

The Amazing Son In-Law Chapter 2791-2800

Chapter 2791

“More importantly, because they fled at your grandfather’s hands, your mother and sister will never forgive your grandfather in this life, and they will even freely turn their faces with your grandfather, or even turn their faces toward you.”

“What will you do at that point?”

Your grandfather no longer feels responsible for you, and your mother and sister view him as an adversary, engaging in various confrontations with him or openly attacking him. You will undoubtedly be implicated at that moment!”

“No one will give the Patriarchship to the enemy’s son, the enemy’s brother...”

Zhifei got irritated just thinking about it!

It was also at this point that his heart’s balance moved slightly.

As a result, he unconsciously took out his phone and dialed Chengfeng’s number, who was worried about Zynn’s whereabouts.

At the time, Chengfeng was gloomy.

Zynn, his eldest son, has been missing for more than 12 hours after he went missing in the morning.

He didn’t find any useful hints in those 12 hours.

Zynn, like his younger brother Shoude, seemed to vanish from the face of the earth.

Although the Ye Family was suspicious, Zynn was self-defeating in that he gave the Ye Family a good excuse to throw the pot, so he did not dare to push the Ye Family any further.

Zhifei called at this precise moment.

“Zhifei, have you found a hint to your father?” he asked, a little irritably on the phone.

Zhifei was taken aback and asked, “Grandpa, what are you talking about? Are you looking for details about your father? What’s the matter with father?”

Chengfeng only realized this after Zynn’s crash, when he realized he hadn’t been aware of Zhifei for the whole day.

As a result, even though Zhifei was in Wrestrvel, he was unaware that his father had vanished.

“Zhifei, there is bad news, your father is missing...” he sighed.

Chapter 2792

“What are you talking about?”

Zhifei was taken aback and exclaimed,

“Grandpa, you...what do you mean?”

“My father is fine; why would he suddenly vanish?”

“I’m not sure.”

“Your father concealed his identity and lived peacefully in Shangri-La in Wrestvel,”

Chengfeng said frankly. He planned to find an opportunity to meet Ito Yuhiko of the Ito family, but there is no news since this morning.

“All of his men have disappeared.”

“Ah?” says the voice.

Zhifei had black spots in front of his eyes, dizziness in his head, and was on the verge of collapsing.

“How could this be...” Zhifei muttered incoherently to himself.

“The whole thing is really weird,” Chengfeng said helplessly.

“I haven’t yet discovered any useful information. However, I believe it has a lot to do with the disappearance of your second uncle.

It’s possible that it was done by the same guy. There should be some kind of connection with the Ye family as well.

After all, your father was injured in the Ye family’s hotel, and Wrestvel is the Ye family’s domain.”

“Grandpa, could it be the Ye family?” Zhifei hurriedly inquired.

He was still with him when the second uncle had an accident, and the other party might get the second uncle away under Master Luther’s nose.

“Ye’s family shouldn’t have such a master, right?” I remember thinking.

“Hey...this is something I haven’t worked out yet,” Chengfeng sighed.

It appears to be inextricably linked to the Ye Family, but when you think about it, the Ye Family doesn’t seem to merit such strength...”

“However, I have sent someone to look for it,” he said again after speaking.

I'll go to any extent to find clues. In Wrestvel, you will eagerly await my news.

You can also inquire there if you have any sources. Look for any noteworthy hints."

"All right..." Zhifei was annoyed and grudgingly agreed.

"I have a headache, so I won't talk to you anymore," Chengfeng said again at this point. I'll keep you informed of any developments."

"Okay grandpa, then you first have a nice rest and take care of your body..." Zhifei murmured absently.

He quickly recalled what Grandpa had said and hurriedly said, "Grandpa, don't hang up the phone!" as he spoke.

"What's the matter?" Chengfeng inquired. "Are you all right?"

"My grandfather just called me, and he said that mother and sister have returned!" Zhifei hurriedly said.

"What are you talking about?" Chengfeng burst with joy and shouted,

"Your mother and sister are back?"

What exactly do you mean when you say they are returning?

"How did they get back?" "Where were they?"

"Grandfather didn't say anything specific, but they were in Wrestvel," Zhifei hurriedly explained.

They just called and asked him to pick them up right away.

Mother and Zhiyu should probably have gone back to Du's old house in Wrestvel."

"How is this possible?"

Chengfeng screamed, turning up the stormy sea in his heart.

"How in the world is this even possible?"

