

The Amazing Son In Law Chapter 241-250

Chapter 241

Zhovia was aggrieved for a while, gritted her teeth, and said unconvincedly: "I want to compete with him. If he is really capable, I will apologize to him."

"How long are you going to fool around!" Tianqi blew his beard and stared.

The middle-aged man from the Song family next to him was stunned. No one thought that the strength of Marven was actually higher than that of Tianqi?

Honor was also a little confused at once. Does this kid really have a few brushes?

How is this possible!

Just rely on him?

Can Tianqi be convinced?

At this moment, Marven glanced at Zhovia, and saw that her face was full of anger, her small face was flushed, and she looked dissatisfied, amused, and asked: "What are you better than?"

"Of course it's medical skills!" Zhovia rolled her eyes and suddenly smiled: "The basis of traditional medicine is to see, hear, and ask, we are better! Tell me, everyone in this room, what kind of disease does everyone have? Where is it?"

It may sound simple to tell the patient's symptoms from the pulse, but it is even more difficult for traditional medicine.

Even Tianqi himself may not be able to see it completely.

However, this is Zhovia's skill. She has been in her grandfather's arms since she was one year old, and she has seen at least tens of thousands of patients.

Her memory is amazing, and she can remember almost everyone's "sickness" and classify them.

Over time, she could see the other party's condition from their face, and she was almost sure of it.

"Zhovia, aren't you Mrs. Difficulties?" Tianqi scolded dissatisfiedly.

However, no one expected, Marven nodded and smiled: "Then it depends on you."

Seeing Marven's promise, Tianqi didn't say anything anymore, he also wanted to see his details.

"I'll come first." Zhovia was overjoyed, and she immediately stepped forward, walked slowly in front of the crowd, staring at the other side carefully.

Ten minutes later, Zhovia smiled and said, "I'm all optimistic! Uncle Song has reddening on his body and horizontal stripes on his forehead. He should be suffering from high blood pressure. He usually has a light diet and avoids big fish."

As soon as she finished speaking, the middle-aged man of the Song family exclaimed: "The genius doctor Zhovia is really amazing. I do have high blood pressure."

Zhovia pointed to Honor again and said, "Your eyebrows are red, your eyes are cloudy, you have lung fever, and your condition is almost healed."

Honor smiled bitterly: "I admire it. I was coughed and caught a lung infection last week. I have almost treated it."

Zhovia added: "As for Miss Song, sometimes she has irregular menstruation and menstrual cramps, which should be caused by overwork."

Warnia nodded and said, "You're right."

She pointed out the symptoms of several people one by one, and they were all correct.

Everyone was shocked and praised Tianqi for his teaching, and his granddaughter's young age and her medical skills.

Tianqi also smiled, quite proud.

Finally, Zhovia looked at Marven again, smiled triumphantly, and said: "Mr. Marven, your condition is the most serious! You must have a heart attack!"

Marven smiled and said: "I didn't expect you to be less than twenty, but the medical skills are so amazing. I also admire it. However, there is a little omission, I will add it for you."

Chapter 242

After finishing speaking, he pointed to the middle-aged man of the Song family: "In addition to high blood pressure, this gentleman also suffers from diabetes and heart palpitations, especially the ribs of the left chest must have been broken. It is assumed that it should be an old injury ten years ago.

The middle-aged man from the Song family was shocked and said in astonishment, "Mr. Marven, your medical skills are too strong. Even my diabetes and broken bones can be seen. I did have a car accident 13 years ago and had a rib fracture. "

Marven smiled and pointed to Honor again: "His lung infection was caused by the invasion of cold after drinking and his insufficient kidney functioning. In addition to lung heat, his biggest problem should be kidney deficiency. First, eradicate the lung heat will to cure the kidney."

Honor was embarrassed and said, "You're so f*cking pretending to be a fool, I have a very good kidney!"

A man is said to have kidney deficiency, naturally, he is not convinced.

Moreover, even if the kidney is really weak, it must not be admitted.

