

The Amazing Son In-Law Chapter 3001-3010

Chapter 3001

After speaking, she stepped back and sent Zhiyu in.

From the moment Zhiyu followed Emi into the room department, her heartbeat continued to accelerate.

Now, seeing Marven sitting on the sofa, her heart rate has accelerated to the extreme.

She bowed to Marven nervously and excitedly, shouting in her mouth: "Grace..."

Marven smiled slightly, and after inviting her to sit down on the sofa, he asked her: "How are you feeling these past two days?"

Zhiyu hurriedly said: "Very good, thank you for your concern..."

Marven nodded and asked her, "I heard that you brought the Ocean Shipping Group over from your grandfather?"

"Yes." Zhiyu said: "You asked me to become the head of the Su family in three years.

I don't know if I can do it, but nevertheless, I have to take the first step."

Marven agreed and said: "You have made this move very well. For you, it is already considered as the maximum benefit."

Zhiyu couldn't hide her shyness and said, "Thank you for the compliment..."

Marven asked her: "Then what are your plans next? The Su family's ocean shipping group is currently completely banned.

If you don't find a way out quickly, the stall business might fall out of your hands."

"Yes." Zhiyu said: "I originally wanted to meet with Grace and have a chat.

Unexpectedly, you would contact me first. In fact, I intend to sell the entire ocean shipping group directly for cash.

Use the realized funds to do other businesses..."

"But I thought about it later. If I sell the Su family's ocean transportation group, then my grandfather would definitely hate me, and the entire Su family would treat me as an enemy.

In that case, I might never have a chance in my life to become Su Family Patriarch..."

Marven nodded and said: "You are right. If you directly sell the entire ocean shipping group, it is equivalent to taking a huge amount of compensation and then breaking with the Su family."

Zhiyu hurriedly asked, "Do you have any good suggestions for me Grace?"

Chapter 3002

Marven said: "I am preparing to start the ocean shipping business. At present, I have enough funds in my hand.

What I lack are ready-made resources. If you are interested, we can set up a joint venture company together.

All the resources of the ocean shipping group will become shares."

Zhiyu asked with joy, "Do I have to work directly with you?"

"Yes." Marven nodded and said:

"But I don't want to announce my identity yet, so this ocean shipping company should be established in the form of a new shell company separately.

My personal information will not appear in this company."

She knows that Marven has always been low-key, so he said: "As long as Grace has a word.

I will immediately integrate all the resources that can be integrated and serve you wholeheartedly!"

Marven said seriously: "I don't want you to cooperate with me because I saved you.

Since this is a partnership business, you must get what you need, and I must not let the other party purely contribute."

After speaking, Marven said again:

"My terms of cooperation are that I invest 10 billion US dollars in cash and use all the resources that I can integrate as equity.

On your side, you will integrate the entire Su family ocean, transportation group.

Bring it in and set up a new company, I account for 51%, and you account for 49%.

If you think that you are willing to cooperate with me, then I will start making the next arrangements now."

Zhiyu said without hesitation: "I am willing!"

Marven nodded and said seriously: "If this is the case, then I will help you win more resources and initiative in the future."

With that said, he picked up his cell phone, called Zak Chen, and said: "Mr. Chen, bring Dan's cell phone here."

Zak Chen quickly rushed over with a turned-off mobile phone.

Marven took the phone, turned on the power directly, found Chengfeng's contact information, and said to Zhiyu: "I will call your grandpa now."

Zhiyu asked in surprise: "Grace, you...why do you want to call him?"

Marven smiled and said, "Didn't he always want to find me, then I'm just fulfilling his wish."

So, just when Chengfeng was scratching his head trying to understand the situation in front of him, Marven directly pressed the dial button in front of Zhiyu and Issac.

Chengfeng, who was in distress, suddenly saw the call coming from Dan, and he was overjoyed!

He subconsciously said: "I think Dan shouldn't have any trouble, as long as he smells a little dangerous smell, he will immediately run away!"

After speaking, he immediately picked up the phone and blurted out and asked,

"Uncle Mai, where have you been? I have been looking for you and haven't found you all morning!"

Marven sneered on the other end of the phone, and said mockingly: "Don't look for him, he has been controlled by me."

Marven's words made Chengfeng's heart stunned, and the phone almost fell to the ground slipping from his firm grip.

After a while, he forced himself to calm down and asked tentatively, "You...who are you?!"

Marven smiled and said: "Master Su, you have spent so much effort and sent so many people to find my whereabouts.

I am really flattered, so I took the initiative to call and say hello to you."

Chapter 3003

Chengfeng originally thought that Dan might have insight into the danger in advance, so he escaped from it beforehand, but he never dreamed that the person who called was the mysterious person who he had been searching for, for a long time!

