

The Amazing Son In-Law Chapter 2011-2020

Chapter 2011

Delong suddenly asked a question, so Elsa had no time to cover-up, and the whole person suddenly said in embarrassment: "You...you... don't talk nonsense, I...I don't like Marven."

"I don't believe you!" Delong curled his lips: "I have been you for so many years, and I can understand women. As you are now, I am sure, you have a crush on Marven!"

Elsa pretended to be impatient and said: "Oh, whatever you think, I don't bother to tell you."

Delong reminded: "Elsa, Marven is married, you'd better stay away from him, otherwise, if it spreads that Miss Dong likes a married man, and Dong family's face can be affected by you!"

When Elsa heard this, she suddenly became angry, and blurted out: "You still have the face to say that I have? You swallowed a necklace and performed the operation. The whole city was full of troubles. Who didn't know about it in Orgeyon, and later you Wearing a green helmet and riding a big 28 all the way from Orgeyon to Wrestvel, the whole Orgeyon is abuzz with this news. Why don't you say that the Kong family's face was lost by you?"

"I..." Delong felt embarrassed and unbearable on his face, and suffocated in his stomach, angrily said: "Elsa, is it necessary? Do we need to hurt each other like this?"

Elsa asked him back: "Who asked you to call me?"

Delong sighed helplessly, and said, "Yes! I really understand that you have a crush on Marven..."

As he said, he muttered gloomily: "It's so fcking weird! Marven, a married man, where is it good? Why do you all like him? Every other man in this world is dead. Is he light?"

Elsa no longer concealed what she liked about Marven, and asked curiously: "Who else likes him?"

Delong said angrily: "It's Warnia from the Song Family in Wrestvel! Why did I swallow the necklace last time? Isn't it because Warnia had her birthday? I wanted to chase her and marry her. I didn't expect that she would be too lazy to watch the whole process. Look at her, all her attention was on that Marven, so I got mad, and I choked with Marven..."

Elsa exclaimed: "Isn't it?! Warnia likes Marven?! Brother, are you kidding me?"

Delong said depressed: "Can I lie to you? What good is it for me? To be honest, I like Warnia, and she is now the Patriarch of the Song family again. Home is also a great help, I didn't expect that she would not look down upon me!"

Warnia's beautiful and moving appearance immediately appeared in Elsa's mind.

Although Elsa is also the eldest lady of the big family, she really lacks self-confidence in front of Warnia.

First of all, the strength of the Song family is not weaker than that of the Dong family. Secondly, Warnia is indeed a rare top beauty. Not only is she extremely beautiful, but also has a very good temperament. She is definitely an impeccable top beauty.

Elsa even felt that Warnia was the number one beauty in Wrestrvel in the true sense. Although Avella looked no less inferior to Warnia, Avella was still a bit worse than Warnia in temperament.

What's more, Warnia is now the head of the Song family.

This is not comparable to the eldest lady. After all, most eldest ladies of large families will be outsiders who will marry in the future. No large family will give the right of family inheritance to a woman.

But the Song family did so.

Warnia is now in charge of a large family of 100 billion alone, and is definitely the top female rich in China.

Even Sara Gu hasn't actually inherited the Gu family, so if you really want to talk about worth, Warnia is even above Sara!

Such a super beautiful woman who is very beautiful, she also likes Marven. This made Elsa realize the strong competitive pressure.

Seeing that she stopped talking and looked sad, Delong couldn't help sighing in his heart: "Where is Delong worse than Marven? Why is he so popular?"

Chapter 2012

Just as Delong drove to Tomson First-Class, in the quiet villa area of Tomson First-Class, a burst of loud curses broke out early in the morning.

It was Mrs. Xiao who scolded the street.

She woke up early in the morning and found that the two hundred in her pocket were gone. The first thought was that the money was stolen!

She thought at the time with 80% certainty that her money was stolen by the three including Gina.

But when she wanted to take Horiyah and confront Gina together, she discovered that Horiyah left a note, and the person was no longer there.

At this moment, Mrs. Xiao realized that 200 of hard-earned money and was stolen by her eldest daughter-in-law Horiyah.

She exploded at the time!

