

The Amazing Son In-Law Chapter 2471-2480

Chapter 2471

In the evening, when Marven returned home, the ten masters and soldiers of the Su family were divided into five groups and began to patrol every hospital in Wrestvel.

At the same time, Shoude asked Steve out to prepare a sumptuous dinner in the restaurant of his presidential suite.

Although the economic strength of the Steve family is tens of thousands of miles worse than that of the Su family, in Shoude's view, Steve's mother is a member of the Rothschild family after all, so there is no relationship with him. What's bad having him closer.

Steve was naturally too excited.

Although his mother was indeed a woman from the Rothschild family, he knew very well that there were at least hundreds of women in the Rothschild family like his mother.

And his mother and grandfather's line is not named in the Rothschild family.

He is a relative of the Rothschild family, to put it bluntly is just to gain a reputation.

Now that he has the opportunity to make friends with the Su family, the top Chinese family, it is naturally a very valuable thing for him. Maybe in the future, he can rely on the Su family to quickly lay a foundation in China.

Therefore, while Steve was so excited, he couldn't find his son Walter, who had been missing for a long time, and sat up on the wine table with Shoude's faithful dog licking.

Just when the two of them were enjoying each other company, Marven received a WeChat from Zak Chen. The content of the WeChat was: "Master, the people of the Su family are investigating the background of the Emgrand Group. At the same time, they have sent a master to sneak into the major hospitals in Wrestvel, secretly looking for Liona and Zhiyu's whereabouts."

Marven sneered in his heart, and replied: "Shoude is okay, he has found the Emgrand Group. He can't wait to find me out and meet."

Zak Chen said: "Master, rest assured, the outside world only knows about the acquisition by the Wade's of the Emgrand Group, but they don't know who the chairman of the Emgrand Group is. I believe he will not be able to find you in a short time."

Marven replied immediately: "Don't give him a chance, I will take him to visit the Orvel's dog farm tonight."

Zak Chen hurriedly asked, "Master, are you ready to do this tonight?"

Marven replied: "Yes, it's tonight. Go talk to Ruoli and let her prepare."

Zak Chen hurriedly said, "OK master, is there anything I need to prepare?"

Marven said: "Tell Orvel, just let the dog farm be prepared. After all, Shoude is the second master of the Su family. He has an unusual background. Let Orvel make a separate dog cage for him."

Zak Chen asked, "What about Steve? Do you want to prepare it for him?"

Marven said, "When Steve arrives at the kennel, it must be a moving scene with Walter his son. Then let him live in a dog cage with his son. Oh, by the way, you ask Orvel to prepare some flowers. , To give the father and son a whole little warm atmosphere."

"Okay young master, I see!"

.....

Wrestvel International Hotel.

Shoude, who was full of food and drink, stood alone in front of the luxurious French windows of the presidential suite, looking at the night view of Wrestvel.

However, he is not in a good mood at this time, because the whereabouts of Liona and Zhiyu are unknown, he is afraid that his murder attempt of Zhiyu will be exposed.

He was actually very clear in his heart: "Even if the old man is no longer a thing, the love for Zhiyu in the old man's heart is indeed from the heart."

"If Zhiyu died, of course everyone would be happy. In that case, both Zhifei and Zynn will be exiled to Australia, and no one in the Su family can threaten my status."

"Furthermore, if Zhiyu is dead, it will definitely deal a big blow to the old man. Maybe it can make him belch earlier, and it will also help me inherit the position of Su Family Patriarch earlier."

"However, if Zhiyu is not dead, then every moment is a huge threat to me!"

Thinking like this, the assistant knocked on the door.

After Shoude let him in, he asked, "How are the things going?"

Chapter 2472

The assistant hurriedly said respectfully: "Boss, the masters sent out have already touched the entire Wrestvel hospital, but didn't find the two of them."

"No?!" Shoude frowned and asked, "Are you sure that every hospital has been investigated?"

"Yes." The assistant nodded and said seriously: "Not only the tertiary hospitals, but even the ordinary small clinics have been searched, and they have not been found."

Shoude immediately slapped his lips: "Tsk tsk...It's a bit weird! They're not in the hospital, is it that they are dead?"

Having said that, he immediately opened his mouth and said, "Go and check the current progress of the police investigation. Is there any breakthrough?"

