

The Amazing Son In-Law Chapter 2571-2580

Chapter 2571

“Maven?” Warnia heard Nanako’s question, and then saw her big eyes full of expectation, she couldn’t help feeling a little bit: “It seems that this little girl’s feelings for Maven are really deep in her bones, but she is Living in Japan most of the time, I really don’t know what she should do in the future.”

Immediately afterwards, she thought of herself again, and could not help but secretly laughed at herself: “I patronized her with emotion, so why am I not the same? Although Maven and I live in the same city, he has married after all. I usually think It is not so easy to meet him.”

Thinking of this, she really sighed and said to Nanako: “I haven’t really seen Maven these days. The last time I saw him was the time I went to Aoxue’s house for dinner.”

Nanako nodded in disappointment, and sighed: “Well, I don’t know if I will have the opportunity to see him more this time...”

Warnia asked in surprise, “Did you not tell him this time?”

Nanako shook her head: “I haven’t told him yet.”

Warnia hurriedly said, “Why don’t you tell him in advance? Would you like me to call him now and invite him to dinner at home in the evening?”

Nanako said with some embarrassment, “I...I actually want to give Maven a surprise...”

After that, she looked at Warnia and asked expectantly, “Sister Warnia, can I trouble you with something?”

Warnia smiled slightly and asked her, “Do you want me to call Maven and invite him to eat at home without telling him that you have arrived in Wrestvel.”

“Yes!” Nanako said with excitement, “Sister Warnia, can you help me?”

In fact, Warnia herself, like Nanako, has been enamored of Maven for a long time.

So, in the final analysis, the two people are actually rivals in love.

It’s just that Nanako was a few years younger than Warnia, and she was pretty and cute. Now she is looking forward to Warnia and her eyes are shining, which makes Warnia feel affectionate.

Seeing her in love, this little cute girl, Warnia really couldn’t bear to refuse, so she said helplessly, “Well, since you want to surprise him so much, then I will trick him into coming home.”

“Great!” Nanako was so excited, she said with excitement, “Thank you Sister Warnia! Thank you so much!”

Warnia shook her head helplessly, she had to admit that this little Japanese girl was so coquettish that she could not resist herself as a woman.

So, she had to take out her phone and called Maven.

At this time, Maven was busy in the greenhouse vegetable garden at home.

The barrels of compost made by Avella years ago are almost decomposed. This organic fertilizer made from leaves, vegetable leaves, and kitchen waste is green and pollution-free and is very suitable for growing flowers and vegetables at home.

Originally, Maven and Avella worked together in the greenhouse at home, but now Avella took over the renovation project of the Emgrand Group and was very busy every day, so Maven took the initiative to take care of all these things.

While he was busy fertilizing, his cell phone kept shaking in his pocket. Maven took out his cell phone. Seeing that it was Warnia's call, he connected and asked, "Warnia, do you have anything to do with me?"

"Master Ye..." Warnia glanced at Nanako and hurriedly said, "I want to ask if you have time to come to my house for a meal tonight?"

Maven had already learned from Zak Chen that Ito Yuhiko was going to stay at Shangri-La today, so he speculated that Nanako would definitely go to Warnia's house. At this time Warnia called to invite him to dinner. It is estimated that she is likely to be with Nanako.

Chapter 2572

However, Warnia did not expressly say on the phone that Maven was not good to directly show that he knew the specific situation, so he pretended to be curious and asked, "Why are you asking me to have dinner?"

Warnia hurriedly said, "That's right. Grandpa said that I haven't had a chance to invite you to sit at home recently, so he wants me to ask you if you have time to come to your house for dinner tonight."

Maven didn't expect that Warnia's remarks turned out to be that Mr. Song wanted to invite him to dinner, and never mentioned Nanako. It was estimated that Nanako wanted to surprise him.

Thinking of the beautiful and generous, gentle and quiet Nanako, Maven inevitably missed her a little, and for a while, the scene of walking with her on a snowy night in Kyoto came to mind.

After a moment of contemplation, Maven said to Warnia, pretending to be confused, "Since it's the old gentleman's invitation, I can't refuse it. Please tell him, I will pass tonight."