You know, these two hundred were exchanged for the hardships and sufferings, as well as being beaten and scolded. They didn't have time to spend a penny and were all stolen by Horiyah. How could she not be furious?

So, the angry Mrs. Xiao stood on the second-floor terrace and yelled: “Horiyah! You stole my hard-earned money! You must die!”

Theresa hurried over and asked: “Grandma, what’s the matter?”

Mrs. Xiao cried and said, “Your mother who suffered a thousand swords has stolen my money! My hard-earned money! The money for our family of four to eat dumplings during the Chinese New Year, she stole all of it! Fcuking all of it!”

“Ah?!” Theresa blurted out, “Grandma, what’s the matter? Mom stole your money?”

Mrs. Xiao handed the note left by Horiyah to Theresa, and cried: “See it for yourself! Your b!tch mother left it! She said that she will have an indefinite future with us!”

When Theresa saw the words, they were indeed mother’s handwriting, she was dizzy and blurted: “Mom is gone?! Where did she go? Why didn’t she tell me...”

Mrs. Xiao cried loudly: “That b!tch girl, she must not want to stay and endure hardship, nor want to be burdened by your father and your brother, so she left without saying goodbye!”

With that said, Mrs. Xiao sat on the ground, slapped her hands on the ground, and cried: “This b@stard is really a criminal! She can go as far as she goes. The farther she goes, the better, but why did she steal the old lady’s money. Wouldn’t her conscience hurt?”

Noah and Jay also heard what the old lady said. Noah shouted in the house: “Mom, what did you say?! Horiyah, that stinky woman, stole your money away?!”

“Yeah!” Mrs. Xiao cried and said, “This b@stard woman who has suffered thousands of swords has stolen all my money...”

Noah gritted his teeth and cursed: “Horiyah is a real b!tch! How come I haven’t noticed that she is such a b@stard!”

Jay was also extremely angry: “Mom is too much! She left, regardless of whether our family lives or dies?!”

Mrs. Xiao cried and said, “No! I can’t let her go! Call the police! Call the police!”

Theresa said with a red eye: “But we don’t have a mobile phone. The mobile phone has been taken away by Regnar’s people...”

Mrs. Xiao immediately said to Theresa: “Theresa, you go out to find a public phone. Call 110 on the public phone it is free. Hurry up! The sooner you call the police, the better the chance of catching that stinky woman!”

Chapter 2013

Viola was cooking on the first floor. Hearing that Mrs. Xiao cursed the street early in the morning, she hurried out to watch the excitement.

Here, Marven and Avella also happened to go downstairs, just to see Viola coming out.

She hurriedly asked excitedly: "Hey, have you heard that dead old woman scolding the street?"

Marven and Avella nodded, and Avella said embarrassingly: "Grandma, don't know what's wrong with her, she started cursing on the terrace on the second floor early in the morning."

When Viola heard this, she said excitedly: "Avella, hurry up! Help me go upstairs and have a look!"

Avella said helplessly, "Mom, what's so good about this..."

Viola put her right arm on the crutch, patted her left arm on the sitting leg, and blurted out: "Is there anything better than this? Help me go quickly, otherwise, it won't be a good show if I am late!"

Avella could only sigh and said, "Then I will help you up."

Seeing this, Marven helped Viola up first and said, "Wife, let me help mom."

Avella nodded and said, "Then I will press the elevator."

The couple supported Viola all the way up to the third floor. Viola came to the terrace and looked down, and saw Mrs. Xiao next door sitting on the ground of the second-floor terrace screaming.

In the house before, she could only hear Mrs. Xiao being noisy, but she couldn't hear what she said. After coming out, her voice became clear immediately.

Mrs. Xiao was still scolding at this time: "You are Horiyah who has suffered a thousand swords! You dare to steal the hard-earned money of mine! You have no conscience! The old lady curses you to be hit by a car when you go out!"

When Viola heard this, she laughed, and shouted: "Hey, old woman, what's the matter? Isn't your eldest daughter-in-law the most filial to you and the one that suits you best? Did she steal your hard-earned money?"

Mrs. Xiao suddenly heard Viola's voice, and when she looked up, she saw Viola's grinning face. She was angry and gnashed her teeth and cursed: "Viola, our family affairs have nothing to do with you b!tch! You! Don't talk cold words here!"

