

## The Amazing Son In-Law Chapter 2511-2520

### Chapter 2511

Zhongquan's mockery made Chengfeng angry!

He really didn't expect that he put down his figure and came to Zhongquan to ask him to be more or less polite, right?

As a result, the old b@stard said that he was thinking of f@rt!

This is really outrageous!

But he still gritted his teeth and said, "Brother Ye! You and my family have been fighting secretly for so many years. You should also know what the mountains don't turn around. If you want to completely turn your face with me today, you will wait for Chengfeng to relax in the future. Come, don't blame my ruthlessness men!"

Zhongquan sneered, "Chengfeng, it's boring for me to say that you are a thief. If you are really capable, just think of it yourself. What's the point of running over and pretending to be ruthless?"

After he finished speaking, he continued to sneer: "At this time, you run over to me to delete the video. Think about it with your toes. I can't promise you!"

Chengfeng suffered a huge humiliation and gritted his teeth and said, "Okay! Zhongquan, if you don't want to delete the video, then I don't want to force it. Since there is no front, then we will talk about the business directly. I heard that your short video platform costs more than 80 billion to buy, so let me give you 120 billion directly, and you sell it to me and make a net profit of more than 30 billion. How about it?"

"No!" Zhongquan refused without hesitation: "You don't know how optimistic I am for the short video industry. The reason I bought this platform was to make the short video industry bigger and stronger. How could this be possible Have you shot it long ago?"

Chengfeng said coldly, "Speaking of it, isn't it just too little money? So, I won't grind with you, 150 billion! As long as you say something, I will arrange financial payment now!"

"Impossible." Zhongquan smiled slightly: "I, in principle, never have trouble with money, but today's matter is definitely not a problem that money can solve. I persuade you to die."

After speaking, he didn't wait for Chengfeng's response, and simply ended the call.

Chengfeng on the other end of the phone was so angry that his chest fluctuated violently.

His butler hurriedly asked: "Master! Zhongquan made it clear that he wanted to see our jokes. Wouldn't it be that he was secretly instigating the affairs of Wrestvel? Maybe, the second son is now in his hands."

Chengfeng waved his hand with a dark face, and said coldly: "Impossible, even if Wrestvel is the site of the Ye family, it is impossible for the Ye family to deal with all this behind their backs."

After that, Chengfeng said again: "Don't forget, Shred has never been to Wrestvel before. When he exposed himself in Wrestvel, he had just arrived there."

"Think about it, when he arrived in Wrestvel, he was consciously found by the police immediately, and then he rushed into the treasure pavilion and kidnapped Liona and Zhiyu."

"Immediately after that, when he drove Liona and Zhiyu to rendezvous with Stuart, something happened suddenly, and the Ye Family didn't even have an hour to prepare."

"In this time window of less than an hour, they not only need to track Shred accurately but also have the ability to directly take down Stuart and the four of them. Stuart is very strong. As far as I know, the Ye family has not a single person who can surpass him."

Speaking of this, Chengfeng continued to analyze: "There is also the disappearance of Shoude! Shoude was in the hotel, and there were more than 20 masters from Su family to protect, but the other party could unexpectedly be unaware of these more than 20 masters. Next, took him away easily. This proves that the opponent's strength is far higher than the more than twenty masters. How can there be such a powerful person in the Ye family?"

## **Chapter 2512**

"To put it hard, if the Ye family really had this ability, they could have easily kidnapped me, or assassinated me directly at home, how could they keep being crushed by the Su family??"

"That's also..." The butler hesitated for a moment, and then asked: "Master, then, could it be that the Ye Family suddenly made friends with some hidden master?"

"It's unlikely..." Chengfeng shook his head, and said, "The Ye family has always paid less attention to martial arts masters than we do. Zhongquan, an old man, only has money in his eyes, and he will spend a lot of money to raise a large number of martial arts masters. In this kind of thing, he is not interested at all. So how can such a person find a real expert to help?"

With that said, Chengfeng said with a grim expression: "I can think of three possibilities now."

