

The Amazing Son In-Law Chapter 2711-2720

Chapter 2711

When Zynn heard this, the whole person shuddered!

He really did not expect that his two daughters were actually still alive!

Moreover, they were both saved by Marven!

In this way, if Marven Letting his life be exchanged, what should he do?!

He really feels guilty for his two daughters, and he really hopes that the two daughters will be safe, but he is also a human! He didn't live enough! He didn't want to die either!

The thought of this, he was suddenly having a shiver, choking: "Yep, I swear to God, I did not kill your parents, it really has nothing to do with me ah.

Then he quickly added, "I say something to from heart. In the first half of my life, no matter what I did, I was crushed by your father. His unworldly talent was recognized and admired by the entire city and even the entire China.

Speaking of this, He darkened, and sighed: "What about me? What am I? I am just the eldest son of the Su family. Not only I was just inferior to him in every aspect, but even the beloved woman has also always loved him deeply, even if he died. I also live in his shadow all the time, this shadow has enveloped me until now! Until now!"

Liona on the side heard this, her expression suddenly felt a little guilty.

Zynn continued crying bitterly and continued: "Although I never admit that Changying is better than me for so many years, I know very well in my heart that I know that Zynn is not better than Changying! That is a hundred thousand worse than Changying! Eight thousand miles! With my ability, how could I kill him?!

"When he was alive, I really hated him to the bone, but think about it, if I could kill him, why didn't I kill him when he was radiant? Why didn't I kill him when he was standing on top? Why should I wait for him to retreat before doing anything to him?

Marven saw that he was emotional, and said these words almost like confession and venting, and it was also from his heart. Realizing that, looking at it this way, Zynn should really not be the murderer of his parents.

It's not just Zynn's performance that doesn't show any clues.

Even more, because his words do have some truth.

Marven thought: "He must hate my father.

“So, if he had that ability, he must have done it as early as when his father was so radiant and completely covered up.

“He won’t wait until my father retires before doing it.

“This is not illogical!” Moreover, people say that father was a talented person, but Zynn couldn’t even touch the side of a talented person, if The father really died at the hands of such a villain, and that would be a great insult to his father!

However, even if Marven determined that Zynn was not the murderer of his parents, he still did not intend to let him go.

Nothing else, Only for the three words Anti-Ye Alliance.

Even if these three words did not ultimately cause the death of their parents, but Zynn has been against his father all year round, this is also an indefensible offense and sin!

So, just for these three words he must also make Zynn pay for it!

So Marven said coldly: “Whether my parents’ death has nothing to do with you? It doesn’t matter anymore, because as you said, your life is not about to come to pay tribute to my parents, but to exchange for your two daughters! Even if the death of my parents really has nothing to do with you, since Zhiyu and Ruoli have stood here intact today, you must also...

Damn it! Zynn’s face turned ashes when he heard this.

Yes. “

Marven was right. “

Leave aside his parents. he said it himself. I am willing to use my own life for the lives of my two daughters. I have already disappointed my two daughters. I can’t let them down anymore.

But

Thinking of this, Zynn felt even more pain in his heart.

He didn’t want to die.

Ten thousand times he doesn’t want to die.

On the one hand, he didn’t want to let the two daughters continue to be disappointed, and on the other hand, he didn’t want to die like this. He suddenly didn’t know what to do.

Seeing him lower his head without saying a word, Marven immediately asked with a sarcasm: “Why, you want to regret it now?

“I, I don’t.” Zynn blurted out.

Marven asked, "Then how do you want to die? Are you going to die yourself or do you want my help?"

Zynn was speechless, and his whole body twitched and trembled violently.

Chapter 2712

At this time, he didn't know what to say.

Saying that he is dead? Marven is likely to force him to commit suicide.

Say let him help? Then maybe he just shot himself down.

But, both daughters are here, should he go to Marven to beg for mercy? Doesn't it mean that he broke his word again and threw the two daughters again? Behind his head?!

Extremely entangled and afraid of death, Zynn collapsed to the ground as if he was paralyzed. He only knew how to cry, but couldn't say a word at all.

