

## The Amazing Son In-Law Chapter 2411-2420

### Chapter 2411

Hearing the words of Elder Su, Shoude immediately asked with excitement: "Dad, what good way do you have to make Liona's death impeccable?"

Elder Su sneered: "It was to find an A-level wanted criminal who committed a capital crime in advance and gives his family 10 million in relocation allowance to let him escape to Wrestvel."

Shoude hurriedly asked: "Dad, do you want that wanted criminal to act?"

The old man Su said calmly: "It is to make the wanted criminal do a good job, but the whole plan is not as simple as you think."

After speaking, the old man continued: "I have also let people leak this information to the local police in Wrestvel. I believe that soon the police in Wrestvel will search for this wanted criminal throughout the city. He has many homicides on his account, and he will die if he is caught. So he will naturally run desperately under the police chase..."

"By then, he will run around Wrestvel like a headless fly, and then escape to the auction site by accident..."

"When he arrives at the auction site, the Wrestvel police will definitely send a large number of people to surround the entire Treasure Pavilion. Then he is like a turtle in the urn. In a panic, it is normal to hold several hostages..."

"At that time, in order to survive, this wanted criminal will naturally use the hostages as a threat and drive away with the hostages. At that time, he will make sure to take Liona into the car!"

Shoude hurriedly asked: "Then when will he kill Liona? After getting in the car, or after escaping?"

There was a sharp flash in the eyes of Old Man Su, and he said coldly: "The plan I made for him is to kill Liona after he escapes, and then I will send him to the Philippines by boat, but if this person lives, he will increase the risk of our exposure, I have arranged for others to directly cause a car accident after he took Liona into the car and neutralize him and Liona together!"

Having said this, the old man smiled sinisterly and said: "By then, these two people will go to see the Lord together, and our plan will never be revealed, even if the whole world suspects that we killed her. It doesn't matter, they can say whatever they say if they can't find any evidence!"

Shoude said excitedly: "Dad! Your trick is really wonderful! First, you secretly instructed an A-level wanted criminal to escape to Wrestvel, accidentally escape to the auction venue, kidnap Liona, and then the wanted criminal rushing away with Liona. Accidentally encounter a car accident and die, and even Liona killed together, the cause and effect are perfect, it seems that Liona cleaned up! I believe that no one should doubt our Su family! It is really perfect! "

Elder Su nodded with a sneer, and said seriously: "I think I have been up and down in the sea of commerce for half my life, but for everything I have to do, I will consider a few more steps forward and a few more backward, and strive to be foolproof before starting. ...."

Having said this, he sighed and sighed: "Hey! The only mistake in my life was that of Ruoli! Originally, it was all planned with the Japanese Self-Defense Forces, which could be said to be foolproof, but I am now confused. I don't understand, which link was the problem!"

"Not only is Ruoli missing, but even my overall plan has been discovered. It is really a heavy loss!"

"What I am most worried about now is that Ruoli is not only alive somewhere, there is even a hidden behind-the-scenes person behind her back."

"If that's the case, then this person is likely to become the deadly enemy of our family in the future!"

When Shoude heard this, he nodded in agreement and sneered in his heart: "Although I don't know which part of Ruoli had the problem, I don't know whether Ruoli is behind the scenes. , But if there is, I really want to thank him!"

"If he hadn't ruined the old man's plan, how could the old man push his eldest brother out as a substitute?"

"If the old man doesn't push the eldest brother out as a substitute for the dead, then how can I have the opportunity to replace the eldest brother as the heir?"

However, Shoude didn't dare to show his inner joy. He asked with concern: "Dad, that wanted criminal, when will you start?"

## **Chapter 2412**

Elder Su looked at the time and said: "If there is no deviation in the plan, the criminal should arrive at the auction site in ten minutes."

Shoude hurriedly asked: "Dad, ten minutes, Liona won't leave, right?!"

"No!" Elder Su sneered: "Liona should be still working on the property change procedures now. This procedure is very cumbersome, and it will be impossible to do it in a short while. She wants that old house so much, and now she finally went smoothly to get it. Will definitely cooperate very seriously with the change process."

