

The Amazing Son In-Law Chapter 2821-2830

Chapter 2821

This amounts of two billion a year!

It is only then that he understood that a person's bottom line could shift at any moment.

At times, he believed his bottom line is crystal clear and his attitude is unwavering. That's because he has never been faced with a strong enough temptation.

There would be no bottom line at this stage if the temptation had exceeded one's psychological standards and even explicitly provided him with a super deterrent.

True, Luther was angered by the Su Family's abandonment of Ruoli, and also their actions of betraying her.

That kind of rage is like a never-ending forest fire that is difficult to put out with ordinary force.

The anger in his heart seemed to be greatly calmed in an instant when he heard the price of 2 billion.

It was as if a sudden wave had rushed through the burning forest with unprecedented speed and intensity.

What if the forest fire is especially ferocious?

Isn't it enough for a tsunami to submerge the whole forest, never mind a forest fire?

The bottom line has been defeated.

For a long time, Anson stayed quiet.

His eyes, like eagles', have been eagle-like in their observation of the father and son in front of him, noting all of their facial expressions, eye, and even movement shifts.

Anson's greatest skill is his ability to observe words and colors.

Mr. Su's eyes are just as accurate as a polygraph after so many years with him.

He can simply and unequivocally determine that the father and son in front of him have been enticed.

He was finally relieved as a result of this.

Surprisingly: "The master remains concerned that two billion would fall short of impressing the He family.

The psychological cost of this family does not appear to be as high as the master predicted. Two billion appears to be a little excessive.

Let's say he started with a billion. Let's talk, there have been several tugs-of-war, and He's family will undoubtedly be settled within 1.5 billion! What a shame, at least 500 million was wasted, and if the price remains the same, 2 billion will be invested every year for the next ten years. It's \$20 billion... which means at least \$5 billion has been invested over the next ten years excessively..."

But then he had a change of heart and thought: "However, the Su family is currently in a state of emergency, and the father's own safety has become a concern. It isn't the best time to haggle.

The top priority is to quickly get the He family over and ensure the Su father's safety. The elderly gentleman must have his own strategy.

For the He family, this price will be retained for a period of one or two years. When the crisis is over, the old man will no longer be able to support the He family at such a high rate."

Anson felt a bit more at ease after thinking about it.

Chapter 2822

"Mr. He, what do you think of it?" he immediately asked Luther.

"I just didn't expect Master Su to respect the He family so much..." Luther felt a dry pain in his throat, swallowed, and then said,

"Of course, our master doesn't respect the He family for one or two days," Anson said with a smile.

Anson smiled as he said, waving his hand and saying:

"Let's not talk about these ridiculous things because I am old. I've only recently relayed the master's words to you. You are the He family's leader, and do you think the He family would recognize the master? You must provide me with a firm answer."

Luther nodded and calmly weighed the advantages and disadvantages of the He family's approval or rejection of this matter.

Guaranteed, the advantages would be multiple.

Returning to the Su family's authority, with enough funds, the younger generations of the family will be able to provide all of the resources required to practice martial arts at any expense.

Perhaps within a few years, the He family would be able to produce a group of exceptional geniuses similar to Ruoli.

This is extremely important to the He family.

Since, once the younger generation's overall strength has improved significantly, the entire He family will easily begin attacking their foes.

The He family has been around for hundreds of years, and every Patriarch's greatest wish is for the He family to rise to the top of the domestic martial arts family.

Climbing to the top allows you to see all of the mountains, both large and small.

One of the eight large families, one of the four large families, or one of the three large families is no more.

Rather, the biggest and most strong!

There's no one left!

This is one of the advantages of working with the Su family.

What, on the other hand, are the drawbacks of agreeing with the Su family?

Luther pondered it as if he had nothing else to think about except his aching heart and pity for his daughter Roma and granddaughter Ruoli.

It's a complete waste of time...

On the one side, his daughter and granddaughter were betrayed by the He family's centuries-old scheme.

Great variations have emerged from the beginning of this balance.

Luther immediately felt like he didn't need to worry about this issue at all.

Why wait any longer?

It is time to begin a new journey.

Chapter 2823

Tom on the side, sweating profusely as he watched his father not respond to Anson's question.

