

## The Amazing Son In-Law Chapter 2521-2530

### Chapter 2521

What jumped into Zhiyu's eyes was a luxurious suite in a hotel, and she was lying on a comfortable bed with a width of more than two meters.

At this moment, she thought she was the soul after death.

So she immediately wanted to find her mother's whereabouts, and when she looked around, she found that her mother was lying beside her!

At this time, she also ignored the dream and reality, and couldn't wait to reach out, shook her mother's body, and shouted: "Mom...Mom, wake up..."

Liona, who was still sleeping, woke up faintly. After she recovered, she looked at Zhiyu in front of her and exclaimed, "Zhiyu...are you okay?!"

Zhiyu hurriedly said, "Mom, I...I don't know if I have anything..."

Liona looked around and asked subconsciously, "Aren't we...in the tunnel? How come..."

Zhiyu also shook her head subconsciously, "I don't know what's going on, it seems like this is a hotel..."

With that, Zhiyu suddenly thought of Marven's face!

Suddenly it occurred to her that before she fell into a coma, what appeared in front of her was the benefactor that she was thinking about and trying her best to find him.

So she understood one thing and exclaimed: "Mom! the benefactor must have saved us!"

"The benefactor?!" Liona asked subconsciously, "You mean, the benefactor who saved you in Japan?!"

"That's right! It's him!" Zhiyu was so excited that her voice was trembling, and her tears were completely uncontrollable, and her cheeks were completely choked. Now, the consciousness has also reached the edge of fragmentation, and...then she saw benefactor!"

Liona couldn't help asking, "Could it be the hallucinations caused by unconsciousness at that time? Isn't that person in Japan? How could he appear in Wrestrvel?"

Zhiyu unswervingly said: "Mom. It's him, it's really him! I will never remember it wrong!"

With that said, she hurriedly checked her body.

Soon, she discovered that her body, which had been severely injured in the car accident, was now unscathed, and she said excitedly: "Mom! My benefactor must have rescued us from the tunnel! There are also our injuries, they are gone now. , He must have cured it!"

Only then did Liona realize that her body does not feel any abnormality at all at this time.

You know, before that, she and her daughter faced a man-made car accident in the tunnel and suffered huge injuries.

She couldn't help exclaiming in her heart: "In such a serious car accident, it is almost impossible for anyone to survive!"

"However, you and I are unharmed now... this is incredible..."

So she hurriedly asked: "Zhiyu, why did your benefactor come to save us?"

"I don't know either." Zhiyu shook her head blankly, and said, "I have searched him for a long time, but have not found him. This is the second time I have seen him..."

As she said, she couldn't help sighing: "Mom, my dear father, he saved me again... and not only did he save me, he also saved you, and count it down, mother and brother, three I owe my benefactor four lives..."

Immediately afterward, Zhiyu couldn't help complaining: "Mom! The Feng Shui master that grandpa looked for is just nonsense! He told me not to look for my benefactor and said that my lifestyle and my lifestyle recoiled. There will be a catastrophe, but he must not have thought that it was the benefactor who rescued me again! I said at the time that his calculations were not credible, and you scolded me..."

## **Chapter 2522**

Liona immediately stopped and said: "Zhiyu! Don't talk nonsense! How do you know that Master Lai is inaccurate? Master Lai has long said that if you were not looking for him, if you were obedient and went back to Orgeyon, naturally you would not encounter such a big thing."

Zhiyu was not convinced, and blurted out: "Then if I go back, mom, your safety would not be guaranteed!? If I was not here, my benefactor won't show up, then mom, you are more fortunate. ..."

Liona sighed, and said, "Hey, this is the world's cause and effect. Master Lai only calculated the connection between you and him. I didn't know how to get in touch with your benefactor through you. Even though I was saved by your benefactor..."

Speaking of this, she couldn't help but sigh: "This benefactor is really a noble person in our family... I don't know if I can find him and thank him in person..."

Zhiyu came back to her senses, and said with excitement, "The hotel we are staying in must have been arranged by my benefactor. I will go to the service staff and ask!"