The butler hurriedly asked, "Master, what are the three?"

Chengfeng said, "The first possibility is that the He family is against me behind the scenes!"

"What family?!" The butler hurriedly asked, "You are talking about Ruoli's family?"

"Yes!" Chengfeng gritted his teeth: "Since Ruoli's accident, the He family has removed all the masters in our Su family, but never asked me for an explanation. The reason why they did not ask for an explanation is very important. Maybe it is planning to seek revenge in secret."

"Moreover, the He family is a family of martial arts, and there are many masters in the family. Maybe they are the ghosts behind them."

The butler asked, "Master, what about the other two possibilities?"

Chengfeng said with a solemn expression: "Ruoli's life or death is still uncertain. If this girl is dead, it will be fine. But if she really escaped, then with her personality, she will probably get revenge on me!"

The butler opened the mouth and said: "Master since Ruoli's whereabouts are unknown, I have followed your instructions and have been paying attention to the customs entry situation across the country. There has been no clue about her."

"That can't be taken lightly!" Chengfeng sighed, "Although Ruoli is very young, she is indeed very powerful. If she is really alive, she is a time bomb."

After speaking, Chengfeng slapped his lips again and continued: "However, no matter it is the whole He family or Ruoli, their strength is very strong, but they are really not strong enough to make more than 20 top masters lick the dust. I didn't notice it, so this is something I haven't figured out..."

The housekeeper nodded and said seriously: "When the He family never turned our face with us, we almost knew the situation within the family. Among their generation of young people, the strongest is Ruoli, but she does not seem to be strong either. To this point..."

Chengfeng sighed and said, "There is another possibility."

The housekeeper hurriedly asked, "Master, what's the possibility?"

Chengfeng said, "Do you remember that Zhifei and Zhiyu had an accident in Japan and were saved by a mysterious Chinese man?"

"Remember." The butler said, "Miss Zhiyu has always wanted to find the whereabouts of that mysterious person."

Chengfeng said: "That person is extremely powerful! One person can kill multiple top Japanese ninjas unharmed, which is almost equivalent to one person being able to kill multiple Chinese martial arts masters in succession! It is definitely the top of the top! If this person is capable It's really so strong, then it's very likely that he will kidnap Shoude quietly under the eyelids of more than twenty masters in the Su family!"

#### Chapter 2513

Chengfeng at the moment has completely lost his position.

It is precisely because of this that his thinking began to diverge, and even a little jumped off.

In the dark, he felt that the master behind this incident was probably the super master who saved Zhifei and Zhiyu in Japan.

But the housekeeper felt a bit whimsical.

He said euphemistically: "Master, the master that the eldest lady met in Japan has not confirmed his identity until now. We don't even know whether he is a Chinese or a Chinese living in Japan."

"Moreover, Kyoto and Wrosvell are separated by thousands of kilometers. In the vast crowd, how can the two people overlap each other so coincidence. Although this possibility exists, the probability is really too low..."

Chengfeng shook his head and said seriously: "The basis for my judgment is not probability, but feeling!"

After all, Chengfeng analyzed: "In Wrosvell, a mysterious person, gave me a feeling of power and strength. I have only experienced this feeling before."

"And the last time I felt this way was after hearing about the deeds of that super master in Japan!"

"That guy can easily kill a number of top Japanese ninjas in close hand-to-hand combat without being injured. I have never heard of such a master in so many years!"

"Although I have heard of a lot of duels between Chinese and Japanese masters, and most of them were won by Chinese masters, but to be honest, I have never heard of a Sino-Japanese master showdown. Victory without injury."

"Even if Bruce Lee competes with a Western master, it is impossible to guarantee that he will win unscathed."

“Once the opponent can be unharmed, it proves that his strength is geometrically ahead of the opponent!”

“In other words, this mysterious person can be unscathed with one enemy and seven. Then, it is not a problem to be afraid of one enemy. Even if the number of opponents doubles, maybe he can still pay a certain price to Win!”

“One person killed 14 top ninjas. How many people do you think there are in the world?!”

The butler suddenly fell into thought.

