

## The Amazing Son In-Law Chapter 2991-3000

### Chapter 2991

Marven only knew that Zhiyu didn't complain against Chengfeng at the live broadcast conference, and she must have reached some kind of agreement with him.

However, he didn't know exactly what Zhiyu got in exchange from Chengfeng.

Now that she had gotten the Su family's ocean transportation group, Marven was immediately surprised.

He really didn't expect that Zhiyu, a girl who is so powerful to bite such a piece of meat from Chengfeng with a single mouth.

In other words, this is no longer as simple as a piece of meat under the feet, it is almost equivalent to cutting off a leg of Chengfeng!

However, Marven was also a little surprised, and asked Nanako:

"Now that the Su family's business is completely blocked, is there any way Zhiyu can revitalize this business?"

Nanako hurriedly said: "To be honest, I don't know exactly what Zhiyu can do, but I think there are only two ways to go.

One is to move all related businesses overseas, but this is for them.

China's overseas resources have extremely high requirements, and the Su family has not been able to do it before.

I think Zhiyu is also unlikely to follow this path."

Speaking of this, Nanako said again: "The other way left is to seek cooperation.

In my opinion, the best way is to divide the entire Su family ocean transportation group, and then break it up.

These resources are all scattered and integrated into the hands of other companies, that is, the Su family uses resources to invest in shares and retreat behind the scenes to avoid all blockades on the Su family."

At this time, Melba couldn't help saying: "Miss Ito's analysis is right, but I think that the second road will lose more to the Su family.

It means that he originally drove a Wal-Mart by himself, but now he owns his own store. They can't sell all of it, so they can only transport all their goods to other supermarkets to seek cooperation with other supermarkets, such as Carrefour, RT-Mart, etc.

In this way, these competitors will desperately lower prices, squeezing the profit margins of the Su family crazily.”

Marven nodded lightly.

For the Su family and Zhiyu, the first way is not easy sailing, and the second way is easy to walk, but there are indeed more sacrifices.

Nanako hurriedly said at this time: “Master, I think you can contact Zhiyu. You have a life-saving grace for her.

Maybe she will agree to integrate all the resources into her hands with you. In that case, you will save money.

Going to the long preparation, start-up, and incubation stages, these all will be saved.”

When Melba, Warnia, and Lori heard this, they all showed shock. None of the women thought that Marven would actually save Zhiyu’s life.

Melba couldn’t help asking him: “Mr. Ye, have you saved Zhiyu?”

Marven nodded, stretched out two fingers, and said calmly: “I have her rescued twice.”

## **Chapter 2992**

“My God...” Melba exclaimed, and she thought to herself:

“Marven only saved me once, and I feel as if I have been captured by him completely.

All I think about is him, that Zhiyu was actually rescued twice by him...So, her feelings for him are probably much deeper than mine!”

Warnia said at this time: “Master, since you have rescued Zhiyu twice, you may talk to her about cooperation.

After all, she can only use resources to find others to cooperate with her. Of course, it would be more appropriate to cooperate with you for her.”

Marven was also tempted.

His ocean transportation business has not really started yet, but the Su family’s ocean transportation group has already had a very large scale presence.

If he can integrate resources, his own business will surely start quickly.

However, the only troublesome thing is that once Zhiyu cooperates with him, his identity will inevitably be exposed in Su’s family.

After the exposure from the Su family, Marven didn't worry about him. After all, Zynn and Su Shoude were in his hands, and Cary was killed by himself.

If the Su family wanted to deal with him, they have no killer moves, and they didn't need to worry at all.

And what he was really worried about was Zhiyu.

Once she cooperates with him, Chengfeng will definitely be very angry, and maybe he will be angry at Zhiyu by then.

After all, the Su family and the Ye family have feuds, and they are each other's biggest rivals.

If Zhiyu cooperates with him, then in the eyes of Chengfeng, it is tantamount to betraying the Su family and throwing him into the enemy camp.

Although Marven also wanted to find a shortcut for his own business, this shortcut should not be based on putting Zhiyu in a dangerous situation.

To put it bluntly, in the case of cooperation, he must not harm her.