Shoude nodded slightly, and at the same time, he was relieved.

However, he quickly remembered something and asked: "Dad! Zhiyu is also with her. Will there be any accidents then?"

Shoude knew that the old man liked Zhiyu's granddaughter very much, and what he was really worried about was not Zhiyu's safety, but whether the old man would stop the whole plan because of Zhiyu.

Old Su's expression was slightly loose at this time, and he sighed slightly and said: "I have already let people know the wanted man. I have given him Liona and the photos of Zhifei and Zhiyu. I told him clearly that he only needs to know these three people, it is enough to take the life of Liona. Now the boy has flown back here early in the morning, and there is one Zhiyu left. That person has also seen the photos of Zhiyu in advance and will not harm her."

Shoude hurriedly pretended to be relieved and sighed: "That would be great. To be honest, I still like child Zhiyu very much. This child is really the brightest and the best of the Su family. The one with an idea and understanding of things around!"

"Yes!" Elder Su couldn't help sighing: "It would be nice if Zhiyu was a boy. What a pity..."

Shoude caught the look of regret in the old man's eyes, and a vicious thought flashed in his heart.

From the bottom of his heart, he hoped that Liona and Zhiyu would die together this day.

In this way, even if the eldest brother Zynn does not feel sorry for Liona, he will definitely feel sorry for Zhiyu.

If the old man killed Liona and Zhiyu at the same time, then Zynn would definitely hate the old man.

When the time comes, the eldest brother will not just be exiled to Australia, he will definitely fight to the death with the old man.

In order to protect himself, the old man will completely expel his eldest brother from the Su family, leaving him with nothing and no chance of turning over for a lifetime.

In that case, the future Patriarch will be able to sit more firmly.

So, he checked the time and said to Old Man, "Dad, I will go to the bathroom now and come back soon."

Elder Su did not suspect that he was there, nodded slightly, and waved his hand: "Go!"

Shoude immediately came out of the old man's study. After that, he hurriedly took out his mobile phone and sent a text message to his confidant:

"The old man spent 10 million a few days ago to find an A-level wanted criminal. Now immediately find out the name of the wanted criminal, and then contacted him as quickly as possible and tell him that I could call his family again. Twenty million will be passed, but the premise is to add a condition so that he will kill Zhiyu at the same time as he kills Liona!"

Chapter 2413

At this moment, Wrestvel.

A man wearing a mask appeared at the subway station near Treasures Pavilion.

There are a large number of monitoring probes at the subway station entrance, some of which are security videos of the subway, some are monitoring of the city's Skynet, and several new high-end cameras equipped with face recognition functions.

In recent years, with the rapid development of technology, face recognition has successfully emerged from science fiction films and entered the lives of ordinary people.

Not only does the mobile phone support facial recognition, more importantly, the police also has a complete set of facial recognition systems connected to big data.

The biggest use of this system is to quickly screen a large number of people.

For example, if hundreds of people come to the front if there is a wanted criminal mixed in, then relying on police officers to check one by one will not only be inefficient, but it is also particularly prone to omissions.

However, now with the face recognition system, when hundreds of people pass by quickly, the system can directly identify the identities of hundreds of people through face recognition.

At the same time, the system will immediately verify the identities of hundreds of people. If there are fugitives or suspects, the police will get system reminders as soon as possible.

The most typical example is that a well-known Hong Kong singer came to the mainland to hold a concert. At each concert, the police can always catch several fugitives from the tens of thousands of audience at the arena.

Why is there such high efficiency?

Almost all rely on the powerful features of face recognition!

Therefore, with the increasing development of science and technology, the possibility of criminals trying to escape legal sanctions has become less and less.

At this moment, the man wearing a mask looked around, then reached into his pocket and took out a pack of cigarettes that were very dry and crumpled.

He tore open the cigarette case and found that there was not even a single cigarette inside, so he stepped to the mobile convenience store at the subway station entrance and said in a low voice to the shopkeeper: "Boss, give me a package of Dunhill."