After a long time, he nodded seriously and said, “Master, you are right... He can kill seven Japanese ninjas unharmed, so his upper limit is far from seven. If you count this way, this Human strength is simply unheard of...”

Chengfeng continued: “And this time, Wrestvel’s behind-the-scenes man can not only easily capture Stuart and his four people, but also quietly take Shoude away under the eyes of more than 20 masters in the Su family. This strength, It’s also unheard of.”

“So, Wrestvel, the man behind the scenes, feels like that Japanese mysterious master.”

“Two mysterious people whose identities I don’t know can bring me the same feeling, which makes me have to connect the two together!”

Speaking of this, Chengfeng said firmly: “Moreover! The connection between these two mysterious people not only feels the same, but the important thing is that there is a clue that completely overlaps!”

The butler hurriedly asked, “Master, what is the clue?!”

Chengfeng spit out three words coldly: “Know the fish!”

#### Chapter 2514

The butler looked terrified and blurted out: “You mean, the mysterious master saved the eldest lady last time in Japan, this time in Wrestvel, or did he save the eldest lady?!”

“Yes!” Chengfeng nodded and blurted out: “I feel that way now! I always feel that Zhiyu is not dead! If she is really alive, then the person who saved her must have been saved in Japan. Her mysterious person once!”

The butler asked a little puzzled: “Master, if the man behind Wrestvel this time is really the mysterious man in Japan, then I can understand that he saves the eldest young lady. What is his intention to kidnap the second son?”

Chengfeng said: “Knock Shoude, there is a high probability that he wants to avenge Zhiyu and her mother? After all, Shoude went to Wrester to deal with this incident on behalf of the Su family. It is naturally the easiest thing to have him operated on.”

The butler hesitated: “Why is that mysterious person so good to Miss? Not only did he save her twice, but also went to help her out?”

Chengfeng said sadly, “I can’t tell you this. If my speculation is true, then this time he really took a stinky move...”

As he said, Chengfeng sighed and said to himself: “I knew that this mysterious master was affectionate and righteous to Zhiyu. I would kill me. I would not attack Liona. After all, she is Zhiyu’s mother. She gets killed, and Zhiyu is alive, she won’t forgive me in this life...”

In an instant, Chengfeng’s expression became extremely annoyed, and he said in pain, “If my speculation is correct, then this mysterious person originally had the opportunity to be available to my Su family! How could it have grown to where it is today!”

The butler hurriedly asked, “Master, if this is the case, is there still room for recovery?”

“Recover it?” Chengfeng wrinkled his old face into a ball, and said angrily: “How can I recover it now? I expelled her father and killed her mother. What’s more nonsense is Shoude and the damn Stuart, they also buckled Zhiyu’s black pot on my head. How could Zhiyu forgive me? She didn’t want my life, I burned the incense...”

The butler thought for a while, and hurriedly said, “Master, I have an idea, I don’t know if it is feasible...”

Chengfeng hurriedly said, “Say it!”

The housekeeper whispered: “In my opinion, it’s better to let the eldest son come back now! On the one hand, you have to apologize to him and explain that you started with Liona to protect the family’s reputation. As for the eldest lady, this is simply someone who wants to plant the blame. Here you are! On the other hand, if you ask him to come back and continue to sit where he was before, it is tantamount to taking a step back and showing him good.”

Chengfeng’s expression immediately became very strange.

The butler continued at this time: “Master, if your speculation is correct, if the eldest lady is still alive, then her mother must be alive too. You expelled the eldest son to Australia before, and today you expelled the eldest son’s family, this is almost tantamount to offending all the four members of that branch of the family...”

As he said, he remembered something, and hurriedly added: "Oh, yes, and Ruoli! If Ruoli is still missing, if this mysterious person is really in Wrestvel, then I guess Ruoli might return alive, maybe even by his side..."

"So it seems, Master, what you offended is their family of five..."

"So, the most important thing for you now, sir, is to quickly break one by one and try to save yourself. As long as there is someone in the family of four and someone speaks for you, you will have a chance to break the game instead of being at a dead end!"