Marven looked at him and said lightly: "Kidney deficiency is just a sign of renal function decline. If you continue like that, your kidney function will get worse and worse. This will not only affect your ability in that area but also make you more likely to suffer from uremia. So don't be too conceited and take the time to go to the hospital, maybe there is still a rescue, otherwise, you can only wait for the kidney transplant."

"You" Honor was irritated, and was about to attack, but was stopped by the middle-aged man on the side.

Marven looked at Warnia again and said lightly: "Miss Song, your body is mainly affected by the effects of the trapped dragon formation before, and there are some sequelae, and you happened to have a menstrual event last midnight, and you were more cloudy. But you can rest assured that when this menstruation passes, all these symptoms will naturally disappear, and future menstruations will be more punctual."

Warnia looked surprised, and she was a little bit ashamed.

She didn't know, how could Marven figure out that she was here, and figure out that she came last night, is this not amazing?

At this time, Zhovia saw Marven supplement the condition of these people, she was surprised, but even more unconvinced.

She couldn't see these hidden diseases by looking at the face, but Marven just glanced at it lightly, but said everything, what is going on? Is he guessing?

Zhovia bit her lip and said, "Mr. Marven, you have a heart attack, am I right?"

"Really?" Marven smiled and stretched out his hand in front of Tianqi: "Trouble Tianqi, take my pulse for me."

Tianqi hesitated, stretched out his hand to put Marven's wrist.

After a while, he put down his hand, turned his head and glared at Zhovia, then yelled: "You are a three-legged cat, and you are still making an ax in front of Mr. Marven. You still don't apologize to Mr. Marven!"

Zhovia shouted: "Grandpa, what did I say wrong?"

Tianqi shook his head, sighed, and said: "Take a pulse yourself, Mr. Marven has a heart attack. You are mistaken."

"What!" Zhovia couldn't believe her ears. She had never made any mistakes in her diagnosis for more than ten years, and the characteristics of heart disease were the easiest to see. How could she get it wrong?

She walked in front of Marven, stretched out her hand to catch his pulse, and was stunned, her face flushed suddenly.

His heart is very good, with no heart disease!

Did he deliberately pretend to have a heart attack just now to make her appear foolish?

If he can do it and easily disguise the characteristics of a certain disease on his own surface, then his body's control of true qi should have been superb, right?

If you say that, you can really be regarded as a man of God.

Moreover, he saw the hidden illnesses of these people just now, and he didn't think about it. His medical skills are far above her!

Don't say you can't compare, even if it is grandpa, it is absolutely incomparable!

However, he is still so young, how can he have such a strong strength?

Chapter 243

Zhovia finally understood what Marven meant by "almost mean".

People still give her face, she doesn't "almost mean", but "much worse"!

Tianqi was also shocked.

He saw that Marven was controlling his internal breath, deliberately letting the true energy flow backward in his body, creating the illusion of "heart disease", so his granddaughter was fooled.

However, the reverse flow of true Qi in the body can make people extremely painful.

But Marven can not only control the true Qi flow in his body, but also retract and unwind freely, and his complexion is as usual, without any pain, this cultivation base is probably more than 50 years, at least more than a hundred years of learning! !

Tianqi knew that he had met an expert in the hidden world.

His granddaughter is still dying, constantly provoking him. Fortunately, Marven is a gentleman. If she angers him, then he and his granddaughter will have to return to the West with only one move, and they will not even have the strength to fight back.

So, he glared at Zhovia, and said, "Mr. Marven's cultivation level is extraordinary. You have taken a look at it by yourself and don't apologize."

After finishing speaking, Tianqi quickly clasped his fists and arched his hands to Marven: "The Old Master has no way to discipline his granddaughter. Please master Ye, you must punish her well when you return."

Zhovia also recovered and understood that the other party's medical skills were several grades higher than her own, and had to be convinced. She bowed her head and said, "I admit that your medical skills are better than mine."

