

The Amazing Son In-Law Chapter 2461-2470

Chapter 2861

The current He family will no longer face endless internal friction as before. On the contrary, the current family will twist into a rope and work together to achieve greater achievements!

Thinking of this, he couldn't help getting excited deep in his heart, and said, "That's right! There is one more thing to announce to the public. All those who leave the He family will not be allowed to come back. From now on, the door of the He family will not open to the people who left!"

...

Just as Tom took a large group of He family to the airport by bus, the martial arts field suddenly caused an uproar!

The He family announced that Luther, the head of the He family, successfully broke through the fourth meridian!

As soon as this news came out, it immediately detonated the entire domestic martial arts field!

At present, among the hundreds of thousands of martial arts practitioners in China, 90% have just opened up one meridian.

Those who can get through the two meridians account for 9.999% of the remaining 10%...

There are only five people known in the country who can get through the three meridians and become a three-star warrior!

Moreover, these five people are all in the sequence of the four major families.

Except for the Northwest Huo family who owns two three-star warriors, there is only one of the remaining three families, including the He family.

As for the four meridians, there was no one before Luther.

In other words, he is currently the only martial artist in China who has broken through the four meridians.

This also means that Luther became the first person in the martial arts field in the country.

Originally, everyone on the bus was still looking forward to a new life after arriving in Suzhou. At this moment, don't know who shouted: "Second Uncle, he has broken through the four meridians!"

"what?!"

Everyone knows that Luther is the second of his brothers, so the second uncle is naturally him!

In an instant, the He family in the bus suddenly exploded!

Before Tom recovered, the phone exploded!

A large number of colleagues sent news to him and his father. Tom saw the news and his whole body was struck by lightning!

He never dreamed that he had just broken with his father on the front foot, and his eighty-year-old father on the back foot made an achievement directly!

Being very sensitive to money, he almost immediately realized that the He family was bound to rise to power from then on!

Tom was very annoyed at the thought of his father's announcement when he had just left on his front foot, and he thought to himself: "No wonder the old guy repented temporarily! It turned out to be a breakthrough in martial arts! I am his eldest son. He broke through such an important thing, but he didn't tell me! This is outrageous!"

Chapter 2862

Just when Tom was full of resentment, someone in the car shouted angrily: "The He family has announced to the public that anyone who leaves will not be allowed to go back!"

For a while, everyone was shocked.

They didn't expect that they would abandon the He family and raise another branch, but they did not expect that the He family gave them a trick to draw their salaries.

Now, they are abandoned sons of the He family.

Elder Su, who was far away in Suzhou, was also very depressed.

This morning, he heard almost all bad news one after another.

At first, Luther suddenly turned back.

Then, it was Luther who suddenly became the number one martial artist in China.

The most painful thing is that something that originally belongs to him became better after not belonging to him.

For example, a girl who once looked down on an ex-boyfriend suddenly became a master after a breakup, and then married the most beautiful girl, the girl might be depressed for a lifetime.

Although Chengfeng has no love for Luther. Luther was originally a subordinate of the Su family and served the family. To put it ugly, he was a dog of the Su family.

But now, he has turned against the family, and his strength has doubled after turning against the head. How can this not be depressing?

Chengfeng now feels that the world seems to be against him.

He wanted to betray Ruoli, but she just disappeared. The Japanese rummaged the coast of Japan, but she could not be found.

He wanted to kill Liona, but she was rescued by a powerful mysterious man. He wanted to kill her to protect the reputation of the family, but he didn't expect that the reputation of the family was not successfully maintained. On the contrary, he became infamous and embarrassed. Everyone yelled and beat the rat crossing the street.

Now the He family has made such a big move again, which makes his heart very uncomfortable.

In addition to these, his second son and eldest son have disappeared one after another, and the Chinese master who saved his grandchildren in Japan has also become a huge potential threat to him.

Thinking of this, Chengfeng muttered to himself with extreme depression: "I lifted a rock by myself, hit my own foot, a stone fell from the sky, and the damn hit my own foot. There is still a master in the dark, constantly moving. I picked up a stone and smashed it on my foot. I tossed and tossed, except for loss or pain. I didn't get any benefits. What the fuck is that?"

