

The Amazing Son In-Law Chapter 2421-2430

Chapter 2421

Rolls-Royce is indeed not affordable for ordinary people.

Counting all Rolls-Royce in Wrestvel, it is estimated that there will be dozens of cars smaller.

And most of them are old cars with many years of age.

This kind of old-fashioned Rolls-Royce is actually not expensive, and most of them have already turned a lot of hands, and finally flowed into wedding companies to make wedding cars, specially used to fool some young people who love face.

Therefore, there are very few Rolls-Royces that can really come up with seriousness.

The Captain Ross had also thought before, whether he would simply find a wedding company and temporarily requisition an old Rolls Royce.

After all, if there is any damage to the car, this kind of old car will be cheaper overall, and the pressure of compensation will not be too great.

However, he changed his mind and thought again: "Shred has not only a very strong anti-investigation awareness, but also impossible to fool. The most urgent task now is to quickly invite this plague god out of the treasure pavilion, preferably directly get him out of Wrestvel City. The faster he walks, the better, so at this time must not be extravagant, if getting an old Rolls Royce irritates him, it will easily cause trouble!"

"Moreover, Zak Chen's own car is a Rolls-Royce, and the hotel is equipped with four Rolls-Royces of different models. Unlike others, most of them only have one Rolls-Royce, and they are very precious, so, Asking him to borrow is the best chance..."

Thinking of this, he immediately took out his cell phone and called Zak Chen.

At the same time, Zak Chen just parked the car at the door of the old house where Marven lived with his parents, and accompanied him into the house.

Marven looked at the depressed yard and sighed with dismay: "When my dad rented this small yard back then, it was as dilapidated as it is now. Later, my parents worked together to clean up the yard little by little and turn it into a warm home..."

Speaking of this, Marven couldn't help but sighed, and said: "That Auntie, should be like my parents, making this place lush as it was once..."

Zak Chen hurriedly said: "Master, don't worry, the second lady of the Du family is a well-known virtuous one in Beijing. After she buys this old house, she will definitely restore the house very carefully. I believe that after a month or two, When you come to see it again, this place will change a lot."

Marven waved his hand: "Forget it, I was seen by her the last time I came here, and I will rarely come to this place in the future, unless she returns."

Zak Chen said earnestly: "Master, in fact, you don't need to hide from the second Miss Du's family. She is a good person and she has liked your father for so many years. If you recognize her, I think she will treat you as her own."

"That's not even important." Marven waved his hand and said seriously: "I don't want to be treated as a son by an aunt who loves my father deeply. That feeling is too awkward."

After speaking, Marven said again: "Furthermore, when I was in Japan, I saved the Su brother and sister. I don't want to have anything to do with them."

"Hey..." Zak Chen sighed helplessly: "Master, you rescued Zhifei and Zhiyu. The old man from the Su family will kneel in front of you and knock his head three times!"

Marven sneered: "I don't need him to kneel to me. When the time is right, I will let him and all the men of the Su family kneel in front of my parents' grave, and kowtowed for the Anti-Ye Alliance back then!"

Zak Chen unswervingly said: "Master, I believe that with your strength, this goal will definitely be achieved in the near future!"

Marven nodded slightly, and his eyes refocused on this defeated courtyard.

At this moment, Zak Chen's cell phone rang suddenly.

He hurried back a few steps so as not to disturb Marven, and then said respectfully to him: "Master, I will answer the call first."

Marven gave a hum, and said no more.

Zak Chen walked to the door, only then connected to the phone and asked, "Yes, what can I do?"

Captain Ross hurriedly said: "Mr. Zak Chen, there is something I need to ask you for help. You may have to do this this time, and I hope you won't refuse!"

Chapter 2422

Zak Chen smiled and said: "We have known each other for so long, so what is there to be polite with you? Let's get it straight, what's the matter?"

Captain Ross explained: "Zak Chen, there has been a big case in Treasures. A grade A wanted criminal rushed in and took more than 100 people as hostages, and this guy is still strapped with explosives. Ask us to provide him with a Rolls Royce for the hostages life, we can only do it with your help!"

