

## The Amazing Son In-Law Chapter 2001-2010

### Chapter 2001

Mrs. Xiao had never been so happy to shake her whole body for a meal.

According to the foreman, she had been busy in the supermarket, and at seven o'clock in the evening, she finally received the meal coupon she was thinking of.

Although she had already had a full meal at noon, Mrs. Xiao still looked like a hungry dog that had been confined for three days with this meal in the dining hall. She had a big belly and couldn't stand up.

She couldn't eat anymore. She rested on the canteen seat for half an hour before she stood up reluctantly with her hands on the table.

After eating and drinking, the whole person has energy.

Mrs. Xiao wiped her mouth with the back of her hand, and touched her belly with the palm of her hand, feeling satisfied with herself: "Unexpectedly, eating after this labor is so delicious! Today I had enough to eat!"

Immediately, she checked the time and realized that it was already past eight o'clock, so she planned to go home quickly.

Although she has always been selfish, after experiencing all the hardships and difficulties during this period, she has more or less cared about her children and grandchildren.

Thinking of her son and grandson still lying in bed waiting to be fed, Mrs. Xiao hurried to the cafeteria window and asked the staff member who was about to leave work: "Excuse me, do you still need these leftovers, steamed buns, and rice?"

The other person looked at her and said helplessly: "Isn't it, old lady, you have eaten three people's meal alone, and you haven't eaten enough?"

Mrs. Xiao wiped her mouth in embarrassment and said with a grin: "Hey, I'm full and the children in the family are still hungry. Do you know, they haven't eaten anything for almost two days and nights."

The other party asked in surprise: "Really? When is there still someone who can't eat?"

Mrs. Xiao had a hot face and said embarrassedly: "Hey, something happened to my family during this period of time. The eldest daughter-in-law in the family has breast cancer. It is found to be at an advanced stage. The ball is about to die, my eldest son spent all the money at home in order to treat her illness..."

With that said, Mrs. Xiao suddenly felt very refreshed in her heart.

It's really cool!

She had long seen Horiyah not pleasing to her eyes. If Ragnar hadn't stopped her, then she herself would have wanted to beat Horiyah to death.

Especially recently, Horiyah has disobeyed her in various ways and even forced her to work. She has long hated her for this in her heart.

Therefore, in front of others, fabricating the rumor that Horiyah was dying of breast cancer made her feel the pleasure of revenge.

When the staff in the cafeteria heard this, they suddenly exclaimed: "Huh? Advanced breast cancer, that would be too miserable..."

"That's not a big deal!" Mrs. Xiao sighed, "Hey... My eldest daughter-in-law has advanced breast cancer, and my second daughter-in-law is even more miserable!"

The staff member hurriedly asked: "Lady, what happened to your second daughter-in-law?"

Mrs. Xiao said with regret: "Second daughter-in-law has uremia and lives on dialysis all day long. However, on the way to the hospital for dialysis some time ago, she was hit by a car, and her limbs are amputated under her a\$\$. "

The staff were scared and stupefied: "Is this... not so miserable?"

Mrs. Xiao said with a face: "What's this? What's worse is yet to come!"

The staff asked: "What could be worse?"

Mrs. Xiao said with emotion: "My second daughter-in-law, she had to go to the hospital for dialysis if her leg was gone. It was miserable, but she got a stroke again. Now she has a crooked mouth."

When talking about Viola, Mrs. Xiao felt more resentful in her heart.

## **Chapter 2002**

She wished that Viola was really as miserable as the one she arranged! She even hopes that the more miserable she is, the better!

However, the staff did not know that she was just talking about it.

The staff felt that normal people, who would curse their family members out of nothing? So what the old lady said must be the truth.

So she said with great sympathy: "No wonder you at this age still come out to work. It's really not easy for you to have things like this one after another at home!"

As she said, she continued: "Lady, we have seven or eight buns left here, almost four rice, and some leftovers. Do you have a lunch box? I'll pack it for you and you can take it home!"

Mrs. Xiao was very excited, but she still suppressed her ecstasy, and said with a melancholy expression: "How can I have a lunch box... My daughter-in-law is dying, I can't afford that stuff." .....