So, he waved his hand and said to Warnia, who didn't know the truth:

"Although I know Zhiyu, after all, my business hasn't improved at all.

At this time, going to her for cooperation is equivalent to an empty glove white wolf.

At that time, it is likely to give her a feeling, as if I have once saved her and now forcing her to cooperate with me.

This is a bit of a moral kidnapping."

After listening to this Warnia nodded softly in understanding.

She knew that Marven was a person who would never use it as a bargaining chip to negotiate terms with others just because he has saved them.

Asking Marven to do such a thing does not fit his character.

Chapter 2993

However, Lori knew the identity of Marven and therefore guessed his true thoughts.

So she said with some emotion: "I heard that Chengfeng, the Patriarch of the Su family, is sinister and despicable.

For the so-called honor of the family, he can plan and kill his own daughter-in-law and granddaughter.

I think that he will never sit back and wait for such a large business to go away from his hands, and maybe he will start with Zhiyu when the limelight on her passes."

Speaking of this, she said seriously:

“After all, there have been real cases of guilty crimes since ancient times.

Zhiyu, a weak girl with such a large piece of business in her hands, is equivalent to a five-year-old.

A child, holding millions of cash, going out for a walk in the dead night. I don't think she can keep it at all. Maybe she will be affected by it.”

Lori's words made Marven a little worried.

He knew that what Lori said was true, and Chengfeng at the moment was only subject to Zhiyu, so he chose to sacrifice one of his legs to settle things down.

However, as the limelight of this incident gradually passes, Chengfeng, who has lost the leg of ocean shipping, would only feel more and more uncomfortable.

It is more and more likely that the desire to grow back this leg will overwhelm him. By then, Zhiyu will definitely face great danger.

Looking at it this way, cooperating with her might not have harmed her. To some extent, it might still be protecting her.

Thinking of this, he said very solemnly: “In this way, Melba is still advancing according to the original plan.

After all, whether we cooperate with Zhiyu or not, we must first do the company registration, license application, and resource integration work.

Otherwise, even if we get Zhiyu's resources, we won't be able to use it.”

“As for whether Zhiyu can cooperate, I will find a chance to chat with her!”

At this moment, Zhiyu is also worrying about the next ocean shipping business.

Although this piece of cake is very large, it is in a state where it cannot be eaten while holding it in the hand.

After all, the entire business of the Su family has been blocked, and she hasn't been able to run these resources for the time being.

In fact, she really wanted to meet Marven, tell him about this, and then strive to cooperate with him and revitalize these resources.

However, she was also worried that Marven would be disgusted with her and the Su family.

After all, her father, and even her family, had been against the Ye family for a long time, and might even be inseparable from the death of his parents.

Therefore, she has no plans for her next step at the moment.

Chapter 2994

Fortunately, the Ocean Shipping Group has just changed to her name, and Zhiyu feels that she has at least some time to make long-term plans.

And at this moment, Chengfeng had already given her brother Zhifei an order to let him find a way to find out her style and figure out how she planned to operate the Su family's ocean transportation group.

What Chengfeng fears most is that Zhiyu strikes the iron while it is hot and directly sells the assets of the entire ocean shipping group.

If this is the case, then he really can't make it back.

After all, the group is now under her name, and all resources and property are at her disposal.

If she splits and sells the group, no one is qualified to stop it.

Although the Su family was restricted from continuing to operate this business, they were not restricted from selling their assets.

Therefore, once she turns the ocean shipping group into money and deposits it in her own account, even Chengfeng has a day.

It is impossible for those with great ability to take back the money, and then redeem the entire ocean shipping group that was sold.

Precisely because Zhifei got the order from the old man, he surrounded Zhiyu early in the morning, doing everything possible to inquire about her next plan.

He even proposed that he could temporarily stop a few pieces of business in his hands, and then try his best to help her run the ocean transportation group.

In his words, Zhiyu is his younger sister.

Now that this business has been brought in, whether it is a blessing or a curse, the brother himself must stand up and help his younger sister bear it.

The grandfather's family admired Zhifei's attitude very much. They felt that he was going to stand behind his younger sister at all costs.

But only Zhiyu understood in her heart that all the things her brother said were not sentimental at all. Not sincere, but intended to test.

