

The Amazing Son In-Law Chapter 2441-2450

Chapter 2441

At the moment when the impact sound reverberated in the tunnel, Marven's figure could not help but stagnate for a moment.

With such a huge movement, you don't need to look at how strong the impact is.

Even a Rolls-Royce, with its sturdy built can't hold up such a large force, and the people inside are probably too ugly!

At this moment, Marven felt very sorry.

Although he has no friendship with Zhiyu, in the final analysis, he has no grudges against her at the same time. A young girl in her early twenties was brutally murdered by her family in such a cruel way. It is inevitable to feel regretful.

In addition, Marven showed more sympathy to Liona.

Speaking of it, he had no contact with Liona, and unlike Zhiyu, at least he had saved her and her brother's lives in Japan.

However, because Liona has been obsessed with his father for so many years, even this time she caused a murderous disaster for herself because she was unforgettable for his father.

Therefore, the image of Liona is a bit more tragic in Marven's mind.

The man she loved did not choose her, and the man she chose had betrayed her for so many years.

And she didn't forget that sweetheart who had been dead for many years, and even spent a lot of money to buy back the old house where she once lived.

However, it was precisely because of her behavior that all of this was incurred to her.

Therefore, how can such he not be sympathetic to such a woman.

Marven couldn't help but feel annoyed in his heart: "I knew so long ago, when I was in the Treasures Pavilion, I should have dealt with Shred!"

"In that case, Liona and Zhiyu would not suffer this disaster!"

"But, having said that, since the Su family wants their lives, what if I had kill Shred and saved them in the Treasure Pavilion? The Su family hides behind them, and they will still find other ways to kill them and kill Shred in the end."

Thinking of this, Marven couldn't help sighing.

“It seems that the mother and daughter should not have met such a disaster...”

However, in an instant, Marven suddenly thought that he still had a few rejuvenation pills on his body!

At the beginning, Orvel was almost strangled to death and he used a rejuvenating pill to rescue him.

If Liona and Zhiyu are still alive, they will be saved by him as well!

Thinking of this, Marven speeded up at his feet and rushed toward the inside of the tunnel!

.....

At this time, Zak Chen’s Rolls-Royce was sandwiched by four large trucks in front and two behind.

Because the inertia of the two large trucks behind was too great, the entire Rolls-Royce engine compartment had completely collided with the cockpit.

The trunk was also knocked into the position of the rear seat!

The original five-meter-long car body has now been hit by the front and back and only half of its length is left!

The visual effects of the scene can be said to be extremely tragic!

In the cockpit, Shred’s entire abdomen was squeezed into a pool of rotten meat by the invading engine compartment, and his head was protected by an air bag, so he didn’t suffer any serious injuries.

This caused him to suffer fatal injuries, but at this time he did not immediately suffocate. He just opened his mouth weakly, and constantly vomited a lot of blood, looking terrible.

The mother and daughter in the rear seat have soft seat double-wraps in the front and rear. The situation is better or less, but the internal injuries are also very serious.

In a car accident, the most feared is internal injury.

Chapter 2442

If any internal organs suffer a heavy blow and rupture, it will cause severe internal bleeding.

If it’s fast, people can die within a few minutes.

There is almost no possibility of rescue.

At this time, Liona had passed out directly, but Zhiyu was still sober.

She felt her chest squeezed tightly by the front and rear seats, and it was almost impossible to see through. At the same time, there was pain everywhere in the body, and the whole person was extremely weak and incomparably painful.

At this time, behind her, there was a sound of opening the door.

The two large trucks that were hit by the main force behind had also been completely hit beyond recognition.

However, due to the high level cockpit, the driver was not injured.

At this time, the two drivers pushed the door, jumped out of the cockpit, and went directly to Rolls-Royce to investigate the situation.

In the two trucks used to block the road in front, two drivers also jumped down.

The four came to the side of car and took a look. One of them exclaimed, "Captain, eldest...the eldest lady is also in the car!"

"What?! How could the eldest lady be in the car?!" The man who was called the captain was Stuart, the capable man who was most trusted by the Su family.

Stuart's father was the personal guard of Old Su's.

Later, his father got older and was not fit to continue the role of personal guard, so he inherited his father's mantle and became the personal guard of Old Man Su.

