

The Amazing Son In-Law Chapter 2781-2790

Chapter 2781

Roma was taken aback as soon as Ruoli finished speaking.

She considered Marven's ten thousand choices for dealing with Zynn, but she never imagined him sending Zynn to Syria.

"Mom, you must not have any idea of saving father... Master Ye has a feud with the Su family, we have the favor of Master at this time, and we can't say something... Grace will revenge..." Su Ruoli hurriedly reminded.

"No, I won't be in the murky waters of the Su family again," Roma said, shaking her head. "Moreover, the Ye family not only has a feud with the Su family, but your father had also come forward to mobilize an alliance against Master's father. Master Ye left your father with a way to live, which is already a preferential treatment."

"If you quit, you must draw a straight line with the Su family in the future, and you must not make the same mistakes," Roma said again.

"Mom, don't worry, I've already broken up with the Su family; not only that, the Su family's hate for me will never be forgotten for the rest of my life; in the future, if Master requires it, I'll certainly stand alongside him and be the Su family's enemy!"

"Since the accident happened to you, the He family has drawn a clear line from the Su family, and from now on, the He family will serve Young Master wholeheartedly. The enemy of Young Master will naturally be the enemy of the He family, so if Master Ye and the Su family have torn their faces apart, the entire He family will stand firmly beside Master Ye," Roma said with emotion.

"Mom, grandpa would surely agree to cooperate with Master Ye, right?" Su Ruoli asked hurriedly.

"Of course," Roma said confidently. "Working with Master Ye is without a doubt the most exciting opportunity for our He family, so your grandfather is impossible to decline."

"I'll go straight to Mocheng tomorrow and report the situation to your grandpa," Roma said again. "Based on what I know about him, he won't hesitate."

"That's fine," Su Ruoli said coquettishly after calming down: "Mom, after you've spoken to Grandpa and Grandpa agrees, you can easily pick ten family members and bring them over, and you'll be able to accompany me more. Stay with me..."

"Don't worry," Roma said with a caring smile, "Mom will be back as soon as possible."

Chapter 2782

When Marven realized it was getting close to evening, he summoned Zak Chen and told him, "Mr. Zak Chen, arrange for someone to prepare a car, prepare a cell phone that can't find any clues, and go to Zhiyu's room and invite her and Aunt Liona over."

“Master, are you going to let them go?” Zak Chen inquired hurriedly.

“I told them, I’ll give them freedom later today and let them go,” Marven said, nodding. “And you’ll let them drive to the suburbs and give them the phone, and you don’t have to think about it.”

“Master, I’m not sure if I should say anything inappropriate,” Zak Chen said after a brief pause.

“You say it,” he replied.

“Master, Zynn just vanished today, and the Su family is now searching for him everywhere; if Zhiyu and his wife are released now, the Su family will immediately connect them with Zynn’s disappearance, and they will do all they can to get Zynn’s message from the daughter and mothers’ mouths, so I think, it’d best not let them go, at least stagger for a few days...”

“Even if I let them go a few days later, the outcome would be the same,” Marven said, waving his hand.

“The news of their incidents was raging, and people all over the world were paying attention, and the car crash was so massive that average people could not survive the way these two did, so once they returned to the public’s view alive, everybody would immediately assume that the person who saved them was really special,” Marven explained.

“As for the Su Family, they have now realized that there is an enemy with exceptional strength in this city, and they have begun to send people to try to find my clues, even if it is too late,” Marven continued after a brief pause. The Su family will still equate the people who rescued them with the people who bound Shoude and Zynn if time is given for their women to leave.”

“Master, what if Miss Su and Ms. Liona reveal your identity?” Zak Chen hesitated for a moment before asking.

“I believe they will not,” Marven said with a chuckle, “but nothing is completely certain.”

“I’d like to spend more time with the Su family, but it doesn’t matter if they really do leak me out. What possessions does the Su family possess? Whatever you do, the dog farm is on the verge of expanding. All we have is a place.”

“Furthermore, the Syrian side’s mountainous zone is sparsely inhabited. It is the same when Chengfeng old dog, he will be sent to assist Hamid in herding sheep. “It’s not terrible.”

