

## The Amazing Son In-Law Chapter 1891-1900

### Chapter 1891

The clerk was questioned by Cynthia, and she didn't know how to reply.

She knew very well in her heart that the boss meant that she would never treat guests this morning, so she couldn't let anyone in.

So she hurriedly said: "I'm sorry, Ma'am, we really don't treat guests in the morning. Ms. Viola made an appointment in advance, so I'm sorry."

Cynthia almost exploded in anger.

She condescended to come to this kind of shabby beauty salon. It is like a phoenix coming to the chicken coop. Didn't expect that this chicken coop would not let her enter? !

She immediately furiously said: "Don't let me in, right? Believe it or not, you won't have to do this in the future?!"

The clerk suddenly didn't know what to do.

She could also see that Cynthia's dressing was no ordinary person at first glance. If she really angered her, it might cause trouble.

So she could only say respectfully: "Sorry, ma'am, wait a moment, I will ask our boss for instructions."

Cynthia waved her hand in disgust: "Move faster, I have very limited patience!"

The clerk hurried to the boss's office. The boss was already in his office at this time, picking up valuable items.

He intends to help Jay this time. After earning Jay's 200,000, he will immediately prepare to run away and vacate the shop tonight. If this is the case, when members of the shop arrive tomorrow, they will find the courtyard is empty.

This is also the usual routine for most gyms and beauty salons to run away, taking advantage of people's unprepared feet to apply oil, so that all members who have been fooled into applying for a stored-value card are caught off guard.

The clerk entered the office and hurriedly said: "Boss, there is another woman outside. She has to come in! I can't stop her, go and see!"

When the boss heard this, he frowned and asked, "What woman? Didn't you tell her not to treat guests in the morning?"

"Said it!" the clerk said aggrievedly: "I told her several times, but she insisted that the guest named Viola came in, why can't she enter..."

The boss suddenly became nervous: "Does she know Viola?"

"I do not know either....."

The boss thought for a moment, and said: "Okay, I'll deal with her and see what she wants to do."

After speaking, he got up and came out of the office, all the way to the front desk.

Seeing Cynthia, the boss also saw that this woman should have a lot of background, and he was even more nervous.

So he hurriedly stepped forward and asked, "Hello Ma'am, don't know what your needs are?"

Cynthia said coldly: "Your store is open, why don't you let people in? What do you mean by not serving guests in the morning?"

The boss chuckled and hurriedly said: "It's true that we have guests booked a full set of care in the morning, so it is not convenient to treat guests again. If you come in the afternoon or tomorrow, I will arrange the best massager to serve you!"

Cynthia said disdainfully: "Stop this set with me, I didn't come to your ruined place to consume!"

The boss frowned: "If you don't come to consume, what are you doing here?"

## **Chapter 1892**

Cynthia said, "I'm here to find Viola, who just came to your place for care. I have something to talk to her in private."

As soon as the boss heard that she was not for consumption, he darkened his face and said annoyed: "If you are not for consumption, then please go out. If you are looking for someone to discuss matters, you must find another place. I don't provide such services."

Cynthia winked at the bodyguard, and the bodyguard immediately took out 50,000 in cash from his small suitcase and patted it on the counter.

When the boss saw the money, his attitude became flattering again, and he smiled and asked, "Ma'am, what service do you want me to provide you with?"

Cynthia said coldly: "Take me to see Viola. I want to chat with Viola in private. It won't be too long, at most half an hour. During this half an hour, no one is allowed to bother me. , This fifty thousand is your reward, do you understand?"

When the boss heard this, he thought to himself: "Jay asked me to give that Viola some sleeping pills. After she is asleep, Jay would take her away secretly. Now he has killed the eldest sister halfway and has to talk to Viola. It sounds like a good deal for an hour, and then give 50,000. As long as he let Jay wait for half an hour, wait for the older sister to talk to Viola and leave, then give Viola sleeping pills?"