Chengfeng was silent for a long time.

He understands what this steward means.

He knew that he had really offended his eldest son Zynn's family too hard.

If Zynn is recalled, and confess to him, and reinstate his heir position, then this matter might be reversed.

Chapter 2515

At this moment, Zynn was talking on the phone with his son Zhifei.

Zhifei drove from Orgeyon to Wrestvel late at night, but as soon as he arrived, he immediately fell into a predicament at a loss.

He came to Wrestvel to find the whereabouts of his mother and sister. However, the Wrestvel police sent thousands of people to search the city for a whole day without any results. Zhifei alone did not know where to proceed or even start.

He originally planned to go back to Du's old house in Wrestvel first and ask the old housekeeper for help. In that case, he still has a place to stay.

However, when he thought that he had just offended his grandfather, and his grandfather has let people look for his whereabouts, he suddenly felt a little worried.

Therefore, he called Zynn, who was far away in Australia, for help, and said to him, "Dad, grandpa knows that grandpa has an old house in Wrestvel. Maybe he has already sent someone there to wait for me to pass. If I go to the old butler for help, I might be caught by the Su family before I get in..."

Zynn said solemnly: "There is indeed this risk! I think you should be more cautious, don't contact the old housekeeper yet."

Zhifei hurriedly asked, "Dad, what should I do now?"

As he said, he couldn't help feeling a little agitated. He choked and said, "Dad...I don't know what to do now... Mom and Zhiyu are missing. I want to find them, but I don't have the ability to find them at all, and I don't even have a helper by my side...I...I...I feel like a complete trash..."

Zynn sighed and said with relief: "My boy, don't blame yourself too much. This kind of thing is far beyond the scope of your control. I would say something bad, even your grandpa can't grasp the whole thing, how about you?"

Zhifei cried and said, "I don't want to care about him! I just want to find Mom and Zhiyu as soon as possible, and they must be safe, otherwise, I will never forgive that old thing in my life!"

After that, Zhifei hurriedly said: "Dad! Come back and help me out, Dad! You are not here, I am too limited alone..."

Zynn hesitated for a moment and then said: "My boy, you should find a place to stay in Wrester first, but don't expose your whereabouts to the outside. I will wait for your grandpa's movement to see which flag he is going to take next. ...."

In fact, for Zynn, although he had seen the news reports and the video uploaded by Marven, he hated Chengfeng, but he still didn't dare to turn his face with the old man directly.

The reason why he didn't dare to turn his face was also very simple. It was a complete lack of ability on his side.

This is just like when Emperor Guangxu faced the Empress Dowager Cixi, the entire Jiangshan community, military, and political power were in the hands of the Empress Dowager Cixi. Although Emperor Guangxu was the emperor, he was not her opponent at all.

What's more, Zynn doesn't even have the position of the head of the Su Family, and Chengfeng is the real decision-maker here.

Moreover, modern society is very different from feudal society.

Feudal society can seek to usurp the throne, but in modern society, everyone pays attention to the legal system. Almost all the assets of the Su Group are in the name of the father. Even if other shareholders hold the shares of the Su Group, the shares correspond to the vote. The right is completely handed over to the old man.

It is impossible to seize the power of the old man. Even if the old man is killed, the shares in the old man's name will be linked to the major trust funds. The rest of the Su family can only take some living expenses from the trust funds on a regular basis. Taking control of the Su family will be a dream.

Therefore, even if Zynn knew that the old man was going to kill his wife, he would also kill his other daughter, by the way, he would not have the guts to go back and find the old man desperately.

Because as long as he dared to leave Australia without the permission of his father, he might be put under house arrest directly.

Chapter 2517

After receiving a call from Chengfeng, Zynn felt that it was both reasonable and outside.

He reassures his son a few words quickly, ends the phone call, turns on Chengfeng's call, and can't wait to figure out his intentions.

As soon as the phone was connected, Zynn said nervously, "Dad...you... why are you calling me so late?"