Zhiyu looked at him and looked down upon him, but she also couldn't bear it.

She is actually not afraid of her father going back.

Anyway, she was already very disappointed with her father, and there was no need to let him die at this time.

So, she hesitated for a moment, knelt in front of Marven with a puff, and choked up: "Master Zhiyu begs you to forgive my father.

Ruoli is actually the same as Zhiyu.

Disappointment is really a disappointment.

But the blood is still there.

This man who is limp on the ground is still her father.

Even if he is as timid as a mouse, even if he is addicted to money, he is still her father.

He has never harmed her himself, so how can she expect him to die?

Think of it, she immediately knelt down and pleaded: "Master Ye, beg you to spare.

Liona had a complicated expression and knelt on one knee. She said piously: "Young Master Ye, as Zynn's wife, I have been thinking of others in my heart all these years. I really owe it to him. Although he has sinned in all sorts of ways, he is sinful I know. Please let him go.

Zynn really didn't expect it to be like this.

He didn't expect that his two daughters and the wife who was determined to divorce him would kneel on the ground and beg Marven to go around him.

At this moment, his heart was truly guilty.

He covered his face and lay on the ground and wept bitterly, because he really wanted to survive, so he had no face to see his daughter and wife, and could only wait for Marven's sentence.

Marven also hesitated at this time.

Hesitate whether to kill Zynn or not.

If you kill him, there are other sons in the Su family. It is said that the five sons, eldest and second child of the Su family are gone, and there are also the third, fourth, and fifth sons.

If he doesn't kill him, he can't swallow the tone of the Anti-Ye Alliance alone.

At this time, he glanced at Zhiyu and suddenly said: "Zhiyu, if you want me to spare him for not dying, you must promise me two conditions.

Zhiyu said without hesitation: "Please, please. Say it, Master!

Marven sternly said: "The first condition, no matter what method you use, you must inherit the Su family within three years!"

After hearing this, Zhiyu was shocked and she never thought about inheriting the Su family. What's more, even if she thinks about it, she doesn't have a chance. Don't say she is a female, even if her father is the eldest son, he hasn't inherited the Su family for so many years. How can she achieve this goal in three years?

But, one-thinking about it. The father's life and death, she could only bite the bullet and promise first, at least to save her father's life, so she blurted out: "Okay, I promise the second condition?"

Marven said coldly: "The second condition, On the day of inheriting the Su family, the old dog Chengfeng must be handed over to me."

"Before you hand that old dog to me, Zynn's life temporarily exists with me, waiting for you to hand over Chengfeng to me. I will return Zynn to you!

Chapter 2713

When Zynn heard that Marven would detain himself for three years, and he had to be exchanged with his father before he could get his freedom back, he suddenly panicked.

Just as he was about to speak, Zhiyu on the side asked, "Benevolence, you targeted my father because of the Anti-Ye Alliance back then, but what did my grandfather do?"

Marven smiled slightly and said seriously: "I have three reasons for your grandfather.

First, judging from your grandfather's absolute right to speak in the Su family, although your father was in charge of the Anti-Ye Alliance at the time, it must be your grandfather who was really behind it!

Zynn, who heard this, nodded in tears!

Marven's words came to his heart.

In the Su family, the prerequisite for anything to do must be the old man nodded in agreement, otherwise, who dare to make self-determination. Therefore, even though the Anti-Ye Alliance was on its own, but in essence, it was the old man behind.

At this time, Marven looked at Ruoli and continued: Second, I don't like your grandpa's acting style!

"This old dog is too vicious. People say that tiger poison still doesn't eat children, but your grandfather, the old dog doesn't care about it. Whether you are a granddaughter, a daughter-in-law, or even a son, he can take it out at any time. The sacrificed ghost, such a person, shouldn't leave him in charge of the Su family, otherwise I still don't know how many people will be entrapped by him."

And then he looked and said further:" Of course, your father is not a good man, I heard several dozen Heaven Matsumoto beloved family were murdered under his command?

