

The Amazing Son In-Law Chapter 2081-2090

Chapter 2081

Takehiko's words made Marven suddenly alert.

He asked, "Mr. Ito, are you familiar with the chairman of Nippon Steel?"

"Yes!" Takehiko said very seriously: "The chairman of Nippon Steel is named Watanabe Shinka, and he has a deep friendship with me."

Marven nodded and said, "Then please ask him if he is looking to cooperate with a Chinese company to build a factory recently. If so, ask him which company he is cooperating with and whether it has been finalized."

Takehiko said immediately: "Okay, Mr. Ye, I'll just ask."

Warnia hurriedly asked Marven: "Master, do you think Mr. Watanabe has a problem?"

Marven shook his head: "One is this Watanabe, and the other is for you to see Watanabe's vice chairman. Both of them are suspicious, but I am still not sure who has the problem, and neither it's okay to exclude both of them, or include both."

Warnia nodded lightly, without saying more.

This is because she also knew very well in her heart that this matter was far beyond her control. Since Marven had already come to Japan for her, she would completely listen to his arrangements.

When Ito heard that there might be a problem, he patted his chest and said, "Mr. Ye, I am very familiar with Watanabe. Although he is a little bit cunning in business, he is still very upright. I believe He should have nothing to do with the murder of Miss Song."

Marven smiled slightly: "Mr. Ito, I am not distrusting you, but this matter involves many lives, so you still have to be cautious. Could you please help me ask this Watanabe, and please also ask. At the time, try to be more natural and don't let him hear what you mean."

Takehiko nodded, immediately took out his cell phone, found Watanabe's number, and called.

The call was quickly connected, and a lazy voice came: "Hey, Ito, what do you b@stard doing calling so early?"

Takehiko laughed and said, "Watanabe, where are you now?"

Watanabe yawned, "I'm sleeping, where else can I be! What's the matter with you? Let me sleep a little longer if there is nothing important..."

Takehiko said: "I heard that you want to cooperate with a Chinese company? Are there any companies that have confirmed intentions?"

Watanabe asked curiously: "What? Are you planning to enter the steel industry?"

Takehiko said: "No, I just ask you, I happen to know some friends in China, if your cooperation here has not been settled, I may be able to help you match up."

Watanabe said: "We have indeed considered this matter. Recently, it seems that we have indeed been docking with some powerful Chinese companies, but I will leave this to Hashimoto."

Takehiko asked: "Hashimoto? Is it Hashimoto Kinzin?"

"Yes." Watanabe said with a smile: "To be honest, this kind of cooperation to build a factory is not too big a business for Nippon Steel as a whole. I usually don't directly intervene, but if you have friends who want to cooperate, then I can sell you face."

Takehiko smiled and said, "Then I will thank you in advance, but has Hashimoto determined a partner for cooperation? If he already has a certain candidate, I will suddenly jump in. I am afraid. Not suitable."

Watanabe said indifferently: "You don't need to worry about Hashimoto's suitability, he is a senior part-time worker. If I don't ask anything, he will decide, but if I ask, he can only follow orders."

Takehiko laughed and said, "Okay, I know, wait for me to ask my friends for details, and I will contact you if necessary."

Watanabe said: "You have nothing else, right? I'll hang up if there is nothing else, and continue to sleep!"

"Okay, go to sleep!"

After hanging up the phone, Takehiko said to Marvin: "Mr. Ye, it seems that Watanabe really doesn't know about this. He didn't even ask Miss Song and Hashimoto Kinzin about cooperation, and why would he participate in the murder? Where is Miss Song in this equation?"

Chapter 2082

Marvin nodded slightly and looked at Warnia to the side: "Did Hashimoto called you yesterday and asked you to sign a contract with the chairman?"

Warnia said firmly: "Yes, Hashimoto called me first and asked me to go to Nishitama County to sign a contract with the chairman."