Seeing Maven's promise, Warnia said happily, "That's great, do I need to drive over to pick you up?"

Maven smiled and said, "Don't bother, my father-in-law happened to be at home, and I will drive his car over in a while."

“Okay.” Warnia said with joy, “Then I will wait at home for Master Ye to come!”

Warnia bid farewell to Maven, and then ended the call.

Nanako, who was already dancing with excitement, hugged Warnia’s waist and said happily, “Sister Warnia, you are so kind!”

Warnia smiled and said, “Don’t patronize and thank me. This is the first time I lied to Master Ye since I knew him. When you meet him later, you have to explain to him why I lied to him.”

Nanako Ito said with a smile: “Sister, don’t worry, I will definitely explain it. My sister has helped me so much. How can I let my sister carry a scapegoat for me?”

As she said, Nanako Ito said again, “By the way, Sister Warnia, please help me make an appointment with Aoxue. I picked an Akita for her from home and stayed with the accompanying bodyguard.”

Warnia smiled and said, “That’s great. You don’t know how much she like the Akita you gave me. As long as I post the little guy’s photo to the circle of friends, she will definitely like it and leave a comment. Yes, I will let her know!”

Nanako hurriedly reminded: “Then you must tell her to keep Mr. Maven a secret before she comes, and don’t disclose the information about my coming to Wrestvel to him in advance.”

Warnia nodded: “Don’t worry, I will tell her.”

.....

At this moment, Maven saw that it was almost time for dinner, Avella said hello in advance, and did not come back for dinner tonight, so after finishing his work, he returned to the villa.

Viola had already prepared a few dishes at this time, and when Maven came in, she said hurriedly, “Oh my son-in-law, are the things in the vegetable garden finished?”

Maven nodded: “It’s over.”

Viola hurriedly said, “Oh, it’s really hard work for you! Mom is going to make the meal, so you can wash your hands and eat.

Maven said, “By the way, Mom, I have a dinner at night, so I won’t eat at home.”

“Ah?” Viola asked a little surprised: “Why are you going out to eat all of a sudden? Mom has almost prepared this meal, and I have cooked a prairie lamb chop for you!”

While talking, Dave walked downstairs and said in a hurry, “I’m not at home to eat at night, Maven has to come with me and eat with people from the Calligraphy and Painting Association!”

Chapter 2573

Maven was amazed when he heard what the old man said.

“When am I going to eat with the old man?”

Just wondering, Dave kept winking at him, and at the same time urged: “Oh, Maven, why are you still wearing an apron for work? Go back to the house and change your clothes, we will be too late!”

Viola asked at this time: “Dave, you don’t have to do business in that painting and calligraphy association all the time, why do you still get your son-in-law together? How can people have time to socialize with you?”

Dave curled his lips and said, “What do you know? Maven knows Orvel. Orvel is very famous in Wrevel. President Pei of our Painting and Calligraphy Association gives Orvel the most face. It just so happens that the leadership of our Painting and Calligraphy Association is about to change. This time I have to let President Pei run an executive vice president for me. In that case, I will be the second in command of the Calligraphy and Painting Association!”

Viola said with a look of contempt, “You used that calligraphy and painting association all day long. I didn’t see you earn a cent to bring home!”

Dave said disdainfully: “The Calligraphy and Painting Association was not originally a profit organization. This is the elegance among the literati. You do not know a sh!t!”

Viola snorted coldly, “Dave, did I give you a face? I tell you, hurry up and quit that sh!t association! Stay at home honestly in the future!”

“The beauty you want!” Dave blurted out: “The Calligraphy and Painting Association is the second spring of my career. Why should I quit when you say to quit?”

Viola slapped the table: “No retreat, right? Okay, I won’t let you go out of this door today! If you dare to go out, I will go to your Calligraphy and Painting Association tomorrow!”

Dave was in a hurry and said hurriedly, “Are you sick? What do I do to you?”

Viola said coldly: “Stop the fcuking nonsense with me. I and you are still a legal couple. If you irritate me, I will go to the Calligraphy and Painting Association to sue you for messing with men and women! I see if you have any face in the future. Stay there!”