Marven smiled and waved his hand, and said: "Practicing medicine is to save the world and save people. There is nothing strong or not strong. If I encounter some intractable diseases that I haven't seen, I might have to ask Mr. Tianqi for more advice."

This speech made Tianqi look ashamed, but he was even more admired.

Obviously, the other party's medical skills are much higher than his own, but he deliberately gave himself a step-down. This mind is definitely not owned by ordinary people!

Moreover, his medical skills have reached a superb level, so much so that throughout China, there will be no second person to be found like him!

Tianqi arched his hand to Marven and said with a serious face: "I didn't expect that in my lifetime, I would meet a master like Mr. Ye, and I will ask Master Ye for advice in the future."

Marven held his hand and nodded slightly.

Tianqi was surprised and quickly said, "Thank you, Mr. Ye."

Seeing the conversation between the two, everyone in the room was shocked.

He was already the number one genius doctor in Wrestrvel, so he condescended to ask Marven for advice.

Everyone in the room was shocked.

The No. 1 genius doctor in Wrestrvel is highly respected no matter where he goes, and the major hospitals also treat Tianqi as a guest. He actually looks like a pupil in front of Marven and asks the "master" for advice. This is incredible!

Zhovia was also stunned, but she didn't dare to ask more.

Marven glanced at Tianqi and said, "Old Shi, I think you have an internal injury, so you let your granddaughter take care of the illness, right?"

"You actually saw my grandpa's internal injury?"

A look of surprise flashed across Zhovia's face.

However, she quickly regained her composure.

With Marven's medical skills, it can be seen that it is also normal.

Zhovia said: "My grandfather was in retreat and healed his wounds. This year, he did not treat others anymore. When Honor came to find him, my grandfather also declined. But two days ago, a friend of my grandfather sold him a magical medicine. I heard that magic medicine was obtained in Wrestvel. My grandfather wanted to come and have a look, so he stopped by to see Mr. Song as well."

Chapter 244

"What magical medicine?" Marven was also surprised.

There was even a magical medicine that made Tianqi fascinated, and he didn't know what rare treasure it was.

Tianqi quickly took out a jade box from his arms, opened it cautiously, and said, "This magical medicine cost me five million, but it's absolutely worth it! I have taken half of it, and I am refining this half of the medicine. I am carrying it with me, Mr. Ye, please have a look."

Seeing that this "magic medicine" turned Tianqi into a treasure, the crowd gathered around to see what the "magic medicine" was that fascinated the doctor.

As soon as the jade box was opened, a smell of medicine suddenly popped out.

Seeing half a black traditional medicine pill in the box, Tianqi took a jade knife, carefully cut off a large piece the size of a nail, and handed it to the middle-aged man in the Song family and Honor to let them both try.

The two hesitated and put the medicine slag into their mouths.

The medicine slag melted in the mouth, and the expression of the middle-aged man from the Song family became more and more surprised.

"Old Shi, what kind of medicine is this? I often have a dull pain in the fracture of my left chest, but now the pain is gone!"

Honor was also stunned: "My lungs have always been uncomfortable, but after eating this little medicine residue, I feel better immediately!"

Tianqi smiled and said, "Now you know its efficacy."

The middle-aged man from the Song family looked surprised and said to Mr. Shi, "This elixir is really amazing. If Mr. Shi can make it, I'd like to spend a lot of money on it!"

Tianqi smiled bitterly: "I have also studied its prescription, but I can't make it at all. I only know that it is an alchemy that has long been lost. I'm afraid this half-magic medicine is a gem in the world."

Marven saw the half pill and was stunned on the spot, followed by a wry smile.

"Old Shi, you bought this medicine for five million?"

"Yes."

Tianqi smiled and said, "Five million is not too much. It is worth 10 million to buy such a long-lost elixir."

