

The Amazing Son In-law chapter 1581-1590

Chapter 1581

At this moment, Marven followed Elsa into the villa.

The residences of big families like Orgeyon are very luxurious. When you enter the door, the living room is almost the size of a small banquet hall.

At this time, there were a lot of people inside, and many of Orgeyon's more prestigious figures gathered here at this time, chatting eagerly in groups.

Accompanied by her husband, Mrs. Dong was talking and laughing with a few old friends of the same age.

Elsa hurriedly said to Marven: "My grandma is over there, I will take you over to see her."

Marven nodded and smiled: "Then just give the gift I prepared to your grandma."

When the two came to the old couple, Elsa smiled and said to them: "Grandpa and grandma, let me introduce you. This is my university classmate, his name is Marven!"

The Old Lady hurriedly smiled and said: "Oh, it's Elsa's college classmate! Welcome!"

After that, the Old Lady asked again: "By the way, Elsa, I remember that among your college classmates at the time, there was a girl who had a very good relationship with you. She was called Avella, right?"

At this time, Marven said: "Hello, Grandma, I am Avella's husband. In fact, Avella always wanted to come to you in person for birthdays, but there are indeed many things in the family that cannot allow her to travel currently, so she asked me to take her place. I came here, please forgive me!"

The Old Lady smiled and said: "Oh, that little girl Avella is already married now!"

After that, she looked at Elsa again and said seriously: "Elsa, look, your college classmates are getting married one after another, but you don't even have a boyfriend up to now, you just listen to what grandma said. Don't go to Wrevel anymore. Find a boyfriend in Orgeyon, and get married early and grandma will feel at ease!"

Elsa had mixed feelings in her heart at this time.

She likes Marven, and it is the kind of love that goes deep into her bones, so in her heart, she has already decided not to marry anyone other than Marven.

But unfortunately, Marven is the nominal husband of her good best friend, and now even her family knows it. Wouldn't it be even more impossible for her and Marven in the future?

Although the Dong family is not a top-notch family in Orgeyon, it is still sturdy. How could it be possible to let their granddaughter be with a married man?

Even if he is divorced, it will be his second marriage, and it would be embarrassing to spread it out.

Thinking of this, she felt extremely disappointed.

At this moment, a discordant voice came: "Grandma! Grandpa!"

Elsa turned her head to see, her cousin Delon walked over with a look of sadness.

She subconsciously asked: "Cousin, I heard that you had an operation some time ago? How is your recovery now?"

When Delon heard her ask about the operation, he couldn't help being a little annoyed, and said angrily: "Don't talk about the operation this messy thing with me, thinking of it, I get f*cking angry!"

Mrs. Dong said distressedly: "Elsa, you don't know, your cousin suffered a serious crime some time ago!"

Marven didn't look back at this time, but he heard the voice really familiar.

After thinking about it carefully, he caught the identity of the owner of this voice in his mind.

Isn't this the Young Mr. Kevin, Delon who was forced to swallow a string of gemstone necklaces in Warnia's house at that time?

how? Is he Elsa's cousin?

Moreover, Delon called Elsa's grandmother grandma, which means that he is the child of Elsa's aunt.

This is really interesting.

Chapter 1582

At this moment, Elsa said to Delon: "Brother, let me introduce you to my college classmate!"

As soon as the voice fell, Marven turned around with a smile on his face. The moment Delon saw him, he felt like he had seen a ghost!

He was surprised for a long while before he came back to his senses, and then he began to gritted his teeth: "Okay! The name is Ye! I'm so fcking worried that I can't find you. You dared to come to my grandma's house. You won't make it out today. dmn you!"

Elsa was startled and blurted out: "Brother, what do you mean? Marven is a guest, why are you talking to him like this?"

Delon gritted his teeth and said, "Do you know why I had an operation?"

Elsa blurted out: "I heard mom say that you swallowed a necklace."

“Yes!” Delon said angrily: “Why I swallowed the necklace? It’s because of this b@stard!”

Marven snorted: “Mr. Kevin, speak rationally and be kind, did I force you to swallow the necklace? Or did I break your mouth and stuff it into your stomach?”