Zak Chen was pleased to see that Marven was unconcerned about the Su family following his life.

He also claims that the Su Family is not Marven’s enemy, and that as long as Marven is not concerned about being revealed, he would not be concerned about being a subordinate.

Zhiyu and Liona, mother and daughter, were invited over shortly after.

“Auntie and Miss Su, it’s almost evening,” Marven said when he saw them. I’ve already requested that the car be prepared. You should get ready to leave if you don’t have any other issues.”

“Grace, can I have a chance to speak with you in the future?” Zhiyu questioned, her face sad.

“Of course, don’t forget the agreement between the two of us,” Marven said with a smile. I will personally come to the Su Family to wish you when you become the Patriarch.”

“Grace, what if the Su family is going to be your enemy?” Zhiyu couldn’t help but wonder. Can you still regard me as a foe?”

“As long as you don’t do anything against me, I won’t regard you as my enemy,”

Marven said seriously, shaking his head. “I don’t have a grudge against anyone with the surname Su. It’s just those who were at odds with my father at the time.”

Zhiyu exhaled a sigh of relief and said, “I am relieved by my benefactor’s terms.”

“Auntie, you are my father’s friend,” Marven said seriously as he grinned softly and looked at Liona again. You can come to me at any time if someone in the Su family isn’t getting along with you.”

“Marven, if there is any support from Auntie or Du’s family in the future, you must tell auntie,” Liona said gratefully.

“Okay Auntie, we have the contact details for each other, please feel free to contact me if you have any questions,” Marven said with a nod.

“By the way, Marven, after Auntie and Zhiyu return, how should we react if anyone asks about our experience during this period?” Liona hummed.

“If anyone asks about your experience during this period, you’ll say you were seriously injured in a car accident and have been admitted to the ward to recover,” Marven said.

“You have no idea where the ward is or which hospital it belongs to, or even the world outside the ward.”

“You say that doctors and nurses wear masks and you are unable to disclose their identities if anyone asks who the doctor is, who the nurse is, and what they look like.”

“If anyone asks why the doctor was treating you, you say it’s because they all were entrusted by a mysterious person.”

“Then you might tell that this mysterious person isn’t as bad as Chengfeng beasts if anyone asks why this mysterious person does this.”

Chapter 2783

The atmosphere darkens as the evening progresses.

On the Wrestvel Ring Expressway, a Rolls-Royce Cullinan is speeding.

One of Zak Chen's men was behind the wheel.

Zak Chen took a seat in the co-seat of the driver.

Liona and Zhiyu, mother and daughter, are in the back row.

The co-pilot, Zak Chen, looked at the navigation chart and said to the two of them, "Please wait for a moment. We're just a few minutes away from our final destination. You can call your family when you arrive at the place."

Liona and Zhiyu were giddy and uncontrollable. They are most concerned that their family members are unnecessarily concerned because it has been too long since the crash, and they can't wait to let them know that they are still alive.

The two did not say anything because Zak Chen had said something and they had to wait for 10 minutes.

They've been waiting for days, and the last 10 minutes have been pretty sweet.

Liona's father, Zhenhua, was holding a family meeting with his sons and daughters in the old house of Du's in Wrestvel at the time.

They've been looking for Liona and Zhiyu's whereabouts since they rushed over from Orgeyon in recent days.

They used all of the tools available to them, much like the Su family, but they were unable to discover any details about the mother and daughter.

Zhenhua was at a loss for words at the time. He frowned as he looked at his sons and daughters and asked:

"So, how about Zhifei? Why hasn't he turned up for the meeting he said he was going to come tonight?"

Haifeng, the eldest son, said: "Dad, Zhifei just sent me a WeChat message saying he's deciding what concert-related matters with this year's performance venues are, and that he won't be back for a while. Let's get started."

"Mischief!" exclaims the speaker. Zhenhua expressed his frustration by saying: "I know this kid is normally sensible, so why isn't he being straightforward now? What could be more serious than his mother and sister's lives? What's more important?!"

Haifeng, powerless, said: "I know this child hasn't been spending much time dealing with the matter of Liona and Zhiyu these days, but he must still be occupied with other things. His family is nowhere to be found and he is putting everything out of your mind."