Mr. Ye, you can also see that this pill comes from a good source. My friend said that the person who made this pill was Grand Mr. Yin Shi, who was more than 150 years old. My friend knelt at the gate of Grand Mr.'s residence for three days. It was only three nights that moved Master and bought it for five million pieces. The day after he bought the medicine, the grandmaster left his home and wandered around, I am afraid it will be hard to see him again in this life. "

The middle-aged man of the Song family sighed: "This old master, I am afraid it is an immortal master! Spend five million to buy an elixir, which is really not much."

Zhovia apologized to Marven just now, although she was convinced of his medical skills when she thought that his medical skills were better than Grandpa, she was uncomfortable anyway.

Seeing Marven's face at this moment weird, as if holding back a smile, she immediately became a little angry and couldn't help but said: "Hey, what are you laughing. Don't you even look down on the elixir, you can practice?"

Marven was stunned for a moment and seeing everyone looking at him, he had to say: "I made this pill, Mr. Shi, you were cheated on by your friend."

As soon as his voice fell, the whole room was silent.

Dozens of eyes stared at him, everyone was stunned.

Tianqi was stunned on the spot, unable to return to God. After a while, he said in astonishment: "Mr. Ye, you really cultivated these peerless magical medicines?"

Zhovia opened her mouth wide as if her body was frozen.

Marven nodded and said faintly: "This thing is not a magical medicine, but I got it out and treated my father-in-law for the bruises, and I was afraid that his body would not be able to bear it. I also deliberately reduced the potency of these medicines, which are only semi-finished products. ."

As soon as Marven finished speaking, the crowd was silent again!

Chapter 245

Tianqi was so shocked by Marven's description that he couldn't even speak.

The whole body, even the Wang beard, is trembling

He couldn't believe that he thought it was the magic medicine refined by Grand Master Hidden, but it was actually refined by the young Marven who was standing in front of him.

And, in his words, this can only be regarded as a semi-finished product?!

The semi-finished products are so powerful, then if the pill is refined for 800, wouldn't the effect be at least twice as good as the current one?!

The middle-aged man in the Song family was dumbfounded, and suddenly a burst of ecstasy surged in his heart!

He never dreamed that Warnia could find such a great god!

If the Song family could hold such a thigh, it would be a golden thigh!

But what is it that most rich and powerful people are afraid of? It's death!

No matter how much money, no matter how great the momentum, lifeless enjoyment can only be in vain!

If you know this kind of master who can take out the magic medicine at hand, prolonging your life is not a luxury!

Let Song Lao say, if Song Lao can live for another five years, it will be a blessing to the entire Song family!

Because Song Lao's face, Song Lao's foundation, and Song Lao's contacts are impossible to compare to any descendant in the family!

The Old Master is alive, many people must give face, but if the Old Master is gone, many people will no longer give the Song family any importance.

Therefore, the Song family also hoped that the Old Master could live as many years as possible.

With him protecting the sons of the Song family, they will get twice the result with half the effort!

Honor, who had been looking down upon Marven, was also shocked at this time.

At the same time, he couldn't help feeling a little panicked.

Just now, he was desperately ridiculing him, but he didn't want to know that he is the real hidden master!

Tianqi couldn't help holding his fists and bowed, begging: "Mr. Ye, the Old Master has been plagued by old injuries. If you can be kind and make a magical medicine, the Old Master would like to give you 10 million in cash!"

The middle-aged man from the Song family couldn't help but stepped forward to salute, and said with a trembling, "Mr. Ye, if you can refine the magic medicine again, please give me a gift to the Song family. The Song family is also willing to give you ten million in cash! "

Marven said indifferently: "I don't lack money, and I can prepare medicine again. It's not troublesome. Since you are sincere, I will prepare some more in the future. I will give you one at that time."

“Mr. Ye, you are really a distinguished person from my Song family.” The middle-aged man from the Song family was so excited that he saw Marven standing, and quickly moved a stool over and wiped it with his sleeve: “Mr. Ye Sit down.”

Honor also hurriedly held a cup of tea and presented it to Marven respectfully: “Mr. Ye, take a sip of tea.”

Warnia watched silently, shocked in her heart with nothing to add!