The shopkeeper hurriedly asked: "Soft or hard?"

The man opened his mouth and said, "Soft."

The shopkeeper took out a pack of Soft Dunhill from the glass cabinet and handed it to him, while saying, "Sixty-five."

The man directly threw him a hundred bills and said lightly: "No need to look for change."

The shopkeeper was overjoyed and said with a busy smile: "Oh, thank you!"

The man took the cigarette and turned around, he had already taken apart the plastic film on the outside of the cigarette packet and then tore the right side of the case.

Afterward, he skillfully tapped his fingers on the left side of the cigarette case, and a cigarette came out of the torn opening on the right.

He took out the cigarette and took off the mask he was wearing, revealing a fierce face with Chinese characters.

He held the cigarette in his mouth, took a hard sip after lighting it, and then turned his head to look around.

He glanced at the rows of surveillance cameras at the subway entrance and wiped a resolute smile on the corner of his mouth.

He has been on the run for three years.

In the past three years, he has lived a ghostly life, hiding in Tibet, and has long been exhausted.

He wanted to find opportunities to sneak overseas so that he could give himself a sigh of relief, but he didn't have the ability at all, and he didn't have the opportunity.

So he can only hide everywhere with a hunger for what he desired.

The only thing that can bring him comfort is that he and his family have a very secret contact method that even the police do not know about yet.

It is precisely because of this contact method that his family members contacted him two days ago and told him that someone gave them ten million and in return wants him to kill a person. After the work is done, he could use his contacts to send him abroad.

Because his family had received this ten million, he was moved almost instantly.

Chapter 2414

Anyway, he was tired of the days of hiding everywhere, earning 10 million for his family, and giving himself a chance of complete liberation. He had no reason to refuse.

So, he moved to Wrestvel yesterday, ready to play!

According to the owner's request, he had to find a surveillance camera to expose himself before escaping to a place called Treasures Pavilion.

Now, what he is doing is to expose himself and let the Wrestvel police know that he is here!

At this moment, the Wrestvel Police Command Office.

The police's face recognition system suddenly issued a harsh warning sound, and the police officer on duty was shocked when he saw it!

On the computer screen, a system prompt has popped up with a line written on it: "Identified by the face recognition system, A-level wanted criminal Shred has appeared in our city. Please verify immediately!"

The police officer on duty hurriedly retrieved the live video automatically captured by the system. After a closer look, he was shocked. He quickly picked up the emergency phone on the desktop and blurted out: "A-level wanted criminal Shred appeared at the Lidong Road Metro Station Please implement the arrest immediately!"

The whole Wrestvel police blew up!

A-level wanted criminals to appear in Wrestvel. This is definitely the last thing the local police want to see, because once this criminal makes a big case in the local area, not only will the local people suffer, they will also have to bear huge public pressure!

As a result, the police immediately mobilized the city's police force and decided to arrest Shred at the earliest.

At this time, Shred received a text message on his mobile phone: "Wrestvel police have found you! A patrol car is rushing to catch you. Pay attention to your right-hand side. It is still 800 meters away from you!"

After reading the text, Shred gritted his teeth and stared at the right side unblinkingly.

Soon, a police car in the distance appeared in the field of vision and kept approaching.

However, the policeman didn't turn on the lights or the siren, so it didn't look like they were performing an emergency mission.

But Shred knew in his heart that the people who spent money to hire him had a good eye. Since the other party said that the car was here to catch him, he would definitely not make a mistake.

He watched the car getting closer, and could feel his heartbeat in his throat.

He didn't have a rush, because he knew that the person who hired him had a requirement, and he had to be chased into the Treasures pavilion next to him by the police, instead of running over by himself.

So, he was smoking a cigarette in his mouth, while calculating the distance and timing.

He is now standing on the sidewalk, the road is higher, and there are a lot of shared bicycles on the side of the road.

Therefore, after the police car drove to the front of the motorway, it was impossible to drive the car directly in front of him, and could only pull over on the motorway and then walk over.

This at least 12 meters of walking distance is his chance to escape.