“You...” Dave was a little scared at once, and said hurriedly, “Viola, why are you doing this? I don’t usually provoke you, but occasionally go out to socialize. You have to confront me. What do you mean?”

Viola said coldly: “I’m not against you, I’m just letting you know who has the final say between the two of us!”

Maven hurriedly came out at this time and said, “Oh Mom, Dad has liked antique calligraphy and painting for so many years, and finally found a development opportunity in the Calligraphy and Painting Association, so don’t stop him.”

Viola said seriously, "Good son-in-law, mom tells you the truth, my leg was broken for so long, and your dad, an old guy, didn't care about me even once! Do you think he still has a conscience?"

"Not only that, my legs and feet are uncomfortable. I rarely go out every day. I even use my mobile phone to buy food. He is good. He runs out all day long without staying at home. If I don't care about him, maybe I'm going to get better with which fox!"

Dave was taken aback and blurted, "Viola, don't talk nonsense! There are eight leaders in the Calligraphy and Painting Association, and all eight are men!"

Viola curled her lips and said, "I'll take care of you guys, but I won't let you go in the future!"

Maven said helplessly, "Mom, don't be familiar with dad. If you are bored at home, let dad take time to accompany you every day, take you out for shopping, or do rehabilitation training, but dad is here and really needs a little personal space, so don't interfere too much."

When Dave heard this, he hurriedly said, "That's it! I'll spare more time to accompany you in the future. Is this the head office?"

Viola felt a little better, and said to Dave, "I won't be as knowledgeable as you in the face of my son-in-law, but don't forget what you just said!"

Dave quickly said: "Don't worry, I will never forget it! So, tomorrow I will take you to the China World Shopping Mall. You had no chance to go shopping during this time. You must be tired of staying at home."

Only then did Viola calm down and said, "What you said, remember for yourself, if you dare to let me dove, I will never end with you!"

Dave hurriedly smiled and said, "Don't worry, I will accompany you tomorrow!"

Seeing that Viola had really calmed down, Maven took the opportunity to say, "Mom, if there is nothing else, I will go out with dad first."

Viola nodded: "Go, be careful when driving on the road!"

Dave couldn't wait to say, "Maven, go and change your clothes, I will wait for you in the car!"

Chapter 2574

Maven responded, went back to the room to change clothes, and came to the garage. Dave was already anxiously gearing up on the co-pilot.

Maven sat in and asked him, "Dad, are you really going to have dinner with President Pei tonight?"

Dave waved his hand: "No, I have something delicious with him. This guy has been following my butt to fawn on me, and I don't even bother to care about him."

Maven asked curiously, "Then which one are you singing?"

Dave hurriedly said: "Just now, your Aunt Meiqing said on WeChat that she seemed to have a fever. It happened that Paul went on a business trip again. Your Aunt Meiqing was not taken care of at home, so I wanted to buy some medicine quickly and buy something to eat and take it over."

Maven was taken aback, and immediately asked: "Are you going to Aunt Meiqing's house?"

"Yes." Dave nodded and blurted out: "You drive me over quickly, and then we two will be busy."

Maven didn't think much, he Even nodded and said, "Where is Aunt Meiqing's house? I'll see you there first."

Dave immediately handed the phone to Maven and said, "Here, this is the location, Meilun Villa District."

Maven glanced at it. This location was in the same direction as Warnia's house, and not too far away, so he started the car and drove Dave away from the house.

On the way, Dave directed Maven to buy some anti-fever medicine at the pharmacy, and then directed him to drive to the door of an authentic local restaurant.

As soon as the car stopped at the entrance of the restaurant, Dave hurriedly said, "Maven, you are waiting for me in the car!"

After speaking, he couldn't wait to push the door down.

Seeing this, Maven said hurriedly: "Dad, I'll go, you sit in the car and rest."

As soon as Dave heard this, he said: "Then please help me buy some duck siu mai, and also a pickled Tuk fresh and a millet porridge."

Maven nodded, pushed the door and got out of the car, and entered the restaurant.

He suddenly felt a little worried when he headed out with the packed food.