Thinking of this, he immediately agreed with a smile: "It's easy to talk about! Isn't it half an hour of private time, no problem, Ms. Viola is taking a bath, you can wait in the spa room first."

Cynthia nodded and said to the bodyguard, "Come with me."

"Hey!" The boss said hurriedly, "We are a female-only club. Members wear very casually here, and sometimes they don't even wear clothes. Even my boss can't enter the private service area for members. You can't take this gentleman inside!"

Cynthia didn't think that an ordinary beauty salon would be dangerous, so she said to the bodyguard, "You are waiting outside."

The bodyguard nodded slightly.

Today, Cynthia's whereabouts were made on a temporary basis, and there was no suspicious person following along the way, so in this case, there was basically no possibility of encountering danger, so she didn't care too much.

The bodyguard waited at the door, and Cynthia said to the boss: "Can you take me in now?"

The boss smiled and hurriedly said, "Let our clerk take you in. I can't get in either."

"Good." Cynthia nodded, and followed the clerk into the beauty salon.

The apartment of this beauty salon is relatively deep, with the front desk and lobby outside, and then the bathing place through the promenade, and then the spa room is going deeper.

The reason why the spa room is placed in the deepest part is mainly that the guests who come to the spa for complete relaxation and are very resistant to noise. If it is too close to the outside and close to the road, the vibration and horn sound of passing cars will be very obvious.

After Cynthia followed the clerk through the deep corridor, she came to one of the spa rooms.

The clerk respectfully said to her: "Hello, madam, please wait here for a while, and I will bring her here after Ms. Viola comes out."

Cynthia gave a hum, took out 10,000 in cash from her limited Hermes backpack, handed it to her, and exhorted: "Don't tell Viola I'll wait for her here, just bring her in, understand?"

The clerk happily accepted the ten thousand, and said excitedly: "Don't worry, I won't say it!"

"Yeah." Cynthia nodded: "You go out first."

"OK, lady."

After the clerk went out, Cynthia frowned and looked at the environment in the room, frowning in disgust.

She took out a cheque written a long time ago from her bag. The amount on the cheque was one billion, which she planned to use to buy Viola.

However, the more she looked at the low-end environment of this beauty salon, the more she sighed in her heart: "This Viola would actually come to this place to do a spa. She must be a bun who has never seen money. Give her a billion. It is too much!"

### **Chapter 1893**

Thinking of this, Cynthia stuffed the one billion check back into her wallet.

She felt that if she wanted to buy a cheap woman like Viola, one billion would be taken advantage of, and one billion was a lot.

As a result, she took out the checkbook again and temporarily wrote a check for 100 million.

She planned to take this one-hundred-million-dollar check directly in a while to entice Viola to go home and force her daughter to divorce Marven. In this way, her mission to Wrestvel this time would be half completed.

After writing a check for 100 million, she took out a Hermès silk scarf from her bag and placed it on the sofa before sitting down.

At this time, Viola was still soaking in the bathtub.

In fact, she had washed it a long time ago, and the reason why she still didn't want to soak it out was mainly because she felt that the milk petal bath should have a good moisturizing effect on the skin, so it's better to soak for a while.

And Jay and Noah, at this time, had already brought a few young men who were still alive and drove a large van to the back door of the beauty salon.

Jay took out the phone, called the boss, and asked, "Brother Baidel, how are things prepared? Have you fainted Viola? I'm just waiting at the back door!"

The boss thought to himself: "I haven't made the extra 50,000 yet, so I have to wait for my 50,000 to be safe before doing it!"

So, he said to Jay: "Jay, wait a moment, that Viola is taking a bath, there is a bit of ink, but don't worry, I will have the water with the added ingredients ready for her. After the bath, find a chance to let her drink it, and you will wait patiently for my notification. Once she faints, I will call you. Then you can just come in and do your thing!"

As soon as Jay heard this, he immediately smiled and said, "Brother Baidel, you are still reliable! Okay! In that case, I'll wait a while, and you will notify me immediately if it's done."

"Okay, just wait for me!"

.....