"Yes, Dad, I know this child must know it in his heart," said the second son, Simon, "but he has not found any clues for so long, and he must be a little discouraged in his heart, so don't worry about it."

"I still feel like this kid is a little absent-minded lately," Zhenhua said, a little glumly. "I'm afraid that he, like the rest of the Su family, is oblivious to family affection!"

"Dad, let's talk about business first," Haya, Zhenhua's eldest daughter, said at the time.

I'll go have a nice chat with him if I have time. This is the kid we've been watching grow up. Yeah, despite the fact that his surname is Su, he is not the same as his father's or grandfather's."

With a sigh and a wave of his hand, Zhenhua said: "Let's not talk about him, please. Write down a summary of your current situation. If you have any suggestions?"

All shook their heads helplessly as they heard this.

Chapter 2784

Zhenhua had a gloomy feeling: "What are you talking about? There aren't any signs at all?"

"No," says the speakers.

Haifeng said solemnly: "I've started all of the possible relationships, and I've found a lot of private investigators and security department informants, but I haven't found anything about them. Clues that are related, all broken and missing."

"Are the investigators and informants not being patient enough to look for clues?" Zhenhua hurriedly inquired.

Haifeng, powerless, grinned and said, "By the way, when looking for clues, they've discovered seven or eight foreign spies. This search has reached unparalleled levels of strength, but no findings have yet been uncovered. There are a lot of valuable hints here."

Zhenhua sighed and said, "Hello there! This is really the pits! The two of them were able to vanish from the scene of such a large car crash in the tunnel without leaving any useful clues. This is fantastic. Thank you so much for that."

Haya rushed to say: "It's incredible, Dad. The further it shows that there is room for reversal in this case, the better.

Otherwise, to say nothing else, the impact of the car crash at the time would have been unbelievable if it hadn't been for the fact that Liona and Zhiyu, as well as the others, were already dead."

Zhenhua said with a nod: "This is also plausible, but we haven't been able to uncover any relevant evidence. I'm really worried."

According to Haifeng, "I've already resolved the situation with you father. At noon tomorrow, I'll be able to temporarily access the Academy of Sciences' supercomputer and use the face recognition technology to search all surveillance videos within a 300-kilometer radius of Wrestvel. Compare Liona's and Zhiyu's facial features to see whether we can spot any similarities."

When Zhenhua learned of this, he became enraged and exclaimed: "Why didn't you use it earlier, you man, there's such a good way? I'll be able to figure it out now that face recognition is so advanced. As long as Liona and Zhiyu have left photos before being monitored, we'll be able to figure it out."

"Dad, the Academy of Sciences' supercomputers typically have a lot of jobs, ranging from cloud image analysis for weather forecasts to orbit calculations for Mars exploration," Haifeng said helplessly.

Almost all uses involve utilizing these supercomputers. In the last few months, one of their supercomputers has been running at maximum capacity. Despite the fact that I have certain rights, I am unable to postpone big national events!"

Zhenhua couldn't help but agree when he heard this: "National affairs are important; let us not use power for personal gain."

Haifeng rushed to say: "Don't worry, Dad; their supercomputer will be able to move one of them out at noon tomorrow. There would be a six-hour window, so I arranged with them and spend those six hours.

During the empty window time, all of Wrestvel's surveillance videos will be calculated; however, the amount of data is enormous, and the supercomputer's computing power is equally impressive.

I asked the experts there, and they estimated that it would take about 4 hours to run all of the results. Their follow-up work will not be hampered."

"This is good...this is good..." Zhenhua exhaled a sigh of relief.

"Son, after this incident, you must donate a sum of money to the Academy of Sciences, which is regarded as a payment to the institute," he said after finishing his speech to his second son, Simon, who had been doing business.

Simon said unequivocally: "Don't worry, Dad; if they can locate Liona and Zhiyu using supercomputer calculations, I'll donate a million dollars. If they can't find it, I'll donate \$5 million as well!"

Just as the Du family was pinning their hopes on the supercomputer, tragedy struck.

The car was speeding through Wrestvel's outskirts when it came to a halt at a sparsely populated intersection in the suburbs.

