

The Amazing Son In-Law Chapter 2531-2540

Chapter 2531

In Marven's view, the Su family is now in a critical crisis, coupled with the fact that they are being cast aside by the people of the whole country, so they must urgently need to add new assistance to their camp.

Moreover, it happened that Chengfeng had gone to Suhang now, so Marven speculated that he would most likely take the initiative to win over Regnar Wu and turn him into a dog of the Su family.

In the eyes of the Su family before, people like Regnar couldn't get into their eyes. Even if he ran to Orgeyon himself, Chengfeng would not give him a chance to meet.

However, this time is different.

The Su family is now isolated and helpless. Whether it is in Orgeyon or Suzhou, they must win over as many new teammates as possible.

Therefore, Marven wanted Regnar to be his undercover agent to see what Chengfeng intends to do.

When Regnar heard this, he immediately understood what Marven meant.

However, his heart is quite worried.

"Marven asked me to go undercover next to Su's house, isn't this just sending me as cannon fodder?"

"If the Su family finds out, why won't they fix my Wu family to death?"

"The Wu family's strength was already a lot worse than the Su family, and after returning to Marven, they paid a lot of shares. Now the family's strength is almost cut in half. How can it withstand the Su family's toss?"

Marven also saw his worries, and said lightly: "Regnar, I always reward and punish for things, if you do things beautifully this time, I will never treat you badly in the future, and you can rest assured that I am here, Su family can't do anything to you."

Regnar is still a little tangled in his heart.

After all, he didn't know Marven's so-called not treating him badly, what benefits he could give him.

And he didn't know, if the Su Family really had to deal with him, would Marven question his life and death.

Seeing that he was still hesitating, Marven said lightly, "Regnar, how about this? If you help me get this thing done, then I will help you cure your son's disease. What do you think?"

Regnar subconsciously said, "Master Ye, my two sons...they...have some unspeakable hidden illnesses, you...you can really cure them?"

Wu Qi was given a psychological hint by Marven. Almost no one in the country knew about the fact that he had to eat extra meals every hour, while Roger Wu had his leg broken before, although he is better now. But he became a lame man, and he could not fully recover in this life.

Marven sneered and said, "What's your son's condition? Orvel almost died at the hands of your men at the beginning. Didn't I save him in the end?"

Yes. Ragnar's spirit was immediately lifted.

He knew that his men had gone to Tianxiang Mansion to kill Orvel and Marven's old father-in-law, seeing that Orvel was about to die in his hands, but Marven rescued him with a rejuvenating pill, which was incredible.

Therefore, he couldn't help but secretly thought: "If Marven is really willing to help, whether it is Roger's legs or Wu Qi's hidden illnesses who has to eat sh!t meals every hour, it can be cured... "

So he asked excitedly, "Master Ye, you...do you really mean this?"

Marven nodded and smiled: "Of course."

Regnar hurriedly said, "My eldest son, he has been limping, and the younger son's mental problem has gone wrong again...Can you cure it?"

Chapter 2532

At this moment, Roger, who stood by his side and dared not speak, couldn't help but get excited.

Marven smiled and said, "No cure is an impossible cure, but I have to put it first. If you help me do this well, I can help you cure one of the problems with your two sons."

As soon as these words came out, Ragnar's expression was a little disappointed, and he thought to himself: "Only one can be cured? Marven, this guy made it clear that he wants to hang me with the sons!"

However, it is better to cure one than to cure none at all.

He really felt sorry for his little son. If he had a chance to cure his illness, it would really make up for his huge regret.

So he immediately agreed and said: "You can rest assured, Master Ye, I will go all out to complete the task you entrusted to me!"

Marven smiled slightly, looked at the time, and said, "Okay, you two should go back quickly. Once the Su family finds you, let me know as soon as possible."

Regnar hurriedly said, "OK, Master Ye!"

Marven looked at Zak Chen and ordered: "Old man, see off the guests."

Zak Chen pointed to the door immediately, made a gesture of please, and smiled: "Mr. Wu, please."

Regnar hurriedly said to Marven respectfully, "Young Master Ye, then I will go back now!"

After all, he took Roger and carefully exited the room.