Viola soaked for another ten minutes, feeling that the skin on her body was a little pale because of the blisters, and then she came out of the bathtub reluctantly.

After she came out, she immediately rang the service bell, and the clerk who had received her hurried in with a clean bath towel in her hand.

She helped Viola wrap the bath towel and asked diligently: "Madam, do you need to wear disposable underwe@r? I will open the package if necessary."

As she said, she added: "All our massagers and service staff are women. It doesn't matter if you don't wear them."

Viola thought for a while and said, "I'd better put it on. After all, this is not a bathhouse. It's too awkward to be alone."

The clerk nodded and quickly took apart the disposable underwe@r for her to wear, and prepared another bathrobe for her. After Viola put on the bathrobe, she was led to the spa room.

Opening the door, the service staff said to Viola: "Miss, please come in."

Viola nodded, and when she stepped through the door, she found a beautifully dressed woman sitting on the sofa in the room, and asked the clerk with some dissatisfaction: "This is your massager? This fancy suit is too exaggerated. Right? There are so many decorations on her body, making it look like a mannequin in a jewelry shop. What if she accidentally scratched me?"

Cynthia must be angry at this.

Secretly cursed in her heart: "The f\*cking bun, said I am wearing fancy clothes, said I am pompous?!"

#### **Chapter 1894**

The clerk was also embarrassed at this time. Looking at Cynthia, she didn't know how to introduce Viola.

Cynthia frowned, and said in a very arrogant tone to the clerk: "Okay, you go out first, I'll talk to her."

The clerk immediately left the room as if she was getting amnesty, and closed the door behind her.

Viola looked at Cynthia warily, and asked coldly, "Hey, who are you?"

Cynthia said lightly: "You don't deserve to know who I am."

Viola suddenly sipped: "You babble! The smelly Old Lady, what kind of big-tailed eagle is here with me? Dressed in colorful, d\*mn United, and carrying a fake Hermes, it's not you who are awesome here?"

Cynthia suddenly shouted angrily: "What are you talking about?! It is a catwalk coat customized by Chanel's top designer! My Hermes is also the top limited edition! The clothes I wear are worth at least 50 million!"

Viola disdainfully said: "You f\*cking pretend to impress me, if I am a bunny who has never seen the world? Just your broken Hermes, and mother dare to say that it is a limited edition. Tell you, I am the one who uses the real products!"

As she said, she immediately took out the Hermès backpack she had placed in before taking a shower from the locker, hung it on her arm and stretched it out in front of Cynthia, and said pretentiously: "Open your dog's eyes, This is the real Hermes, simple and atmospheric, understand?"

Cynthia glanced at Viola's Hermes, and suddenly she burst into laughter.

Seeing her smile, Viola couldn't help but sneered: "What? You don't dare to pretend to be impressed when you see the real Hermes, right?"

Cynthia sighed, and sneered: "I know what is poor, so you are called poor!"

As she said, her eyes were full of contempt and said: "Do you still dare to show off in front of me with the most basic entry-level Hermes?"

Immediately, Cynthia picked up her Hermes, and sneered: "Open your dog's eyes and see it clearly, this Hermes, can buy more than 100 of those!"

"fck your mother's old mule!" Viola said in disgust: "You fcking boast that you won't be taxed. Listen to what you mean, do you earn 10 million Hermes?"

Cynthia sneered: "15 million!"

Viola curled her lips: "I really don't know where the dead Old Lady came from. I chop you up and sell you by a kilogram. You are not worth 15 million! Are you still here to pretend to be my grandma? Get out of here. Don't f\*cking delay my spa!"

When Cynthia heard this, her whole body trembled with anger, and she wished to slap Viola immediately to give a lesson to this unseen turtle.

But after another thought, I came here today, not because she is more expensive than her Hermes, there is still business to be done.

So she gritted her teeth and waved her hand: "Okay, Viola, I won't talk nonsense with you anymore. It's meaningless. I came to you this time because I wanted to make a deal with you."

