

The Amazing Son In-Law Chapter 2041-2050

Chapter 2041

Mrs. Xiao finally had a full meal and had a good night's sleep.

Unexpectedly, the door of the room was kicked open by the angry Gina early in the morning!

Before Mrs. Xiao could react, Gina rushed to the bed, slapped her face fiercely, and cursed angrily: "You dead old woman, even the censer used by me to give incense to the Buddha You dare to steal rice, are you still a human?"

Mr. Xiao was dizzy by the slap. Looking at Gina's face that was close at hand was full of anger. She was so frightened that she blurted out and pleaded: "Gina, I'm sorry Gina! I didn't want to steal either. Your thing, but I was so hungry..."

Gina was furious and gritted her teeth: "It's your problem that you are hungry. What does it have to do with me? The incense burner is used by me to incense the Bodhisattva. You stole the rice in it. That would be disrespectful to the Bodhisattva! If you condemn me, you are hurting me!"

Lady Xiao couldn't help but choked up: "Gina...this New Year's Eve...you can't just watch my old lady starving to death in this house, right? You say, if I die in this house from hunger on new Year's eve, how will you live here in the future? You lie in the bedroom upstairs every night thinking that I starved to death in this room downstairs. Would you feel better in your heart?"

With that, Lady Xiao said in tears: "Gina...you just saved me, saved an old life. Didn't the Bodhisattva say? Save a life and win the seventh-level Buddha statue. This is also considered accumulation of good deeds!"

Although Gina's expression eased a little, she still shouted coldly: "For the sake of the Bodhisattva, I can forgive you for stealing rice, but you must save your own behavior and pay a certain price!"

Mrs. Xiao hurriedly asked, "Gina, what price do you want me to pay?"

Gina said coldly: "You honestly wash the clothes for the three of us for one day. I will think this has never happened!"

When Mrs. Xiao heard this, she immediately pleaded: "Gina, I was unwell yesterday and couldn't go to the supermarket to work, so I stole your rice. Today I said everything has to go to work, otherwise for the family of four today's rations are missing again..."

"Then I don't care!" Gina said annoyedly: "Either you will wash our clothes, or you will give me the rice that you ate, and I will not ruin you. As much as you eat, you will pay me back and give the incense burner just fill it up!"

Mrs. Xiao cried her face in mourning: "Gina, all the rice has been boiled by me, now let me give you back what? Or else, you let me go to the supermarket to work today, and I get the money after work. I'll buy rice and return it to you immediately, do you think it's okay?"

“No!” Gina said without relenting: “If you choose to return the rice to me, then return it now, otherwise, just get out and wash my clothes honestly!”

After that, Gina threatened again: “If you toast and don’t eat fine wine, don’t blame me for being rude to you!”

Seeing Gina’s grim expression, Lady Xiao knew that this woman was definitely not joking with her.

She is now lonely and weak, how could she be her opponent?

So, Lady Xiao nodded her head in tears, choked up, and said: “Okay...I will wash...I will go to wash...”

On the first day of the Lunar New Year, Mrs. Xiao’s family of four did not get in.

The three of Gina gave a lot of dirty clothes and bed sheets to Mrs. Xiao and asked her to wash everything today.

So the old lady has no time to go out and make money.

And Theresa, because of the need to take care of the injured and bedridden Noah and Jay, she couldn’t get out at all.

Chapter 2042

No one is going to make money, so naturally there is no food to cook, so the family can only stand hungry.

Since Noah and Jay kidnapped Viola, and mishandled Cynthia Ye, all four of the Xiao family have lost a lot of weight, and their lives have been miserable.

The Marven family next door packed up their things at noon on the first day of the Lunar New Year and drove to the hot spring villa Isaac gave to Marven. The family planned to relax in the hot spring villa for two days.

At the night when they arrived at the hot spring villa, Cynthia sat in the shabby rental house, looking bored at a takeaway dumpling.

Since Marven detained her in Wrestvel, Cynthia has been relying on takeaways to survive.