With that said, the old lady saw the plastic bag hanging on the side of the counter, and blurted out: "Why don't you do it, big girl, you put all the leftovers in plastic bags for me, I'll take them home."

The staff nodded hurriedly and said, "I'm fine, as long as you don't dislike it!"

Mrs. Xiao hurriedly said: "Don't dislike it, there is no such thing!"

Soon, the staff took out the leftovers for Mrs. Xiao, and packed four large plastic bags.

She felt a little regretted when she got started, thinking: "With so many leftovers, it's too damn heavy! How can I carry it back?"

But then she thought about it: "No, I have to take everything. With this food, the family can last for at least two days, otherwise, what is enough to rely on the one hundred earned today?"

Thinking of this, she could only thank the staff, and gritted her teeth and took the four big bags of food home.

On the way back, Mrs. Xiao was not willing to take a taxi.

It takes a lot of money to take a taxi home from here, and the one hundred she made for a whole day of hard work, maybe half of it will be lost to a taxi.

After much deliberation, it is better to take the bus.

So, she bought two ham sausages at a roadside store, thinking about using ham sausages to make up for Noah and Jay, just to give the change to take the bus driver.

On the bus, other old people swiped their old people's card to ride for free. Mrs. Xiao didn't have one, so she could only put a dollar in the coin box.

In fact, she had known for a long time that when the elderly with local household registration reached 65 years of age, they could go to the civil affairs department to get a free bus ride for the elderly.

However, Mrs. Xiao never took the bus when she went out. She had a full-time driver with a dedicated car. At that time, how could she deserve the free bus card for the elderly?

For her at that time, let alone using this card, even if it was used, it was a shame.

But now she regrets it, and at the same time she muttered in her heart: "It seems that after the Chinese New Year, when people go to work, I should hurry to get the card for the elderly, so at least I don't need to pay the bus and save some money each day. This way I can save a lot in one month!"

Carrying a few large bags of food, Mrs. Xiao finally returned to the Tomson Villa.

Walking into the entrance of Tomson, when she was about to brush the gates, a well-dressed middle-aged woman pinched her nose and shouted at her: "Where is the old lady? Coming here with a swill? Do you know what this is not such a place? This is Tomson! You can't afford to buy any house here for several lifetimes!"

Mrs. Xiao was vomiting blood tiredly. Seeing a woman who had popped out from somewhere, she yelled at her, and suddenly cursed: "Fck your mother! Do you know where the old mother lives? I live in villa a04! If you look at your bird, it looks like a pheasant, and I think you live on the outer flat floor at most!"

As soon as the woman heard this, she rushed in angrily, slapped Mrs. Xiao directly, and cursed: "Dead old lady, the old lady's set of more than 20 million flat layers, you fcuking dare to laugh at me? You are so poor, and you dare to say that you live in a villa, you fucking deserve it too?!"

### **Chapter 2003**

Mrs. Xiao never expected that after a hard day's work, she would not even be willing to hit a car when she came back, and finally reached the door of her house, she was slapped in the face by an unknown woman.

The woman smoked her, and scolded her eyes cracking: "Bad old lady, you ate damn pig food, and came to Tomson to pretend to be a good one. Really have a problem with your brain!"

After finishing speaking, she immediately shouted to the security guard not far away: "Hey, come here, are you fucking blind? I spent more than 20 million to buy a house in your place. Do you serve distinguished owners like this? The bad old women who are inferior to pigs and dogs like this come in, who will protect the mood and interests of the owner?"

The security is also very nervous.

Mrs. Xiao looked somewhat haggard, with a tired face, she didn't look like an old lady from a wealthy family.

Moreover, she was carrying four large plastic bags in her hand, which were filled with steamed buns and rice, as well as the horrible vegetable soup, which was even more inconsistent with the characteristics of the owners of Tomson.

So, he hurriedly said to the old lady: "I'm sorry old lady, we are a private residence here, and we can't get away with other people. Please leave as soon as possible."

Mrs. Xiao trembled angrily.

Even if she is not the owner of Tomson, at least she is also a tenant of Tomson! And it is the tenant of Tomson's top villa! Why should she be beaten and driven out? !