"Ms. Du, you should call your relatives," Zak Chen said afterward, handing Liona a cellphone.

She counted and nodded before picking up the phone and dialing a number.

This is the mobile phone of Zhenhua, the Du family's patriarch.

Zhenhua had gathered his children for a meeting. He wasn't expecting the phone to unexpectedly ring.

He was irritated even more when he realized it was an unknown number, so he pressed for a response and asked in a threatening tone: "Who is it, exactly? What exactly is the problem?"

“Dad...me...I’m It’s Liona...” said Liona on the other end of the line, and suddenly choked up.

Chapter 2785

“What?! Liona?!”

The elderly Zhenhua heard Liona’s voice, and the whole person was almost as if struck by lightning!

He heard his daughter’s voice, but he couldn’t believe it was really her.

So at this moment, he felt that his heart suddenly doubled, and the violent beating made the entire chest aching.

While clutching his chest, he subconsciously confirmed: “You...are you really Liona?!”

When these words came out, the surrounding Du children were also shocked!

Haifeng blurted out and asked, “Dad, is it really Liona?!”

Simon hurriedly said, “Dad, turn on the speaker!”

Zhenhua hurriedly turned on the speaker of the phone and heard the phone on the other end. Liona choked and said: “Dad, it’s really me, I’m still alive, and Zhiyu is still alive, right by my side.”

Zhiyu also said cryingly: “Grandpa...It’s me...I’m Zhiyu...”

The entire Du family suddenly boiled!

Zhenhua stood up suddenly and blurted out and asked, “Where are you now my girls?!”

Liona said hurriedly: “We are on the outskirts of Wrestvel. Dad, there are no people here. I will have to trouble you to arrange someone to pick us up.”

Zhenhua said excitedly: “Hurry up and tell me your specific location, and I will come there with your brother!”

Liona said: “I will use this phone to add your WeChat and send you the address.”

Zhenhua blurted out: “Give me an approximate direction first. Which direction are you in Wrestvel? I’ll move there first!”

Liona hurriedly looked at Zak Chen. Zak Chen spoke about the north side silently, so Liona hurriedly said, “Dad, I’m in the north of Wrestvel.”

“Okay!” Zhenhua was excited and hurriedly said: “You can send me the address on WeChat now, and I will go out right now!”

After hanging up the phone, Zhenhua excitedly said to Haifeng and Simon: “Haifeng, Simon, get ready with the car, and you two will pick them up with me.”

Haya hurriedly said: "Dad, I will go too!"

Zhenhua waved his hand: "Haya, don't come with us. Arrange the chef, doctor, and aunt at home. Keep them ready. Let the chef prepare meals, ask the doctor to get ready for physical examination, and tell the aunt to clean up the bedroom."

As he said, he sighed distressedly: "I don't know in what condition my girls are currently, and whether they have suffered."

Haya nodded repeatedly and said, "Okay Dad, then I will make arrangements."

Zhenhua gave a hum, took the two sons, and hurried out.

On the other side, Liona also sent the specific location to her father.

Haifeng drove a seven-seater commercial vehicle from home and drove his father and younger brother hurriedly towards the northern suburbs.

On the way, Simon, who was sitting in the co-pilot, couldn't help but look back at Zhenhua who was sitting in the back row, and said, "Dad, where did Liona and Zhiyu go during this time? I think this positioning is not too far from us. It's about 20 or 30 kilometers, but during this period of time, I searched the Wrestvel upside down, and didn't find any relevant clues at all."

Zhenhua hurriedly asked: "Have you looked for the location near Liona?"

"I've found it!" Simon blurted out: "We basically searched the entire administrative area of Wrestvel."

Zhenhua said: "From my point of view, the car accident was so dynamic at the time. Liona and Zhiyu's disappearance shows that they must have been rescued by others. It is likely that they have been hidden by the other party during this period, and they have just recovered. Maybe given freedom."

Haifeng, who was driving, sighed: "To be honest, I really want to know the person who rescued them. This person's strength and background are absolutely extraordinary. I don't know which family he belongs to."

Zhenhua nodded and said: "The specific situation will be known only after meeting them."