And the hateful thing was that Marven didn’t allow her to order takeaways by herself. All the takeaways were ordered directly by Orvel’s confidant, and the price of each meal basically never exceeded thirty yuan.

In the past few days, Cynthia was forced to taste a lot of popular delicacies that she had never tasted in her entire life.

For example, yellow braised chicken rice, such as green pepper shredded pork rice bowl, Kung Pao chicken rice bowl, ramen noodles, northeastern potato noodles, donkey meat fire and so on.

In the eyes of the Ye family, these common delicacies, which could no longer be ordinary, were simply rubbish in the trash. Not to mention eating a meal, or even smelling it, would make her feel sick.

But now, Cynthia, who had always been aloof, can only feed on this every day.

Yesterday was New Year's Eve and they couldn't order takeaways, so Orvel's people gave her two boxes of instant noodles, a bag of ham and two braised eggs.

Cynthia had eaten this kind of garbage when she saw New Year's Eve. Naturally, she lost her reason to live, and said that if she couldn't eat dumplings on New Year's Day, she would commit suicide on the spot.

Therefore, Orvel's people gave her a dumpling made by themselves.

The dumplings are made with pork and sauerkraut. Because the younger brother of Orvel and his family are all from the Northeast, he loves this flavor of dumpling filling.

But Cynthia ate all the delicacies of mountains and seas since she was a child, and Ye's dumplings had not been wrapped in pork.

The most commonly eaten dumplings of Ye's family are mixed with shrimp meat from top lobster and fish meat from wild large yellow croaker. They are then chopped into meat puree by hand, and then wrapped with minced meat from shark fin and abalone. The cost of a dumpling is probably higher than the cost of ordinary people eating dumplings for a year.

Cynthia had never eaten a bite of sauerkraut.

For a young lady who grew up in a top family, pickled food like sauerkraut is a taboo they will never touch. Almost any food that needs to be pickled and fermented is equivalent to poison in her eyes.

Therefore, she only tasted the pork and sauerkraut dumplings, and immediately spit it out, and then rinsed her mouth several times before finally getting rid of the taste of sauerkraut.

Cynthia opened the door angrily and questioned Orvel's younger brother: "What kind of shit dumplings did you bring? Is it the damn thing for people to eat?!"

When the man heard this, he immediately became angry. He spoke with a northeastern accent, and said angrily: "You stinky woman, why the hell do you talk? My mother made these dumplings, and I was kind enough to give you some. , Are you fcuking talking like that? Are you willing to die?!"

Chapter 2043

Orvel's subordinates did not know Cynthia's specific details.

All he knows is that this is a middle-aged woman for whom the boss requires strict supervision. As for her surname, where she comes from, and what background, this person knows nothing.

Therefore, when Cynthia got furious because of the dumplings he kindly brought, he immediately became a little angry, feeling that he was kindly feeding a vicious dog that barked.

Cynthia didn't think that Marven, one of his subordinates, spoke to her in this tone, suddenly becoming angry.

She pointed to the other's nose and sternly said, "Do you know who I am? How dare you talk to me like this?"

The other party gritted his teeth and cursed: "I care who you are, you insult the dumplings my mother made for me, and I can't get rid of your hatred if I don't strike your fucking mouth!"

Cynthia became even more angry when she heard him mention dumplings, and cursed: "You have a fucking face to mention dumplings. I'll ask you, what is the sour thing in that dumpling of your mother? Your mother is rotten and sour, and your mother is still making dumplings. Is it sick? Is the family so poor?"

A man from the Northeast who is about 1.8 meters tall, his face flushed immediately and annoyed, he said, "You fucking know a f@rt! That's the fucking sauerkraut we eat most often in the Northeast! You haven't even seen sauerkraut. Are you fucking still human?"

Cynthia said with a haughty expression: "This kind of junk food, that is, poor people like you will eat it!"

After that, she took the dumpling and threw it directly on the opponent's face.

Cynthia didn't care about the dumplings scattered all over the place. She stared at the strong man in front of her and said coldly: "I don't eat this garbage, you quickly go and prepare me a lobster dumpling!"