The angrily Mrs. Xiao immediately took out the card, shaking her hand a few times, and said angrily: "Keep your dog eyes open and show me clearly, this is the access control card for the gate of Tomson First Grade!"

The security guard and the female owner were immediately stunned.

The access control card of Tomson is very elegant, and there is a unique logo on the card. One of them is the owner and the other works here, so they are familiar with this card.

When they saw this card, they both had a question in their hearts: "Is this bad old lady really the owner of a Tomson Villa?"

The middle-aged woman opened the mouth and said: "Just take out a card, who knows if it is true or not, so dare you to try it!"

Mrs. Xiao said angrily: "Okay! You wait! I'll show it to you!"

After that, she immediately swiped the induction area stuck on the gate.

The turnstile immediately sounded a prompt: "Hello, honorable resident of Villa A04, welcome to you home!"

In Tomson, residents are divided into two categories.

The first category is the owner, that is, the property owner clearly recorded on the property certificate of the property.

The other category is households.

However, residents should not be underestimated.

After all, most of the households are the immediate family members of the owners, and the less frequent ones are also due to relatives.

For example, Warnia, as the current head of the Song family, is well-known in Wrestvel. If she buys a villa here, she is the owner, and her grandfather, other elders, and siblings are the residents.

Although the occupants are not the owners, because they are very close to the owners, it is not something ordinary people can afford.

When the middle-aged woman saw that Mrs. Xiao had successfully swiped her card, and she was really a resident of Villa A04, she paled with fright!

Although she has a wealth of tens of millions, she is only a middle class in Wrestvel.

A series of villas, each set at a price of one hundred million to tens of millions, is simply impossible for her to afford.

#### **Chapter 2004**

Therefore, she is also very clear in her heart that anyone who can live in a series of villas must have much more energy than herself.

Thinking that she had just slapped the old lady, the woman was already scared to pee.

At this moment, she thought anxiously in her heart: "It's over, it's over! This is really a disaster! Who would have thought that this old lady really has a few brushes! I slapped her just now, in case she wants I can't get through with her, am I in big trouble now?!"

The security guard was trembling in shock.

"What's the matter? This old lady is really a resident of Tomson's first-class villa? Why don't I have any impression of her?"

"Furthermore, everyone who can live in the villa area is either rich or expensive. Since this old lady is so rich, so capable, and with a formidable background, why should she carry a few bags of leftovers and come on foot? What about Tomson first product reputation?"

"Could it be that the rich people nowadays have become popular for eating swill?"

Mrs. Xiao asked the woman angrily at this time: "Keep your dog's eyes wide open to see clearly? Now you say, am I a resident of A04?!"

That woman was completely shocked!

Just when she was shivering, not knowing what to do, Dave happened to be out for a walk.

Although he saw the back of Mrs. Xiao, he smelled a smell of leftovers before he could see clearly.

He pinched his nose, planning to go around a little bit.

As soon as he walked to the gate, he swiped his card, and the intelligent voice prompt: "Hello, honorable resident of Villa A05, welcome to your home!"

The gate opened at the sound. As soon as she heard that it was a05, Mrs. Xiao looked at it and recognized him at a glance, and hurriedly shouted: "Dave! Dave!"

Dave turned his head and realized that it was his own mother. He said in embarrassment, "Mom, what are you doing here?"

Dave's mother almost made the woman pee her pants in fright.

She was flustered in her heart: "Dead, dead, so dead today! What is the origin of this old lady?! She lives in villa a04, and her son lives in villa a05. This...this looks like a top family Ah! I actually beat an old lady from a top big family. Will their family find a way to kill me..."

At this time, Mrs. Xiao pointed at the woman in front of her, and said angrily to Dave: "Dave! This girl beat me! You quickly help me teach her a lesson!"

Dave felt a little embarrassed.

So he whispered to himself: "First of all, my mother makes trouble all day long. I don't know if others beat her. Even if she beat her, she might be the first to cause trouble."

"Secondly, she treats me so badly. I won't help her out. The people who live in Tomson's first-class residence are either rich or powerful. If I really provoke someone with a reputation, wouldn't I make trouble?"