Marvin snorted coldly: "It seems that the problem lies with Hashimoto Kinzin. He must have deliberately deceived you to go to Nishitama County, and then set up an ambush on the mountain road in Nishitama County."

Warnia asked very suspiciously: "Master, I don't understand why Hashimoto Kinzin would harm me? I have no grievances with him, and there has never been any intersection before. Why did he plan to kill me?"

Marven said coldly: "Many assailants and victims don't know each other. What really drives him to murder each other is mostly profit. It must be good for him to kill you, so he did this."

Warnia was even more surprised, and asked: "I really can't think of it, what good will I do for him if I die? He won't get any good either!"

Marven looked at Warnia and said seriously: "You are dead, it may be difficult for him to get any benefits directly, but the key is to see if anyone benefits him after you die!"

Warnia's expression suddenly tightened: "Master...you...you mean...someone hired him to kill me?!"

Marven nodded firmly: "I think it should be like this!"

Warnia was a little nervous at once, and at the same time she couldn't understand, she said vaguely, "But...but...but it doesn't make sense...I usually I have never offended anyone. Who would be good if I die?"

Marven looked at her, smiled but did not speak, because he already had an answer in his mind at this time.

He felt that Honor Song and his father Tianming Song were most likely behind the incident.

Marven knew everything about the Song family.

Warnia's parents died young, and there are several uncles in the family.

Among them, Tianming, the father of Honor, has the most influence.

Because he is the eldest son and the successor that the old man had originally decided to set aside.

Therefore, in Warnia's generation, Honor is naturally the most influential one.

Warnia has not had much influence because she has no parents and is alone.

It is also fortunate that Mr. Song takes care of her and loves her, so even if her parents are gone, she can still enjoy the treatment of Missy.

In case Mr. Song is the kind of old feudal patriarchal patriarch, Warnia has no parents, I am afraid that the Song family has long used as a marriage tool, married her to a big family as a wife.

However, since Warnia met Marven, her position in the Song family has skyrocketed.

When the old man Song was about to die, Warnia asked Marven to pull him back from the Palace of the Kings of the Lords. Then Marven also looked at Warnia's face and gave him a rejuvenation pill to regain his health and be twenty years younger.

Therefore, when Marven gave a pill as a birthday gift on his birthday, Mr. Song was so excited that he passed the position of Patriarch to Warnia.

In this way, Warnia suddenly became the most powerful one in the Song family. In contrast, the power and influence of Honor and his father have shrunk drastically.

In this case, Honor and his father must be very dissatisfied with Warnia.

Once the dissatisfaction in their hearts continues to accumulate, over time, they have the idea of murdering Warnia, and it seems logical!

Chapter 2083

Warnia really couldn't think of who wanted her life.

Although the shadows of Honor and Tianming flashed in her mind, she immediately denied this idea.

She felt that Honor grew up with her since she was a child, and treated her like a sister, so he couldn't think of her badly.

This is not how simple and stupid Warnia is, but that she feels family love is priceless, and she shouldn't doubt her cousin and uncle.

Marven could see that she hadn't doubted Honor's head, so it was just on this topic, and it was just a point of fascination.

He is only suspicious of Honor now, and there is no need to tell Warnia too much before he finds definite evidence.

So he said to Warnia: "Warnia will live in Mr. Ito's house for the time being in these two days. As I said, don't contact anyone, let alone let anyone know that you are still alive and who wants to kill you. I will investigate."

Warnia nodded lightly, and said respectfully: "Master, I will let you arrange everything."

Marven smiled slightly: "You didn't sleep all night. After you finish eating, let Miss Ito arrange a room for you to rest."

Nanako hurriedly said: "Miss Song, what style of room do you like? Is it a Japanese-style tatami mat or a European-style soft bed? I'll let the maid prepare it in advance!"

Warnia hurriedly said: "Miss Ito is too polite, I can go with anything."

Nanako said with a sweet smile: "In this case, let me help you arrange a Japanese-style guest room, which is also considered to be in the countryside."