At the same time, he is also the black glove of Old Man Su.

Many dirty and bloody things were done by him personally on behalf of his master.

This time, he was instructed by Mr. Su to follow the tragic death of the European princess and solve Liona.

So he found Shred who was running around through the channels of the underground world, gave him such a chance, and then tailored a whole plan for him.

However, he only had told Shred to take Liona into the car as a hostage and bring her into this tunnel, but never dreamed that this Shred actually will bring the eldest lady Zhiyu into the car!

In shock, he rushed over to check, and he saw Zhiyu also sitting in the back seat!

At this time, Zhiyu's face was pale, with almost no blood, which made Stuart panic.

At this time, Zhiyu also recognized Stuart and knew that this was the personal guard next to her grandfather, so she stared at him with an extremely resentful look.

Stuart could be considered to have rushed over in a strong wind and waves, but at the moment when his eyes met Zhiyu, he suddenly panicked!

He subconsciously dodged Zhiyu's eyes, then rushed to the side of the cab, and yelled hysterically at Shred who was vomiting blood, "Shred name! Are you f*cking crazy?! Who made it? You brought the

eldest lady in the car too?! What the hell did I tell you back then?! What did I tell you!!! I told you to take Liona alone! It's one person, not two people! Don't you have any brains?!!!"

After speaking, Stuart suddenly realized that something was wrong, so he asked with an angry expression: "Shred, you f*cking tell me the truth, who instructed you to bring the lady into the car too?!"

Shred was already at the end of his life, his eyes widened vigorously, his mouth was open with a spiteful face, as if he was saying something.

Stuart immediately leaned his head over and shouted sharply, "What the hell are you trying to say? say it loud!"

Shred weakly said in a mosquito-like voice: "I..."

"You? You what?!" Stuart lost his patience and scolded, "You f*cking say it! What the hell are you saying?!"

Shred was about to continue speaking, but he didn't fall up in one breath, he coughed violently, and sprayed blood all over Stuart's face.

Stuart didn't care to wipe it, grabbed Shred's collar, and gritted his teeth and cursed: "You f*cking say it!!! Come on!!! What the hell you did? Who guided you?"

Shred tried his best, and said four words: "I am going to Japan!"

Chapter 2443

At this moment, Shred realized that he had been completely fooled by the Su family.

Moreover, he was seriously injured and about to die now, and his life is only the last few minutes at most. Therefore, he is naturally full of anger towards Stuart, the Su family dog.

Stuart was also shocked and scared right now, he just followed the father's instructions, imitated the European royal family, and used the same method to kill Liona.

The European princess also had a car accident in the tunnel, and then died in Paris with her fiancé and the child in her stomach.

A car accident in the tunnel is indeed a good way to cover people's eyes, so Stuart found Shred as a cog to perform the death scene according to his father's orders.

Unexpectedly, the eldest lady Zhiyu was sitting in the same car as Liona...

Stuart is not a fool. He knows that the old man loves Zhiyu the granddaughter most, and the entire Su family regards her as the jewel in the family crown. Now, Zhiyu is about to die, no matter how he explains to the old man or proves his innocence, Can not remove the bad label.

At that time, the old man would be furious, and he doesn't know how he will be punished!

Now, the damn Shred was so disrespectful to him, and he didn't even want to tell the whole story. This made Stuart angry. He immediately took out his gun and held it against Shred's forehead, shouting hysterically, "You!!! Who told you? If you don't tell the truth, I will send you to see the Lord right now!"

Facing the muzzle, Shred's expression was not afraid, he smiled tragically, showing his blood-stained teeth, and said coldly: "Okay, shoot! It is hurting your Dad all over now, my dear son, hurry up. With that gun, help dad get free!"

"You..." Stuart was almost furious. He put the muzzle into Shred's mouth and sternly said, "Bad son, go to hell!"

After that, pull the trigger immediately.

"boom!"

Shred suddenly shot out a cloud of blood mist from the back of his head, completely dead.

At this time, Stuart saw that Zhiyu in the back row was so weak that he was about to lose consciousness, and hurriedly shouted: "Quick! Save the lady!"