Thinking of this, he said to Mrs. Xiao: "Mom, you should call the police for this kind of thing. Besides, you can't take any scissors for New Year's Eve. How can you fight with others, don't you know?"

Mrs. Xiao covered her chest angrily, and was about to give him a moral kidnapping. Dave had already spoken: "Well, mom, you call the police first. If the police can't solve it, you call me again, just say that, okay?"

After finishing speaking, without waiting for the old lady's response, he said: "Um, Mom, there is something at home, I'll go now."

The voice is down, and he just left.

He didn't want to be entangled by the old lady, let alone have anything to do with the old lady.

After all, tomorrow is New Year's Eve. At this time, what he wants most is to spend the New Year with his family steadily. Nothing else matters.

## **Chapter 2005**

Seeing Dave running away, Mrs. Xiao was angry to death.

She shouted in grief and angrily: "How can there be such a child! It doesn't matter if his own mother is beaten? Is this still a human? It's just a beast!"

But what she didn't know was that the woman on the opposite side was almost shocked.

She didn't know any rift in the relationship between Dave and Mrs. Xiao, but she knew that the two were in a mother-child relationship.

She thought with horror in her heart: "This old woman and the man are obviously mothers and sons, but they don't live in the same villa. Instead, they bought two of the best villas to live next to each other, one set a04 and one a05. What kind of damn family is this? How much money does the family have to take advantage of? How much energy must be behind it?"

When she thought of this, she regretted the trouble she had just made to find the old lady.

So, she nervously hurriedly apologized in a low voice: "Lady, I'm so sorry...I really didn't expect you to be a resident of the villa area...I blamed myself for just now, please don't be like me. ...."

Mrs. Xiao scolded angrily: "You slapped me, and then you're done by saying sorry?"

The woman hurriedly asked again: "Then how do you want to solve it...or tell me how can I calm you down? Why don't you slap me? No matter how many times you slap me, I won't fight back! "

Mrs. Xiao gritted her teeth, and at that time she wished to rush over and smack the woman's face.

However, she thought carefully: "Although I smoked her to relieve my hatred, it has no practical effect...Instead of this, it is better to ruin her for some money!"

Thinking of this, Mrs. Xiao said coldly: "You scolded me and slapped me in the face. You have to give me a little compensation for everything, right?"

The woman nodded without hesitation: "You are right! I am willing to actively compensate! You can say the number, how much is it, I will pay you..."

Mrs. Xiao originally wanted to bid ten thousand.

But after thinking for a moment, she felt that calling ten thousand was not appropriate.

The current Mrs. Xiao is no longer the old lady like Lafayette before.

Mrs. Xiao had a lot of money in her hands, let alone ten thousand, one million might not really be in sight.

However, the current Mrs. Xiao has spent a whole day pulling plastic bags in the supermarket for 100, so 10,000 is a huge sum of money for her now.

So, the old lady thought to herself: "After all, she just slapped me. If I ask her for 10,000, what if she gets angry and calls me an extortionist? Isn't it going to take me back to the detention center?"

"In these days, it is not easy to make money. I am exhausted all day working, and only earn one hundred a day. It would be a bargain to get one hundred for a slap... Wouldn't it be called extortion?"

Thinking of this, Mrs. Xiao said sharply: "I'm so old, you slap me, the problem can be big or small, but I have always been generous, you give 100, this matter is even a flip!"

"One... one hundred?!" The woman's eyes almost fell to the ground.

She originally thought that since this old lady could afford to live in villa a04, there must be some awesome people at home, and if she beat her today, it was really a mess.

Therefore, even if Mrs. Xiao asked her for one hundred and eighty thousand, she also decided to agree without hesitation, and then transfer the funds as quickly as possible to settle the matter.

Unexpectedly, when the old lady spoke, it only cost one hundred...

She was so happy that she nodded and said: "No problem, no problem! I'll get you the money!"

As she said, she took out her wallet, took out one hundred in cash, and handed it to Mrs. Xiao, then pointed to the security guard and said, "Lady, we have a witness here. You just said it to One hundred, and I have given you the money now. You can't trouble me anymore!"