As he said, Captain Ross said again: "There are not many people in Wrester who have Rolls-Royces, and you are the only one who owns multiple Rolls-Royces. So please help me, please help me!"

Zak Chen exclaimed: "Treasures Pavilion? Are you sure it is Treasures Pavilion?"

“Yeah!” Captain Ross hurriedly said, “I’m outside the treasure pavilion right now. Basically all the police forces that can be deployed in the city have come...”

Zak Chen couldn’t help saying: “I just came out of the treasure pavilion ten or twenty minutes ago...”

Captain Ross said with emotion: “Then you are really lucky. If you come out a little later, you will probably be blocked by Shred...”

After that, Captain Ross hurriedly asked: “Mr. Zak Chen, is it convenient for you to lend us a Rolls-Royce? You can rest assured that if there is any problem with this car, our municipal bureau will bear your loss!”

Zak Chen said without hesitation: “Captain, you don’t have to be so polite with me. As a law-abiding citizen, it is my responsibility and obligation to provide assistance to the police!”

Having said that, he immediately said: “Wait a minute, I will call and arrange for someone to send you a Rolls Royce!”

“Okay!” Captain Ross said excitedly: “President, thank you so much for that!”

“Don’t be polite!”

After hanging up the phone, Zak Chen was about to call his men so that they could prepare the vehicle quickly.

Marven walked up to him at this time and asked him: “Old Chen, something happened in Treasures Pavilion?”

“Yes!” Zak Chen hurriedly introduced the matter to Marven.

When Marven heard this, he said immediately: “The situation is urgent and lives are in danger. Don’t call, just drive your car over!”

Zak Chen said immediately: “That’s okay! Master, then I will drive to the treasure pavilion, you can move around the place meanwhile, I will not take you back!”

Marven said, “I’ll be with you!”

After that, Marven had already taken the lead out of the yard.

Zak Chen didn’t think much about it, and immediately prepared to help Marven pull the car door. Marven opened the car door first, pushed him a bit, and said, “The time is urgent, go drive!”

“okay!”

Zak Chen rushed into the cab, started the car, and hurried to Treasure Pavilion. Marven looked out the window at this time, frowned slightly, and said, “Old man, the police said that Shred was discovered by accident and was chased into the Treasure Pavilion?”

“Yes, young master!” Zak Chen said: “I guess this guy should have fled to Wrestvel. He wanted to make some money in Wrestvel to continue his escape. He didn’t expect to be discovered by people from the Wrestvel City Bureau, so he fled into the treasure pavilion in panic. “

Marven shook his head and said: “I always feel that things seem a little bit wrong.”

Zak Chen asked in surprise: “Master, what’s wrong?!”

Marven didn’t answer his question, but instead asked him: “A Grade A wanted criminal who has been hiding in Tibet for a long time must be a person with a strong sense of anti-reconnaissance and a strong ability to judge the environment...”

“Such a person, who has very strong escape experience, would choose to escape into a well-enclosed single building like the Treasure Pavilion? Running into the building, isn’t it clear to let others catch turtles?”

Chapter 2423

Hearing Marven’s analysis, Zak Chen couldn’t help but nodded and said, “This thing is really strange. Normally, only a fool will run into the building when he is chased. Normal people should think about it. They will run away quickly, as far as possible.”

Marven snorted and said, “Since Shred is a long-run A-level wanted criminal, it is absolutely impossible for him to commit such a low-level mistake. Otherwise, he must have been arrested a long time ago, so I speculate that the greatest possibility is , Shred deliberately wants to enter the Treasure Pavilion!”

“Intentionally entered the Treasures Pavilion...” Zak Chen couldn’t help but muttered, and asked in confusion, “What will he do in Treasures Pavilion? There is no big auction in Treasures Pavilion today. Today, it is a judicial auction, and everything is sold. For big things like houses and cars, there is no point in grabbing these things!”

Marven smiled and said, “Don’t forget, he was chased into the treasure pavilion by the police, or that he deliberately pretended to be chased into the treasure pavilion by the police, so it is unlikely that he was going to the treasure pavilion.”