The assistant said truthfully: "Boss, I have already inquired about the police's situation. They don't have any clues. They are now monitoring the bullet shells collected at the tunnel site and want to push back clues from the gunner.

Shoude frowned and asked him, "Where are Liona and Zhiyu? The police have no clues?"

"No." The assistant nodded; "The police are just as confused as us."

"Damn..." Shoude cursed in a low voice, then continued to ask, "Are there any investigation results about the mysterious group of people? The group rushed in through the tunnel entrance and took Liona away. Zhiyu also took away Stuart and the four of them, let alone six big living people, even six corpses are not so easy to deal with! After all, are they not going to leave some clues?"

The assistant said, "The police have no idea about this at all."

Shoude stomped his feet irritably and cursed, "It's fu*king wicked!"

After speaking, he asked, "How is the PR network doing now?"

The assistant replied: "The PR has basically controlled the situation. At present, 70% of the content of the discussion on this matter on the Internet is inclined to the Su family, thinking that the Su family is the biggest victim, and want to murder Liona and Zhiyu is a false narrative. I believe that as long as we continue to maintain such an overwhelming coverage of public opinion, within a few days, people across the country will believe that we are innocent."

Shoude breathed a sigh of relief and said, "You did a good job with this matter. If the old man is also satisfied, I will definitely not treat you badly."

The assistant bowed immediately and said, "Thank you boss!"

Shoude gave a hum and ordered: "There is one more thing, you can arrange it for me."

The assistant hurriedly said, "Boss, please tell me."

Shoude said with a grim expression: "Although Shred's family didn't know that I gave them 20 million and asked them to tell Shred to kill one more that is Zhiyu, but once they shake this thing out, it will be passed on to the old man. In his eyes, then I am the biggest suspect, so you send someone to his hometown tonight and set a fire to destroy all the evidence, understand?"

The assistant nodded: "OK boss, I get it!"

After that, the assistant received a piece of information, took a quick look, and reported to Su: "Boss, Ms. Zeena's plane has landed at Wrestvel Airport. You will be at the hotel in 40 minutes."

When Shoude heard this, a trace of desire flashed in his eyes, and his heart couldn't help but feel a little rippling.

Miss Zeena in the assistant's mouth is Zeena, one of the four young talents in today's entertainment industry.

This Zeena is only 26 years old this year. She graduated from the film school for four years. She is very beautiful, but because she is not very good at acting and has no background, she has been unknown in the film and television circles for the past two years.

However, since the year before last, Zeena has successively obtained the film resources of many top directors, which can be described as a steady pace, and soon ranks among the super first-line actors.

Many people speculate that there must be a gold master behind her, but as long as the relevant speculation posts are posted, they will be deleted immediately and will not spread at all.

The reason is that Zeena was taken in by Shoude, who was taken into his bag and made his canary.

Under normal circumstances, as long as Shoude has a chance to leave the city, Zeena will come over to have a trust with him, and today is no exception.

When Shoude decided to come to Wrestvel, he asked Zeena, who was filming in the South China Sea, to prepare to rush over. So Zeena stepped up to finish filming today's scene, and immediately took a sick leave with the crew, secretly took a private jet, and rushed to Wrestvel.

When he heard that Zeena was about to land, Shoude felt a little excited, and said to his assistant: "Okay, you go out. I want to take a bath. When Miss Zeena comes, you will send her directly into the room. see me!"

Chapter 2473

Shoude had a good plan for himself.

Before Zeena arrived, he took a bath to relieve fatigue. When Zeena arrived, he could go straight to the topic with her.

It is rare to have such a chance to get rid of the yellow face woman at home, and naturally take the opportunity to stay with Zeena for a few days.

Putting off the hot water, Shoude took off his clothes and climbed into the bathtub, soaking his slightly fat body in the hot water.

Feeling happy in his heart, he didn't know that he was only 20 minutes away from hell on earth.

At this moment, Marven and Ruoli had quietly touched into the Wrestvel International Hotel.

Needless to say, Marven's skills, as for Ruoli, she was originally a master of internal boxing carefully cultivated by the He family, and she has received a lot of professional training for bodyguards and killers, and her strength in this area is also very impressive.