Warnia said politely: "Then thank you, Miss Ito!"

Nanako said earnestly: "Miss Song is Master's good friend. When you come to Ito's house, you treat it as your own home."

With that, Nanako said with some regret: "Ms. Song is coming to Tokyo. It stands to reason that I should accompany you to stroll around, but Master will not let you show up. This time I can only apologize for you to stay at home. After the matter is resolved, I will take you around again!"

Warnia did not expect that Nanako, as the eldest lady of the Ito family, was much stronger in value and background than herself, but she was so polite to her that she was flattered for a while.

However, she soon realized a very real problem in her heart, and thought to herself: "I have never met Miss Ito. She is so polite to me. Isn't it all about Master's face? She can only say Master. Too much ability, too much face..."

While Warnia was feeling emotional, Nanako had already prepared the matcha in the Japanese tea ceremony. She was the first to bring the teacup in front of Marven, with a little respect and a little shyness, and said, "Master, Please enjoy!"

Marven nodded slightly and smiled: "Thank you Nanako."

After that, he reached out and took the teacup.

Nanako did the same, and took a cup to Warnia.

Warnia discovered that although Nanako was very polite and humble when serving tea to her and Marven, her eyes were a bit less bright than when serving tea to Marven.

As a woman, Warnia couldn't be clearer, Nanako was facing Marven, what the light in her eyes meant.

If a woman looks at a man with a different kind of light in her eyes, then this man must be the love in her heart.

Because the light in the eyes is the look of love.

There was a sudden sadness in her heart.

The sadness is because Marven always seems to have no shortage of women who like him.

Chapter 2084

Moreover, those women who like him are all excellent.

Not to mention the Ito Nanako, just in Wrestrvel, Aoxue of the Qin Family, and Zhovia next to the genius doctor Shi, which one is not stunning in the world?

But, who can't tell, they both have a special attachment to Marven?

Thinking of this, she looked at Marven's eyes with a bit of resentment, and at the same time, she was also feeling emotional: "You b@dass, I really don't know how many women you provoke outside, so many women love you, so passionate. Debt, I see how you can pay it off in the future..."

At this moment, in order to please Marven, Takehiko said to Warnia, "Miss Song, I have a relationship with Nippon Steel's Chairman. You also know. When this matter is investigated, it will become clear. After the murderer is severely punished, if you still need to cooperate with Nippon Steel, I can help you build a bridge, and I will definitely help you fight for the best cooperation conditions at that time."

Warnia said gratefully, "Thank you so much, Mr. Ito..."

Takehiko said seriously: "Ms. Song, Mr. Ye has helped me the Ito family too much. It can be said that if Mr. Ye hadn't helped me at the beginning, my Ito family would probably have suffered annihilation!"

Speaking of this, Takehiko sighed: "Mr. Ye is so kind to us, you are his friend, that is, a friend of my Ito family. Helping friends is what we should do."

After the Matsumoto family was wiped out for kidnapping a pair of children from the Su family, Takehiko often felt that he was lucky.

In the beginning, the Matsumoto family was going to kill the children of the Su family, and then set the blame on his family. If it weren't for Marven, it would be the Ito family that might be destroyed.

Not to mention, Marven also saved Nanako, so Takehiko attaches great importance to him.

Seeing that Warnia was his friend, he was naturally willing to sell Marven's face and help Warnia.

Marven on the side also saw this.

He couldn't help but secretly said in his heart: "Unexpectedly, after Takehiko was injured, his temper has not only changed a lot, but he has also improved a lot in his behavior."

.....

After breakfast.

Warnia, who had not rested all night, followed Nanako to the Ito family's guest room.

Although she took the pill that Marven gave her and was in good physical condition, the mental fatigue caused by the high tension could not be solved by the pill.

So, she lay on the Japanese-style tatami, and soon fell asleep.