Seeing the dumplings that his mother worked so hard to make, Cynthia was so ridiculed by it that she even threw them all to the ground, and suddenly couldn't control them. He raised his hand and slapped Cynthia in the face.

Cynthia was immediately slapped and scolded in anger, "You...you dare to beat me! I fucking kill you!"

The other party ignored her and said coldly: "Today's meal has been delivered to you. If you are not full, you can only wait for tomorrow."

Cynthia blurted out: "What did you say?! I ate one of your rubbish dumplings and vomited!"

The other party said lightly: "Then it has nothing to do with me. Anyway, I have delivered the meal. It is your business whether you eat or not."

Cynthia gritted her teeth and said, "I won't eat your dumplings, you can order me a McDonald's!"

When the other party heard this, he roared angrily: "You fucking don't want your face! Northeast sauerkraut is rubbish in your eyes, and McDonald's is not rubbish in your eyes? It's a damn good thing. Shame on you!"

After that, he closed the door directly and hung the lock from the outside.

Cynthia didn't eat a bite of rice, so she quickly became hungry.

In the evening, Cynthia couldn't help calling her father Zhongquan, who was far away in Orgeyon. She complained on the phone and told her father about her experience in Wrestvel.

Then, she begged her father bitterly: "Dad, you put some pressure on that b@stard Marven, let him put me back quickly, I really can't stand it..."

After listening, Zhongquan said calmly: "Okay, I've told you about this before. Since you did something wrong by yourself, then honestly stay in Wrestvel for a week."

Cynthia choked and said, "Dad, I really can't bear it anymore. I don't know how to live this kind of ghost life! I didn't even stutter all day today. If this continues, I will be driven crazy!"

Chapter 2044

Zhongquan frowned, and asked: "As a daughter of the Ye family, why don't you have this patience? You can't hold on to this little thing, what else can you do?"

Having said that, Zhongquan reminded again: "By the way, from now on, you don't have any conflicts with Marven, and don't end up with him because of these things. He has agreed to come back to attend the ancestor worship ceremony on Qingming Festival. That is a good start for him to return to the Ye family."

Cynthia asked angrily: "Dad! Why do you always favor Marven that infamous b@stard? He is a poor boy who has been living outside for many years. He has never read a book or went to school. What value does he bring to the Ye family? You still let him go back to attend the ancestor worship ceremony, he won't be able to embarrass us Ye Family's direct line?"

Zhongquan said coldly: "Marven is also of the Ye family's bloodline. He still has the marriage contract of Philip's daughter. His potential value to the Ye family is incomparable to anyone, including you! So you Don't fix any monster moths, let you stay in Wrestvel for seven days and you'll just stay! A portion of pork and sauerkraut dumplings can find faults, you really don't look like floating!"

After Zhongquan finished speaking, he directly hung up the phone.

Cynthia on the phone's end was naturally aggrieved in tears.

The more so, the more she hated Marven in her heart.

In her opinion, she suffered hardships and was even scolded by her father because of Marven.

Therefore, she swears from the bottom of her heart that she must find an opportunity to make Marven pay the price!

And this ancestor worship ceremony is the best opportunity!

Thinking of this, Cynthia murmured in her heart and swears: "Marven! Cynthia, I will definitely teach you a bitter lesson!"

Thinking of this, she wiped away her tears, opened the door, and said with an apologetic look to the subordinate of Orvel: "You gentleman, I was indeed reckless just now. I apologize to you and hope you can forgive me... .."

As she said, she bowed deeply.

Seeing this, the other party's mood naturally eased a bit, so he said: "Okay, because of your good attitude, this matter will be over!"

Cynthia was overjoyed and quickly bowed to thank him. Then she asked, "Sir, can you please help me to send a message to your boss?"

.....

At night, Marven, who was in the hot spring hotel, received a call from Orvel.