More importantly, during this period of time, Ruoli's veins were completely opened up with the help of Marven, and the overall strength has improved a lot, so it is not a problem to sneak into the Wrestvel International Hotel with Marven.

Before coming, Zak Chen had investigated the location of Shoude and Steve's rooms in Wrestvel International Hotel.

Shoude directly undertook the entire administrative floor, so his bodyguards, as well as the masters of the Su family, were mostly arranged in the rooms near the elevator entrance and staircase entrance.

In their view, the entrance of the stairs and the elevator is the throat of the entire executive floor, and the executive floor is on the 20th floor, the highest floor of the hotel, so as long as they guard the stairs and elevator, they can ensure that Shoude is safe.

However, they didn't expect that Marven and Ruoli would choose to take a helicopter and break through their defense directly from the top.

However, the roar of the helicopter was very loud. Even if the helicopter was at a height of several hundred meters, from the ground it could be heard clearly, and it was even deafening. Therefore, Marven specially asked Zak Chen to arrange a fireworks show to cover.

It was half past eleven at night.

On the river opposite the International Hotel, huge fireworks suddenly set off.

The fireworks were set off on a boat on the river surface. The huge firework pellets soared into the sky, bursting at a height of more than 100 meters above the river surface, and for a while, the entire river surface became extremely lively.

The fireworks exploded one after another, and the sound kept resounding on both sides of the River. For a while, many people were awakened from their dreams, and many people who were not asleep rushed to the bedside to watch with excitement.

No one knows why it is so late, and there are people setting off fireworks on the river.

However, Wrestvel itself is a city full of pyrotechnic and romantic atmosphere, and people often set off fireworks to confess love. No one is surprised.

The fireworks continue to set off, bringing the entire river surface and the two sides of the bank to a colorful backdrop.

The riverside side of Wrestvel International Hotel was also illuminated like daylight.

However, because this side is too bright, the other side naturally appears darker.

At this moment, a helicopter in the sky quickly flew towards the roof of Wrestvel International Hotel.

The helicopter stays at an altitude of 150 meters, although it is impossible to eliminate the roaring noise during flight, but because the sound of the firework explosion is stronger, people cannot detect the presence of the helicopter at all.

At this moment, inside the helicopter.

Marven and Ruoli sat side by side, and Zak Chen and two of his men sat opposite.

When approaching the hotel, Zak Chen said with some worry: "Master, as far as I know, there are at least 20 or 30 masters around Shoude, not including the bodyguards he hired from the local security company. You and Miss Su are only two people, wouldn't it be too dangerous? How about I transfer some more people over!"

Marven waved his hand and said indifferently, "No, only a few people can touch it in and withdraw quietly. If there are too many people, wouldn't it be the only way to come with a sword and a gun?"

Zak Chen was a little apprehensive and said, "But young master, I don't know what the strength is. In case of danger, it will be difficult for us to support you effectively..."

Chapter 2474

Marven smiled and said, "Don't worry about this. When you get to the top of the hotel, the helicopter doesn't need to go down. If Ruoli and I go down by cable, then you will hover in the sky and wait for about ten minutes. Shoude and Steve will be taken to the balcony. When the time comes, you can adjust the ropes and pull us up. Then we will directly go to kennel."

Zak Chen saw that Marven had arranged everything, no longer said anything, and said firmly: "OK master, we are waiting for you above the hotel."

Marven said to Ruoli again at this time: "Ruoli, you will be responsible for Steve Hogwitz later, and Shoude, I will solve it."

Ruoli nodded slightly, and said respectfully, "OK Master!"

Marven said, "Remember, try not to disturb other people. Let's go in and out quickly, and try to see that Shoude and that Steve have evaporated from the world, and they can't find any clues."

"it is good!"

One minute later.

The plane hovered over the roof of the hotel.

Zak Chen's men immediately put down two extremely strong nylon ropes from both sides of the helicopter.

After Marven and Ruoli exchanged glances, each grabbed a rope and quickly slid directly from the sides of the helicopter.

In the blink of an eye, the two quietly landed on the roof of the hotel.

Afterwards, the two quietly touched the balcony of Shoude and Steve's room from the outside of the hotel.