Zynn didn't keep track and looked down and dared not to speak, but he was still trembling with nervousness.

Zhiyu was also a little ashamed. Her father made this decision, and she was shocked for a long time. Although to a certain extent, she could understand her father's heart to avenge her and her brother, but she really did not expect that he would give Ruoli such a cruel order.

Ruoli was even more ashamed.

After all, she was the one who executed the order to destroy the Matsumoto family.

Marven continued at this time: "Third, if you don't hand over your grandfather to me, how can you sit down as the head of the Patriarch? As long as he is still there, he will definitely not let you succeed. This person will never let others succeed before he dies. He won't put the right to others!

Zhiyu was shocked when she heard this. She understood that Marven wanted her grandfather for her own future and safety considerations.

Thinking of this, she was silent for a moment, lightly she nodded lightly and said, "My dear master, I promise you!

Zynn heard this and hurriedly asked: "Mr. Ye, before Zhiyu hands my father into your hands, how about me?

Marven said lightly: "I have already thought about it. I just met a new friend yesterday. His conditions are pretty good and he can send you to experience life.

Zynn quickly pleaded, “Mr. Ye, please raise your hands high. Don’t send me to a kennel, black coal kiln, or Changbai Mountain.

Marven smiled and said, “Don’t worry, I plan to send you abroad. Take a vacation and experience the exotic atmosphere.

Zynn felt a little in his heart and blurted out: “Mr. Ye, I don’t know which country you want to send me to?

Zhiyu, Ruoli, and Liona also looked at Marven nervously.

Everyone was afraid that Marven would suddenly say something unpleasant. Speaking of a third-world country in Africa, if he is sent to Congo, Zimbabwe, or Liberia, which are the world’s poorest countries, he will really have inexhaustible suffering.

Thinking of this, Zynn couldn’t help but plead. “Mr. Ye, please don’t send me to Africa. I’m old and can’t bear the kind of tossing.

Marven heard this and said with a smile: “Mr. Su thinks too much, I don’t have much to do in Africa, even if there is no suitable place to send you in the future.

Chapter 2714

Zynn was finally relieved.

In his opinion, as long as he doesn’t go to Africa, he is basically justified.

Even in Myanmar and Cambodia, all aspects of conditions and security are better than those in Africa.

So, he hurriedly asked: “Mr. Ye, where are you going to send me?

Marven smiled slightly and said one word faintly: “Syria!

Zynn felt a buzz in his mind when he heard these three words. A huge force hit his forehead.

He panicked and murmured: “Syria?! Isn’t that a war-torn country?! Going to such a place at this time, can safety be guaranteed?

Zhiyu blurted out nervously: “Master, the situation in Syria is turbulent, not only in the country, The opposition and other armed forces, the United States also seems to have frequent military operations. It is too dangerous. Can you change the place?

Marven shook his head: “I don’t have to change, go to Syria.

Seeing that Zynn was very nervous, Ruoli comforted: “Don’t worry too much. Although the situation in Syria is relatively turbulent, the capital Damascus is still relatively safe, and the opposition and other armed forces have not attacked there. With that, he added another sentence: “Damascus has a long history, and its modernization progress is pretty good. After all, Syria’s per capita GDP is not low.

Zynn heaved a sigh of relief when he heard this. Although he had never been to Damascus, he felt pretty good when he heard that.

As a result, he not only secretly thought: In his impression, although Syria is a country of war all year round, it is not very poor, after all, it is also a middle-income country.

'If I go to the capital Damascus, I can also experience the exotic customs. If Zhiyu can really become the Patriarch of the Su family, then I will be the Patriarch's father, and I will be able to continue living the life of the Master when I come back! Thinking of this, he is very happy. He hurriedly said: "Since Mr. Ye made such an arrangement, I will say nothing."

Marven looked at Zynn and said with interest: "Oh yes Mr. Su, I forgot to tell you that my friend is an armed leader of the Syrian opposition. He just beat the government forces a few days ago. He won the battle, there is something indeed, and he is someone who has studied in China for many years, speaks Chinese very well. After you go, it will be more convenient to communicate with him."