What concerns him the most now is that if his father's brain is short-circuited and he rejects Anson, it would be disastrous.

As a result, he hurriedly stated: "Dad, it's you! Master Su sincerely welcomed us back, and he sent Steward Su directly to invite us. Why should we take our time?"

"I am not hesitant, I am not hesitant, I had already thought about it, but I didn't think about how to say it," Luther said.

However, after considering whether or not his son had responded, he added a step between himself and Anson.

He didn't know what to say at first, but he felt like his son just decided too quickly, and it seemed a little too open for money.

No one wanted to wear such a hat, even though he had truly opened his eyes after seeing the money.

Since the son had spoken first, it was akin to putting on the hat before the money was opened.

You can borrow the donkey from the hill, which is convenient for you.

So he solemnly nodded and said, "Tom is right, Steward Su. This time, Master Su is completely sincere. It's not safe for us to deny..."

"Then Mr. He have you agreed?" Anson, overjoyed, asked hurriedly.

"Yes, I promised!" Luther said softly.

"Wow!" exclaims the speaker. "Master, if he knows this news, he must be very pleased!" Anson slapped his thigh and exclaimed cheerfully.

Tom was also delighted, and he exclaimed,

"Can we set up the follow-up procedure with the steward Su now that we decided to return to the Su family?"

When will it pass, for example, and how will the subsequent payments be made?"

Anson quickly replied: "Tom, because Elder He has agreed, I believe it is best for us to report to the master right away and let him arrange the plane and bus, after which Elder He will quickly notify the entire He family.

Overnight, pack the things. When the bus arrives next morning, we'll all travel together to the airport, where we'll board a special plane to Suzhou."

"Do you want to go to Suzhou?" "Don't you go to Orgeyon?" Luther inquired, shocked.

Chapter 2824

Anson immediately replied: "Isn't it just the first month of the year? The weather in the south is warming up, and spring is in full bloom.

The master has relocated to Suzhou for a period of time, so let us fly to Suzhou to meet with him."

Luther!

However, he had not anticipated the Su family's request being so urgent that he would have to pack overnight and leave early the next morning.

"Steward Su, the remaining one billion, I don't know what Master Su planned for that?" Tom hurriedly chuckled.

Anson said with a smile: "If the He family wishes to continue cooperating with the Su family, Master said that he would arrange for someone to sign the contract as soon as the He family arrives in Suzhou, and the remaining time will be the first time after the contract is signed.

The billions we've spent have been paid in full. We used to pay monthly remuneration, but in the future, we won't be as bothersome and will pay them all annually!"

"Wow, that's fantastic!"

Tom was giddy with anticipation.

Two billion a year is also a significant amount.

It's even more remarkable if it's a one-time bill.

You will save a lot of money if you pay monthly.

Put two billion in the bank and leave it to the bank's fund manager to handle, and the one-year yield will be more than 10% or even more!

Luther was able to quantify the account, and he was naturally happier in his heart, so he said without hesitation:

"In this situation, Anson, let's make our arrangements separately. I'll tell the rest of the family to pack their belongings, and you and Master Su will return here. Then arrange buses and planes based on the circumstances."

"All right!" "In this situation, please ask Mr. He to arrange a room for me, and I will return to the room to organize these items," Anson said excitedly.

"Tom, you've come to make plans for Steward Su!" Luther said, nodding.

Tom laughed hurriedly and said, "It's not a problem, it's not a problem! Su, the housekeeper, please accompany me!"

Anson quickly replied: "You must find a warm room for me, Tom. I can't bear it because it's so cold..."

Tom said with a smile:

"Don't worry, the He family only hires people who sleep in a house without fire, with the rest of the house heated by the floor.

It's nearly 30 degrees Celsius in here, so short sleeves are fine!"

"Wow!" exclaims the speaker.

“Take me over, my scorching face is about to break...” Anson yelled as he wrapped a thick down jacket around his shoulders.

Tom quickly made an inviting motion and said, “Steward Su, please!”

Chapter 2825

Anson rose to his feet and addressed Luther, saying, “If that’s the case, Old He, I’ll go with Tom.

Furthermore, Mocheng is too far away, and getting here is inconvenient.