One of them looked at the car which had been smashed into a mass of scrap metal, and said embarrassingly: "Captain, we don't have a device, and we can't open these deformed frames! At least we have to have a large hydraulic shear, or a cutting device is it possible to disassemble the metal frame..."

Stuart blurted out: "I don't care what the hell you do, hurry up and get the eldest lady out! Otherwise, if the master gets to know, None of us will be alive and all of us will be f*cking buried!"

When the others heard this, they were shocked. Several people rushed forward and tried their best to get Zhiyu out of the deformed frame in order to rescue her from it.

However, although these people are all top bodyguards, their true strength is far worse than that of martial arts masters. Compared with Ruoli who has practiced internal martial arts since childhood, there is a certain gap. How could it be possible that the unarmed will have hit The deformed metal frame broke apart, but it was in vain.

Just when Stuart used the strength of feeding milk but was helpless, Zhiyu insisted and said, "Don't save me, save my mother!"

Stuart's expression suddenly became very embarrassed, and he said, "Miss, I don't have such a big permission. The only decision I can make now is to rescue you and send you to the hospital as soon as possible..."

Zhiyu cried and shouted, "You call Chengfeng! You tell him, if my mother can't be saved, I will not let him go as a ghost!"

Stuart said in embarrassment, "Miss...this...this kind of thing...I am a slaughter, there is no way to tell the old man, don't embarrass me. Now, the key is to rescue you..."

Zhiyu cried loudly and said, "I don't want you to save me! If you want to save me, save my mother first, or let me go with my mother!"

Stuart's men didn't know what to do next time, one of them asked, "Captain, what shall we do..."

Stuart gritted his teeth and blurted out: "Don't care about so much, save the lady first!"

Zhiyu roared eagerly: "I want you to save my mother first!"

As she said, she felt a sharp pain in her whole brain, and she fainted suddenly.

Chapter 2444

When Stuart saw this, he blurted out: "Quick! Find a way to get the lady out!"

At this moment, someone suddenly yelled:

"Stop it all!"

Stuart was taken aback by the shout.

This tunnel is one-way traffic, and the entrance has been blocked by the accident cars. It stands to reason that no one should have come in. Therefore, at this moment, an unfamiliar voice suddenly appeared, which made him suddenly nervous.

The same goes for the other three people.

The four of them followed the source at the same time, and they saw a man with a cold expression, walking from the exit of the tunnel.

This extraordinary man is Marven!

Stuart stared at Marven and asked in horror, "Who are you?!"

Marven said coldly: "Who am I, you are not qualified to ask! I now give the four of you a chance to survive, put down the guns, squat on the ground with your head in your hands, and then give me an honest explanation one by one. Who made you do this!"

Stuart gritted his teeth, pointed his gun at Marven, and said sternly, "Boy, you f*cking want to die!"

After speaking, he immediately pulled the trigger without hesitation!

However, Marven disappeared from his sight the moment the gun was fired.

Just when he couldn't figure out his head, he suddenly felt a black shadow appear in front of him, and then, his gun-holding hand was firmly grasped by a pair of big hands.

His eyes widened subconsciously, and before he could see the clear outline of the black shadow, he felt a sudden pain in his wrist.

Immediately after that, he realized that his wrist had been broken!

When the wrist broke, the gun on the wrist also fell directly to the ground.

At this time, he saw clearly that he was the young man with an extremely arrogant attitude just now!

He was shocked immediately, and he blurted out, "You...who are you?!"

Marven looked at him contemptuously and said coldly, "I said, you are not qualified to ask!"

After finishing speaking, he directly grabbed Stuart's neck and said coldly, "I'll give you another chance to tell me clearly who instigated you!"

Stuart hurriedly blurted out, "What are you three doing in a daze! Get rid of him!"

The other three were originally frightened by Marven's skill and did not dare to act rashly. At this time, listening to Stuart's roar, they hurriedly took out the gun from their waists.

However, before they could point their guns at Marven, Marven had already picked up Stuart and slammed him at the three of them.

The three of them had no time to react, so Stuart along with them flew over fell to the ground like a bowling ball.

Because Marven's strength was so great that the bodies of these four people had received huge and heavy blows. At this time, they had no ability to resist, they could only lie on the ground and howl.