The old man is going to Meiqing's house.

But Paul is now on a business trip, and Meiqing must be at home alone, and she is now sick again. The old man is going to take care of her at this time. Whether it is real or fake, he is not sure.

In case, if something is taken care of, it might be difficult to end.

Thinking of this, he simply took out a rejuvenating pill from his pocket, scraped off a little powder with the key, and melted it into the millet porridge.

It is estimated that if Han Meiqing drank this bowl of millet porridge, the ordinary headache and brain fever would definitely be fine on the spot.

The main reason why Maven did this was to prevent something that shouldn't happen between the old man and her tonight.

He didn't worry about Han Meiqing's character, but he was very worried about the concentration of the old man, and how determined Han Meiqing was when she was sick.

In case the old father-in-law is taking care of her while thinking about it, and Han Meiqing is physically ill, and still somewhat dependent on Dave psychologically, if the old father-in-law takes the initiative, maybe she will let him take advantage of the void and enter.

Although Maven also hopes that Dave will one day be married to his lover, but he has not divorced Viola after all. If he is really cheated in marriage and is known by Viola, then the family will definitely be furious. Avella and himself have no good life.

Therefore, Maven can only hope that Han Meiqing will immediately recover after drinking this bowl of millet porridge.

In that way, if the old man, really moved his eyes, at least there would be no chance to get in...

Chapter 2575

As soon as Marven drove away with his front foot, Dave became a little impatient and quickened his pace.

In fact, since the time when Meiqing told him on the phone that she was coming back to China, his heart was full of her shadow.

After she returned to China, he ignited the sparks that had been buried for many years.

In the past two to three decades, Dave's happiest moment was the moment when Meiqing came back to cook at home and he embraced her in the kitchen.

However, Meiqing's mentality is very sensible. She knows that Dave and Viola are not divorced, so she has always held a firm sense in her heart and is unwilling to make substantial progress with Dave.

Dave often scratched his head for this, but he never found any chance to breakthrough.

Although He was very useless all his life, he was at least a normal man. He had been looking forward to Meiqing for so many years, not only was he obsessed with her psychologically, but also physically.

Therefore, he has always been eager to relive his old dreams with his first love girlfriend, but the occasions where the two of them have the most contact are at the university for the elderly, so he has always been in estrus and stopped at courtesy.

However, things are different today this time.

Suddenly Meiqing fell ill and had a fever, and there was no one around to take care of her. Dave felt that a woman was the most vulnerable at this time, and she also needed it the most, with solid support.

Coupled with the fact that the two of them have had a past where they were in harmony, and now they still have feelings in their hearts, in this case, it is easier for the sound of the waves to remain.

Therefore, Dave hurried over, looking forward to a breakthrough today.

As for Viola, he didn't bother to think about it, nor did he want to think about it.

After all, in his opinion, Viola is the saboteur of his life. He has no feelings or loyalty towards Viola.

Excited, he ran all the way to the door of Meiqing's villa.

This is a single-family villa with a small footprint but looks very European-style. Dave stood at the door and immediately pressed the electronic doorbell next to the door.

At this time, Meiqing in the villa, wrapped in a thick down jacket, came to the security monitor inside the door weakly. Seeing Dave standing outside the door, she pressed the open button and said, "Dave, I feel really sick, so I won't come out to receive you. Come in by yourself."

Dave hurriedly said, "Meiqing, don't come out, lest you suffer the wind and chill again. I have brought you some food, so I will bring it in."

With that, he hurriedly opened the door of the villa, walked through the small courtyard, and came to the entrance door of the villa.

When Meiqing opened the door, a heatwave rushed into his face.

Dave was surprised and said, "Why is it so hot in your room?"

Meiqing wrapped her down jacket tightly, and said weakly, "I was too cold, so I turned on the floor heating to the maximum, and then turned on the air conditioner."

Seeing her sluggish and pale, Dave couldn't help but said distressedly, "What the hell is going on? Okay, why did she suddenly have a fever?"

Meiqing said helplessly: "Hey, it seems that the weather this year is too humid. Although the temperature is not cold, it is really easy to make people sick..."

