

## The Amazing Son In-Law Chapter 2841-2850

### Chapter 2841

Luther's lifelong ambition is to see the He family prosper under his control.

He is willing to give everything, including his life, for this.

That is why he was able to stand in front of two billion people and endure the blood and guts of his granddaughter Ruoli, because, in his opinion, the granddaughter is important, but not as important as the future of the entire He family.

When he saw Roma's progress, however, he realized that this kind of opportunity is far more valuable and rare than money.

With 2 billion RMB in hand, he can only ensure that dozens of He family Children will receive some assistance in cultivation; however, the assistance that ordinary medicinal materials can provide is limited; even if two billion is spent on one person, it will be impossible for him to succeed.

As a result, he can determine which is lighter and which is heavier.

So he swallowed his disbelief and challenged Roma to prove it:

"Roma, the reason why your Ren Vessel is able to achieve great success and your main Vessel's rise from 20% to 40% is because you have taken this kind of pill?!"

"Yes," Roma said solemnly, "Dad, say nothing; you'll know if you take one!"

"I'm 80 out of three. If this god pill is so amazing, it would be a waste of my time to take it. I think it's better to call your eldest brother over and let him have a try!" sighed Luther as he placed one of the pills in his mouth, hesitated for a moment before putting it down again, and sighed with a smile.

"Dad, you are the head of the family; whether our He family will cooperate with Master in the future will also be up to you to decide; so you should take one first and see the effect, and you are our He family's strongest strength and highest cultivation base, after subscribing to this god pill, the cultivation base can definitely go further," Roma hurriedly said.

"Then I'll take one for now and try it!" Luther thought for a moment, nodded lightly, and sighed.

Put the pill in his hand into his mouth after that.

In the mouth, the elixir melted.

Through the three meridians opened up by Luther, the surging internal force spread from the abdomen to the entire body and gathered in the dantian.

Ren vessel, which had previously scored 70%, was immediately inspired to greatness by this powerful internal force!

The Du Channel was originally passed by 50%, but under the influence of the medication, it increased to 70%!

Chongmai, which had previously reached 20%, has now directly doubled to 40%!

And the vein on the fourth meridian, which he had been trying to crack through for decades, was loosening as well!

### **Chapter 2842**

Luther was overjoyed, believing he had a chance to bypass the pulse, so he sat down on the ground, fighting for his life and the surging internal force in his body that was attacking the pulse.

Ordinary people's eight meridians of the odd meridians are inherently closed, and martial arts practitioners must do everything possible to pulse open the eight meridians that are originally blocked if they want to outperform ordinary people in strength.

But, oh, what a challenge it is to break through the eight meridians!

You can become a master in the eyes of ordinary people and enter the gate of martial arts if you break one, but most martial arts practitioners will stop here, and most of them will not be able to get through Ren Du's two channels in a lifetime;

If you can crack two, you'll be one of the few martial arts practitioners in the world today, and you'll be considered a martial arts master.

If you can get past these three, you will undoubtedly be among the top ten martial artists in the world.

When it comes to breaking through the four points, none of the dozens of martial arts families, large and small, can compete.

Luther believes that if he can break through the fourth meridian, he will be the pinnacle of Chinese martial arts practitioners.

He was shocked to discover that a significant portion of his body's surging medicinal power was desperately flowing into his internal organs and body via various blood vessels and nerves, just as he desperately wanted to realize this ambition.

It felt as if his entire body had dried up at this point, and the medicinal effect of that god pill was beyond his understanding.

Originally, he intended for this state to use his entire pulse, but due to the body's dryness, a large portion of the blood was unable to flow to the pulse and was quickly absorbed by the body.

He felt his body functions had been greatly restored and strengthened almost immediately afterward. When his body felt a few years younger, but the medicine's impact was dragged down by the body, and he was almost drained, there was no extra energy to go. Start a collision with the belt pulse.

## Chapter 2843

Roma kept staring at her father and was surprised to notice that his expression had improved significantly and that his skin didn't appear to be as old and shriveled as before.

She wanted to know if her father's cultivation level had improved significantly, but she didn't dare to interfere, so she had to keep her surprise to herself and wait for him to wake up and speak.

Luther immediately opened his eyes after a moment, and tears rolled down his cheeks.

"Dad, why are you crying? How are you feeling?" Roma hurriedly inquired.

"This divine pill is really amazing, and the power of the medicine is so terrifying," Luther said quietly, a little annoyed.