Zak Chen sent the father and son to the tarmac on the roof of the building. After the father and son got on the plane, Roger hurriedly said, "Dad! If this matter is over, you must let Marven heal my leg! "

Regnar said without hesitation: "Except for your leg being a little lame now, there is basically nothing wrong with it, but your brother is still tortured every day, of course, he must be treated first!"

Roger was anxious, and blurted out: "Dad! I am the eldest son of the Wu family! If I am limping on one leg in my life, where should I put the Wu family's face?"

Regnar sternly said: "Then have you ever thought about your brother? Have you ever thought about how he has been able to survive for so long?"

Roger was also a little anxious and quickly said, "My brother has been used to it for so long. I went to see him in his room yesterday and happened to meet someone serving him to eat. He didn't show any pain. The whole process was normal. It's like a chronically ill patient taking medicine."

As he said, Roger couldn't help saying: "Moreover, I shouldn't say something. The shame of my brother has already been completely lost. Even if he is cured, it is impossible to save ourselves from the Wu family's loss of reputation!"

"After the younger brother is cured, will you let your younger brother come out to take over the family affairs? If that is the case, as soon as he appears in the outside world, outsiders will point him and say that he was eating that thing before and it spread all over the country!"

"In that case, the reputation of our Wu family will be hit twice!"

"But I'm different, Dad!"

"I am the future heir of the Wu family and the future business card of the Wu family!"

"If I appear in front of the public every time, I am a limping man walking, then the Wu family's face will also be damaged;"

"But if I can recover from the beginning and become a normal person, then I can appear in front of the public with a perfect image that is innocent enough and without any black history!"

"When the time comes, our father and son will work together, and we will surely let the Wu family recreate the scenery before!"

Chapter 2533

Roger's words completely moved Regnar.

As a father, he felt that his second son Wu Qi was even more pitiful.

But as the head of the family, he finally realized that if he had the opportunity to cure any of the two brothers, he had to choose his eldest son Roger, which was a more cost-effective thing.

"As Roger said, Wu Qi left an extremely deep impression on the people of the whole country before. This impression can be said to be unforgettable."

"So, even if you take this opportunity to bring Wu Qi back to normal, as long as he appears in the public's field of vision, it will awaken the unforgettable memory of him..."

"After all, he can't go around explaining after healed that he doesn't need to eat that kind of food anymore."

Want to understand this level, Regnar also accepted Roger's proposal.

So, he said: "Roger, we can do this to Marven's satisfaction. Then let him heal your leg first. If there is a chance in the future, maybe we can also ask him to give Wu Qi a cure."

Roger couldn't hide his excitement and said, "Yes, Dad! As long as we follow Marven and do more for him, maybe he will give us a chance to heal Wu Qi."

Regnar nodded and exhorted: "Roger, you must keep this matter secret to everyone. You must never tell it, otherwise, if your brother knows about it, he will definitely hate me."

Roger said hurriedly, "Dad, don't worry! I won't say a word even if he kills me!"

Regnar sighed, "Hey! If your brother doesn't have a chance to heal in the future, you are an older brother, you must take good care of him."

Roger said firmly, "Dad, don't worry! Actually, I've already considered it. When we get through this difficult period, and when Wu Qi's mood stabilizes, we can think about it. He will be sent abroad!"

"When he arrives abroad, he can change his identity and start again, so that there will not be so much psychological pressure. It is best to go to a country with fewer Chinese. This is even better for him."

Regnar was silent for a moment and nodded softly.

He also knew that Roger did this to send his younger brother out so that he could dominate the entire Wu family.

Although there were some disappointments and losses in his heart, he did not show it.

He grew up in a wealthy family, so he understands the conflicts between the wealthy brothers too well.

Among the wealthy, there are few real brotherly affections.

In contrast, tens of billions or even hundreds of billions of assets are what they value most.

Roger wanted to send his younger brother abroad, not out of concern for his brother.

He just hopes that he will never suffer from future troubles.

Regnar didn't point it out, but he said softly with emotion, "Roger, it's not easy for your brother. You, as an older brother, must take care of him a little bit. Let's not say anything else, at least to protect him for the rest of his life Worry-free."

