

## The Amazing Son In-Law Chapter 2871-2880

### Chapter 2871

The vast majority of middle-aged people have suffered a lot in their childhood.

But Zynn was born with a golden key more than 50 years ago.

He has never suffered or been tired in his entire life, and the worst was that he was sent to Australia.

However, even during the days when he was sent to Australia, he lived in a large villa by the sea every day.

Compared with this, it is simply heaven.

Just when he was extremely depressed, someone opened the courtyard door and entered the courtyard.

Zynn hurried out and saw Hale stepping in under the leadership of several soldiers.

When Hale saw Zynn, he said, "Mr. Su, we are ready to leave for our country immediately. Come and see you before we leave. The detached house our young master has won for you, don't know if you are still satisfied?"

Zynn said without tears, "Brother, the conditions in this place are really terrible..."

Hale said earnestly: "Mr. Su, you are also an old comrade. You can definitely overcome some difficulties by gritting your teeth. People can conquer the sky, right?"

Zynn hurriedly said, "No... my brother... This condition is really bad. Or you can go in and see, my brother, where is such a place where people live? It's the donkey of the production team a few years earlier, which is also better than mine. The conditions here are not good!"

Hale waved his hand and said apologetically: "I'm sorry, Mr. Su, I'm in a hurry. I have to leave soon, so I won't go in and watch."

After speaking, he smiled and asked, "I don't know if you have anything to explain?"

Zynn really wanted to say something, please go back and tell Marven, just say that Zynn is repenting with his eight generations of ancestors!

But this kind of thing, he is determined not to say it.

He could only choked up and asked, "Brother Hale, can I trouble you to take a message to Master Ye?"

Hale nodded: "Just tell me, as long as it's not a personal attack, I will try my best to carry it."

Zynn said hurriedly: "Can you let him say hello to Commander Hamid, and somehow buy me some furniture, so you can't let me sleep on the haystack..."

After finishing speaking, he hurriedly said: "Also, I don't have any daily necessities, not even a teacup or toothbrush. Can you give me a chance to let my daughter buy me some daily necessities from China and mail it over?"

Hale chuckled: "Mr. Su, I am not attacking you. You are also well-informed. But which domestic courier company does dare to deliver in Syria?"

## **Chapter 2872**

Zynn was completely wilted.

Although he wanted to add another 100 million US dollars to Marven to change at least a decent living condition for himself, he now has not so much money to spend.

Father Su has very close control over the financial power of the family. Although Zynn is the eldest son, he also has a lot of real estate and various assets, but he has not much money at his disposal.

The entire Su family's capital expenditure is basically through family credit, and money can be spent, but the money must be under the control of the family's financial system.

Chengfeng is not stingy, but has a strong desire for control. Even if he buys an airplane for hundreds of millions of dollars, he is not reluctant, but he must be informed and he must approve before one can spend the funds.

Once the Su family dares to be behind If he spends a lot of money, or transfers the money from the family credit to his own small vault, he will inevitably be severely punished by the family.

In order to consolidate financial power, the family's financial team is completely at the mercy of Chengfeng alone.

They will audit the capital expenditures of each Su family's heirs every once in a while. The severity of this audit is comparable to investigating financial crimes.

Therefore, none of the descendants of the Su family dared to spend money on the back of the old man.

Before Zynn bypassed the old man and paid Hamid US\$100 million, it was a cut beforehand.

If he did such an operation in peacetime, he would inevitably be severely punished by the old man.

So Zynn also knew very well that after the first time, he couldn't have the opportunity to repeat his tricks again.

Maybe the old man has stopped his family credit now, and besides he doesn't even have a phone call, it is impossible to get money to give to Marven, so there is no other way but forbearance at the moment.

After greeting Zynn, Hale hurried away.

Leaving Zynn alone in this dilapidated courtyard.

### **Chapter 2873**

Syria is warm and rainy in winter, and when Zynn was at a loss, heavy rain poured on his head.

He hurriedly hid in the room, seeing the rain getting worse and worse, making the entire yard muddy and desperate.

Although Syria's winter is relatively warm, when it rains, the temperature drops directly to about 10 degrees.

Coupled with the dampness and coldness, Zynn soon became a little unable to carry it, so he could only quickly spread the bedding and wrapped himself in a blanket to listen to the sound of rain outside.