Planes and buses must, I think, be organized. It’s been late. It’s almost twelve o’clock. Tomorrow morning, we are tentatively expected to depart at ten a.m. What are your thoughts?”

“No problem,” Luther said flatly, “we’ll leave on time tomorrow at ten o’clock!”

“Then I will retire first!” Anson said, smiling and clasp his fists.

After that, he went to the guest room with Tom.

Luther was shocked when he was left alone.

He felt more or less unbearable and guilty when he thought of his daughter Roma.

He realized he couldn’t pass up the chance to collaborate with Su family because of his daughter’s feelings.

As a result, he readily agreed to the family’s offer for assistance.

His only concern now is not understanding how to communicate with Roma. Can Roma blame him if she finds out?

When he thought this, he couldn’t help but feel: “Ruoli is more important to Roma than herself. If I go back to work with the Su family, she will not forgive me for wanting to do this...”

“With the Su family’s two billion in hand, I’ll be able to give Roma more money by then so she can keep searching for her daughter. This, too, is a viable option.”

“Roma would not have to go to Su’s house at that time. Simply take the money from Su’s house and go outside to look for Ruoli. Even if she never finds her, if I let her search like this, she will be fine.....”

He felt a bit more at ease at this stage.

While the time was a little late, to a practicing family member like Roma, it was nothing.

So he took out his phone and dialed her number.

Some terms, he thought, needed to be explained ahead of time.

If you wait until tomorrow, after the entire family has gone to Suzhou, to tell Roma, she will undoubtedly be upset.

Perhaps if your first step with love, then understand with reason, and then pair with the promise of money, she'll understand and embrace her his arrangements!

Chapter 2826

Roma did not rest at this time.

She and her daughter were talking nonstop on the bed in the Wrestvel Shangri-La Hotel.

At the time, Roma was in a really good mood.

This is something she hasn't seen in a long time.

It was more surprising than God's favor and the Bodhisattva's blessing to her today.

The daughter is still alive, and her cultivation has advanced to the point that she has become the first He family member in a century.

And the handicapped, such as herself, were given a wonderful opportunity.

Marven also promised the He family five pills and a yearly payment of 100 million.

For the He family, this is unquestionably the most rare and valuable opportunity in hundreds of years.

Initially, she was eager to return home and notify her father.

But, after all, she hasn't seen her daughter in such a long time that it feels like a farewell.

As a result, she plans to spend tonight in Wrestvel with Ruoli before returning to Mocheng the next morning.

After all, there are far too many thoughtful things to say between the mother and daughter.

Ruoli was vividly explaining the situation with her mother when Marven saved her at sea at the time.

"This man will transform her unsmiling and extremely cold daughter into the appearance of the cheerful and shy girl today,"

Roma thought as she looked at her daughter's excited expression like a girl. The allure is incredible. "It's impossible to fathom..."

"However, this is helpful to Ruoli."

She had been too cold previously. In Su's home, she was taught how to be a cold-blooded murderer.

She had been reduced to nothing more than a killing machine.

She can see her regaining the qualities that a normal girl should have.

As a mother, it appears that she is much more relieved...”

Roma’s phone rang at this precise moment.

“Ruoli, switch the phone to mom,” she said with a smile to Ruoli.

Ruoli hurriedly stretched out her hand, snatched the charging telephone from the bedside table, looked down, and saw that the caller was her dad, and exclaimed, “Mom, grandpa is calling!”

Chapter 2827

“Are you serious?” “Your grandpa must have something important to call so late,” Roma said hurriedly. “Hand it over to me.”

“Mom, don’t forget that we told the Master not to expose my condition to the outside world,” Ruoli said, nodding. Don’t forget about it!”

“Don’t worry, mom knows it, don’t speak,” Roma said solemnly.

“Dad, what’s the matter for calling so late?” she asked after she finished speaking to Ruoli and connecting the call.

“Roma... there is something, dad has to tell you, don’t be angry after you hear it,” Luther said embarrassingly.

“Father, please tell me,” Roma hurriedly said.

“Ahem...it,” That’s Luther said after coughing twice.

Anson unexpectedly arrived in Mocheng tonight...”

“Anson?” says the narrator. “What is he going to do in Mocheng?” enquired Roma, frowning.