Marven said again. "But after you arrive in Syria, you must be careful. Once the war starts, you must protect yourself. The guns are eyeless, so don't be injured by mistake.

Zynn immediately collapsed when he heard this: "What?! Opposition? ! Yep, you let me go to the armed opposition what to do ah?!

Marven smiled and said:?! "Do not say to send you experience life past experience, you have seen pampered living for so many years, may wish to change the living law

Zynn panicked and said: "But if your friend loses, what should I do? Maybe I am going to die there."

Marven thoughtfully said, "You really have some truth in what you said, right? , Do you have any U.S. dollar assets that you can call overseas?

Zynn thought for a while, and said: "Most of the assets of the Su family are under the hands of the old man, but I can also transfer tens of millions of dollars, the amount is not large, he Can't find it.

Marven said immediately: "Very good, then when you arrive in Syria, transfer the money to my friend by the way, as it is to support his revolutionary cause.

Chapter 2715

Marven has just returned from Hamid, so he is very clear about Hamid's current situation.

Hamid must be very short of money.

The two-thousand-man army, without exception, is a master who only spends money but does not make money.

Those helicopters, and those armored vehicles, once started, are even more money-burning machines.

With so many people, so much equipment, people fed by horses, it's all money.

Moreover, the spheres of influence of these opposition parties are generally limited to those in remote areas and endless hills and nests. There is no way to make money at all, so they can only rely on the siege of the city or the funding of foreign capital.

In fact, Marven also has a lot of spare money in his hands, and it is not a big deal to really spend tens of millions of dollars or even hundreds of millions of dollars to fund Hamid.

If this brother wins the revolution in the future, he may be able to get a big return from his small investment.

But Marven was more mindful.

The business like Hamid's is part of the internal affairs of other countries, and generally speaking, normal countries will not interfere, let alone individuals.

If he directly funds Hamid, there will be traces of the fund exchanges. In the future, if someone makes a big fuss about this and says that they are interfering in other countries' internal affairs, it will be more or less trouble.

It happened to meet Zynn to send him to the door, so Marven planned to use him to give Hamid a favor.

Sending Zynn over, ask Hamid to find an errand for Zynn, watch him 24 hours a day, let him stay honestly in Syria, and ask Zynn to treat Hamid with tens of millions of dollars. Hamid must have remembered his own favors and regarded it as his own investment in his revolutionary cause.

As for whether the Su family will get into trouble because of their financial dealings with Hamid in the future, it is not something to worry about.

Therefore, he immediately said to Zynn: "Give you two hours to prepare. At least 50 million U.S. dollars must be prepared. I will arrange a plane to take you to Syria. Before you arrive in Syria, the 5,000 U.S. dollars will have to be paid to my friend's account. On, otherwise, when you arrive in Syria, I will let them tie you to the armored car for 24 hours. The two girls of the Su family have very embarrassed expressions.

Marven doesn't seem to care that they will get angry after hearing these insults to their father. They will be dissatisfied.

After listening to Zynn, he was scared into a cold sweat, and blurted out: "Mr. Ye, I can give the money, but can you not let me go to the front?"

Marven nodded, and said: "In this way, I will introduce you Let's take a look at the specific price range and service details of this Syrian holiday package.

Zynn looked dazed.

"Why are there packages? What is Marven doing?"

Marven was depressed and confused. He said: "First of all, the basic package cost of this Syrian vacation package is 50 million U.S. dollars, as I have just said.

"However, for the US\$50 million, you can only enjoy the most common meals and accommodations in the local area. I estimate that most of your time is to eat some noodles. If it is good, you can eat meat once in two or three days. As for accommodation, it is usually Earth house, but your minimum package does not include indoor accommodation, and you can only live in the cowshed over there.

Zynn has a dead heart.

"This black-hearted Marven! 50 million dollars, he doesn't even have meat to eat every day?

"That's fine! The point is that you can't even live in a dirt house? You can only sleep in the bullpen? Is that still alive?

