

## The Amazing Son In-Law Chapter 2811-2820

### Chapter 2811

Zhifei came to Zhiyu in the middle of the night with one goal in mind: to find out what Zhiyu and mother had been through and who had saved them.

He also overheard his mother explaining the particular process of her encounter, which is the so-called version of the tale in which a mysterious individual was there who saved them but never turned up, at the dinner table.

Zhifei still has the feeling that something is wrong, even though there are no apparent flaws in reasoning.

Furthermore, his grandfather Chengfeng suspected that this incident was linked to his Grace, who had saved him and his sister in Japan, and he wanted to speak with Zhiyu privately to see if she could make sense of her.

“Zhiyu, you haven’t suffered much these days, right?” Zhifei inquired as soon as he entered Zhiyu’s bed.

“No...” says the speaker. “Father, didn’t you mention that you didn’t have any resentment at the dinner table?” Zhiyu asked, moved. “Instead, I ate and slept every day and developed a lot of meat.”

“There’s none...”

Zhifei sighed and exhaled a breath of relief: “Brother is worried that I will be affected.

After all, it would be difficult to sustain minor injuries in such a large car accident.”

Zhiyu agreed and listened to what he said: “It’s only a minor issue. After all, they’d assembled a highly qualified medical staff.”

Zhifei inquired, intrigued:

“What did you think about the mysterious person who rescued you and mother, Zhiyu?

Why did they come to your aid quietly? And they continued to handle you quietly, without warning the outside world.”

“I’m not sure.” Zhiyu shared her thoughts as follows:

“I’m not sure how to say this... After all, I haven’t seen anybody and they haven’t explained why they have come to save us...”

“Zhiyu, sharing the truth with your brother, is there any secret that you didn’t say in front of grandpa and others at the dinner table?”

Zhifei asked seriously.

“No, I’m talking about the actual case,” Zhiyu said quickly.

“Zhiyu, the one who rescued you and mother, isn’t he the Grace, right?!” asked Zhifei, frowning.

Zhifei’s abrupt sentence caught Zhiyu off guard. She came to her senses after a while and immediately denied:

“Why would this happen... I had previously exhausted all avenues for locating my Grace. Furthermore, the Grace should be in Japan, and he will not visit Wrestrvel.”

### **Chapter 2812**

Zhifei has been watching Zhiyu’s expression for a while now.

Zhiyu’s face was clearly uncomfortable and anxious when he spoke about Grace, and her denial was also a little bit of a cover-up, he noticed.

He was almost positive that his sister was lying based on his interpretation of her.

The Grace who saved him and his sister in Kyoto, Japan, should be the one who really saved her and mother this time!

Zhifei got jittery just thinking about it!

“Grace is a top-tier specialist with outstanding strength.

He stays unharmed and can easily destroy many top ninjas on his own.

The Su family would almost certainly be unable to withstand such strength...”

“It would prove that he was in Wrestrvel if he really rescued Mom and Zhiyu!

This will include an explanation for the second uncle’s and father’s disappearances. There isn’t a second choice besides him...”

“Even though he rescued Mom and Zhiyu, if this is done, he will most likely be on the opposing side of the Su family...”

As a result, Zhifei decided to get more details.

At this point, he sighed lightly, looked at Zhiyu, and said, somewhat disappointed:

“Zhiyu, we grew up together and have always had a great friendship, as well as having shared life and death in Japan.

There are 11 million reasons in my heart for your good, what can you hide from me as an older brother?”

When Zhiyu heard this, she couldn't help but feel bad, and her tone of voice became even more bottomless, and she said, "Brother...I don't have..."

Zhifei enquired: "Are you a total moron? I haven't seen you in a long time? You're in this state, so you're obviously lying."

Zhifei, as he put it, said helplessly: "Hey, what are you trying to hide from me by saying this?"

The Grace is not just your Grace, but also mine. He saved our lives, and I know you and I both want to repay him! If he really saved you and mother this time, then he owes our Su family four lives.

If I have the opportunity, I would kneel to thank him in person, but you keep covering up here; won't I ever have the chance to thank my Grace in person?"

Zhiyu's psychological defense was shattered all of a sudden.

She was unaware that her brother Zhifei had already started moral kidnapping.

She found herself in a predicament all of a sudden.

On the one hand, she promised Marven that she would not reveal his true identity

Her brother, on the other hand, seemed to have figured out the gist of the situation and stated that. Now she didn't know how to deny it.