While being so depressed, his cell phone rang suddenly.

The call was an unfamiliar number from Wrestvel.

Chapter 2863

He hurriedly connected, only to hear a man on the other end say coldly: "I have arrived in Wrestvel. This is my latest contact information. Within the next seven days, I will stay here and try to find what you are looking for. If I can't find him within seven days, I will go back to the UK directly. The deposit you paid will not be refunded!"

When Chengfeng heard this voice, he blurted out with excitement: "Oh, Master Cary! You have finally arrived in Wrestvel! You must be very tired after traveling all the way from the UK? Would you like to rest for a few days?"

The other party said coldly: "No, I will start to do things right away. If you have any valuable clues, you can tell me."

Chengfeng hurriedly said: "Master, things have made a little progress. I didn't have any clues about the mysterious person, but now I probably know that this person is of Japanese Chinese descent, and he is not very old, at most 27-28. He is about the age, but his strength is extraordinary.

It is said that even the Japanese ninja is not his opponent. He can deal with several by himself! Master, be careful!"

The other party said disdainfully: "What's so great about Japanese ninjas? It's like someone who has never killed a ninja. I think there was a Japanese ninja who had offended me back then. He was really strong. I would definitely not be his opponent when facing.

So what? He didn't know it, so he was poisoned by the poison I raised, and in his sleep, I personally cut his stomach with a ninja knife. When he died, his internal organs flowed out. It is said that his wife saw at the time, she was scared to death."

Chengfeng said in surprise: "I have long heard that Master Cary's methods are extraordinary. Since you have such skills, then I can be completely relieved. I am waiting for the good news of Master Cary's victory in Suzhou!"

The other party snorted and said: "I declare that someone likes killing people invisible, and likes to kill masters the most. I like to see those so-called masters who die unclearly in my hands, but they continue to die. They don't know why they died. This feeling, like a god, can control everything!"

Chengfeng was so excited that he blurted out and asked, "Master Cary, can you kill a four-star warrior?"

"Four-star warrior?" The other party asked in surprise: "Do you know a four-star warrior? As far as I know, there are no four-star warriors in the country for a long time, right?"

Chengfeng gritted his teeth and said: "Yes, one just came out this morning!"

The other party smiled, and said: "Four-star warriors are not easy to kill. If you want me to try, you can double the money to me."

The extremely depressed and extremely angry Chengfeng's heart had already burned him uncomfortably. Hearing this, he said without hesitation: "Master, money is not a problem, but you have to kill the Wrester master first."

The other party hummed and said: "Don't worry, I will kill him first, and then I will talk to you about the four-star warrior."

After that, he directly hung up the phone to Convenience.

The master Cary mentioned by Chengfeng is a metaphysical master who he commissioned from the UK.

China has had a line of metaphysics since ancient times. Fengshui mysteries, Qigong insects, and even the Book of Changes, Bagua, and Qimen Dunjia belong to the line of metaphysics.

However, due to the vast land and resources of China, the customs, habits, and preferences of different regions are different, so metaphysics is generally more prosperous in the south.

In particular, Hong Kong has been the bridgehead for the development of metaphysics in the past two hundred years.

In Hong Kong, feng shui masters and metaphysical masters are not feudal superstitions believed by the poor.

On the contrary, the richer the person, the more obsessed they are with Feng Shui metaphysics.

There are many top wealthy people in Hong Kong who are worth over hundreds of billions or even over 100 billion U.S. dollars. These people, without exception, believe in metaphysics very much.

Not only the top wealthy believe that, but even the stars in the entertainment circle are also extremely fond of Feng Shui metaphysics.

Cary started his career in Hong Kong and grew up to become the most famous master of metaphysics on Hong Kong Island, and even became the queen master of the Hong Kong Li family.

Chapter 2864

More than ten years ago, the Li family wanted to transfer funds and business to the UK, so they invited him to go to the UK. Cary didn't want to stay trapped on a small Hong Kong island, so he went to the UK and established his own clan.