She didn't expect Marven to have such strength!

Moreover, he is a superfluous son-in-law, and his 20 million cash is unmoved. Why?

Could it be that his own energy is stronger than what she can currently see?

But why should such a powerful person be willing to be a son-in-law?

Tianqi, known as a genius doctor, also sighed from the bottom of his heart at this time: “Mr. Ye, you are really an immortal master! Your strength, your heart, and atmosphere, I am afraid that if I live for a hundred years, I may not be able to catch up with you.”

Chapter 246

In Tianqi's view, even if he lived another fifty years, he would still not be able to touch Marven's current heel at most.

This man's medical skills are unfathomable, and what's more magical is that he can refine such powerful magical medicine. This is simply a godlike existence!

Tianqi's granddaughter, Zhovia, was already blushing at this time. She was not convinced of Marven just now, but now she is completely convinced!

Marven said to Tianqi indifferently at this time: “Old Shi, although the medicine you bought is really effective for your internal injuries, it lacks a few prescriptions after all, and the effect is 20%. Wait for me. I will give you a complete pill, then you just have to take it, and the internal injury will be cured immediately.”

“Mr. Ye, thank you next!”

Tianqi was grateful, and the Old Master knelt and clasped his fists in tears.

Zhovia also bowed down with Tianqi, blushing, and said to Marven: “Mr. Ye, thank you!”

Tianqi also said: “Mr. Ye, you are not in Nanguang Traditional traditional medical field, but I have been in contact for decades, and I have some connections. With Mr. Ye's kindness, I have no retribution. If you need any medicinal materials in the future, Or if you want to do something, just ask me for it.”

Marven nodded slightly.

Don't think that Tianqi is only a traditional medicine doctor, but the Shi family has practiced medicine for generations and is the number one genius doctor in the south of the Yangtze River. His connections and resources in medicinal materials are probably not as good as the Song family.

With the help of the Shi family, it will be easier to find medicinal materials for cultivation in the future.

At this moment, Song Lao, who had not been moving, suddenly coughed and opened his eyes!

Everyone's eyes were attracted by him. Under this look, he was suddenly surprised!

Old Song, who had been unconscious, sat up from the bed by himself!

This this

The middle-aged man in the Song family didn't even dare to breathe, he was afraid that all this was just his own illusion.

The doctor had already given the Old Master a critical illness notice, thinking that the Old Master would not survive for a few days.

Honor specially invited the genius doctor Tianqi, but after Tianqi's granddaughter gave the injection, it only made the Old Master's complexion slightly restored, but he could do nothing about Song Lao's condition.

He thought that he could even prepare for the Old Master's funeral, and Marven went up silently and gave the Old Master an injection.

And he did not expect that Marven said that the Old Master would wake up in half an hour, and the Old Master would actually wake up in half an hour!

Moreover, the Old Master seems to have clear eyes, a strong complexion, and a ruddy complexion that is much better than before he fell ill!

This is really amazing!

Tianqi exclaimed, and said, "Mr. Ye said half an hour, but even a minute is not wasted!"

The Song family members were amazed, as said, a genius doctor! Sure enough, a genius doctor!

The middle-aged man from the Song family hurriedly stepped forward and asked the Old Master: "Dad, how are you feeling?"

Lao Song looked at his beloved son with complicated eyes, and his eyes were full of rejoicing after the disaster, and exclaimed: "I thought I was dead, I really didn't expect to wake up again."

The middle-aged man from the Song family pointed to Marven and said excitedly, "Dad, thanks to Mr. Ye for saving you this time!"

Old Song turned his head to look at Marven. Seeing that he was so young, he couldn't help but be startled slightly. Then he recovered and said, "The life-saving grace of the genius doctor is unforgettable!"

Marven smiled slightly and said, "It's not enough to raise your hand."

Having said that, Marven pointed to Tianqi and his granddaughter Zhovia next to him and said: "Mr. Shi and his granddaughter have done a lot to save you. It is not my credit alone."