Chapter 2813

Zhiyu felt like this after thinking about it: "Because my brother guessed correctly, I'll confirm his guess so he doesn't get upset.

I will not reveal any additional detail about Grace."

"Brother, you guessed it right, Grace saved me and mom..." she had no choice but to say.

Zhifei felt a groan in his chest.

"Of course..."

"It is indeed very fiery..."

Grandpa has never seen Grace, so he can assume he is the one.

I'm afraid I won't be able to recall this degree unless he reminds me..."

So he pretended to be ecstatic and exclaimed enthusiastically:

"Oh, no! It is, without a doubt, my Grace! That's awesome!"

When would you take me to meet my Grace, Zhiyu? I need to thank him personally!"

“Brother, I don’t know where the Grace is...” Zhiyu hurriedly said.

Zhifei inquired, surprised: “What exactly do you mean? Didn’t you happen to note Grace’s details?”

Zhiyu expressed her thoughts as follows:

“I saw him, but Grace remained silent and advised me to keep my mother’s identity a secret.

His last name is unknown to me, and mother and I were previously limited by him. We don’t have any more details about him.”

She expressed her fear that Zhifei would not believe her and then added: “Grace is a mysterious man who refuses to reveal anything about himself. You are also aware of this.

Don’t mention him the first time he saved us. He didn’t want to say anything to the two of you.

Perhaps this top player has a bad temper...”

When Zhifei learned this, he couldn’t help but be saddened.

He didn’t have any doubts about Zhiyu’s argument.

Since that Grace is extremely low-key and cold, unable to leave any traces for anyone.

He hurriedly said, “Thinking about this,” “Grace, in my opinion, must be in Wrestvel.

Then we’ll be free to continue searching for him.

The variety is much narrower this time than it was previously. I assume we will be able to follow some leads!”

Zhiyu feared her brother would notice the hints, so she pretended to agree with him and nodded repeatedly:

“You are right, brother! This is something I was just curious about.

It should be much easier to find Grace now that we can narrow the distance to a city in Wrestvel!”

She hurriedly said again after she finished speaking:

“However, we must maintain a low profile and avoid making a big deal out of it.

After all, he’s concealed his identity, and he doesn’t want us to find him. If he sees us, he will become enraged, even aggressive. Perhaps he’ll leave Wrestvel!”

Chapter 2814

When he had the information he needed, Zhifei told Zhiyu,

“Zhiyu, you must be tired as well, so take a break early and we’ll talk about it tomorrow!”

“All right, brother,” Zhiyu said with a nod.

“All right, I’ll go back to my room and relax,” Zhifei said as he stood up.

Zhiyu returned to the bed after sending him to the door.

In her mind, she was still thinking about Marven’s appearance, and the entire person was completely absorbed.

Zhifei entered the room with trepidation at this point. “Grandpa, I asked Zhiyu, this time who rescued her and mother.

It is indeed the Chinese who saved us both in Japan...” he said in a voice message to his grandfather Chengfeng.

Chengfeng sat alone in the study, not sleepy, and drank tea. He suddenly slumped in a chair after hearing this, unable to move for a long time.

“How can such a powerful person be an enemy of the Su Family?” he wondered aloud.

“Could it be...Is it because I enraged him over Liona’s actions?” he wondered.

“But what does this have to do with defensiveness and offensiveness? Why are they kidnapped?”

“That guy saved Zhiyu twice; he must have a close relationship with her; if Zhiyu enrages me because of her mother, this mysterious master will undoubtedly be used by her in the future, and it will undoubtedly be to my detriment.”

“Furthermore, even if the He family agrees to work with me again, I’m afraid it will be a drop in the bucket; this person is too powerful to imagine, how can this family match him?”

Chengfeng was even more terrified at this point.

“I just take the initiative to plead guilty to Zhiyu and her mother,” he reasoned, “and if Zhiyu can alleviate the hatred toward me, it might be changed...”

But then he thought to himself, “No...this appears to be incorrect!”

“Even if Zhiyu despises me, she has no reason to despise her biological father! Her father was sent to Australia by me and was not involved in the car accident that killed her mother, so she has no reason to let the master attack her father.

Furthermore, her second uncle has nothing to do with this matter, but both of them have vanished one after the other.

“In this way, the whole thing seems to be different from what I thought before; this enigmatic master shouldn’t act solely on Zhiyu’s preferences; he should act on his own preferences...”