After speaking, she hurriedly got up from the bed, rushed out of the bedroom in two steps, and went straight to the door of the executive suite.

As soon as she pushed the door open, she saw four strong young women outside the door completely blocking the way.

She hurriedly asked, "Hello, where am I?"

One of the women said, "Hello, Miss Su, you are in the hotel arranged by our young master for you and Ms. Liona."

Zhiyu asked in surprise, "Then, who is your young master?"

The woman shook her head and said, "I'm sorry Miss Su, the identity of our young master is highly confidential, and we must never disclose it to the outside world."

Zhiyu was not reconciled, and asked, "Can you take me to see him? I want to thank him in person..."

"I'm sorry." The woman continued to shake her head and said apologetically: "Our young master has ordered that if you and Miss Liona wake up, you should have a good rest in the room. You can tell us any time you need anything, but you can't leave the room."

"Ah?" Zhiyu couldn't help asking, "I don't know what your young master's intention is for this arrangement is?"

The woman explained: "That's right, our master told me that your grandpa is deliberately trying to kill your mother, and your own safety is not guaranteed. So he needs you and Ms. Liona to stay in the hotel room temporarily and not go out."

Zhiyu feels a little lost, but when she thinks that her benefactor is doing it for the safety of herself and her mother, she nodded and said helplessly, "Well then... please help me thank you, young master..."

After speaking, she hurriedly asked: "I...I have another question."

"Miss Su, please speak."

Zhiyu asked expectantly: "Will your young master come here? I...I want to see him...I don't know if there is such an honor?"

The woman smiled slightly: "Miss Su, I can't answer you exactly about this. Master didn't tell me if he will come."

Zhiyu felt even more disappointed.

Unexpectedly, she was rescued by the benefactor again and even got into a high-end hotel by benefactor, but she still couldn't see him.

At this time, she couldn't help asking: "Then, do you know where my phone is? If you know, can you return it to me?"

The woman said, "I'm sorry, Miss Su, our master has ordered that you and Ms. Liona cannot contact anyone outside for the time being, because now many people are looking for your whereabouts. Once they know that you are still alive, I am afraid they will not rest until you are not good, I hope you can understand!"

## Chapter 2523

Zhiyu didn't expect that not only did the benefactor not show up, he even refused to let her communicate with the outside world, and her mood suddenly became even more disappointed.

She asked tentatively: "Will you let me report peace to my family? My grandfather must be very worried about the safety of my mother and me. Just report to him and let him know that we are all right. It's..."

The woman shook her head and said seriously: "Sorry Miss Su, our young master's order is not to let you contact anyone outside, no matter who the other party is."

Although Zhiyu was a little bit uncomprehending in her heart, she nodded gently and thought: "Benefactor arranged like this, although it looks like he put my mother under house arrest, I believe he must have his reason, and it must be in good faith."

So she said, "I understand, thank you."

The woman hurriedly said, "Ms. Su is polite. You and Ms. Liona can tell us any needs, including what you want to eat and drink, what to wear, and you can tell me. Arrangements will be in place."

"Okay..." Zhiyu bowed slightly and said gratefully, "Thank you!"

After speaking, she realized that her stomach was indeed a little hungry, and he said, "Um...Can you help me prepare some breakfast for my mother?"

The woman said without hesitation, "Of course, Miss Su, what would you like to eat?"

Zhiyu hurriedly said: "It's all right, as long as it is lighter."

"Okay." The woman said, "Miss Su, please go back to the room and rest for a while. I will tell the kitchen to prepare."

"Thank you!"

Zhiyu thanked, and then returned to the room.

When she returned to the room, Liona also walked out of the room. Seeing that her expression was a little lost, she hurriedly asked, "Zhiyu, how is it?"

Zhiyu said helplessly: "There were four female bodyguards at the door. They refused to let me go out. They said that it was the kindness of the young master who told us to let us stay here. There are many people outside now looking for our whereabouts. For the sake of safety, the benefactor will not let us have any contact with the outside world."