Zak Chen asked puzzledly: “Master, if he didn’t run for things, then what was he running for?”

Marven snorted coldly, “Since it’s not running towards things, it must be running towards people!”

“Running for people? He is an A-level wanted criminal. Once he is found out, he is likely to be caught or even killed. Who would be running for such a big risk?”

Marven said earnestly: “Today, there should be five people with the highest value. One is me, one is you, one is Bao fugui, and the remaining two are Ms. Liona Du and Zhiyu Su. Who do you think he is running for?”

Zak Chen thought for a while, and said seriously: "It's a little less likely to run towards the two of us. After all, we have already come out and he just went in. Then there is a high probability that these three people will remain."

As he said, he muttered again: "Possibility of wealth is slightly greater. After all, he is quite famous in Wrestvel. Although he is not worth as much as Miss Warnia from the Song family, and not as good as Qin Gang, but at least he has billions of assets."

"As for Liona and Zhiyu...I think the possibility is a little bit smaller. Like the Ye family, the Su family is one of the top families in the country. The protection of family members is very in place. There is no media outlet. They dare to expose their member information without the consent of these big families. Therefore, even the richest man in Wrestvel, it is very difficult to figure out the information about the members of the Su family, let alone for Shred, a wanted criminal."

Marven frowned and said, "You didn't understand the core of this incident. The core of this incident is that Shred risked his life to act in a play. It is impossible for him to act in a play just to find treasure. Wealth, or ask the Su family for some money, I think there is a high probability that there is a conspiracy."

"Conspiracy?" Zak Chen was a little puzzled and said, "Master, you said there was a conspiracy. Is it because the enemy of the Su family wants to deal with the mother and daughter of the Su family? Or the rich and wealthy enemy wants to use Shred's hand to kill him? "

Marven nodded: "I think it's all possible. What's going on, we still need to see how this matter develops in the future."

Zak Chen said: "This Shred wants a humanshield to escape. I don't know if he can escape this time."

Marven smiled and said: "Whether he can escape depends on whether there is anyone behind him to help, otherwise, with his own ability, making such a big disturbance, and Warnia to escape from birth, it is simply a dream!"

Speaking of this, Marven sneered: "However, since he dared to play so big, someone must help from behind!"

...

Soon, Zak Chen drove to Treasures Pavilion.

When approaching the Treasure Pavilion, Marven had already pulled out his mouth to put on the cover, so as not to cause too much attention and expose himself.

At this time, the Treasures Pavilion was surrounded by a large number of police officers and police vehicles, and even wheeled armored vehicles dedicated to anti-terrorism were dispatched.

The several roads close to Treasures Pavilion have all been blocked by the police, and a large number of police forces have even been deployed to evacuate the crowd.

As soon as Zak Chen's Rolls-Royce arrived at a blocked intersection, a middle-aged man hurried over and greeted Zak Chen through the window.

Zak Chen put down the car window and said, "Officer."

The one called is the head of the Wrester police, Ross.

Chapter 2424

They are already waiting for this Rolls-Royce with eagerness. Although Zak Chen's speed is also very fast, the situation inside is really critical and important.

Therefore, he hurriedly said: "Mr. Zak Chen, thank goodness you are finally here, do you think it is convenient for you to drive in? If you think it to be convenient, you can directly help drive the car to the main entrance of the treasure pavilion. If it is not convenient for you, Leave this car to me, and I will drive in."

Zak Chen turned around and asked Marven in a low voice: "Mr. Ye, what do you say?"

Marven also wanted to go in to see what the situation was, and said, "Go straight in."

Zak Chen said to Ross, "Officer, I will just drive in."

"Okay!" Ross nodded, and hurriedly asked again: "Mr. Zak Chen, is your car full of gas? That Shred asked for full gas. If you don't think so, I will arrange for someone to pump from another car. Come in a little bit."

Zak Chen glanced at the oil meter and said, "I am basically full."

"That's good!" Ross breathed a sigh of relief and hurriedly said, "You drive directly to the gate of Treasures Pavilion, but don't get too close. When the time comes, park the car, leave the key in the car, and withdraw quickly. This is important for your safety."