“That’s right, Mr. Su sent him over in the hopes of letting go of his grudges and cooperating with the He family once more,” Luther explained.

“Will you cooperate once more?” Roma erupted in anger and screamed, “Dad!” Ruoli was killed by Chengfeng. She is not only his granddaughter, but He’s granddaughter as well!

The He family will no longer have anything to do with this kind of guy because he has no love or affection in his eyes!”

“Roma, these things you are talking about dad understands,” Luther sighed helplessly.

To be honest, your father despises Chengfeng just as much as you do, and I even wish to kill him, but what’s the point? We can’t help ourselves.

You've been fighting with the Su family for a long time. We decided to leave the Su family after Ruoli's accident because of this, but we did not want to keep the Su family liable. In the end, there is still a large strength difference..."

"I confess that the strength gap is too great, and I never considered allowing the He family to go against the Su family and take revenge for Ruoli, so the matter of leaving the Su family and Ruoli at the start,"

Roma raged. Take it in stride; I, for one, will embrace it..."

"What I can't understand is that you now wish to cooperate with the Su family again," Roma exclaimed again. Isn't this implying you're looking for tiger skin?!"

Chapter 2828

"Roma!" said to her father, sighing. This time, the Su family's price is so tempting that he can't say no. "I have to think about you and Ruoli, as well as the rest of the He family."

The He family is now in a tough situation. Our family consists of over a hundred members, half of whom are elderly and frail, women and children, and half of whom practice martial arts.

There isn't a single person in this group of a hundred who can make money. Everyone is a hungry mouth that needs to be fed!"

"Recently, the whole He family has been struggling to save money.

The elderly and children's living costs have been significantly reduced.

Cultivator rations have also limited the supply of certain medicinal materials.

If this trend persists, the He family's relative power will be isolated from that of other families within five years. There is a significant disparity.

We'll never be able to hold one of the four major families' seats by then. I'm afraid we won't even be able to stay in the top ten.

In my our, the ancestors' base will be broken!"

"But now, the Su family is able to continue cooperating with the He family at a price of two billion a year," Luther said, a little excitedly.

With these two billion, the He family's current condition can be rectified in a single phase.

When the time comes, complete change, or even to an unimaginable new stage, the elderly in our family will have sufficient living security, children will have sufficient growth security, education security,

and, most importantly, the younger generation who is working hard to nurture will be greatly aided. Our He family may be able to become the country's top martial arts family in five years.

The revival of the He family is just a matter of time!”

When she heard this, Roma couldn’t help but sigh and say:

“Dad... the so-called eight martial arts families, four martial arts families, and even the country’s largest martial arts family.” These are all made-up names with no practical sense...”

“What are you talking about? Roma!” said Luther, a little glumly.

How much work did our forefathers in the He family put to elevate the He family to one of the country’s four big martial arts families?

You said that such a thing does not exist. Is this true in some way? Is this deserving of the forefathers?”

“Dad, before today, just like you, I believe the He family can become one of the four big martial arts families in the world,” Roma said solemnly.

The meaning is far-reaching and invaluable among them, but I now completely understand that we are nothing more than frogs at the bottom of the well.”

“Dad, can you believe that someone in this world can directly link a person’s Ren Vessel to the realm of Dacheng by himself?” Roma paused before saying,

“Can you believe that someone in this world can directly connect a person’s Ren Vessel to the realm of Dacheng by himself?”

“Isn’t this a fantasy?” Luther exclaimed. There are many masters among the He family’s ancestors, but who can truly enter the domain of Renmai Dacheng?

Meridians Dacheng is an ideal state, as if people will live indefinitely, but consider it!”

“So that’s why I said, why we’re the frogs at the bottom of the well,” Roma sighed. The martial arts path has always felt very powerful to us.

Counting on it, it’s possible that we won’t be able to defeat the opponent on our own, and that we won’t be able to avoid the opponent with a pass...”

Chapter 2829

Luther was perplexed as to why Roma said that.

“Roma, what’s wrong with you?” he exclaimed, shocked. Why do you suddenly start talking gibberish?

You claimed that the He family as a whole might not be better than one person. I’d like to know who is so strong.