"Zhifei, where are you now?!" he hurriedly inquired.

"I am at the Wrestvel Olympic Center, and I am going back to the old house to take a look!" Zhifei hurriedly said.

"Go!" exclaimed Chengfeng. Check out what's going on!"

Chapter 2793

After hanging up the phone, Chengfeng felt black for a while.

Anson on the side hurried forward and asked cautiously:

“Master... Liona and Missy, have they really returned to Du’s house?!”

Chengfeng rubbed his temples, nodded weakly, and sighed, “Anson, things seem to have gone to the worst...”

Anson asked quickly: “Master, why are you saying this?”

Chengfeng sighed: “Hey...All of this is extremely consistent with my worst assumptions before.

Things have started to develop in the direction I least want to see.

The Su family is really going to be in big trouble this time!”

Anson asked in surprise: “Master... Have you previously guessed that their wives will be safe?”

“Yes...” Chengfeng rubbed his temples and said weakly:

“I thought that even if they were rescued, it would be difficult for them to survive such a serious car accident.

Maybe when the other party took them away, There were already two corpses, but I did not expect that they would actually survive, and the other party put will them back, which proves that the mysterious person behind not only has hands and eyes open to the sky but also stood by them....”

Anson asked again:

“Then... Is this mysterious person related to the disappearance of the young master and the second young master?!”

Chengfeng nodded: “There must be a relationship!”

Anson looked shocked, and said, “Master, we have investigated Wrestvel before. The city has nothing to do with Crouching Tiger, or a Hidden Dragon.

It is nothing more than a few local companies and families, and Zak Chen from the Ye family seems to be the most powerful. In terms of size, how could it be possible to cultivate such a powerful person? Even the Ye Family does not have this ability.

If the Ye Family really has this ability, after Changying’s death, they would not be able to crush and beat the Su family for so many years!”

Chengfeng’s expression was dignified, and he said coldly: “I now suspect that this mysterious person is not from Wrestvel at all, and may not even be from China!”

Chapter 2794

“What?!” Anson was even more horrified:

“It’s not from China? Where would it be? Is it from abroad?!”

It can’t be the Rothschild family, right?

The Rothschild family hates the Ye family. Yes, in this case, they will never be able to deal with us, because once our strength is weakened, the Ye family will definitely be strengthened...

How could the Rothschild family sit back and watch the Ye family fishermen profit?”

As he said, Anson continued to analyze:

“Changying’s wife’s family is indeed very powerful, but in my impression, An family has always looked down upon the Ye Family. Back then, An’s pearl of the hand married into the Ye Family. An’s were said to be very furious.”

Chengfeng waved his hand and sighed: “It’s not the Rothschild family or An’s, but the Japanese Chinese!”

“Japanese Chinese?!” Anson was even more surprised:

“Master, the largest family in Japan is the Ito family. Among the top four families, there is no Chinese family, and even the first Ito family in Japan does not have power comparable to us. Its comprehensive strength is not that strong.”

“You don’t understand.” Chengfeng said: “This strength does not necessarily refer to economic strength, but strength in force!”

After talking, Chengfeng said again: “At the beginning, Zhifei and Zhiyu were kidnapped by the Matsumoto family in Japan.

Several top ninjas guarded them. After killing them, they would throw their bodies to Ito’s residence in Kyoto.

The whole plan was designed.

The clothes were perfect, but in the end, these top ninjas were killed by a Chinese youth who we don’t know where he came from...”

Anson exclaimed: “Master, you suspect that it was the mysterious Chinese youth who saved Liona and Missy this time?!”

Chengfeng said annoyedly: “I don’t want him to be the same 10,000 in my mind, but now it seems that he can basically nail it...”

Besides this person, who else has such a strong ability to be able to deal with that car accident and rescue Liona and Zhiyu?

Except for this person, who can abduct Shoude without showing off under our guard's nose?

Except for this person, who can make Zynn disappear?!"

Anson blurted out:

"Master, if this is the case, then your personal safety must be strengthened!

Otherwise, if this person wants to act on you and our defensive power is not strong enough, we are not going to be opponents at all... .."

Chapter 2795

Chengfeng nodded repeatedly, and said in agreement:

"Yes! The biggest problem now is that our military strength is severely insufficient. The He family has withdrawn.

Only some other bodyguards are in the hospital.

I am afraid that it will be unbearable in front of the mysterious man. If he hits suddenly....."