"I originally wanted to report peace to the foreign official, but they didn't allow it."

Liona nodded slightly and said seriously: "This is understandable. Your grandfather wants my life, and some people want your life. I don't know how complicated the situation is. If you let the outside world

know that we two are still alive, I am afraid that it will really bring a lot of danger, and it will also cause a lot of trouble to your benefactor.”

Zhiyu asked, “Mom, the female bodyguard at the door said, it is the Young Master, then who do you think is the young master? Is there any great family in Wrestvel?”

“Wrestvel?” Liona frowned for a moment and said seriously: “I don’t really understand the situation in Wrestvel. I know that there is a Song family with assets in the early hundreds of billions. This benefactor is extraordinary in strength and definitely not Song. A family of this size can be nurtured.”

“In other words, if the Song family can cultivate such extraordinary talents, the strength of the Song family will never be the scale it is today.”

Zhiyu asked again, “Could it be a hidden family?”

“Hidden family?” Liona thought for a while and said seriously: “I can’t say this, but to be honest, Wrestvel’s economic situation is not among the top ten in China. In such a city, it is difficult to have a strong hidden family, after all, the water must be deep enough to be able to hide the giant.”

Zhiyu nodded in agreement and muttered to herself, “This is...”

After that, she had an idea, and then said, “Mom, then, do you think the benefactor is the young master of a big family in Orgeyon or other first-tier cities?”

“First-tier cities?” Liona was silent for a moment, and said, “There are only a few of the top domestic families. As far as I know, none of these families have very powerful young masters, just like the Su family, including your brother. Among the male descendants of the new generation, who can be considered a master? Other families are even more unlikely.”

Chapter 2524

Zhiyu couldn’t help sighing.

She also felt that what her mother said was right.

The elder sons of these top families may be very mysterious to the outside world, but the real top family members, know the elder sons of these other families very well.

Although these top-notch family elder sons are all so-called high-achieving students who have returned from studying abroad, Zhiyu knows that most of these are glamorous straw bags.

To put it nicely, it is embroidered pillows.

To put it ugly, it’s that the donkey sh!t is shiny.

Regardless of these big sons, each of them speaks fluent English. At the same time, they understand the world pattern and can talk about and give pointers to the development of the global economy. But if you really let him do it, he may immediately talk to the paper. He goes just blind.

Before that, there was a well-known son who was known as a business wizard. He made billions on his own ability in just a few years. But in a blink of an eye, the news of the company's thunder and debts spread.

Billions of assets turned into billions of liabilities in an instant.

And such people are definitely not an exception in the upper class.

Therefore, it is difficult for Zhiyu to believe that her benefactor, her omnipotent benefactor, who is like a god from the sky, will also be the son of a big family.

Thinking of this, she couldn't help but fall into deep thought again. After a long time, she said distressedly: "Mom, Blessed Man is not the son of a big family, but he is called the young master. What is his background?"

Liona smiled and said earnestly: "You have to find this benefactor. He has great magical powers and his abilities are no longer what I can imagine, so his identity is definitely not something we can easily guess."

Speaking of this, a face suddenly flashed in her mind.

It was a very familiar but somewhat strange face.

That was the young man she saw at the door of Changying's former residence, who looked exactly like Changying.

He looks so much like Changying that she can be sure that he is 100% Changying's son.

Thinking of this, Liona couldn't help but wonder: "Will the benefactor that Zhiyu was looking for is Changying's son?!"

As soon as this idea came out, Liona couldn't help but overturn her own speculation.

"I saw that young man that day. He was dressed in very ordinary clothes, and he was riding a tattered electric car. It should be more difficult to come here. It shouldn't be the benefactor Zhiyu has been thinking about..."

Liona fell into deep thought, and another question came up in her mind: "Then...who is the person who grabbed Changying's former residence at the auction with me?"

Zhiyu saw her mother's expression sometimes dignified, sometimes tangled, and sometimes confused, so she couldn't help asking, "Mom, what are you thinking about?"