Half an hour later, Haifeng drove to the location sent by Liona. At this time, on this country road, no one was seen at all, and there was no car.

In fact, just 10 minutes ago, Zak Chen asked his men to drive the car to the next village, while he stayed in the dark to ensure the safety of Liona and Zhiyu. After they were gone he waited for the Du family to come up and take the ladies away.

Chapter 2786

At this time, Liona and Zhiyu cautiously hid in the dry ditch by the roadside, waiting for the arrival of their families.

Soon, two white lights appeared at the end of the road, and the commercial vehicle driven by Haifeng had already moved toward the location.

Zhenhua hurriedly called Liona and said to her: "Liona, have seen our car?"

Liona said: "Dad, I can see a car, about five or six hundred meters away, but I'm not sure if it is yours."

Zhenhua said in a convenient way: "I let your big brother flash the high beam twice."

When Haifeng heard this, he quickly flashed two high beams.

Liona walked out of the ditch at this time and waved her hand at the vehicle on the small road.

Haifeng in the co-pilot saw her at a glance, and said excitedly: "It's Liona, go there!"

Haifeng kicked the accelerator and the commercial vehicle drove over quickly.

Immediately afterward, the car stopped beside Liona, and as soon as it stopped, the three doors of the main driver, co-pilot, and the rear seat opened at the same time.

Zhenhua, Haifeng, and Simon quickly got out of the car.

When Zhenhua saw Liona, he couldn't control his emotions and choked up: "Liona, you and Zhiyu have been missing during this period of time, and your dad is almost worried to death..."

Liona also burst into tears, stepped forward, and hugged her father, crying and said, "Dad, I'm sorry, I worried you..."

At this time, Zhiyu also came to Liona, gently grasped Zhenhua's arm, and sobbed: "Grandpa..."

Zhenhua hurriedly hugged Zhiyu lightly, and said excitedly: "Good girl, it's okay if you're fine, it's fine..."

Zhiyu looked at Haifeng and Simon again, choked with sobs: "Uncle, Uncle, we made you worry..."

Haifeng hurriedly said: "Silly girl, what are you talking about? You and your mother are fine, even if your uncle threw it in for half my life..."

Zhenhua couldn't help but ask the question he most wanted to ask at this time: "Liona, where were you and Zhiyu during this time? Who saved you?"

Liona sighed and said sincerely: "Dad, this matter... is really a long story. I won't know where to start for a while..."

Simon said at this time: "Dad, I think we should get in the car and go home first. If we have anything to say on the road, we will go home and continue talking if we don't finish talking on the road, it is going to take a long while."

“Yes, yes, yes!” Zhenhua said hurriedly: “Let’s talk in the car.”

With that said, he took the initiative to open the rear door of the commercial vehicle and said to the mother and daughter: “Get in the car, let’s go home first!”

Liona nodded and hurriedly said, “Dad, you go first.”

Zhenhua pushed her gently and said, “You go with Zhiyu first.”

Seeing this, Liona didn’t insist anymore, pulling Zhiyu into the car first.

Immediately after Zhenhua got in the car, and Haifeng drove away.

Seeing the commercial car go further and further away, Zak Chen in the dark breathed a sigh of relief, took out his mobile phone to call Marven, and said, “Master, the ladies have already met their family.”

Marven breathed a sigh of relief on the other end of the phone, and said, “In this case, you should also go home.”

After speaking, Marven said again: “Mr. Zak Chen, you have worked hard from yesterday to now. Take a good rest these two days!”

Zak Chen smiled slightly and said: “I just followed you for a lap in Syria, and I am not tired at all. It’s you, master, don’t mind that I bothered you for these two days.”

Marven smiled and said, “So I also plan to take a two-day rest.”

Zak Chen hurriedly said, “Master, it seems that your birthday is also approaching. Do you have any plans?”

Marven hummed, and said, “Don’t have anything about special about the birthday. Just that day, Sara will over to have a concert. I will accompany my wife to the concert, as it is a birthday celebration.”

Chapter 2787

Throughout Wrestvel, there are many people who are thinking about Sara’s concert.

Among them, the eldest master of the Su family, Zhifei is the most eager.