Dave hurriedly stretched out his hand and grasped Meiqing's soft hand tightly, and said distressedly: "Oh, why are your hands so hot? Have you taken your temperature? How much fever?"

Chapter 2576

Meiqing said, "I just measured it and it was 39.2 degrees. I took the anti-fever medicine, but it didn't work."

When Dave heard that it was more than thirty-nine degrees, he was even more distressed. He proactively bent down and pressed his forehead against Meiqing's forehead. After feeling for a moment, he blurted out: "Your forehead is really hot, or you Go and sit on the sofa first. I'll get you a wet towel."

Meiqing said embarrassedly, "That's really too much trouble for you, Dave..."

Dave said solemnly, "Are you still being so polite with me? Do you remember that when I was in college, I had a fever and couldn't go to class in the dormitory? You took the initiative to skip class and came over the wall to the boys' dormitory and took care of me for a day. ."

When Meiqing heard this, her expression immediately became extremely ashamed.

She naturally remembered the past that Dave said.

Because that time, it was far more than just Dave's illness and fever.

At that time, the two were in love, but the college students at that time were relatively simple, so they only held hands occasionally, or gave a gentle hug on the riverside where no one was there.

Apart from this, there was basically no further development.

But that time when Dave was seriously ill, Meiqing was really worried, so she sneaked into the boys' dormitory and took care of him in every possible way.

At that time, there were only two of them in the male dormitory. They were originally lovers in love, and suddenly they had such a good opportunity to be alone. Moreover, Meiqing took care of Dave. Naturally, the two of them were in close contact with each other, so they came and went. Let the atmosphere heat up infinitely.

The two were alone for a few hours in that heart-pounding state. Dave's body temperature gradually dropped, but the temperature of affection between the two continued to increase.

Dave was also a passionate young man at the time, so he didn't hold it all at once, so he took advantage of that perfect opportunity to use his body that had just recovered from his illness to take away Meiqing's first time.

Of course, although Meiqing was half pushing and half pulling, but deep down is also completely voluntary.

Although Dave has nothing to do, he is okay and loves to brag and do, but in his bones, he is actually a boring character.

Now suddenly mentioning the past in a serious manner, just deliberately trying to draw the atmosphere to it.

In his opinion, the best thing is to reproduce the atmosphere in the boys' dormitory back in this villa. That would be great for him.

really!

As soon as he said this, Meiqing's pale complexion suddenly turned ruddy!

After all, Meiqing is a woman. At this time, she was naturally ashamed and intolerable and recalling the past that year, the unforgettable scenes in the depths of her memory, unconsciously surfaced in her own mind.

However, she is embarrassed to give any positive response. After all, this kind of thing is indeed a bit too ambiguous.

Dave was actually holding back a little bit of badness in his heart. He deliberately brought up the past, just to see Meiqing's embarrassment.

Because in his opinion, the more shy Meiqing is, the more proof that she still loves him deeply in her heart.

Seeing Meiqing not speaking, he hurriedly laughed and asked, "Meiqing, why are you not talking? Did you forget the period when you went to the dormitory to take care of me? Would you like me to help you carefully recall the memories?"

Meiqing was ashamed and anxious, and said hurriedly, "You...didn't you say to wet the towel for me? Go quickly..."

Chapter 2577

"Oh oh oh!" Although Dave felt a little disappointed in his heart, he still pretended to be suddenly enlightened, patted his head, and exclaimed, "Oh, look at my brain, patronizing the memory of the past, and forgetting the business upfront."

After speaking, he hurriedly said again: "Meiqing, you sit and wait for me first, I'll get you a wet towel!"

Meiqing hurriedly said, "There is a bathroom on the first floor. Turn left in front."

"OK!"

Seeing Dave turned around and went to the bathroom, Meiqing was finally relieved.

In fact, Dave's purpose was very clear to her.

To be honest, Dave is not only her first man but also the man she loves most in her life, so she naturally has some illusions and expectations for Dave in her heart.

However, after all, she is a woman who has received higher education and has been a decent woman all her life.

She knew that even though Dave and Viola had separated, their view of marriage still existed. Based on this, she felt that she could not make a principled error anyway.