"OK." Zak Chen nodded.

At this time, Ross immediately let people open the set roadblock and let Zak Chen's Rolls-Royce pass.

When Zak Chen's car drove into the Treasures Pavilion, he parked the car at a distance of five or six meters from the door.

Afterwards, Zak Chen said to Marven, "Master, let's get off the car!"

"Okay." Marven said, "But you will say hello to the old man later, and see if we can stay on the scene to see the development of the situation. Don't get out of the car and drive us all outside the isolation ring."
."

Zak Chen hurriedly said, "This problem is not big, let me tell him!"

Marven nodded: "Okay, get off the bus!"

Afterwards, the two immediately opened the door and got out of the car.

At this moment, Shred inside saw the Rolls Royce coming, and immediately rushed to the door, holding the gun in one hand and the detonating switch in the other, shouting: "You open all the doors! Open the trunk and let me Check if there is anything hidden inside!"

Zak Chen immediately opened all the car doors so that Shred could see the car and shouted: "It were the two of us in the car just now. Now there is nothing. Can you see anything?"

Shred continued to shout, "Where is the trunk? Open the trunk too!"

Zak Chen replied, "Okay, I'll open it now."

After speaking, quickly opened the trunk again.

Zak Chen owns a number of Rolls Royces, although they are all equipped by the Ye family, but he has the right to use and decide.

The car he drove today was specially reserved to receive Marven, and every time he used this car, he drove it himself. Only when Marven needed it would he drive this car out, so this car's backup There are no personal belongings in the box.

After opening, there is nothing in the trunk.

Shred naturally looked at it at a glance. Then he nodded in satisfaction, looked up and down Marven and Zak Chen, and said coldly: "Don't turn off the car, leave the keys, you two can go!"

Chapter 2425

Shred asked Zak Chen and Marven to leave. Zak Chen's first thought was: "I don't know young master, would like to leave?"

"Besides, I don't know if the young master will attack Shred directly? With the young master's ability, once the thundering order is issued, it is guaranteed that Shred will not even have ashes!

"Even if the young master is unwilling to do it in front of so many people, wouldn't it be easy to solve this Shred with the magical powers of the young master in a different way?"

So, he immediately looked at Marven, planning to see what kind of decision Marven would make.

What he didn't expect was that Marven beckoned him directly and said, "Let's go quickly."

After speaking, he turned and walked outside first.

Zak Chen was stunned, only then recovered and hurried to catch up.

When the two of them left the yard of the Treasure Pavilion, Officer Ross hurriedly greeted him and said gratefully: "Oh, Mr. Zak Chen, thank you so much for this matter today! I will arrange for someone to send you and this Mister back?"

Zak Chen waved his hand and asked in a low voice, "Officer, can we two watch the fun here?"

"Look at the fun?" Ross said hesitantly, "Mr. Zak Chen, the current situation is very dangerous! You know, Shred, that guy has a lot of explosives on his body! In case he really wants to kill himself and detonate the explosives. Everyone around will suffer..."

Zak Chen waved his hand: "It's okay. I think this Shred has a strong desire to survive. Otherwise, he won't have to spend so much effort to get a Rolls Royce. Since he has a strong desire to survive, then he is not afraid of his death?"

Ross thought for a while and said, "Okay, Mr. Zak Chen, then I will trouble you two behind us. I can take care of anything else."

"Okay!" Zak Chen hurriedly said, "Thank you, Mr. Ross, don't worry, we will never cause you any trouble!"

Ross hurriedly said, "That's it, Mr. Zak Chen, be careful. I'll have a meeting with the leader and touch on the plan!"

Zak Chen also said politely: "Officer, hurry up if you have something to do, don't worry about us!"

Ross then quickly turned and left.

As soon as he left, Zak Chen hurriedly asked Marven next to him in a low voice: "Master, what are you going to do? Just stay and watch?"

Marven smiled slightly and said, "I want to see who is Shred's target."

"What then?" Zak Chen hurriedly asked again, "If you know who his target is, what are your plans next?"

Marven shook his head: "I don't know now, just watch the changes."

...

at the same time.