When Roger heard this, he immediately knew that his father understood his intention.

So he said without hesitation: "Dad, don't worry, I will take care of him for the rest of my life."

.....

When Regnar and his son returned to Suzhou, Chengfeng also woke up from his sleep.

After waking up, he immediately called the butler over and asked about the current progress of the matter.

Chapter 2534

The steward replied truthfully: "Master, the influence of video is still expanding. Now it has gradually spread from China to overseas. The overall public opinion situation is extremely detrimental to the family."

"Besides, Zhenhua Du from the Du family has made no less than 10 calls. I didn't dare to answer..."

"Several leaders of Orgeyon also called for questioning. They were very angry about this matter and asked the Su family to give a clear solution. I excused that you were ill and temporarily delayed, but they want you to give a clear statement within 24 hours..."

Chengfeng couldn't help sighing, gritted his teeth, and said: "The short video platform is in the hands of the Ye family. I think it is impossible to engage in public relations. As for the Du family, we don't have to care about him. Zhenhua can do whatever he wants. I won't see him, the big deal is I won't see him in my life."

The butler hurriedly asked, "Master, that leader..."

Chengfeng sighed, "This is what I worry about the most... That Shred actually strapped explosives to take hostages. The impact of this kind of thing is really bad. Now it's all exposed. I have to carry the pot..."

As he said, Chengfeng calmed down and said, "You give my feedback to the leaders, saying that I am recovering from illness abroad, and when my body improves slightly, I will immediately go to them and ask them for forgiveness!"

“OK master.”

Chengfeng rubbed his temples, and asked a little bit weakly, “By the way, which family has the strongest overall strength in Suhang?”

The steward said seriously: “The Wu family should be the strongest, but a lot of things happened to them some time ago, and their strength is lost by nearly half. They were originally the first family in the South, but now they are no longer in the top three.”

Chengfeng nodded and said: “The Su family has been focusing on the overseas market for the past few years, and has not deeply plowed the domestic market. Now is the time to quickly regain the domestic market and network resources, and I may want to stay in Suzhou for a long time, it is more convenient to get acquainted with the big local family. It is better to use this Wu family for our own use.

With that, he asked, “By the way, when will Zynn land?”

The butler checked the time and said, “Master should land around two or three o’clock in the afternoon.”

Chengfeng gave a hum, and said, “In this way, you will meet the Wu family on my behalf, and tell them that the Su family wants to invite them over for dinner at night, but don’t reveal my identity. Don’t let people know that I’m in Suzhou, do you understand?”

The housekeeper immediately nodded and said, “Understood sir! I’m going to contact the Wu family!”

.....

At the same time, Zynn was flying over the Western Pacific in a private jet.

Although he didn’t close his eyes overnight, he was a little excited.

And Zhifei, lying in his car in a complicated mood, had three pictures constantly rotating in his mind.

The first picture is Liona, his mother in the car accident;

The second picture is the younger sister Zhiyu who was also in the car accident;

The third picture is the self after becoming the head of the Su family.

Originally, these three pictures were one after another, one after another, and one after another, they were considered evenly matched.

However, with the passage of time, the first two pictures gradually became a little thin, and the third picture began to firmly occupy the main position.

After talking on the phone with his father Zynn, Zhifei discovered that the position of Su Family Patriarch, and the huge wealth that can be controlled by this position, was too strong a temptation for him.

With a wave of the hand, he can command a superfamily with assets of more than one trillion. This feeling of pointing the country is simply the ultimate power that all businessmen desire!

He analyzed the current situation carefully, and he couldn't help feeling more excited, because he felt in his heart: "The second uncle has disappeared, and grandpa's reputation is completely stinking on the street. In this way, the possibility of the father inheriting the Su family is much greater. My father only has one son, which means that my chances of becoming the Su Family Patriarch in the future are much greater!"

Chapter 2535

In order to win over Regnar Wu, Old Chengfeng Su asked his housekeeper to directly take gifts to visit Wu's house.

The chief butler of the Su family has the same qualifications and status as Leon, and even worse. Moreover, the chief steward represents not only himself but also the head of the family, Chengfeng. Therefore, let the steward visit Wu in person. It definitely gives the Wu family face.