At this time, after chatting with Marven for a while, Ito said apologetically: "Mr. Ye, I'm really sorry. After the amputation, I have been relatively weak. I got up too early today. I can't hold it anymore. I'll go back to my room and rest for a while. If you have any needs, just tell Nanako."

Marven nodded slightly and said, "Mr. Ito, please."

Takehiko arched his hand weakly and said to Emi Ito, "Emi, take me back to the room."

Emi Ito hurriedly said, "OKay, Oni chan!"

Oni chan is the name of brother in Japanese.

The elders and inferiorities of Japanese society are very clear. Therefore, in front of outsiders, Emi Ito has always treated Takehiko with respect, like a daughter to a father.

Afterward, Emi Ito said to Marven with a guilty face: "I'm sorry, Mr. Ye, Oni-chan's body is severely damaged, and his vitality is severely injured. The doctor asked to take more rest. Please forgive me..."

Marven nodded and said, "Ms. Ito, please take Mr. Ito back to rest. When I finish this matter, I will definitely help Mr. Ito get a good treatment. I may not be able to make his severed limb grow longer, but at least I can restore his physical condition to the state before the injury, even better than that."

Chapter 2085

Nanako, who was making tea, immediately became excited when she heard Marven's words!

She knew the weight of Marven's words.

In the beginning, her injury was also extremely serious, and she didn't even dare to imagine that she would have a chance to heal in this life, but what she didn't expect was that Marven could quickly get rid of all of her pain with just one pill.

Not only that, but her physical fitness has undergone tremendous changes and improvements.

Therefore, Nanako believed that as long as Marven was willing, he would surely be able to restore her father's body to the original state.

Of course, Nanako knew very well in her heart that Marven definitely couldn't regenerate her father's severed limbs, but he could at least greatly restore his physical condition.

In that case, apart from losing his legs, her father is at least a healthy person.

Rather than being so sick as it is now, very haggard and distressing.

Therefore, she almost immediately put down the tea set in her hand, got up and bowed deeply to Marven, and said gratefully: "Master, thank you so much!"

Takehiko also knows Marven's ability!

In the beginning, he tried every means to find all the experts in Japan, and no one had any solution to his daughter's injury.

He even thought that his daughter would be inseparable from a wheelchair for the rest of her life. He even thought that under the influence of that kind of injury, her physical condition might get worse.

But never dreamed that Marven could help her daughter to recover.

Not only is it recovering as before, but it is also a big step forward.

This is enough to prove that Marven is a person with great abilities and supernatural powers!

Therefore, he couldn't hide his excited hands and said, "Mr. Ye! You are willing to treat me. It is a great blessing for me. Your great kindness is unforgettable!"

Marven smiled slightly and said seriously: "Mr. Ito doesn't have to be so polite, my style has always been like this, you respect me, I will respect you!"

As Marven said, he has always been full of grudges.

Not only hatred must be repaid, but also gratitude must be repaid.

For example, Aunt Li in the orphanage, she raised him in childhood, he feels grateful to her and even willing to do anything for her.

Another example is Avella, when he was so down and nothing, she was willing to marry him, and she did not ridicule and insult him like other people, but respected him as a guest. Marven did not forget this.

Sometimes, it doesn't even need to reach the point of so-called kindness, as long as the other party has enough kindness to him, he will return more kindness to the other party.

Solmon knew when he was lost, Marven gave him a pill;

Qin Gang was devout, Marven donated two pills to his family;

Orvel was loyal, and Marven not only gave him the earliest basic medicine, but also saved his life with the rejuvenating medicine.

Warnia treated him pretty well at the beginning, and had always treated him respectfully, so he was willing to wish her the position of head of the house and rescue her from the overnight raid in Japan.

This is Marven's code of conduct.

At this time, Marven thought very simply: Although Takehiko was a bit pretending before, but since he saved Nanako and helped the Ito family through the crisis, he immediately lost his way and knows how to return. It can be said that he is a very current affairs person.

Moreover, this time he is extremely concerned about his visit to Japan and the things Warnia encountered. He really sees this in his eyes.