Inside the Treasure Pavilion.

Shred looked at the time and felt that it was almost time for the next step, so he took out his phone and sent a text message. The content of the text message was very simple, with only two words: "Goodbye."

The other party quickly replied, and the content was also two words: "Good to go."

This is the secret signal of Old Su's confidant who has made an appointment with Shred.

Once the opponent is ready to go, it means that they are ready and Shred can set off.

Chapter 2426

If the other party does not reply, then Shred can only continue to spend some more time in the treasure pavilion. When the other party replies to these two words and only then he can go out.

Now, the other party has given a clear reply, and Shred does not intend to continue to waste time. He looked at the people in the hall holding their heads and squatting down and said coldly: "They have already prepared the car I want, so it's time for me to leave here. Thank you all for your cooperation. You will be free when I leave."

The more than one hundred people present immediately breathed a sigh of relief when they heard this.

Everyone's face appeared with a smile after the disaster.

The law and order in China is so good that most people will never encounter such a thing in their lives, and if they encounter such a thing, they are getting out unscathed. That is really great luck.

Therefore, everyone relaxed completely at this time, just waiting for the plague god to leave quickly, and then be able to survive this crisis completely and safely.

At this time, Shred suddenly spoke again: "Everyone, brothers, I have one more thing that needs your help. I hope you all regard me for being so trustworthy and don't refuse me."

When everyone heard this, they suddenly became a little nervous.

No one knows what Shred needs.

If he wants money, it doesn't really matter. As long as they don't hurt everyone, everyone is willing to give him all their belongings.

However, I'm afraid he has other ideas.

At this moment, Shred said, "I have asked them to prepare a Rolls Royce for me. However, if I get in the car by myself, they will definitely not let me leave, maybe Killed me in half the way."

"So, brothers, I have to find two people to accompany me on another journey. When I leave this city completely and safely, I will naturally let these two people leave!"

Speaking of this, Shred smiled slightly and asked, "Is there any friend who is willing to volunteer?"

After hearing this, everyone immediately bowed their heads deeply.

It's like a scu*bag who generally doesn't review his homework. When he hears that the teacher wants to call up and recite the text, he prays in his heart and doesn't choose himself.

However, deep in the hearts of everyone present, there was more or less luck.

Everyone feels that if there are more than 100 people on the scene, if only two are selected, then there is a high probability that they will not be the ones selected.

In fact, Shred has a candidate deep in his heart, but he still has to do what he should do. Otherwise, if someone sees the clue, it will upset the benefactor behind him and let himself live like this. It's not easy.

Therefore, he looked around pretendingly and said a little displeased: "You guys are really not interesting enough. I have done what I said to you, but now when I need your help a little bit, you guys one by one are looking another way. It's like a tortoise with a shrunken head. You don't even dare to look at me. Isn't it a bit too much?"

At this time, naturally, no one dared to take his words.

After all, everyone knows the principle of shooting the first shot. If one is paying attention now, it is very likely to be selected by him.

As a result, everyone still buried their heads deeply, and no one dared to look up at him.

Shred yelled annoyedly: "Damn! It's all fu*king playing with me, right?? I treat you so much, you don't even dare to look at me, right? Okay! I count to three seconds. By then, if anyone doesn't look up at me, I will kill him with one shot!"

As soon as he said this, more than one hundred people immediately raised their heads without hesitation and looked at Shred unblinking.

No one does not cherish their own life, so no one dares to disobey this kind of desperado who kills without blinking at this time.

Shred's eyes patrolled around, and then his gaze fell on Liona and Zhiyu, and said with a lewd smile: "I didn't expect that there would be such a beautiful pair of ladies here. If you accompany me on the way to escape, With such a beautiful beauty, it's worth death, it's you!"

Chapter 2427

When Shred announced the fate of Liona and Zhiyu, everyone else finally breathed a sigh of relief.

Now, it is finally completely safe!

But Zhiyu was desperate in her heart. She didn't understand why Shred chose her mother and herself from more than a hundred people.

However, when she thought about it carefully, she can't help feeling: "I don't know how to brag about appearances. My mother and I are indeed the more outstanding among the more than 100 people..."