“Because his criteria is based on his own likes and dislikes, he must target the Su Family and my children for his own reasons...”

“When did my Su family offend him?” asks the narrator.

Chengfeng was on the verge of going mad, and he couldn’t find out why.

He now just has the impression that the individual as a whole is extremely insecure.

Chapter 2815

After all, the adversary was capable of killing many top ninjas with his own hands.

If he really comes to the gates, I’m afraid the Su Family’s current defensive ability won’t be able to handle it!

He immediately dialed Anson after thinking about it. He blurted out, “Anson, where are you?!?” as soon as the call was connected.

Anson’s surroundings were a little claustrophobic, and the helicopter engine roared loudly.

“Boss!” yelled Anson, “I’m going to Mocheng; it’s just around 100 kilometers away, and I’ll be there in half an hour!”

“Anson, please remember it for me; in any case, you must invite the He family to me; even if it doubles on the basis of 2 billion, I will not hesitate to let them go as quickly as possible; let the family move to this Suzhou within a short period of time!” Chengfeng hurriedly said.

“Master, is there anything wrong?” Anson inquired.

“Don’t ask too many questions,” Chengfeng exclaimed.

“Remember what I said: it’s best to let them leave early tomorrow morning, and then I’ll send a big plane to pick them up!”

“All right!” Anson said quickly, sensing the urgency of the situation. “Then I’ll try to persuade Luther tonight!”

After a half-hour.

A low-altitude, fast-flying helicopter interrupted the calm of Mocheng in the middle of the night.

The helicopter flew by, heading straight for He’s compound.

Luther was waiting in the courtyard at the time, wearing a thin coat.

Before getting off the plane and switching to the helicopter, Anson called him.

Luther didn't want to see the Su family at all, even if it was just the Su family's housekeeper.

Anson, on the other hand, said that he was sent by the old man Su and that he didn't look at the monk's face in order to see the Buddha's face. Luther was a little perplexed.

He knew in his heart that, despite the fact that the He family was a martial arts family with a natural aptitude for fighting and killing, they were nothing compared to the Su family.

Martial arts masters have only represented the wealthy since ancient times.

Who would dare to provoke the wealthy, aside from the fledgling stunners?

Even a martial arts family with hundreds of years of history, such as the He family, should not offend the powerful;

otherwise, if you really annoy the other party, the hook might ruin the He family's hundreds of years of history.

As a result, Luther thought that if Anson came on Mr. Su's behalf, he couldn't explicitly contradict his face, but he had to do a good job on the surface.

Chapter 2816

Tom, the He family's eldest son, is also present with Luther.

Roma's eldest brother and the foundation of the He family's next generation.

Luther's face was more or less grave as he watched the helicopter land slowly, thinking that he must be respectful and polite to the Su family who murdered his granddaughter.

He felt more or less receptive at times.

"Dad, once you meet Anson, you must contain your emotions and don't get angry with him!"

Tom reminded him before the plane landed.

After hearing this, Luther felt uneasy.

In reality, he was well aware that he would never be able to anger Anson.

However, what the eldest son said made him annoyed.

But he also knew that even though he held back the flames, he wouldn't be able to turn his face away from Anson, which made him even more uneasy.

Anson's trip's intent had already been deduced by Tom.

Su's family is on the lookout for He's family, and they're just looking for one thing: The Su patriarch wants his family for something.

In reality, the He family is devoid of any other abilities.

If Su's is a supermarket, then there is only one thing in this store.

It reminds him a lot of the street vendor selling candied haws. Who has driven a long way to see him.

Other than buying candied haws, what else would he do?

As a result, he was confident that Anson would come over this time, and he was determined to get the He family back to the Su family.

This is just what he had wished for.

Since his eldest son's life has been extremely tight after the He family separated from the Su family and absolutely ended their cooperation.

On weekdays, the He family used to provide cultivation for younger generations, which would have cost a lot of money, particularly since they have now lost their source of income.

It's nothing more than a way of securing a source of revenue. What's more insane is that he spent hundreds of millions to track down Ruoli.

Even though a few hundred million is a large amount of money, he really wanted to use it to find someone in the sea, and the money is insufficient to feed the sea.

What about the sea? It occupies 70% of the planet's surface area! A US aircraft carrier formation was thrown in, and 99 percent of the world's countries couldn't figure out what it was, let alone a Ruoli?

