

## The Amazing Son In Law Chapter 201-210

### Chapter 201

Mrs. Xiao was struck by lightning at this time!

How did that happen?

Only Marven could have such a big energy? Even the Wang family broke with their Xiao family?

At the thought of this, her heart throbbed with pain.

She wanted to beg Solomon not to abandon the Xiao family at this time, but the other party didn't pay attention to her at all. After saying that they were about to divorce, they swaggered to take Phil and left.

Theresa broke down and cried!

She accompanied Phil for several years, and gave everything to the other party, even they were pregnant with child and now, everything has disappeared.

Therefore, she has an unforgettable hatred towards grandma in her heart.

Her father, Noah, was also very depressed. He followed the Lady Xiao and ditched his younger brother's family, but he didn't seem to get any benefits.

More importantly, the son was injured and arrested, and the daughter was abandoned by the fiancé's family. This really gave him an irreparable loss.

He complained to the Old Mrs. Xiao: "Mom, I usually listen to you in everything, but at this point, my family has lost too much!"

At this time, the Old Mrs. Xiao tried to stabilize their emotions, and said: "Don't panic! Why anxious? Jay just spends money to redeem the people. As for Theresa's marriage, what are we afraid of? Good women don't have to worry about marrying, our Theresa is beautiful, and I don't know how many rich sons will line up to pursue her tomorrow!"

After speaking, the Lady Xiao said again: "Don't forget, we still have the Emgrand Group's contract in hand! This is our Xiao family's turnaround battle! If we win this battle, our Xiao family will still need to rely on in the future. As the kings? Do we still need to depend on the rich? We are the rich ourselves!"

Noah hurriedly asked: "Mom, the emgrand group's project was previously in hands of Avella's dead girl. Now she has been kicked out of the Xiao Group. This project, as well as the position of director, should be replaced?"

"Change! Of course you want to change!" The Lady Xiao blurted out immediately: "Don't worry, I will give this position to Jay! When Jay comes out, he will be the director of the Xiao Group and is fully responsible for the cooperation between the Xiao Group and the Emgrand Group! "

Noah Xiao gratefully rejoiced, and the whole person finally got some comfort.

The loss is so great that if the Lady Xiao doesn't make up for herself a little, it is really impossible. Since this project is given to her son, then her son will still have a chance to stand up in the future.

At this time, Mrs. Xiao exhorted: "There must be no gaps in the cooperation of the Emgrand Group. When the time comes, Jay will give me an all-out connection. We must take down this project beautifully, even from the Emgrand Group. Get more projects in your hands!"

Noah Xiao said immediately: "Mom, don't worry, I will let Jay go all out!"

While talking, someone knocked on the door.

Immediately afterwards, a man in a suit walked into the courtyard of the Xiao family mansion.

"Excuse me, is Mrs. Xiao at home?"

Old Mrs. Xiao greeted her and asked, "I am, who are you?"

The other party said: "Hello, I am the chief lawyer of Emgrand Group."

When she heard that it was a member of the Emgrand Group, Mrs. Xiao hurriedly said enthusiastically: "Oh, oh! It turned out to be a barrister of the Emgrand Group! Come in! Come in!"

"No." The other party said coldly: "I'm here to give you a lawyer's letter in person."

"Lawyer's letter?" Mrs. Xiao asked in surprise, "What lawyer's letter?"

The other party said: "The lawyer's letter for the termination of the contract, our Emgrand Group has decided to terminate all cooperation with the Xiao family after negotiation, and will never have any form of cooperation with the Xiao family in the future, please receive the lawyer's letter Within three days, go to the Emgrand Group to complete the agreement procedures."

"what?!"

## **Chapter 202**

For the Lady Xiao and Noah, this was a bolt from the blue!

Just now, they said that the Emgrand Group was the Xiao family's turn to rely on. Now the Emgrand Group has come to terminate the contract? And never cooperate with the Xiao family?

This

This is to block the Xiao family!

The Lady Xiao tremblingly asked, "Lawyer, what is going on? Why is this? Isn't our cooperation good?"