Delon did not speak.

How to say?

Marven didn’t have any problems with these words. He really didn’t force him to swallow the necklace, but he lost the bet with him and couldn’t get off the stage, so he bit his teeth and swallowed it.

But isn’t he the culprit?

Thinking of this, Delon cursed sternly: “Marven! You’re f*cking here to break this with me! I just want to settle this account with you!”

Marven ignored him. Instead, he looked at Mrs. Dong, handed over the gift box he had brought, and said seriously: “Grandma, this is a birthday gift that Avella and I have prepared for you. Please accept it.”

The Old Lady didn’t understand the contradiction between Marven and her grandson, but after all, she was an elder of a big family and she was very polite, so she reached out and took the gift and said, “Thank you for talking to Avella. Please carry my thoughts.”

Delon looked at Marven ignoring him, his whole body almost exploded.

He snatched the gift box from his grandmother’s hand, and then dropped it directly to the ground, pointing at Marven and cursing: “Marven, get out of here now, and then return to Wrestrvel to give it to me. Be prepared and wait for death, I will come to Wrestrvel to kill you personally in two days!”

Marven didn’t get angry, but said indifferently: “Delon, for Elsa’s face, I call you Mr. Kevin, but you shouldn’t push your nose on your face, otherwise, don’t blame me for disregarding Elsa’s affection!”

Elsa was also very angry, and angrily said: “Cousin, what are you doing?! Marven is a guest! Why are you driving people out? Why are you throwing away the gifts they gave grandma?”

After speaking, she bent down and picked up the gift box that had been smashed open and the fan in the gift box out.

Delon said contemptuously: “This kind of sl*t, what good can he give grandma to his mother? It’s just a broken fan, and he can handle this kind of rag!”

Mrs. Dong sighed helplessly.

The Old Lady knew exactly what virtue her grandson was.

Although she heard that Marven might be inseparable from his grandson's operation, but looking at what this means, 80% of her grandson's own blame and asking for trouble, the responsibility may not lie with Marven.

So, she said seriously: "Delon, such a big person, why is his speech so shallow? Gifts represent the mind, regardless of high or low."

When Delon heard this, he immediately took out a gift box from his pocket. After opening it, it contained a Maitreya Buddha carved with green jade.

At first glance, the jadeite is an imperial green with excellent water. The material is excellent, there are no flaws, and the carving is perfect. There is also a circle of diamonds next to it, which is quite dazzling.

He handed the jade necklace to Mrs. Dong, and said unconvinced: "Grandma, this jade Buddha is Laokeng Emperor Green, worth at least 30 million. The broken fan is a few hundred. There are so many like that, these two things are placed together, and the judgment is made! Rubbish is rubbish, and no matter how good the packaging is, it can't be valuable!"

Chapter 1583

Seeing Delon still having this face, Marven couldn't help but sneered: "I said Delon, you also remember whether you eat or not. Have you forgotten the necklace you swallowed last time?"

The main reason why Delon was forced to swallow that string of gemstone necklaces last time was because he lost the bet to Marven.

At that time, he felt that he had taken a string of tens of millions of necklaces that were already great, and at the same time the rejuvenation pill that Marven gave to Warnia was worthless.

But he didn't expect that a rejuvenating pill would be directly sold at a sky-high price of 2 billion at Warnia's birthday party.

However, after Delon came back, he has been pondering this matter, and the more he pondered, the more he felt that something was wrong.

He always felt that it was impossible for anyone to be willing to spend 2 billion on such a stupid thing.

So the greatest possibility, in fact, should be that Tailai and Marven joined forces to sing a double song!

Although Tailai had spent 2 billion on the surface, it was very likely that Marven would return the money to him after turning around.

Therefore, he hated Marven even more.

It turned out that he was planning to go to Wrestrvel to settle accounts with him after the new year, but he unexpectedly came to Orgeyon and his grandma's house on his own initiative, which made him hate him immediately.

If it wasn't for the birthday banquet at this time, he would even wish to call someone over immediately and directly beat Marven to death.