Mrs. Xiao was very happy when she held this hundred bill.

### **Chapter 2006**

She thought to herself: "This makes a hundred for a slap, which is more cost-effective than working hard for a day!"

So, she suppressed the excitement in her heart and said: "Okay, forget about it, remember from now on, when you go out, don't look down on people!"

The other party immediately nodded respectfully: "Don't worry, I must remember..."

.....

When Mrs. Xiao arrived home with two hundred and four large plastic bags, the smell of food was permeating the house.

The three cooks are Gina and the others.

They were working as cleaners in the supermarket today, one hundred and twenty a day, three people are three hundred and sixty.

This year, three hundred and sixty-three people spent in a restaurant, that is, an ordinary meal.

But if you cook and eat carefully, these three hundred and six are still very rich.

Gina and the others are all from the countryside, and they are quite real. When they think of being tired for a day, they want to eat more meat to reward themselves, so they bought two catties of pork at the vegetable market, and bought some potatoes, beans, and vermicelli. When got home, they went straight to a pot of stew.

Although the cost of a pot of stew is less than one hundred, the portion is really sufficient, and the scent of the pork cannot be suppressed by the range hood.

What's more interesting is that Gina turned off the cooker hood when the simmering pot started to simmer.

Then she deliberately opened the door of the kitchen in order to let the fragrance spread a little wider.

For Noah and Jay on the second floor, this was simply great torture.

This kind of stew, although there is no tall countertop, it is one of the most practical, most appetizing and most greedy dishes for ordinary people.

What's more, Noah and Jay are almost hungry and confused. When they are extremely hungry, their sense of smell becomes extremely sensitive, so a little fragrance can make them crazy.

The two of them thought they were cooking at home, and they wanted to eat it quickly, but they called Horiyah to ask and realized that the rice was not made by their own family, but by three new tenants.

This made the father and son despair to the extreme.

Theresa and Horiyah were equally desperate.

At this moment, Mrs. Xiao pushed in with a dark face.

As soon as she entered the door, she cursed and said: "The three old women in the countryside are so presumptuous! The restaurant clearly has a table, and even ran to the coffee table to eat. you really treat this as own home!"

Seeing her come in, Theresa said with excitement: "Grandma, finally you are back! We are almost starving to death. We waited for you to come back and bring us food!"

Jay also cried and said, "Grandma! I'm really hungry. If I don't eat, I will starve to death..."

Mrs. Xiao sighed, handed the four plastic bags in her hand to Theresa, and said, "This is for you. Go get a few sets of dishes and eat quickly!"

Seeing the plastic bags in her hand, the Xiao family didn't care about where the food came from. They just wanted to eat all into their stomachs quickly.

So, Theresa said excitedly: "Grandma, I will go to the kitchen to get the tableware!"

Horiyah was also very happy and hurriedly said, "You can't finish it by yourself, I'll be with you!"

Mrs. Xiao coldly snorted, "Horiyah, stop! Don't eat the food I brought back!"

## **Chapter 2007**

Horiyah didn't expect that Mrs. Xiao would turn her face with her at this time.

She pointed to the food in the plastic bags, and said aggrieved: "Mom, what happened to you? Did you bring so much food back to me to eat two bites? I have been hungry for so long..."

Mrs. Xiao sneered and said, "If you want to eat, go out to work and earn money by yourself. You rely on an old woman to support you. Do you want to be shameless?!"

Horiyah was immediately anxious, and blurted out: "I was scammed by Dave! Otherwise, I would be a cashier and earn more than you!"

Mrs. Xiao curled her lips: "It doesn't matter to me that you earn more or less. You earn what you earn, and I earn what I earn. Neither of us will take advantage of the other. So you don't want to eat the rice I bring back. Earn and eat for yourself!"

Horiyah immediately looked at her sadly and indignantly, and blurted out: “Old Lady, are you going to get into trouble? You rushed me, and I will run away from home!”

Mrs. Xiao laughed and clapped her hands: “Oh, that’s great. You go quickly. I can’t wait to buy firecrackers to celebrate when you leave! If it wasn’t for Regnar to stop me, I would let you get out of our house long ago. Why would I keep you by my side as an eye-catcher? Since you are going to leave, then Regnar will definitely not blame me, it is great!”