On the phone, Orvel said to him: "Master, your aunt asked me to bring you a message today. She said that she has been deeply aware of her mistakes in the past few days and wants me to say sorry for her and hope you Can forgive her for being immature."

Marven said indifferently: "It's impossible for a person like her to apologize to me willingly. It must be something else?"

Orvel said: "She said, I hope you can recite her good attitude and let her return to Orgeyon in advance."

Marven sneered: "No! Tell her to stop dreaming. She can't miss a minute in seven days."

Orvel said hurriedly, "Okay Master, I will pass it on to her."

"Yeah." Marven said: "After seven days, let her leave Wrestvel immediately, and never allow her to come again!"

Chapter 2045

The overall living experience of the hot spring villa in Champs Elys is much better than Tomson.

It is located on the mountainside with beautiful scenery, not only the scenery is excellent, but more importantly, it is very quiet, the distance between the villa and other villa is also very far, and the privacy is very good.

In addition, although the total price of the hot spring villa in Champs Elys is about half that of Tomson's first product, it is actually much larger than Tomson's first product in terms of the construction area and courtyard area.

Housing prices in the city are very expensive, mainly because of the land price. The Champs Elysées is located in the suburbs, so the land price is much lower than in the city.

Avella likes the environment very much. For her, it has been a long time since she had the opportunity to experience such a relaxed and quiet life.

Therefore, the family simply decided to take advantage of the Chinese New Year holiday to stay here for a few more days and relax.

Elsa has been trying her best to invite Avella and Marven to visit Orgeyon, but Avella is still hesitating. She feels that going to Orgeyon will inevitably have to go back and forth, and no matter how good someone else's home is, it's far away from living in someone else's home. It's not as good as living in own home, so she hesitated.

On the second day of the Lunar New Year, while Marven's family was still enjoying their vacation in the hot spring villa, Warnia had already started meeting with Nippon Steel's senior officials in Tokyo.

The Song family's involvement in steel manufacturing this time was a careful decision after Warnia thought twice.

The steel industry is the foundation for the development of the modern industry. Whether it is light industry, heavy industry, or military industry, it is inseparable from the support of the steel industry.

The Song family had been involved in the steel industry earlier, but they never seized the opportunity to become bigger and stronger.

Now, she takes over the Song family, hoping to increase the overall industrial scale of the family by a step, so she decided to bet heavily on steel companies.

The specific plan is to establish a steel company focusing on special steel smelting in Haicheng, a city on the lower reaches of the Yangtze River not too far from Wuxi.

Haicheng is the city where Tailai is located.

Although Tailai is the richest man in Haicheng, his main direction is real estate and supporting commercial development, which is highly similar to the development direction and industrial form of Wanda Group.

As Haicheng is a city on the lower reaches of the Yangtze River and closer to the sea, shipping is also very convenient. Iron ore and other raw material purchased from Brazil and Australia can be easily transported via the sea by 10,000-ton bulk carriers to the city.

The most important part of the iron and steel industry is transportation. The amount of iron ore is huge. Therefore, shipping conditions must be supported to reduce costs to the greatest extent. This is why almost all large-scale steel companies are established in coastal cities and cities along the river. The main reason.

The Song family invested in a large area of industrial land in Haicheng many years ago, which happened to be used to build a factory. So now the only thing the Song family lacks is a partner with strong R&D capabilities and a large number of steel patents.

Therefore, Warnia set the cooperation target as Japan's Nippon Steel.

Chapter 2046

She decided to adopt a joint venture like an automobile company to introduce Nippon Steel's cutting-edge technology in steel companies.

FAW-Volkswagen, Guangqi Honda, and Changan Ford have basically adopted this kind of joint venture idea. After two to thirty years of joint venture development, these companies have indeed achieved very impressive sales results.

Nippon Steel is also very interested in this cooperation, coupled with the Song family's strength, land, and certain experience in the steel industry, it is also a very good potential partner for Nippon Steel.

So the two sides hit it off, and the rest is the discussion and formulation of cooperation details.