Therefore, he immediately yelled at Marven: "Marven, you f*cking calculated my account last time, I haven't settled it with you yet, now you dare to come to Orgeyon and pretend to be a righteous?"

As he said, he asked angrily: "You tell me the truth, was that Tailai colluding with you last time?"

Marven snorted disdainfully, and said: "If you can't afford to lose, just say it straight, not shame in it, but you can't afford to lose and you are still playing a rogue, that would be a bit of shame."

Delon suddenly became angry, gritted his teeth and said: "You fcking said I can't afford to lose? I'm the fcking can't afford to lose?"

Marven smiled and asked, "If you can afford to lose, then let's gamble again."

Delon said immediately: "Okay! What to bet, you say it!"

Marven said, "Didn't you say that the fan I gave is only worth a few hundred? So, if my fan is better than your jade, you will eat your jade, just like the last time you ate gems necklace."

"Grass!" When Delon heard that he mentioned that he had swallowed the necklace, he was immediately angry: "Boy, are you fcking looking for death, are you? Believe it or not, I fcking let people kill you!"

Elsa said angrily: "Cousin, Marven is my friend, don't go too far!"

"Far?" Delon snorted coldly: "It's not so good, you think it's too much? I tell you, new hatred and old hatred, I will definitely kill him this time!"

Marven smiled and said: "Look, if I say you can't afford to lose, you still don't admit it. You have jumped the wall in a hurry, and your mouth is stiff? What's the matter, don't you dare to bet?"

"I don't dare to bet?" Delon said contemptuously: "My dmn carefully selected emperor green jade pendant is not as good as your dashed fan? What a dmn international joke!"

After that, Delon asked sternly: "What if you lose? Dare to eat your fan?"

Chapter 1584

Marven nodded: "Yes, then let's just say that. If I lose, I will eat the fan. If you lose, you will eat the jade pendant."

"Grass!" Delon gritted his teeth: "Okay! I don't believe it anymore! That's it! My jade was sold for 24 million. I have transaction records as proof. How much is your broken fan worth?"

Marven didn't know how much the fan was worth.

However, he knows that Qi Baishi's paintings have been rising rapidly in recent years, and the price increase rate of his works is much faster than that of jadeite.

Although this is just a fan, it is by no means a random graffiti, but a picture of Fushou drawn very carefully.

Qi Baishi's top painting "High Litu of Pines and Cypresses" was auctioned for a maximum of more than 400 million, and this is still the auction price ten years ago. If it is auctioned now, it may even exceed 800 million.

Philip is no ordinary person at first, and the things he collects, even if it is a fan, must be the finest work of Old Baishi.

Since it is a superb work, it would cost tens of millions for a fan alone, plus this superb fan bone with a perfect golden tumor scar, the price must be far above 24 million.

So Marven opened his mouth and said: "You can ask someone who knows how to paint to identify how much this fan is worth."

"Fan?" Delon curled his lips: "What the h*ll, it's so ugly!"

A knowledgeable person next to him immediately exclaimed: "Oh! This seems to be a painting by Qi Baishi! Fushou Tu fan, this fan is very famous!"

"Yes!" someone echoed: "This fan seems to have been auctioned at Christie's in the past few years. If I remember correctly, it should have been auctioned off by Chairman Gu of the Gu family for 48.88 million!"

"Chairman Gu? Is it the Chairman Gu who announced his recovery in a high-profile manner yesterday and returned to the control of the Gu Group?"

"Yes, it's him!"

"It's weird, how could this young man have Chairman Gu's collection in his hand? Could it be stolen?"

"Stealing? It's impossible, but it's also impossible to be authentic. I guess it's an imitation, or it was copied by a contemporary expert."

Delon heard these conversations, with a sneer at the corners of his mouth, and said to Marven: "Okay, Marven, even f*cking fooled my grandma with fakes, you are really looking for death!"

Delon's grandmother said embarrassingly, "Oh, you two shouldn't fight here like you are kids. The courtesy is light and affectionate. Why bother to explore the real price? Delon, you take a step back. After all, Marven is a guest. , And come from afar!"