Horiyah gritted her teeth: “Okay! Old stuff, let’s see!”

Theresa hurriedly came out at this time to finish the game: “Grandma, don’t be like that with mom. She has been hungry for so long, so let her eat too!”

“Let her eat?” Mrs. Xiao sneered: “I will let the dogs eat what is left but I won’t let her eat a bite!”

After that, Mrs. Xiao said again: “Give me the food, you go get the dishes, we will eat here as a family of four, let her watch it!”

Horiyah burst into tears immediately and scolded: “Mrs. Xiao, I married your Xiao family and had children for you. You don’t even give me a bite of food now. I am really discouraged!”

Mrs. Xiao said contemptuously: “If you want to eat, you can find a way to do it yourself, aren’t you good at hooking up with wild men? Go out and hook up again! Maybe you can still make a big money on the list!”

“You...” Horiyah was immediately ashamed and angry.

The old lady always likes to insult her about her work in the black coal mine, but she can’t find any powerful way to refute her.

So, she could only stomp her feet in resentment, and gritted her teeth and said: “From today onwards, I, Horiyah and your Xiao family, will be cut in two ways!”

After that, she slammed the door and went out and returned to her room.

Noah had no feelings for Horiyah for a long time, so he didn’t say a word at this time, and he also hoped that she would disappear quickly.

But Jay beside him was somewhat unbearable.

Although Horiyah has done some humiliating things, but in the final analysis, she is his mother.

Seeing that his mother was about to be forced to run away from home, Jay naturally couldn’t bear it, so he said to Mrs. Xiao: “Grandma, it’s not easy for mom, please forgive her this time!”

Mrs. Xiao said coldly: “If anyone talks about this woman, get out of this house with her, I don’t care .”

Jay was already starving to stare at Venus, so if anything conflicted with eating, he would definitely choose the latter.

So he immediately closed his mouth with interest, and said no more.

Theresa quickly brought some tableware up, and together with Mrs. Xiao, poured the leftovers into the container. Theresa dipped the vegetable soup in two or three bites and finished a steamed bun, and then stuffed another steamed bun in the same way. Into the stomach.

Mrs. Xiao had a full stomach, so she took the dishes and fed Noah and Jay who were lying on the bed.

The father and son, like the newly hatched chicks in the nest, opened their mouths and waited to be fed, the moment they finally had the meal, the father and son couldn't help but burst into tears.

Seeing the appearance of the two of them, Mrs. Xiao felt a little distressed in her heart, so she said with blushing eyes: "Tomorrow Mom will go to work for another day, buy some noodles and some meat in the evening, and we will make dumplings for a family of four!"

Noah cried and asked, "Mom, can we eat meat dumplings tomorrow?"

Mrs. Xiao nodded her head: "Don't worry, you can eat. I will buy it when the time comes and pack it with Theresa for both of you!"

### **Chapter 2008**

Noah said with a dry eye: "Mom, when I get better, I will go out to work, even if I go to a construction site to carry cement, I will do everything possible to make money to subsidize the family, and say nothing to let you go out when you are so old Running around!"

Jay also said vaguely: "Grandma, I will also go then!"

Mrs. Xiao nodded and said, "You two will take care of your injuries. When you are well, I will count on you to give me the end of the care!"

When the four of the Xiao family finally had a full meal, Horiyah cried dry in her room.

In the midst of hunger and cold, she not only despaired of the Xiao family, but also made a decision in her heart to leave.

She does not intend to stay in this home, nor does she intend to stay in Wrester.

She wants to go back to her natal home.

Although her mother's family has little money, and another brother followed her parents to nibble the old, at least her mother's family can take care of her food, so that she won't be so devastated.

However, her family is a little far away. It takes at least five or six hours to take a hard-seat train, and the train ticket costs more than one hundred. The entanglement of going back has become Horiyah's biggest problem.

After thinking about it, she decided to think of a solution from Mrs. Xiao.

This night, Mrs. Xiao slept very securely because of all day's physical work.