"This Shred looks not only sturdy, but also a bit squint. He will choose me and my mother from so many people, which is also in line with the style of this kind of person..."

"I just don't know, besides wanting my mother and me to host him, will this person have any other attempts..."

So she looked at her mother beside her nervously.

Liona saw her daughter's gaze, patted her hand lightly, and said in a low voice, "Darling, don't worry, your mother is with you, but as well the soldiers are here to stop and the water comes to cover."

Zhiyu whispered: "Mom, let's think of a way to send information to Dad or Grandpa..."

Liona shook her head: "The distant water can't save the nearby fire. Everyone holds their heads in their hands. What if he finds you while holding your phone?"

Zhiyu said eagerly, "But we can't just follow him like this...This is too passive..."

As she was talking, Shred was already walking towards the mother and daughter, so Zhiyu quickly closed her mouth.

Shred walked to the front of the mother and daughter, shrugged and smiled: "Oh, I have worked so hard for the two beautiful women to accompany me again!"

Liona did not hesitate to speak at this time: "Take me hostage and leave my daughter. She is too young, and she is scared in her heart. If she keeps talking on the road, I am afraid it will annoy you. ."

Upon hearing this, Zhiyu hurriedly said, "Mom! I want to be with you!"

Shred pretended to be surprised and said, "Oh, I didn't expect you two big beauties to have a mother-daughter relationship. The mother-to-be is too young to tell at all!"

Liona looked at Shred and said with some pleading: "Please gentleman, my daughter is still young, and she has been very frightened, so please stop tossing her."

At this time, a woman who was dressed in a coquettish dress said annoyedly, "Hey! What do you mean by this woman? Since brother Shred has chosen you, you two will accept your fate. Why do you do this? This kind of thing? If you do this, don't you increase the risk for us? I advise you two to follow Big brother Shred obediently. What kind of bargaining is this, really!"

As soon as the woman spoke, someone next to her immediately agreed: "Yes! he has chosen the two of you, and you still want to bargain. Do you want to choose another one of us?"

The coquettish woman immediately said, "That's right! Whoever is chosen by brother Shred will obediently follow him. At this time, I'm asking for mercy, isn't it just trying to pull others into the water?"

Shred glanced at the woman, then smiled and asked, "What's the matter, beautiful woman? Are you afraid that I will choose you?"

The woman was taken aback, and hurriedly waved her hand and said, "No, brother Shred, how can I be worthy of you like a rouge and vulgar fan? Or the little beauty just now is better compared to... ."

Shred looked at her coldly, smiled playfully, and said, "Since you also know that you are a vulgar fan, there is no need to stay in this world and pollute other people's eyes!"

After that, Shred immediately pointed his gun at the woman.

The woman was so frightened that she screamed, "Big brother, please be forgiving..."

Shred smiled cruelly, then immediately pulled the trigger.

Chapter 2428

After the bang, a finger-thin blood hole suddenly appeared on the woman's forehead.

Immediately afterwards, her eyes widened, she fell straight back.

A large pool of blood soon shed on the ground, and the smell of blood was permeated throughout the hall.

Everyone present was so scared that their souls were scattered, and no one thought that Shred would be so vicious and evil.

That woman just said a few more words, and he actually shot her to death with a single shot!

In fact, Shred killed this woman not because she was really disgusting, but to give Liona and Zhiyu a smashing power show.

He must use this method of killing chickens to make the mother and daughter 100% obedient to himself.

Only in this way can he take them away as planned.

So, he looked at Liona, who was pale, and asked with great interest: "How is it, big beauty, are you still bargaining with me?"

Liona immediately shook her head.

She knew that the vicious man in front of her was a murderous demon, and she could only follow his instructions purely, could not refuse, or even have any doubts.

She thought to herself: "If I continue to bargain with him, then it is very likely that I will be killed on the spot..."

"It doesn't matter if I die, but the point is that if I die, this guy still doesn't let Zhiyu go, then everything is over!"

Thinking of this, she took Zhiyu's hand, looked at Shred, and said firmly, "We will go with you!"