Chapter 247

Tianqi did not expect that Marven would still be able to say good things to him and his granddaughter at this time. He was grateful and humbly said: "Song Lao, Mr. Ye is humble. In fact, Song Lao can turn the crisis into safety. It's not him, and we may not wake you up."

Song Lao nodded but said politely: "I've heard of the reputation of being a genius doctor, so please don't belittle yourself. In any case, you are already kind to me if you can come this time."

After finishing speaking, he looked at Marven and said seriously: "Mr. Marven, my life-saving grace is unforgettable! If there is anything that can be of any use for you in the Song family, it belongs to you!"

Marven smiled slightly and said, "Mr. Song is polite."

After speaking, when it was late, Marven said: "Song Lao, you have recovered from a serious illness, and it is not suitable to spend more energy. It is better for you to have some rest, and I will too leave now."

Old Song hurriedly said: "Mr. Marven, I don't know how much consultation fee should be paid for saving Lao Fu's life this time? Lao Fu will definitely pay twice!"

Marven said indifferently: "There is no need for the consultation fee. This time I came here for Warnia, it is the help between friends."

Warnia was shocked both physically and mentally when she heard this!

Marven is giving credit to her in front of grandpa! After all, grandpa can decide how many properties each Song family can inherit and what role they can play in the family business in the future!

If she can get his love, she may even become the future leader of the Song family, which is what she has been looking forward to.

Marven gave her such a big credit this time, and it seems that she is one step closer to this goal!

Elder Song couldn't help but look at his granddaughter Warnia, nodded slightly, and even said: "Okay! Very good! Warnia, even if you save your grandfather, you must not treat Mr. Ye badly!"

Warnia hurriedly bowed, and said seriously: "Grandpa, don't worry, I will repay Mr. Ye well!"

"Good." Song Lao nodded in satisfaction and laughed heartily.

Honor standing not far away, his expression became extremely ugly.

This credit was completely robbed by Warnia, so it seems that he will be very passive in the future

Marven didn't stay in Song's house for too long. Seeing that Song Lao was almost recovered, he proposed to leave.

So, Song Lao asked the Song family member to see him off to the door in person.

Tianqi also decided to leave with his granddaughter. To Marven, he said that in the next few days, he would find a hotel to stay in Wrester, and he would contact him when he finished refining the medicine.

Tianqi was naturally thankful, watching Marven respectfully get into Warnia's car.

Later, Warnia drove Marven back to the city.

On the way, Warnia said to him: "Mr. Ye, thank you so much today."

Marven smiled slightly and said, "Little things, you don't need to be so polite, maybe I will need Miss Song's help in the future!"

Warnia hurriedly said, "Mr. Ye can rest assured, in your need, Warnia will never refuse to go through fire and water!"

After all, Warnia looked at Marven's profile and asked tentatively: "Mr. Ye, I wonder if you can find a place to sit and have a drink?"

She had ten thousand doubts about Marven in her heart, waiting for the mystery to be solved, and she also found that Marven seemed to have a strong magnetic force on his body and began to exude an irresistible attraction to herself, which made her unable to help it. She wants to get in touch with him more and learn more about the secrets in his heart.

Chapter 248

Marven looked at the time, it wasn't too late, and it was true that he hadn't drunk happily for a long time, so he nodded and said, "Okay, you can choose the place!"

Warnia was overjoyed on her face and hurriedly said: "I know a bar, it's a great place!"

After that, she stepped on the accelerator and drove quickly towards the city center.

In the city center, a bar named sunny.

Warnia parked the car at the door, and directly threw the car key to the little brother standing there, and took Marven through the steps.

When the waiter saw her, he immediately said respectfully: "Miss Song, good evening! Are you still in your old seat?"

Warnia nodded, and the other party immediately said, "Please follow me."

On the first floor of this bar, there is a dance floor and a DJ, which is quite lively, but the waiter took them directly to the second floor. On the second floor, beside the empty railing, there is a seat with no seats around. Not only can you watch the lively scene below, and there is no influence around, and the music is not so loud, it can be quiet in the noise.