Warnia's idea is that the Song family holds 51% and Nippon Steel holds 49%, but the idea of Nippon Steel is that they hold 51% and the Song family holds 49%.

Don't look at such a slight difference in proportions, but it determines who has the final say in a company.

Shareholders who reach 51% are undoubtedly the largest shareholders, and they have absolute power to say anything about specific matters of the company.

Once the controlling rights are handed over to Nippon Steel, the Song family will lose all dominant positions in this cooperation.

At the negotiating table, both sides saw the issue back and forth, but no one wanted to take a step back.

Warnia said to Nippon Steel's senior management: "Everyone, our cooperation this time refers to the usual cooperation model of the auto industry. In our country, local auto companies and overseas auto companies have established joint ventures with local companies to hold shares %, overseas companies hold 49% of the shares. After that, the company is established in our country and it should be controlled by us. I hope your company can understand this!"

The person responsible for negotiating with Warnia is Nippon Steel's vice chairman, whose full name is Hashimoto Kinzaki, is a member of Nippon Steel's core management.

Hashimoto Kinzaki is forty years old this year. In Japan, a society where qualifications are extremely important, he can climb to the core management so early. It can be said that he is a very right-handed person.

At this time, he looked at Warnia and smiled slightly: “Miss Song, I know the kind of cooperation model you mentioned in the automobile industry, but that kind of model is not suitable for this cooperation between Nippon Steel and you.”

Warnia said with a calm expression, “Mr. Hashimoto, why is it not suitable for our cooperation? I would like to hear more.”

Hashimoto Kinzaki said with a smile: “First of all, there are too many leading companies in the automotive industry. There are Toyota, Honda, and Nissan in Japan alone, BMW, Mercedes-Benz, Audi, and Volkswagen in Germany, and GM, Ford, and Chrysler in the United States. Not to mention the Ferraris, Lamborghini, and Maseratis in Italy. With such a large number of competitors, it is inevitable that their peers will be underestimated. Everyone will often lower their prices for the Chinese market...”

Speaking of this, Hashimoto’s expression was stern, and he said seriously: “However, there are only a few leading companies in the steel industry. Among the world’s top ten steel companies, half of them are on the list due to large output. There are only three or four companies specializing in the core technology of special steel, and the only company in Japan is Nippon Steel. You have a Chinese saying, “Rare is precious”. Miss Song for the rare cooperation of Nippon Steel Partner, it is normal to sacrifice more interests!”

Warnia hesitated again and again, and said: “Mr. Hashimoto, I really can’t give up any more shares. The Song Group must hold 51% of the shares in this cooperation, but as compensation to Nippon Steel, we can give rope in terms of income rights, Nippon Steel has a certain degree of tilt. For all the net profits generated by our cooperation in the future, Nippon Steel will enjoy 51% of the net profit income rights. What do you think of this?”

Hashimoto Kinzaki shook his head without hesitation, and said seriously: “Ms. Song, we will not make any concessions on the equity issue. If we are willing to make concessions on this point, we will have deep cooperation with other steel companies in your country. How can we wait until today?”

Chapter 2047

Warnia knew that what the other party said was true.

In fact, Nippon Steel, a top-notch steel group, is very popular in any country.

Especially their strength in special steels is among the top in the world.

Special steel has a wide range of uses, and the more sophisticated the field, the higher the demand for special steel.

Such as the military industry.

The most common barrels have very strict requirements on steel.

If the material is excellent, the life and accuracy of the gun can reach the best, but if the material is not good, the life and accuracy of the gun will naturally not work.

Some barrels, fired thousands of times, will wear out so much that they have to be replaced.

Some gun barrels have reached the end of their life after hitting a few hundred rounds. If they don't work well, they may explode. Once they are put into use on the battlefield, it may affect the battle situation and results.

In addition, tank armor, helicopter armor, and aircraft carrier decks all have extremely high requirements for steel.

Therefore, everyone hopes to have in-depth cooperation with companies like Nippon Steel.

But Nippon Steel is also very smart.

They not only have a great appetite for foreign cooperation, but they are also very cautious about patents and scientific research results.