In the past ten years of Cary in the UK, relying on the resources of the Li family, he has indeed made considerable progress. Not only did he make a lot of money, but he also recruited many disciples.

However, he did not expect that the Li family made major mistakes in strategic direction in recent years, so that while the wealth continued to shrink, the reputation was getting worse and worse, and he was likely to become a mouse on the street.

This caused Cary to suffer as well.

He does not understand Feng Shui luck himself, and he is good at Miao Jiang Gu technique and some insidious things that harm others and self. After he started to behave like a man, the Li family immediately drew a line with him, so that Cary's income in recent years was straight Decline, now he is running out to make money by himself.

This time, Chengfeng asked someone to find him, offered him a price of 100 million pounds, and asked him to come to Wrotham to kill someone. Cary had never used the insidious methods he had learned to harm people in his entire life, so faced with such a high reward, Naturally, without any hesitation, he just packed up and rushed over from England.

However, although this task is rewarded a lot, it is relatively tricky.

The most nonsense is that he still doesn't know who he is going to kill.

In the past, when he helped others to do things, they would directly tell him the information about the competitors he wanted to target.

For example, the other party's surname, birth date, ancestor, and even the ancestral tomb will be investigated first, and then he will start directly after he gets the information.

This time, Chengfeng didn't know the specific clues of the mysterious master, so he could only ask Cary to come over and let him use his metaphysical methods to find the person first, and then kill him!

Chapter 2865

After a day and night of flying, Zynn finally arrived in Syria.

Unlike Marven, he has the benefits of taking a Concorde airliner. He can only fly all the way to the Middle East. After landing in Turkey, he took the road to cross the border overnight and into northern Syria.

When Zynn set foot on Syrian soil, he even had the desire to die.

Because he entered the country illegally, the vehicle dragged him all the way to avoid the city, so that he was shocked by this desolate country.

This devastated country is full of deserts, hills, and ruined villages and towns.

The endless deserts and mountains immediately reminded him of an ancient poem, the desert is lonely and smoked.

After going deep into Syria for a hundred kilometers, he realized in his heart that if Marven doesn't nod his head, then he would not be able to leave Syria in his life, not to mention that he didn't know anyone here. Just because of the face that is very different from the surroundings, it is destined to be difficult to get out of this country.

Thinking of this, he was desperate deep in his heart.

He thought that his despair had penetrated into the Mariana Trench, and when it was impossible to be more desperate, he finally reached the armed zone occupied by Commander Hamid.

When the car drove into the valley, the fortifications on the mountains on both sides were being built in full swing.

Hamid's friend who worked in a construction team in Iraq, for the sake of money, arrived in Syria in just over ten hours. He has now begun to command his workers and the engineering company that Hamid had just formed last night. Work together and hurry up to build fortifications.

Zynn looked at the desolate valley in front of him, the soldiers with live ammunition around him, and the permanent fortifications being actively built, and he was crying deep in his heart.

"What the hell is this place?!"

"Located in the middle of ten thousand mountains, traffic is extremely blocked, and the level of development is far below that of a small mountain village in China..."

"I don't know, I thought this was the base area behind enemy lines during the War of Resistance Against Japan..."

Chapter 2866

Zynn wanted to cry without tears, if the TV series "Bright Sword" were filmed here, it would definitely be more real than the version that is currently broadcast on TV!

Just when he was crying without tears, the convoy, led by a military convertible jeep, stopped in front of Hamid's command.

As soon as the car stopped, Hamid, wearing a camouflage uniform, walked out excitedly.

The person who escorted Zynn was Zak Chen's men, but Hamid didn't know Zak Chen. He only knew that among these people, Marven wanted to "foster" with him. The rest, it must be Marven's men.

Marven is not only his nobleman, but also his God of Wealth and his strategic commander. Therefore, he is also full of enthusiasm and respect for Marven's men. Bring the passion and respect back to him.

Seeing Hamid stepping out like flying fast, Zynn felt a bit in his heart.

He thought: "This guy looks extraordinary, he should be the boss here."

When Hamid came out, Zynn was also dragged down by Zak Chen's men.