Viola curled her lips: "Oh, you are in your sevens and eighties. You scolded the street on the terrace in the morning. Why do you still have the face to say that I am a shrew? You are so cheeky!"

Mrs. Xiao said angrily: "You sh!t! The biggest b!tch in the world is you, Viola, do you think you can pretend to be a good person if you live in a Tomson first-grade and wear good clothes?"

Viola was not angry, and said with a smile: “Oh, old lady, you also said, I am now a person who lives in the first-grade Tomson, and the quality of the first-grade Tomson must be mentioned. I can’t be like you. You have been living in Tomson, and you ran to steal other people’s food. Are you not shameless?”

After that, Viola hurriedly said, “Oh, yes! The leek stolen from our house last time, did your family eat the leeks well?”

“You...you...” Mrs. Xiao trembled angrily, gritted her teeth, and said: “Viola! You used the daffodils to harm me. I haven’t accounted for you yet! You dare to mention this to me?!”

Viola smiled and said, “You stole our leek, why can’t I mention it? I heard that it was because of eating our leek that your eldest daughter-in-law found out that she was pregnant, right? So in the final analysis, you have to thank our leek for this! If it weren’t for our leek, your son would like to be a father!”

Mrs. Xiao was immediately furious. The incident of eating daffodils and incontinence at home was the most helpless moment in her life. Whenever she thinks about it, she feels like a knife.

In addition, she was already immersed in the pain of stolen hard-earned money and couldn’t help herself, and now she was ridiculed by Viola’s old story again, so the fire in her heart was about to ignite this villa!

Just when she wanted to scold Viola and didn’t know where to make her mouth, a police car hurriedly drove downstairs.

Several police officers got out of the car, and Theresa quickly opened the door, so one of the police officers asked Theresa, “Is it the call from your family?”

Theresa hurriedly said: “Yes, yes, it was my grandma who asked me to call...”

When Mrs. Xiao heard this, she hurriedly got up, squatted on the balcony guardrail, and blurted out crying bitterly, “Comrade police officer, you must help us to call the shots! Our house has been ransacked! The hard-earned money is gone! Can’t live anymore!”

Chapter 2014

When several police officers heard this, they immediately became energetic.

After all, people who can live in Tomson First Grade have very strong financial strength. The “hard-earned money” they call must be an astronomical figure.

Even if you want to come, people who can live in a villa of more than one billion at will, what is three to five million to them? The estimate of thirty to fifty million is frowning.

But seeing this old lady’s whole body behaving like this, it seems that this amount has to be more than 30-50 million!

Maybe, this is still an extremely large theft!

Therefore, several people hurried in and asked Theresa directly: "When did the theft happen? How much was stolen?"

Theresa was a little embarrassed and said: "This...please go to the second floor and ask my grandma, the money lost is hers. She knows the situation best."

"OK, fine!"

Several police officers hurried upstairs, led by Theresa, to the bedroom on the second floor.

Seeing two men sleeping in the bedroom on the second floor, one old and one young, the police officer was also a little surprised, but he didn't think much about it. He went straight to the terrace and asked Mrs. Xiao: "Lady, did you lose your property?"

"Yes! It's me!" Mrs. Xiao said angrily: "A woman named Horiyah! Stole my hard-earned money and ran away! You must catch her!"

The police officer nodded hurriedly, took out the police officer's handheld computer, and said, "Do you know the specific information of Horiyah? Such as hometown and age. If you have an ID number, it would be great! In that case, we can directly locate specific information and start arresting immediately."

"ID number?" Mrs. Xiao thought for a while and asked Theresa: "Do you know your mother's ID number?"

Theresa said embarrassingly: "I...I can only remember a small part, not all..."

Mrs. Xiao hurriedly said, "Go find your father's marriage certificate with her! There must be her ID number on it!"

Theresa nodded: "OK, grandma, I'm going to find..."

Several police officers exchanged glances, and the leader asked, "Lady, what is the relationship with Horiyah who stole your money?"

Mrs. Xiao gritted her teeth and said: "That bltch is my eldest daughter-in-law! I am really a guard against day and night. I didn't expect house thieves to be hard to guard against!"