He knew that this was to coax the city police, and they would definitely not shoot directly, so with the advantage of more than ten meters and a faster starting speed, the police officer would not be able to catch up with him, and he would be able to run into the treasure pavilion.

In that way, the opponent chased all the way, escaped all the way, and rushed directly into the Treasures Pavilion.

At this moment, the police car was almost in front of him. He glanced at the police car in surprise, and when the police car pulled over, he began to back up cautiously.

At this time, the door of the police car opened, and several police officers pretended to be on a routine patrol, got out of the car slowly, preparing to paralyze Shred, and then waited for the opportunity to approach.

However, Shred was very nervous. He took a puff of the cigarette, threw his cigarette butt to the ground, turned around, and ran back.

Several police officers wanted to approach quietly, but when they thought that Shred was so nervous, one of them immediately shouted: "Shred, stop there!"

Shred didn't look back at all and ran forward like crazy.

Several police officers hurriedly pursued.

Relying on his leading advantage, Shred took the police around twice and rushed directly to the treasure pavilion not far away!

The police officers at the head were desperately chasing while using the intercom to report: "Shred has a strong anti-reconnaissance awareness. He started to flee when he saw us. Now he has escaped into the Treasures Pavilion! Request the city bureau to immediately send police forces to block the Pavilion and implement the full encircling protocol. We need to catch him now!"

Chapter 2415

In the eyes of the police officer, Shred ran into the Treasures Pavilion randomly because he was chased and panicked.

But in fact, Treasure Pavilion is Shred's ultimate goal.

At this moment, Treasure Pavilion.

In the hall, the auction continues, and Liona is still signing various files.

When Shred came to the door and was about to walk in, the security guard at the door stopped him and said, "Sir, please show me the entry code for this auction. You can only enter after verification."

Shred glanced back and found that the policeman who was pursuing him had rushed in. He immediately took out a pistol from his arms and pointed it at the security guard's forehead. He said coldly, "Fu\*king nonsense, I will just shoot. I will break you!"

At this time, the police officers behind saw that he had pulled out a pistol, and they looked shocked and also pulled out guns one after another.

Shred was not afraid, and pulled open the jacket of the cotton-padded jacket, revealing a vest filled with powerful explosives.

Afterwards, Shred held a gun in one hand and a switch with a wire in the other. He whispered in a cold voice, "It's the fu\*king time to listen to me. The explosives on him are used to drive down the mountains! It can detonate the whole building. If it is blown into ruins, if you police officers dare to come in, I will let everyone in it be buried with me!"

The faces of the police officers who were chasing after seeing this were so shocking!

This Shred was originally a gangster, carrying several lives. In his previous case handling experience, he often used guns and explosives. Therefore, the police officers did not suspect him of carrying explosives on his body.

Therefore, everyone suddenly became very fearful of him.

Everyone was not far apart, and they could all see the vest Shred was wearing. The vest was bulging, covered with strips of things like long ham sausages, and they could see that it was a powerful explosive at a glance.

This kind of explosive is so powerful that it can easily explode the stone by punching a hole in it. If it is really detonated here, the consequences will be disastrous!

Therefore, one of the police officers immediately said loudly: "Shred, don't be impulsive! If you have something to talk about slowly, be careful of the switch in your hand!"

Shred sneered: "Damn, what's to be careful? I have already become a desperate man anyway, and with so many murders, I won't lose any time when I die! So you'd better show me some understanding, otherwise if so, I just took so many people to bury me directly, which happened to save me from hiding!"

After speaking, he immediately pointed a gun at the security guard's head and shouted coldly: "Let me in and close the door!"

The security guard was robbed of the back of his head. How dare he make a mistake, he hurriedly followed Shred's request, led Shred into the door, and then locked the door tightly at Shred's request.

Shred grabbed the key from the security guard and said coldly, "You, follow me in!"

The security guards did not dare to follow Shred and stepped forward to the auction to inquire.

Shred directly rushed into the auction hall with a gun, and shouted at the crowd participating in the auction: "Everyone, just fu\*king listen to me. Give me your head and squat down. Who dares to run, don't blame me. The bullet does not have eyes!"

