

The Amazing Son In-Law Chapter 2891-2900

Chapter 2891

Chengfeng gritted his teeth and said: "I want you to go to Wrestvel and change the shipping company's ownership to Zhiyu. From now on, the shipping company will be hers alone."

"Ah?!" Anson's chin was almost astonished, and he blurted out: "Master, you...are you...are you kidding me?! For such a big shipping company, just give it away like that?!"

Chengfeng asked in return: "Otherwise? Zhiyu is a good girl now! My reputation will be in her hands in the future, and if she really asks me to surrender in front of the people of the whole country, then how can I settle this matter? I don't want to think about turning over again in the future!"

"Moreover, there is a mysterious master behind this girl, and I am not sure now, whether I can kill him before he attacks me!

Anson asked quickly: "Master, the British Cary has arrived in Wrestvel, right? Is there any progress on his side?"

"Not yet." Chengfeng said: "Although Wrestvel is a small city, it has a population of nearly 10 million. It is as difficult as climbing to the sky to find someone, so we still have to give him some time!"

Anson hurriedly said: "Master! In my opinion, you might as well call Luther yourself. This old thing is now a four-star warrior. If you can convince him and let him protect you personally, your safety will be guaranteed.

Greater the protection, and there is no need to worry that the expert will come to trouble you!"

Chengfeng sighed: "Luther didn't leave any leeway before. I think he is determined to draw a clear line with us. Asking him now will probably be useless."

After that, Chengfeng said again: "Even if Luther still has a chance, it will never be possible to find a breakthrough in a short while, so you should go to Wrestvel first, first give the shipping company to Zhiyu and stabilize this matter. Go through today's hurdle safely."

Anson nodded and said respectfully: "OK master, I am ready to go!"

...

at the same time.

Marven has received a call from Roma.

The He family has selected ten family members with the strongest strength, the highest talent, and the highest loyalty this time, and they are ready to set off to Wrestvel to report to him immediately.

Chapter 2892

According to Roma, Luther, who has just broken through the fourth meridian and became a four-star warrior, also became one of the ten people.

Marven didn't feel much about who came from the He family, after all, he didn't really need the He family to work for him.

However, hearing that the old man of the He family personally put on the battlefield did make Marven feel the sincerity of the He family.

Because the He family is here tonight, Marven came to Shangri-La and told Ruoli the news.

Ruoli was naturally extremely excited when she heard that both her mother and grandpa would come.

After hearing that Grandpa had broken through the four meridians and became a four-star warrior, her eyes were wet with excitement.

She looked at Marven, choked, and said, "To break through the four meridians and become a four-star warrior is the biggest and greatest wish of my grandfather in his life. After he was sixty years old, he knew that he would definitely have no hope of breaking through in his life, so he kept putting this incident and regarded it as the biggest regret of his life..."

Having said this, she said with a grateful expression: "Master, all thanks to the opportunity you gave, if it weren't for your pill, grandpa would definitely not have such an opportunity, thank you!"

Marven smiled slightly: "You don't have to thank me for anything. The cooperation with your He family is indeed for your face, but this kind of cooperation is also equal, and it is not my unilateral charity."

"Furthermore, I may have many places where I need to use the He family in the future. As long as the He family can work with me wholeheartedly, I will definitely give them more opportunities to rise."

"This kind of opportunity is not only money and pill, it may even include a complete inner family boxing technique and other inner family techniques."

When Marven said this, he paused and asked: "According to my observations, the inner boxing technique that your He family cultivates should be a broken scroll. I don't know if what I said is wrong?"

Ruoli said quickly: "Master really has a lot of magical powers, you can even see this..."

After that, she explained truthfully: "In fact, the inner boxing techniques that the He family has passed down for hundreds of years were not created by the family ancestors, but were obtained by chance by them."

"In fact, when it was first obtained, it was a fragmented volume, and most of the content was missing..."

Chapter 2893

"Therefore, when the He family practices this inner family boxing method, there are many restrictions, and it is easy to cause internal force disorder and life-threatening injury"

“It is precisely because of this that the family settled in the coldest place in China, because the colder, the less the chance of internal forces being disordered...”

Marven nodded.