The police officer in the lead said embarrassingly: "If she is from your own family, you must carefully consider whether to take legal procedures, because theft is not a trivial matter, it is a criminal offense."

After a pause, he said again: "If you really want to claim that she made the theft, then after we open the case for investigation, we will transfer it to the prosecutors to initiate a prosecution. In case of a felony conviction, it will take at least a few years or even After more than ten years in prison, you and your daughter-in-law are a family. There is no need to be so serious, right?"

Mrs. Xiao coldly snorted, "Really? I not only want to be true but also to be true to death! It's best if you catch her and sentence her to life imprisonment! Even if she dares to steal my money, she has turned

her back! Let her know today that I am definitely not something she can bully if she wants to! I must give her some color!”

Seeing this, the lead policeman stopped persuading, and nodded: “Since you claim that the other party is stealing your property, then we will proceed according to the theft case.”

Mrs. Xiao nodded hurriedly: “Yes, yes! It’s just going to follow the theft case and catch her! Jail her!”

The lead policeman asked again: “Lady, how much property did you lose this time? Including but not limited to cash, creditor’s rights, and any valuable personal items.”

The old lady blurted out: “She stole two hundred from me! That’s all my hard-earned money!”

The police officer was immediately stunned: “How...how much?! Two hundred?!”

Chapter 2015

Facing the police officer’s confirmation, Mrs. Xiao nodded and gritted her teeth and said: “Yes, it’s two hundred!”

The police officer thought there was a problem with his ears.

“An old lady who lives in the best villa of Tomson, will call the police for two hundred? It’s not right...”

Thinking of this, he secretly thought: “Could it be that rich people talk like this, saying that two million are two hundred? The last time the classmates’ reunion, the rich second generation in the class said that the same was true of his luxury car. It is obviously a Rolls-Royce with more than five million. When it comes to how much it is, he said lightly about more than five hundred. Is this a common problem of the rich?”

But thinking of this, he was a little puzzled: “It stands to reason that this old lady has a net worth of over 100 million, even if she loses two million, she won’t be so excited?”

So he looked at the old lady again and said, “Hello old lady, I will confirm with you again. You said your daughter-in-law, that is, Horiyah stole two hundred from you. This two hundred refers to Two million, right?”

“No.” Mrs. Xiao said: “It’s two hundred only, two hundred, cash, two hundred yuan!”

“Ah?!” The chins of several police officers all wanted to fall to the ground.

The leader said embarrassingly: “Lady, your eldest daughter-in-law took your two hundred, you called the police to arrest her?”

Mrs. Xiao raised her eyebrows and asked, “What’s wrong? Can’t I? She stole my hard-earned money, can’t I call the police yet?”

The police officer in the lead said embarrassingly: "It is okay, but I have to tell you basic legal knowledge. According to the definition of theft in our country's laws, the penalty for theft is that the amount involved must be at least a large amount. Standard."

After speaking, he explained: "The threshold for this relatively large amount is between 1,000 and more than 3,000. If this standard is not met, there is no way to pursue criminal responsibility."

Mrs. Xiao frowned and said, "What the hell?! She stole my hard-earned money! Did you know that I only made a hundred salary after a hard day yesterday! I was slapped in the face by someone else? I earned another hundred! And the two hundred is the money for our family to eat dumplings during the New Year!"

The policemen were all silly, and thought to themselves: "This old lady is joking with us, right? Living in such a big villa, calling the police for two hundred? And the two hundred is still earning one hundred from working. , Was beaten to earn a hundred? Most people are not poor enough, not to mention that she still lives in such a big luxury villa? This is too magical!"

However, he can only patiently explain: "There is no way, old lady, this is clearly stipulated by the law. If the other party only steals two hundred from you, we really have no way to file a case. We can only register you for the record first. In the future, she has met the criteria for filing a case because of other things, and we can try to help you recover the loss."

Mrs. Xiao hurriedly said: "Then I remembered wrong! She didn't steal two hundred, but two thousand!"

The police officer said embarrassingly: "How much money she stole from you depends on the detection of the case. Even if you say it is two thousand, we filed the case and the person is caught. In the end, it is discovered that you were lying. If the standard for filing a case is not met, then you are legally responsible for your lies."