The entire hall suddenly became a mess, and everyone screamed and prepared to escape.

At this time, Shred directly picked up the pistol, fired three shots at the ceiling, and exclaimed, "Who the hell will run another one!"

As soon as the gunshot sounded, everyone was immediately frightened, and most people immediately squatted on the ground without hesitation, holding their heads in both hands.

But there were also one or two people, thinking that they could have a chance to escape to heaven, so they planned to escape from the side door. Shred directly raised his gun and shot, banging twice, and directly killed the man closest to the side door.

Now, the scene was even more shocked.

After Shred shot the man to death, he ran directly to the corridor next to the hall. According to the information given to him by the other party, the target he wanted to kill today was in the office next to the corridor.

#### Chapter 2416

At this time, Liona and Zhiyu heard the gunshots and immediately realized that something had happened. Liona pulled Zhiyu and blurted out: "Zhiyu, let's go!"

Zhiyu also knew that it was a matter of great importance, so she ran out with her mother without hesitation.

However, as soon as they ran out, they saw that many people outside the corridor were already trying to run out in a panic.

At this moment, Shred, armed with a gun, suddenly appeared at the entrance of the corridor. He raised the gun and pointed it directly at a man who was fleeing in a hurry. With a bang, he directly shot a bloody mist out of the back of the man's head!

With this shot, the man with the gunshot in the back of his head fell to the ground with a plop, and the panicked crowd around him suddenly let out a harsh scream.

Shred shouted coldly: "Listen to me, all go to the lobby to gather, no one is allowed to run! Otherwise, the end will be the same as this guy!"

Originally, these people were all in a panic and fled for their lives.

But now suddenly someone was shot and killed in front of them, which deeply stimulated their nerves.

At this time, everyone will calculate an account in their minds.

If you still insist on running away at this time, you will most likely be shot dead by the opponent.

But if you cooperate obediently at this time, there are at least a hundred people in the entire scene, including auctioneers and staff, and it is impossible for the other party to kill so many people at once?

Therefore, if you cooperate obediently, your chances of survival should be much greater.

As a result, no one of this group dared to try to escape anymore, each of them held their heads in their hands, turned around honestly, and walked into the hall one by one.

Because the entrance door of the hall had been locked and the key was snatched by Shred, it was impossible for this group of people to have a chance to escape.

At this time, Shred saw that everyone in the hallway had gone to the hall, and he shouted into the hallway: "All the people in the office and bathroom also listened to me. I call you to the hall in one minute. Assemble, I will check all the rooms in one minute. If I find someone hiding in it, don't blame my bullet for not being affectionate!"

After speaking, he added: "I tell you the truth, I didn't come for any of you today. I was just forced to flee by the police. I fled here to hide, as long as you honestly cooperate. I, when I negotiate with the police, I will naturally let you go!"

"However, if any of you dare to play with me carefully, I will definitely kill him in one shot. Anyway, I am a Grade A wanted criminal with several lives on my back, so I don't care about taking more!"

Hearing what he said, many people in the offices on both sides of the corridor honestly opened the door and walked out.

Bao Fugui, the owner of Treasures Pavilion, also gave up the idea of hiding in the office and walked out of the office with his head in his hands.

At this time, the two staff members who filed for Liona exchanged glances and went out together.

Zhiyu asked Liona in a low voice: "Mom, what shall we do?"

Liona said without hesitation: "Let's go out too. At this time, it is natural to cooperate well to ensure personal safety to the greatest extent!"

Zhiyu nodded gently.

Later, the mother and daughter also held up their hands, and the two staff members walked out behind them.

Shred kept holding the gun, paying attention to everyone walking out of the rooms on both sides. When he saw Liona and Zhiyu, he was immediately relieved.

He knew that the beautiful woman named Liona in front of him was his only support for turning over this time!

## Chapter 2417

Most criminals who commit felony crimes will be listed by the police as the key targets of arrest. Therefore, Shred who can escape all the way without being arrested has a deep sense of city government and anti-reconnaissance, and is extremely knowledgeable, he knows how to hide oneself.