With that said, he immediately told Anson: "Anson! You will fly to Northeast Desert City right now!"

Anson exclaimed: "Go to Mocheng? Master, you let me see Luther He?!"

"Yes!" Chengfeng said:

"Go to see Luther, and apologize to him about Ruoli's affairs on my behalf, and tell him that if the He family is willing to continue to serve the Su family regardless of the past, I can give them for a year two billion yuan!"

"Two billion a year?!" Anson said dumbfounded: "Master, the remuneration we gave them before has increased from 200 million a year to 600 million.

To be honest, this amount is already very high. If it rises to two billion all at once, this is more than a three-fold increase!"

Chengfeng waved his hand: "What does it count even if it goes to triple?"

The key is that the most important thing is to solve the urgent needs! Now there is a powerful enemy after the Su family, who is invisible and intangible.

If I don't defend myself, someday, I will also be arrested by the other party. Isn't the Su family finished?"

Anson hurriedly bowed and said, "Master, I understand! I will set off now and go to Mocheng to see Luther, the head of the He family!"

Chengfeng nodded, directly wrote a one-billion-dollar cash check, handed it to Anson, and said: "Take this check with you, hand it to Luther, and tell him whether he accepts my invitation or not, he can keep the cheque."

After a pause, Chengfeng said again: "If he accepts the invitation, it is considered that I prepaid 50% of his salary; if he does not accept it, then the money is considered to be my compensation to the He family, in Ruoli's matter. After all, I am sorry for them."

Anson couldn't help but said, "Master, if Luther really chooses the latter, wouldn't these billions of dollars be meat buns for the dogs?"

Chengfeng shook his head and said: "You don't understand, most people who learn martial arts have a sense of arrogance, especially those who have made great achievements in martial arts like Luther, even more so! I understand Luther's character.

He is destined to choose to reject my invitation completely, or accept it directly, it is impossible to choose to take the money and not do anything, so this is just polite and win him more favors."

Anson hurriedly said: "Okay master, I understand, then I will start!"

Chengfeng nodded slightly and said,

"Go, there is no airport in Mocheng. You have to arrange the helicopters at nearby airports in advance, so as to save time as much as possible."

"OK, lord!"

Chapter 2796

Just when Zhifei drove back to the Du's old house, and Anson set off for the airport overnight, the Du's old house at this time had become a sea of joy.

The brothers and sisters of the Du family have been cultivated to be exceptionally united under the guidance of their father since they were young.

In fact, regardless of whether brothers and sisters are close relatives, in the final analysis, in most families with children, it is difficult for the relationship between children to be absolutely intimate.

Especially when the children are all grown-ups, and after their respective families start their own businesses, the big family with brothers and sisters is naturally less important than the small family with wives and children.

Therefore, in real life and on the TV, we can often see that brothers and sisters turn their faces because of the fight for family property, or quarrel and even fight because of parental issues.

Moreover, this is not only true of the poor but even more so for the rich.

However, the brothers and sisters of the Du family are really twisted into a rope.

Liona had an accident, and her brothers and sisters put aside everything in their hands, regardless of all costs, just to find her and her daughter.

Now that she has finally returned safely, these brothers and sisters are naturally extremely happy!

The eldest sister Haya had asked the chef to cook a new table, and she was waiting for her sister and niece to come, and the family to have a good celebration.

But when they came back, Haya couldn't even care about her sister's dinner.

She hugged the sister, and suddenly cried into tears.

The family surrounded the mother and the daughter and asked them endlessly. The questions were also very concentrated.

They just wanted to know who took them away after they had a car accident in the tunnel. Where did they go after they were taken away?

And they must have been severely injured in the car accident, so who on earth was healing this injury?

Chapter 2797

Liona faced the problems of her family and lied against her will: "Actually, Zhiyu and I still don't know who saved us. After the car accident, we were almost unconscious when we woke up. We were already lying in a ward, and we can't see anything related to the name of the hospital in the ward.

The doctors who came to treat us also wore masks and could not recognize who they were."

Haifeng hurriedly asked her: "Then have you remembered the surrounding environment, for example, what are the distinctive buildings outside the window?"

"No." Liona shook her head and said: "In our ward, the windows were covered with opaque black glass film.

Nothing could be seen, Zhiyu and I have been in the room during this period. We eat and drink, and provide all the daily necessities we need, but they just don't let us leave."

Zhenhua asked in surprise: "Then how did they let you leave now?"