As soon as Warnia sat down, she immediately said to the waiter: "Two bottles of the best 82 Lafite."

"OK, Miss Song!"

The waiter bowed very respectfully, and then quickly brought up two bottles of red wine.

The wine was opened, and part of it was poured into the decanter. The waiter wanted to wait there. Warnia said to him, "Go down and say hello to your boss. Don't bring other guests on the second floor today."

"OK, Miss Song!" The other party bowed respectfully and retreated.

Marven asked curiously: "Do you have shares here?"

Warnia smiled slightly and said, "This bar was opened by a member of the Song family branch."

Marven nodded and said with a smile: "The Song family is really a big family."

Warnia laughed at herself and said, "It's okay. In Wrestvel, this one-third of acres, there is really no family that can match it, but after leaving Wrestvel, it is actually nothing. Just Orgeyon has a big Big family with much better votes than the Song family. The Lan family, the Huang family, the Ou family, and the Dong family are the most powerful, and the Su family and the Ye family. Big families like the Ye family can match dozens of us. We can only look up."

Marven smiled without saying a word.

Ye family? Isn't it his family?

It's just that he hasn't figured out whether he wants to go back yet.

To be honest, life is actually pretty good now. Not only does he have the Emgrand Group and tens of billions of cash, but also have the infinite possibilities that the Nine Profound Heavenly Scriptures give me.

In contrast, if he goes back to Ye's house, he will be subject to many constraints. How can he be so free then?

Warnia poured a glass of red wine for Marven and herself at this time, handed one of them to him, smiled, and said, "Come on, Mr. Ye, I toast you a glass!"

The lights on the second floor were dim, and the waiter placed two candles on the table. Warnia's face looked pink and tender under the candlelight.

Marven took the wine, looked at Warnia, who was rosy and tender, and said with a smile: "Miss Song, whenever you drink, you must have a reason to drink, such as what we want to celebrate, or what we want to remember or forget, to be upset or happy about something, so before we drink each glass of wine, we have to talk about why this glass of wine was drunk, what do you think?"

Chapter 249

Hearing Marven's special request, Warnia said with a smile: "Okay, since it's the first drink, let me explain why.

With that, she cleared her throat, smiled sweetly, and said, "Of course the first drink is to thank you! You saved my grandfather today and did me a big favor!"

Marven nodded and smiled: "Okay, then we will do this glass of wine!"

After speaking, he picked up the wine glass, touched the wine glass in Warnia's hand, and drank it in one go.

Warnia also drank all the wine in the wine glass very boldly, and then asked Marven with a smile: "Mr. Marven, why did you drink the second glass?"

"Okay." Marven smiled, and said: "This second cup is just for fate! In this world, people can get to know each other because of the fate gained through thousands of years of cultivation. You and I have a fate. This cup of wine is Respect for fate!"

"Okay!" Warnia said with a smile: "Respect for fate!"

Immediately after the third cup, Warnia blushed pretty and said: "This cup of wine, to Mr. Ye's superb ability, I saw Mr. Marven's ability to treat illnesses and save people today, and I became more and more certain that your act in Wrestvel by lightning. It's not accidental, Mr. Marven, would you like to talk about it yourself?"

Marven smiled casually, and said unfathomably: "Was it not accidental? God knows it better. As for you and me mortals, you can only say that the secret is not to be revealed."

Warnia nodded and smiled, watching Marven's beautiful eyes continue to flow, and said seriously: "In order not to reveal the secret, let's have a drink!"

"it is good!"

After a few glasses of wine, Warnia's eyes turned a bit blurred.

Although she has a good amount of alcohol tolerance, she drinks several glasses of red wine in one breath.

At this time, it was time for her to say the toast and the reason for drinking.

Warnia looked at Marven with a pair of big eyes and a bit drunk, and suddenly said faintly: "Actually, Mr. Marven, I recently discovered that you are actually quite good."