At this time, Steve didn't have any interest in the fireworks outside. He was lying in bed, trying to fall asleep a little anxiously, but because of the jet lag, he was almost not sleepy.

In desperation, he had to decide to drink some wine to help him fall asleep.

So he stood up and prepared to take a bottle of whiskey from the wine cabinet in the hotel room.

At this moment, the sound of fireworks exploding again sounded outside, and he cursed a little irritably, "I don't know which damn b@stard it is. Fireworks are set off at this time!"

While muttering, he suddenly felt that someone patted his shoulder.

At this moment, Steve was so scared that his hair stood up.

There is only one person in the room, why would someone slap his shoulder?

He subconsciously turned his head to look, and a charming Chinese woman looked at him with a smile.

This woman is Ruoli.

Steve immediately realized that the other party was not good, panicked, and was about to call for help. He felt that his neck was suddenly hit hard, and he fainted.

at this time.

Marven also touched into Shoude's presidential suite.

At this time, Shoude had just finished soaking in the bath, wrapped in a bathrobe and dangling cigar, while walking out of the bathroom, holding his mobile phone, he sent a voice WeChat message to Zeena: "Baby, how long will it take to arrive?"

The other party quickly replied, and the voice said in an extremely charming voice: "Dear, wait for me for another ten minutes. I have already entered the city and will be there soon!"

Shoude smiled obscenely: "Let the driver drive faster. If you don't arrived within ten minutes, I'll see him later, and I am going to beat you!"

After speaking, he loosened his finger and the voice was sent.

At this moment, he suddenly heard a man laugh and say, "Mr. Su, I see that beautiful woman's a\$\$s, you can't beat it!"

Chapter 2475

When Shoude heard this sound, his whole person was as if being electrocuted, and he jumped high all at once.

Soon, he immediately followed the sound, and on a small stool in the bathroom door was a young man with a smile on his face.

He was shocked and suddenly asked, "You...who are you?!"

Marven sneered, "Me? I'm the great benefactor of your Su family."

Shoude said nervously, "What kind of benefactor? You...what do you want to do?"

Marven smiled: "I'm really the great benefactor of your Su family. Your eldest brother's children Zhifei and Zhiyu. They were kidnapped in Japan. I saved them. You said am I the great benefactor of your Su family?"

"What?!" Shoude said dumbfounded: "You...you are the mysterious master of Japan?!"

Marven asked with interest: "What? Have you heard of me?"

Shoude vaguely said: "I heard my niece talk about it...My father still keeps talking about it. If he has a chance to find you, he must thank you very much."

As he said, he carefully looked at Marven with a pair of eyes, trying to figure out whether this person was an enemy or a friend.

He secretly analyzed in his heart: "This kid suddenly appeared in my room. No matter how I look at it, it is because the person who came is not good..."

"But... if he is really the mysterious person who rescued Zhifei and Zhiyu in Japan, then he should have no malice towards the Su family, right?"

Marven smiled at this time and said, "Oh, if Su family really want to thank me, then it would be a really good, heartfelt gratitude. I just say it, because I not only saved the brother and sister, other than those two, also took a hand to save your elder brother's illegitimate daughter."

Shoude's expression changed suddenly!

"My eldest brother's illegitimate daughter?!"

"You...you mean Ruoli?!"

Seeing him in horror, Marven nodded and said with a smile: "Yes, I also rescued Ruoli."

Shoude didn't know whether Marven was an enemy or a friend, but now he had the answer in his heart.

The man in front of him must be an unkind person.

Because, it was because of Ruoli's sudden disappearance that the old man's business with the Japanese Self-Defense Force was not fulfilled, and it was completely exposed.

The nervous Shoude immediately said, "Hey brother, Ruoli's matter was the idea of my father alone, and I did not participate in it."

Marven nodded and smiled: "I haven't finished speaking yet, don't worry about explaining your excuses."

Shoude hurriedly said respectfully: "Please say..."

Marven snorted, tilted his long legs, and said leisurely: "Your sister-in-law and your elder niece were kidnapped by the wanted man and almost died in a car accident. I saved them both."

"What?! It's you?!" Shoude was even more terrified when he heard this!

The last thing he wanted to see was that Liona and Zhiyu alive!

Unexpectedly, they were also rescued by this young man!