"I originally wanted to take the opportunity to attack the veins and open the fourth meridian, but unexpectedly, my body is indeed too old, dragged a lot of hind legs, more than half of the medicine power was sucked by this body, too much of it is sucked by this body.

"Dad! How could this be a waste! After all, you are over eighty years old, and your body's internal and external functions are severely degraded. This magic pill distributes the efficacy of the medicine to your body, and it will definitely delay your aging.,

It can even extend your lifespan. This is a good thing! In my opinion, you will be able to live over a hundred years!" said Roma hurriedly.

"If I can break through the four meridians, even if I only have three to five years left to live, I will be willing to live..." said Luther, regretfully.

"Dad! Or take this magic pill too! Maybe you'll be able to break through the fourth meridian in one fell swoop!" Roma exclaimed as she handed another pill to Luther.

"Don't, don't, don't! I am a bad old man, not really worth wasting another magic medicine!" Luther snatched her hand away and exclaimed guiltily.

"Dad! Now you are the only one in our entire He family who has broken through the three meridians. Our He family can be one of the four major martial arts families, and most of them rely on you alone.

Support, if you are a hundred years later, the He family will inevitably fall out of the four major families, so these medicines are the most appropriate for you!" Roma said unwaveringly.

"So, call your eldest brother over and give him a try on the remaining magical medicine," Luther said after a moment's thought.

Roma categorically stated, "Dad! Brother has always tended to reconcile with the Su family, and I can say to my heart, the eldest brother has not put his mind on cultivation at all in these years, but on money, To enjoy life too much.

The colder the way of martial arts in the He family, the better, but he bought a villa in Sanya as soon as possible. Every winter he always finds a girlfriend.”

Chapter 2844

Roma’s words allude to Luther’s suffering.

He was the only one who understood the virtue of the eldest son.

He learned his eldest son had lost his greatest martial arts pursuit as early as twenty years ago.

Not only that, but he developed an unhealthy obsession with material goods.

After 20 to 30 years of martial arts experience, he says it’s time to relax and enjoy life. Those martial arts and action stars faced adversity when they were younger and started to hit the pinnacle of their careers in their middle years. He let it all go.

Many martial arts celebrities have become billionaires by the age of 30, and their personal status has deteriorated at a rate that can be seen with the naked eye. On the surface, they seem to be training less and less.

The training is becoming less and less, but the quality of life is improving.

Working hard to make a movie at the age of seventeen or eighteen may earn you a few hundred thousand dollars, but by the age of thirty, you can earn tens of millions of dollars or more by casually showing your face and embroidering your legs.

Tom was also greatly stimulated by this.

He reasoned that if martial arts stars who just practiced some foreign three-legged cat kung fu could become masters, why couldn’t he? He had been studying martial arts for 20 or 30 years, so why couldn’t he?

Tom’s cultivation has almost reached a halt since then.

Martial arts, on the other hand, are incredibly difficult in the first place, and they are in no way equivalent to those fake guns.

Luther was well aware that his eldest son’s cultivation degree gave him a significant advantage over average citizens, but he was desperate to make a living while studying martial arts, which was almost meaningless.

Not to mention allowing him to lead the entire He clan.

Luther, on the other hand, is disappointed with Tom’s negativity, but he has no other options.

His other younger brothers are bad at best. Despite their efforts, they lack the overall power of Tom, who is passive and sabotaged.

Roma recently claimed that the He family is one of the four big martial arts families, and that Luther is the main reason for this. This is right. The He family would easily fall out of the four main families if he dies, based on the power of the He family's descendants. In one breath, the family series dropped out of the top ten.

Roma was excellent as a child, but she was unfortunately chosen by the Su family as an adult, and she went to the Su family to personally protect Zynn, which is why she went out early to make money.

Luther could only drive Roma out because the He family had to depend on the Su family for survival at the time.

Since then, she has spent the majority of her days ensuring Zynn's safety, leaving her with little time to devote to full-fledged martial arts training.

As a result, her cultivation base developed at a glacial rate.

Later, in order to defend Zynn, she sacrificed her right arm, and her power plummeted.

Despite having a higher cultivation base than Tom, after losing one arm, the real fighting strength is even worse than Tom's.

#### Chapter 2845

Furthermore, Luther is very clear that even though he is not partial and does not have a patriarchal mindset, it is still difficult for the entire He family to accept a woman as the head of the house, and even more difficult to accept a disabled woman as the head of the house, so Luther believes that, in the future, the owner of the He family, apart from Tom, I am afraid that there will be a woman as the head of the house

But now, Roma's words have made him realize something important.