In fact, the way of martial arts has been in decline a lot since its development in ancient times.

In fact, from the Song Dynasty to the late Ming and early Qing, the development of martial arts was relatively prosperous.

After all, in the era of cold weapons, kung fu was very useful, not only to protect the home and the country, but also to make a living, so in addition to scholars, the rest of the people wanted to become martial arts masters.

However, in the Qing Dynasty, foreign powers opened the country with guns and suddenly let countless martial artists discover that they could hardly practice their skills for a lifetime, and they were even no match for a bullet gun or a cannon in the hands of foreigners.

In the beginning, many patriotic martial artists also had the heart to serve the country loyally, but their strength was not worth mentioning in the face of hot weapons.

The most sighing thing was that thousands of names and regiments besieged hundreds of foreigners in Dongjiaomin Lane, but they stayed for 56 days, but they didn't attack.

Since then, a large number of martial arts practitioners have become the biggest opponents of martial arts from their original love of the field. The reason is that they have seen a huge gap and realized that they have lost a bullet in their lifetime efforts.

Since then, domestic wars have been perennial, domestic, and foreign troubles, and the speed of weapon development has been getting faster and faster, which has widened the gap between martial arts and weapons.

Therefore, since the Qing Dynasty, martial arts began to go downhill, and it has not really re-emerged until now.

Originally, there were millions or even tens of millions of people in China, out of the total population, who practiced martial arts, but now, there are no more than hundreds of thousands of martial artists in the country out of these billion people.

Many internal martial arts have been gradually lost in this period of time, so that many martial arts practitioners do not have complete internal martial arts to practice, which can be regarded as a great sorrow of the decline of this art.

Chapter 2894

However, the enthusiasm of this art today is not at all inferior to those of their ancestors.

Take the He family as an example. In fact, the He family has always been eager to fill up their incomplete set of internal boxing, but unfortunately, they have not found any relevant clues.

For Marven, the inner boxing method was nothing remarkable.

The “Nine Profound Heavenly Scriptures” recorded a lot of internal martial arts, and he didn’t even bother to practice these, because he had already completely exceeded the level of martial arts practitioners. This internal martial arts was of no value to him.

However, if he casually took out one of the internal boxing techniques in the “Nine Profound Heavenly Scriptures”, I am afraid that the martial arts families in the world would be able to trade their heads for this.

What’s interesting is that nowadays, among the martial arts practitioners in the country, the only one who has mastered complete internal martial arts is the little pepper Aoxue who has just entered the industry and has no style.

The “Four Elephant Palms” she is now quietly practicing is a complete internal boxing technique that Marven found out from the “Nine Profound Heaven Classics”.

Therefore, he said to Ruoli: “If the time is right in the future, I can provide the He family with a complete internal boxing technique. By then, I may be able to help the family to a higher level!”

She was shocked when she heard this, and she was equally excited.

She didn’t doubt that Marven had a complete inner family boxing technique, but she did not expect that he would be willing to take it out and give it to the He family.

Although Marven did not say to give it immediately or definitely, he also said that it would be given when the time is right, which means that he is willing to give it to the He family as long as the time is right.

Ruoli was very clear about the significance of complete internal martial art.

So when she heard this, she couldn’t wait to hope that the He family could become Master Ye’s confidant as soon as possible, and at the same time, she could receive the inner family boxing technique gifted by him as soon as possible!

While Marven was chatting with Zhiyu, his mobile phone suddenly received a call from Leon.

This made Marven a little curious.

Chapter 2895

Generally speaking, Leon doesn’t contact him very often, but whenever he contacted him, it was usually a very important matter.

So, he hurriedly connected the phone and asked, “Steward Leon, is it something important that you are looking for me?”

Leon smiled slightly and said, "Master, I have nothing to do with you, but there is something that may require you to come up with an idea."

Marven asked, "What's the matter?"

Leon said, "That's right, Miss Zhiyu's conference will be broadcast live on the whole network tonight.

She also contacted the short video platform you asked Ye family to buy, and hope we can also participate in this conference. I hope we can provide some recommended resources, so I would like to ask you to come up with an idea and see if you agree to her."