Although Viola shamelessly used her body to intervene in her and Dave's feelings, she was unwilling to do the same thing.

Just as she sighed in her heart, Dave had already walked over with a wet towel.

Dave wiped her forehead with a wet towel, and said, “Miqing, I bought you some digestible dinners. After a while, I will help you go back to the room and lie down on the bed. Then I will feed you something. In addition, you have already taken the anti-fever medicine, I believe it will not take long for the fever to go away.”

Meiqing nodded: “Thanks for your hard work, Dave, to be honest, I’m really hungry. I haven’t eaten much all day.”

Dave hurriedly said, “Hey, why didn’t you tell me earlier? You should have told me as soon as you fell ill. In the end, you are fine. If I didn’t ask you on WeChat, you won’t tell me the truth!”

Meiqing said, “I don’t want to bother you either. I thought I can survive it. I didn’t expect it to get worse.

Dave sighed and said with affection: “If you have something like this in the future, you must notify me as soon as possible. I will definitely come here as soon as possible, okay?!”

Meiqing nodded and said gratefully: “Okay...I see...”

Dave was satisfied, and said, “By the way, Meiqing, where is your temperature meter? I’ll take your temperature again to see if it has improved.”

Meiqing nodded, pointed to a thermometer on the coffee table, and said, “Before you came, I wanted to take another test, but I really don’t have any strength in my body. I can’t shake the mercury thermometer, so, please. Give it a shake...”

Dave hurriedly reached out and grabbed the thermometer in his hand. While shaking it, he said distressedly: “Hey, I really didn’t know that Paul was on a business trip. Otherwise, I must have come to see you a long time ago. You are sick at home. What can I do if there are three long and two short...”

As he said, he handed the thermometer to Meiqing, and said, “Clip it quickly. Next time, I will buy an electronic thermometer to avoid inconvenience for you.”

As soon as he finished his speech, he remembered something, and hurriedly changed his words: “Don’t buy electronic ones. Electronic ones are not as accurate as mercury. If you can’t shake it by yourself, ask me and I will help you.”

Meiqing nodded moved.

She was naturally very pleased with the thoughtfulness of Dave in her heart, especially when she was sick, she suddenly didn’t know where the sense of dependence grew.

So she said with a bit of shyness: “Thank you, Dave.”

Chapter 2578

Dave smiled and said, “You still have to say thank you to me? Didn’t you take care of me like that back then?”

When Meiqing heard this, her face turned red.

She whispered helplessly: "It's all about old and rotten grain, so don't always talk about it..."

"That's how it works!" Dave said emotionally, "I won't forget what happened that day, even if I die. I have wanted to tell you for so many years that I just didn't have a chance. I finally took a chance. You didn't let me. Say....."

Meiqing also said helplessly: "I didn't let you say...I am...I am..."

Speaking of this, she didn't know how to continue on this topic, so she sighed and said, "Hey, I just think that if you run to me so late, Viola will definitely be angry if she finds out. , Or you still go back quickly, lest Viola will be unhappy."

When Dave heard her mention Viola, he snorted coldly, and said, "Don't mention that shrew in front of me. If it weren't for her, how could we two become like now? Maybe we both Already married and have two or three children!"

Meiqing smiled helplessly and said seriously: "Some things are fate, and Viola may not really be to blame..."

"Of course it's her!" Dave said annoyedly, "I hate her as long as I think of you these years!"

After that, Dave waved his hand and said, "Okay, let's not mention her anymore. It's too disappointing to mention her!"

Meiqing said, "I guess if I rest in bed for a while, I should be able to recover slowly. If you have problems at home, you should go back sooner to avoid problems."

Dave did not expect that when he arrived at Meiqing's house, she couldn't wait to let him go home.

This made him a little bit hurt.

However, he quickly blamed all of this on Viola, and thought to himself: "Meiqing wants me to go back. It's definitely not that she doesn't want to talk to me, but that she is afraid of Viola bltch! Viola stinky lady is really is haunting him everywhere!"