Liona came back to her senses and said hurriedly, "Oh, it's nothing... I just thought about it for a while, but didn't get any clues."

After finishing talking, she said to Zhiyu: "Zhiyu, don't worry too much. Since the benefactor arranged us here and let his subordinates protect us at all times, it is equivalent to establishing indirect contact with

us. This is much more optimistic than when you found a needle in a haystack and couldn't find any clues before, so you wait patiently, I believe he will show up sooner or later!"

Zhiyu nodded, and was about to speak when a flash of inspiration suddenly flashed in her mind: "Mom! Do you think this hotel is the property of the Benefactor?!"

Chapter 2525

Zhiyu's inspiration suddenly appeared, so that Liona was also stunned.

She nodded in agreement and said: "Since this benefactor wants to properly settle us and strictly guard the secret that we are still alive, then he will not just place us in a hotel that doesn't matter....."

"Besides, he has sent so many people at the door. This hotel is likely his property as you said."

"Even if it is not, then he and this hotel should have a deep relationship."

Zhiyu nodded and ran to the desk in the living room of the suite with some excitement, and opened the drawer in it.

Generally, hotels will put some letter paper for guests to write on their desks, and the name of the hotel will be printed on it.

When she saw the words "Wrestvel Shangrila Hotel" above the letter paper, she couldn't help exclaiming: "Mom! The hotel we are in is called Shangrila. I remember, Shangrila seems to be the property of the Ye family?"

Liona was horrified at once: "Shangrila?! Could it be...Is it really him..."

Originally, Liona had also thought about whether the benefactor in her daughter's mouth was Changying Ye's son.

But she also overturned her own guess. After all, Changying's son went missing in the early years, and he had not returned to Ye's house. It is unlikely that a fallen master who has fallen outside has such a powerful ability.

But now, when she heard that the hotel she was in was Shangrila, she immediately began to doubt it again.

Here, Zhiyu saw her mother in shock, and even said a "him", so she subconsciously asked: "Mom, do you know what? Who are you talking about?"

Liona came back to her senses and said with a complicated expression, "Actually, there is also a young man in the Ye family who has been missing for many years..."

Zhiyu suddenly realized, and blurted out, "Mom, what you said should be the son of Uncle Ye's?"

Liona checked her head and said calmly: "Yes, it's him."

As a woman, Zhiyu knows her mother's heart very well.

She knew that her mother had always loved Changying for so many years. It could be said that she was extremely infatuated with Changying. Even if Changying had been dead for nearly 20 years, her mother still missed him.

Because of this, her mother came to Wrestvel after learning the fact that her father had derailed, and an assassination attempt was made because she wanted to buy Changying's former residence.

Liona did not hide anything from her daughter, so she was not surprised when Zhiyu mentioned it.

Zhiyu asked in surprise, "Mom, didn't that Uncle Ye's son disappear after Uncle Ye's death? I remember it seems that the Ye family never found his whereabouts. How do you think he is the benefactor?"

Liona counted and nodded and said seriously: "In your old Uncle Ye's house that day, I saw a boy who looked almost exactly the same as your Uncle Ye when he was young. He looked like six or seven years older than you. How old are you, about the same age as your brother, and the age is very similar to your Uncle Ye's son."

Zhiyu couldn't help asking, "Could it be a coincidence? After all, there are still many people who look alike..."

Chapter 2526

"No." Liona said seriously: "If everything is really just a coincidence, most of it will only happen in one dimension. For example, if you meet someone who looks very similar to me by chance, this is normal. I accidentally, it is normal to meet someone who looks very similar to your Uncle Ye..."

"but....."

When Liona said this, her tone and expression were a bit serious, and she continued: "However, I unexpectedly met this young man in Wrestvel. Your Uncle Ye was killed in Wrestvel, and his son also disappeared in Wrestvel. , So this is the second coincidence."

"Also! Not only did I meet him in Wrestvel, but I also met him at the gate of your Uncle Ye's former residence! If he has nothing to do with your Uncle Ye, why did he appear there?"