"How do you do that!" Delon gritted his teeth and said, "Grandma, this grandson has pitted me so badly. I will definitely not let him go this time!"

As he said, he shook the folding fan in his hand and sneered: "Oh, I said Marven, if your fan is real, it is indeed worth more than my jadeite, but your thing is a fake, it's worth the f*ck. Three thousand is great, how about it, hurry up and eat it!"

Marven smiled and asked, "Why do you say it is fake? Are you an expert in appraisal?"

Delon pointed to the crowd watching the excitement around him, and said: "What everyone said just now, you must have heard it too, don't you want to be tough?"

After speaking, Delon said disgustedly: "This fan of authenticity is in the hands of Chairman Gu of the Gu Group. With your rag, can you still get his collection from Chairman Gu??"

Marven smiled and said: "You're right. Chairman Gu really gave this fan to me. I heard someone next to me saying that it was procured at a price of 48.88 million that year. It is already more expensive than your jade pendant. It's more than twice as expensive now to say the least, so I won't talk nonsense with you anymore, hurry up and swallow your pendant."

Chapter 1585

"I swallow yOur sister!"

Delon yelled coldly: "fcking your mouth when you die, even if you lie, you dare to bring Chairman Gu in. If Chairman Gu blames it, will you be the dmn bear?"

Marven smiled and said: "If you don't believe me, just call Chairman Gu and ask him if he personally gave this fan to me."

"I'm pooh!" Delon curled his lips: "Even as the young master of the Kevin family, I don't have the right to contact Chairman Gu directly. Do you f*cking know that I can't ask Chairman Gu to confirm the authenticity, so you're here unscrupulously? Pretend to be forced?"

Marven smiled noncommitantly: "This kind of thing is boring to talk about. It's better to find a professional authority to come and see."

"No need." Delon sneered: "Tell you, I specially invited Weiliang, the eldest son of the Gu family, today. If this thing is true of you, then this is the collection of the eldest son of Gu, and you will know what the situation is. !"

Marven laughed even louder when he heard this: "Okay, since you have to wait for the eldest son of the Gu family, then wait for him to come."

Delon didn't expect that Marven was not scared at all, he was not even half empty, and he couldn't help being surprised.

If he changed himself to him, took a copy to pretend to be Chairman Gu's collection, and heard that Mr. Gu was coming over, then he would rush to avoid being caught by Mr. Gu.

But Marven didn't mean to run at all.

This made him wonder, why is this kid so confident?

Although he is in Wrestvel, he seems to have some connections, but he can't really get into Philip's relationship, right?

Who is Philip? The head of Orgeyon's third-largest family, the Gu family!

Not to mention Marven, even his father can't get into this relationship. Why can this live-in son-in-law in a small place such as Wrestvel place have a relationship with Philip? It's impossible!

At this moment, someone yelled: "Grandson of Gu's is here!"

All of a sudden, the spirit of twelve minutes was up.

Even Elsa's grandparents became serious in a hurry.

Don't care that Weiliang is just a young man in his twenties from the Gu family, but in the eyes of the Dong family and the guests from all walks of life, he can be regarded as the one of the most important at this birthday banquet. Mrs. Dong had to be polite and even flattering in front of Weiliang.

At this moment, Weiliang walked in with an arrogant expression under the gaze of everyone.

Elsa's father and uncle followed him with flattering faces, nodding and bowing, completely kneeling and licking without concealment.

Today, Weiliang didn't plan to come here, because his relationship with Delon is just normal. Although the Kevin family is a little stronger than the Dong family now, it is still much worse than the Gu family, so Weiliang doesn't look down on Delon at all.

But the main reason why he is still willing to come is that he heard from Delon that he has a really good-looking sister who just came back from Wrestvel and wanted to introduce him to her.

Although Weiliang still couldn't do that, he still had the virtue of that dude in his heart. Although his ability was gone, he was still full of illusions and longing for the opposite sex in his heart.

In fact, this is also human nature. It is no secret that the ancient eunuchs often confronted the palace ladies in the palace.