While feeling bored, he subconsciously looked up at the wall and found that where the top of the wall was connected to the roof, many watermarks had leaked out of nowhere.

Zynn hugged his legs and sighed and cursed inwardly: "It seems that this stupid house is not only dilapidated, but it is also damn water leaking. It's fine for water to seep. It's best not to fcking rain..."

As soon as he finished speaking, his forehead suddenly felt cold.

It turned out that rainwater seeped from the roof, gathered into a drop of water, and dripped on his forehead.

He touched his forehead, wet, and couldn't help crying and cursing: "Fck! Really damn the water leaking?! God, you're still endless?! Don't keep playing with me! Who can stand it?!"

Unfortunately, no one can hear his questioning.

Even if the soldier standing guard next door could hear it, he couldn't understand it at all.

...

At the same time, Zhiyu, the eldest daughter of Zynn who was not hopeful, formulated a three-year plan for herself after a day and night of rest and thinking.

She has always remembered what Marven said, letting herself become the Patriarch of the Su Family within three years.

Although it sounded like a fantasy, she didn't want Marven to look down upon her.

Therefore, she decided to work hard for this goal starting from today.

And her first plan was to thoroughly announce to the public the news of her and her mother's safe return.

The reason for doing this is on the one hand to deter her grandfather Chengfeng, on the other hand, it is also for the safety of herself and her mother.

She was worried that Chengfeng would not let her mother go easy in the future, so she decided to make this matter a little bit more influential.

In this way, the attention of the people of the whole country will be attracted by this matter.

No one dares to risk the world's unrest under the attention of the people of the whole country.

Therefore, the bigger the trouble, the more passive grandpa will act in the future and the safer she and her mother will be.

So she found her grandfather and asked to help contact the media. She was going to hold a press conference this evening about what happened to her and her mother in the Wrestvel Tunnel.

The media, the police, and the people of the whole country have been waiting for the whereabouts of Zhiyu and Liona. Zhiyu believes that as long as the news is released, this conference will surely garner great attention.

To this end, she also contacted several popular video live broadcast platforms in China through friends.

This time, she intends to broadcast live directly online.

#### Chapter 2874

As a result, various media, websites, and news apps quickly received the news. The Du family announced that Liona and Zhiyu, who had been missing for many days, had returned to Wrestvel safely. More details will be given in the press conference held tonight.

This news immediately swept the country!

Hundreds of millions of people have been following this case, and even many netizens have been discussing various possibilities about Zhiyu and Liona on the Internet.

Among them, most people think that the mother and daughter must have been killed.

But a small number of people still believe that miracles will happen, thinking that God will take care of the poor mother and daughter.

Now, the event that everyone has been following for a long time has finally settled!

It turns out that Liona and Zhiyu are really alive!

As a result, everyone began to look forward to the live broadcast of the evening conference.

Everyone wants to see with their own eyes, this mother and daughter are safe and sound!

The news that Zhiyu was about to hold a press conference reached Chengfeng's ears, and it frightened him all of a sudden.

He guessed that Zhiyu must hate him in her heart, so he could predict that he would definitely become a target at the press conference.

Although his reputation has been messed up, he really doesn't want to be lashed by the people all over the country...

No matter how strong a person's mental endurance is, it is also limited.

If only a few people scold occasionally, most people can resist.

But if dozens of people scold you all day long, quite a few people will feel a lot of pressure.

If tens of thousands, millions, or even tens of millions of people are overwhelmingly cursing, no matter how thick-skinned people are, they will not be able to withstand this pressure.

If resentment is also a kind of energy field, the resentment that Chengfeng carries is afraid that half of China can be enveloped in it.

Over time, this kind of torture has greatly consumed his fighting spirit and made him develop a kind of Go to your mother, I just go to the Maldives islands to take care of the old, no matter what his mother does kind of idea.

It's just that the desire for power in his heart is equally strong, so these two forces often compete at the bottom of his heart, which gives him quite a headache.

Today, Zhiyu suddenly wanted to hold a press conference, which immediately made him anxious.

So, he called Zhifei and asked, "Zhifei, I will ask you, do you know what your sister is going to say at the press conference tonight?!"

#### Chapter 2875

Zhifei has been busy with concerts in the venue recently, and he ran out to supervise the work early in the morning, so although he saw the news that his sister was about to engage in a press conference, he never asked her what she planned.