Her brother's deliberation also made her feel very disgusted and anxious deep in her heart.

Now she is afraid that she really can't protect this piece of business that she has finally taken back.

Therefore, she wanted to see Marven even more urgently.

She wanted to have a chat with him and asked if he had any good suggestions.

However, she didn't know whether Marven wanted to see herself or not.

After thinking about it, she still plucked up the courage and asked Marven on WeChat: "Grace, do you have time to meet me?"

Chapter 2995

Marven suddenly received Zhiyu's WeChat and couldn't help being a little surprised.

Although he didn't know why she wanted to see him, he felt that it should be related to the Ocean Shipping Group.

So he replied: "How about this afternoon?"

Zhiyu hurriedly said, "No problem! I don't know where Grace is more convenient to meet?"

Marven thought for a while, and said:

"Come to Shangri-La. I'll give you the contact information.

If you contact Takehiko of the Ito family, you say that you are going to visit him at Shangri-La.

Then you go directly to his suite, and I will be there. Meet you there."

Marven felt that the currently Zhiyu must be closely monitored by the Su family.

If he meets her outside, there is a high probability that he will not be able to avoid Chengfeng's eyes and ears.

Therefore, it is better to let her come directly to Shangri-La.

If it hadn't been for Ito Takehiko who happened to live in Shangri-La, Zhiyu's arrival in the industry of the Ye family would definitely arouse Chengfeng's vigilance.

However, because Ito Takehiko is here, it is completely reasonable for her to see Ito Takehiko, and Chengfeng will certainly not doubt it.

After all, she is now looking for an outlet for her ocean shipping group. It is only natural and logical to go to Ito Takehiko to talk about cooperation.

The more logical it is, the easier it is for Chengfeng to relax his vigilance.

Moreover, Shangri-La is Zak Chen's site, and Chengfeng's eyeliner will never get in.

So it is impossible for the old man to know who Zhiyu came to meet in Shangri-La.

...

It was noon soon.

The car that was struck by lightning in Phoenix Mountain Cemetery is still triggering many rumors.

However, no one associates this incident with Cary.

Even Chengfeng didn't know that Cary, who he had high hopes for, has already been turned into dust suspended in the air at this moment.

However, by noon, the police issued a missing person notice.

They found the registration information of the vehicle based on the vehicle that was struck by lightning at Phoenix Mountain yesterday.

Since the car is under the name of the car rental company, the police found the lessor of the car.

Thanks to the country's strong real-name system, Cary failed to hide his identity when renting the car.

The certificate provided to the car rental company was his British passport.

Therefore, the Wrester police immediately grasped the first substantial clue.

The car that was struck by lightning last night was rented by an Englishman named Cary.

However, only the wreckage of the car was found at the scene, but no shadow of the person was found.

The car was struck by lightning, and one must find a way to find it.

Therefore, the police are looking for clues about Cary this morning.

The police checked the surveillance video and found that Cary was indeed driving the car last night, all the way out of City, and came to Phoenix Mountain.

Chapter 2996

This clue made the police pay more attention to the whereabouts of Cary.

After all, the development route of this matter was that Cary drove to Phoenix Mountain, and the car was struck by lightning and burned to an empty shell, and then Cary disappeared.

They seriously doubt that he will die like the security guard at the cemetery before, so the top priority is to find his whereabouts.

Therefore, while organizing police forces to conduct a carpet search around Phoenix Mountain, they also follow the regular case-handling process and issue tracing notices to the outside world.

These are publicizing Cary's personal information, and at the same time soliciting valuable clues from the public.

After this clue solicitation order was issued, it did not arouse too much attention from society.

After all, to ordinary people, he is someone who they have never heard of, and everyone does not pay attention to his life and death.

However, this news was quickly noticed by the Su family's eyeliner.

At this time, Chengfeng was talking secretly with Moby in the study.

Moby is currently the strongest master of the Su family.

It is also Chengfeng's last trump card.

If Moby also folded, then Chengfeng would basically have nothing to rely on.

This time, Moby took the initiative to come over, just to talk to the boss about Cary.

He said to Chengfeng: "Master, are you planning to let him kill Luther after he kills the mysterious person?"