Marven stepped forward to the four of them, took out his mobile phone and turned on the video recording, first took a picture of the surrounding situation, and then pointed the camera at the four of them, and asked in a cold voice: "Time to speak, what are you doing here? Who is behind all of this?"

Chapter 2445

In fact, Marven knew very well in his heart that the four people in front of him must be from the Su family.

And they were sent by the Su family to perform such an important task, enough to show that the four of them must be the confidants of the Su family.

Therefore, Marven needs them to tell the whole story in front of the camera, and then make the video public.

As a result, the reputation of the Su family is going to be completely rotten.

You know, the Su family betrayed Ruoli before. This incident has greatly damaged the reputation of the Su family. He hopes that Master Su will finally push the eldest son Zynn out of the black pot, but this account is not only recorded in Zynn, in addition to his head, it was also written on the head of the entire Su family.

If it breaks out again at this time that the Su family still wants to murder their own daughter-in-law, or even murder the Su family's own flesh and blood again, then the Su family will definitely become a rat crossing the street.

Aside from other things, fame alone will not be able to stand up in this life.

Old man Su's confidant, Stuart and others, also knew that this matter was important.

The death of a European princess in a car accident has yet to allow the people to grasp any substantive evidence. If there is evidence to confirm what the royal family did such a thing, the reputation of the entire royal family in the world would have completely ruined.

Therefore, Stuart warned himself deep in his heart: "In any case, I can't tell the truth about the whole thing, otherwise, not only will the reputation of Mr. Su be undermined, but I will also become a sinner in the eyes of Mr. Su... .."

Thinking of this, Stuart said hurriedly: "Big brother, is there any misunderstanding in this matter? We are planning to save people..."

Marven rushed forward, grabbed Stuart by the collar, and said in a cold voice: "Believe it or not, if you continue to talk nonsense with me here, then I will take you to the dog factory, one by one. I chopped you up and feed the flesh to the dogs? Or simply tie up your hands and feet and throw you directly into the dog cage for the dog to eat for three days and three nights."

Stuart was frightened and numb all over his body, even from his scalp to his toes.

Although he didn't even know who the young man in front of him was, he had no doubts what the young man said.

From this young man's eyes alone, he can see the other party's determination!

At this time, Marven continued: "Don't worry, even if you want to die faster, I won't give you a chance! I'll put an iron cage on your head first to protect your head. Then use a bulletproof vest to protect your entire abdomen so that you won't die so easily."

"You...you..." Stuart shuddered and blurted out: "Who are you...we have no grudges against you, why are you here?"

"You have no grievances or animosity with me?" Marven sneered: "What did you plan in this city? Murdering others in the broad day light, the methods are cruel and despicable, and everyone involved here punishable. Even if I kill you, I will do the way for heaven!"

Stuart insisted on a strong momentum, and said coldly, "Boy, we must first weigh our own abilities for the sake of heaven. Do you know who we are serving? If you annoy the boss behind us, even if you are a the king, there is not enough space for you on earth to hide!"

Marven sneered, grabbed Stuart's neck, and slapped with all his strength!

This slap force was so powerful that he pulled it up at once, and directly beat his entire jaw into a comminuted fracture. Almost all the teeth in the mouth were directly broken by the huge force at this moment!

Stuart hasn't been beaten for so many years in the society, but he has never suffered such a terrifying slap in the face.

At this moment, he only felt that his mouth was completely painful to the point of numbness. At the end of the pain, he didn't feel the pain at all. He could only feel that the whole person was already stale, and the whole mouth was full of big and small hard particles.

And the mouth was full of warm sweet smell, and there seemed to be dozens of bleeding wounds in his mouth.

The blood instantly filled his mouth.

Chapter 2446

Immediately afterwards, Stuart vomited out, his mouth full of blood mixed with dozens of broken teeth, this scene was shocking, and the other three people around him were in awe.

They didn't quite understand why the young man in front of them was suddenly angry.

Is it because the captain Stuart's words are too pretending?

Stuart was also directly confused. Seeing that there were no teeth left in his mouth, his whole person was on the verge of collapse, and he cried vaguely: "You...you...you Looking for death...!...I am...I am..."

Marven sneered and interrupted him: "I know what you want to say, aren't you from the Su family of the capital city? Are you talking about this with me here, do you really think I will be afraid of the Su family that is behind you?"