"Doing business?" Viola frowned, "I have nothing to do with the fake Hermes like you, so get out of here!"

Cynthia pressed his anger and said coldly: "You might as well listen to me first. I am looking for you this time for one purpose. You go back and get your daughter to divorce Marven. If you promise me, this check will be yours."

After that, she handed the one-billion-dollar check to Viola, and said proudly: "This check is worth 100 million. As long as you promise me, you can take the money first!"

Seeing Viola's expression stunned, Cynthia sneered again, and said in a condescending tone: "But Viola, listen to me. Since you have taken my money, you must do what I explain! Otherwise, I will not only let you spit out this money a lot, and it will cost you a huge price!"

### **Chapter 1895**

Viola looked at Cynthia dumbfounded, and blurted out unbelievably, "What are you talking about, this check is worth 100 million?!"

Seeing her surprised look, Cynthia sneered, and said sarcastically: "Look at the way you have never seen the world, Citibank cash check! Haven't you seen it? If you think of someone like you, you won't have the chance to see it in your life. Such a large cash check!"

Viola's whole expression immediately became uncertain.

Cynthia thought she completely shocked Viola, and smiled satisfied.

She held the check in her hand and slapped it a few times, and smiled arrogantly: "Do you want this check? If you want, just listen to me and persuade your daughter to leave Marven!"

Viola's expression suddenly became a little annoyed.

Cynthia hasn't figured out how this woman's expression has become so fast.

Viola suddenly stretched out her hand and snatched the check over, took a close look in front of her, and then angrily tore the check into pieces!

Cynthia was dumbfounded. She saw Viola tear her one hundred million check into shreds, and immediately said in her heart: "It seems that I have underestimated this stinky lady! She tore the check even if she said it, it seems that her appetite is not small!"

At this moment, when Cynthia saw Viola staring at her with an extremely angry look, she gritted her teeth and said: "Okay! One hundred million is too small for you, yes! As long as you obediently listen to me, let your daughter and Marven divorce. After the formalities are completed, I can give you 200 million!"

After all, she immediately took out the checkbook from Hermès' bag, took off the pen cap, and said coldly: "You think about it. If you want, I will write you a check now!"

When Cynthia said this, she thought to herself: "Viola is nothing but an old hat in a small city. Don't look at you in a villa of Tomson, but you must be a stinky silk who has never seen a lot of money. A billion is in front of you, I don't believe you will refuse!"

Thinking of this, Cynthia suddenly saw a flower, and in the next second, a sharp pain came from her left cheek!

"Snapped!"

It turned out that Viola directly raised her hand and slapped Cynthia severely!

Cynthia has never been beaten in her entire life, and never dreamed that she lived more than 40 years old. The first slap in her life was actually beaten by a s\*umbag!

She immediately felt a burst of anger rush to her head!

Staring at Viola, she yelled hysterically: "B!tch! Are you f\*cking crazy? Dare to beat me?! Do you know who I am?"

As soon as the voice fell, Viola came up directly, kicked her chest, and kicked her directly from the back of the sofa!

Although Cynthia is not a good person, she is also an intellectual.

Although she was proud and bullied others all her life, she basically was never bullied with violence to this level.

Therefore, Viola suddenly moved her hands, and she suddenly had no resistance!

Seeing being knocked to the ground by Viola, she struggled to get up and cursed with a disheveled hair: "Viola! Are you fcking sick?! I am giving you money, if you fcking don't, there is no need to do it with me." Don't you f\*cking understand the truth that a gentleman speaks but doesn't use his hands?!"

Viola gritted her teeth and cursed: "What a f\*cking gentleman who talks but doesn't do anything? Since you dare to give the dead man the paper money to fool me, why can't I beat you like this! I will not only beat you today, I want to kill you!"

Cynthia was almost blinded at the moment.

She yelled hysterically, "What the hll are you doing?! I gave you a cash check from Citibank! You can hear clearly, it's Citibank! Even if you fcking have never seen the world, at least have some basic common sense!"