Marven continued at this time: "If you add an additional 10 million US dollars, choose 6000 With a ten-thousand-dollar package, the meal can be upgraded to one meal a day. As for the accommodation, it can be upgraded to a windowless cellar room.

Chapter 2716

Zynn's eyes were almost falling out.

He cursed with indignation in his heart: "This beast, his heart is so fu(king black! millions US dollars, one meal a day, living in a cellar without windows?! Is this the fu(k life?"

Thinking of this, he Sobbed: "Mr. Ye, this service is too bad, can you give me a better set meal?"

Marven said helplessly: "You can only make tens of millions of dollars? Such a small amount of money, too. You can only enjoy this kind of service stalls.

Zynn hurriedly waved his hand and said: Mr. Ye, as long as the treatment is better, money is not a problem!

Zynn now wants to understand. In the past, the Su family had a lot of accounts, and he didn't dare to mess up privately. He must have the old man's nod and he must agree, but that's because the old man would regularly check the accounts of the financial audit. The embezzlement of the Su family's public funds will not only hide him in the black shadow but also cause great trouble."

But, Marven asked him this time. Syria thing over and over again, it would be a dead cert, and this guy is absolutely impossible to have any room to relent.

'Now have to go, he goes after that his progeny will inherit the Su family. If she can't inherit the Su family, then he definitely will be unable to come back. If he doesn't come back, then the old man will trouble him? Knowing that if the girl inherits the Su family, then after he comes back, he will not be afraid that the old man will trouble him, because he must have been in Marven's hands at that time!

"In other words, even if he is not in Marven's hands, the daughter becomes the Su Family Patriarch, but it is the turn of the old man to trouble him?!

Thinking of this, he hurried to Marven and said, "Mr. Ye, you can just tell me what the highest package is and how much it costs. I will try to figure out how to deal with the money. Anyway, I won't be able to come back after looking at it for a while, so I'm not afraid that the old man will find me.

After the calculation, Marven smiled and said, "You said that earlier, and I will introduce you to our luxurious package.

As he said, he immediately introduced: "The cost of the luxury package is 100 million US dollars. There is wine and meat every day, and a small yard with independent dry toilets will be given to you. This will ensure that your privacy will not be disturbed. It is absolutely The local service is the highest standard. How about it Mr. Su? Would you like a set?

Zynn thought of being able to eat full rice, have meat, and live in a small yard by himself. It sounds better than the cowshed and cellar just mentioned. It really got better, so he gritted his teeth and said, "Okay! That's it!

Marven smiled slightly and said: "Then wait a moment, I'll call that friend of mine.

After speaking, a call was made to Hamid.

Hamid received Marven's call and asked with some delight: "Brother Ye, you should have already returned to China, right?

Marven smiled and said, "I'm back.

Hamid sighed with regret. Hey! It's a shame that I didn't improve my relationship with you this time! Brother hasn't had time to thank you!

Marven said with a smile, "It's just a matter of hand, don't be so polite.

Hamid asked hurriedly: "Brother When do you have time to come back?

Marven wondered who would go to the place where birds don't shit.

However, he said politely: "Don't worry, brother, if there is a chance, I will pass by.

After speaking, Marven said: "By the way, I called, I want to ask you for something.

Hamid said without hesitation: "Brother, if you have anything, please give me orders!

Marven smiled and said: "That's right. I want to send a friend to you to experience life. After he's sent, I have to trouble you brother. You arrange for someone to take care of him. In short, you can't let him escape.

Hamid is also a smart man, almost immediately After understanding Marven's meaning, he hurriedly said, "No problem! I have all soldiers with guns and live ammunition. Even if it is a fly, I won't let it fly away! Just send him over!

“That’s great.” Marven said with a smile: “I am embarrassed to trouble you so much. You will give me an account later, and I will arrange for someone to send you some money!”

Chapter 2717

When Hamid heard that Marven was going to send money to him, he immediately said nervously: “Oh, my brother, you can’t help me like that. You cured my leg. This is already a great kindness. How can I still ask for your money?”