Chengfeng sighed on the other side of the phone and said, "Hey, Zynn, Dad called to apologize to you."

As he said, he asked: "You have already watched the videos circulating on the Internet?"

Zynn said truthfully, "Yes, Dad, I did see it?"

As soon as his words fell, Zynn quickly added: "Dad, I know you must have some opinions on Liona, but I believe you will not have any bad intentions towards Zhiyu. Stuart and Shoude must be coerced by others, so they are talking nonsense in the video and splashing dirty water on you!"

Zynn's words instantly moved Chengfeng's heart deeply.

He really didn't expect that his eldest son, at this time, could be so rational and objective, and he even broke the truth of what he wanted to speak out most in his heart!

The truth of this matter is: "I fu\*king really never thought of killing my own granddaughter! I only wanted to kill Liona!"

"However, along with Stuart and my own son, both convicted me of the crime in the video, and dumped all the black pots and unnecessary charges on me alone, and was seen by more than one billion people across the country. My mother can't argue with them!"

Human emotions are so subtle.

Even if you are quite prejudiced against a person when you are not understood by anyone and only this person can understand you, your attitude towards him will definitely undergo a 180-degree change.

Because he is your only soulmate.

Chengfeng felt this way at this time!

Unexpectedly, it was impossible to understand that his eldest son would break the secret in a word, which not only moved him but also made him a little surprised.

Zynn's words are actually intentional.

He actually hated Chengfeng very much in his heart, because even if Zhiyu's troubles were not caused by the old man, Ruoli always has no quibble?

Moreover, Zynn himself was buckled in a sh!t basin and was thrown into Australia, which was also done by the old man himself. In this case, Zynn's hatred for him would not diminish at all.

But he still cleverly concealed all the negative emotions, and from the very beginning expressed a complete understanding of the old man, and this time he won the deep heart of the old man.

The old man sighed and said, "Zynn, you know me... Zhiyu is my favorite granddaughter. How could I be cruel to her? The outsiders are really confused! They just listen to the villain's framing!"

As he said, he hurriedly said again: "By the way, there are so many major incidents happening at home now one after another. You can't stay alone in Australia and enjoy good fortune. Come back and help Dad tide over the difficulties!"

When Zynn heard what the old man said, his expression was even more ugly than eating sh!t.

## **Chapter 2518**

`The old man does have a set..."

"Obviously he sent me to Australia, and then put me under house arrest in disguise, and now he needs me to go back to help. He even said that I am now in Australia to enjoy the good fortune, and I have the f\*cking blessing in this shabby place, ah, me?"

Even though he thought so, Zynn immediately followed the old man's words and said: "Dad, I'm so sorry, I really have been spared during this time. If you need me to come back and help, then I will be at your disposal at any time."

Zynn wanted to go back, but he couldn't immediately say that, so he said "if you need me, then I will set out."

Even if the old man said it for this purpose, he must put the initiative in the old man's hands, and finally say one more sentence, always waiting for the old man's dispatch.

In this way, on the one hand, it appears that he has absolute respect for the old man, and on the other hand, he appears humble in front of the old man.

In this way, it can also reduce the old man's defensive heart for himself.

Hearing this, the old man felt refreshed, and hurriedly said, "Well, let me get the plane ready for the Australian side, so you can get back as soon as possible!

After speaking, he added: "By the way, I plan to leave Orgeyon as soon as possible and go to Suhang to hide from the limelight. Otherwise, the police and Du's family will probably come to the door before dawn. It will definitely be big trouble. ."

Zynn hurriedly asked, "Dad, why are you going to leave Orgeyon?"

Chengfeng said, "I plan to go to Suzhou. There are some of our properties and a large manor. I want to go there first and be quiet. Besides, it is also closer to Wrestvel, so it is more convenient for me to take command."

Zynn asked, "Dad, should I go to Orgeyon or reach Suhang?"

"Fly to Suzhou." Chengfeng said, "I hang up the phone and go directly to the airport by helicopter. I can get to Suzhou in about three hours. You will fly directly to Suzhou. I will wait for you there."