### **Chapter 1896**

"fck you!" Viola rushed over in a rage, and rode directly on Cynthia's stomach. With her big mouth bowed from side to side, she flicked towards Cynthia's face and cursed as she slapped, "You fcking treat me as a fool. I have been fooled like this once, you f\*cking dare to cheat me again!"

At this moment, Viola thought in her heart that Dave was hospitalized in the hospital. She wanted a check for her daughter Avella's check-out rent. After Marven handed the check to her, she took the check to pay for the hospitalization.

Unexpectedly, the denomination of that check turned out to be 100 million!

At that time, the hospital cashier ridiculed her and threatened to call the police to catch her.

In the end, she went back to Marven to settle the accounts in a rage, only to realize that Marven had bought the check from the funeral store and planned to burn it to his deceased parents.

Therefore, Cynthia now also took out a 100 million check, which looks almost exactly the same as Marven's 100 million check at that time.

In this case, of course she was furious!

What's more hateful is that this d\*mn Cynthia has been repeatedly emphasizing Citibank in front of her!

In this life, Viola hated Citibank the most!

Because for her, the worst experience in her life was caused by the fake black gold card of Citibank.

After that, she was put in a detention center, and was abused by Mrs. Xiao, Theresa, and the big and rough Gena for several days.

Those just a few days were definitely the black hole of Viola's life.

Therefore, when she saw that Cynthia not only cheated her with a cheque of 100 million from the dead, but also dared to use Citibank to chirp here, she was already angry!

Cynthia was dizzy and nauseous when she was beaten at this time, and her cheeks that Viola beat back and forth were red and swollen, and the pain was unbearable.

Although she screamed, her bodyguard was outside the gate at this time and couldn't hear the movement so deep inside, so he couldn't help her at all.

Even though Cynthia was beaten very dumbfounded, she knew very well in her heart that now it is idiotic to get his mobile phone and let the bodyguard come in to rescue him, so he can only fight with Viola! ?

As a result, she suddenly stretched out her hand to grab Viola's hair like crazy. After grabbing a lock of Viola's hair, she yanked her desperately!

Viola didn't expect her to be beaten by this woman all of a sudden, and as a result she attacked her hair!

Suddenly, she felt a sharp pain in her hair, which made her scream several times, and she was desperately trying to beat Cynthia with her hands.

While beating and cursing: "Silly idiot, you dare to pull my hair, I fight with you!"

Naturally, Cynthia was not to be outdone. With that strand of hair in her hand, he desperately tore, and directly tore all that strand of hair from Viola's head!

This time, Viola covered her head in pain and yelled. Cynthia saw that this was an opportunity, and directly pushed Viola to the ground, and then rushed up, riding on Viola's stomach, facing her face for a while!

“Even I dare to fight, I f\*cking kill you shrew!”

Cynthia was mad at this moment. If she were given a knife, she would be able to kill Viola on the spot.

At this moment, the waiter outside heard the movement and ran over in a hurry, opened the door to see, and was shocked immediately, so she hurried to the boss’s room, opened the door and panted and said, “Boss, no... ..Not good! Then...the two women...in the room...fight...fighting...”

### **Chapter 1897**

As soon as the owner of the beauty salon heard that the two women were fighting, he became angry.

“d\*mn, aren’t friends chatting? Why are they fighting?!”

The clerk hurriedly said: “don’t know, it’s a terrible beating. If you don’t check it again, one will probably kill the other!”

“f\*ck!”

The beauty salon owner was nervous.

He hasn’t run away yet. If something goes wrong at this time and the police are brought in, it will be a big trouble.

So he hurried to check the situation. Before he got there, he heard that one is being beaten to death.

Viola was yelling through the door: “d\*mn, stinky girl, I can’t cure Gena’s big fat pig, and he can’t cure you?!”

Cynthia obviously took the advantage, gritted her teeth and cursed: “You wait! I’m definitely not going to make you feel better! I won’t let you live to see the sun tomorrow!”