Therefore, he said to Chengfeng: "Grandpa, I happened to be busy with something today, and I haven't had time to talk to her. Why don't you wait for me for a while, I'll call her and ask her."

Chengfeng blurted out: "Don't call, there are many details on the phone that are undetectable, so you should go back and talk to her in person. It is best to bypass your mother and your grandpa and ask her in private. Ask exactly what she intends to do, and I have to make preparations here too."

Chengfeng was really afraid that Zhiyu would directly target him at the press conference.

People outside scolded him, it was a group of dragons without a head, one person spitting.

But if Zhiyu takes the lead in scolding him, then the anger of hundreds of millions of people across the country will have a very clear way to vent. At that time, I am afraid that some people will march on the street with banners to scold him.

Zhifei sensed that his grandfather was very nervous about this, so he hurriedly said: "Okay grandpa, I'll be back now, I will report to you as soon as there is progress!"

Chengfeng exhorted: "I'm not just asking you to inquire about Zhiyu's thoughts. You have to find a way to persuade her to let go of her hatred.

You have to let her know that she is from the Su family, not from the Du family. She and Su The family is a whole, and everything is fine, and everything is damaged if it is conflict.

Now the Su family's internal and external difficulties can no longer be consumed by us!"

Zhifei hurriedly said: "I know Grandpa, don't worry, I will try my best to persuade her!"

"Okay..." Chengfeng said dejectedly: "You must do your best to persuade her to handle this matter gently! As long as you can persuade her, Grandpa will not treat you badly!"

Hearing this, Zhifei agreed with excitement, and drove home quickly.

In Du's old house, Zhiyu shut herself in her room and is preparing the manuscript for tonight's press conference.

Tonight's press conference is the beginning of her three-year plan. It is of great significance for her, so she can't make any mistakes.

Zhifei knocked at the door and asked, "Zhiyu, can I come in?"

She heard her brother's voice and her expression was a little cold.

She has been speculating for the past two days that the private relationship between her brother and grandfather Chengfeng may be very close, and even his heart may have completely fallen to his grandfather.

But she has no evidence to prove it.

Therefore, today is actually her day to test Zhifei.

Chapter 2876

She knew that Zhifei went to the venue early in the morning to prepare for Sara's concert.

So she thinks that if Zhifei suddenly puts aside his own things and rushes back after he wants to develop the conference, then he has at least a 70% probability that he has fallen into his grandfather's trap.

Moreover, if Zhifei rushed back for this incident, and in front of her, said kind words to grandfather, and begged for forgiveness for his grandfather, then he would have completely rebelled 100%!

If Zhifei really turned against her, not only would Zhiyu's heart be guarded closely, but she would also be unable to forgive him.

Because she felt that what grandfather Chengfeng did this time was really inhumane, and almost killed her mother and herself!

In the face of this kind of big right and wrong, the brother said that everything should stand on the side of justice and family affection, and stand close on the same front with her and her mother.

If he stood beside his grandfather in the face of this kind of big right and wrong, it would prove that in his eyes, the importance of money and status has completely surpassed justice and family affection.

If that is the case, it also proves that her brother has lost the humanity that a normal person should possess.

At the very least, it is no longer in line with the basic requirements of her brother Zhiyu.

So, she put away her manuscript indifferently, and rubbed her cheeks with a cold and even stiff expression.

After trying to make herself look natural, she said, "Brother, come in, the door is unlocked."

Zhifei hurriedly pushed in.

As soon as he entered, he immediately locked the door and then looked at her.

Chapter 2877

Seeing that there was nothing unusual in her expression, he smiled and said, "Zhiyu, why do you suddenly want to arrange a conference?"

Zhiyu said earnestly: "The people all over the country were paying attention to the safety of my mother and me when such a major incident happened in the tunnel. I think it is necessary to explain it publicly so that those who care about us can rest assured."

"Oh..." Zhifei nodded lightly and smiled: "So that's the way it is! You are right. Since the accident happened to you and mother, the people of the whole country have been paying great attention to your condition!"

"Moreover, there are still many people who spontaneously go out looking for various valuable clues. There are even people who have set up many analysis groups on the Internet. We work together to analyze the relevant clues of the incident. They are really very enthusiastic!"