Then, the police officer reminded her: "Also, the old lady, I want to explain to you that even if it reaches two thousand, it is only control, not detention. Do you understand the meaning of control? Do not detain the other party, just Personal freedom is restricted to a certain extent and community corrections are carried out on a regular basis. At that time, you may be required not to leave Wrester or the street where your villa is located. Then you can do some community corrections and you will basically pass the barrier."

"What?!" Mrs. Xiao blurted out: "Your management is too loose, right?! This is theft!"

The police officer sighed helplessly: "Let's put it this way, old lady, the theft is indeed a crime, but there must be a degree of accountability. If a student comes to report that the same table has stolen his rubber, worth a dollar, we will also go arresting people? This is not appropriate!"

Chapter 2016

After that, the policeman said again: "Lady, if your daughter-in-law only stole two hundred from you, we really can't file a case on this matter. I blame her for stealing too little, even if she took and sold the TV stealthily. Let's calculate the price at the time the TV was purchased. It's enough to file a case, but she didn't steal your TV after all!"

The police officer just used the TV as an analogy, but Mrs. Xiao suddenly thought about selling the TV in Regnar's villa together with Jay and Noah. She was shocked and asked nervously: "Comrade police officer, if you steal a TV worth 100,000, how will you be sentenced?"

The police officer said seriously: "If this TV is really worth 100,000, then the amount is extremely huge. As long as the value of the theft reaches 60,000, then the basic penalty is ten years. On this basis, for every additional 4,200, the sentence is increased by one month, and if a TV is worth 100,000, it is almost sentenced to 11 years in prison."

"What?!" Mrs. Xiao was shocked!

"Stealing a TV is sentenced to eleven years?! This is too terrible, right?!"

"Fortunately, Regnar didn't call the police at the time! Otherwise, I'm so old, I was probably going to die in prison directly by then..."

In the room, Noah Xiao and Jay lying on the bed were also frightened by these words.

Jay trembled in fright. Immediately, Noah next to him felt a damp heat coming from the sheets, and blurted out, "Jay...you...how did you wet the bed?!"

Jay said in a low voice with a bitter face: "Dad, I'm afraid...Stealing the TV is sentenced to 11 years, which is too scary..."

Noah was particularly helpless, and sighed repeatedly: "Hey! It's scary, it's scary, but don't wet the bed! Now it's good, my pants are all wet by you..."

Jay's mouth flattened and his voice choked: "Dad...I'm sorry...I really didn't hold it back...I promise not to do it anymore..."

Dave nodded bitterly, and said in a low voice: "Listen to what the police officers say...Your grandma is also right. What is the point of reporting two hundred to the police! What's the point! If you tell me about selling TV, you might have to hurt everyone..."

At this time, Mrs. Xiao was also a little panicked.

She really did not expect that Horiyah stole two hundred from her, which was not even enough for the filing standard.

But her family secretly sold Regnar's TV, but it was enough to be sentenced to more than ten years, which really scared her.

The police officer saw that the old lady's face was wrong and thought that the old lady was simply angry, so he said, "You should try to deal with this matter inside the family. To be honest, two hundred is in the current society, where is it? It's not too much, and you don't have to hold on to it. No matter how the family has feelings, it won't turn around for two hundred, don't you think?"

Mrs. Xiao sighed depressed, and said, "Okay, let's do it, it's a b!tch!"

The officer nodded: "You can drive as long as you want. If there is nothing wrong, we will leave first."

At this time, Theresa came over with the marriage certificate and said: "Police officer, here is the marriage certificate."

Mrs. Xiao angrily said, "What kind of marriage certificate do you still have? Send the officers off quickly!"

Chapter 2017

Viola on the terrace on the third floor, seeing the old lady let Theresa send a group of police officers away, she said with a grin in her throat: "Oh, I say old lady, don't you want to call the police to arrest your eldest daughter-in-law? Why? At this time, your heart is soft again? It seems that you still have a soft spot for your eldest daughter-in-law!"

Mrs. Xiao felt uncomfortable at first, but when Viola was chattering on the other side again, she became angry and cursed: "Viola, my family's affairs have nothing to do with you, don't chirp here!"

"Oh, don't you think I'm crooked?" Viola sneered, "Don't live next door to our house if you don't think I'm crooked!"