Since he is in a situation like this, it is within his power to help him recover.

Chapter 2086

After all, there are still a lot of rejuvenation pills, and this thing is of little use to him, but it has a great effect on Takehiko.

He is not a martial artist, and he is not too old. If he scrapes a rejuvenating pill by one-tenth and soaks it in water for him to take it, he will surely restore his health quickly.

As for why he didn't give it to him right now, he mainly wanted to control the rhythm more or less in this matter.

Sometimes, to be generous to others is to be rhythmic.

Although generosity is a good thing, it is like medicine. It can both cure and hurt people.

Just like when injecting drugs, a scientific and reasonable rate of administration must be established according to the properties of the drug and the patient's condition.

It is not good to give the medicine too quickly;

But it's too slow to give, and it's not good!

Giving it soon will often make the other party despise this generosity, and it may cause the other party's mentality.

But slowing down will often make the other party lose patience, drain the original gratitude, and replace it with complaints and dissatisfaction.

The rhythm is just right now. It's not given right away, and it won't be delayed for a long time. Just wait until he finishes Warnia's affairs.

In this way, not only can Ito be grateful, but also he can spontaneously help with Warnia.

Not only can he help Warnia find the real murderer behind the scenes, but he can also help her facilitate cooperation with Nippon Steel.

It is possible to help her turn this crisis into an opportunity.

In this way, Warnia can not only survive the crisis without any risk, but also can use this to find out who is behind the scenes, ensure that everything is safe in the future, and even get a cooperation agreement with very good terms. This is the best of both worlds.

Takehiko, Nanako, and Emi all thanked Marven respectfully at this time.

Especially Takehiko, his eyes were flushed while thanking him.

Seeing him emotionally, Marven smiled at him: "Mr. Ito, you should go back to rest as soon as possible. I will tell you in advance when I am ready to treat you."

Takehiko immediately said excitedly: "Okay Mr. Ye! Anyway, I can't thank you enough!"

.....

After Takehiko was pushed away by Emi, only Marven and Nanako were left in the room.

Nanako took the initiative to move her seat, and sat cross-legged opposite Marven. While adding tea to him, she asked with a blushing face: "Master has any plans next? Do you want to investigate that Hashimoto's approach? If necessary, I can send a ninja over and monitor him secretly!"

Marven thought for a while and nodded: "That's okay. After all, I am not ready to stun the snake. If you want to solve this matter once and for all, you must not only find out the master behind the scenes, but also have solid evidence."

After speaking, Marven said again: "If you have a ninja who you trust and pass the test for you, let him help me monitor Hashimoto's activities. I want to see what he does every day, where he has been, and who he has contact with. And what is the content of contact."

Nanako immediately nodded and said, "Master can rest assured, these are small things, and ninjas can do it, so I will give them orders."

Marven thanked her and asked her: "Nanako, in your Ito family, how many ninjas can you mobilize now?"

Nanako thought for a while and said, "There are probably fifteen or sixteen ninjas that can be mobilized."

Marven nodded and said: "By the way, Miss Song's cousin also came to Tokyo. His name is Honor, but I don't know what hotel he is staying in Tokyo. Please I ask you to arrange for someone to investigate. After the result, two more ninjas can be sent to secretly monitor him."

Nanako asked in surprise: "Master, do you suspect that Miss Song's cousin is behind this incident?"

"Yes!" Marven said gratefully: "This matter, I will trouble you to help me keep an eye on."

Chapter 2087

At noon, in the mountains of Nishitama County.

The weather in Tokyo today is excellent.

Clear sky.

The warm sun rises high in the sky, spreading warmth and brightness over the whole earth.

In such good weather, the visibility is extremely good, so it is especially suitable for search and rescue.

The TMPD searched all night, but did not find any traces related to Warnia, which made the entire TMPD desperate.

The search range, centered on the location of the accident, first spread to five kilometers, and then to ten kilometers, still nothing.