"Yes." Chengfeng didn't hide anything in front of him, and said: "Luther has now broken through to a four-star martial artist.

If he can't be used by me, it must be a big trouble in the future. I can't leave him as a hidden danger!"

Moby clasped his fist and said: "Master, I have something to ask next!"

Chengfeng nodded and said, "Say it, it's okay, don't be so polite."

Elder Moby said seriously:

"Since Luther can break through to the four-star martial artist, there must be some chance, maybe even he has mastered some new inner boxing technique.

Since Mr. Cary is good at using Gu, he must have mastered a lot of unusual means.

In my opinion, it might as well be possible for him to force Luther to hand over the cultivation method!"

Chapter 2997

For Moby, who is also a warrior, after hearing that Luther became a four-star warrior, he was very fascinated in his heart.

However, there are countless hardships and difficulties along the way of martial arts, and it is impossible for ordinary people to make any major achievements.

To become a two-star warrior, you need extremely high talents and huge resources.

As for the three-star warriors, there are only a few sporadic ones.

As for the four-star warrior, only Luther is known so far.

Therefore, Moby knew very well that Luther must have encountered some great opportunities.

The greatest possibility is to find a better inner boxing method.

Therefore, he is also very much looking forward to it.

However, he also knew very well that, let alone a better inner family boxing method, even if it is a broken mind method, it is a secret of many families, and it is impossible for him to spy on it.

But now there is a good opportunity. Elder Su found the Gu Master Cary. Although his strength is not strong, he has already played superbly in his first hand, completely killing people invisible.

It was precisely because of this that he asked Old Man Su to ask Cary to find a way to ask Luther about his cultivation method.

Chengfeng said with some worry at this time: "I don't know now, if Cary's Gu technique can kill a four-star warrior. After all, the strength of the four-star warrior is unfathomable. Maybe Cary really isn't an opponent."

Old Moby hurriedly said:

"Master, you don't know anything about Gu art. In our martial arts people's eyes, it is just like a submachine gun.

It belongs to the kind that doesn't speak morality at all. No matter how strong a martial artist is, he can't evade a shuttle bullet at close range, the Gu-Worm in Cary's use, if really used properly, the power is not less than a submachine gun!"

"Oh?" Chengfeng said in surprise: "According to you, Cary really has a chance to get Luther's cultivation method.

At that time, can my Su family also use this set of cultivation methods to establish sects and directly create a martial arts sect?"

Moby excitedly said: "It's totally possible!"

## **Chapter 2998**

As he said, he continued with excitement:

“Nowadays, the martial arts family is imprisoned by blood, and their own practice methods will never be passed on to outsiders, which also limits the maximum scale that a martial arts family can achieve.”

“Furthermore, there are many scattered martial arts practitioners, hoping to obtain a sophisticated practice method to enhance their strength.

If the Su family has a better practice method, it can be used to attract disciples.

Dare to pack tickets, but it is very easy to accept thousands of disciples.”

Chengfeng smiled and nodded, and said seriously: “At that time, you will take care of this sect.

By then, all the disciples will be your disciples and under your command.

As for me, there is only one request, and that is this sect must serve for my Su family from generation to generation.”

Hearing this, Moby immediately backed up two steps, knelt on one knee, and solemnly promised:

“You can rest assured that I will be faithful to the Su family.

If I have the opportunity to establish a sect on behalf of the Su family in the future, I will definitely be this purpose of serving the Su family will be the sole purpose of the entire sect!”

Chengfeng was very satisfied with his statement.

This time, half of the He family hired for the price of blood loss has made him feel very upset.

Therefore, he also desires to have a power that truly belongs to him.

In that case, not only can the cost be greatly saved, but also there is no need to be controlled by others.

Thinking of this, he picked up the phone and said with a smile: “I will call Cary now. If he can get Luther’s practice method, then I will add another 50 million to him.”

After that, he immediately shot Cary over.

However, the prompt on the other end of the phone is: “Sorry, the user you are dialing is not in the service area, please call again later!”

Chengfeng couldn’t help frowning, and said: “This man Cary is such a careless person, he is too comfortable. In the past few days when he went to Wrester, he said that he is resting in the cemetery every day, and the phone could not be reached.”