As she said, Viola sneered: "I heard Dave say yesterday that you went to the supermarket to work? Okay, old lady, you didn't do anything for the whole of your life. When you get old, you start working hard for your career? But I heard that your career seems boring, just pulling plastic bags at the supermarket!"

Mrs. Xiao was furious, and sternly scolded: "What am I doing has anything to do with you? Is it necessary for you to point your fingers here?"

Viola smiled and said, "What you are doing has nothing to do with me. I just sigh with emotion that your old thing will have today."

As she said, Viola laughed at her and sighed: "Oh, forget it, since you are so poor that you are going to work in the supermarket, what can I care about with people like you? I'm not a member of your family anymore. I live a life that you can't dream of. I wasted all these tongues with you and played the piano for cows, so I can only wish you good luck."

Mrs. Xiao's blood rushed to the top of her head by Viola's words, and she gritted her teeth and said: "Viola! Please pay attention when thunder and rain, I think you will be killed by thunder sooner or later!"

Viola laughed and said: "You old thing do all the bad things, otherwise you will oppress your two sons, control the financial power of the family, and sell your own granddaughter's body in exchange for prosperity and wealth. In my opinion, if God is really eye-catching. , The chance of thunder smashing you to death is much greater than smashing me to death! It smashes you to death eight times, and can't kill me once!"

Mrs. Xiao almost collapsed. She jumped and cursed: "You... don't squirt dung here!"

Viola waved her hand impatiently: "If you do the old thing, don't fix the useless ones. Let's see who has a good life. You can see that my leg is injured. My son-in-law gave me hundreds of thousands. Just to buy on the Internet, how about you? You are so poor that you can't eat enough to go to the supermarket to work. That is the gap between the Phoenix and the pheasant!"

Mrs. Xiao was out of breath, she was completely speechless, she only felt her blood pressure rise suddenly, and it rushed straight to her forehead.

At this time, Viola didn't plan to let her go, and sneered: "Old stuff, if you are really poor and can't eat, I can give you a trick. Don't forget that you were mixed in the detention center at the beginning. In the beginning, there was Gina and the others covering you. How cool were you? From my point of view, you might as well go out and do something sneaky right now, and then wait to go to the detention center to eat food for free!"

After finishing speaking, Viola waved to Marven and Avella: "Good son-in-law, good girl, let's go downstairs to eat, don't be familiar with that old thing!"

As soon as she finished speaking, she turned her head and said to Mrs. Xiao: "Oh, old stuff, I'm going to eat first. By the way, I will tell you that our breakfast is very rich, with chicken feet in black bean sauce, steamed pork ribs in black bean sauce, and fresh shrimp. Barbecued pork buns, oh yes, and sashimi fish porridge. They are all authentic Cantonese morning tea. I am going hungry!"

Mrs. Xiao was overwhelmed by blood pressure, she felt dizzy and almost fell to the ground.

At this time, Theresa just came back, and when she saw this, she hurriedly supported her.

But even though Mrs. Xiao was dizzy, she still cursed hoarsely: "Viola, don't go, I will never spare you today! You will come out!"

Viola was so addicted to her mouth that she didn't bother to continue to talk to her, and said directly to Marven: "Good son-in-law, help mom downstairs."

Avella followed behind and asked, "Mom, where do we get so many Cantonese refreshments?"

Chapter 2018

Viola smiled and said, "Silly girl, I lied to her. Where can I buy Cantonese-style refreshments for the Chinese New Year? Besides, I can't do it. I'm just angry with that bad old lady!"

Viola continued, "Don't you know that your grandma usually likes Cantonese-style tea, so she goes to the teahouse to have it all morning. Every time she goes there, she eats a meal like Empress Dowager Cixi, one big table, now she has fallen into a family of despair, I still can't stimulate her well?"

Avella sighed helplessly, and said, "Mom, should you turn over the grudge you had with grandma? She is so old, so don't be familiar with her."

Viola said disdainfully: "What about getting older? I tell you, there are a group of people in this society. The older she gets, the worse she gets! This kind of people, the older they are, the more they can't

breathe. It was able to save bad water in my stomach, and it smelled bad! Back in the detention center, you didn't know how she tortured me. I didn't rush to kill her. It is all my kindness!"