“Snapped!”

Viola slapped Cynthia’s face again: “That broken mouth, why the f\*ck is forcing me to talk, see if I won’t tear your mouth for you!”

The owner of the beauty salon opened the door and took a look, but was frightened by the two women with blood on their faces and quickly closed the door.

He muttered nervously in his mouth: “No way, no way! If you continue to do this, you must die!”

After speaking, he immediately ran to the back door, and when he pushed the door, he saw a van parked upside down at the door, with the trunk entrance facing the back door.

So he hurried to the co-pilot and took a picture. Jay put down the car window and asked excitedly: “Brother Baidel, has that stinky Viola fainted?”

The owner of the beauty salon said anxiously: "Fat! she fought with a woman inside. If she continues to fight, she will kill people. Go in and take them away!"

Jay asked in surprise: "What's the situation?! Has she started fighting? With whom?"

The owner of the beauty salon was a little guilty, but didn't mention a word about the fact that he charged Cynthia. He said hurriedly: "don't know who the h\*ll is, you quickly take the person away, otherwise it's all be over if something happens! I'm going to die, and you are going to die!"

Upon hearing this, Jay hurriedly led a few young people out of the car.

A crowd of people, led by the owner of the beauty salon, swarmed to the door of the spa room. Before opening the door, they heard the mess inside.

Jay kicked the door open. Seeing Viola was riding on a woman with a bloody face and beating her, he immediately said to a few people around him: "It's the woman above, grab her and take her into the car!"

Viola turned to find Jay, and suddenly shouted in panic: "Jay! What do you want to do?!"

Jay grinned and said, "aunt, you spent so long with our family and sent Mom to the black coal kiln. Now is the time to pay a price!"

After speaking, he waved his hand, and several people around him immediately rushed over and tied Viola up.

Cynthia didn't know what was going on, but when someone started to arrest the woman who had been beating her, she was finally relieved and angrily cursed: "Viola, I am going to break you into pieces! Wait! "

As Cynthia spoke, she reached into Hermès' bag and fetched her phone.

Seeing this, Jay hurriedly scolded: "d\*mn, you still want to call?! Put the phone down for me! Otherwise, don't blame me for being impolite!"

Cynthia looked at him and blurted out: "This matter is my personal grievance with Viola, don't worry about it! Give Viola to me, and I will give you a satisfactory reward!"

Jay exploded immediately.

### **Chapter 1898**

He thought to himself: "Is this woman mindless? Give Viola to her? How can our family explain to Mr. Regnar? Besides, I don't care how you appeared here today, since you and Viola When they got together, in order to avoid problems with kidnapping Viola, then I can only take her away!"

So he ignored Cynthia and said directly to the young people: "Tie up this woman and take her away!"

When Cynthia heard this, she shouted angrily: "Tie me?! Do you know who I am?!"

Jay said in disgust: "I don't bother to know who you are. When you and Viola go to the brick factory to burn bricks, tell Viola who you are!"

After speaking, he said to the few people: "Give me both of them!"

Cynthia said hysterically: "You dare to move me, I'm Ye...oo..."

Before Cynthia could say the rest, her mouth was tightly gagged with a towel.

The end of Viola was the same. After being gagged, Jay immediately said to them: "Hurry up and get people in the car!"

Several people immediately took Viola and Cynthia, walked out the back door quickly, and stuffed them into the carriage.

Jay said to the owner of the beauty salon at this time: "Brother Baidel, I advise you to withdraw as soon as possible and don't spend an extra moment here."

The owner of the beauty salon said: "No, I still have some second-hand equipment and furniture waiting to be processed!"

Jay asked him: "How much money can it be worth just such a little second-hand tatter?"

"It's worthless, but it's better than a lot of things. If you sell it, you can sell it for ten or twenty thousand."

Jay said hurriedly: "You quickly pull it down! How long do you have to spend on this 20,000? In case it is for such a small amount of money, and you finally want to run away, then you will lose out. ! So I advise you to leave now! After I am gone, you should withdraw from the back door quickly!"