Chengfeng attached great importance to the win over the Wu family, so he asked his butler to visit him on his behalf.

Chengfeng also knew very well that he had become a rat crossing the street right now, and it was impossible for him to return to Orgeyon in a short time.

So he must be prepared to stay in Suzhou for a long time.

This incident gave him the feeling that it was a period of history when the British and French forces invaded Orgeyon in 1860 and the Qing Emperor Xianfeng hurriedly fled to Rehe.

When the British and French forces invaded Orgeyon, Emperor Xianfeng fled in a panic like him.

However, the fate of the Emperor was a bit miserable.

He waited hard for a year in Rehe and didn't have the chance to return to the capital. As a result, he died in the second year after escaping to Rehe. He was only 31 years old.

In order not to repeat the latter of Xianfeng, Chengfeng had already made a comprehensive plan for himself from the moment he fled Orgeyon.

When he came to Suzhou, he wanted to quietly establish a foothold here. Not only would he bring all the top local families in Suzhou over, but also quickly transfer the industries of the Su family across the country to Suzhou to consolidate the family's presence in Suzhou.

He wanted to make this city the second base camp of the Su family.

In addition, he also wanted to hold his eldest son Zynn Su up again and let him serve as the acting chairman of the entire Su Group.

Once Zynn becomes the acting chairman of the board, it means that he has been formally established as the “prince” of the Su family. This will not only allow Zynn to adhere to him honestly but also reduce the outside world’s attention to him to a certain extent.

What he thought was to draw Zynn over, let him be his own puppet, and show his face in the public, while he hides in Suhang to listen to politics, so as to ensure that his power will not be weakened by Zynn.

The entire Su family has been in the hands of Chengfeng for so many years. Whether it is the shares of the group, the voting rights and veto rights of the board of directors, and the management rights of family trust funds, all of them are in Chengfeng’s hands alone.

Therefore, as long as he does not transfer these rights, even if Zynn sits on the position of acting chairman, he cannot have any real power, let alone take this opportunity to seek usurpation.

Moreover, Chengfeng is extremely exquisite. He has already made a will. Once he dies, all the property of the entire Su family will be automatically handed over to the trust fund established by the Swiss Bank for management. The property of more than one trillion, any one of the Su family The children have no right to call, they can only receive living expenses from the trust fund every month in accordance with the rules set by Chengfeng.

As for the standard of living expenses, Chengfeng also set it early. Each of his sons and daughters can receive 10 million per month, and his spouse can receive 5 million per month; his grandchildren can receive 6 million per month. , His spouse can receive 3 million a month. If the grandson has heirs, each heir can receive 2 million a month before the age of 18.

Counting it down, if Chengfeng didn’t change his will before his death, after his death, the entire Su family’s juniors would receive two to three billion in living expenses in one month.

However, the Su family’s assets exceed one trillion, and its monthly net profit exceeds ten billion. No one is eligible to use the remaining money, so it can only be put into the trust fund for profit.

It seems that it is very unfair to these children and grandchildren of Zynn because even if they continue to receive living expenses until they die, the Su family will have more money.

However, Chengfeng had his own plan for the reason why he was so determined.

First of all, this will is here, which is Chengfeng’s amulet.

Because no heir of the Su family would have the intention of murdering Chengfeng.

The reason is that once Chengfeng is dead, not only will they not be able to inherit the position of Patriarch, but their income will be greatly reduced.

Originally, a family can earn tens or tens of billions a year, and they can also get a lot of other resource support from the family, but once the father dies, everyone lies down and receive the dead wages, the family can receive several One hundred million is a big deal, and it shrinks ten times, even tens or hundreds of times.

Chapter 2536

And this will, in addition to the role of amulets, is also equivalent to family insurance.

The ancient emperors were worried about the faint monarchs in their heirs so that they would throw away the sacred land and leave the future generations without blessings.

And these modern rich men are also worried that their offspring will have a prodigal, ruining the family foundation.

Therefore, almost every wealthy man will set up a trust fund, and if his descendants are unwilling to succeed, they will hand over all the property to the trust fund to ensure that the descendants of the family will live forever, and they will always have money to spend and will not lose their property.