In addition, Weiliang had long heard that Elsa, the granddaughter of the Dong family, was beautiful, and it happened to have a chance this time, so he wanted to come over and take a look.

As soon as Weiliang came in, Elsa's grandfather immediately took a step forward, enthusiastically and respectfully saying: "Mr. Gu, don't know if you are coming here, if I have missed it, please forgive me!

Weiliang faintly waved his hand and said, "I also heard Delon say that today is his grandma's birthday and invited me to join in, so I rushed to interrupt."

Elsa's grandfather said hurriedly, "Gu Master you come and let Dong family's residence shine, how can it be an interruption!"

Chapter 1586

With that said, the Old Master greeted Elsa immediately and said: "Come on, Elsa, get to know Mr. Gu!"

Elsa's grandfather, uncle, and father have surprisingly unanimous views on Elsa's life-long events.

They all felt that Elsa should marry a young master from a top family, so as to bring enough help to the Dong family.

This is why they arranged for her to work for Wrestrvel Emgrand Group.

However, Elsa had been to Wrestrvel for so long, and even the chairman of Emgrand Group hadn't seen her once, so they gradually lost patience with this matter.

Now they looked at Weiliang in front of them, and they all have the same idea, hoping that Elsa could be with Weiliang, so that the Dong family could fly into the sky.

The moment Weiliang saw Elsa, his eyes straightened.

Although Orgeyon has many beautiful women, there are not many beautiful women in the big families.

After all, it is difficult for a person to have an excellent background and an excellent appearance at the same time.

Although the Dong family is a little down right now, Elsa is really beautiful and moving!

Therefore, Weiliang immediately moved his mind to Elsa.

He immediately reached out to Elsa and said very gentlemanly: "Miss Dong, it is nice to meet you!"

Elsa's expression was somewhat cold, she deliberately didn't reach out her hand, but nodded and said, "It's also nice to meet you, Mr. Gu."

Aside, Elsa's father, Hagel, immediately reprimanded: "Elsa! Why are you so impolite? Why don't you shake hands with Mr. Gu?!"

Elsa said: "I'm sorry, Mr. Gu, I just touched the stray cat at the door and didn't wash my hands."

Weiliang was a little bit upset. Elsa was so big that she didn't even hold his hands. It was too shameful for him!

However, he didn't get angry on the spot, but wanted to endure the wave first, to leave a good impression on Elsa, and to facilitate the next in-depth development.

At this time, Delon hurried over with the folding fan brought by Marven, and said hello to Weiliang respectfully, while saying: "Oh, Mr. Gu, you are here just right. This is a fool, holding a fan of your uncle.

I don't want to say that it is genuine. I suspect that this kid has deliberately pretended to call imitation a real one, and he is using Chairman Gu's reputation to pretend!"

After that, he immediately opened the fan and handed it to Weiliang, and said respectfully: "Look, Mr. Gu, this is the fan! Tell everyone, is this real?"

Weiliang frowned. He didn't understand antique bullshit. How could he tell the truth or not, he didn't even know the origin of this fan.

Fortunately, Delon said flatly at this time: "This fan is an Old Master Qi Baishi's picture of fortune and longevity. It is said that your uncle took the picture at the sky-high price of 48.88 million!"

When Weiliang heard this, he thought to himself that if the genuine product was really uncle's collection, he would definitely not sell it.

After all, he values antique materials very much. He has bought various famous paintings over the years. It is said that these paintings are worth tens of billions.

Although the transaction price of this fan was only 48.88 million, based on his understanding of the uncle, it was impossible for him to get the collection in his hands.

What's more, he and the Dong family didn't know each other at all, and the Dong family didn't even have a chance to cheat him. How could he take out his collection as a gift to Mrs. Dong?

Therefore, it can be concluded that the fan in front of him must be fake!

Thinking of this, Weiliang immediately asked in a cold voice: "Where is the idiot, even he dares to imitate my uncle's collection and use his name? Is he so bored of life!"

Chapter 1587

When Delon heard Weiliang's curse, his eyebrows were immediately happy.