In the wee hours of the morning, Horiyah sneaked into her room and found out two hundred from her pocket.

Of the two hundred, one hundred is the old lady's salary, and the other one hundred, which the old lady received in exchange for a slap in the face.

Seeing these two bills, Horiyah was very excited.

Although two hundred is not much, it is enough to have breakfast after dawn, and then take the train back to parents' house for New Year's Eve!

So she put the money into her pocket almost without thinking, then packed a few pieces of clothes and personal belongings, and before dawn, she left the Tomson with a suitcase.

Before leaving, she left a note in her room with only four words on it: "There will be no deadline."

.....

Early morning on New Year's Eve.

Avella finally started taking a vacation.

However, she had long been used to going to bed early and getting up early, so she got up before seven o'clock to prepare to wash.

Seeing his wife got up, Marven got up from the bed. Today is New Year's Eve. There are a lot of things to keep them busy at home. Not only do they have to prepare the New Year's Eve dinner, but they also need to get the dumpling stuffing out in advance. The family made dumplings while watching the Spring Festival Gala.

At this moment, Avella's phone rang suddenly, and she said in surprise: "Oh, Elsa called me so early, I don't know what's wrong."

Marven smiled and said, "Wife, don't you know if you pick it up."

Avella nodded and connected the phone: "Hey, Elsa, why do you call so early?"

Elsa smiled and said: "I have a holiday! so I returned to Orgeyon by plane at noon to accompany my family to eat New Year's Eve dinner."

After that, she said again: "Will it be convenient for you later? I will pay a visit and give uncle and aunt a new year greeting?"

Avella smiled and said, "Convenience is convenience, but you should never buy anything to come home. I don't even care about buying gifts for family. So we have such a good relationship, so don't engage in these formalities."

"Okay!" Elsa said with a smile: "Isn't this just a sentence?"

After all, Elsa added: "By the way, Avella, I will ask my cousin to visit your house with me, is it okay?"

### **Chapter 2009**

Avella and Elsa have known each other for many years and have some understanding of her family situation. Hearing that she is going to bring her cousin, she curiously asked: "Elsa, the cousin you are talking about is DeLong, right?"

Elsa smiled and said, "It's him."

"Huh?" Avella suddenly remembered the image of that dude in her mind, and asked in surprise, "What is your cousin doing in Wrestvel?"

Elsa said: "He, after staying in Orgeyon for a long time, he always makes troubles, so he came to Wrestvel to practice for a while."

Avella asked in surprise: "Practice? How to temper?"

Elsa smiled and said, "Have a hard time, now he has rented a place to live in the village in the city. The conditions are not ordinary."

Avella couldn't help laughing: "Your cousin is such a domineering person, let him live in the village in the city, it must be great torture for him? It must not be his own decision, after all, Who is so bad?"

Marven was somewhat embarrassed when he heard this.

After all, he was the culprit who made DeLong come to Wrestvel to live a hard life.

Elsa smiled at this time: "My brother offended a big man in Orgeyon that he couldn't afford. He was required to live a year in Wrestvel before he could go back. Today I return to Orgeyon to celebrate the New Year to stay here."

Avella pursed her lips and smiled: "To tell the truth, Elsa, your cousin is a bit too arrogant usually. If this time he can really get his heart out, it might be a good thing."

"Yeah." Elsa laughed and said: "When I arrive at your house later, don't mention it in front of him, save him face."

Avella hurriedly said, "Don't worry, I know."

Elsa: "That's OK, let's come over and be there in a while!"

"Okay! I'll wait for you at home!"

After hanging up the phone, Avella said to Marven: "Husband, Elsa, and her cousin will come home soon."

Marven nodded and asked, "Would they have lunch at home?"

Avella shook her head: "No, Elsa will take a while and leave. She hurried to the airport and flew back to Orgeyon."

Then, Avella said again: "Oh, by the way, husband, Elsa's cousin will also come over and I will introduce you to him. Her cousin seems to be staying in Wrestvel for a whole year."

Marven smiled slightly and said, "I saw her cousin the last time I went to Orgeyon. At that time, you asked me to give Elsa's grandma a birthday gift. Her cousin was also there."