Zhiyu was silent for a moment, nodded, and said seriously: "Mom, I think your analysis makes sense. The young man you saw at the gate of Uncle Ye's former residence is very likely to be Uncle Ye's son... .."

Speaking of this, Zhiyu's conversation turned around and said: "Mom, Uncle Ye's son, if he had disappeared in Wrestvel that year, he had been in Wrestvel. So the one you saw may indeed be Uncle Ye's son, but Uncle Ye's son may not be the benefactor! Do you have any clear evidence of this?"

Liona shook her head and said, "I don't have any direct evidence. After all, I haven't seen the benefactor you mentioned so far. However, since the benefactor arranged us in the Ye family hotel, then I believe that he must have a deep relationship with the Ye family."

Zhiyu fell into deep thought, and muttered, "If it is like what you said, Uncle Ye's son is the benefactor, then he has been alone in Wrestvel for so many years, how can he be so helpful? Is there such a strong strength?"

"This...it doesn't make sense! A master like this can't be cultivated even by a top martial arts family."

"You see that the He family is so powerful, and they cultivated Ruoli wholeheartedly, but Ruoli's strength is tens of thousands of miles away from the ninjas who kidnapped me in Japan, I guess Ruoli is barely able to win, and one-to-two will undoubtedly lose at best..."

Liona smiled slightly: "I can't say this, but my instinct tells me that the benefactor you are looking for is likely to be him."

Zhiyu sighed, and said, "But I still don't understand. If Benefactor is really Uncle Ye's son, then he should hate the Su family...After all, it was Dad who came forward to do it. In the anti-Ye alliance, the Su family has been unable to live with the Ye family for so many years, how could he save us? Especially my brother and I, both of us are named Su, for him, we are the children of the enemy... .."

Liona shook her head, "I don't think about these questions, but I believe that sooner or later, I will figure it out. After all, this benefactor did not save us and put us behind him. He settled us here, which is equivalent to him already maintaining a bond with us. I believe it won't be long before he will reveal the true face of himself!"

Zhiyu couldn't help getting a little excited, and muttered to herself in a low voice: "My benefactor has saved our family of three so many times. If I can see him, I will definitely be a cow and a horse in my life to repay his kindness!"

With that said, in her expression, she couldn't help showing a bit of the shyness and fascination that the girls have for their sweetheart.

She is not to blame.

Any woman who has gone through life and death two times, and the same face saved her twice, I am afraid that she will feel good in her heart.

What's more, after Zhiyu returned from Japan, she has been obsessed with Marven.

This time, she not only saw Marven, but was also rescued by Marven, and even Marven saved her mother with her. This has completely captured the proud young girl's heart.

Liona looked at her daughter's eyes and couldn't help thinking of the young man she saw outside the door of Changying's former residence.

When she thinks of him, she can't help but think of the love of her life, Changying.

For a moment, her eyes suddenly filled with tears, and she sighed in her heart: "Zhiyu, this girl, I am afraid that she has already been moved by the benefactor. If she finds a son who is really Ye's, it is really fate....."

## Chapter 2527

When Marven settled Liona and Zhiyu mother and daughter in the Shangrila Hotel, he did not expect that the hotel would reveal his identity to a certain extent.

After he posted the video on the Internet last night, he did not pay much attention to this matter.

Because he knew that this video would definitely drag Chengfeng and the entire Su family into the quagmire of the whole people's crusade.

And he posted the video to the short video platform acquired by the Ye family so that there is no need to worry that the Su family will turn this video off.

Because for the Ye family, no matter how much money they gave, it would be impossible for them to do business with Uncle Su's family.

Zhongquan Ye would never miss this opportunity to humiliate and attack the Su family.

When Marven got up in the morning, Avella was still asleep, Marven got out of bed gently to wash, and when he came to the first floor, Viola was already cooking with crutches.

Although Viola had broken her leg, she was very active during this period. As long as it was housework within her ability, she did not shirk at all.