Moreover, this rule of relying on the leader for living expenses is particularly easy to stimulate the gang of children and grandchildren to multiply their offspring.

Because, as long as they give birth to one heir, it is equivalent to giving birth to a meal ticket.

What the head of the family is most worried about is the continuation of the incense. If this allows children and grandchildren to have more children, coupled with sufficient trust fund assets, the continuity and development of the family can be more ensured.

For Chengfeng, if his children and grandchildren do not satisfy him, he would not change this will until his death.

But if there are very capable children and grandchildren who can gain their own trust, then there is no time to change the will when he is about to die.

In this way, this old fox can firmly hold the power of the entire Su family and all the initiative in his own hands, and it is impossible for any offspring to threaten his rule over the family.

.....

Here, Regnar and Roger have just returned home. Before the two of them sat hot, Chengfeng's housekeeper came to the door.

Hearing that the chief butler of the Su family came to visit, Regnar's first thought was: "Marven, this fellow, is really amazing! As soon as I came back, this family came to the door!"

Thinking of this, he hurriedly said to Roger: "Son, in order to highlight the importance, you personally go outside to greet him, and invite the chief butler of the Su family to my study!"

Roger nodded hurriedly and walked out quickly.

Regnar straightened his collar and went to his study first.

After a while, Roger walked in with a middle-aged man who was about fifty years old.

As soon as this person entered the door, Regnar greeted him immediately.

Roger hurriedly introduced, "Dad, this is the chief steward of the Orgeyon's Su family, Mr. Anson!"

Regnar immediately said with great enthusiasm: "Oh, Mr. Anson, I have been admiring you for a long time! Please sit down, please sit down!"

Anson nodded slightly, and said with a little smile: "Mr. Wu, I came here today in the place of my lord, and ask Mr. Wu to come to the house for dinner!"

Although Regnar had already guessed the other party's intentions, he still pretended to be flattered and said excitedly: "Mr. Su is going to invite me to dinner?! This...is this true?"

"Of course!" Anson smiled slightly and said, "I wonder if Mr. Wu has time tonight?"

Regnar said without hesitation: "Yes! Of course! Are we going to Orgeyon? If yes, I will quickly get the crew ready for flight!"

Anson shook his head and said with a smile: "Mr. Chengfeng is in Suzhou, and he wants to host a banquet at Suhang's house tonight."

After speaking, he reminded him with a very serious expression: "Mr. Wu, only you father, and son know about the information that my master came to Suzhou. You must remember this matter and never disclose it to anyone!"

Chapter 2537

At four o'clock in the afternoon, Zynn's private plane began to descend over the suburbs of Suzhou.

Seeing that he was about to land at Suzhou-Hangzhou Airport, he called his son Zhifei on his cell phone.

Zhifei, who was involved in this matter, had already driven the car to Suzhou-Hangzhou Airport. He parked the car in the parking lot and stayed in the car waiting for his father's message.

Seeing his father's call, he hurriedly connected and asked, "Dad, where are you?"

Zynn said, "In another twenty minutes or so, I should almost land. Are you there yet?"

"I'm here." Zhifei said, "Tell me after you leave the customs, I will pick you up."

"Okay!" Zynn told him: "Don't forget to wear a mask and sunglasses. Our Su family is too sensitive now. Don't let others notice that we are here in Suzhou."

"I know Dad."

After hanging up the phone, Zhifei quickly put on a mask and sunglasses and drove the car to the main entrance of the airport arrival passage. After waiting for about 20 minutes, Zynn's figure appeared at the exit of the airport arrival hall.

Like Zhifei, Zynn wears a pair of black sunglasses and a disposable black mask.

However, Zhifei recognized him at a glance, and then quickly got out of the car, beckoned to him, and shouted, "Dad, here!"

When Zynn saw Zhifei, his spirit was shaken, and he ran over two steps quickly.

Zhifei also accumulated a lot of negative energy in the past two days. Seeing his father finally came back, he felt a sense of finding support in his heart. He hurriedly greeted him and hugged him.

At this moment, Zhifei could not help but choked up and whispered: "Dad...you finally came back..."