Chapter 2817

In reality, Tom was opposed to the search for Ruoli from the start.

He believed that at the time, the whole world understood that Elder Su had betrayed Ruoli, and that the He family had no choice but to look for Ruoli, not the right one. Didn't it just mean that Elder Su was opposed to him?

The best option is for the He family to say or do nothing, allowing the old man Su to see that the He family is still on the Su family's side and is able to accept Ruoli's fate for the Su family.

In that scenario, Elder Su would certainly provide more benefits to the He family, and Ruoli would be considered a successful death because she used her life to provide more benefits to the He family.

Unfortunately, sister Roma was enraged by Ruoli's murder, and the old man had to draw a straight line between the He family.

This is awesome.

Ruoli's death may have been traded for certain benefits, but the benefits were not exchanged, and the He family's own income was fully taken into account. It was too irrational in his mind.

As a result, he is now very willing for the He family and the Su family to re-establish a cooperative relationship.

Tom's hopes were shattered when the helicopter landed safely in the courtyard.

Anson jumped out of the helicopter and stuck out his hand from a long distance, trotting all the way to Luther until the blades completely stopped.

Anson took the initiative as soon as he entered, taking Luther's hand and politely saying, "Mr. He, I haven't seen you in a long time!"

"Anson, it's been a long time since I saw you, how have you been?" Luther could only sneer.

Anson sighed and said, "No, it's not at all pleasant. Is it possible for me to be happier without you?"

He hurriedly said after he finished speaking: "The master demanded that I greet you alongside him, and he also listed the previous events. He has always been deeply remorseful and apologetic.

The master had intended to visit in person, but it was a long journey and the master's health doesn't make this possible. His body can't bear tossing because it's too heavy, so I can't help but come for him..."

"Oh, how can he, how worthy to make Master Su miss so much..."

Luther can only tell with a flattering expression.

He quickly made a motion and said, "Anson, it's too cold outside; come inside and chat!"

"Mocheng is so cold, I think it will be minus 20 degrees, right?" Anson nodded repeatedly and sighed.

"The minimum temperature tonight is minus 35 degrees," Luther said lightly.

"Hey..." says the voice. Anson said with a smile, "This is much too frightening. Let's go inside and chat because otherwise my body would be totally frozen in no time..."

Luther guided him to the main hall, a step ahead of him.

### **Chapter 2818**

Anson couldn't help but inquire as soon as he stepped into the main hall: "Why is this room so frigid, Mr. He?"

Despite the fact that Orgeyon is very cold in the winter, the room is heated and the temperature is above 20 degrees Celsius.

I'm afraid it's not even ten degrees in your bed..."

Luther said with a smile: "The He family's exercises are particularly special. It's preferable if the temperature is as low as possible. We came to Mocheng for that purpose.

The main hall has some heating, so the temperature remains above freezing and the water does not freeze.

If you go into the room where the children live, you will note that there is no heating and that the temperature is usually about minus ten degrees."

"My mother..." says the speaker. "Fortunately, I am not a part of your family, otherwise I would have frozen to death..." said Anson, shrugging his neck.

"Tom, go get Anson a basin of charcoal fire, and let people turn on the heating," Luther said to Tom, who was following.

"Great father," Tom hurriedly said.

"Tom, thank you for your hard work!" Anson said with a smile.

Tom isn't as qualified as his father, so he treats Anson with respect. He politely bowed slightly and said:

"Su steward doesn't have to be so polite. Only a second, and I'll be right here."

Anson was asked to sit in a cold wooden chair by Luther. He had just sat down and couldn't help but get up.

He remarked, "Hey, old man, I'll sit and wait for the charcoal fire to return. I can't bear it because it's too cold..."

"It's because we didn't entertain you well," Luther said, nodding.

"Where is it, I came to disturb you at night, it was too presumptuous," Anson hurriedly waved his hand.

Luther didn't continue to be friendly with him, instead of asking, "Anson, I wonder if Master Su asked you to come this time, what's the matter?"

Anson quickly replied: "This is the case, Mr. He, because of Ruoli he feels he is genuinely guilty and ashamed of the past.

He knows you're upset with him, so he sent me over to see you and tell you about his care and his apologies. I'm also hoping to turn fighting with you into jade silk."

### **Chapter 2819**

Luther said, with a dry chuckle, "Please tell Master Su that if Ruoli's surname was Su after all, even though it was my He family who raised her to adulthood, it's the same as sending her back to Su's time.