At this time, Viola was watching with gusto while holding her mobile phone, while guarding the egg fried rice in the wok, and under the armpit of her right arm was an aluminum crutch.

Hearing Marven coming downstairs, she hurriedly recovered and said with joy, "Oh, my son-in-law, come and see, we have something serious in Wrestvel!"

Marven had basically guessed what she was talking about after hearing her words.

However, he still pretended to be curious and asked, "Mom, what's the matter?"

Viola said solemnly, "Do you know that Orgeyon has a very powerful family? The family name is Su!"

Marven nodded: "Oh... I've heard of it."

Viola hurriedly said, "This old man from the Su family is so fu\*king puss and shit that he hired someone to kill his daughter-in-law. Do you think this guy is a b1tch?"

Marven smiled and said, "I heard you say that this old thing named Su is really a sc&mbag!"

"No more!" Viola gritted her teeth and said, "Everyone can get it! Now the law is civilized, otherwise, it will be left in feudal society. Such old things must be too late!"

"Good son-in-law, do you know Ling Chi? It's just that the executioner used a knife to scratch him constantly, just like a western chef slices ham on TV. He slices a thin slice at a time and keeps a slice of three to five thousand dollars. He breathes!"

Marven saw that Viola was almost crushing her mouthful of teeth, and he couldn't help but curiously asked, "Mom, why are you so emotional?"

Viola said annoyedly, "When I saw this fu\*king news, I thought of that b@stard grandma at first!"

"That dead old woman was just as bad as this dead old man named Su!"

"D@mn, when she was in the detention center, do you know how cruel her heart was? The old thing couldn't walk steadily. When hitting me, they were still struggling to kill me, wishing to beat me to death in the detention center!"

"These two old things are so bad to their daughter-in-law, they are simply a pair of dog men and women who are angry at the same time!"

### **Chapter 2528**

Marven didn't expect that Viola thought of Mrs. Xiao through what Elder Su did, and he was speechless for a while.

At this time, Viola couldn't help but sighed, and said, "I just feel sorry for this woman named Liona! I think she must be a good woman who is as kind-hearted and smart as I am, but God does not have eyes, we are so good. A woman just can't meet a good mother-in-law and a good father-in-law."

Marven was embarrassed and felt serious nausea.

Liona is definitely the top celebrity in the noblewoman circle after being a famous gate in Orgeyon anyway. In any respect, she is stronger than Viola by tens of thousands, but Viola is so bold to say that she is the same as Liona, which shows that she has thick skin with no edge.

But Marven didn't bother to tell her more, so he smiled and said, "Mom, you are busy first, I will go to the yard to get some air."

Although Viola was still filled with righteous indignation, when she heard this, she hurriedly said with a smile: "Good son-in-law, you can wear more clothes. It's cold outside today."

"it is good."

Marven came out of the house and called Zak Chen in the yard.

As soon as the phone was connected, Zak Chen's voice came over: "Master!"

Marven asked, "Old man, how is your situation there?"

Zak Chen hurriedly said: "Master, the executive floor of the hotel is still strictly guarded. Except for my confidant, even ordinary waiters and security guards are not allowed to approach. As for Ms. Liona and Ms. Su, my staff just gave me feedback. Miss Su wanted to see you and inquire about your identity, but my people didn't disclose it and asked them to stay in the room. They just sent them some breakfast."

“In addition, I received a message that the old man Chengfeng had fled Orgeyon overnight. The plane departed from Orgeyon Airport and flew east to the high seas, then circled the southern part of the Taiwan Strait, and then went all the way north. It was around 6 o’clock. After landing in Suzhou, the flight trajectory of the plane was like a big fish hook...”

Marven asked curiously, “Why did he go to Suzhou making such a big circle? Is it because he is afraid that others will discover his true track?”

“Yes!” Zak Chen laughed: “Some media don’t know the situation. They only know that his plane took off from Orgeyon and flew east out of the country. They thought he had fled to Japan to avoid the limelight.”

Marven said with a smile: “He ran to Suhang, probably not just to avoid the limelight, Suhang is so close to Wrestvel, I think he still misses Wrestvel.”