Avella had nothing to do with this mother, so she asked, "Okay, mom, then what do we have for breakfast?"

Viola said: "I have noodles for breakfast, I ordered tomato and egg noodles."

After finishing speaking, she looked at Marven and said flatly, "Good son-in-law, don't dislike it. When your mother's legs are ready, I will go out to buy all kinds of big fish and meat every day, and make a big meal for you!"

Marven smiled and said, "Mom, I'm not picky about eating. You should make more delicious food for Avella."

"Sure for sure!" Viola said with a grin: "At the beginning of pregnancy, it is necessary to eat healthily."

Avella said shyly: "Mom... why are you talking nonsense again..."

Viola said solemnly: "How can this be called nonsense? Mom is here. Before a woman wants to have a baby, she must be healthy. Don't be like your mother. You will get pregnant if you are confused."

Marven was embarrassed when he heard it, and thought: "Obviously you used Dave to get drunk and take the initiative to have a relationship with him. It can be regarded as deliberate, how can you become pregnant if you are confused?"

Avella didn't want to continue discussing this topic with her mother at this time, and she said, "By the way, Mom, Elsa will come and stay with her cousin for a while. Then you can stop talking nonsense."

Viola asked in surprise, "Elsa is coming? She hasn't returned to Orgeyon yet?"

Avella nodded: "Not returned. Does she not work in the Emgrand Group? Office workers only have a holiday today, so she will visit our house first, and then return to Orgeyon for the New Year."

Viola asked again: "Will she come back to work after the New Year?"

"She will." Avella said: "She likes the job of the Emgrand Group."

Viola smacked her lips, and said seriously, "It feels a bit wrong!"

Avella asked in surprise, "What's wrong?"

Viola said very seriously: "The Dong family is so powerful, how can she look for a job in the Emgrand Group? And she has been working for so long, I think, she must have another plan!"

Chapter 2019

Marven didn't expect Viola to judge Elsa so accurately.

In fact, when Elsa first arrived at the Emgrand Group, Marven had already guessed her motive.

The Dong family must have heard that the Ye family arranged a descendant in Wrestvel and also bought the Emgrand Group as a gift to the other party. Therefore, the Dong family felt that this was a good opportunity to get ahead, so Elsa was arranged.

Originally, Marven planned to prevent Elsa from contacting him in the Emgrand Group. As a result, she could not find his true body for a long time, and believed that she would leave Wrestvel soon.

But who would have thought that Elsa fell in love with him by chance?

From the moment she confessed to Marven, Marven knew in his heart that it would be impossible for this woman to shake off for a while.

Here, Avella heard her mother say that Elsa came to Wrestvel because she actually had other plans, so she couldn't help but smile: "Mom, wherever you want to go, people just come to work. There are no other plans."

Viola smiled and said: "Then I ask you, if your family has a hundred billion, would you go to a job with an annual salary of several million a year?"

Avella thought for a while and said: "She may just want to be an independent woman, or just want to work hard on her own in the workplace, or simply because of feelings."

"Feelings?!" Viola waved her hand and said solemnly: "Oh my daughter, you don't understand! In this world, the pauper may be with a bit of so-called feelings, but the rich definitely don't!"

As he said, Viola said with a certain face: "These rich people, all of them are unprofitable guys, all of their energy is focused on making money, and I can't wait to sh!t to use it. Click to create a little value, so it is impossible to come to a small place to waste time!"

"The only explanation is that they have taken a fancy to something in this small place. Maybe, what valuable treasure is hidden in Wrestvel!"

Avella said helplessly, "Mom, it was a very simple thing, how can you say it is so mysterious..."

Viola said solemnly: "Don't believe it! When I was young, I heard my grandma say that their hometown was in a mountain nest, and they didn't see a few outsiders throughout the year. The rich would never go to them, but from the beginning of the year, there will be several wealthy people who go to them to donate money to build temples, some donate land temples, and some donate Guanyin temples, saying that their gods are very effective..."

"The people in the mountains are very puzzled, thinking, I haven't heard of any very efficacious gods here. If there are real gods, how can we be so poor and have a meal without a meal? This is not logical, right?"