Shred immediately smiled and said happily, "Oh! Two beauties, these are the real masters who know the current affairs. As long as you are obedient and cooperate with me to escape, I will definitely not hurt you; but if you dare to play with me carefully, I will definitely let you two go to see Lord together!"

Liona nodded firmly, and said seriously, "Don't worry, we will cooperate."

Shred smiled with satisfaction: "Since you are so on, then I won't talk nonsense!"

After speaking, he waved the gun in his hand and said, "You two go first!"

Liona nodded and pulled Zhiyu beside her to stand up. The mother and daughter looked at each other. She firmly squeezed Zhiyu's hand and walked towards the gate of the Treasure Pavilion.

At this moment, Zak Chen's Rolls-Royce stopped in the middle of the courtyard at the entrance of Treasures Pavilion, while all the police retreated outside the courtyard according to Shred's request, staring at the entire Treasures Pavilion outside the courtyard.

At this moment, the locked door of the treasure pavilion suddenly opened, and everyone immediately roused their spirits.

The deputy commander-in-chief of the police, Ross, ordered through the internal walkie-talkie: "All snipers are ready! Once the target appears, immediately lock the target from your respective directions!"

The commander-in-chief said at this moment: "Team Red, the target always holds the detonation switch, we must be cautious! Without 100% certainty, we must not shoot!"

Ross's expression was startled, then he sighed and was about to speak when he suddenly saw two women walking out of the gate of Treasure Pavilion!

At this time, less than five meters away from Ross, Zak Chen suddenly exclaimed, "Master! It is Liona and Zhiyu!"

Chapter 2429

Seeing Liona and Zhiyu walking out, Marven was not surprised at all in his heart.

He had long felt that this matter was definitely not as simple as it seemed.

Now, Liona and Zhiyu will come out under Shred's coercion, and he has strengthened his views on this matter.

It's just that Marven didn't really want to understand yet, who would have spent so much effort and circled such a big circle to disadvantage Liona and Zhiyu.

At this moment, Liona and Zhiyu, mother and daughter, had completely walked out of the gate of Treasure Pavilion.

Shred held a gun in one hand and held the detonator tightly in the other, and followed behind the mother and daughter in one step.

He raised his head and looked around, and sneered at the police officers around him and said, "I know you must have ambushed a lot of snipers around, and you are ready to shoot me at any time, but I still suggest that you consider carefully. Because of this detonator in my hand, even a one-year-old baby can detonate it with a finger. If you are not afraid to die, just let a sniper shoot at me!"

Ross said coldly: "Shred, rest assured! As long as you don't act rashly, we will definitely not shoot you! Now the car is ready for you, you can leave this place anytime! But before you go, be sure to Release the hostages."

"Release hostages?" Shred smiled unscrupulously, and said contemptuously: "Do you think I am a three-year-old child? I tell you, these two hostages will stay with me until I get rid of your tracking completely. If you know each other If you do, don't send anyone to follow me. After I'm safe, I will naturally release these two people."

Having said that, he changed his conversation and said with a cruel expression: "But if I find out that some of you are trying to follow me, then I will drive the car to the city center and press the detonator. Eighteen years later, you city will see a real hero!"

Ross's expression was so ugly and angry. He could only hold back the anger in his heart and said, "Don't worry. We will never send someone to follow you!"

Shred sneered and said, "Officer you familiar!"

After speaking, he immediately said to Liona and Zhiyu, mother and daughter: "You two get in the car! Sit in the back row!"

Liona did not dare to hesitate, pulling Zhiyu into the back seat of Rolls Royce.

Holding the gun and the detonator, Shred swaggered into the cab.

This Rolls-Royce was not stalled, as long as it was in gear, it could drive away.

Therefore, Shred directly put on the forward gear and rushed towards the courtyard gate.

Ross hurriedly ordered the policemen at the entrance of the courtyard to avoid the car. The originally encircled circle like an iron barrel immediately gave way to a passage.

Shred stepped on the accelerator without hesitation, and the Rolls-Royce engine let out a low roar, even rushed out quickly and fled the scene at an extremely fast speed.