Moby echoed from the side: “Master, this kind of people are generally withdrawn, and the natal Gu-Worm in his hands is said to live by eating human brains. It is very evil.

It is estimated that it can live healthier in the environment of the cemetery. Maybe that’s the reason.”

As he was talking, the butler Anson ran over panting, and said nervously, "Master, it's not good!"

Chengfeng couldn't help asking: "What happened? Why such a fuss."

### **Chapter 2999**

Anson handed the phone to Chengfeng and said, "Master, look at this missing person notice!"

Chengfeng glanced at it. The missing person notice contained Cary's photo and name. After he saw the contents, his eyes suddenly went black.

Anson hurriedly stepped forward to support him, pinching him hard to make him slow down a little.

Chengfeng said with a trembling voice: "Cary also disappeared?!"

"Yes..." Anson said with a gloomy expression: "The police found the car he rented, which had been damaged by lightning, but he was nowhere to be seen. Now the police are collecting clues everywhere!"

The Moby who was on the side thumped in his heart, and hurriedly leaned forward to take a closer look, and his heart was instantly cold.

"I just hoped that Cary could get rid of Luther and get his practice method, but before the dream is finished, Cary disappeared in Wrestvel?!"

Chengfeng was already a little bit unbearable at this time, and he muttered to the utmost decadence: "Wrestvel is not a city...it's a black hole! Even Cary can fold in. What is hidden in it..."

Anson helped him follow to his chair and said with concern: "Master, don't worry about it. No need to get angry.

Now Cary just can't get in touch. We don't know what the specific situation is. We will wait for more accurate information. What do you say?"

Chengfeng waved his hand and said dejectedly: "It doesn't make sense to wait any longer. We have been expecting miracles since my first son went there, but there is no clue until now.

Then, the other son disappeared as if he has evaporated from the world. Now change. Then it is Cary now...the one I sent to that city, now only Dan is left!"

Anson hurriedly said: "Master, why don't you call Dan and ask him to do some calculations to see what is going on? He is an old man with no offensive power. He can't happen to be one who can have an accident."

"Yes." Chengfeng nodded immediately and said: "Dan has never wanted to cause trouble. He always hopes to avoid all risks.

With his style of behavior, he will definitely not encounter any danger."

With that, he continued to call Dan with a trembling hand.

But what he didn't expect was that on the other end of the phone, the system prompt sounded:

"Sorry, the phone you dialed has been turned off, please call again later..."

### **Chapter 3000**

Chengfeng almost collapsed to the ground in shock at the moment when he heard Dan's phone shut down.

Cary killed innocent people everywhere, so he disappeared. Who could have imagined that Dan, a 100-year-old man who never even killed a fly, would also disappear?

He couldn't help but trembled: "Could it be that...that guy even didn't let go the one-hundred-year-old man?!"

Anson wiped a cold sweat and blurted out: "Master, Cary's car was smashed into a ghostly look by lightning.

He himself certainly cannot be spared. As for Dan, I think he has two possibilities. Either dead or ran away."

"Running away?" Chengfeng frowned, and he shook his head for a moment, then nodded and said:

"This old guy can pinch, maybe he will be in danger, so it's possible to run ahead of time..."

As he said, he sighed deeply, and said: "Whether this old guy is dead or alive, in my opinion, it is impossible for me to use him anymore.

Cary will probably be over too, and I have no more cards in my hand. ..."

Anson hurriedly asked, "Master, what shall we do next?"

Chengfeng shook his head and murmured: "I don't know..."

...

At the same time, Zhiyu came to Shangri-La on the grounds of visiting Takehiko.

Ito's younger sister, Emi Ito, came to the hotel lobby to greet her, and then took her to Ito's room.

It's just that at this time Ito Takehiko was enjoying a massage in the SPA center, and it was Marven who was waiting to meet her in his room.

Emi rang the bell outside the door, and then pushed the door to come in. She respectfully said to Marven: "Mr. Ye, Miss Su is here."

Marven nodded: "Thank you, Ms. Ito."

Ito Emi hurriedly said: "Mr. Ye, you are polite! If there is nothing wrong, I will withdraw first, and you can talk to Miss Su."