Marven smiled and said: “Aren’t you short of money? People who eat horses, guns, and ammunition have to spend money, and I can help as much as I can. Brother, you don’t have to be so polite with me.

Hamid still wanted to decline, but Marven said firmly: “Brother, if you don’t hold this money, you just don’t treat me as a friend, then you won’t have to contact me anymore.

Hamid heard that, at once without hesitation:!!! “Buddy If so, then I’ll respectful than from life such as your friends came, I will do my best to entertain.

Good side of the hearing this, Zynn felt depressed to death.

“Marven, this b@stard, is using my money to earn his favor?! One hundred million dollars! Although it is not much, it can be said that it is not too much, but it is not less as well! He came out with 100 million US dollars, but he couldn’t even exchange his personal feelings?

While depressed, Zynn couldn’t help feeling: “Although Marven looks a lot like his father Changying, he has a completely different style of behavior. His father was an honest gentleman, even if others behind him to did some little actions, he never used the same method to fight back, but would always be upright and have a clear conscience, but this Marven has a strange and changeable style and does not follow the routine at all.

“If you want to take people’s lives like the Su family, even though it is cruel, it can be considered straightforward.

But he doesn’t. He likes to send people to kennels, black coal kilns, Changbai Mountains, and Syria. This kind of gameplay is almost unheard of in the upper class of Orgeyon!

But fortunately, this kid has such bad taste, otherwise, it’s true. A shot bounced him off, and it was really empty of all four, and he didn’t think of this, and he felt more or less relieved in his heart.

Zhiyu and Ruoli looked at each other. Although they couldn’t bear their father going to Syria, they also knew that this was already a decision made by Marven.

At this time, Marven looked at Liona, and asked with certain respect: Auntie, I don’t know how I arranged it, are you satisfied?

Marven asked Liona because he knew that she loved his father for many years and even her whole life. She didn’t live so happy, so he felt a little sympathy for Liona in his heart, plus she was a peer of his father and his own elder, so naturally, he had to show more respect.

Liona hurriedly said: "Since Benevolence has made a decision, I naturally have no opinion.

Marven said seriously: "Auntie, you and my father's friends, you don't have to call me that, just call me Marven.

Liona nodded gratefully.

Marven said again: "Auntie just said about the divorce, please don't worry, for the Wade family ancestor worship ceremony, I promised to go back to participate, then, I will also let people take Mr. Su from Syria. , kowtow to my parents' grave and confess his mistake. At that time, I will have someone prepare the divorce documents in advance, let him sign it in person, and then send him back to Syria.

Liona hurriedly thanked him when she heard this, "I am so thankful!

Marven smiled:. "Zynn has heard my arrangements for him, and he is depressed now and unwilling thousand times to kowtow to the graves of my parents."

Chapter 2718

However, he also knew that he was the fish on Marven's chopping board right now, and he could only let him kill.

Afterwards, Marven called Zak Chen over and ordered: "Arrange the plane and then arrange the person you trust most to send Zynn to Syria. Remember to keep it confidential on the way. Do not let anyone know the true identity of Mr. Su. I will give you Hamid's contact information, and then let him arrange a helicopter to pick up people at the border, so you don't need to use Wade's channel anymore.

Zak Chen said without hesitation: "OK master, I'll make arrangements!

Marven nodded, looked at Zynn, and said: "The situation in Syria is complicated. After Mr. Su gets there, try not to try to escape. Otherwise, if you have any accidents, you will have to bear the consequences yourself.

Zynn nodded incomparably, and subconsciously asked, "Mr. Wade, can I take some personal belongings? There is a shortage of everything there. If I can take some toiletries, daily necessities, clothes, shoes and hats. Also, save some worry,

Marven said coldly: "Let you experience life naturally, everything must follow the local characteristics, you can use whatever you have, otherwise you can just build a villa there for yourself!

Zynn sees Marven's tone was a bit sullen, and he didn't dare to ask anymore. The whole person was nothing but a promise, like a frightened quail. Marven pointed at Zynn and waved his hand to Zak Chen: "Take him down."

Zak Chen greeted the two men immediately and took Zynn away from the room.