The nervous Shoude was afraid that Marven would see his guilty conscience, so he hurriedly pretended to be excited and said, "I didn't expect my sister-in-law and niece to be alive! It's great! Great!"

After speaking, he hurriedly said again: "I came to this city this time to find their whereabouts. Don't you know, our family is very nervous about the safety of the mother and daughter. Before I came, my father told me, At all costs, it's safety of the two of them very important! I didn't expect them to be saved by you. Thank you so much!"

Marven smiled and said, "Shoude, I thought you all of the Su family men are old foxes with scheming fortunes. I didn't expect that your acting skills are so flamboyant and you are not at all interested. It really disappoints me."

Chapter 2476

Shoude said nervously, "Gentleman, you...what do you mean by this, I...how can I not understand?"

While speaking, Shoude's brain was already running at high speed.

He can now be sure that the young man in front of him has no good intentions, so what he thinks in his mind is how to get out of trouble.

At this moment, the first thought that appeared in his mind was calling for help.

"On this floor of the hotel, there are at least 40 or 50 of my subordinates, and there are many masters among them. The combined combat effectiveness is amazing. This kid is not an opponent at all."

“However, this guy can quietly appear in my room, it proves that his personal strength is still very strong!”

“Combined with the previous descriptions of him by Zhifei and Zhiyu, this person can kill many top Japanese ninjas by himself. This shows that this person is extremely powerful...”

“Even if my subordinates can beat him together, I am afraid that he will kill me directly when I call for help...”

Thinking of this, he immediately gave up the idea of calling for help.

“But, if I don’t call for help, what should I do next? What if he wants to kill me?”

When he was struggling, Ruoli stepped in.

When Shoude saw Ruoli, he immediately looked like a ghost, and said with a trembling, “If... Ruoli, you... you... why are you here? ?!”

Ruoli looked at him coldly and asked, “What? You must be disappointed to see me alive?”

Shoude said in a panic, “Ruoli, don’t get me wrong. You are the flesh and blood of my elder brother and my niece. How could I wish you something...”

Ruoli gritted her teeth and cursed: “Shoude, don’t you pretend to be a good person here! Your Su family regarded me as cannon fodder and sold my life to the Japanese Self-Defense Forces. Is it true that I don’t know?”

Shoude explained in a panic: “Ruoli...That was not my decision...It’s all your grandpa...”

Ruoli immediately angered: “He is not my grandfather! He is such a cruel and shameless sc*m, I will kill him myself sooner or later!”

Seeing that Ruoli was a little excited, Marven said indifferently: “Ruoli, you must learn to control your emotions at all times, otherwise, no matter how talented you are, it will be difficult for you to become a master in the future!”

Ordinary practitioners only practice skin and muscles. As long as they practice hard, their temper and emotions will not have much impact on their own strength.

However, for people like Ruoli, who practiced internal martial arts since childhood and mastered internal power, what they fear most is mentality problems.

Otherwise, it is very likely that she will fall into a bottleneck period, and it will be difficult to break through.

When Ruoli heard Marven’s words, she hurried back to her senses, controlled her emotions, and said ashamed, “Thank you, Master Ye, for reminding me that I was too impulsive...”

Shoude heard this and pointed at Marven and exclaimed, "You...you...your surname Ye?!"

Marven nodded: "Yes, my last name is Ye."

Shoude blurted out, "You...are you from the Ye family?!"

As soon as he finished speaking, he muttered to himself, "Impossible...I never heard of any masters from the Ye family..."

As soon as he finished speaking, he raised his head to look at Marven, and the more he looked, the more he realized that this young man seemed very familiar! Seen somewhere!

So, he racked his brains and thought carefully for a moment, and suddenly a face popped out of his mind, and this face immediately frightened him!

He looked at Marven and blurted out, "You...why do you look like Changying Ye...Do you have any relation with him?!"

Marven put away his cynical expression, and said coldly: "That is my father, I am his son, Marven!"

Chapter 2477

The moment Marven revealed his identity, Shoude's whole person was as if he was struck by five thunders!

He looked at Marven dumbfounded, and blurted out in panic, "You... are you really Changying's son?"

After saying this, he didn't wait for Marven to answer, and he muttered to himself: "It looks like this, there must be nothing wrong..."