"Very good?" Marven chuckled and asked curiously: "What do you mean by this?"

"Many aspects." Warnia said earnestly: "You are more interesting than the people I usually contact. Many people I usually contact, either always flatter me, hold me, follow me, or always treat me. I have some unclear attempts, and it can be said that few are good things."

"What?" Marven asked curiously: "Do you think I have no intentions against you?"

Warnia nodded and said, "I think you seem to feel a little detached from the world."

Chapter 250

Marven asked curiously: "Beyond the mundane world? What do you say?"

Warnia said seriously: "Mr. Marven looks ugly, but he is actually very capable, capable but not arrogant, usually not showing up, but once someone touches your limit, you will not hesitate. The counterattack, and the decisive killing and not leaving any opportunity for the opponent to backhand, these qualities are by no means carried by the ordinary people.

After that, Warnia said again: "More importantly, I don't understand. Why do you want to be a live-in son-in-law in the Xiao family because you have such a great ability? The Xiao family is just a second-and third-rate ordinary family. You are a great god, stay in it?"

Marven didn't answer her question, but asked her: "Then you think if I don't stay in the Xiao family, where should I stay? Or, do you think, where can I stay in it?"

Warnia said seriously: "I think you should marry a top-notch big family. For an expert like you, countless big families will sharpen their heads and marry their daughters to you."

Marven said with a smile: "What's the point of that? This kind of combination of interests does not have any love factor in itself. A girl from a big family is willing to marry someone she doesn't like? Or just want to be herself Is your life under the command and control of your family?"

Warnia naturally said: "Of course! Any big family has always been particularly strict with the girls in the family. For example, you must go to a very top aristocratic school, not to learn knowledge, but to learn aristocratic social etiquette. For another example, if we are under a certain age or timing, the family strictly forbids us from contacting the opposite sex, and never allows us to fall in love on our own.

"Really?" Marven asked surprised: "This is the 21st century. How come you big families are more feudal than those in the ancient feudal society of our country?"

“This is not feudal.” Warnia said earnestly: “This is the survival rule of the upper family.”

“Law of survival?” Marven asked curiously: “How to say?”

Warnia said seriously: “We need to cooperate, bind, and exchange resources with other families. Therefore, one of the family mottos of our Song family is very important: All direct members of the family must obey the family when talking about marriage.”

“In the feudal society, the requirement of the Song family to intermarriage was that the marriage must be between the cousins, that is, the previous cousin married the cousin, this cousin married that cousin, this is to prevent wealth dilution or outflow, but now the country prohibits three generations blood relatives to married, but even abroad, many cousins still get married.”

“Later, our family motto was gradually relaxed. We did not require marriage with a cousin, but we had to intermarry with other large families. The other side’s family power can be higher than our own, but it must not be too much lower than ours.”

Speaking of this, Warnia sighed and continued: “The family believes that a family has the value of cooperation, and it will find ways to let the men of the family marry the women of the other family, or marry the women of the family into the other family. All family members must focus on family interests and must not disobey any arrangements made by the family, especially major marriages.”

Marven sighed, and said, “It seems that this big family also has the distress of the big family. The richer, the more greedy for money.”

When speaking, Marven also sighed inwardly. It seemed that if he returned to the Ye family, the Ye family would absolutely have to exercise the same control over him, and might even look down on the Xiao family and force him to divorce Avella. , And then introduce him to a wealthy daughter from another big family.

It seemed that the Ye family really couldn’t return.

Thinking in his heart, Marven asked: “By the way, I think Miss Song you are also at the age of marrying. I wonder if your family has arranged a good marriage partner for you?”

Warnia shook her head and said, “It was originally planned. First, my cousin Honor’s marriage was decided. His fiancée was the daughter of a northern family designated by my grandfather. When it was my turn, my grandfather was seriously ill. So I didn’t care about this matter anymore, but now my grandpa is healed from illness, I guess he will start planning my marriage soon.”