In recent years, the eldest son has shown little interest in martial arts. He may not have any good effects if he gives him the last god pill.

Furthermore, even though he is willing to entrust the He family to his elder son Tom in the future, he may not be able to fully grow the He family.

On the opposite, he is more likely to bundle and sell the entire He family to the Su family, then take the large amount of money offered by the Su family and flee to live his life to the fullest.

In that scenario, the whole He family would be used to make money for him.

Instead, finding a way to live a few more years and actively leading the He family forward would be preferable.

He will die without remorse if he expends all of his remaining resources to propel the He family to the rank of first martial arts family in the world!

He finally made up his mind at this point and told Roma: "Our most important task, Roma, is to allow the He family to fly higher and farther! Master Ye will be the only one to look forward to for the future of my He family, because he has bestowed upon us such a cherished good fortune!"

"Father, do you plan to cooperate with Master?" Roma hurriedly inquired.

Luther said categorically: "The god pill was given by Master Ye, and I had already taken one. Is there some way I can go back in time at this point?"

Roma "That's fantastic! It's incredible! What Master will get us is much more complicated than five divine pills and 100 million dollars per year if we fully cooperate with him. I believe, he will not only make the He family the country's number one martial arts family, but will also help the He family to overtake the martial arts families and become a stronger force in this field!"

Luther "Roma, you said that you have outgrown the martial arts family and have evolved into a more powerful being. What exactly is this more powerful existence?"

Roma calmly shook her head and said: "I'm not sure. I used to believe that martial arts masters should be the most effective in melee fighting. However, when I met Master Ye yesterday, I felt as if we were frogs at the bottom of the well, practicing martial arts. We simply have no idea what the wide world outside the well is like..."

Chapter 2846

"Then what do you think of that Master's strength?" Luther couldn't help himself.

"I can't see Master's true power..." said Roma honestly.

"Do you think this Master is a few steps higher than us?" Luther inquired again.

"How many levels are there?" Roma paused, recalling something her daughter Ruoli had said to her.

Ruoli's great success in his Ren Vessel was not due to the god pill given to her by Marven.

Marven, according to her daughter, simply counted her meridians and seemed to use internal power to move around in them, specifically assisting her in achieving Renmai Dacheng.

This is the equivalent of a height that most people have been trying to achieve for a lifetime, and she will never be able to achieve it. Giving the opponent a pulse is all Marven needs to do, and he can easily lift the opponent to that height.

For a lifetime, just moving your fingers is worth the effort of others. How many stages do you have in between?

Isn't it possible that it can't be clarified solely by the level?

As she pondered this, she turned to her father and said solemnly: "If you really want to hear it, Dad, it may be the same difference that exists between Monkey King and Buddha Tathagata... Even though

Monkey King appears to have exceptional powers, Tathagata Buddha managed to escape. If we don't go back, it appears that the gap between us and Master Ye will widen..."

When Luther heard it, he was taken aback and asked, tremblingly, "When... is there really such a gap?"

"Dad, in my view, it is real!" Roma said without hesitation.

"Since this Young Master Ye has such a talent, where will we be seen in his eyes?" Luther couldn't help but wonder.

Roma: "I'll take responsibility for not clarifying what I said, Dad. This time, Master Ye did not come to me to win over the He family."

Luther yelled, "What are you talking about?! What is the point of not winning over the He family?!"

Roma smiled bitterly in her heart as she remembered her precious daughter Ruoli: "In truth, she thought her daughter died on the high sea. On the contrary, he rescued her and kept her safe. After he saw that she misses her mom, he found an opportunity to reunite the two. All of these nice things are just because the master wants to look after my family for the sake of Ruoli."

But, since she believed she had told Marven that she would not tell her father anything, she had no choice but to say: "Father, there are some things I promised Master Ye that I can't say, so you don't have to ask; all you need to know is that the young master requested our cooperation not because he admired our abilities, but because he wished us luck..."

#### Chapter 2847

Luther also realized that cooperating with the He family was a kind of help and gift because the other party possessed such power and possessed such a god pill.

It's just that he couldn't fathom how such a wonderful thing could happen to He's family.

As a result, he inadvertently asked: "Why does he want to work with us, Roma? Before you returned, I assumed Master Ye would want to fight with the Su family.