At this time, only Marven, the two girls from the Su family, and Liona were left in the room.

Although Zhiyu's mood is extremely complicated, seeing the benefactor who she was thinking about is in front of her, her heart is always full of girlish shame and tension.

Ruoli is a little bit stunned. Although she has been enamored with Marven for a long time, she still has a lot of contact with Marven. Unlike Zhiyu, she has been thinking about him for a long time, and then she is full of thoughts. After searching for a long time, and now finally seeing him, it was naturally excitable.

Liona's mood is equally complicated.

She had previously wondered whether Zhiyu's benefactor, who she was dreaming and dreaming, was the boy she had seen in Changying's former residence, whom she suspected of Changying's son.

Now, this suspicion can be said to have come true.

The reason why she feels complicated is that when she was young, she loved Changying and never exchanged a result. Now her daughter fell in love with Changying's son, in case she repeats her mistakes and becomes a mother. Yes, she will be very distressed.

After all, in the past thirty years, the feeling of being unable to love has kept her from letting go.

Think of it, she can not help but heart sigh: "Changying leaves long tassel, you really do great harm but her heart and at the same time there is a strong expectation and desire.

She looked forward to her daughter can really come together with Marven, able to marry him, become his wife, and bear a child for him.

Because marrying Changying was what she was looking forward to most.

She knew her daughter, and she had long seen that her daughter was in love with her. She loves so deeply, she is afraid that it is impossible to get out of it. Therefore, she believes that in the depths of her daughter's heart, she must also want to have a righteous relationship with Marven.

If her daughter can get what she wants, it is not only her daughter who can get what she wants. To gain a lifetime of happiness, to some extent, is to replace herself and her suffering of life, a long-cherished wish can come true.

Chapter 2719

Zhiyu doesn't know what her mother is thinking, but in her heart now, there is indeed a kind of excitement to get her wish, as well as expectations and fantasies for the future.

She thought in her heart: "Although it sounds clichéd and dogmatic to say that heroes save the United States, it's also because most people don't have the chance to encounter such a thing when this kind of thing happens to her. In order to feel the lethality behind this, thinking that her life was saved by him, she can't help but develop a mentality of commitment to him"

"More importantly, the benefactor saved me more than once. He saved me twice! Brother once, mother once, and the half-sister next to her."

One life-saving grace has been unforgettable for a lifetime, not to mention so many times of repeated stacking.

“It’s just, I don’t know if My Grace meant that to me, or is he still single now?”

Zhiyu’s thoughts were confused, and she wanted to ask Marven, but she didn’t know how to speak.

Marven took the lead in breaking the silence.

He looked at Liona, and said with respect: “Auntie, I am really sorry for allowing you and your daughter to stay here during this period of time, and for not allowing you to contact the outside world.

Liona said hurriedly, “Marven, you must Don’t say that, if it weren’t for you, Auntie and Zhiyu would have died long ago, so how could they have survived without incident.

After speaking, she added: “What’s more, you don’t allow us to contact the outside world to protect our safety. Auntie understands this very well.

Marven smiled slightly and said: “Auntie can understand it, this is the best thing.”

After that, he said again: “As for right now, although it is still not sure, after the Su family learns the news that you are still alive, whether the family will continue to attack you, but what the Su family did to you before The behavior has been exposed by me. I believe that as long as the Su family is not completely crazy, they should not dare to attack you again.

Liona pursed her mouth, nodded lightly, and said: “It’s all thanks to you, otherwise Auntie and Zhiyu must be dead.

Marven smiled and continued: “Auntie, in principle, you both are free to leave, but I still have a gratuitous request. I hope you can agree to it.

Liona said hurriedly: “Marven, you and auntie don’t have to be so polite, don’t hesitate, you can mention anything!

Marven said: “Zynn will be sent to Syria soon, so it will be in the eyes of Su’s family soon that he is completely missing in public view. The Su family will definitely search for his whereabouts when the time comes. If I let you and Miss Su leave, the Su family will definitely believe that Zynn’s disappearance is related to the two. At that time, I hope that the two can temporarily keep a secret.