Therefore, at the moment he saw Liona, although his heart was already excited, he couldn't wait for his eyes to shine, but he couldn't show any waves on the surface.

He shook the gun in his hand, and said coldly: "Hurry up on the back, don't fu\*king give me a dawdle there!"

Liona and Zhiyu didn't notice any abnormality, and hurriedly followed the others to the auction hall.

Seeing that Liona was already under his control, Shred did not go to search for other rooms, but after everyone entered the hall, he walked directly behind everyone, and then closed the door tightly.

At this time, there were a total of more than 100 men, women and children in the hall, all of whom looked at Shred nervously, not knowing what he was going to do to them next.

At this time, Shred stepped onto the auction stage, picked up the microphone, and said arrogantly: "Everyone, it is a kind of fate that we meet in this way in this place today, so I will introduce myself to you first."

Speaking of this, Shred cleared his throat and said: "My name is Shred, a northerner, and I am a wanted A-level criminal listed by the police. I fled all the way to Wrestrvel. I was just buying a pack of cigarettes at the subway entrance. I was discovered by the police and there is no other way. I can only hide here and take everyone hostage."

Afterwards, Shred turned around and said: "However, you don't need to be afraid. I insist that I don't want money and don't kill you. I just hope that you will stay here honestly, as I negotiate with the police. You are my bargaining chip, when the police agree to my terms, I will naturally continue my escape career, and everyone can leave here safely."

Shred's remarks made most people a little relieved.

These people felt in their hearts that since they wanted to cooperate as hostages, they should cooperate honestly. When Shred got what he wanted, he would naturally go home safely.

Liona and Zhiyu also didn't notice anything abnormal. Their minds were just like everyone else, but they felt somewhat unlucky.

It's like coming out to withdraw money and encountering a bank robber. Although the probability is small, it is not impossible.

Now that things have happened, the most important thing now is to ensure your own personal safety as much as possible.

Shred continued to speak at this time: "I just said, just need everyone to cooperate with me, so you just need to hold your head with your hands honestly and don't make any small moves. If anyone dares to make small moves, the end will be the same as before. The same as those who got shot!"

Everyone knew that Shred was cruel and didn't blink his eyes to kill, so naturally they didn't dare to make any moves.

Shred was still worried that he would not be able to completely deter these people, so he once again exposed his vests full of explosives, and said coldly: "I think there are many young people in your 20s and 30s. I also come from this age. I know that people at this age often have hot brains and are easily impulsive, so I remind everyone, don't be a hero, and don't think that a few people can join forces to find opportunities to subdue me!"

"I admit that I have two fists and four hands, and the bullets in my gun are far from enough to kill everyone present, but the explosives tied to my body are enough to blow this place into a pile of rubble, enough for you guys. Follow me on the road, even if you snatch my gun and blow my head with another shot, as long as I shake my hand and press the switch, I can take you all to the same funeral. Everyone understands?"

When everyone heard this, their expressions were immediately shocked!

No one would have thought that Shred not only had a gun, but he also had such a big killer jacket!

Those present are all flesh and blood. If this big killer really blows up, it is almost impossible for anyone to survive!

Therefore, at this moment, everyone's deep thoughts of resistance were completely extinguished!

Even in the security team, several retired young men who had enlisted in the army suddenly gave up the idea of looking for opportunities to turn the tide.

For many young people who have enlisted in the army, it is not difficult to subdue a person.

However, while subduing a person, it is almost impossible to ensure that his fingers do not touch a small switch.

### **Chapter 2418**

After all, even if it is a shot headshot and the brain loses consciousness, the nervous system will twitch the whole body for a few minutes, which may trigger the switch if a person dies.

Therefore, no one dared to risk themselves and the lives of so many people.

Seeing everyone was shocked, Shred was also relieved.

He is a vicious person, but he is actually worried about accidents.

After all, although he is a desperado, he is not really afraid of death. He also wants to smuggle himself abroad and regain a new life, so he will take on such a task.