After you returned, I discovered that the Ye family's young master possesses a wide range of magical abilities, and the Su family is nothing in his eyes. He doesn't need to work with us at all if he really wants to fight with them..."

Roma nodded and said solemnly: "That is why I said that this is a blessing from Master for our He family. Regardless, we must seize this opportunity!"

Marven's motivations had already been examined by Roma.

She had the following thoughts: "Master isn't sure how much stronger he is than the He Family in terms of size. The He Family can't get into his eyes because of his supernatural abilities."

"It's all because of Ruoli's face that he's still willing to take the initiative to give the money, give the pill, and cooperate with the He family."

“It occurs to me that Master must harbor some sort of feelings for Ruoli.”

“This is not just Ruoli’s good fortune, but the good fortune of the entire He family.”

“Such a god-given opportunity is naturally to be grasped firmly!” said Luther, who nodded in agreement.

“I will go to Anson and tell him directly that the He family rejects the Su family’s invitation to cooperate!” he said immediately.

Roma abruptly came to a halt and said, “You should start with the second divine pill, Dad! What if you could cross the fourth meridian in a single attempt?”

Luther paused for a moment before softly nodding and saying: “Okay, that’s it! In that case, I’ll take it lightly to see if I can get past the fourth meridian! If I succeed, my family will be able to reclaim their former glory!”

Roma was looking forward to it as well.

Luther is not only a king, but also a mainstay for the He family.

If his cultivation level can be raised, not only will the He family progress significantly, but it will also provide them with a significant opportunity.

Luther is looking forward to it as well.

He took the god pill, examined it for a few moments, and then swallowed it.

Since he has already had an experience, he focused on his luck and trained his internal energies so that when the medicinal force diverged, he could guide the medicinal power to rush to the fourth meridian and restore the pulse.

The effect of the drug was forcefully consumed by the dry body while taking a magic pill due to inexperience. While this will significantly boost physical health, it will also make the body appear younger and longer. He has a long life span, but he is also hesitant to use drugs to prolong it.

He decided to use the second god pill’s therapeutic properties to influence the pulse.

### **Chapter 2848**

The surge of medicinal strength rushed outwards from his abdomen after a while. Luther had prepared himself by quickly exhausting his entire body’s internal strength and tightly wrapping the medicinal force.

Luther’s internal force is like a dam used to stop a flood, desperately guiding the course of the medicinal power and doing everything possible to guide the medicinal power to the fourth meridian.

It’s just that this therapeutic influence is so powerful that even though he has complete control over it, nearly 30% of it is still consumed by the body.

While there are signs of loosening in his heartbeat, he has no faith in his heart to break through, so he can only focus all of his attention on making the final battle.

Roma noticed her father was flushed and sweaty, and her left hand couldn't help but grab the corner of her shirt. Despite her anxiety and nervousness, she realized she couldn't support her father with his affairs and could only wait patiently.

Luther is also apprehensive.

He could feel the medicine's strength draining the pulse, but there was still no indication that the pulse would be disrupted. Pessimism was inevitable in his heart, given that the medicine's strength was mostly broken and there was not much remaining.

When the therapeutic power was only around 20% remaining, he immediately felt that the metaphysical platform was transparent and that the whole individual had reached an unparalleled state of detachment, as if he had just awoken from the best night of his life. It is impossible to say that an individual is happy and secure as a whole.

For a brief moment, he was taken aback, but then he became ecstatic, exclaiming: "What a breakthrough! Roma, Roma, Roma, Dad made a huge breakthrough!"

"Dad, are you serious! This is fantastic! It's fantastic!"

Roma was ecstatic when she learned this. She felt deeply relieved in her heart when she saw her father's animated face, and tears welled up in her eyes for a brief moment.

Her father's lifelong ambition had been to break through the four meridians, she remembered.

Initially, everybody, including father, believed that this day will never arrive, but today it is here, arrived!

Luther's eyes welled up as Roma began to cry.

"I just didn't expect to one day smash through the four meridians, and eventually be worthy of our He family's ancestors..." he trembled and choked.

After all, the feelings are heightened, and the old tears have already begun to flow.

"Father, how much do you have through the fourth meridian now?" Roma hurriedly inquired.

Luther "Just 10% of the students graduate, but there must be space for improvement in the future!"

### **Chapter 2849**

After all, the Ren Vessel has already proven to be a huge success, and the Du Vessel's power has risen from 50% to 70%. Cultivating the Ren Du Vessel is a top priority.