Thinking of this, he snorted angrily and said, "I won't go! I won't go anywhere until you recover! What about Viola? I don't bother to pay attention to her at all. In my mind, she still is not as important as the thermometer in your armpit!"

Meiqing didn't know how to return him at once.

At this time, Dave checked the time and said hurriedly, "Five minutes, show me the thermometer."

Meiqing took out the thermometer carefully and handed it to Dave.

Dave glanced at it, then heaved a sigh of relief, and said, "It is 39 degrees right now. You measured it at 39.2 degrees, right?"

Meiqing nodded.

Dave said happily, "It has dropped by 0.2 degrees. Although the decline is not large, at least it has begun to decline. I guess, if you lie down and eat something, take a good rest, you should be able to get better. , I will help you upstairs!"

Meiqing hurriedly said, "Or don't toss and lie on the bed and eat. I'll just have a bite here."

When Dave heard this, he hurriedly waved his hand and said, "How can that work! Are you uncomfortable? Sitting here will only make you feel more uncomfortable the longer you sit. Come, I will take you to bed and put two pillows on your back. You will feel comfortable. As for eating, there is nothing to worry about, I will just feed you!"

Meiqing hesitated for a moment. Seeing Dave's expression firm, she nodded and said, "Then...that will do it...you can help me to the elevator..."

Dave was overjoyed and couldn't help but sighed secretly, "Haha, here's an opportunity!"

Chapter 2579

Seeing Meiqing promised to send her to the bedroom, Dave was so excited that he bloomed.

Ever since Meiqing came back, he has been looking forward to having the opportunity to relive his old dream with her, and today is finally beginning to look forward to.

On weekdays, Meiqing is beautiful and dignified, and very independent. It is not easy to approach such a woman.

But Dave knew in his heart that no matter how strong a woman's heart was, she would immediately become soft who needed a man's protection as long as she was sick for a lifetime.

At this time, no matter how powerful a woman is, she will remove her defenses.

Dave graciously helped Meiqing into the elevator of the villa until he reached the third floor.

After Meiqing directed Dave to send her into the bedroom, she lay on the bed with the help of Dave.

Dave graciously helped her put two pillows behind her so that she could comfortably lean against the soft head of the bed.

After Meiqing lay down, she said weakly to Dave, "Dave, I'm still very cold. Please help me cover the quilt."

Dave said earnestly: “Meiqing, you have a high fever right now. It’s definitely not good to be wrapped in a blanket. It is not conducive to dissipating heat. Maybe your body temperature will get higher and higher.”

Meiqing nodded, and said helplessly: “But I really feel very cold now, from head to toe, the whole person has been swaying non-stop, please help me to cover the quilt...”

Dave sighed and said, “Let’s do it, I’ll cover the quilt for you first to keep you warm, and then I’ll go to the bathroom to put a jar of warm water for you while keeping the water while feeding you something. You’ll take a bath in the bathtub in a while.”

Meiqing asked suspiciously, “Can I take a bath if I have a fever?”

“Of course.” Dave said: “Fever is actually the most important thing to cool down. Taking a warm bath can quickly help you cool down your body temperature and relieve fatigue to a great extent! Trust me, I won’t harm you.”

What Dave said is also the truth. Whether it is an adult or a child, taking a bath can effectively lower the body temperature in the case of fever, but it depends on the situation. If the body is too weak, it is naturally inappropriate.

Dave asked Meiqing to take a bath, on the one hand, out of concern, on the other hand, he also thought that he could draw the distance between the two closer, and even make a final breakthrough.

After all, if a weak woman wants to take a bath, he must help her before and after. In that case, it is definitely the best time to launch a further offensive.

At this time, Meiqing didn’t think too much, she just felt that it was too uncomfortable. She was suffering from the bone-to-shoulder cold that can only be felt when she had a fever, and she was also suffering from various discomforts caused by the high fever. She was very painful. Seems to make some sense, so he nodded and said, “Thank you, Dave...”

Dave said diligently: “Oh, you are welcome, you wait, I will put the water for you first.”

After that, Dave hurried to the bathroom, opened the mixing valve of the bathtub, and tested the water temperature, and found no problem. He quickly got out of the bathroom and said to Meiqing on the bed: “Meiqing, I’ll feed you first. Eat something, it will make you resistant!”