The lawyer said coldly: "Our cooperation with Ms. Avella is very good, but I heard that Ms. Avella has left your Xiao Group. I am embarrassed. We don't want to cooperate with you people anymore."

Only then did the Old Mrs. Xiao understand that it was Avella!

She was suddenly angry!

why!

Why do you have to revolve around that unbelievable granddaughter?

She is a Rubbish! She herself married a Rubbish!

The Xiao family is my, I Old Mrs. Xiao has the final say, you should give me face! Why give her face? Why only look at her face? !

Old Mrs. Xiao was a little angry, and she blurted out: "Your Emgrand Group can be considered a big company with a good reputation! Just so casually unilaterally terminate the contract with us, aren't you afraid that we will go to the court to sue you? Are you not afraid of this incident? After going out, will it affect the reputation of your Emgrand Group?!"

The lawyer smiled indifferently and said: "Mrs. Xiao, have you not seen the contract before? For all the external cooperation of our Emgrand Group, we have the right to unilaterally stop the cooperation. This is the privilege of Party A. Haven't you heard of it? Yes, does the engineering work, is Party A the father?"

After that, the lawyer said again: "Even if the whole Wroestvel, and even the whole country, know that we are uncooperative with you? We are reasonable and legal! And, it was not me that scared you, Mrs. Xiao, our Emgrand Group is very famous in the country. Big, the company we blocked, other companies generally dare not cooperate, so, for your Xiao Group, please ask for more luck in the future!"

"You," Mrs. Xiao was indeed shocked by these words!

Blocked by Emgrand Group! How will you mess up from now on? !

Isn't the future of the Xiao Group going to end? !

If no one is willing to cooperate with an engineering company, it will have only one end!

Bankruptcy!

Do not! No way!

The Lady Xiao is already hysterical at this time!

The Xiao Group is mine!

The Xiao Group should become a leader and make me an object of respect for everyone! Let me enjoy the endless glory and wealth!

It cannot go bankrupt! It must not go bankrupt! ! !

Thinking of this, the Lady Xiao burst into tears, and begged: "Lawyer, I beg you for the sake of my age. Tell you Lori, Lori, I beg for mercy, everything in the Xiao Group is on the line. The cooperation with your company is on. At this time, your company can't abandon us!"

The lawyer sneered: "I'm sorry, Lady Xiao, the decision not to cooperate with you and block you was made by our CEO. Our CEO also said that you are disrespectful and shameless old things like you are not worthy of cooperation with us. !"

After speaking, he dropped the cancellation letter, turned and left!

Old Mrs. Xiao was very angry, spit out a big mouthful of blood, and fell to the ground unconscious!

### **Chapter 203**

The news that the Emgrand Group banned the Xiao Group soon came out.

Just when the whole Wrestvel knew that the Xiao family was finished, it came out that the Old Mrs. Xiao was in a hurry and was hospitalized.

After Marven's father-in-law Dave heard the news, there was surprisingly no disturbance.

He said to his daughter and son-in-law: "With my mother's personality and the need to control the psychology of others throughout her life, it will be a matter of time to lose. There is nothing to be sympathetic to. Let her reflect on it in the hospital. Maybe she can figure out her life. What is wrong with it!"

Marven felt that Dave had been confused, and it was rare to see the essence of things this time.

When the family breathed a sigh of relief, his wife, Avella, began to work on the job search quietly.

In the evening, when Marven had just finished cooking, he suddenly heard the sound of opening the door behind him.

He turned around and saw Dave coming in from the door with a smile on his face, his footsteps vigorous.

Marven looked at Dave's happy look, and couldn't help asking: "Dad, you went for a walk around, what good things have happened?"

"Hahaha, I'm really lucky today." Dave said with joy, "After I took the pills you gave, not only the pain in my body disappeared, but the spirit also improved. It is a panacea."

"No, I just went to the Antique Street to stroll around. Guess who I met?"

“Who?” Marven felt a little bit in his heart. Could it be that Dave was coaxed around by the counterfeit dealers and killed him as a fat sheep once again?

He quickly looked up and down at Dave, and breathed a sigh of relief.

Fortunately, he held nothing with his hands empty.