"Okay!" Zynn said immediately, "Then I will prepare."

Chengfeng opened the mouth and said: "Zynn, there are some things that trouble Dad, you must not blame me, especially Liona's affairs, Dad is also helpless to consider the reputation of the Su family... "

Zynn said without hesitation: "Don't worry, Dad, I understand you 100% on this point..."

As he said, he couldn't help sighing, and then said: "You tell me, Liona, this woman, has never forgotten Changying in her heart for so many years! She and I have not divorced yet, so she ran to Wrestvel to buy Changying's house, when it gets smaller, it's hitting my Zynn's face, when it's bigger, it hits the face of the entire Su family! Even if you don't want to solve this trouble, once I come back, I won't let her go!"

After hearing this, Chengfeng said with great satisfaction: "Zynn, you can have this knowledge, I am very pleased that you are the son of Su's family. In the face of big things, you can see more clearly than ordinary people!"

Speaking of this, he continued: "It's getting late, you should hurry up and prepare, let's talk about specific things when you come back."

"Okay." Zynn said respectfully, "Dad, you rush on the road overnight, pay more attention to your body!"

"Okay, I see." Chengfeng replied, remembering something, and then said: "By the way, when the video came out, Zhifei came to me and made a fuss, and then I didn't know where he has gone. He contacts you, and you remember to apologize for me. As a grandfather, my temper is really hot, so please don't take it to your heart."

Zynn really did not expect that the old man would take the initiative to apologize to his son, and hurriedly said: "Dad, knowing that he just called me again. The biggest problem with this child is that he is not mature enough, and he has not encountered things in life as of yet. The information from the outside world is so obsessing that he can't see the essence of the matter. Don't share your knowledge with him. After I come back, I must bring him to you and kowtow!"

Chengfeng was very satisfied with Zynn's remarks, and said: "If this is the case, then I can rest assured, you hurry back, I will wait for you in Suhang!"

## **Chapter 2519**

One thing that Elder Su is better than Zynn is that he used clues to construct a general framework in his brain, and in this framework, he calculated the existence of Marven, a mysterious person.

In fact, Chengfeng has always been a very shrewd old fox, and there are almost no loopholes in many of his plans, but only a few times because he could not foresee a variable like Marven, so he missed a little bit and went wrong.

This time, he speculated that Zhiyu was not dead, and speculated that she must be rescued by an expert, so he decided to try his best to restore Zynn's family and it's faith in him.

The first breakthrough point was naturally Zynn, the head of the family.

The call just now not only calmed Zynn but also expressed his apologies to Zhifei in front of Zynn.

If the father and son believe his words, he would gain the confidence of at least half of the family of four.

Although it is impossible for Zynn to forgive Chengfeng so easily, at this moment, his heart is indeed relieved a bit because of Father Su's initiative to admit his mistake just now.

After all, Chengfeng never bowed his head to admit his mistakes in his entire life, and suddenly apologized in person, which really surprised him.

Moreover, Chengfeng couldn't count the existence of the mysterious factor Marven, so he didn't know the real motive of the old man's softness.

In addition, he himself was sent to Australia. Even if the old man did something sorry for him, there was no need to bow his head to him. Even the old man could completely put him under house arrest. This is also the old man's consistent behavior style.

But the old man didn't choose this method. Instead, he actively bowed his head to admit his mistake and begged for forgiveness. This made Zynn feel that the old man might really have realized that he had the idea of reforming and making up for himself.

The old man is willing to make up for him and agree to let him return to China, which is equivalent to preparing to restore his heir status.

No one would have trouble with the trillions of fortunes, so in addition to surprise, Zynn's heart also had an uncontrollable excitement.

However, on the one hand, there was the grief and worry of the unidentified life and death of his own daughter. These completely different moods mixed together, which made Zynn a little ashamed.

The reason why he was ashamed was also that he found that he couldn't stop the excitement in his heart under such circumstances.

This also made him thoroughly understand the truth.

Why was there a series of battles for the throne and power between the flesh and blood of the closest relatives in ancient times?