At this time, Zhifei did not know the news that his mother and sister are safe.

He was still at the Wrestvel Olympic Center and was constantly communicating with the venue members about the small details of the concert.

In fact, his company is just the sponsor of Sara’s concert. Generally speaking, this kind of sponsor only needs to pay for it.

The real performance scheduling, stage construction, and promotional materials are all matters of Sara’s own management company.

He has no relationship with half a dime.

However, he quietly reached a cooperation with the venue staff. They clearly leased the venue to Sara's agency for the concert.

However, Zhifei had already bought it back by spending his own money. Prepare it is all surprises for Sara everywhere in the venue.

Zhifei tried his best to pursue her.

Originally, he wanted to directly buy all the advertising spaces in Shangri-La, but Zak Chen refused.

So he reached a cooperation with the venue and directly rented all the billboards here, including several large LED advertising screens outside the venue, which he quietly rented.

On the day of Sara's concert, these advertising screens will display courtship posters carefully prepared by Zhifei.

In addition, he also specially customized tens of thousands of lucky bags, which contained glow sticks, light signs, and T-shirts, especially for Sara's support.

These are all made by Zhifei from the best manufacturer.

In addition to these items to be used in the lucky bag, there is also a color poster.

The content printed on the poster is consistent with the courtship poster that he wants to put on the big screen.

However, he did not reveal his name in the courtship poster. He signed himself in the poster as Mr. S, who loved Sara.

The letter S is naturally the first letter of Zhifei's surname.

He believed that when Sara sees the content of the courtship poster, she would be able to guess that he did it, but other people would definitely not think of him.

In this way, he would be able to confess to her under the witness of thousands of people, but at the same time he would not reveal his identity, so he could kill two birds with one stone.

Chapter 2788

Moreover, he felt that he took such pains to express his love to Sara in such a grand manner, Sara would definitely be moved by then.

What's more interesting is that in order to cause a sensation,

Zhifei specially prepared millions of cash, according to the ticket price of each seat of the concert, put the corresponding cash into this seat. In a lucky bag.

This is a way for him to please Sara's fans.

In his opinion, he passed, and tens of thousands of spectators showed their love to Sara.

Naturally, it would not arouse the disgust of these spectators.

So in his opinion, spending money is the best solution.

Anyway, he will reimburse them for the money they spend to watch the concert. He will woo the goddess through the concert. What can they say?

This kind of behavior, in the eyes of others, may not be any different from being taken advantage of, but to Zhifei, this amount of money is not even a f@rt.

After so much preparation, Zhifei still felt that it was not enough.

He instructed his assistant:

"By the way, I must find the marketing team when the time comes. When the concert audience starts to enter the venue, I will make this a hot topic.

It must be published on Weibo and short video platforms. It must take the top spot on the platform!"

The assistant said without hesitation: "Master, don't worry, buying hot searches and hot topics are familiar to our team. It's nothing more than spending a little money.

I will help you realize it when the time comes."

Zhifei nodded in satisfaction and smiled longingly: "At that time, this mysterious Mr. S will definitely become a hot spot for discussion on the whole network!"

Speaking of this, he suddenly had an idea and blurted out:

"By the way, you have to call a prize-winning event at that time. Under this hot topic, users who support and encourage Mr. S will have the Chance to participate in the lucky draw!"

The assistant hurriedly asked: "Master, how do you set the prizes for the lottery?"

Zhifei smiled and said: "Since I want to have fun with the people, I have to be more generous, so let me draw a first prize, two-second prizes, three third prizes, and the first prize.

It is a Rolls Royce. A Phantom; the second prize is a Bentley Mulsanne; the third prize is a Mercedes-Benz big G!"

The assistant exclaimed: "Master, your drawing is too big...As far as I know, the biggest prize in the online lottery has not exceeded one million..."

Zhifei laughed and said triumphantly:

“It’s just to be big! What a person is 10,000 in cash and tens of hundreds of money, this is too boring, small, not enough to force the topic to the hottest,

so we directly draw tens of millions of luxury cars, and there are six in one draw! At that time, the draw time will be extended a bit, one month!

This month is enough to stir up the heat!”