"Really?" Avella asked with a smile: "Then have you had any contact with him?"

Marven smiled and said, "I didn't have much contact after just chatting a few words."

Avella nodded and said, "Her cousin has a very unpleasant personality. He is very proud of having some money in the family. When he speaks, he can't wait for his nostrils to be open to others. Please don't take it to your heart. After all, he is a guest, and it's a celebration of the New Year, so you should never conflict with others."

Marven smiled slightly: "Don't worry, I know."

.....

At this moment, Delong is driving the old Mercedes-Benz car given to Elsa by the Emgrand Group, following the directions of the navigation instructions, to Tomson.

## **Chapter 2010**

Elsa, the co-driver, just hung up the phone with Avella, Delon said with a sad face: "Elsa, you can go to Marven's house by yourself, don't take me with you, I really don't want to take a minute to see him."

Seeing Delong's face full of grievance, Elsa couldn't help but ridicule: "Brother, are you too persuaded? I will take you to Marven's house for New Year's greetings instead of taking you to Marven. What are you afraid of fighting?"

Delong sighed: "Hey, Elsa, don't you know, I have seen this Marven twice in total, and every time I saw him, it was not okay! The first time I swallowed a necklace and had an operation. The second time I was directly asked to ride a bicycle all the way from Orgeyon to Wrestvel. If this is goodbye, if he is not happy, he wants to send me to Africa for mining, then how am I going to fix it!"

Elsa said seriously: "Brother, you just think too much about it. In fact, Marven is not bad in nature, and he never bullies people. It's only when others bully him that he will be cruel to others. So you just need to be humble and low-key in front of him, and he will definitely not trouble you."

Delong still sighed with lingering emotions: "Even though you say so, but this person is not in his mood, I don't know if I will offend him because of an unintentional sentence..."

Elsa said, "If this is the case, then you should talk less when you are there. When you meet Marven, you will respectfully call him Mr. Ye and don't say anything else."

Delong begged: "Oh, can you just go by yourself? Then I will park the car at the door, and I will wait for you in the car."

Elsa pretended to be angry and said, "I just told Avella that you are coming with me together. Avella must have told Marven too. If you don't go in by then, let me go alone. Marven might think you have opinions on him! I think you don't give him face!"

After a pause, Elsa said again: "If he is not satisfied with you and puts you on small shoes on purpose, don't blame me for not reminding you. After all, Wrester is his territory, you can't fight him in Orgeyon, let alone. On his turf?"

Hearing this, Delong shrank his neck, and said angrily: "Okay, okay, can't I go..."

Elsa said seriously: "I tell you that Marven is actually very easy to get along with, but the premise is that you are in front of him, and you must not put on airs. You have to talk to him well. He must be polite to you. If you are Acting with him, then you are done."

After speaking, Elsa said again: "Once I went to a hot spring with Marven and Avella, a b@stard shoved my car, and then in turn scolded me. He was very arrogant. You know what happened afterward?"

Delong shook his head: "What?"

Elsa said: "Marven asked his men to come over and engraved two words on that person's forehead with a knife."

Delong was dumbfounded in fright: "Use a knife to engrave on the forehead? Is this too cruel?"

Elsa said: "You didn't see the virtue of that guy. If you see him, you will understand that it is not cruel to engrave on his forehead."

Delong hurriedly asked: "Then can you tell me what words Marven engraved on his forehead?"

Elsa said: "That guy likes to scold others for being poor, so Marven asked people to engrave these two words on his forehead."

"Fck..."

Delong was scared out of his forehead sweat, he even had a feeling as if those two words were engraved on his forehead.

He couldn't help but sigh: "This Marven...what is the difference from the devil? It's simply not as good as a beast!"

Elsa immediately turned her face and blurted out: "I don't allow you to speak ill of Marven!"

"Ah?" DeLong was stunned, and said aggrieved: "Elsa, I am your brother! Why do you turn your elbow out!"

Elsa snorted coldly: "Marven is the great hero in my mind. If I compare him with you, an unlearned dude, then I will definitely turn my elbow at you!"

DeLong's face was crying: "Elsa, do you like Marven?"
