave alone will cost at least several hundred million.

At this time, the security personnel guided Marven, and after stopping the car in the designated parking space of the parking lot, Marven immediately got out of the car and went to the back row to help Philip open the door.

In the car behind, Lenan and Sara also got out of the car.

Afterwards, the driver of that car opened the trunk, and Lenan and Sara carefully took out a few bunches of flowers from inside, beckoned to Marven and said, "Tenneria, come here, and help hold the flowers."

Marven knew this was the call for him, so he understood it, hurried to the front, and took two bouquets of flowers from the hands of the two.

Lenan took out two more bundles from inside, and she and Sara each held one.

Philip also stepped forward at this time and said to Marven: "Come on, Tenneria, give me a bunch."

Marven hurriedly handed him one of them.

Philip deliberately sighed at this time, rubbed the knee of his right leg, and said, "Some time ago, during chemotherapy, the knee of the right leg caused by the medicine seemed to be still a little uncomfortable. There are more than 100 steps, Tenneria Just help me up."

Marven naturally nodded and agreed: "OK, Chariman Gu!"

Philip said to the other driver: "Jos, just let Tenneria help me over. You are waiting in the car."

The driver nodded immediately: "Okay Master!"

At this moment, the security officer said with some embarrassment: "Mr. Gu, this does not meet Waderest's regulations. According to the Ye Family's regulations, only you, your wife, and the young lady can go up the mountain. Even we can't accompany you. It's still troublesome Sir, he'll stay in the car and wait for you!"

Chapter 1569

The management of Waderests grave has always been extremely strict.

According to the Ye family's regulations, in addition to immediate family members, collateral blood relatives who want to come to the ancestral tomb to worship must have the permission of the Ye family.

The requirements for outsiders are even stricter.

It must be a family or individual who has a deep connection with the Ye family to be allowed to enter.

Like Philip, he and Changying were like brothers. Therefore, their family of three will be approved to worship.

But his entourage does not have the qualifications to approach Waderest's graves.

After all, just three words, not worthy.

The Ye family buried here, whichever is placed outside, is a dragon and phoenix among the people, and who are the drivers, entourage, and assistant who are qualified to worship.

Not to mention other people's servants, even the Ye Family's servants and the Ye Family's security here are not eligible to enter the tomb area.

This area is cleaned and maintained three times in the morning, noon and evening every day, and the person responsible for cleaning and maintenance is not the subordinates of the Ye family, but the collateral relatives of the Ye family.

Of course, even if it is a collateral relative, it must be a talented person named Ye.

Therefore, the security personnel stopped Marven, naturally because of this.

Philip saw that the other party was about to stop Marven, and immediately said: "Young man, I have just recovered from a serious illness, and my body still has some sequelae. It is really inconvenient to move. Let my driver help me up. Your Waderest graves were not so strict before. At that time, the entourage could also accompany in."

The security personnel looked sorry, but said in a very firm tone: "I'm sorry, Mr. Gu, this is the new rule set by the family owner after the ancestral grave moved into Waderest Mountain, and we must abide by it and never exceed it, so please Please forgive me."

Philip suddenly became anxious.

It was for Marven to personally worship his parents, so he made a special trip to bring him here.

Marven didn't want to reveal his identity, so he could only pretend to be a driver, but what he didn't expect is that Waderest's current management is so strict.

He, the chairman of the Gu Group, even put a pleading tone to the security personnel, saying: "Young man, I am indeed suffering from physical inconvenience. Please also look at the face of my relationship with the Ye family. Open up a side for me, you don't want to watch me roll down the stone steps without standing still, right?"

Seeing this, the security personnel hurriedly bowed deeply: "Mr. Gu, there is really no way to accommodate this matter, otherwise, the job I have cannot be kept."

Philip was a little annoyed, and questioned a bit angrily: "Your rules are too unreasonable, right? Our two are family friends, how can you make me look like an outsider?"

The security staff said embarrassingly: "Mr. Gu, let's tell you that this rule is set by the old master, and the owner treats the old master's words as a standard, so we must strictly observe and not violate it. Please forgive me!"

Philip angered and anxiously blurted out, "Then this is not accommodating, right? Should I call Elder Ye now?"

The security personnel nodded hurriedly and said, "Mr. Gu, you should call the owner of the house. If the owner allows, we will never stop him!"

Philip knew that he couldn't persuade the other party, so he sighed and said, "Yes, I will call Elder Ye."

Although he said so, he had no bottom in his heart.

He knew about the Ye family, and knew that the Ye family moved the ancestral tomb to Waderest Mountain because of an expert, and that expert should be the old master of the security staff.

If it was the request made by the old master, I believe that the Old Master would never open any back door to him for his own Feng Shui.

Could it be that Marven could not be allowed to worship his parents in person today?

Chapter 1570

He has been separated from his parents for 18 years!

Marven was also anxious at this time.

In fact, since he got the “Nine Profound Sky Classics”, he hasn’t felt this panic and eagerness for a long time.

His parents were buried in one of the Carden mausoleums not far away. As long as they stepped up to more than one hundred stone steps, they could go to the parents’ graves to pay homage, fulfilling the biggest dream of eighteen years.

However, if these people don’t let him go, can’t go all the way, right?

Or, does he have to identify myself from the Ye family?

However, although he can make himself honorable to worship parents in that way, after that is the real trouble.

At this moment, a loud voice sounded: “Let him go”

Everyone followed the prestige, only to see an Old Master with an old-fashioned, completely white hair, beard, and eyebrows, walking slowly over with a cane.

When Marven saw this person, he felt that he should be a hundred years old. Although he was very old, his walking posture was surprisingly stable with the help of crutches.

It is the twelfth lunar month of winter. The Old Master is only wearing a white Tailored suit, but he can’t see that he is half cold.

And his crutches seem to be a bit different.

Marven has seen many old people’s walking sticks, with dragon heads carved on the top, but there is a python carved on his walking stick.

After taking a few glances at the other party, Marven couldn’t help but wondered in his heart: “Could it be that Uncle said this person, the old Chinese Fengshui master invited by the Ye family from the United States?”

Later, he couldn’t help thinking: “Why did he agree to let me go up? Could it be that he saw through my identity? Is his insight so strong? Or is there any other way he can figure out my identity?”

Just when he couldn't think of the whole story, the person in charge of security asked in surprise: "Old Master don't you mean that outsiders are not allowed to go up except Ye Family's best friend?"

The Old Master smiled slightly, looked at Marven and said, "He is not an outsider."

The security staff was even more puzzled: "Old Master what do you mean? Why don't I understand?"

The Old Master smiled and said, "I think this person should have a deep connection with the Ye family in his previous life, so he's not an outsider, let him go up."

"Have a relationship in the previous life?" The security personnel were naturally a little unbelieving, but the thought of feng shui was very mysterious at first, maybe this thing might be true.

So, he said embarrassingly: "Old Master Patriarch meant..."

The Old Master replied: "Have your Patriarch said that as long as I am on this day, I will have the final say here?"

The security personnel hurriedly and respectfully said: "The owner did say that!"

The Old Master asked again: "Then your Patriarch has said that even if I ask you to tear down Waderests tomb, you must not disobey?"

The security staff is more respectful: "The owner did say it!"

The Old Master nodded and asked: "Then I let him go up, do you have any comments?"

The security staff took a step back subconsciously and respectfully said: "Going back to the old master, I have no opinion! Everything is subject to your opinion!"

The Old Master nodded in satisfaction, and then made a gesture of inviting Marven, saying, "Gentleman, please."