“I think so too.” Zak Chen said seriously: “The Su family has a bit of influence in Suzhou, and Master Su’s command of Wrestvel’s side is also considered to be on the front line led by himself.”

Marven immediately ordered: “Hurry up and call Regnar to Wrestvel, otherwise Chengfeng will probably find him to understand the situation after he gets over. Although Regnar is surrendered now, he has eaten a lot in my hands. Unfortunately, maybe he will take this opportunity to take refuge in the Su family to fight me.”

Zak Chen suddenly realized, and blurted out: “Oh, why did I forget Regnar! With the acting style of the old fox like Chengfeng, when he arrives in Suzhou, he will first sort out all the uncertain factors in Suzhou first, and then plan again. Move, maybe I will summon Regnar this morning!”

Marven smiled and said, “It shouldn’t be so fast. Chengfeng definitely didn’t worry less last night. He took a big circle in the plane and probably didn’t have any thoughts to rest. The plane just landed more than two hours ago. Going to the place where he is staying, I guess he will probably have to make up his sleep first this morning. When he wakes up, he may first take a look at the situation in Suzhou.

“So, you call Regnar directly now and say that I am looking for him in a hurry, and ask him and his eldest son to come by helicopter immediately. In this case, it should not be too late.”

“Furthermore, Chengfeng’s trip to Suzhou is so low-key, the Wu family certainly won’t know his message now.”

Zak Chen hurriedly said, “Okay, Master, then I will call Regnar now!”

## **Chapter 2529**

When Regnar was still asleep, he was woken up by Zak Chen on the phone.

On the phone, Zak told Regnar that Marven asked him to take Roger to Wrestvel immediately by helicopter.

Regnar dared not delay, got up quickly, took his son straight to Wrestvel.

At ten o'clock in the morning, Regnar's helicopter approached Zak's hotel gradually.

As the helicopter continued to descend, Regnar couldn't help but remember the scene of the father and son being shot directly by Zak's people last time here.

That time was the most humiliating day of Regnar's life.

Not only broken limbs but also very humiliating sentences were engraved on their foreheads and beaten badly by the men here.

Looking back at that moment, Regnar's fist was clenched involuntarily.

However, he suddenly thought of the Eight Heavenly Kings buried at the foot of Changbai Mountain.

Thinking of the tragic death of the Eight Heavenly Kings, he couldn't help fighting a cold war.

It was precisely because of the death of the Eight Great Kings that he realized one of the most crucial facts: Marven had enough strength to kill him, even his whole family.

The Eight Great Heavenly Kings took their own orders against Marven. Marven killed them but didn't take his life. This was already his own good fortune.

In addition, he now knew Marven's true identity, so he became a little more afraid of him.

At this time, Roger beside him said with some worry: "Dad, what do you think Marven is looking for with us?"

Regnar hurriedly scolded: "As\$hole, can you call Master Ye's name directly?"

Roger said aggrievedly, "Dad, isn't this just a private talk? Why are you so sensitive..."

Regnar blurted out: "I'm afraid you are not stupid! What is the identity of Master Ye? Young Master Ye is the top master! He can kill the Eight Heavenly Kings by himself! Don't provoke him, even if you call him by his name. It's easy for him to get angry!"

Roger curled his lips: "Dad. Are you not a little too sensitive?"

"Sensitive?" Regnar asked him back, "Have you watched the video on the short video platform yesterday?"

"No." Roger said: "Since the incident of your brother and Liu Guang and Liu Ming's two b@stard cross talks were transmitted to the short video platform, I stopped the video from the platform, but he received the news. Pushed it, you probably know the whole story."

Hearing Roger mentioning Wu Qi and Liu Guang and Liu Ming, Regnar couldn't help feeling a little bit in his heart. He held back his anger and asked him: "Then you think, besides Master Ye, who else has the ability and courage in Wrestvel? Dare to directly tie up the second son of the Su family?"