The TMPD decided to expand the search range to 20 kilometers. If it is not possible to search for 20 kilometers, it can only announce that Warnia has disappeared and whereabouts are unknown.

Honor was anxious at this moment.

What he needs now is to find Warnia's body as soon as possible, otherwise he will be unsure of her death, and he will not be peaceful.

Hashimoto Kinzin was also anxious, and now the TMPD has highly suspected that Warnia and her party were deliberately killed, so they have begun to investigate from the scene.

Although Hashimoto's staff have handled the scene very carefully, there is absolutely no perfect crime in this world, no matter how careful and cautious, they will definitely leave clues.

As long as the police find the key clues, they can follow the vine and figure out the whole story.

Until then, no one can escape from the subordinate who actually executed the murder to Hashimoto who gave orders behind the scenes.

Mr. Song, who was far away in Wrester, was still worried about Warnia's whereabouts.

He made several phone calls to Honor all morning and asked about the progress of the TMPD, but Honor gave him no clue.

This also made the old man's mood more and more heavy.

Although he extremely hoped that his granddaughter would be safe and sound, the absence of any news for so long has made him prepare for the worst in his heart.

He knows that the longer the time is delayed, the less chance the granddaughter will return.

So, he hurriedly called Marvin.

As soon as the phone was connected, he choked up with pleading: "Master, please find a way to save Warnia!"

As he said, the old man didn't feel stretched, he was crying.

Marvin hurriedly comforted: "Master, don't worry, I will definitely try my best to help Warnia."

Mr. Song sighed, "Master, you don't know that the honor has gone to Japan overnight, but the whereabouts of Warnia has not been found in Japan, and the three people with Warnia have died. Life or death is uncertain, this...how can I not worry..."

Marvin originally considered whether to tell Father Song that Warnia is safe.

But after much deliberation, he still felt that he had to stop it. Since he said it or didn't tell him, then he wouldn't tell anyone.

Whether it was Mr. Song or anyone else, he couldn't reveal half of it.

So he said to Mr. Song: "Don't worry, Mr. Song, I've already notified my friends in Tokyo to help find Warnia's whereabouts. I will tell you as soon as I have any news."

Mr. Song choked and said, "Master, it's true that I have a very bad premonition this time. Warnia's accident seems to have been man-made, and everyone else has died. Only she is missing. I feel it is very likely that she has been met by an accident, or she is about to meet..."

Marven said, "Master, there is still no conclusion on this matter, so you don't have to be too pessimistic. I believe that Warnia has her own natural conditions, and they should be able to turn dangers into peace."

Father Song was silent for a moment before he pleaded: "Master, if you can, the old man dare to ask you one thing..."

Chapter 2088

Marven hurriedly said, "Master, please speak."

Father Song trembled: "Master, I beg you to take time to go to Japan. In this world, I am afraid that only you will have the chance to save her..."

Marven didn't tell the Song family about coming to Japan by himself.

Therefore, Mr. Song now thinks that others are in Wrester.

But since Mr. Song said so, he didn't conceal it anymore, and said: "Mr. Song, I really don't hide it. I'm in Tokyo right now, and I will do my best for Warnia."

Mr. Song asked in surprise and excitement: "Master, you...are you in Tokyo?! When did you go?"

Marven said truthfully: "Last night, I heard that Warnia had an accident, so I asked Mr. Zak Chen from Shangri-La to help arrange the plane and flew over."

Mr. Song was obviously relieved, and said gratefully: "Master, Warnia to have a friend like you is really fortunate! You are a person with great magical powers, I believe you will definitely save her."

As he said, he hurriedly said again: "Master, Honor also took some people to Tokyo last night. Or I will let him see you and let him listen to your instructions over there. What do you think?"

Marven couldn't help frowning when he heard this.

See Honor?

He is not interested.

However, when he thought that Honor was the biggest suspect, Marven felt that it was okay to see him.

See him and see if this kid will show his feet when facing him.