Stuart said with a look of astonishment: "The Su family...the Su family is the first in the country...you...why are you not afraid?!"

Marven laughed and said contemptuously: "Afraid? To tell you the truth, I and the entire Su family have antagonisms, even if Chengfeng pretended to be forceful in front of me, I would slap all his teeth, same as yours! "

After speaking, Marven said again: "Since you are a Su family dog, killing a few dogs like you can temporarily relieve my hatred!"

When Stuart heard this, he was even more desperate, and he thought to himself: "This guy...this guy actually has a hatred against the Su family. I...I wanted to move out of Su. The big Buddha at home, in exchange for forgiveness from the other side, did not think that he had lifted a rock and hit his own foot..."

At this time, Marven raised his volume a bit, and said coldly: "I will ask you again, do you want to say or not?"

Stuart gritted his teeth and blurted out: "I say I'm dead, I don't say I am still dead. If I say it, the boss will not let my family go, so you should kill me!"

Marven smiled: "I said, I won't let you die so easily, I will send you to the kennel and let you die slowly."

At this moment, Zak Chen ran in with two of his men. He was a little relieved to see that Marven had taken control of the situation. However, when he saw that Rolls Royce that had been hit by the horrible crash, he couldn't help but feel terrible. Grabbing his heart, he asked, "Master, man... how is the situation?"

Marven said indifferently: "Shred is dead, the two ladies are seriously injured and unconscious, but the two of them won't die within a while."

When Marven came in, he had already used aura to investigate the injuries of the two females in the wreckage.

Both of them are seriously injured. For the doctor, they should have lost the value and opportunity of treatment. If they can survive for an hour at most, they may die soon after.

However, for Marven, their injuries were not incurable. After solving the four people in front of him, giving half a rejuvenation pill for each of them, mother and daughter, would surely be saved.

Zak Chen heard Marven say that the two of them won't die for a while, knowing that Marven must have a way to save them, so he was relieved.

He checked the time and said, "Master, we have to hurry up. I heard that the people from the high-speed wrecking team have already started to clear the obstacles at the tunnel entrance at the back. They should be able to clear them in about half an hour, and the lane will be clear."

Marven nodded and said, "I see, I can solve it all in ten minutes."

With that, he asked Zak Chen: "By the way, Old Chen, can you get me some African hyenas?"

"Huh?" Zak Chen was stunned, and blurted out: "African hyena? What kind of African hyena?"

Marven looked at the four men in front of him, and said coldly: "It's the kind of African hyena that live in groups on the prairie and likes to dig their prey when hunting!"

Zak Chen took a deep breath and blurted out, "Master, what are you doing with that kind of dog?"

Marven stared at Stuart and sneered: "I want to add a new breed to Orvel's kennel. It is full of ordinary fighting dogs, not very good for all the purposes. If you raise a group of African hyenas which like to dig their food, that must be an interesting sight!"

Chapter 2447

As soon as Marven said this, Stuart and others trembled almost immediately!

They didn't understand why the man in front of them was so vicious and wanted to torture them with African hyenas. Is he still a human being, how can he be so cruel?

As a result, one of them couldn't bear it immediately, and cried and said, "I'll say! I'll say all!"

It didn't matter what he said, the other two people around him also hurriedly expressed their opinions: "I'll speak too!"

Marven nodded in satisfaction: "Okay, the three of you have this attitude. I will give you time later to explain in detail a little bit."

After speaking, he looked at Stuart and sneered, "It seems that your bones are very hard. I wonder if the African hyena can chew it?"

As soon as the voice fell, Marven laughed self-deprecatingly: "Look at my memory. I forgot that African hyenas don't like to chew bones. They like to find a weak spot from their prey, and then use their teeth to attack that spot. It depends on whether you can hold it."

Stuart's face was as pale as paper, and he was frightened, he also hurriedly cried and said, "I'll say it! I'll say it all! Please be merciful..."

Marven sneered, clicked on the phone's video recording, re-recorded a new video, and said, "Come on, let's introduce yourself first, and then elaborate on who is directing you to do this?"

Stuart endured the pain all over his body, and said: "I...My name is Stuart...I am from the Su family, the captain of Chengfeng's personal bodyguard, and I have been acting for him. For nearly twenty years, this time, I came to this city to assassinate Chengfeng Su's eldest daughter-in-law, Zynn Su's wife, Ms. Liona..."