Avella nodded: "It's a bit strange, then?"

Viola said: "Then it has been this way for several years, dozens of large and small temples have been built, but everyone is still poor and dying, until a great detective from Orgeyon came all the way to investigate the case in the mountains. Everyone realized that those rich people came to the mountain to donate to the temple to steal a tomb from the Han Dynasty!"

"Ah? Tomb robbers?" Avella said embarrassingly, "Mom, are you reading too many novels? Where are so many tomb robbers in novels!"

Viola said seriously: "Do you think the tomb robber in the novel is mysterious? I tell you, there are more tomb robbers in reality than described in the novel!"

After that, Viola rolled her sleeves and gestured with her hands excitedly: "I tell you, that tomb is under the mountain behind your grandma's house, but the villagers have never known it! In those few years, All kinds of tomb robbers used the donations to build the temple and punched dozens of holes under the temple, almost hollowing out the bottom of the mountain!"

Chapter 2020

Avella smiled and said: "Mom, the more you talk, the more mysterious you are, and you are digging holes...Do you think you are touching Captain Jin?"

Viola saw that Avella didn't believe in her, so she couldn't help but anxious, and blurted out, "You girl, you don't believe what mom said! My grandma's house has opened a lot of tombs over the years. Not far from my grandma's house, a particularly famous tomb of Haihunhou was unearthed. Have you heard of the tomb of Haihunhou?"

Avella nodded: "I heard that it seems to be a very important archaeological discovery. What's wrong with this tomb?"

"What's the matter?" Viola hummed: "I tell you, the reason why this tomb was discovered by the cultural relics department is that when the tomb robbers robbed the hole, they alarmed the nearby villagers. After the villagers called the police, the talents of the cultural relics department knew that there was a large tomb there, and the tomb of Haiyunhou's wife was also in front of him. It had been stolen by tomb robbers long ago. It is said that there are dozens of thief holes punched in from all directions!"

Avella was stunned at hearing, "Are these tomb robbers really so powerful?"

Viola was a little anxious, and said, "If you don't believe me, search online!"

Marven on the side nodded in agreement: "Wife, you are indeed a little ignorant about this matter. Actually, there are many very powerful craftsmen in the folk. The tomb robbers you read in novels are actually too many in real life, don't believe me. Ask your dad, every year in the antique circle, many unearthed cultural relics are privately traded underneath. To put it bluntly, they are items stolen by tomb robbers."

After speaking, Marven said again: "A dozen or twenty years ago, a case of theft of Cordyceps Sinensis occurred in a provincial capital city in the central region. A shop that operated Cordyceps was stolen

overnight with 200 kilograms worth thousands of Wan's Cordyceps, do you know how the other party stole it?"

Avella shook her head: "How did they steal it?"

Marven said: "It was a thief and stole it. They rented the shop opposite to the Cordyceps shop, drilled tens of meters underground, and went directly to the ground of the Cordyceps shop, and then drilled out and stole all the Cordyceps."

Avella was surprised and said: "This is too amazing..."

Marven nodded: "Aside from their illegal and criminal behavior, just talk about their craftsmanship in drilling holes, it is indeed very powerful."

Viola looked at Avella and said, "Now you believe me?"

Avella nodded, "Mom, I believe..."

Viola gave a hum, and then said: "Then now, you understand what is meant by unprofitable and profitable, right? For tomb raiders, if it weren't for the ancient tomb in the mountains, who would go to that kind of poor country to donate? Temple? That's the same with Elsa. If it weren't for Wrestvel's profit, why would she be the eldest lady of the Orgeyon family and waste her time here? That's why I say, Wrestvel must have a big treasure we don't expect!"

Avella frowned and said, "But there is no treasure in Wrestvel. Even if there is an ancient tomb, it is impossible for the Dong family to steal the tomb!"

Viola said, "The big treasure I'm talking about may not be an ancient tomb! Maybe there are hidden great men in Wrestvel!"

Avella smiled and said, "Big man? What big man can interest Orgeyon's family?"

After she finished speaking, she pointed to Marven and ridiculed: "Many people in Wrestvel call your son-in-law Master Ye, saying that your son-in-law is a real dragon in the world, is he a hidden great figure."