So Marven said to Mr. Song: "Old man, let Mr. Song call me, and I will tell him the time and place of the meeting."

Father Song was very excited: "Okay, OK! Master wait a minute, I'll call him, let him visit you immediately! In the future in Tokyo, let him listen to your instructions!"

Marven snorted and said, "Okay, let him call me."

Honor is worrying about the hotel at this time.

He thought his trip to Japan would be very simple. He would come and claim Warnia's body. Discuss directly with his family about how to take the body back. Then he could go back to Wrestvel to prepare for the funeral.

After the funeral, give Grandpa the neurological drugs prepared by his father to slowly turn him into Alzheimer's patient, and then he can be raised as a mascot.

However, he did not expect that he planned everything carefully, but he was directly stuck in the first link.

He is here, but Warnia's body is gone...

Just when he was riding a tiger and didn't know what to do next, Mr. Song called.

This is already the eighth call that Mr. Song has made to Honor today.

He looked at the word "Grandpa" on the phone, and couldn't help screaming: "Fck old stuff! Keep calling his mother! He will annoy me sooner or later!"

He scolded, but he still didn't dare to delay a little bit, and hurriedly pressed his phone to answer.

As soon as the phone was connected, Honor immediately seemed to have changed. He said in a respectful voice with a bit of self-blame and a bit of sadness: "Grandpa, sorry, there is still no news from the TMPD, but you Don't worry, I will urge them again!"

Grandpa Song gave a hum and said, "Honor, I called you because I have something to tell you."

Honor hurriedly said, "Grandpa, please tell me what you want!"

Mr. Song said, "Master Ye has also reached Tokyo."

Honor's whole body suddenly exploded in shock, and he blurted out: "What did you say?!"

Chapter 2089

Hearing that Marven had come to Tokyo, Honor was shaking all over!

He didn't expect him to be in Tokyo!

He knew that Warnia was easy to deal with, and the old man was easy to deal with, but taking on Master Marven was by no means a good deal!

Therefore, as soon as he heard about this, his whole person suddenly panicked.

The old man Song on the other end of the phone asked him in surprise: "Honor, what's wrong with you? What's the fuss about?"

Honor only then came back to his senses, suppressing the tension deep in his heart, and said: "Grandpa, why did Master come? I can't believe it, is it because of Warnia?"

Mr. Song hummed, and said, "Master is a person of loyalty, and Warnia has always had a good relationship with him. Now that something happened to her, he rushed to Tokyo as soon as possible, which shows how much he values her. With the help of Master, the chances of finding Warnia are much higher!"

Honor is crazy with hatred!

He roared in his heart: "D@mn! Marven b@stard, what is he doing in Tokyo now!? He's not at home to spend time with his wife, and what does he come to Tokyo for?! Tokyo can't turn around without him, right!"

Honor is very clear about Marven's ability.

That's why he worried.

On the one hand, he worried that he would be exposed in front of Marven; on the other hand, he was also worried about whether Marven could really find Warnia.

What if he really rescued Warnia?

At this moment, Old Man Song saw that he hadn't responded for a long time, and he asked, "Honor? Are you still listening?"

Honor quickly said: "I'm listening, I'm listening!"

After finishing speaking, he quickly said: "Grandpa, that would be great if Master can come! I feel more at ease in my heart!"

Mr. Song said, "Yes! When I heard Master said that he had arrived in Tokyo, my heart really became more at ease. I believe that with Master, Warnia will surely be able to make good fortune."

Honor can only agree: "Grandpa, you are right. I also think that with him, Warnia will be safe with him!"

Mr. Song seldom laughed twice and said, "Honor, if you hang up later, call him immediately, and then quickly go to meet him. From now on, you must listen to Master Ye for everything in Tokyo. Do you understand?"

Honor said without hesitation: "Grandpa, don't worry, I must look forward to Master's orders!"

Mr. Song said with satisfaction: "If you have this enlightenment, just call Master!"