Zynn patted him on the back and sighed, "Hey! Zhifei, Dad is sorry to you, to your mother and Zhiyu. When you needed me the most, I couldn't protect you and be by your side."

Zhifei said sadly: "Dad...Mom and Zhiyu, there is no idea of their whereabouts yet, you must find a way to find them..."

Zynn nodded solemnly: "Don't worry, I will go all out to find your mother and your sister."

After speaking, he looked around, and said hurriedly, "Let's get in the car first, there are too many people here, so as not to attract attention."

"Okay..." Zhifei nodded hurriedly, turned to help Zynn open the passenger car door, and let Zynn sit in first.

When Zhifei returned to the car, Zynn confessed to him: "Drive directly to the West Lake. Your grandfather has a villa on the edge of the West Lake. He lives there now."

Zhifei nodded and said, "Then I will navigate to West Lake first. Give me instructions."

The Su family's real estate in all parts of the country and even all over the world are too many. Almost any larger city will have Su family properties. How many villas the father has, even the father himself does not know. Even Zhifei has never been to the villa in Suzhou.

Driving into the airport expressway, Zynn said to Zhifei next to him, "You'll see your grandpa later, don't wait for your grandpa to apologize to you, you must take the initiative to apologize to him, it's best to be more solemn. Kneel down and apologize, do you understand?"

Zhifei knew that this time when his father came back from Australia, it was the key to his father and his own right to regain inheritance. He couldn't mess it up anyway, so he solemnly said: "I know Dad, don't worry. As soon as I see Grandpa. I will immediately kneel down and apologize to him..."

Originally, Zhifei was considered a man of spine, but in the face of huge benefits, his bones became much softer unconsciously.

Zynn told him again: "This time your grandpa has encountered the biggest Waterloo in his life. Judging from the influence of video, it is impossible for your grandpa to turn over in this life, so this time it is our

good opportunity. If we can grasp this opportunity, on the one hand, let your grandpa see our abilities, and on the other hand, let him see our absolute obedience to him, then we have the opportunity to inherit the entire Su family.”

With that said, Zynn’s words turned and he said, “But if we can’t do it, your grandfather will definitely hand over the entire Su family’s property to the overseas trust fund before he dies. At that time, we can only lead the living expenses per capita.”

Zhifei hurriedly asked, “Dad, how can we make Grandpa recognize our ability?”

Chapter 2538

Zynn said earnestly: “This time your mother and Zhiyu encountered an excellent opportunity. Anyone with a discerning eye can see it. This shows that someone wants to attack our family, and the opponent is extremely capable. It may have been planned for a long time. If we can help your grandfather, catch the black hands behind the scenes, and eliminate all the threats for the family, then we will definitely make your grandfather admire us!”

Immediately afterward, Zynn added: “You have to know that your grandfather has been nailed to the pillar of shame now, and it will be impossible to wash him until he dies!”

“So as long as he can be satisfied with us, and during the period before his death, we have been obedient to him, and while respecting him, we will never challenge his majesty as the head of the family!”

“Then before he dies, he will definitely pass on the position of Su Family Patriarch to me! And as long as we survive until he dies, the entire Su Family will be ours!”

Zhifei nodded quickly, and said excitedly: “Dad, I listen to your everything!”

At around five o’clock in the afternoon, Zhiyu drove the car into a huge manor by the West Lake under the guidance of Zynn.

West Lake is a well-known tourist attraction in the country, and more than half of the area is open to all people, so there are very few lakeside villas here, and the prices are extremely high.

According to rumors, a famous domestic e-commerce boss, a boss named Jag, has a luxurious villa here, which is said to be worth several hundred million.

However, his villa was even worse than Chengfeng’s.

The manor Chengfeng spent 800 million when he started it ten years ago, and another 500 million was spent on renovation and reconstruction. After it was completed, he only came to live for a few days in the spring and autumn of each year.

Zhifei drove into the manor. Butler Anson was already waiting at the entrance of the manor’s main hall.

As soon as he saw the father and son get out of the car, he hurried up to greet them and respectfully said, “Master, Young Master! I didn’t expect you two to come together!”

Zynn hurriedly asked, "Butler, where is father now?"