Marven asked again, "Why did the old dog Chengfeng assassinate Liona?"

Stuart's frightened eyelids throbbed wildly, and he thought to himself: "This guy...where the hell does this guy come from...at all, he doesn't put the aloof Old Man Su in his eyes at all, and he said openly about him. It's an old dog, this...Is this guy really not afraid of death?"

However, doubts turned to doubts, Stuart now dare not disobey Marven in any way.

Therefore, he could only vainly say, "This...this is because...Chengfeng is very dissatisfied with Liona. He feels that Liona is going to divorce Zynn at this time when the Su family fell into the pit..."

“What makes him even more unacceptable is that Liona actually came here at this time to cherish the memory of Mr. Changying Ye of the Ye family, and even participated in public auctions to bid for the old house where that man lived...”

“Chengfeng felt that Liona had seriously damaged the reputation of the Su family, leaving the family dull and shamed, so he had the idea of cleaning the door...”

Marven asked again, “So how did Chengfeng plan the whole thing?”

Stuart said hurriedly: “Chengfeng wanted to follow the European royal family’s method of assassinating the well-known princesses by creating a car accident and killing Liona. So he found Shred and asked Shred to play a scene of being hunted down. Then he took the opportunity to hold Liona and let me in planning a car accident in the tunnel and killing Shred and Liona directly...”

Marven sneered, “Oh? So, in order to kill Liona, this old dog, Chengfeng, deliberately ordered Shred to tie up explosives on his body and took hundreds of people hostage?!”

Chapter 2848

The surge of medicinal strength rushed outwards from his abdomen after a while. Luther had prepared himself by quickly exhausting his entire body’s internal strength and tightly wrapping the medicinal force.

Luther’s internal force is like a dam used to stop a flood, desperately guiding the course of the medicinal power and doing everything possible to guide the medicinal power to the fourth meridian.

It’s just that this therapeutic influence is so powerful that even though he has complete control over it, nearly 30% of it is still consumed by the body.

While there are signs of loosening in his heartbeat, he has no faith in his heart to break through, so he can only focus all of his attention on making the final battle.

Roma noticed her father was flushed and sweaty, and her left hand couldn’t help but grab the corner of her shirt. Despite her anxiety and nervousness, she realized she couldn’t support her father with his affairs and could only wait patiently.

Luther is also apprehensive.

He could feel the medicine’s strength draining the pulse, but there was still no indication that the pulse would be disrupted. Pessimism was inevitable in his heart, given that the medicine’s strength was mostly broken and there was not much remaining.

When the therapeutic power was only around 20% remaining, he immediately felt that the metaphysical platform was transparent and that the whole individual had reached an unparalleled state of detachment, as if he had just awoken from the best night of his life. It is impossible to say that an individual is happy and secure as a whole.

For a brief moment, he was taken aback, but then he became ecstatic, exclaiming: “What a breakthrough! Roma, Roma, Roma, Dad made a huge breakthrough!”

“Dad, are you serious! This is fantastic! It’s fantastic!”

Roma was ecstatic when she learned this. She felt deeply relieved in her heart when she saw her father’s animated face, and tears welled up in her eyes for a brief moment.

Her father’s lifelong ambition had been to break through the four meridians, she remembered.

Initially, everybody, including father, believed that this day will never arrive, but today it is here, arrived!

Luther’s eyes welled up as Roma began to cry.

“I just didn’t expect to one day smash through the four meridians, and eventually be worthy of our He family’s ancestors...” he trembled and choked.

After all, the feelings are heightened, and the old tears have already begun to flow.

“Father, how much do you have through the fourth meridian now?” Roma hurriedly inquired.

Luther “Just 10% of the students graduate, but there must be space for improvement in the future!

Chapter 2849

After all, the Ren Vessel has already proven to be a huge success, and the Du Vessel’s power has risen from 50% to 70%. Cultivating the Ren Du Vessel is a top priority.

It’s akin to solidifying the foundation for future cultivation, and future cultivation will be more effective as a result!”

Roma excitedly nodded several times and said: “I see that your physical condition and mental outlook have greatly improved since you took the second divine pill.