As soon as Shred drove away, a police officer hurriedly came to Ross and asked, "Sir, do you want to let our plainclothes drive with behind him?"

Ross hesitated slightly and said, "Shred has a very strong sense of counter-reconnaissance. If we really send a car to keep up, once he finds it, it may cause irreparable consequences."

After speaking, he opened his mouth and said, "Let's call the city's traffic monitoring network first, and use the monitoring probes on the city's roads to track the whereabouts of Shred's Rolls Royce in real time! If he leaves the city, then we Arrange the police to deploy control in advance!"

At this moment, seeing that Rolls-Royce had disappeared, Zak Chen couldn't help sighing with regret, and said: "Master, if it is really like you said, if someone wants to be against Miss Liona's and daughter Zhiyu, then the two of them are finished this time I am afraid, it's not good enough..."

Marven nodded in agreement, and said: "The other party can carefully arrange such a big game and put in such a big play. It must be impossible to just scare them. The probability is to run. They are here to die."

Zak Chen couldn't help asking: "Master, it is a matter of life, do you want to do it?"

Chapter 2430

Marven's expression was a little hesitant. A few seconds later, he shook his head gently: "Forget it, I have a grudge against the Su family, but now the grudge has not been reported, and the Su family has been saved several times. Yes, Zhifei, Zhiyu, and Ruoli. I saved each of the three Su family members once. If I still shoot today, the Su family owes me five lives!"

When Zak Chen heard this, he couldn't help but agree to say: "Yes... the hatred has not yet been reported, and as a result, you kept saving their family's people, God is really good at joking."

Marven couldn't help sighing, "Hey... if something really happened to this Aunt, then my father's house is going to be auctioned again, right?"

Zak Chen said: "I don't know yet, Miss Liona's, whether the payment is completed and the formalities have been completed. If it is completed, the house will become her inheritance. If the formalities have not been completed, it is estimated that it is too late. In time it will return to the judicial auction."

Marven couldn't help frowning: "If it becomes this Aunt's estate, who is the first heir?"

Zak Chen said: "I really can't say who is the first, but it must be her husband or her son, or half of them."

Marven gritted his teeth and cursed: "Damn, how can the house where my parents lived, how can the bastard Zynn account for half!"

Zak Chen hurriedly said, "Why don't I ask someone to inquire later to see if this Liona's family has completed the formalities."

Marven nodded, and said sullenly, "It seems that this can only be done."

At this time, a white Rolls-Royce Cullinan stopped in front of the two of them. A middle-aged man hurriedly walked out of the cab and said respectfully in front of the two of them: "Master, Mr. Zak Chen, I brought the car here, you two see if you two drive away by yourself, or me?"

Zak Chen took the lead and said: "Okay, I'll drive, you can take a taxi and go back."

The other party hurriedly nodded respectfully: "Okay President, then I will go back first."

Zak Chen took the initiative to open the rear door and said to Marvin, "Master, please."

Marvin gave a hum and stepped into the car.

Zak Chen got into the cab and asked Marvin while starting the car: "Master, where are you going? Go home do you?"

Marvin thought for a while and said, "Send me home."

"Okay." Zak Chen immediately drove in the direction of Tomson's.

On the way, Marvin kept frowning.

Zak Chen quietly followed Marvin's expression through the rearview mirror of the car, and couldn't help asking, "Master, do you have something on your mind?"

Marvin nodded, propped his chin and said: "I just don't understand, who will act on their wives."

Zak Chen said: "The Su family usually makes a lot of enemies. I don't know how many people hate the Su family. It is normal to find a chance to report to the resurgent family."

Marvin waved his hand and said, "Although the truth is correct, things are not like this after all. Everyone knows that Zynn even took it to the Su family's father in order to avoid the limelight. Now he ran to Australia. In the future, there is a high probability that the Su family will no longer be inherited by him, so Zynn's position tantamount to the deposed crown prince."

"Now, even Zynn has lost power, and the status of his wife and daughter in the Su family is even less worth mentioning."

"In this case, if someone really wants to report to the revivalist, why bother to kill the wife so deliberately?"