Even if it is to reach a cooperation, they will not bring out the top results at the bottom of the box.

At most, some castrated products are used to cover the civilian field, and the cutting-edge technology in the military field is never external.

This time working with the Song family, what they want is Absolute Holdings.

While letting the Song family surrender, contribute money, land, and power, they must do things under their hands and at their orders.

As long as the Song family agrees to this condition, they will spend a few years gradually turning the Song family into their own puppets, or sweeping the Song family out of the game.

Warnia didn't expect that she would give Nippon Steel two more profit rights, but the people of Nippon Steel still refused.

So, she gritted her teeth and said: "Mr. Hashimoto, I can give Nippon Steel a part of the income right. The future net profit will be 55% for Nippon Steel and 45% for Song. How about this?"

To give up five points in one breath, for Warnia, it was already a great compromise and concession.

Unexpectedly, Hashimoto shook his head without hesitation and smiled faintly: "Miss Song, our Nippon Steel's requirement is to never give up the controlling rights. If you can't agree to the controlling rights, then there is no need to continue talking."

Warnia suddenly felt very passive.

She couldn't help but secretly think in her heart: "Now, on behalf of the Song family, I actively want to cooperate with Nippon Steel, so Nippon Steel directly squeezed my mentality and demanded a controlling stake, and it did not give in at all... ..If I continue to insist, then this matter may not be discussed..."

"If this time I return without success, then all the preparatory work I have done will be lost..."

Chapter 2048

“By the way, if I give up the controlling rights, it will be equivalent to giving up all autonomy. In the future, Nippon Steel will decide almost all the affairs of the company. Then the Song family will be too passive...”

Hashimoto Kinzaki saw her expression a bit tangled, and said with a smile: “Miss Song, this matter does not need to settle immediately without any hurry. You can go back and think about it first. Let’s make an appointment tomorrow for a chat. What do you think?”

Warnia hesitated for a while, then nodded gently.

She is very clear that she has no initiative at all in this round of negotiations.

If continue to talk like this, they will only become more passive.

This is like buying things in a store. If the seller is anxious to make a move, the buyer will have more room for bargaining. For example, if the seller makes a price of 100, the buyer will directly say 20, and then you will sell if you sell. I go to another place to buy it, and then I can firmly seize the initiative.

However, if the seller’s mentality is very stable, the buyer will say twenty, and the other party will directly say that you should go to another house. This will make the buyer lose the initiative.

According to normal logic, buyers can only add up a little bit until the price can satisfy the seller. The specific transaction depends on the seller’s psychological price. It may be fifty or seventy-eight. Ten, even ninety.

However, the seller in front of Warnia was not prepared to make any concessions.

He gave Warnia a very tough attitude. You can only buy one hundred for this item, and one cent will not work. If you want to get 99, I’m sorry, then you can go to another house or go back and think about it.

Warnia has no room for mediation at this time. The only way is to suspend the negotiation first, slow down the rhythm, and continue to come and talk tomorrow.

So, she nodded and stood up and said, “Mr. Hashimoto, then both of us will consider it carefully. If it is convenient for you, I will come back tomorrow morning.”

“No problem!” Hashimoto stood up with a smile, shook hands with Warnia, and said, “Miss Song, I will send you out.”

After Warnia left Nippon Steel, she and her assistant got into the rented nanny car and rushed back to the hotel.

At the same time, she sent a message to the family’s WeChat group in the car: “Nippon Steel must have a 51% controlling stake here. I will not give in. I give up the right of income to 55% and they are still unmoved. I have already come out of Nippon Steel. I will organize the negotiation points in the evening, and I will talk to them again tomorrow.”

Mr. Song immediately sent a voice message: "Nippon Steel has always had a big appetite, but don't take them too seriously, because I learned some time ago that Nippon Steel's life is not easy now!"