If Weiliang was also dissatisfied with Marven, then Marven would definitely die this time!

When the time comes, not only will he force him to swallow this fan, but also force him to kneel in front of himself and call grandpa!

So, he pointed to Marven and blurted out: "Master Gu, this is the fool!"

Weiliang's eyeballs were on Elsa's body just now, and the Dong family's flattery surrounded him, so he didn't even see Marven not far away.

At this moment, he followed the direction of Delon's fingers and looked at Marven, and his soul frightened immediately!

"Ye... Marven?! How could he be here..."

When he thought that Marven could easily abolish a God of War, a realm master, and also let the four men in his family lose fertility, he felt a chill in his back!

What is more scary is not Marven's strange strength, but Marven's identity!

On the same day, Marven announced his true identity in the Gu family meeting room. He was the young master of the Ye family! The son of Changying, the legendary Orgeyon Lord!

In addition, Marven had a 20-year marriage contract with his cousin Sara. If he does marry his cousin in the future, then he would have owned half of the Gu family group!

After all, the uncle Philip's daughter Sara, will definitely inherit the future family property alone.

After all, Sara is a female generation. If she marries Marven, it would be equivalent to treating Philip's assets as a dowry and making Marven super rich. By then, Marven will probably become the country's top richest, not one of them!

So, adding up all these reasons, he was really scared of Marven.

But he never dreamed that the "stupid" that Delon said was actually Marven!

And the most terrible thing is that his mouth is really cheap! He even scolded a stupid man, didn't this offend Marven to the core? !

Thinking of this, Weiliang hurriedly slapped himself in the face, and then said to Marven nervously: "Mr. Marven, I'm sorry, I didn't expect you to be here. I didn't see you just now. Please don't take it to your heart!"

Everyone present was frightened.

Especially Delon!

He originally wished that Weiliang could take a gun out of his pocket and kill Marven on the spot, so as to relieve his hatred.

But he never dreamed that Weiliang slapped him and was so respectful to Marven!

What the h*ll are you doing? !

Marven, this idiot, wouldn't he fool Gu's family? !

Elsa was also struck by lightning.

She knew Marven's identity. He used to be an orphan, then he was a pauper. He had no place in her girlfriend's family. He has gradually improved by showing others Feng Shui this year.

However, there has been improvement, and even the young master of the Gu family, the third-ranked top family of Orgeyon, is so respectful to him. This is really incredible, right?

Marven looked at Weiliang with a calm face at this time, and asked, "What? Do you know Mr. Kevin?"

Weiliang was frightened by Marven's expressionless words. When he thought that he was brought into the ditch by the b@stard Delon, he was immediately furious, grabbed his collar, raised his hand and slapped him several times!

Chapter 1588

While beating desperately, he cursed in resentment: "Delon, you're so f*cking tired! Even you dare to scold Mr. Marven! See if I don't suck your broken mouth!"

Delon was immediately drawn with blood and swollen cheeks, his eyes were full of horror, but he couldn't say a word.

At this time, a middle-aged lady came out of the bathroom next to the hall while wiping the hand cream. When Delon was beaten, she exclaimed. She ran over and yelled: "Who is the b@stard, dare to beat my son!"

It was Delon's mother and Elsa's aunt, Juanita.

Juanita loves her son eagerly. Seeing that her son has been beaten up, she immediately went forward to tear up Weiliang.

Weiliang felt resentful in his heart. Seeing her ran to him, raised his foot, kicked her away with one kick.

Juanita sighed, the whole person had fallen backward and fell to the ground. This time she was kicked and fell not lightly, so she could only cry on the ground: "What are you guys doing in a daze, kill this b@stard? How can you let him bully Delon in Dong's house!"

Juanita's elder brother sternly shouted: "Are you blind? Didn't you see that this is Young Mr. Gu?!"

Juanita was taken aback. She only saw someone beating her son just now, so she immediately rushed over to help. As a result, she was kicked as soon as she arrived, and she didn't even see Weiliang's appearance.