Seeing that he had completely controlled the scene of more than a hundred people with his own words, he knew that the matter had already succeeded more than half.

The rest is to negotiate terms with the police, ask for a car, take Liona and escape.

Just when he was about to go to the gate to discuss the conditions with the police outside, the cell phone in his pocket suddenly rang.

He bought this mobile phone from the black market. The identity of the owner was stolen by people in the black market. It has nothing to do with him, so he is not afraid of being found by the police.

As for this mobile phone number, only a few of his immediate family members know it, and their contact information is also very secret.

He never allows his relatives to use cellphones, landlines and public phones to contact him, and only allows them to use Internet phones that can make anonymous calls. In this way, no one can find clues.

When the phone rang, he looked down and found that the caller ID was an overseas call, so he directly pressed the answer button.

Although the call appeared to be from abroad, it was actually made by his relatives using an internet phone.

Shred answered the phone and just said hello, he heard a woman whispering on the phone: "Husband?"

Shred let out a hum, and asked in a low voice of dissatisfaction: "Why do you call this time? You don't know I have something important to do?!?"

It was Shred's wife who called.

Shred is 35 years old this year, has been married for eleven years, has three children, and his parents are alive. In this task, besides wanting to fight for himself, there is another very important reason, that is, he wants to save something for his family some settlement expenses.

After all, his parents are old and his wife has no academic qualifications. After he fled, the family was almost sitting in the air, and the economic situation was getting worse and worse.

However, after taking over the task this time, the other party called to give his family 10 million. This million has already been paid. It is almost enough for the family to live a carefree life in a small place. Therefore, Shred is now considered as worry-free, even if the mission fails, or he is arrested or killed, at least the family can live a stable life.

On the phone, Shred's wife said a little excitedly: "Husband! The person who asked us to do errands added another 20 million in my account!"

"What?!" Shred exclaimed and blurted out: "Really?!?"

“It’s true!” Shred’s wife said excitedly: “They said that they would give the family 20 million, and they want to add a condition to you. As long as you agree, the money will be given to our family!”

Shred was also excited and asked, “What conditions?”

Shred’s wife said truthfully: “They said, let you kill the target’s daughter along with her!”

### **Chapter 2419**

When Shred heard this, he almost laughed out of excitement.

He subconsciously asked: “It’s that simple?!”

The wife on the other end of the phone said confidently: “Yes, it’s that simple!”

“Great!” Shred said excitedly: “It’s just a matter of hooking!”

After all, he had seen the photos of Liona, Zhifei, and Zhiyu a long time ago. Zhifei is not here, but Liona and Zhiyu, the mothers and daughters pair who are extremely attractive are here, which he has confirmed now with a glance.

Now, the mother and daughter are among more than one hundred hostages. As long as he asks the police to get to the car later, he can take them together as hostages!

He originally brought one and earned 10 million, but now it is bring two and earn 30 million!

Shred has never made such easy money in his life!

Therefore, he immediately opened his mouth and said: “I know, you tell them, I will do it!”

Shred’s wife was equally excited.

After all, thirty million!

Living in the fifth-tier cities in the north, a house is only a few hundred thousand, and a villa is only two million!

Therefore, Thirty Million can almost let her lead her three children for a lifetime without any worries, and in the local area, she can live a life of a master!

She has even begun to plan now. After Shred finishes this matter and goes abroad smoothly, she will spend 1.5 million to buy a Porsche car that she has loved for many years!

It was a luxury car that she could not even dream of. She once saw a beautiful woman driving in a shopping mall. At that time, that woman drove that Porsche, her temperament was indescribable and her pride was indescribable as well. This made her envious for a long, long time.

But now, she has 30 million in her account, and buying the same Porsche is almost a piece of cake!

As a result, her voice was trembling and exhorted: "My husband! People have given us so much money, you must help them get things done!"

Shred said immediately: "Don't worry, I will do it well, and the parents and children at home, please take care of you."

Shred's wife said excitedly: "Don't worry, husband! I will take care of our parents and children!"