"I don't know." Liona lied: "They suddenly brought me and Zhiyu out, and then gave me a mobile phone to let me contact the family, and then I called you."

Zhenhua frowned and pondered: "This thing sounds strange. The person who saved you should be very powerful.

He rescued you. He gave you treatment. In the end, even the identity not revealed.

He didn't want to disclose, and he released you back without any conditions. I can't figure out why he is busy with this big circle..."

Simon said, "Dad, maybe the other party is the opponent of the Su family. They couldn't understand what the Su family did, so they rescued Liona and Zhiyu."

Zhenhua asked:

"The opponent of the Su family? Who?"

The Ye family? Although the Ye family is ranked second, how can they have this kind of ability?"

Simon nodded slightly: "Dad's words are reasonable... Ye family should not be able to bear this..."

After speaking, he hurriedly asked Liona again: "Liona, you and Zhiyu have been rescued for so long, haven't you found any clues?"

Liona quickly said: "I haven't left the ward these days. I only saw doctors and nurses, but the doctors and nurses didn't tell us anything."

Simon asked again: "The person who saved you never showed up?"

Liona said, "No, he didn't want to expose his identity."

Zhenhua didn't have much doubt, and sighed: "It seems that the knights are not only in the novels of Old legends but also in real life."

As he said, he suddenly thought of something and asked Zhiyu: "By the way, Zhiyu, when you and Zhifei were in Japan, you were also saved by a mysterious man?"

"Yes..." Zhiyu said hurriedly: "Thanks to my benefactor that time, otherwise, my brother and I would be dead in the hands of Japanese ninjas."

Chapter 2798

Zhenhua sighed sincerely: "One person can easily kill multiple ninjas. This is really amazing. It is not an exaggeration to say that he is a hero!"

After speaking, he hurriedly asked again with a flash of inspiration: "By the way, could he be the one who saved you this time?"

Zhiyu vaguely said: "This...I can't say this. After all, I haven't seen the true content, but it's possible..."

Zhenhua nodded and said: "This man has his own motives to help you, anyway, it's okay!"

After that, he poured himself a glass of wine and said loudly: "Come! Let's have a drink together to celebrate the safe return of Liona and Zhiyu!"

The whole family was also excited, and one after another they picked up their wine glasses.

At this moment, Zhifei ran in quickly.

“Mom! Zhiyu!”

Seeing his mother and sister sitting at the dining table intact, Zhifei yelled subconsciously.

However, he was not so excited in his heart.

Even, a little lost.

Seeing his mother and sister in peace, he knew in his heart that he would lose a huge advantage in front of his grandfather Chengfeng.

He has feelings for his mother and sister in his heart.

However, in the face of the Su family’s trillions of wealth, feelings did seem a little pale.

The greater the immediate benefits, the weaker the family relationship.

This is the characteristic of mankind since ancient times.

In ancient times, countless royal family fratricides occurred across the world.

It is not uncommon among the royal family that fathers kill sons, sons kill fathers, and even brothers kill each other.

It’s not that they really have no affection.

On the contrary, family affection is really not worth mentioning in the face of huge benefits.

If it is placed in a poor house, the two brothers’ three-square-acre land for their parents may turn their faces, and they may stay out of each other for a lifetime, but it is difficult to kill the brother because of one-square-acre land.

However, when this three-acre land became the power and wealth of the entire kingdom, the brotherhood and family affection became less important.

Zhifei’s heart at this time, the loss and disappointment are far greater than that point of comfort.

However, he was hiding it pretty well, and no one was able to see anything unusual.

When Zhiyu saw him, her eyes reddened immediately.

Almost without thinking, she stood up, ran in front of Zhifei, and plunged into his arms, crying and said, “Brother... I thought I would never see you in this life...”

Chapter 2799

After Zhiyu’s accident, what she misses most and worry about most is her brother Zhifei.

After all, their small family consists of four people in total. Mother has always been with her, and father has some stains, and these stains make him a little unacceptable, so she naturally misses her brother the most.

Moreover, when she was in Japan, she experienced life and death with her brother, so the relationship between brother and sister was deeper.

Although Zhifei was disappointed in his heart, he still pretended to be distressed and patted her back gently, and said with emotion:

“Zhiyu, it’s best if you and mom are fine. During this time, I was so much worried...”

When grandfather Zhenhua heard this, he looked at him coldly, somewhat dissatisfied in his heart.

He feels that his grandson has become a little hypocritical recently.