The beauty salon owner thought carefully: "Yes... the woman who came to Viola just now has a companion, but that companion is waiting outside at this time, and now she is taken away by Jay. The other party can't wait for anyone, and it will take half an hour, and he will definitely come in to see what happens. Isn't it a bad thing?!"

Thinking of this, he lost his heart. Anyway, he earned 200,000 from Jay, and another 50,000 from Cynthia, which is already a lot of money. If he doesn't run away now, if he can't get away. Regret no tears!

So he hurriedly said to the clerk: "Go and say hello to the massager, pack things up and leave in five minutes!"

The clerk nodded busy: "OK, boss!"

Soon, the van that Jay found, carrying Viola and Cynthia who were tied up by the five flowers, quickly left the back door of the beauty salon.

Within a few minutes, the owner of the beauty salon also took clerk and a massager, with large and small bags of soft luggage, and sneaked away through the back door.

At this moment, Cynthia's bodyguard was still standing beside the Rolls-Royce on the roadside, waiting for Cynthia to come out.

How did he know that Cynthia was actually kidnapped in this ordinary beauty salon...

Twenty minutes passed, and Cynthia hadn't come out yet. The bodyguard took out his cell phone and planned to call Cynthia to ask.

At the same time, the van was driving outside the city.

Jay was sitting on the back seat with a smug look, while Viola, who was heavily tied up, was lying at his feet.

He deliberately stepped on Viola's face with his feet, and sneered: "Viola, you didn't expect it, you will have a f\*cking day today!"

Viola was speechless, so she could only whimper a few times.

At this moment, in Cynthia's bag next to him, the phone rang suddenly!

#### **Chapter 1899**

Cynthia's cell phone ringing shocked Jay.

He hurriedly reached out to Cynthia's bag and took out an Apple mobile phone.

Seeing someone calling her, he immediately turned off the phone without saying anything, and threw it back into Cynthia's bag.

Although Cynthia whimpered for a while, but there was nothing to do, and the intestines that she had regretted long ago were blue.

She thought to herself, "Isn't it the bad luck that I did? What am I doing with this Viola? If it wasn't for her, I wouldn't be kidnapped by this group of people!"

However, regret at this time has no meaning. Although she is the eldest daughter of Elder Ye, at this moment, she is also called every day to refuse, and the ground is not working.

At the same time, at the entrance of Lizi Beauty Salon.

Cynthia's bodyguard found that his master refused to answer his phone.

He didn't think much about it at first thought. After all, he knew that Cynthia was here to talk to Viola. Maybe it was inconvenient to answer his phone at the critical moment of negotiation.

However, in order to be sure that he was foolproof, he called Cynthia again. Unexpectedly, after the call was made, the phone turned off!

This moment made the bodyguard nervous!

In today's society, mobile phones are very important to anyone. Therefore, Cynthia's mobile phone has hardly ever been turned off during the day.

He immediately noticed something abnormal, so he immediately said to the driver: "Follow me in and have a look!"

The driver was also one of Cynthia's bodyguards. He immediately got off the Rolls-Royce and rushed into the beauty salon along with the bodyguards who had been guarding the car.

As soon as they entered the beauty salon, the two realized that something was wrong!

The clerk was not there, and it was a bit messy inside, obviously showing signs of hastily turned over.

So they searched from room to room and found the spa room where Cynthia and Viola had been fighting before.

When they saw the house full of mess, blood, and a lock of long hair on the ground, the two of them shook their hearts and looked at each other, and they could see the despair and collapse in each other's eyes!

On the sofa, there are silk scarves left by Cynthia!

From the scene, it can be easily seen that Cynthia was kidnapped!

The two bodyguards suddenly felt thunderous!

They were ordered to protect Cynthia's personal safety. They should have used their lives to defend Cynthia's safety, but they didn't expect Cynthia to be kidnapped right under their noses!

One of them desperately said: "It's over! This is over! The protector is not strong, this is a capital crime!"