Dave took a sip of tea and said mysteriously: “Sir, do you remember the last time we met Ervin Jones, who was a scammer in Antique Street, right?”

“Remember, what happened?”

“Haha, I met this kid as soon as I went today!”

Marven was shocked: “Dad, you won’t buy his goods again, will you?”

“No.” Dave waved his hand and said happily, “This Ervin Jones, now that he know that I am your Old Master, he dare not be clever at all. Not only did he give me a piece of ancient jade pendant, he also helped me sell the pills up.”

Marven frowned, and the ancient jade pendant Ervin Jones gave to Dave was probably a fake, but it was strange that he actually helped Dave sell medicine.

“What pill?”

“It’s the medicine you made for me to treat traumatic injuries. It’s called the heart-relief pill.” Dave slapped his thigh and said excitedly: “My injuries are all healed. Ervin Jones heard that this pill is so effectivet, he said he had a way to sell the pills for me, so I gave him two pills, but I didn’t expect them to be sold!”

Marven was dumbfounded.

Pills are not a rare thing, and the Old Master can only throw them away if he can’t finish eating them, but this Ervin Jones can really take advantage of the loopholes, and he can even sell the leftover medicine.

“Dad, this medicine is not right, how can you sell it.”

Dave said, “I don’t know about that. Anyway, Ervin Jones helped me sell the medicine. Guess how much it sold.”

“over a thousand?”

“Your point is not even a fraction.” Dave triumphed and slapped: “It’s half a million!!”

“puff!”

Marven was drinking water, and the water in his mouth spurted out suddenly.

He couldn't believe it. The pill that cost less than 100 were sold for half a million by Ervin Jones, a profiteer?

#### **Chapter 204**

Who is the hapless person who has a lot of money and is fooled by this profiteer?

Marven couldn't help asking: "Which wrongdoer did this profiteer sell the medicine to?"

"I don't know, Ervin Jones said that he has professional ethics and must keep his clients secret."

After Dave finished speaking, he shook his head and sighed: "The 500,000, he hit my card with a lot of money, saying that he was filial to you. I will give him a bit of hard work. He doesn't want it. These two hairs do business. His talent, when he stops making fakes, I advise him to do a decent job and go to work."

Marven shook his head.

People like Ervin Jones can't change the sh!t!

He has been kidnapped since he was a child, and it has become commonplace. If he really wants to go to work for a day, I am afraid this is like killing him.

It is impossible for him to go to work, he will never go to work in his life.

However, since the pills are sold at a high price by the Old Master, they can be used as subsidies for the family.

Anyway, the Xiao family recently left the Xiao company, and Avella might have to be unemployed at home for a while, and the Old Master's dividends from the Xiao company might not be available, so it was just the money to make the transition.

After earning half a million in vain, Dave's originally depressed mood was swept away, and he walked all the way into the bedroom humming the red lantern of Peking opera, finally showing a smile on his face.

Marven went back to the bedroom and told Avella about it.

Avella almost jumped out of bed and asked nervously, "Others spend a lot of money to buy pills, but money matters. If something goes wrong with eating that thing, can we get away with it?"

"Don't worry." Marven said with a smile: "This "blood-relief pill" is only for removing blood stasis and invigorating blood. The materials are not valuable. They can't be eaten as a meal, and they will have nosebleeds for two days at most. The blame is to buy medicine Customers, people are stupid and have a lot of money."

Avella was still worried: "Then you say, who on earth is willing to spend half a million to buy these two pills?"

Marven said casually: "It may be someone who has a cerebral obstruction or a cardiovascular and cerebrovascular disease. This pill is also very effective for these diseases."

Hearing what he said, Avella's hanging mental complexity was relieved a lot.

These types of diseases are serious medical illnesses, and it would cost no less than 500,000 to go to the hospital for treatment.

I hope the medicine will work and don't make people spend so much money in vain.

After eating, Marven received a call from Orvel when he was washing the dishes.

Although Orvel is known as the underground king of Wrestvel, he has been low-key and depressed since he met Marven.

Although Marven didn't look down on him, he had to say that Orvel was quite sensible. Last time Darren was bullied, and in the hospital ward, he also helped him solve a little problem.