Anson hurriedly said: "Master has been looking forward to the two, so he told me to wait here early, and said that when you arrive, I must take you to see him immediately."

Zynn hurriedly said, "Then take us there quickly!"

"it is good!"

Anson took the father and son to the main hall of the manor.

In the main hall at this time, Chengfeng, who was somewhat depressed, was sitting in front of the burning fireplace and resting. When he saw his son and grandson coming, hurriedly got up from the recliner, and walked in front, in two steps. The old tearfully said, "Zynn... my son... I... I'm sorry about your family!"

Upon hearing this, Zhifei recalled his father's explanation. Without a second word, he knelt in front of Chengfeng and confessed: "Grandpa...I didn't understand the rules and bumped into you. Please punish your culprit!"

Chengfeng's expression flashed with a look of satisfaction, and he quickly reached out to help Zhifei up, choked up, and said, "Good boy, you're right, it's grandpa..."

"It's grandpa who was so confused that he made such an impulsive decision for the family's face..."

"Furthermore, I was wronged by the gangster again, and was charged with many unreasonable charges..."

Zynn hurriedly stepped forward, helped Chengfeng, and said seriously: "Dad, don't say that. I know well to know that everything you do is for this family!"

Chengfeng nodded with satisfaction: "You two can understand my difficulties, I can really look down upon death!"

Zynn nodded solemnly: "Dad, don't worry, Zhifei and I can understand you very well..."

With tears in Chengfeng's eyes, he solemnly said: "Zynn, I promise you that I will do my best to find Liona and Zhiyu. If Liona is still alive, I will face her and plead for the crime, even if She wants my old life, I am willing to pay it to her!"

Zynn hurriedly said, "Dad, our top priority now is not to find Liona and Zhiyu, nor to find Shoude, but to work together to pull out the enemy hidden in the dark!"

Chapter 2539

Zynn's words came to Chengfeng's heart.

Although Chengfeng took the initiative to apologize to Zynn and Zhifei about Liona and Zhiyu's affairs as soon as he came up, deep down in his heart, he did not want Zynn. The father and son were troubled by this issue.

So Zynn took the initiative to change the topic now, just to cater to Chengfeng's inner thoughts.

So, he hurriedly said, "You are right Zynn, we must work together to find out who is behind the scenes!"

With that said, he asked Zynn: "Who do you think is behind us?"

Zynn subconsciously said, "Dad, I don't think this matter has anything to do with the Ye Family, but I don't have any evidence to prove that this matter is what the Ye Family did. I can only speculate through the short video platform. It should be part of it to a certain extent, and Wrestvel is in the Ye Family's sphere of influence, which is their home court."

Chengfeng nodded and said seriously: "My previous thoughts were similar to yours, but now I feel that the Ye family seems unlikely to have such strength, otherwise, they will not wait until today to start with us."

Zynn fell into deep thought.

He had considered his father's point of view, and he didn't understand it.

At this moment, Chengfeng looked at Zhifei on the side, pretending to be casual, and asked: "By the way, do you have any ideas? In your mind, are there any clues that are more suitable?"

Zhifei hurriedly said, "Grandpa...I...I really can't think of any clues."

Chengfeng nodded, and then pretended to remember something, and said, "Oh, right! You and Zhiyu were in Japan when you met a master? Who is that person? Have you found a clue?"

"No." Zhifei said earnestly: "Zhiyu has always wanted to find her benefactor, but we have tried many methods without any substantial progress."

Chengfeng felt nervous and asked hurriedly, "You met him at that time, could you describe his characteristics, including looks and temperament, to me?"

Zhifei thought for a while, and said, "My benefactor should be about the same age as me, very young, and he must be a Chinese or Japanese Chinese. As for his looks, to be honest, he is very handsome. They are very tough, but still very characteristic."

Chengfeng asked him, "Can you find a professional in criminal investigation to help you make a portrait of a character?"

Zhifei hesitated for a moment, and said, "Grandpa, I thought about the portrait of him, but to be honest, we only had a passing intersection with him, and we were too nervous about what happened that day. So we really don't clearly remember the appearance, if we do it is a little vague...Unless we meet again, we can recognize him at a glance..."