Marven didn't pay much attention to the news today, so he still doesn't know that Zhiyu will appear in a press conference.

Suddenly hearing Leon say this, he asked very curiously: "Why is she suddenly appearing in a conference? And also engaged in such a big battle... Has she disclosed in advance what the conference is about?"

Leon hurriedly explained:

"It is said that the content of this press conference is related to their experience during this period. After all, the people of the whole country have paid great attention to the fact that they were missing after a car accident. Now that they have returned to the public eye, she should give an explanation."

Speaking of this, Leon paused slightly and said:

"And I think she must have a big move for this press conference.

Maybe she wants to take advantage of this opportunity to tell her grandfather in front of the people of the whole country. Chengfeng was in trouble! That's why I called to ask you, should we get involved in this matter?"

Marven hesitated for a moment, combined with Zhiyu's character in his mind, pondered the matter carefully, and said: "Steward Leon, you can let our short video platform broadcast it for her."

Leon said: "Master if she really attacks Chengfeng at the press conference, it will be more or less embarrassing for us. After all, Old man knows that the short video platform is in the hands of Ye family. If we come forward to help Zhiyu live, maybe it will be rejected by insiders."

The upper class has the rules of the upper class.

Generally speaking, the upper class doesn't like to engage in small actions behind the scenes.

In the past, many wealthy people manipulated social media by looking for people who had nothing to do with them. Even if the whole world felt that they did it by themselves, there was no direct evidence to prove it.

But the Ye family is different this time. People all over the country know that the short video platform belongs to the Ye family. If the Ye family deliberately disgusts the Su family on their platform, it will definitely be a little unglamorous in the eyes of outsiders.

Marven smiled and said at this time: "From my point of view, Zhiyu shouldn't attack her grandfather at this press conference, so you can let the short video platform rest assured to broadcast it for her."

Chapter 2896

Leon asked in surprise, "Master, why are you so sure?"

Marven smiled and said: "If you have to explain the reason, it will be a long story, but you just believe me."

Leon hurriedly said, "Okay young master, then I will deal with it."

"Okay." Marven asked with a smile: "Steward Leon, is there anything else?"

Leon said, "The rest is nothing."

Marven said in a convenient way: "That's good, then do this first, and then contact me if you have anything."

After hanging up the phone, Ruoli who was next to Marven hurriedly asked, "Master, Sister Zhiyu is going to hold a press conference?!"

"Yes." Marven said with a smile: "Not only will a press conference be held, but also a live broadcast will be conducted on the entire network. By then, there will be at least tens of millions of people watching the live broadcast simultaneously on so many platforms."

Ruoli asked incomprehensibly: "Then why do you think she will not attack Chengfeng? This is a good opportunity to ruin him!"

Marven smiled slightly: "It seems that your sister is a little smarter than you."

Ruoli put out her tongue in embarrassment, and said with a sigh:

"How can I be compared to Sister Zhiyu, who has received elite education since she was a child, and she is also a high-achieving student who graduated from a top university.

In contrast, except After 9 years of compulsory education, I have never attended high school..."

Marven shook his head and smiled: "This doesn't have much to do with how many studies she has attended, mainly because Zhiyu clearly knows what she wants."

Ruoli asked curiously, "Master, can you tell me more specifically?"

Marven explained: "Everyone thinks that your sister's press conference is an excellent opportunity to challenge Chengfeng, and everyone thinks that as long as your sister seizes this opportunity, Chengfeng will be ruined and never turned back. , But if you think about it, what does this mean to her?"

Ruoli was even more puzzled, looking at Marven blankly, and said seriously: "At least she can get revenge! Attacking the enemy is not just revenge for herself?"

Chapter 2897

Marven looked at her, shook his head, and said, "When Zhiyu does this, it is just a bit of hatred for Chengfeng. It won't have any other effects, and it doesn't even make him lose a dime. It's meaningless."

Marven said again: "This is different from when I first exposed Chengfeng's conspiracy. Before I exposed him, Chengfeng's personality was very top-notch. It can be said that countless people worship and admired him. Made him fall to the altar, and also caused the Su Family to suffer a great blow."

"Including the suspension of ocean shipping business, it is also the punishment given to him by the above."