Immediately afterwards, he hurriedly said: "Mr. Ye, I am also considered to have some friendship with your dad. It stands to reason that you should call me Uncle..."

Marven said disdainfully, "Let me call you uncle? You deserve it too?"

Shoude hurriedly said: "I know, your perception of the Su family is certainly not very good, but our Su and Ye families have long had an agreement on non-interference and non-confrontation. Over the past ten or twenty years, We have always followed the tenet of keeping the water in the river and developing the economy separately. You...you can't break this agreement!"

Marven snorted coldly, "The agreement between you and the Ye family is a matter between you and it, and has nothing to do with me."

Shoude said in a panic: "You...your surname is Ye...you must also abide by the agreement between the Ye family and us!"

Marven sneered: "I don't recognize any agreement between you and the Ye family, I only recognize five words."

“Which five words?!”

Marven said word by word: “Parents’ hatred is not shared!”

Shoude panicked even more and blurted out, “But the death of your parents has nothing to do with our Su family!”

Marven said coldly: “Your Su family took the lead in forming an Anti-Ye Alliance. For these words alone, you need to pay the price!”

Shoude quickly explained: “Mr. Ye...When your father had an accident, I hadn’t started taking over the Su family affairs specifically, and the Anti-Ye Alliance had nothing to do with me...”

Marven stood up, grabbed Shoude’s bathrobe collar, and sternly said: “If it matters, it’s not you who have the final say, but I have the final say!”

After that, he smiled faintly and said, “Mr. Su, I have prepared a good room for you in the city. Since you are here, come with me and enjoy it!”

Shoude didn’t know where Marven would take him, let alone what he planned to do with him.

Just by looking at Marven’s expression, he knew that it was definitely not a good thing, so he sobbed in fright and begged: “Marven, I really haven’t done anything to hurt your father. The Anti-Ye Alliance was made by my father and my elder brother back then. Yes, you have the wrongdoer and the debtor. If you want revenge, you are looking for them...”

Marven smiled and said, “You Su family are really fu*k*ing raccoon dogs. Whenever something happens, let your family take care of it.”

After speaking, his tone suddenly improved a bit, and he sternly said: “But don’t worry, your father and your brother can’t run away, but it’s a matter of time! Please come with me today!”

When the voice fell, Marven stretched out his hand and slapped his forehead hard.

Shoude only felt dizzy in his brain, and his whole person instantly lost consciousness.

Immediately, Marven asked Ruoli: “Where is Steve?”

Ruoli hurriedly said respectfully, “Coming back to Young Master Ye, Steve was tied up after being knocked unconscious by me. He is on the balcony.”

“it is good!”

Marven nodded and said to Ruoli: “Ruoli, you help me deal with the traces and don’t leave any clues.”

Ruoli said without hesitation: “OK Young Master Ye, handling the scene is one of my best things.”

In the past, Ruoli worked for the Su family, and there were often assassinations or kidnappings. Every time Ruoli was able to clean up all clues without leaving a trace, she was very capable in this regard.

Marven handed the scene to her, and dragged Shoude, who was like a dead pig, to the huge balcony of the presidential suite.

At this time, Steve, who was unconscious, had his hands and feet firmly bound by the sheets, and his body curled up into a spherical shape.

Chapter 2478

Marven took out his mobile phone and asked Zak Chen to tell the helicopter pilot to put down the rope, and firmly tied Steve and Shoude together with a sturdy nylon rope. Then the two were quietly lifted up by the winch.

At this moment, Ruoli retreated while dealing with the footprints he had left, step by step back to the balcony, and respectfully said to Marven: "Master Ye, everything is done!"

Marven nodded. At this moment, Zak Chen sent a message: "Master, a business car came from the airport and entered the hotel basement. The people from Shoude just blocked the basement. It is estimated that the people in this car should be there soon looking for him, you and Miss Su moved slightly faster."

Marven smiled slightly: "It should be Shoude's friend here."

As he said, he grabbed another rope and said to Ruoli: "Time is running out, you hug my waist, let's go up together."

The helicopter only has two ropes on the left and right, the one hanging from Steve and Shoude. It is estimated that it will take at least seven or eight minutes to wait for the winch to lift them up, untie the ropes, and then lower the ropes.