Zhifei was really anxious at first because of an accident with his mother and sister.

He even quarreled with his grandfather and drove to Wrestvel by himself overnight.

However, these days, Zhenhua felt that Zhifei seemed to pay less attention to the affairs of his mother and sister.

Although he has been in Wrestvel, he has rarely directly participated in the search for the whereabouts of the two.

He is busy doing concert arrangements every day. It feels as if the importance of concerts is a bit more than his mother and sister.

However, Zhenhua naturally didn’t say anything at this time, and the dissatisfaction in his heart was crushed by him deep inside.

At this time, Haifeng said:

“Zhifei and Zhiyu sit down quickly. It just happens that we are just starting to eat.

You also have two drinks together to celebrate the safe return of your mother and sister!”

Zhifei hurriedly said: “OK, uncle!”

After sitting down, Zhifei and other family members toasted again to celebrate, but he always had a doubt in his heart: who saved his mother and sister.

However, with so many people on the table right now, it is difficult for him to question Zhiyu in detail, so he can only temporarily suppress this question to the bottom of his heart.

Just when he and his family were pushing cups and changing cups, the phone suddenly received a WeChat message.

He looked down and saw that it was his grandfather Chengfeng who sent him this message.

He hurriedly clicked and viewed the message sent by Chengfeng, which read: “Zhifei, I want to know if the person who saved your mother and your sister this time is the Chinese who saved you in Japan?

You have always had a relationship with Zhiyu. Get close, you must find a way to get the truth out of her mouth!”

Chapter 2800

Zhifei twitched in his heart, and said to himself, “Why did Grandpa ask?! Is it really the benefactor who saved Mom and Zhiyu?

But...it’s a bit unlikely. The benefactor is in Japan, and Zhiyu was looking for him. She hasn’t got any results for so long. How could he suddenly appear in Wrestvel and save Zhiyu again?

Is he a stalker who has been following Zhiyu in secret? Then Zhiyu has been looking for him for so long, why didn’t he show up? ...It always feels weird and unbelievable...”

Reminiscent of the second uncle and father disappearing in Wrestvel one after another, Zhifei felt even bigger.

“I always feel that it is unlikely that the benefactor is behind this. Otherwise, even if he secretly protects Zhiyu, he doesn’t need to attack my second uncle and my father one after another, right?

The Su family has never offended him from beginning to end, and even suffered a lot from him. Why should he act on the Su family?”

After thinking about it for a long time, Zhifei couldn’t understand the cause and effect. He could only temporarily put these thoughts behind him, and quietly replied to Chengfeng: “OK, grandpa, I must find a way to ask Zhiyu.”

...

While Liona and Zhiyu reunited with their family and gathered together, Marven also returned to his home.

This trip to Syria did not take too long. Although Marven flew back and forth tens of thousands of kilometers, and many things happened, it was actually just one night.

Therefore, when he returned home, his wife Avella, his father-in-law Dave, and his mother-in-law Viola were very surprised.

Avella had just had dinner with her parents. Seeing Marven came back, she hurriedly stepped forward to help him take off his coat, and said in surprise: “Husband, why did you come back in such a short time when you went out this time?”

Marven smiled and said, "This time the matter was relatively simple, I came back directly after handling the things."

Avella hurriedly asked: "Then have you eaten dinner? I made the noodles at night, which was quite delicious, so I will order you some noodles?"

Marven asked curiously: "Avella, aren't you busy during this time? Why do you have so much time today, and you still have to cook by yourself?"

Avella smiled and said: "I went to the Emgrand Group for a meeting this afternoon. The first phase of the plan has completely passed the review of the Group, so I can relax a little bit. It just so happens that I came home early today, and spent some time in our vegetable garden.

The garlic moss grows quite well, so I picked a little bit and cooked the garlic sprouts fried pork, and marinated noodles."

As she said, she hurriedly took Marven's hand to the restaurant, and spoke as she walked:

"It's such a short time for you to go back and forth. It must be very hard to travel too much in a short time. I will cook the noodles for you!"

Seeing Avella caring about him so much, Marven was also moved in his heart, nodded lightly, and smiled: "Then it will be hard work for you wife."

Avella smiled sweetly: "There is no hardship, no hardship at all."

Entering the restaurant, father-in-law Dave and his mother-in-law Viola had just finished their meal. Seeing Marven come in, Dave said with joy:

"Oh! Good son-in-law is back, where did you go this time? You came back so soon."