The other person was equally desperate and collapsed and said, "This...this shouldn't be! Missy decided to come to see that Viola temporarily today, so it is impossible to reveal any whereabouts in advance, and our way is not. Without being followed by anyone, who would take her against her, this is not logical!"

"Oh, you don't care about what is reasonable or unreasonable. The top priority now is to find the eldest lady! Let's call Zak Chen as soon as possible! Wrestvel is his site, he must be better than us!"

"It makes sense!"

As the man said, he immediately took out his mobile phone and called Zak Chen.

Zak Chen was in the hospital at this time, visiting the employee who miscarried because of Cynthia.

Cynthia's kick not only kicked the female employee's child, but also caused the female employee to cause a severe bleeding. Fortunately, the rescue was timely and she was temporarily out of danger.

Zak Chen hated and angered at the thought of Cynthia's arrogance and domineering, but as a servant of the Ye family, he had no right to point fingers at her anyway.

### **Chapter 1900**

Therefore, he can only comfort his female employee and let her cultivate her body at ease.

After coming out of the ward, Zak Chen sighed, wondering when the grandmother Cynthia could leave when the phone suddenly rang.

The person who called was Cynthia's bodyguard.

Zak Chen answered the phone: "Hey, this is Zak Chen."

The nervous people on the other end of the phone almost cried, and choked up: "Mr. Zak Chen, something has happened, Mr. Zak Chen!"

Zak Chen frowned and asked, "What's the matter? What is such a fuss for?"

There was a shivering voice and said: "Zak Chen...Mr. Zak Chen, the eldest lady...she...she is kidnapped!"

There was a buzz in Zak Chen's mind!

What do you mean?

Cynthia was kidnapped in Wrester?

Who is so bold that even they dare to touch the Ye family?

So, he hurriedly said, "Don't worry, let me know the matter clearly after the first five to ten!"

The other party hurriedly said, "Today the eldest lady is looking for a woman named Viola to talk about something, so we accompanied the eldest lady to a beauty salon and met with that woman..."

"Unexpectedly...the two of them disappeared in the beauty salon together, and even the clerk and boss of the beauty salon are missing..."

In the next moment, he immediately thought of Marven.

He knew that Marven had a big quarrel with Cynthia in the Hanging Garden, and the two sides must have been very uncomfortable, so it might really be Marven's hand.

So he hurriedly called Marven and asked as soon as he came up, "Master where are you?"

Marven said lightly: "I'm at home, what's the matter?"

Zak Chen said nervously, "Master did you tie up Miss Cynthia?"

Marven frowned: "No, I don't even bother to see her, why would I tie her up? Why, she is kidnapped?"

Zak Chen was surprised: "Ah? You didn't do this thing?! That's bad! This is really going to happen!"

Marven asked, "What the h\*ll is going on?"

Zak Chen blurted out: "Miss Cynthia went to the beauty salon to see your mother-in-law, and said she was going to talk to your mother-in-law in person, but she suddenly disappeared and disappeared from the beauty salon!"

Marven was shocked, and hurriedly asked him: "What about Mother-in-law? Missing too?! Do you know what she said to Mother-in-law?!"

What Marven feared most at this time was that Cynthia would reveal his identity in front of Viola.

Now, the Su family is the enemy he must get rid of, and the Ye family does not know whether it is an enemy or a friend. It is very likely that the two top Orgeyon families are his enemies. If his identity is revealed, they will be exposed to those around them. Brings a lot of danger.

Before these things were resolved, he was not going to tell Avella his identity.

However, if Cynthia and Viola show up, then he won't be able to hide...

Zak Chen also heard that Marven was a little nervous about this matter, and hurriedly said: "Master don't know the specific situation now. don't know what Miss Cynthia and your mother-in-law talked about. Now they are both kidnapped. We have to find them first!"

Marven nodded, and said, "You call Orvel. His subordinates are scattered all over Wrestvel and have many eyes and ears. For this kind of thing he should be able to find a clue!"