So at that time, Marven had promised that he would give him a chance to rise to the top, but he did not expect that he would take the initiative to call himself.

After answering the phone, Marven asked him, "Mr. Orvel, are you looking for me?"

Orvel hurriedly laughed and said, "Oh, Mr. Marven! I called you this time because I heard about your order to the Wrestvel Metaphysical Circle. I would like to congratulate you."

Marven said coldly: "Don't talk to me here, just tell me if you have anything, don't grind!"

Orvel hurriedly said: "Oh, Mr. Marven, you know everything like a god, and you will see through it when I think about it carefully."

Marven asked coldly: "Still talking nonsense?"

Orvel hurriedly said: "That's how Mr. Marven, the Song family has treated me well for many years. Their eldest lady has had some trouble recently. I would like to ask you to come over and take a look."

Marven said, "Miss of Song Family? Warnia?"

"Yes!" said Orvel, "Miss Warnia is in trouble!"

## **Chapter 205**

The Song family to which Warnia belongs is the top family in Wrestvel.

However, the Song family was still a thousand miles away from the Orgeyon's Ye family.

But Warnia still doesn't know Marven's true identity, so Marven in her eyes is just a young man who has some research on antiques and then dabbled in metaphysics.

The last time Marven slammed thunder to death in Wrestvel, it really scared many people and was regarded as a master of metaphysics by many people. However, Marven deliberately gave Warnia an indication that it was just a coincidence. After all, how could ordinary people Order the sky thunder.

Finally, Warnia was also confused, thinking that Marven might indeed have more luck.

Since then, Warnia has disappeared from Marven's world.

Marven thought she was missing, but he didn't expect to be in trouble.

So, he asked Orvel: "What's the matter? What is wrong with Miss Song?"

Orvel said: "Ms. Song recently committed Tai Sui. Maybe something went wrong with Feng Shui luck, and she was totally unlucky."

After that, Orvel said again: "I found many feng shui masters everywhere, but they can't solve the problem. I would like to ask you to have a look, see if you can break the predicament of Missy."

Marven said calmly: "You can talk about what problems she has encountered first, so I might as well make a judgment."

Orvel hurriedly said: "The lady was injured recently. She has had several small car accidents. Then she sprained her foot when going down the stairs, burned the back of her hand while drinking coffee, and was bitten by her own dog yesterday. One mouthful, not only that, but several important cooperations of the Song Family Group also had big problems and had a great impact on the income.

After that, Orvel said again: "The thing that saddens the eldest most is that she has somehow lost one of the most precious diamond necklaces she has worn for more than ten years. It is the relic left by her mother before her death. The young lady cried for several days about this."

Marven chuckled twice, and said: "It seems that Miss Song has really had a bad luck recently."

"Don't tell me!" Orvel looked at Marven and said seriously: "Mr. Marven, you are a master of metaphysics. I believe you must have a solution for this matter?"

Marven asked him back: "Mr. Orvel, why are you so caring about Miss Song? What is your relationship with the Song family?"

Mr. Orvel hurriedly said: "I tell you Mr. Marven, Miss Song's grandfather is my benefactor. I was able to stand up in Wrestvel back then, It was all thanks to the support of Miss Song's grandfather. I originally wanted to repay him. I have always helped the Song family solve some inconvenient things for them to come forward."

After that, Mr. Orvel said again: "To put it bluntly, I just want to repay the favor. The Song family is my benefactor."

"En." Marven nodded and said, "You are also sincere, and Ms. Song and I have some friendship, so come and pick me from my house tomorrow. Let's go and take a look."

“Okay!” Orvel said excitedly: “Thank you Mr. Marven! I am grateful!”

Early the next morning, Orvel called Marven.

### **Chapter 206**

When Marven went downstairs, Orvel was sitting in the car and beckoned to him, saying, “Mr. Marven, get in the car!”

Marven nodded and walked quickly to get into the car. Orvel hurriedly started the car and drove towards the outskirts of the city.