"We really need to let them know that you and mom have returned safely!"

“That’s right.” Zhiyu nodded, and asked pretendingly: “By the way, didn’t you go to the stadium to work? It’s just such a thing, it’s worth a special trip to come back?”

Zhifei smiled and said, “Zhiyu! I’m also worried about you. I’m afraid that you are too excited to think of these things when you are preparing for the press conference, so I came back to see you.”

Zhiyu whispered: “Brother, thank you!”

“Between brother and sister, what are you doing so politely.”

Zhifei patted Zhiyu’s head and said, “Oh, yes, what are you going to say at the conference?”

Zhiyu said casually: “In fact, there is not much to say, I have summarized it, basically three points.”

“The first point is definitely to tell everyone that my mother and I have returned safely, so that everyone can rest assured.”

“The second point is to tell everyone that we were saved by a mysterious benefactor and he also gave us high-level medical care. On the one hand, it is an opportunity to thank my benefactor, and on the other hand, it is to eliminate the curiosity of the majority of netizens. I guess Many people must want to know how we survived such a serious car accident.”

“As for the third point, I want to explain my attitude towards this matter. After all, people all over the country know that this matter was done by the Su family and even controlled by Grandpa. I want to talk to him at the press conference. Ask him to apologize and voluntarily go to the police station to surrender. After all, he is suspected of intentional murder.”

As soon as Zhifei heard this, he suddenly became nervous and blurted out: “Zhiyu, the first two points are nothing, but the third point, is it a bit more radical and aggressive?”

“Aggressive?” Zhiyu asked her elder brother back: “He attacked my mother and almost killed us two! I just ask him to apologize and accept legal sanctions.

This is considered aggressive? So what is his behavior? Ruthless, inferior to beasts?”

Zhifei was embarrassed and said: “Zhiyu, you have to know, he is your grandfather after all, and, among so many younger brothers and sisters, he loves you the most! Look at the name he gave us, which one is not I have placed a lot of his requirements? Only you, he hopes you can be happy, nothing else matters...”

Zhiyu looked at Zhifei, deeply disappointed.

At this moment, she could already confirm that her brother was actually standing with the murderer, grandpa.

However, instead of expressing her disappointment, she nodded slightly and said indifferently: “Brother, I admit what you said, but you must be fair and objective when you behave and do things!”

“So, many things must be like sorting things, one is one, one yard is one yard!”

“It’s not because he was nice to me before, I cannot forgive the fact that he wanted to kill my mother!”

### **Chapter 2878**

Zhiyu’s rebuke caused Zhifei a headache.

He couldn’t help questioning her in his heart: “Grandpa really wanted to kill mother, yes, but is she not responsible for mother too?”

“As the daughter-in-law of the Su family, she kept thinking about the dead man named Ye, and she also went public to bid for the house that the family named Ye lived in. Isn’t this like slapping on the face of the Su family?”

“Furthermore, everyone is an adult. Does hatred matter? The Su family has trillions of fortunes. Is it because the grandfather has brutally attacked mother that we have to draw a clear line with him?”

“Drawing a line with him is equivalent to drawing a line with the Su family’s trillion-dollar property. In the end, aren’t we left with ourselves nothing else?”

“If you lose the right to inherit the Su family’s property, what will you and I do in the future?”

“Don’t forget, our surname is Su, not Du. Do you still expect grandpa and grandma to give us a share of the inheritance?”

However, Zhifei could only complain about these words in his heart, and couldn’t say it in front of his sister.

Because he knew very well in his heart that his sister was too strong in the concept of right and wrong, so terribly strong, there was almost no room for mediation. If he said this directly, she would not listen, but would turn her face against him.

Thinking of this, Zhifei was very depressed, and thought: “Hey, you are better suited to the name than I am.”

She thought to herself, Zhifei agreed with Zhiyu’s point of view, and nodded again and again: “Zhiyu, you are right, this kind of thing is really unforgivable, let alone you, I can’t forgive it either.”

Zhiyu didn’t speak, she knew that if her brother said so, there must be something else.

As predicted.

Zhifei turned around and sighed: “But, let me tell you the truth, if we turn our faces with Grandpa, we won’t get any benefit, and we can’t give him any substantive punishment.”