It is not a fantasy to wish you a long life, and you will undoubtedly continue to grow your cultivation in the future. It’s possible that we’ll be able to break through to the fifth meridian and set a new record in the He family history!”

“If I really have that day,” Luther exclaimed, “I would die without regrets!”

After that, he hurriedly added: “Roma, your current cultivation level has also increased significantly, and your talents have always been sharp.

Despite the fact that you have lost an arm and your actual fighting potential has been severely harmed, there is still a lot of space for development. In my view, you should resume your cultivation, and you will undoubtedly achieve a new breakthrough!”

Roma fell silent all at once.

She has never fully abandoned her martial arts training.

It's just that she's no longer as committed to cultivation as she once was.

Martial arts practitioners follow a similar path to professional athletes.

If you really want to make a difference, you must first prioritize martial arts as the most important aspect of your life, dedicating at least half of your waking hours to structured and rigorous training.

People start training frantically before the table is high, much like a table tennis player, and they don't hit their peak condition until they are in their twenties. During this time, you must ensure that you are getting the most out of your preparation.

Roma has gone from becoming a professional athlete to becoming a retired athlete since her injury. Every day, she devotes the majority of her resources to caring for Ruoli, and she has insufficient time to practice.

While she can fit in two to three hours of preparation a day, it falls well short of the demands of professional athletes.

Her father asked her to pick it up again this time, with the intention of reintroducing her to the professional athlete-like training form.

She, too, wanted to train as hard as her father said, but when she realized she had promised Marven to go to Wrestvel and had to watch over her daughter, she told Luther:

"Master Ye said, 'Dad.' If you agree to comply, I must transport the He family's ten best masters to Wrestvel at any time to obey his instructions. I imagine it would be difficult for me to train as hard as I did previously."

Chapter 2850

Luther almost said without hesitation after hearing Roma's words, "In this situation, after I settle down at home, I will also go to Wrestvel with you and wait for Master Ye's dispatch."

Despite his age, her father is the most powerful member of the He family. She didn't know what to say to Master Ye if he didn't go to Wrestvel.

"Father, what should we do about the Su family?" she later asked her father.

Luther broke through the fourth meridian, becoming just the second master in the He family's hundreds of years of history to do so. At the moment, he was ecstatic.

Hearing Roma's predicament, he instantly started to formulate new ideas for the He family's future. Adjustment is needed.

"Since Ye Master has bestowed such good fortune upon us, I will naturally terminate our cooperation with the Su family, and fully draw a line with them, and then immediately set out to find the right guy, and return to Master Ye in Wrestvel."

“Master Ye, including you, just need eleven people from the He family,” she said, movingly. As a result, the elderly and infirm, as well as women and infants, are not required to leave the homes with us.

Those who haven’t progressed far enough in their cultivation should remain in Mocheng and practice with great concentration...”

He couldn’t help but sigh at this point: “Hey! In my heart, Mocheng is a legacy left by our forefathers, and I don’t want to give up on it.

This old house must be abandoned before the Su family would let us go south, so it is generally nice that these hundred people will stay in Mocheng and work hard.”

“Dad, let’s discuss something,” Roma said, nodding and thinking about something.

“Say!” hurriedly said, Luther.

“This time I went to Wrestvel, I didn’t consider my elder brother’s thread,” Roma said. His cultivation is fine, but he has been squandering so much in recent years, and his mind isn’t on this. He is still not permitted to communicate with Master Ye.

Those two sons, on the other hand, are much worse; they aren’t even in the top 20 in the family.”

“Yes,” says the speaker. “Your eldest brother is worried about making money,” Luther nodded solemnly. Anson arrived with a one-billion-dollar check this time.

You have no idea how ecstatic he was. It was very discouraging...”

“I originally planned to hand the He family to him after a hundred years,” he sighed again, “but after experiencing these years, your eldest brother is not a capable individual...”

“Father, you don’t have to think about these matters,” Roma hurriedly said. In the next 20 years, the He family will undoubtedly prosper under your leadership, in my view! You do not need to be concerned about potential master selections at this time.

With your presence in town and the sponsorship of Master Ye, the He family will undoubtedly have a better young generation in the next 20 years, and there will undoubtedly be a suitable host to choose from!”