On the way, Orvel said anxiously: “I heard that a Feng Shui master from Hong Kong is coming soon, Mr. Marven, you can’t let him steal your limelight!”

As he said, he added, “Miss Song is the eldest daughter of the Song family and will soon take over the entire family affairs. If we can do this beautifully, you and I will benefit infinitely!”

Marven smiled and said, “Mr. Orvel, you are not kind, you said yesterday that it was to repay your kindness, but now you show the foxtail, so you want to treat Miss Song for this?”

Mr. Orvel said embarrassingly: “Repaying one’s kindness is one aspect, and getting closer to one another is also one aspect! I know that Mr. Marven has great powers, but to be honest, it is not a bad thing to be able to get closer to Miss Song, Miss Song is young and attractive. Beautiful and with strong family background. If you become friends and join forces in the future, it will be a good thing for you, don’t you think?”

Marven smiled slightly and said lightly: “If the Feng Shui master from Hong Kong is really good, then I can’t help it.”

Orvel sighed and said, “Let’s go and take a look first. You are a master of metaphysics with real abilities. Then you can see if you can find a suitable opportunity. Let’s just grab the business from that Hong Kong man!”

Marven didn’t say a word, he was also considering this issue in his heart. If Mr. Lai from Hong Kong is really a descendant of the Lai family, he probably has a few brushes.

He might as well take a look at what Lai’s family does, and perhaps what enlightenment it might have for his next comprehension of the Nine Profound Heavenly Secrets!

Miss Song’s villa is in the most luxurious villa area in the suburbs.

Orvel drove Marven all the way and stopped in front of a super luxurious villa.

At this time, a man with the appearance of a housekeeper came out. Orvel hurriedly stuck his head out and said, “Boy, is the eldest lady at home?”

The housekeeper nodded indifferently, and said: “Mr. Orvel, what has brought you here?”

Orvel hurriedly said with a smile: "Boyu, I have invited a master to come over, and I want him to help the young lady, he is a real master of metaphysics!"

The butler glanced at Marven, who was in the co-driver. He didn't take the young man seriously, and said coldly: "Mr. Orvel, Mr. Lai from Hong Kong has already come and is showing the elder lady Feng Shui. It is inconvenient to bother him. If there is nothing wrong, you can go back."

Orvel quickly said: "Boyu, Mr. Marven is here, why should not let Mr. Marven have a try? Besides, Mr. Marven and Missy have friendship!"

Uncle Boyu asked him: "Many people say that they have friendship with Missy, and I can hear the cocoon. Besides, can the person you invite have abilities as good as Mr. Lai from Hong Kong? Mr. Lai is the originator of Feng Shui, Lai Buyi. He spent a lot of effort and traveled all the way to from Hong Kong, so follow along and join in the fun! Let's go!"

Marven was a little surprised when he heard that, not at the identity of Mr. Lai, but at the big man who stomped off Wrestrvel's entire road. As a result, there was even a housekeeper at Warnia's door. He can't figure it out.

Not only can't figure it out, he even has to kneel and lick.

Marven couldn't help but slander, this Orvel, in front of Uncle Boyu, is really begging for nothing! If this matter spreads out, it will be despised by people in the whole city!

## **Chapter 207**

Orvel was despised by the butler, but he was not angry at all. On the contrary, the smile on his face accumulated more deeply. He respectfully said: "Look, Boyu, this lady's problem is so serious. It must be the same for us today. Want to share the worries for her! What if Mr. Lai doesn't care about Missy's problem? He is a Hong Kong master, and he may not be able to eat well when he arrives on our mainland!"

Boyu said coldly: "What can't be eaten, you really think you can find someone to be able to compare to Mr. Lai? Go away, if it interferes with Mr. Lai's formation, the lady will blame it, you can't afford it."

Orvel scratched his head anxiously. Unexpectedly, Boyu wouldn't even let them in the door. How could Marven show the elder lady Feng Shui?

So he blurted out: "Boyu, have you heard about the fate of that man in Wrestrvel? He was also a master in Hong Kong, that smashing, arrogant, and what was the result? He came to Wrestrvel and pretend to be something in front of Mr. Marven, Mr. Marven brought thunder, click it, and hacked him to death!"