"Okay!" Shred laughed and said, "I'll hang up now, and I will contact you after I go abroad!"

"Okay! Husband, take care!"

After hanging up the phone, Shred was excited and intolerable.

### **Chapter 2420**

He secretly thought: "Today is really a good day for him. Shred's great luck has finally come to him! As long as he takes these two women up later, go to a place designated by others, and get rid of these two women, he will be able to take the boat tonight. He will go abroad! The rest of life is to leap in the ocean and let the birds fly!"

Thinking of this, he glanced at Liona and Zhiyu quietly, and couldn't help but muttered in his heart: "These girls are so beautiful! I've never seen such a beautiful woman in real life. That Liona, mature and sexy, is no worse than the Hong Kong beauty celebrities of the 90s! That Zhiyu is even more young and beautiful, and she is simply the stunner of the stunner! It would be a shame if she gets killed like this!"

At this moment, the voice of a police officer speaking through a loudspeaker sounded outside: "Shred, listen carefully, you are now surrounded! I advise you to give up resistance immediately, come out and surrender, and you can fight for a leniency!"

Shred sneered, walked directly to the window, opened a window, and cursed coldly: "What do you shout! Let me surrender? I tell you, even if I die, I won't surrender! And I won't die. Not just one person will die! I will bring more than a hundred people here to die with me!"

The police officer suddenly became nervous, and said, "I advise you not to be impulsive! Don't let yourself fall into the abyss of immortality!"

Shred coldly snorted, "Stop talking nonsense! Listen to me! Immediately prepare a Rolls Royce filled with gas! As long as you prepare the car for me, I will naturally leave Wrestvel, too. It won't hurt anyone here! If you don't follow suit, I will let these people bury with me!"

After all, Shred looked at the time and added: "I am a person with limited patience. You only have 20 minutes to prepare. If you exceed this time, wait for the ruins and corpses to be cleaned up!"

Shred is a smart man.

The reason why he called for a Rolls-Royce is because there are very few Rolls-Royce cars. The police can never own a luxury car like Rolls-Royce, so they can only find one for him temporarily. .

It is inherently difficult to find a Rolls-Royce temporarily, so it is very difficult for the police to find the car in a hurry, and naturally it is impossible to have time to do anything with the car.

Therefore, this is more secure for him.

Moreover, a Rolls-Royce car is highly efficient and stable. It is not easy to break down on the road when driving in such a luxury car, and once it picks up quickly, it is impossible for ordinary police cars to catch up.

Upon hearing this, the police officer immediately began urgent discussions.

One of them whispered: "Now Shred has a gun in his hand, and he also has a big suicide jacket on his body. It is definitely impossible for us to attack him. Once he pressed the switch in a hurry, he is likely to detonate the explosive. At that time, we will poke a big basket!"

"Yes!" The other person also echoed in a low voice: "There is no strong attack, and there is no mediation plan. In my opinion, we might as well just prepare a car for him as he said, let him leave first, and then find opportunities along the way to arrest!"

A person in charge said solemnly: "Even if he is asked to leave first, he must not be tracked and arrested immediately. They are all immeasurable. Once a major incident occurs, none of us can bear this responsibility!"

"Yes! Let's prepare a car for him first, let him leave the crowded place like the city center first! We don't want to be able to catch this plague now, but as long as we can send him away safely and avoid him in Wrestvel To bring about more serious consequences, it is a good deed for the people of Wrestvel!"

The person in charge nodded, and said: "The top priority now is to let him leave the treasure pavilion, otherwise there are more than 100 hostages in it, it is really too dangerous!"

Having said that, he immediately gave an order: "Coordinate quickly and prepare the vehicle! Send it to Treasures Pavilion as soon as possible!"

A police officer said embarrassingly: "Captain, where are we going to get Rolls Royce? This kind of car can start at seven or eight million. There are not many cars in the city, and there is no police system. ...."

The person in charge called the Captain thought for a while, and said: "I have a good relationship with Zak Chen, President Zak Chen, I will borrow one from him! Anyway, first meet Shred's needs so that he will not cause a greater loss!"