Since Shoude's lover has arrived in the hotel basement, it is estimated that she will come up soon, so in order not to leave any clues, it is better to leave as soon as possible.

Therefore, if two people use the same rope, a lot of time can be saved.

Ruoli nodded immediately, but when he thought of holding Marven, her cheeks were already warm.

At this time, Marven had grabbed the rope and said to Ruoli: "Hold my waist, don't be afraid, I will hold you tight."

Ruoli whispered: "OK Young Master Ye..."

After speaking, she mustered up her courage, stepped forward and hugged Marven's waist.

Feeling Marven's hard chest muscles, Ruoli's face became more and more hot.

This is the first time that she has been so close with a man.

Marven didn't think much about it. He hugged her tightly, wrapped the rope around the waists of the two of them a few times, and then squeezed one end of the rope in the hand that was holding Ruoli.

After confirming that the ropes were tightly tied, he picked up the phone in the other hand and sent a voice message to Zak Chen: "Just let the helicopter rise, hurry up and get out of here!"

"OK master!"

Zak Chen did not dare to delay and immediately asked the pilot to raise the altitude.

Marven held Ruoli and was quickly picked up by the helicopter.

In order to ensure safety, Marven has been holding Ruoli tightly, and Ruoli also strongly hugged Marven's waist.

Immediately afterwards, the two people's ground clearance increased, and the helicopter pulled up to a height of several hundred meters, and then flew towards Orvel's kennel.

After the plane flew away, the firework show on the river finally died down.

Both sides of the Yangtze River quickly returned from noisy to calm.

at the same time.

A woman wearing a mask, sunglasses and a peaked cap took an Elfa nanny car and arrived at the second basement parking lot of the International Hotel.

Shoude's people have been waiting here long ago.

The nanny car stopped directly at the elevator entrance, and the surrounding area of the elevator had been completely cleared by Shoude's men. There could not be any paparazzi lurking in, and even the surveillance video of the hotel parking lot was required to be shut down.

The car door opened, and the woman who completely covered her face stepped down. Shoude's assistant stepped forward and whispered: "Miss Zeena, please come with me. The boss has been waiting for a long time!"

The woman hurriedly said, "Oh, then take me up quickly! Don't make him wait in a hurry!"

Chapter 2479

This woman is the most popular young actress, Zeena.

People in the entertainment industry know that there is a super powerful gold master behind Zeena, but most people don't know who this gold master is.

Since playing with Shoude, Zeena's resources in the entertainment industry are so good that all actors are envious to death.

Other actresses, with good resources, usually have the opportunity to appear in some larger movies and TV series every three to five.

Those actresses with good resources can make an annual drama by a well-known director every year.

Actresses like Zeena with extremely good resources generally don't have to do anything. The sponsor behind her will spend money to invite the best director, the hottest actor, and the hottest supporting role to play around her. A scene completely tailored for her alone.

Others can burn incense and worship Buddha in a drama with an investment of hundreds of millions, thanking God.

And she, it was Shoude who directly took several hundred million, and invited a bunch of big names in the entertainment industry to come and serve her.

Mixing in the entertainment industry in this way can be said to be earth-shattering.

It is precisely because of Shoude's energy in the entertainment circle that Zeena is obedient to him.

No matter where she is or what she is doing, as long as Shoude makes a call, she will fly to accompany him no matter how far away, and take care of this super gold master.

Shoude's assistant directly invited Zeena into the elevator, and then used the elevator administrator's key to adjust the elevator to the state of manual control, and directly let the elevator go to the top floor.

As long as the manual state is adjusted inside the elevator, it will be useless for anyone outside to press the elevator on any floor, and the elevator will not stop.

Within dozens of seconds, the elevator came to the top floor of the hotel.

As soon as the elevator door opened, the assistant could not wait to step forward and respectfully said, "Miss Zeena, please come with me!"

Zeena also hurriedly followed. While walking quickly, she raised her wrist and looked at the limited edition Richard Mille worth tens of millions on her wrist.

At this time, there are still about forty seconds before the ten-minute deadline Shoude gave.

Zeena breathed a sigh of relief, and forty seconds was enough to go to Shoude's room.

Although even if she is late for a few minutes, he might not be angry, but Zeena still did not dare to let him have any dissatisfaction with her.