Seeing a few yellow people with East Asian faces, Hamid immediately said with a smile: "You people should be Mr. Ye's men. It's really a welcome, a warm welcome!"

Several people looked at each other and couldn't help looking at each other.

In their impression, the slogans of welcome, warm welcome, are all slogans shouted by young pioneers with a blush on their cheeks, red scarves around their necks, and wreaths in their hands.

But they never expected that these words would be yelled from a Middle Eastern warlord who was big five and three thick and had a beard.

The headed person is Zak Chen's confidant, and his name is Hale.

Seeing that Hamid was so polite and like a warlord, he smiled politely and asked, "You should be Commander Hamid!"

Hamid nodded and said with a smile: "It's all from the family, what is the name of the commander, just call me Hamid!"

After speaking, he said politely: "It must have been very hard for brothers to come from such a long way. Come, hurry up and have a cup of tea and take a break!"

Hale pointed to Zynn and said to Hamid, "Commander, this is Mr. Zynn Su who our young master asked us to bring over to experience life."

Having said that, he pulled a handful of Zynn's collar, pulled him in front of him, and said to Hamid: "Commander, our master has ordered, let me tell you, no matter what. This man will stay here well. Besides, you don't have to take him too much. Just watch him and don't let him run around. In addition, put him in the bunker fortifications during the war and don't let him get injured That's it."

Zynn's tears almost came down when he heard this.

"Is this the damn talking human? I spent 100 million US dollars, but in exchange for a sentence, don't take too much care, b@stard, isn't it!"

But Zynn dared not to be angry but didn't dare to speak, and he didn't even dare to put his unhappy emotions on his face.

After all, this Hamid is Marven's friend, and it sounds like he is quite loyal to Marven. In case he is unhappy, he will deduct his treatment or even torture him, then it will not be worth the loss!

When he thought that he would be "taken care of" by Hamid for a long time in the future, or that he would be merciful from his men, Zynn had to bite the bullet and complimented him: "Hello, Commander, admiring your name for a long time. It's a great honor to see you today!"

After speaking, he quietly looked at Hamid.

Then thought to himself: "At a glance, although the hardware in Hamid is very old and backward, there are at least a thousand soldiers, and after entering, I have seen a lot of relatively modern weapons and equipment. How can I say this? The guy is also a warlord on one side, and he definitely has a bit of hard power."

"However, logically speaking, this kind of person who puts his head on his waistband to beg for life should be very arrogant in nature. Even the president of the United States may not necessarily see it. How can he nod and bow to the young boy Marven? Mom! doesn't make any sense..."

Hamid then glanced at Zynn, and said without a smile: "You don't have to slap my a\$\$, what kind of treatment you will have here in the future, what kind of life you will live here, it is not my decision. Brother Ye is in charge. He allows you to live in a small courtyard alone, and you can live in a small courtyard alone, but if he lets you sleep in the sheep pen, you can only go to the sheep pen!"

Zynn could only accompany the smiling face, nodded and bowed his waist, said: "That's that, everything is decided by Master Ye..."

Hamid was too lazy to pay attention to him, and smiled and said to Hale: "Please tell Brother Ye, after this guy is handed over to me, don't worry, as long as I am alive, I won't let him die. If this place is captured by the enemy, I will destroy him with a single shot before I die, and I will never let him fall into the enemy's hands!"

Zynn was about to scold his mother in his heart, and secretly scolded: "What the hell is your literacy level? Even speaking is self-contradictory! While saying that as long as you live, you won't let me die, and at the same time, say in case something goes wrong. You beat me to death first and then you die. Isn't this fcuking nonsense?"

Chapter 2868

Hamid didn't have the time to take care of Zynn.

He smiled and said to Hale: "You people, I have made good black tea, come in and have a few cups!"

People in the Middle East love to drink black tea. Generally, a very large amount of tea leaves are boiled into a very rich tea soup, which is then paired with a lot of sugar and refreshments with extremely high sugar content.

This point is quite different from the Chinese people.

Seeing that Hamid was so hospitable, several people couldn't refuse for a while.

So, Hale said: "Commander, please arrange your subordinates first and take this man to his place of residence."