The history of elder brother killing younger brother, younger brother killing elder brother, father killing son, son killing father, etc. is not uncommon.

The reason is that the benefits placed in front of them are so great that they can leave their blood and affection behind.

At the expense of one's loved ones, if only one hundred can be exchanged, not many people in this world will agree.

However, if you sacrifice your loved ones, what if you can get back ten billion, or even one trillion?

I am afraid that many people will be completely confused by this huge benefit.

Zynn is also a mortal, and he also has seven emotions and six desires.

After being sent to Australia, he felt the loss of power, and this sense of loss made him unforgettable.

Now that he finally saw the opportunity to turn against the wind, how could he not be excited deep in his heart?

So he called Zhifei and told him briefly about the situation, and then told him: “Zhifei, I think your grandpa really realized his mistake this time, so you shouldn’t be here either. This will resist him too much, you know?”

#### **Chapter 2520**

Zhifei said angrily: “Dad! we are unclear about the life or death of Mom and Zhiyu at his hands. Tell me not to resist him too much? Didn’t you watch the video circulating on the Internet? Mom and Zhiyu were in that car What has become of it!”

“Stupid!” Zynn angrily shouted, “It has happened. What can you and your grandfather try to save?”

“Not only can nothing be saved, but you will also be gone forever!”

“You know, I am the eldest grandson of the Su family, and you are the eldest son of the Su family. Your grandfather will live for more than ten years at most. At that time, if I cannot be the head of the Su family, I will have to go away!”

“If your second uncle, your third uncle, or your fourth uncle took the seat of the head of the house, would it make our family feel better?!”

“I ask you, do you know how your grandfather’s brothers ended up after your grandfather becomes the owner of the house?”

“These uncles of mine didn’t have a chance to live in China! The day they failed to seize a position was the beginning of their family’s departure overseas!”

Speaking of this, Zynn said emotionally: “Those who have failed to seize the princes, leave China and go overseas, and can get less than 1% of the assets of the family. The most unlucky one can’t even get even that 1%. Here! Do you want to wait ten years to be kicked out of China, lose all the positions, funds, and

assets given to you by the family, and bring your family several hundred million in assets to live overseas?”

Zhifei fell into silence.

As the saying goes, it is easy to change from frugality to luxury, and it is difficult to change from luxury to frugality.

Now he doesn't care about money at all. He has private jets when he goes out, and in the world's eyes, he has his own business. He can do whatever he wants. But once the father has said that he fails to seize his position and is sent overseas, he will lose everything instantly.

Better private jet costs hundreds of millions. If he really is deprived of all assets and leave only a few hundred million in for his family, what will he live on?

Zynn also knew very well that his words had touched his son's heart, so he was very wise to choose enough to stop instead of rushing for success.

So he opened his mouth and said: “Okay, I'll tell you this much first. Your grandfather asked me to go to Suzhou to meet him. You will find a place to stay in the city tonight and drive to Suzhou tomorrow morning. I will be able to arrive almost by tomorrow afternoon, when you come to the airport to see me, let's meet your grandpa together!”

Zhifei was silent for a moment, no longer showing his rebellion and confrontation, and whispered: “I know Dad after you take off, send me a WeChat, and I will find time to pick you up.”

“Well, be careful and take care of yourself!”

.....

This night, the reality is extremely calm, but the online world continues to boil.

The attacks and abuses against Chengfeng have intensified.

What he did has even begun to be reported by overseas media.

And he himself is quietly hiding in Suhang overnight.

Zynn boarded the private plane of the Su family and departed from Australia for a direct flight to Suzhou.

As for Zhifei, for the sake of caution, he did not go to seek refuge with anyone known to the family, nor did he go to the hotel. Instead, he lay in his limousine with the heater on all night.

This night, the three generations of the Su family, all had no sleep.

In sharp contrast to them, Liona and Zhiyu, mother and daughter, lay on the extremely comfortable bed in the hotel and slept peacefully all night.

At 8 o'clock in the morning, Zhiyu was the first to wake up and opened her eyes slightly...