Now, listening to what the elder brother said, she hurriedly looked at him. This look immediately frightened her soul out!

d*mn!

Really the eldest master of the Gu family!

How strong is the Gu family! Even if the Dong family and the Kevin family are added together and multiplied by two, they may not be their opponents.

So, if Young Mr. Gu hits her son, isn't he just hitting him? What can she say?

But, what is going on? !

Didn't the son say that he finally invited the Gu family young master to join him today?

In this way, the relationship between the son and the Gu family eldest master must be like friends, right?

Then why did Young Mr. Gu beat him? ! It makes no sense!

So, she ignored the pain in her body, crying and begging: "Mr. Gu, Delon is your friend. Where is he not doing well, you should be more worried because of you are friends, and there is no need to beat him to death!"

Weiliang kept beating Delon on his hand, his palm was sore and his elbow cramped, but he still couldn't understand his hatred. He gritted his teeth and cursed: "This b@stard, dare to insult Mr. Marven, I f*cking smacked his face. It's all light, and I won't get rid of him if I kill him!"

"This this....."

Juanita asked eagerly and surprised: "Who is Mr. Marven, what is going on?"

Elsa also recovered at this time, and hurriedly came to Marven and begged: "Marven, please say something, don't let Young Mr. Gu continue to fight like this, it will kill him if they continue to fight like this... ."

Seeing Elsa's expression anxious, Marven knew that she was also concerned about her cousin, so he said to Weiliang, "It's almost done, don't fight anymore."

Weiliang was waiting for Marven's words.

Because he scolded at Marven by Delon's idiot incitation, he knew very well that if Marven was dissatisfied, he could not stop doing anything.

Seeing that Marven finally stopped, he was relieved, and kicked Delon to the ground, and cursed: "If Mr. Marven had not been merciful, I would have killed you!"

Chapter 1589

Delon had the desire to die at this moment.

He really couldn't understand what Marven had the ability to make Young Mr. Gu respect him!

Even if he is really a Feng Shui master, he can't give him such a face, right?

However, he did not dare to ask such a question.

After all, looking at it now, this Weiliang is really respectful to Marven.

His uncle on the side has already seen that Weiliang is not the most distinguished guest today, this kid with the name Marven is!

Therefore, he hurriedly said to Delon: "Delon! Don't you hurry up to apologize to Mr. Marven!"

Delon didn't expect that his uncle would even yell at him to apologize to Marven. This is really because his family is not toward him.

However, he counted that although he was upset with Marven in his heart, he didn't dare to make trouble with Marven at this time. He could only cry to Marven and said, "Mr. Marven, I'm sorry, I shouldn't scold you, and hope you as adult don't count the villains..."

Marven waved his hand: "These are trivial matters, and I don't take it to heart."

Delon breathed a sigh of relief instantly. He didn't expect that Marven was not a caregiver, so he hurriedly hugged Marven and said, "Thank you, Mr. Marven, you have a big heart!"

Marven waved his hand: "If you are polite, you don't have to say it. I won't care about the things you scolded me just now, but the bet between us is to continue. There is a good saying, gentleman. It's hard to chase the horse!"

"what?!"

When Delon heard Marven say that he wanted to continue gambling, his whole body instantly fell to the bottom!

Originally, he thought that Marven's folding fan must be an imitation bought from outside, and it could never be a genuine product collected by Chairman Gu.

Therefore, the price of this fake is naturally not much higher. No matter how good a painter is, it cannot be more expensive than the jade pendant prepared by himself.

However, it now appears that the situation has been reversed.

Because Weiliang, the young master of the Gu family, is so respectful to Marven, then this proves that Marven is definitely a very important person in the eyes of the Gu family!

That being the case, it is very possible that Philip really gave Marven the folding fan in his hand!

Someone said just now that Philip spent 48.88 million to procure this fan of Qi Baishi that year!

At this price alone, it is more than twice as expensive as his jade pendant!

What's more, the collectibles market has been soaring in recent years, especially the painting and calligraphy market. Qi Baishi's paintings are getting higher and higher prices, and they have rarely appeared on the auction market in recent years.