She knew that serving Shoude well was the most important thing for her right now.

When she came to the entrance of the presidential suite, the assistant pressed the doorbell and whispered, "Boss, Miss is here."

There was no response from the room.

The assistant rang the doorbell again, but there was still no movement in the room.

He turned around and said to Zeena, "The boss may be taking a bath, wait a minute, I will press it again."

Zeena hurriedly said, "Let me call him!"

After speaking, she immediately took out her cell phone and called Shoude.

Soon, the phone ringing was faintly heard in the room, but not only did Shoude not answer the phone, there was no other sound in the room.

The assistant's expression froze for a while, and he blurted out nervously, "Sorry! It's probably something wrong!"

"Something happened?! What happened?!"

When Zeena heard this, she was shocked.

The assistant hurriedly said, "I don't know exactly what happened, please wait a moment!"

After that, he immediately took out his cell phone, made a call, and said in a low voice, "Here, you come soon, the boss may have something wrong!"

Five seconds later, the doors of several rooms near the elevator entrance opened almost at the same time.

Chapter 2480

A gray-haired old man in a Tang suit took the lead and ran over quickly.

Behind, more than a dozen men with extraordinary auras followed closely, everyone's expression was solemn, and there was a little panic that was hard to conceal.

Everyone hurried to the door of the presidential suite, headed by the white-haired old man hurriedly asked: "What's the matter?!"

The assistant said in a panic, "The boss didn't respond when I rang the doorbell, and no one answered the call, but the phone kept ringing inside."

One of them asked, "The last time you saw boss, what was the boss doing?"

The assistant hurriedly said, "The boss said he was going to take a bath..."

The man asked again, "Could it be that the boss fell asleep while taking a bath?"

The assistant shook his head: "I don't know too well, but based on my understanding of the boss, he probably won't!"

There are some things the assistant can't say too clearly.

For example, he knew very well that Shoude liked Zeena very much.

Every time Zeena came to see him quietly, he would wait very excitedly for Zeena to appear.

Sometimes, in order to find a better state, he even arranges for himself to prepare some drugs to help.

So, for that reason, he should not fall asleep at this time.

At this time, the gray-haired old man said solemnly, "Even if the boss falls asleep in the bath, it is easy to have an accident without staring at it. Let's break in!"

The assistant also nodded quickly.

Want to know what happened to Shoude, breaking the door is the only way.

So, he immediately said to the old man: "Harvey, you decide everything!"

Old Harvey nodded, and when he was about to sink the inner strength of his body to his right leg, he kicked out suddenly, and the double door made of pure copper was kicked open!

Immediately, he took the lead and rushed in.

Shoude's presidential suite is very large, with an area of more than 400 square meters, and even has its own indoor swimming pool, which can be said to be extremely luxurious.

Therefore, a bunch of people rushed in, struggling to find every corner, and then everyone met and came to a conclusion that shocked them: Shoude is missing!

What!!!

Not missing.

The world is, he has evaporated!

Harvey, who was originally very immortal, is now panicking to death, his face is covered with wrinkles caused by tension.

As he paced back and forth in the living room, he said eagerly: "This...what the hell is going on? We have been paying attention to the elevator entrance and stairway, and we can be sure that the boss never left at all, and We didn't hear any unusual movement, why did the boss disappear?"

The assistant blurted out and asked, "Elder Harvey, do you want to... do you want to send someone to look downstairs? Can he accidentally fall down?"

Hearing this, Harvey immediately rushed to the balcony, leaned on the luxurious railing and looked down. While watching, he said, "There is nothing unusual below, it must not be a fall."

Someone couldn't help but muttered, "He didn't go down, and he's not in the room. Has he gone up?"

"Up?" Hearing this, Old Harvey frowned and said, "Upstairs is the rooftop, and you can't get up from the room. It's even more impossible... Can he just fly away?"

"This...this is too weird..." Someone said in a flustered manner, "Even if you f@rt, it will leave a little smell. How could a big living person suddenly say that he disappeared? Disappeared?!"

After reading around, the assistant said: "The boss's clothes are still there, and the bathrobe is missing. If he left quietly, he would at least change into his clothes. Could he be kidnapped?!"