### **Chapter 2879**

After a pause, Zhifei spread his hands: “Just let him accept legal sanctions as you just said. It’s impossible. The old man is always cautious. There is never more than one firewall. You said he intentionally killed people. There is direct evidence?”

“As long as we don’t have direct evidence, we can be said to be deliberately slandering. If it is really impossible, he can just push someone out to top the bag!”

“He can find too many people who carry the bag. As long as he has a word, I don’t know how many people are rushing to carry this blame for him. Do you know how many scapegoats Anson helped Grandpa raise? Come any trouble! These are the firewalls of the old man!”

“If we don’t have the resources and connections of the Su family, let alone bring down Grandpa, even Anson, we won’t be able to bring him down!”

Zhiyu kept listening silently, and after Zhifei finished speaking, she asked him back: “When did you say that you are going to bring him down?”

Zhifei also asked: “Then what is your picture?”

Zhiyu said seriously: “I accuse him, maybe he has many ways to evade sanctions, but you have to know, if I don’t accuse, he doesn’t even need to evade! What I want is justice! It is justice in many ways! Not only result of justice, but also process justice and procedural justice! I know that result justice is very difficult, but procedural justice is within my power, so I must start a complaint against him today!”

Zhifei was big for a while.

He knew that, in fact, Zhiyu had no influence.

Because the Su family has always kept the personal information of the offspring very good.

The outside world doesn’t know the names of the descendants of the Su Family, and naturally, they don’t know who Zhifei or Zhiyu are.

But Zhifei is indeed different now.

The car accident in the Forbidden Mountain Tunnel in Wrestvel is known as the “China Princess Diana Incident”, and it has been made public through a video of the mastermind’s confession.

You know, the population of Europe is only about half of China’s, but Princess Diana’s influence is very far-reaching, while China has almost twice the population of Europe, and the influence of Liona and Zhiyu’s affairs is of course very far-reaching.

## **Chapter 2880**

In recent years, the Internet has become more and more developed, and people have become more and more eager for all kinds of fairness and justice. Once some cases occur that can arouse the indignation of ordinary people, even if the parties are just ordinary people, it will cause an uproar on the Internet.

Both the unscrupulous and vicious nanny, or the murderer's beauty accomplice, have received condemnation from the people.

What happened to Liona and Zhiyu was not only bad in nature, vain family affection, and annihilated humanity, but also involved the grievances between the top giants, and the attention was naturally beyond ordinary.

Therefore, Zhifei can almost conclude that once Zhiyu condemns the old man and asks him to surrender at the press conference, there will be countless people's support and even petitions.

At that time, even if the old man has layers of firewalls, he can escape by chance. But such a massive condemnation will definitely make him peel off.

Thinking of this, Zhifei hesitated and said: "Zhiyu, would you like to talk to grandpa?"

Zhiyu frowned: "What shall I talk to him?"

Zhifei said very solemnly: "Of course it is about compensation! You are going to turn your face with him now, but the elder brother also has to remind you that if the trouble is really unacceptable, even if you get the old man into prison, you have to. Does not have any substantial benefits."

"Besides, the old man will definitely make arrangements for the Su family before going to jail, but the arrangement will definitely exclude all of our family. By then, he will be in jail, what shall we do?"

"You are the eldest granddaughter of the Su family. If you don't break your face with the Su family, then you are still the top rich second generation in the country.

As long as you have the aura of the Su family, you can marry the descendants of the top family in the future, even the European royal family, it is impossible for them to find any sense of superiority in front of you."

"However, once you draw a clear line with the Su family, the halo on you will completely disappear. What will happen to your life, your marriage, and your happiness in the future?"

"And you have to think about it, but it's okay to say that you don't have the Su Family's aura, but if you turn against the Su Family, it will be really troublesome. Who dares to marry you in the future? If they marry you, they will be the enemy of the Su Family!"

Zhiyu suddenly smiled when she heard this, and said: "Brother, in this world, except for my benefactor, I don't look at any man, whether he is a descendant of a top family or whether he is a grandson. Even if it is the royal family of Europe, it is worthless in my eyes!"

What Zhiyu said was from her heart.

But it was also what she deliberately wanted to say to her brother.

Since she confirmed that Zhifei has completely turned to the side, she has already started her own plan, which has only four words: the plan is to count.

She knew that Zhifei would definitely pass on these words to Chengfeng once and for all.

That is her real purpose!