It's akin to solidifying the foundation for future cultivation, and future cultivation will be more effective as a result!"

Roma excitedly nodded several times and said: "I see that your physical condition and mental outlook have greatly improved since you took the second divine pill.

It is not a fantasy to wish you a long life, and you will undoubtedly continue to grow your cultivation in the future. It's possible that we'll be able to break through to the fifth meridian and set a new record in the He family history!"

"If I really have that day," Luther exclaimed, "I would die without regrets!"

After that, he hurriedly added: "Roma, your current cultivation level has also increased significantly, and your talents have always been sharp.

Despite the fact that you have lost an arm and your actual fighting potential has been severely harmed, there is still a lot of space for development. In my view, you should resume your cultivation, and you will undoubtedly achieve a new breakthrough!"

Roma fell silent all at once.

She has never fully abandoned her martial arts training.

It's just that she's no longer as committed to cultivation as she once was.

Martial arts practitioners follow a similar path to professional athletes.

If you really want to make a difference, you must first prioritize martial arts as the most important aspect of your life, dedicating at least half of your waking hours to structured and rigorous training.

People start training frantically before the table is high, much like a table tennis player, and they don't hit their peak condition until they are in their twenties. During this time, you must ensure that you are getting the most out of your preparation.

Roma has gone from becoming a professional athlete to becoming a retired athlete since her injury. Every day, she devotes the majority of her resources to caring for Ruoli, and she has insufficient time to practice.

While she can fit in two to three hours of preparation a day, it falls well short of the demands of professional athletes.

Her father asked her to pick it up again this time, with the intention of reintroducing her to the professional athlete-like training form.

She, too, wanted to train as hard as her father said, but when she realized she had promised Marven to go to Wrestvel and had to watch over her daughter, she told Luther:

“Master Ye said, “Dad.” If you agree to comply, I must transport the He family’s ten best masters to Wrestvel at any time to obey his instructions. I imagine it would be difficult for me to train as hard as I did previously.”

### **Chapter 2850**

Luther almost said without hesitation after hearing Roma’s words, “In this situation, after I settle down at home, I will also go to Wrestvel with you and wait for Master Ye’s dispatch.”

Despite his age, her father is the most powerful member of the He family. She didn’t know what to say to Master Ye if he didn’t go to Wrestvel.

“Father, what should we do about the Su family?” she later asked her father.

Luther broke through the fourth meridian, becoming just the second master in the He family’s hundreds of years of history to do so. At the moment, he was ecstatic.

Hearing Roma’s predicament, he instantly started to formulate new ideas for the He family’s future. Adjustment is needed.

“Since Ye Master has bestowed such good fortune upon us, I will naturally terminate our cooperation with the Su family, and fully draw a line with them, and then immediately set out to find the right guy, and return to Master Ye in Wrestvel.”

“Master Ye, including you, just need eleven people from the He family,” she said, movingly. As a result, the elderly and infirm, as well as women and infants, are not required to leave the homes with us.

Those who haven’t progressed far enough in their cultivation should remain in Mocheng and practice with great concentration...”

He couldn’t help but sigh at this point: “Hey! In my heart, Mocheng is a legacy left by our forefathers, and I don’t want to give up on it.

This old house must be abandoned before the Su family would let us go south, so it is generally nice that these hundred people will stay in Mocheng and work hard.”

“Dad, let’s discuss something,” Roma said, nodding and thinking about something.

“Say!” hurriedly said, Luther.

“This time I went to Wrestvel, I didn’t consider my elder brother’s thread,” Roma said. His cultivation is fine, but he has been squandering so much in recent years, and his mind isn’t on this. He is still not permitted to communicate with Master Ye.

Those two sons, on the other hand, are much worse; they aren’t even in the top 20 in the family.”

“Yes,” says the speaker. “Your eldest brother is worried about making money,” Luther nodded solemnly. Anson arrived with a one-billion-dollar check this time.

You have no idea how ecstatic he was. It was very discouraging...”

“I originally planned to hand the He family to him after a hundred years,” he sighed again, “but after experiencing these years, your eldest brother is not a capable individual...”

“Father, you don’t have to think about these matters,” Roma hurriedly said. In the next 20 years, the He family will undoubtedly prosper under your leadership, in my view! You do not need to be concerned about potential master selections at this time.

With your presence in town and the sponsorship of Master Ye, the He family will undoubtedly have a better young generation in the next 20 years, and there will undoubtedly be a suitable host to choose from!”