After listening to it, Boyu was dumbfounded.

The look in Marven's eyes was also a little more in awe.

He had heard about Jinghai.

However, he didn't know exactly who killed him in the Wrestvel.

Unexpectedly, it turned out to be the young man in front of him!

In an instant, he had a sense of respect for Marven.

So, he arched his hand at Marven and said: "Mr. Marven is so capable, I have also heard about it, and I admire it!"

After speaking, he hesitated for a moment, and said: "If this is the case, then please come in and have a look, but Mr. Marven, you must come first and wait. Since Mr. Lai from Hong Kong is here first, please don't bother him too much before he finishes the Feng Shui. Let's wait until Mr. Lai finishes reading it. If Mr. Lai solves Missy's problem, please don't interfere."

Marven nodded, and said indifferently, "No problem."

Boyu used the remote control to open the door and said to Orvel: "Get the car in."

Orvel hurriedly drove into the villa and said with a look of exclamation: "Mr. Marven, you were really awesome just now, except for the Song family, they rarely give outsiders such a face."

Marven said indifferently: "Look at your unpromising appearance. The housekeeper of the Song family has to kneel and lick the flattery. I really don't know how you got into the position of Big Brother on Wrestvel Road."

Orvel said with a stern smile: "Mr. Marven, you don't know anything, no matter how good we are, isn't it still a little girl who can't get on the table? In front of a large family like the Song family, That is, the material for brother!"

After that, he parked the car and said to Marven: "Mr. Marven, let's go to meet Mr. Lai for a while."

Boyu led the two into the villa, which was decorated extremely luxuriously, almost like the royal family.

When they arrived on the second floor, Boyu directly led them to a room where the door was opened and knocked gently.

Then he took them straight in.

## **Chapter 208**

In the room, a lean middle-aged man in a blue shirt was holding a compass and was looking around, muttering words. Warnia stood with her back to the door and heard three people coming in. She turned around and asked: "Boyu, what's up?"

Boyu hurriedly said: "Miss, Orvel brought Mr. Marven over, saying that he wanted to help you take a look at Feng Shui."

Warnia turned around and saw Marven, suddenly surprised: "Marven, why are you here?"

As soon as Marven saw Warnia, he found that she was a lot more haggard than he had seen a few days ago, and according to the records in the Nine Profound Heavenly Scriptures, her hall was darkened and her fortune was out of luck. It seemed that something really went wrong.

Marven smiled slightly and said, "Mr. Orvel said that you are in trouble, so he took me over to see you."

At this time, the middle-aged man holding the compass spoke in Hong Kong accent, and said, "Miss Song, ordinary people shouldn't interfere! Otherwise, it will affect the operation of the Feng Shui Array!"

Warnia knew that Marven knew something about metaphysics, but Feng Shui fortune was somewhat different from metaphysics. She felt that Marven's metaphysics was suitable for fighting strong, but Feng Shui was a discipline related to a different realm. Metaphysics is not a number of ways, so in no way Marven can be compared to Mr. Lai.

So, she said a little apologetically: "I'm sorry Marven, Mr. Lai is helping me do this. Please sit downstairs for a while, and I will come over to entertain you later, sorry!"

Marven said: "Miss Song, one more person has one more way. I do see that you have some problems. As a friend, I hope to help you solve the trouble, but you can let the Mr. Lai make a formation first. If he can solve it, then everyone is happy. If he can't solve it, I will try."

At this moment, the middle-aged man holding the compass gave a cold snort, and said: "I am a Lai buyi's 22nd generation successor. How can I be hard to beat by such a trivial matter? I think you are young, Dare to call yourself a Feng Shui Master, I am afraid you are a liar!"

Marven smiled slightly, seeing a black and red air lingering in the hall of Mr. Lai, with a bloody smell, he said lightly: "Mr. Lai, since you are a Feng Shui master, why didn't you look at yourself today? Isn't there a disaster of blood and light?"

Mr. Lai laughed and said, "Say I have a bloody disaster? Boy, you are crazy!"