The assistant quickly agreed and said, “Ok, master, I will let the notary department come out for notarization at that time to ensure that the activity is true and effective, so that netizens can participate boldly and confidently!”

“Okay!” Zhifei nodded in satisfaction, and said: “This matter is left to you. We must fire up the heat to the extreme.

In addition, I will recruit a large number of PR people and push hands to let them. Send me a soft article on the Internet!”

The assistant hurriedly asked: “Master, do you have a designated category and direction for the advertisement?”

“Of course!” Zhifei smiled: “Be sure to find me those famous influencers, internet celebrities, and opinion leaders who are very famous in marriage and love, and it is best to choose more women. Tell them that when writing soft articles,

The tone must be crazy envious of Sara’s care and love for a man with such a heart.

At the same time, she must express his envy for Sara and his love for Mr. S, and create Mr. S’s personality of a peerless good man!”

Chapter 2789

The assistant was also a little excited said:

“When the time comes, I will strengthen a few people to label the mysterious Mr. S, who is infatuated, affectionate, hard-working, and rich! You will definitely become the national hero who is putting the girls crazy and obsessed all over the country!”

Zhifei said with a smile: “The gold content of the two words “National hero is really too low.

These days, all kinds of cats and dogs dare to claim to be national heroes. I still don’t want to grab this title.”

The assistant thought that he had hit the horse’s leg with a flattery, and hurriedly changed his words: “Yes, yes, you, as the young master, can you be compared to those so-called national heroes!”

“By the way, Master, Ms. Sara’s fans give her a nickname “Little girl”, so Miss Gu is a national girl, then you will naturally be a National boy!”

“Hahaha!” Zhifei nodded repeatedly and said happily: “National boy, not bad, not bad, I like this title!”

As he was talking, his cell phone rang suddenly.

It was his grandfather Zhenhua who called.

Zhifei felt a little big head.

He knew that his grandfather had been desperately looking for the whereabouts of his mother and sister during this period. Delay him.

In fact, Zhifei has been completely enlightened since talking with his father Zynn.

He is not very interested in finding his mother and sister, because he knows that the best situation right now is that his grandfather’s reputation is completely ruined and he has to push his father Zynn to the stage.

Moreover, because of the mother and younger sister’s affairs, grandpa feels more or less guilty for him and his father, so it is very likely that he will inherit the Su family in the future.

In this case, he really has no motivation to find his mother and sister.

However, he didn’t dare answer his grandpa’s call, so he had no choice but to answer it.

When he was about to ask Grandpa what was going on, Zhenhua on the other side of the phone asked, “Zhifei, where are you now?”

Zhifei hurriedly said, “Grandpa, I’m talking about business, what’s the matter? Do you need me for anything?”

Zhenhua blurted out: “Come home, your mother and your sister are back!”

Chapter 2790

Zhifei’s entire body became dull as soon as he heard these words.

For more than ten seconds, he was unconscious.

“Zhifei, are you listening to me?” Zhenhua, on the other end of the line, couldn’t help but ask when he didn’t respond.

“I’m listening, grandpa, you said mother and Zhiyu are back?!?” Zhifei exclaimed. “Really?” he hardly ask.

“Of course!” exclaims the speaker. “Can I still make a joke with this kind of thing?” Zhenhua asked solemnly. “Please return soon!”

“OK, grandpa, I’ll come back now!” Zhifei hurriedly said.

“You stay and continue to connect with the people on the PR side,” he told the assistant as he hung up the phone after speaking.

“First and foremost, I must leave now.”

He dashed out as soon as the voice faded. Zhifei hurriedly wanted to start the car while sitting in it, but he suddenly hesitated.

For dozens of seconds, his entire body was still, and he felt extremely perplexed and contradictory in his mind.

He had no idea whether his mother and sister had returned safely at this point, or whether this was a good or bad thing.

To be honest, he has always had a wonderful relationship with his mother and sister, and he was sometimes overjoyed.

But there was another uncontrollable thought in his mind.

“Zhifei!” the thought was telling him. Returning with your mother and sister is certainly not a good idea! Remember your grandfather, the old man who is addicted to money and influence, and the explanation for the gifts he now offers you and your father.