The Su family received her back. Master Su made the decision to kill her in order to save the Su family. He does not have to apologize to me because I am Ruoli's grandfather and also an outsider."

Luther didn't say it out of the goodness of his heart.

He had a deep affection for Ruoli.

Chengfeng had betrayed Ruoli and was bitter about it.

He was aware, however, that his power was too far away from that of the Su Family.

He would certainly turn the Su Family into an enemy if he said he despised the He Family in front of Anson today.

As a result, he purposely used rhetoric to indicate that Ruoli was a member of the Su family and that he is an outsider.

On the one hand, he couldn't offend the Su family directly on this topic. He may, on the other hand, indirectly express his disappointment with the family.

After all, a person who can even sacrifice his own granddaughter is unworthy of Luther's continued friendship, so the best thing to do in the future is to go their separate ways, and no one can bother each other.

Anson is a human, so how can he not understand what Luther is saying?

Despite this, he proceeded to speak in a witty manner: "You are right. Ruoli must be of the Su family's bloodline since she is the illegitimate daughter of the eldest young master.

However, if this is the case, the master always has feelings for you and your kin. For Ruoli, he is extremely guilty, as half of the blood in her body comes from the He family..."

Luther was irritable, to say the least. Anson, he learned, was still afraid to move the conversation away from Ruoli.

Why did he hold on to this topic when he didn't want to talk about it?

Anson, just as he was becoming perplexed, said: "In fact, what the master meant was that the He and Su families do not have a typical master-servant relationship. After all, the He's have built a bloodline for the Su's.

The master is extremely aware of this and is hopeful that he will be able to make amends."

Luther's eldest son, Tom, came in with an iron charcoal-burner while they were conversing.

He was overjoyed as soon as he heard this. He couldn't help but wait in anticipation for Anson's surprise as he put the burner in front of him.

He was curious as to what the Su Family Master was able to do in return for the He Family.

Anson reached into his inner pocket and pulled out a check, which he handed to Luther and said, "This is a one billion yuan cash check, Mr. He. I was ordered by the master to deliver it to you."

### **Chapter 2820**

"One Billion?" you might wonder.

Tom on the side was startled as soon as the paper was taken out.

This amount is very frightening.

May equal the entire He family's previous two-year income.

Furthermore, the He family is currently facing a financial crisis. Tom is both excited and overwhelmed by the one billion cheque.

This number alarmed Luther as well.

Father Su shocked him by offering one billion in cash with a wave of his hand.

However, he realized deep down in his heart that the Su family's money could not be taken so easily.

It's something you can think about with your toes, and the money isn't exactly secure.

Rather than taking the check, he asked, "Anson, I'm curious why Master Su asked you to take this check with you?"

Anson said solemnly:

"As I clarified that Master feels bad for the He family and hopes to make amends.

He also hopes to be able to preserve the previous cooperative partnership with the He family.

As a result, he confessed to me and asked me to inform you that if the He family agrees to restore cooperation with the Su family, the annual salary will be raised to 2 billion.

It makes no difference if the He family is reluctant. This one billion should suffice as the remuneration to the He's!"

Luther was taken aback at first.

He expected the Su family to want to continue cooperating with the He family, but he didn't expect Su's father's price to nearly quadruple from the previous basis.

What is this definition of two billion a year?

A listed firm with a market capitalization of 40 billion has a profit of 2 billion year-round, based on a price-earnings ratio of 20 times.

Most companies in the domestic stock market have a P/E ratio of more than 50 times.

In other words, tens of thousands of people are busy with their lives in several group businesses with a market value of 100 billion dollars, and their annual earnings are just 2 billion.

And as long as the He family returns to the Su family's arms, they will earn a yearly income of 2 billion, which is equivalent to a golden brick from the sky!

Luther was stunned for a moment, and Tom, on the other hand, was already ecstatic and uncontrollable!

He thought this was a great opportunity that the He family had never considered. The He family would be able to ascend into the sky if he took advantage of this chance.

With this large sum of money, in the future, He family might be able to become the country's top martial arts family!

And he's on his way to becoming the patriarch of the country's most powerful martial arts family!

After this, he and his family would be able to fly!

Luther was also a little giddy.

While he was aware that his daughter Roma has traveled to Wrester to meet the Ye Family's Young Master, he assumed that the Ye Family wanted to work with the He Family as well, but he believed that the Ye Family would not be able to give the He Family such a high price.