Marven shrugged his shoulders and said, "I'm telling the truth. The blackness of your Yintang remains, your eyes are Wang and swollen, and your pupils are red and open. This is a sign of your fortune. If you don't pay attention to the remedy, I am afraid The disaster of blood and light cannot be stopped!"

Mr. Lai sneered: "Boy, I'm a descendant of the Lai family from Hong Kong, so don't behave in front of me!"

Marven curled his lips: "I'm a big talker? You master from Hong Kong, I don't think you are the only one. To be honest, they are all pretty watery!"

Mr. Lai immediately cursed: "You bah! Talk about our Hong Kong master water? You're a sh!t!"

Marven smiled and said, "Have you heard of someone named Jinghai? Do you know his fate?"

“I don’t know anything about Jinghai!” Mr. Lai snorted coldly, looked at the Song family eldest, and said, “Miss, wait for me to do it right away, to help you reverse your fortune, and let this unobstructed kid have insights. My Hong Kong Lai family’s true Feng Shui mastery cannot be challenged!”

Warnia nodded slightly, glanced at Marven, and said to Mr. Lai: “Mr., please do it as soon as possible!”

Mr. Lai immediately took out a few pieces of talisman paper, gestured to the void for a while, and shouted with words in his mouth: “All those who are facing the battle are arrayed in front of them, and they are as fast as the law!”

After that, he threw the pieces of talisman paper into the air, observing the direction and speed of the talisman paper scattered, then pointed to a pot of green plants in front of the window and said, “Miss, the problem is found! This window opens to the east. , It is the direction of the purple gas coming from the east, your fortune should flow in from the east, and this pot of green plants just blocked the eye and blocked your fortune!

### **Chapter 209**

When Warnia heard that Mr. Lai had found the key to the problem, she immediately asked with excitement, “Mr. Lai, will my fortune be better by removing the green plants?”

“Neither!”

Mr. Lai said with a serious face: “The feng shui formation is an invisible formation. Even if you remove the green plants, you can’t remove its influence on the feng shui pattern. Warnia hurriedly asked, “What should I do? ! “

Mr. Lai said: “You should place the exorcism transporter refined by Masters in the place of the green plants! Only in this way can you completely eradicate your troubles, keep your fortune open, and the purple gas coming from the east!”

Warnia asked: “Then what is the thing that drives away evil spirits?”

Mr. Lai immediately took out an egg-sized stone from his pocket and said earnestly: “Miss, this is Taishan chalcedony. It is the essence of the entire Taishan stone that has been eroded and weathered for tens of millions of years. It is a magical product for exorcising evil and transporting! If you place this piece of Taishan chalcedony in the place of a green plant, all the evil aura will immediately dissipate. When the purple qi comes from the east, it will definitely go back!”

Warnia asked with joy, “Mr. Lai, how much does this Taishan Chalcedony cost? I will buy it!”

Upon hearing this, Mr. Lai’s eyes flashed with excitement!

Immediately, he said with a serious face: “Miss Taishan, if this piece of Taishan Chalcedony is placed in Hong Kong, it will be worth at least 15 million, but I also have a relationship with the young lady. I will sell you this piece of Taishan Chalcedony for only Ten million.”

Warnia nodded and said, “Money is not a problem, as long as it can really help me solve the trouble!”

Mr. Lai said without hesitation: "Miss, don't worry, if you put Taishan Chalcedony up now, your fortune will be completely changed tomorrow!"

Warnia breathed a sigh of relief immediately. She did not hesitate to bring the checkbook, and with a tender wave of her hand, she wrote a cash check for 10 million and handed it to Mr. Lai: "Mr. Lai, give that Taishan stone to me. Please make your formation!"

Warnia now only wants to solve the current trouble as soon as possible!

Recently, she has been tortured crazy by her own bad luck.

Just last month, just after her 24th birthday, she began to be unlucky.

First, there were various car accidents, and all five cars were damaged to varying degrees;

Not long after, she sprained her ankle again, and she is still in pain.

A few days ago, the relic left by her mother, and also her most cherished jewelry, was lost by her!

That jewelry has been with her for more than ten years, and it is almost her half-life. She offered a reward of several million, but there has been no news.