"Okay, no problem!" Hamid patted his chest and said, "Since Brother Ye ordered, I have asked people to prepare the yard. The yard is next to my guard camp, except for my guards. All the rest are soldiers from the army. There are people on patrols and guards 24 hours a day, and they will never let him run away!"

After speaking, he smiled and said: "And I have had people clean up the small courtyard again, and the conditions are also good."

Zynn heard this all the time, only to breathe a sigh of relief.

Since he got on the plane, he never thought about running away.

Because it is impossible to escape.

This kind of place where birds don't shit, even if they are exhausted, they can't run out.

What's more, the surrounding area is full of soldiers with live ammunition. In case the other party finds that a few bullets come over, there is no chance that he can keep a whole body.

Therefore, he can only force himself to adapt.

Chapter 2869

As for the future, he can only hope that his daughter, Zhiyu, can inherit the Su family as soon as possible.

But he changed his mind and thought again.

"Let Zhiyu inherit the Su family, and the possibility is almost zero... Let's not talk about the old man who will never delegate power until death, even if he is willing to delegate power, my brothers and sisters, can be willing to let Zhiyu A girl who inherits the Su family? I am afraid that it will start an unprecedented family battle..."

Thinking of this, he felt even more desperate.

I don't know how long and when my "Syria Journey" will end.

Soon, Zynn was taken by Hamid's personal guards to a small farmhouse a few hundred meters away from the headquarters.

From the outside, this small courtyard is almost entirely made of loess, with earthen walls and earthen houses. Except for the roof tiles, which appear to be fired, there are almost no traces of modern processing.

The small yard is not big. The yard after entering is just the size of a basketball court. There is a cowshed on the right hand side of the entrance, but there are no animals in it.

As for the middle of the yard, there is no root grass except the soil.

As for the supporting houses in this small courtyard, there are only three earthen houses facing the courtyard.

It's not like the rural areas of China, where there is something like a wing house or something. There are only three earthen houses side by side, and the total is estimated to be no more than 40 square meters.

What made him even more disintegrated was that in the very central room, there was nothing but a dilapidated wooden chair.

On the left hand side, is an extremely simple bedroom. If it weren't for a pile of straw-like things in the middle of the bedroom, he wouldn't even know that the room was used for sleeping.

As the room in the middle, in this so-called bedroom, there is only a pile of straw and a pile of rolled bedding.

Zynn stepped forward and spread out the quilt, which contained a quilt, a mattress, and a pillow.

As soon as he saw this simple three-piece suit, he couldn't help but stomp his mother: "Fck! I spent 100 million dollars, how come even the bedding is second-hand? Just this tattered thing, buy a new set. It's not more than two hundred yuan, right?!"

Chapter 2870

Zynn was furious, kicked the pillow far away, turned his head, and rushed out to the room on the right.

As a result, as soon as he entered the door, he smelled a long-lasting stench.

Looking down, what the fuck is this room, this is a built-up dry toilet!

There is nothing in the room, except that a deep hole is dug in the middle and two wooden boards are built. A hole was exposed in the middle. Inside is a cesspit. Besides, there is no sewage device. It is estimated that before it is full, it can only manually be removed...

He almost collapsed.

"From now on, if you have to shovel the pit every once in a while, who the hell can stand it?"

"The point is, this broken house has just a broken window, and the ventilation is not very good. In case of a large size here, how long will the smell be cleared?"

At this moment, Zynn felt that his future life was full of darkness.

Here, he has no personal belongings, no mobile phone, no computer, no internet, not even a cup to drink water. From now on, he can only sleep on the haystack every day, and he can only stay there when he wakes up. Sitting on a shabby wooden chair, or letting out the wind in this empty yard.

Come to think of it, this is even more tragic than going to jail.

After all, when in jail, at least you can still use the toilet, and you can chat and talk with inmates, occasionally watch TV in the cafeteria, and read newspapers when you go back to your cell.

But what can he do here? There is not even a person who can talk.

Thinking of this, Zynn, a fifty-year-old master, couldn't help but shed tears.

He is not like an average middle-aged person.