Liona nodded without hesitation and said, “Marven, don’t worry, Zhiyu and I will never avenge revenge. If anyone asks about our whereabouts these days, I will say that I was rescued by a mysterious person whose identity I don’t know. I feel that Zynn’s disappearance is also related to this, so let them guess for themselves, in short, I will deny it to the end.

Marven arched his hand towards Liona, looked at Zhiyu, and said seriously: “Thank you Miss Su for more help.

Marven suddenly talked to Zhiyu, making her a little nervous.

But she was more or less tangled in her heart.

She is a member of the family after all. If Marven considers the Su family a mortal enemy in his heart, and will continue to launch an offensive against the Su family in the future, as a descendant of the Su family, it would be really difficult.

After thinking about it, she asked Marven in a low voice: "My dear, I can agree to your request, but can you please answer a question?"

Marven nodded and said frankly: "No problem, just say it."

Zhiyu plucked up the courage and asked him: "In the future, how will you treat the Su family? Will you continue to kill, or will you let go?"

Marven said: "Whether to let go or continue depends on the relationship between the death of my parents and the Su family."

Chapter 2720

"I won't let anyone who has a relationship;

"But it doesn't matter, as long as you don't provoke me, I will naturally not target"

"If you become the Su Family Patriarch in the future, Su family should pay the price also pay the corresponding price, so the Su family and I will not be in the water!"

Zhiyu nodded gently, and said in a low voice, "Thank you for your kindness!"

In Zhiyu's opinion, Marven said that although it was a bit cold, at least it was still clear.

Marven checked the time and said, "Later today, I will ask someone to send the two to the suburbs. Then I will give you a mobile phone. You can call the police. By then, the two can return to the city and have a normal life."

As he said, he looked at Ruoli, and said: "If Ruoli is in a special situation, after all, she was instigated by Zynn and committed a felony in Japan. Now all of Japan is looking for her, so her whereabouts also need to be kept secret, and don't let it out."

Liona nodded and said, "Don't worry, I won't talk about Ruoli with anyone."

Zhiyu looked at Ruoli and said seriously: "Ruoli is my sister after all, and I will definitely not let the words out about her."

Ruoli heard Zhiyu's words, her heart was touched by the softness of her heart.

In fact, she had always known that Zhiyu was her sister.

Although she was sharing a half-parent, she had half the same blood relationship.

Therefore, she has always had an affinity for Zhiyu, as they say, blood is thicker than water.

However, she has always lived in the Su family as a bodyguard, so whether it is to Zhiyu, or to Zhifei, she was supposed to keep a distance, although she knew it was wrong.

Moreover, since her identity has been exposed, she has never dared to face the Su family, especially Zhifei and Zhiyu, her brothers and sisters, and their mother Liona.

After all, her mother was a third party to intervene in the past. In the face of the world, this kind of intervening in other people's families, and even illegitimate daughters, is the most despised, especially from the anger of the original family members.

However, what she didn't expect was that Zhiyu didn't show any guilt or anger at her, and also proactively said that she was her sister, which really moved her deep in her heart.

So she choked and bowed to Liona and Zhiyu respectively, and respectfully said, "Thank you, madam, madam, madam, and madam. That is what Ruoli has always given to Liona and Zhiyu.

Although she was the bodyguard of the Su family before, the bodyguard in the family belongs to the category of subordinates, so it is natural to bring honorific titles to the direct members of the Su family. Liona heard this and hurriedly said: "If you leave, don't call me that in the future. What kind of lady, call me aunt.

Zhiyu also took a step forward, gently holding Ruoli's arm, and said earnestly: "Ruoli, since half of the blood of the two of us is the same, then you are naturally my sister. Needless to say, if you agree with this point, you will call me sister from now on."

Ruoli was moved with tears streaming down her face, looked at Zhiyu, and cried out in tears: "Sister Zhiyu!" she reached out to wipe away her tears, sighed softly, and then said seriously: If you leave, the Su family has owed you too much for so many years. Sister will definitely make full compensation in the future.