For this reason, she did not know how many times she cried quietly at night;

Yesterday, the Hong Kong Li family, which the Song family was actively cooperating with, added a lot of blockage to the Song family!

The two originally negotiated cooperation and were about to sign a contract, but the Li family in Hong Kong suddenly introduced a partner. Not only did they stop signing the contract with the Song family, but also revealed from all aspects that they wanted to cooperate with another partner.

For Warnia, this is tantamount to that the duck that brought its food to mouth but was suddenly taken away by someone else.

The loss this brought to the Song family was extremely huge, far more than she could bear!

All kinds of unlucky things continued, and Warnia had long been unable to bear it. At this moment, she just wanted to get in touch with this sad life, so as not to suffer more losses.

Therefore, it is very cost-effective for her to spend 10 million to solve the Feng Shui problem.

Mr. Lai got a check of 10 million, and his hands tremble a little with excitement.

### **Chapter 210**

He hid the check in his body, and immediately took the Taishan chalcedony to the window sill, took down the pot of green plants, placed the stone on it, and kept chanting Taoist mantras.

Marven looked at all this and sneered secretly.

This Mr. Lai not only doesn't understand sh!t, but also unknowingly self-defeated and caused a catastrophe!

In fact, he had already seen the weirdness of this house through the Feng Shui mystery in the Nine Profound Heaven Scriptures.

He could clearly feel that in this room, a very terrifying formation of trapped dragons in the mystery of Feng Shui was basically formed.

The so-called trapped dragon formation, as the name implies, in this formation, even if it is a dragon, it will be trapped, let alone the fortune of ordinary people.

Therefore, no matter how strong the fortune is, those who live in the trapped dragon will inevitably lose their fortune and continue to have bad luck.

The eldest lady lives in such a room, her own fortune is all trapped, and once a person's fortune is trapped, naturally one after another will be unlucky.

Fortunately, this trapped dragon formation has only begun to take shape and has not yet been perfected.

If it is really allowed to continue to improve, not only human fortune, but also human fate can be trapped in it.

Then it won't be bad luck, it is very likely that you will lose your life!

Coincidentally, the only loophole left by this trapped dragon formation is that pot of green plants!

Green plants are wood, representing life and vitality!

With it, it is tantamount to opening the only remaining life for this Array.

There is a student who can barely fight against the gathering of the trapped dragons, keeping the last bit of luck for the young lady.

However, Mr. Lai accidentally picked this place and put his broken stone here.

You know, stone is hard! Represents unbreakably!

Once this stone replaces the green plants, the dragon formation is almost complete!

At this time, Mr. Lai finished chanting the mantra and took a deep breath, saying: "Miss Lai, someone Lai has finished the formation, you can rest assured!"

Warnia hurriedly asked: "Then my future fortune can be restored? Wouldn't it be so bad?"

“Yes!” Mr. Lai nodded and said, “I rely on someone for his Feng Shui technique, which is famous in Guangdong, Hong Kong and Macau. Even Hong Kong tycoon Li Ka-shing and Macau gambling king Stanley Ho are also the Feng Shui clients of mine. Miss, don’t worry! “

Warnia hurriedly asked: “Mr. Lai, I wonder if you can wish me to find the bracelet my mother left me? If possible, I would pay another 10 million!”

Mr. Lai scratched his head: “This eldest lady, I am good at Feng Shui mystery. Finding things is not my area of expertise.”

Warnia nodded disappointedly: “It’s okay, you reversed the current bad luck, I am very grateful to you, Mr. Lai.”

As soon as she finished speaking, her cell phone rang. On the phone, a woman said hurriedly: “Mr. Song, it’s not good, something has happened!”

Warnia hurriedly asked, “What’s the matter?”

The other party said: “The shipment we exported to the United States was just unloaded in the United States. As a result, the other company said that our product was not up to standard and we had to return it in accordance with the contract and claim triple compensation!”

Warnia suddenly glared, and blurted out in a panic: “The five thousand tons of goods will be returned? This time, I have lost tens of millions of transportation fees and customs declaration fees, plus triple the compensation. Several hundred million!”