Speaking of this, Zhifei couldn't help asking: "Grandpa, why did you suddenly ask about the matter of this Master? Do you suspect that he is behind it this time?"

Chengfeng sighed, pretending to say with emotion: "I am not suspicious, I am hopeful! I hope that this benefactor will control everything behind the back this time. In this case, I believe that Zhiyu and your mother will survive."

Zhifei nodded lightly and said sincerely: "This Master is a person with great supernatural powers. If it is really like what you said, I believe that it is much more likely that Mom and Zhiyu will be alive, but we have wanted to find him for so long but since we haven't found him, the probability of him appearing in Wrestvel is very low."

Chengfeng smiled slightly: "Even if the possibility is very low, there is still a possibility. We have to think on the bright side of everything. If it is really him, then this incident is actually a misunderstanding. As long as the misunderstanding is resolved, this person may also be used by our Su family!"

After speaking, Chengfeng immediately ordered: "Zhifei, except Zhiyu, you are the only one who has seen the benefactor. He has saved you and will certainly not be malicious to you, so you follow my instructions and go immediately with a high profile to Wrestvel! See if you can bring out the benefactor!"

Chapter 2540

When Zynn heard this, he subconsciously said, "Dad, Wrestvel is very wicked! Young brother disappeared there. If Zhifei passes by with a high profile, I am afraid..."

Chengfeng waved his hand: "Don't be afraid! My guess is generally not wrong! What we have to do now is to lead the snake out of the cave."

Zynn's expression couldn't help being a little tangled.

Zhiyu's whereabouts are still unknown and her life or death is still unknown, so he is really reluctant to let Zhifei go to Wrestvel to take a big risk.

Shoude was so high-profile that he was tied up as soon as he arrived in Wrestvel.

If Zhifei also goes very high-profile, then 80% chance is the repeat of the mistakes of Shoude.

The only possibility of exemption is that the old man is imprisoned. The mysterious man who turned his hands in the clouds and covered his hands in the rain behind Wrestvel is the benefactor who saved his son and daughter in Japan.

Just when he was hesitant, Zhifei mustered up the courage and said seriously: "Grandpa, I am willing to go to Wrestvel!"

Chengfeng nodded in satisfaction and smiled: "As expected of my Su family's eldest grandson! Courage is extraordinary!"

After speaking, he asked, "By the way, Zhifei, I heard that you sponsored a concert before, and it seems to be held in Wrestvel?"

Zhifei nodded: "Yes, grandpa, I sponsored Qiuyi, Miss Gu's global tour, She is well known as Sara in the entertainment industry. Wrestvel is her first stop this year."

Chengfeng smiled and said, "It turned out to be the girl from the Gu family! That girl is also very well-known now, so if you go to Wrestvel this time, you will be able to show up in the public eye in the name of sponsoring the concert."

Zhifei hurriedly said, "Okay grandpa, I understand!"

Chengfeng suddenly had a thought in his mind at this time: "Knowing that this kid, he is definitely not doing nothing idle, and he is not a dude who is not doing his job. Why do you want to do something like sponsoring a concert?"

"Things in the entertainment industry are indeed tall for ordinary people, but for super-class families, it's not even a f@rt."

"How many top stars in the entertainment industry have sharpened their heads and want to marry into these super-class families, but the offspring of these top families are a little bit compelling, and they won't even look at them."

"Knowing that it is Su's grandson if he beckons in the entertainment industry, I don't know how many top female stars will rush forward desperately, but he ran to sponsor the concert of the girl from the Gu family. This is obviously a bit of a drunkard. It's not about wine!"

Thinking of this, Chengfeng's eyes turned, and he planned to give Zhifei a choice.

Therefore, he deliberately pretended to be very sincere and sighed: "Oh, let me just say something from my heart. The girl in the Gu family is still very good overall. Although the strength of the family is a little worse, it is better than the image of other girls. Good, and dignified!"

After speaking, he looked at Zhifei and said earnestly: "Zhifei, you are now at the age of marrying and getting a wife. If you can catch the girl of the Gu family, it would be a good thing for the Su family! "

Zhifei suddenly became excited when he heard this, and blurted out, "Grandpa...you...you support me in pursuing Sara?!"