Honor hurriedly said, "Okay Grandpa! Then I'll hang up first!"

"OK!"

Honor hung up his grandfather's phone, and his whole body suddenly became angry!

Unable to control his emotions, he slammed a punch on the glass coffee table and smashed the tempered glass coffee table to pieces!

At the same time, his right hand was also scratched by the glass, and several bloody holes appeared immediately.

Honor didn't care about the pain at all, his mind was full of anger and tension at this time.

To Marven, he already hated him, and he thought to himself: "This man! He's too lenient for meddling!"

"I really thought that if someone called you Master, you would really control the air?!"

"The Song family's affairs are his family affairs, why is he so nosy?!"

Chapter 2090

"If it weren't for him to get involved in the first place, it would be impossible for the old thing to go against it and let Warnia's become the head of the Song family!"

"In that case, naturally I wouldn't want to kill her!"

Thinking of this, Honor's eyes were full of hatred, and he whispered to himself coldly: "Marven, Warnia, you'd better not cause me trouble or engage with monsters, otherwise, I don't care about you Master. , I must find a way to kill you!"

After that, Honor calmed down again, took out his phone, and called Marven.

As soon as the phone was connected, Honor heard on the other end of the phone, Marven said: "Hello, hello."

He hurriedly said, "Master? I am Honor Song!"

Marven said, "Oh, it's Mr. Song."

Honor hurriedly said: "Master, Grandpa called me and said that you have come to Tokyo for Warnia. He asked me to follow your instructions. I don't know where you are now?"

Marven said, "I am living at a friend's house."

Honor didn't think much, and said, "Master, friend's house may not be convenient and the conditions may not be really good. It's better to stay in a hotel. I am staying at the Aman Hotel Tokyo. If you need, I'll let someone get the best room for you."

Marven said lightly: "Don't bother, it's quite convenient for me to live in a friend's house."

With that said, Marven deliberately used the tone of a leader to his subordinates, and ordered: "Mr. Song, I want to meet with you. You can report to me face to face about Warnia and the current investigation progress of this matter."

Honor felt 10,000 upset in his heart, but still said very sincerely: "Okay, Master, you give me an address, I will rush over to meet you now!"

Marven deliberately wanted to give Honor a disarm, so he said indifferently: "No, didn't you stay at the Aman Hotel? You wait at the hotel for a while, and I will arrange for someone to pick you up and call you when they arrive."

Honor also wanted to say something politely, saying: "Master, how can you be in the next, how troubling for you to send someone to pick me up? It's better for me to come by myself..."

Marven said coldly: "Don't say much, just wait for the call."

After that, Marven directly hung up the phone.

Honor on the other end of the phone was already bursting his lungs.

He slammed the phone on the carpet and yelled: "fcuk! Who the hell do you call Mr. Song? I ask you to call, so you dare to call? Is Mr. Song your servant?"

After finishing speaking, he roared angrily: "D@mn! Let me see you? Why are you so fcuking boastful? If you have a friend in Tokyo who can have a place to stay for a night, it's not you who are awesome. What a fcuk!"

However, even though Honor has been scolded, he still sees it clearly in his heart.

"Even if I am dissatisfied with Marven's 10,000 times, I must honestly meet him and obey his instructions. At the very least, I have to pretend to be very cooperative on the surface..."

"Otherwise, if he notices something wrong with me, wouldn't I be finished?"

"Marven's temper is notoriously bad. He and my sister have never been clear. If I let him know that I killed my sister, maybe he will kill me directly in Japan. Everything is cold..."

At this moment, the residence of the Ito family.

Warnia is still resting, Nanako has been with Marven.

Marven ended the call with Honor, and said to Nanako next to him, "I have to trouble you to do me a favor again."

Nanako hurriedly said, "Master, please give orders!"

Marven smiled slightly and said: "I'm going to trouble you to send a team to help me pick someone up here. The team should be as grand as possible, the more grand the better!"