Immediately afterward, the old man sent another voice: "Their group has successively engaged in several large investment projects in the past few years, but they have not done it properly and wasted a lot of funds, so their revenue this year is under great pressure. On the surface, it seems very calm, but deep down, they must also be eager to cooperate with us. It's nothing more than trying to put on the air and strive for more benefits."

Honor Song also sent a message: "Warnia, don't worry, look for their flaws, and then hold them, they will definitely compromise."

"Yeah." The old man said: "It is now February, and they will soon release last year's financial report. If the financial data is not good, not only shareholders will trouble them, but investors will also complain. In that case, their stock price is bound to fall. If they can announce their cooperation with us before the financial report is released, it can also inspire the emotions of shareholders and investors."

Warnia replied: "Okay, I will get ready after I get back to the hotel, and talk to them again tomorrow!"

At this moment, Hashimoto's phone suddenly rang.

The caller ID indicated that the call was from Wrestvel of the neighboring country.

Honor, at this time, was in his luxurious duplex apartment in the center of Wrestvel, listening to the prompt tone on the phone with a wireless landline.

Hashimoto got on the phone first, and said with a smile, "Mr. Song is so fast. As soon as the lady left with her front foot, your call came from the back foot!"

Chapter 2049

At this time Honor, looking at the river outside the window, smiled faintly, and said: "Mr. Hashimoto, I also just heard my sister say that the cooperation negotiation with you does not seem to be going well."

Hashimoto Kinzaki laughed and said, "She really thinks a little bit. She wants to cooperate with our Nippon Steel and also wants a 51% controlling stake. How is this possible? It is also cooperation. Mr. Song, you give me the terms. , Much better than her!"

Honor said with a smile: "Of course, women are too petty, so it is difficult to acclimate. As long as Mr. Hashimoto and I work together, I will give 51% of the shares to Nippon Steel by then. I will give nine more points to Mr. Hashimoto in private!"

Hashimoto Kinzaki said with some excitement: "Mr. Song is really magnificent! After such a toss, you only have 40% left in your hand!"

Honor said indifferently: "40% does not matter. I do this not to make money, but to make friends with Mr. Hashimoto."

Hashimoto Kinzaki smiled and said, “Mr. Song is really too generous! But I want to know, what is the chance of our success in this matter?”

Honor said seriously: “As long as you have the ability to keep my sister in Tokyo, the chance of success in this event must be 100%!”

Hashimoto Kinzaki said: “Mr. Song, I’m not distrusting you, but I heard that before your sister inherited the seat of Song’s Patriarch, the Song’s Patriarch seems to have always been your grandfather. If I take your sister Staying in Tokyo, will you be able to be the head of the Song family?”

Honor sneered and said seriously: “My grandfather is old and has reached the age of being able to eat. Even if he wants to sit as the master of the home, he must have more than enough energy.”

Having said that, Honor said again: “And Mr. Hashimoto, don’t worry, since I have decided to do this, it is that I have no arrow back when I open the bow. Even if my own relatives stand in front of me, I will kill my relatives righteously! So, as long as you can cooperate with me, I will not let you down!”

Hashimoto slapped his lips first, and said with emotion: “Tsk-tsk...Mr. Song is really courageous and knowledgeable, but there is one thing, I must put the ugly words first.”

Honor hurriedly said, “Mr. Hashimoto, please speak.”

Hashimoto Kinzaki said word by word: “Mr. Song, I can help you solve your sister’s trouble, but after I help you solve the trouble, you must honor your promise to me, otherwise, the recording of the call may be transmitted to the Song family or even to the police in your country!”

Honor said without hesitation: “Mr. Hashimoto, please don’t worry about this. After the event is completed, I will definitely honor my promise to you 100%!”

Hashimoto Kinzaki smiled slightly: “In this case, Mr. Song will patiently wait for the good news!”

.....

The following day, the third day of the Lunar New Year.

Warnia rushed to the Nippon Steel Corporation early to continue negotiations with Hashimoto Kinzaki.

After going back yesterday, Warnia thought about it all night. In order to win Nippon Steel, she made several plans for emergencies.

After the two parties sat at the negotiating table, Warnia took the lead in coming up with her first plan.