"However, Chengfeng has already been thrown this time. Even if Zhiyu stood up and scolded him today, she would just pour cold water on the fallen Chengfeng. It is impossible for him to fall again."

"Rather than pour a pot of dispensable cold water, it is better to take this opportunity to ask him for some benefits."

Ruoli exclaimed: "Young Master, you say that my sister wants to make peace with him?!"

Marven waved his hand and said, "On the surface, it is a peace talk, but in reality, it is cutting Chengfeng's meat with a blunt knife."

After that, Marven said again: "This time Chengfeng must be severely cut by Zhiyu. After this cut, the two of them seem to have reached some kind of reconciliation condition, but in fact, the relationship between them. The old man and grandchildren's love points are completely exhausted, and after the talks, they are the real enemies."

Ruoli couldn't help asking: "In this case, Sister Zhiyu will be in danger in the future, right?"

Marven shook his head and smiled: "No, Chengfeng provokes no one, dare not provoke her. Don't forget, there is me behind Zhiyu. Chengfeng is absolutely absolute before he finds me out. He dare not start with Zhiyu."

After speaking, Marven said again: "Your sister is really going to work hard for the position of Su Family Patriarch this time. This is a good thing. If she really becomes Su Family Patriarch in the future, Su Family and Ye Family have been in the past decades. We can draw a full stop for the kindness and grievances!"

"Moreover, your future, even your mother and the future of the whole He family, will have a better home!"

"At that time, you can change your identity and assist her as sister's side!"

“If she has the support of you and the He family, her future will be limitless!”

Marven’s hatred of the Su family was only on those people who were related to the Anti-Ye League back then.

Chapter 2898

Now, Zynn, the apparent leader of the Anti-Ye Alliance, has been thrown into Syria by himself, and Shoude, the apparent number two figure, has also entered the Orvel’s kennel.

So at the moment, Chengfeng is the only enemy from the Su family.

According to the agreement between Marven and Zhiyu, she ascends to the top of the Su Family Patriarch and could take the initiative to surrender Chengfeng in exchange for her father to return to China.

If she can do this at that time, she will get Zynn back, but she still has to make sure that he stays away from all the real power of the Su family, forcing him to retire.

In that way, whether the Ye family or himself, they can let go of all their old hatreds with the Su family, and never offend the river.

Therefore, Marven naturally hoped that Zhiyu would get better and better by then.

And Ruoli was also Zhiyu’s half-sister. When the two sisters met last time, Marven looked at her closely.

He can be sure that in Zhiyu’s heart, there really is this sister Ruoli.

And Ruoli also has her sister.

More importantly, Ruoli now has no cruelty and hostility at the beginning. In the future, she will definitely be able to follow Zhiyu with all her heart and escort her.

He originally thought that his arrangement is very reasonable, and he also considered the two sisters very much.

But he never expected that Ruoli’s eyes would suddenly turn red when she heard what he said.

She looked at him and choked: “Master... Ruoli’s life was saved by you... My cultivation was also broken through with your help... You are Ruoli’s greatest benefactor in this life. In the future, if I just want to stay with you before and after serving you with all my heart, and don’t want to return to Su’s house...”

Marven explained: “I’m not asking you to go back to the Su family, but you will go back after your sister becomes the head of the Su family.”

Ruoli choked up in anger and said, “Then I won’t return! Although my sister and I have half the same blood relationship, in the final analysis, I don’t owe her anything, and I don’t want to stay with her in the future...”

Chapter 2899

Having said this, she subconsciously grabbed Marven's hand and cried and said, "Master, please don't rush away in the future, okay?"

Marven said helplessly: "You are only more sensitive to your identity and cannot return to normal life immediately, so I will keep you by my side, but in the future, this matter will eventually pass, and the hatred of the Japanese will also recede by the time.

It gradually fades and is even forgotten. At that time, you can have your own life again. Why do you need to spend it by my side?"

Ruoli said firmly: "I don't want my own life...I just want to stay with you before and after the horse..."

As she said, she wiped away her tears, and said a little angrily:

"Master, if you don't want me to follow you someday, if you don't want to be stalked, I will find a nun's haircut when the time comes. For nuns, eat fast and recite Buddha for the rest of life! Don't think that me if it frightens you.