Is that what there is to it? “Does that happen to be Master Ye?”

“Dad, I’m not talking nonsense,” Roma said solemnly. We used to have a limited perspective and believed that martial arts are the pinnacle of power.

This is a huge blunder. In reality, in the eyes of people of higher realms, even ants aren’t as good as the martial arts we consider normal...”

“As for Master Ye, I can’t give you many details over the phone, but I can assure you that he is not in the pool.”

Cooperation with him on time is the only way out for our family in the future!”

“What kind of cooperation requirements did the Ye Family Master offer us?” He asked, his face beaming.

“Can he give like the Su family up to 2 billion per year?”

“Master Ye will give 100 million yuan a year for the He family, as well as some training tools that can’t be bought for 2 billion yuan,” Roma said.

“A hundred million?” you might ask. “This little money is to give beggars?” snorted Luther.

What, after all, do you mean about cultivation tools that aren’t worth two billion? What exactly is it? “Is it a two-billion-dollar medical substance?”

“Yes!” Roma said enthusiastically. These drugs, in my opinion, are worth at least several billion yuan, if not several billion dollars, and they may not be affordable!”

“What kind of medicinal materials are they?” Luther inquired quickly. “Tell me everything!”

“They are five medicinal pills with excellent effects,” Roma said.

“Wait, what?” Luther was taken aback: “He will give only five pills?” “Are you sure it’s not five trains, but five pills?”

“It is only five pills,” Roma said solemnly. The results of these five pills are amazing, beyond belief!”

“I just can’t think of any pill that can be magical to the tune of \$400 million!” Luther smirked as he listened.

Do you know how many rare medicinal materials two billion can buy? While five trains could be an exaggeration, there is always a complete train carrying thousands of tonnes of valuable medicinal materials!

It can make a lot of Qi San and wake-up syrup, plenty for our family’s younger generation to use whenever they want! It makes no difference if you eat it!”

Chapter 2830

“What about Buqisan and Xentel Decoction, even though they are really eaten?” said Roma, shaking her head. It may not be worth a pill after ten years.”

“Roma, I understand that you are reluctant to believe that the He family will cooperate with the Su family again,”

Luther said angrily, “but you should not doubt the He family’s decisions because of your personal emotions.”

What a great achievement! Buqisan and Body Rejuvenation Decoction are two of the He Family’s most significant core strengths to date.

How will I get through the three meridians without these two things? “Why do I find out about the He Family’s status?”

“Dad, I’m still not talking about it,” Roma hurriedly said. You will automatically understand when you see this pill...”

Luther, who had no faith in Roma’s words, sighed and said, “Roma, I have already considered it.”

I’ll send you another 200 million to locate Ruoli’s once the Su family’s 2 billion payment is made.

So, do you think you have a better chance of finding Ruoli?”

“Father, have you agreed to Anson?” Roma asked helplessly.

“Yes,” says the speaker. “I promised Anson,” Luther said. “Later, I’ll inform the He family of my decision.

I’ll be leaving for Suzhou at 10 a.m. tomorrow.”

Roma knew that there were several things she couldn’t tell her father over the phone, and that even if she did, he wouldn’t believe her.

If she tells him, for example, that her new Ren Vessel has become a big deal, he would most likely dismiss it as an illusion.

He would not believe her if she told him that someone had given her medicine and that all he needed to do was take one medicine to make his cultivation advance by leaps and bounds and even achieve a qualitative breakthrough.

It is difficult to believe in things outside the scope of one’s cognition if one’s cognition is limited by inherent cognition.

If you let him see it for himself.

It’s pointless to say anything if that’s the case.

“Dad, don’t rush to agree,” Roma hurriedly said. Even if you agree, don’t take the whole family.

And wait a while for me. I need to speak with you face to face about some important matters.

I'll return early tomorrow morning, and I'll be there as soon as possible in the afternoon!"

"Roma, I promised Anson," Luther said. "Maybe he has already told Mr. Su about the situation."

"It's fine if he agrees," Roma hurriedly said. Su family members have the desire to sell their own flesh and blood.

What if anything goes wrong? The most important thing I want to tell you about is the He family's future.

Regardless, you must pay attention to me. Only after you receive the information you can make a decision!"