In the first set of plans, she still insisted on a 51% controlling stake, but in return, she was willing to adjust the share ratio to 40% to 60% in the first five years of cooperation between the two parties.

In other words, give Nippon Steel 60% of the net profit in the first five years, and then adjust it to 55% after five years.

Chapter 2050

Hashimoto's attitude has changed slightly from yesterday.

He no longer rejected Warnia's proposal very simply as he did yesterday, but started Tai Chi with Warnia.

He made many things ambiguous, and neither agreed nor refused. This kind of hard and soft attitude made Warnia feel very helpless.

The two sides have been talking about the approaching evening from the morning. Warnia has adjusted the profit share to Nippon Steel for the first five years to 65%, but Hashimoto recently refused to agree.

Warnia really has no choice but to show her own cards, and said: "Mr. Hashimoto, it seems that both of us are unwilling to make concessions to each other on the issue of holdings. If it is not possible, you think this will work. 50% of the shares, under any circumstances, we guarantee that each other has 50% of the voting rights. All cooperation matters, we are equal. If our two sides can't make progress in the cooperation, we will also follow the 50% to 50% method Distribute all remaining assets equally!"

Hashimoto Kinzaki frowned and sighed: "Miss Song, both parties hold 50% of the shares, which means that everyone has no initiative. If there is any dispute or disagreement in the future cooperation, how to resolve it? If not If a person can finally make a final decision, isn't it that you are caught in an infinite loop where you don't obey me and I don't obey you, but no one can help each other?"

Warnia said with a very serious expression: "Mr. Hashimoto, if both of us want to cooperate to the best of our ability, even if there are differences, I believe that everyone can calmly resolve them instead of trying to smash each other. Since we seek cooperation, we just want to do things well. If we don't even have this prerequisite, then cooperation will indeed be difficult to continue."

After that, Warnia said again: "So if you really have the sincerity to cooperate with our Song Group, the equity of 50-50 will not be a problem, but if you do not have this sincerity, then cooperation may not be necessary. It can be pushed forward."

Hashimoto Kinzaki said embarrassingly: "Ms. Song, there is a saying in your country that you call a villain first, then a gentleman. Since it is cooperation, it must take all the worst cases into consideration first, don't you think?"

Warnia said: "Mr. Hashimoto, the equity is 50%, and the income is still five points. This is the last limit of our Song Group. If you think you can cooperate, then we will continue to talk. If you think If we can't cooperate, then we can only say sorry, so it's up to you to continue the conversation."

Hashimoto Kinzaki did not rush to express his opinion to Warnia. Instead, he looked at the time, with a weird smile on his face, and said, "Miss Song, it's too early now. Otherwise, on your terms, I and our director Let me give you long feedback. I will give you a definite answer at the earliest tonight and tomorrow at the latest. What do you think?"

Warnia hesitated for a while, and said, "Well then Mr. Hashimoto, I'll wait for your news!"

Having said that, she stood up, reached out to Hashimoto Kinzaki, and said politely: “Mr. Hashimoto, then we will go back to the hotel today. If there is any progress, please contact me as soon as possible.”

Hashimoto nodded first and smiled: “No problem, Miss Song, please rest assured to wait for my news.”

Warnia took her assistants and got up and left the office building of Nippon Steel.

When going out, Warnia felt very complicated.

Today, she has already revealed her final trump card, and she has no room for mediation anymore. If Nippon Steel’s senior management can’t agree, then she will return from Japan this time without success.

Upstairs of Nippon Steel.

Hashimoto Kinzaki watched Warnia’s commercial vehicle leave the parking lot downstairs, with a cruel smile on his lips, and picked up his mobile phone to make a call.

As soon as the phone call, he smiled and said, “Mr. Song, the lady has been driven mad by me. I think the time is ripe and we can do it tonight. After tonight, your cousin will completely disappear from this world!”

Honor’s voice came from the other side of the phone: “Haha, Mr. Hashimoto, then everything depends on you!”