The reason is mainly because the price of Qi Baishi's paintings has risen too fast, and collectors hope to hold them for a period of time, and then sell them when the rate of appreciation temporarily slows down.

Therefore, at this time, the price of Qi Baishi's paintings will only be more expensive than in previous years.

If this fan is really put up for auction, it will be at least 60 to 70 million.

It is far more than his own jade pendant with a transaction price of 24 million.

Thinking of this, Delon was terrified.

Marven insisted on gambling, so as agreed, he would swallow this jade pendant as well...

Chapter 1590

But he just had an operation just because he swallowed a gemstone necklace some time ago!

If you swallow this jade pendant now, wouldn't you have to go for another operation? !

When he thought of this, he paled in shock immediately, crying and crawling in front of Marven, begging bitterly: "Mr. Marven, I really know that I was wrong, please forgive me this time, I just finished the operation some time ago, The wound has just healed, if I suffer it again, I am afraid I will die..."

Juanita, who was eager to protect the calf just now, already understood the situation. She knew that blindly looking at her son would be useless and would only annoy Marven and Weiliang, so she could only cry and plead: "This gentleman, I beg you, don't be familiar with my son, he is an unlearned dude, he has been punished last time, this time you let him go!"

Marven smiled and said, "It's not that I didn't let him go, but that he bit me so hard. He provoked the matter last time. It's the same thing today. He has to follow the bet, can you blame me for failing if you lose?"

Weiliang on the side also echoed: "d*mn, Delon, you bet with Mr. Marven, do you want to deny it if you lose? Okay, if that's the case, don't blame me for turning over and denying you!"

Delon waved his hand in fright: "No, no, I admit it! I admit it!"

At this time Delon has already seen the situation in front of him. If he doesn't recognize it today, Weiliang must just let him go. Maybe he won't be able to get along in Orgeyon in the future, and he may even hurt the Kevin family because of himself. And Dong's house.

Therefore, he can only honestly say: "I am willing to bet and lose..."

Having said that, he picked up the jade pendant and looked at it for a while, gritted his teeth, but was unwilling to swallow the jade pendant.

He knew exactly how painful it would be to swallow this kind of thing.

Juanita on the side was very distressed. She had witnessed how painful her son had been during the last operation and almost caused intestinal obstruction. How could he be willing to experience it again this time? !

Thinking of this, she hurriedly pleaded: “Young Mr. Gu, you have poor pitiful Delon. It hasn’t been long since he just had an operation, so he can’t do it again this time...”

Don’t look at Weiliang here urging Delon to be willing to bet and lose, but he really doesn’t know what exactly Delon bet with Marven. Hearing Juanita said that he would have another operation, he asked Delon in surprise: “You kid and Ye What kind of bet did you make?”

Delon replied tremblingly: “I...I...I bet with Mr. Marven that if the fan he takes is more expensive than the jade I bought, I will swallow the jade. in stomach.....”

Weiliang was taken aback and asked in surprise, “Your mother said you just had an operation. What’s going on?”

Delon had to bite the bullet and said: “Last time I was at Song’s house in Wrestvel, I also made a bet with Mr. Marven. I also lost that bet. Then I swallowed a string of gemstone necklaces, which were later surgically removed due to intestinal obstruction.”

Weiliang swallowed, horrified in his heart.

This Delon is too miserable, right? Even swallowed a string of necklaces...

And this time, I have to swallow a jade pendant...

Although Weiliang is not a good person, nor a kind, but when he hears such things, he can’t help but sympathize with Delon in heart.

It’s not good to provoke Marven?

Who is Marven?

Don’t talk about you, the God of War was in front of him, and he was crushed into a baby boy in an instant.

I am the d*mn young master of the Gu family, Orgeyon’s well-known diamond king, nicknamed “Orgeyon Humanoid Driver”, it is windy and suave, and almost no one dares to mess with it in Orgeyon.

Didn’t Marven make him lose his fertility and be beaten into a dog? In the end, he had to kneel down for Marven to beg for forgiveness.

Just like that, let alone a b@stard from a second-rate family like you!