I can swear to the sky with my own life. If there is any violation, the sky will thunder and kill me!"

Marven was completely speechless, and he asked after a long time:

"You...what are you doing? You are only in your early twenties this year, and you will have a lot of good times in the future!

And with your current cultivation base, even if you start from now on, there will be an improvement in your cultivation base, and you can easily live a hundred years old, which means that your life has only passed one-fifth, or even one-sixth!"

"I don't care." Ruoli said firmly: "If I hadn't met you, my life would have passed one hundred percent, and there would be no Ruoli sitting here safe and sound!

So, No matter how long I have left, it will be given to me by Master, so I am willing to spend this time for you only!"

When Marven heard Ruoli's words, deep in his heart, he was moved and helpless.

He originally wanted to continue to persuade this stubborn girl, but the look in this girl's eyes seemed to be something he could not persuade at all.

So he gave up this idea.

Just like what he said earlier, there is still a long, long time in the future, and there is absolutely no need to pursue Ruoli to be able to achieve it in one step now.

There will be a lot of time in the future, and the days to come will be long, and even if her mind is as solid as a rock, it will definitely change over time.

Thinking of this, he simply turned off the topic and said: "By the way, Ruoli, I have asked Mr. Chen to urgently buy a riverside villa. The villa is a second-hand detached house with eight rooms.

In the basement, when your grandpa and the others come, they will live there, and they can practice quietly without being affected by the outside world."

Ruoli hurriedly said: "Master, you don't have to spend so much money. The He family used to serve the Su family. They lived in the Su family. They were divided by gender and lived in the upper and lower bunks like the school dormitory. A villa is too expensive..."

Marven smiled and said: "I bought the villa and loan it to your grandpa. You must not have any psychological pressure, and I bought the house as an investment, mainly for the appreciation of the value."

Ruoli said again: "However, after Grandpa and the others come, they must be waiting for you 24 hours a day, and they will even be around you on call 24 hours a day. You arrange for them to live in the villa. In case you have something to do, They must not be able to arrive in time."

Chapter 2900

Marven smiled slightly: "These are all trivial things. In fact, I am used to being alone. Generally, I don't keep people around. Even Orvel and Zak Chen are not by my side 24 hours a day.

They usually do. They have their own affairs, they have their own lives, and they won't revolve around me 24 hours a day. The same goes for your grandpa and others with him."

Ruoli asked hurriedly: "Master, if you don't let Grandpa and the others follow you, what are their main tasks after they come?"

Marven said: "I've already thought about this. When the time comes, these practitioners of your He family can be divided into several people to help Orvel and Zak Chen."

"Even though there are many younger brothers with Orvel, they are all unfamiliar with the techniques. It's okay to fight hard with others on the street. If they really meet a master, all of them will be given for nothing."

"So at that time, your family, on the one hand, will help Orvel do some things beyond his ability, and on the other hand, will also help him train his little brothers a little."

"As for Zak Chen, although all the people under his hand are well-trained, they are still a bit worse than you martial people, so you have to help them improve their overall strength."

Ruoli hurriedly said: "These must be fine! Grandpa and they must be able to do very well!"

With that said, she looked at Marven a little embarrassedly, and asked faintly: "Master, I don't know... I don't know what your arrangement is for me..."

Marven smiled and said, "You are now in a special situation, so just continue to stay in Shangri-La, and try not to have any contact with anyone except me and your mother."

Ruoli has no opinion on Marven's arrangement.

She is most afraid that he would also send her to Zak Chen, Orvel, or her sister.

Since he is willing to continue to keep her in Shangri-La, of course she is also willing to accept it.

Anyway, as long as she doesn't get driven by him to other places and sees him often, she will be satisfied.

Marven said to her: "By the way, I have never allowed you to contact the outside world, or even let you have access to outside information.

On the one hand, I am still a little wary of you, on the other hand, it's really because your identity is too special. If the news is revealed, it is easy to cause trouble for you."

After speaking, Marven paused, and then said: "But now it seems that you are no longer as irritable as when the accident happened, and you have also met your mother. I believe your current state of mind must be relatively stable. A lot."