Meiqing nodded weakly and said, “I have a fever, and I don’t seem to have any appetite or taste anymore. Or you can feed me two bites of millet porridge.”

“Okay!” Dave hurriedly said: “Millet porridge is rich in carbohydrates. This kind of time can replenish energy, and the most important thing is that it also nourishes the stomach. It is most suitable for sick patients. You don’t know, to buy this bowl of millet. I ran to several restaurants.”

Meiqing said touchedly, “Dave, I made you bother...”

“It should be!” Dave quickly opened the lunch box containing the millet porridge and took out the soup spoon given by the restaurant. He first took a spoonful by himself, took a bite, and said, “Well, the temperature is right. Come, Meiqing, eat more while it’s hot!”

Chapter 2580

With that, he hurriedly took another spoonful and handed it to Meiqing’s mouth.

Although Meiqing didn’t have any appetite, she thought of having to replenish energy and nutrition when she was sick, so she forced herself to open her mouth and ate a spoonful of millet porridge.

What surprised her was that as soon as this millet porridge entered her abdomen, she felt an extraordinary flow of heat, flowing into the stomach along the esophagus, dissolving in the stomach, and then making her feel the whole body warm.

This warm current is very rare for Meiqing, who has been feeling cold all the time. She felt a lot more comfortable in an instant. She couldn’t help but exclaim, “Dave, this millet porridge is really comfortable to consume!”

Dave smiled and said, “That is! I don’t study all kinds of health knowledge at ordinary times. I already have experience! You used to stay in the United States often, and your lifestyle is probably Westernized. They know to take medicine, but they don’t know to drink a bowl of millet porridge. This is the wisdom of our ancestors!”

As he said, he handed the soup spoon to Meiqing’s mouth again, and said with a smile, “Meiqing, hurry up and eat two more bites!”

Meiqing nodded. The bite of millet porridge just now made her feel that her whole person’s spirit has been restored to a certain extent, so she took another bite without hesitation.

It stands to reason that the effect of this rejuvenation pill is indeed very strong.

A rejuvenating pill can heal people who are dying on the spot, and it is simply a peerless remedy for healing and saving lives.

Therefore, to deal with Meiqing’s fever and cold, it is simply an anti-aircraft gun hitting mosquitoes.

However, although the effect of this Pill was very strong, Marven also deliberately controlled the dosage.

He just scraped off a little bit of powder from a rejuvenating pill and put it into the porridge. The amount of medicine was originally small. Then, when diluted by a bowl of porridge, the effect that can be really eaten with every bite is actually minimal.

But even so, having two mouthfuls of porridge made Meiqing more comfortable.

As a result, her physical and mental state became better and better before she knew it, and her appetite improved. After a while, she drank a bowl of porridge completely.

Seeing that Meiqing had eaten so much porridge, Dave's complexion improved a lot. He sighed with great relief, "Meiqing, I think your complexion has improved a lot!"

Meiqing asked, "Really? I feel much better myself..."

Dave laughed and said, "Don't tell me, this millet porridge is effective. As the old saying goes, whole grains are the most nutritious!"

As he said, he thought of the bathtub still filled with water in the bathroom, and hurriedly said, "Miqing, you just finished a bowl of porridge, so you can relax in bed first. I will check if the water is ready. Come and help you in the bath."

Meiqing nodded: "Okay, you go, thank you, Dave!"

"What are you polite?" Dave smiled and waved his hand, quickly put down the tableware, and stepped into the bathroom.

As soon as he entered the bathroom, he rubbed his hands in excitement.

I couldn't help feeling: "Oh! It seems that I and Meiqing have been separated for almost thirty years! Thirty years, today I can finally relive the old dream with her!"

Thinking, he strode to the bathtub. At this time, the bathtub was half full. He stretched out his hand to test the temperature of the water. Whether it was hot or cold was just right.

So, he hurriedly turned around and got out of the bathroom, and while walking out, he said happily, "Miqing, the water is ready, you go and soak...er...I...I Go ahead..."