Roger thought for a while, his expression couldn't help but said nervously: "This...Dad, according to you, the second son of the Su family was tied up by the son of Ye's?"

Regnar said, "In my opinion, in the entire Wrestvel, only Master Ye has the ability to do it. No one except him..."

"I'm going..." Roger couldn't help exclaiming, "Why did Young Master Ye suddenly act on the Su Family?! Isn't it about declaring war with them?!"

Regnar shook his head: "I don't know exactly why, but as far as I know, the Ye family and the Su family have always had feuds. Maybe he wants to avenge his father."

Roger shrank his neck and sighed: "The Master Ye acting style is too fierce. As soon as the second young master of the Su family arrived in Wrestvel, he was tied up. He is not afraid of revenge after the Su family finds him... "

Regnar said earnestly: "Judging from his ability to kill the Eight Heavenly Kings by himself, he tied the second young master of the Su family, but it was as simple as a cat catching a mouse for him."

### **Chapter 2530**

As he said, Regnar said again: "If the Su family really goes against Master Ye, maybe Master Ye can kill Chengfeng himself. With his patience, it will not be impossible for him in China to kill all the Su family one by one. I think the reason why he still keeps this old guy alive is like a cat catching a mouse but not eating it. The main reason is not to eat the mouse, but to play with him and torture him."

Roger couldn't help but panic.

Seeing him pale, Regnar reminded him sternly: "I will see Young Master later, and you must give him enough respect and keep your posture to the lowest level. I won't let you talk, you don't want to say anything. do you understand?!"

Roger nodded hurriedly: "I know Dad..."

The helicopter landed on the roof of the hotel, and Zak was already waiting here.

Regnar took Roger off the plane, and hurriedly walked to Zak, and said respectfully: "Mr. Zak, I should bother you to greet you personally. I am not really flattered..."

With that said, he gave Roger a color and said, "Won't you say hello to President Zak!"

Roger hurriedly said, "Hello, Mr. Zak..."

Zak nodded and said, "You two come with me. Master is already waiting in my office."

Regnar hurriedly followed behind Zak and came to Zak's office on the top floor of the hotel.

At this moment, Marven was standing with his hand in front of the glass window of the office.

After Zak brought the people in, Regnar hurried forward, stepped forward, respectfully said, "Hello, Master!"

Roger also learned something, respectfully saying: "Master Ye is great!"

Marven nodded slightly and said, "Regnar, do you know why I am looking for you today?"

Regnar couldn't help but shook his head and said: "Young Master, I really don't know what you are looking for, please tell me."

Marven said indifferently: "I saved the Su family's eldest daughter-in-law and eldest granddaughter yesterday, and then tied Shoude, the second son of the Su family, with my hands. You should have seen these things in the news, right?"

Regnar's body was shocked, and he hurriedly said, "Master Ye, we already know what you said."

Marven gave a hum and continued: "Early this morning, Chengfeng, the head of the Su family, went quietly to Suhang. I guess, this time he wants to go to Suhang to hide from the limelight, but also wants to use Suhang as a frontline position to come to Wrestvel. Investigate these matters, especially the whereabouts of his second son."

Regnar asked hurriedly, "Master Ye, are you going to declare war with the Su family?"

Marven smiled and said, "Declare war? Declaring war is boring. The Su family has always liked to play evil, so naturally, I will not tell them."

Regnar took a step forward on the sea and said with a fist, "Young Master, if there is anything that can be used up or down, please let me know!"

Marven nodded and said, "There is something, I really need your help."

Regnar hurriedly said, "Master Ye, please tell me."

Marven said, "I guess that Chengfeng will take the initiative to contact Suzhou-Hangzhou local big families this time, including your Wu family. They may ask you about the situation in Wrestvel or throw an olive branch at you. Let you become an affiliated family of the Su family and work for them."

Regnar hurriedly stated: "You can rest assured, Mr. Ye, I, Regnar, will look after your head and will never contact the Su family in any form!"

Marven waved his hand: "Don't, I just need you to establish contact with the Su family!"