It's one thing to always want to find the other party and kill the other party, but suddenly to be known by the other party, and to get a call from them is another matter.

At this moment, Chengfeng asked very nervously: "What do you...what do you intend?"

Marven laughed and said, "What do I intend? How can I save your grandson and your granddaughter, and also save your daughter-in-law?"

I can definitely be regarded as the benefactor of your Su family.

What bad thoughts can I have? It's nothing more than long admiring the name of Old Man Su, and wanting to find a chance to talk over a glass of wine and cooking with Old Man Su."

"You..." Chengfeng was panicked in his heart, and couldn't help asking: "I have never met with you.

I have no grievances and no grudges. How are you going to give up?"

Marven smiled and said, "Master Su, it is impossible to give up.

I called, not to negotiate with you, but to tell you that before today, you have been taking the initiative to fight against me, deliberately trying to find me. To capture me."

"But after today, the rules of the game have changed!"

"Now, it's my turn to find you!"

"I hope you hide well in Suzhou, and don't be found by me too easily, because in that case, the game is meaningless."

After that, Marven directly hung up the phone, and then turned off Dan's cell phone.

He just turned off the phone, and Zhiyu on the side was already shocked and speechless.

Chapter 3004

And Zak Chen couldn't help asking: "Master, are you planning to take the initiative and go to Chengfeng to settle the account?"

"How is it possible..." Marven smiled and said playfully: "If I go to find Chengfeng to settle the account now.

Wouldn't it be a waste of money for his remaining children and the Ye family?"

After speaking, Marven said again:

"If I kill him now, instead of getting any substantial benefits, I will become a spectator, waiting for the separation of the Su family, and the Ye family by then,

will take advantage of the fisherman's profit.

If I have to do everything I must not act foolish to do this kind of thing."

Zak Chen asked a little puzzled: "Then why did you tell Chengfeng that just now?"

Marven smiled and said, "Frighten him. This old dog manipulates the puppet behind his back all day long.

Something happened to the puppet. He thought that cutting the thread would shield the risk.

This kind of good thing has ceased to exist from now on. No more deals for him."

After speaking, he smiled playfully: "Believe it or not, this old guy is probably scared now."

"I believe it!" Zak Chen smiled: "Cary and Dan are both missing, and you said that you want to take the initiative to attack him, he must be scared to death!"

Marven smiled and said: "I called him just to beat him and give him a little pressure."

Zak Chen nodded and smiled: "I guess he will flee from Suzhou with his tail caught today."

Marven said calmly: "I think his biggest problem right now is that he doesn't know where to escape.

If he stays in the country, he will be easily found no matter where he is.

Although it is safer to go abroad to avoid the limelight, he definitely does not dare to take this step."

Zak Chen asked puzzledly: "Why?"

Marven asked him back: "If you were an ancient emperor, would you dare to leave your country?"

Zak Chen immediately understood the meaning of Marven's words and said: "Master, I understand what you mean, Chengfeng has the position of the Patriarch.

There must have a lot of people eyeing Chengfeng. In this situation, he absolutely dare not leave China."

"Yes." Marven nodded and said with a smile: "He seems to have five sons, the eldest and the second are in my hands, and there are three left.

Each of these three people must be looking forward to inheriting the position."

Chapter 3005

After speaking, Marven said again: "Originally, these three people may not have thought of it, but as the boss and second child disappear one after another, it will definitely make each of them have a chance to have their own way.

Inheriting the illusion of this position, this is not yet considering Chengfeng's grandchildren.

Those younger generations must also look forward to being able to take control of the family alone."

"So, Chengfeng has no last resort and will never leave China, because once he leaves, he will probably not come back in this life."

In the ancient royal family, many members of the royal family were permanently exiled.

The reason is that those in power did not want that person to come back and threaten their rule.

Even in modern times, there have been some attempts to usurp the throne in foreign countries.

Generally, the president went abroad for a visit, and the domestic coup was launched on his back.

At the same time, they must guard against death and never let the former president return to the country.

As a result, the former president can only live in exile.

Therefore, the day Chengfeng leaves China, it must be the beginning of his demise!

Zhiyu didn't speak and looked at Marven for a while, and then asked: "Do you want to make this call to my grandpa to force him to ask me for help?"

"Yes." Marven nodded and said with a smile: "Your grandfather must be particularly insecure now.

There is no strong expert protection around him, whether it is in Suzhou, Orgeyon, or other domestic counterparts.

It is very difficult for the city to guarantee his safety, and he has been holding the power of the family and is reluctant to let go, so he dare not go abroad. The only option is to make peace."

After a pause, Marven shook the phone that had been turned off in his hand, and smiled: "But I have already put the cruel words out just now.

This phone has also been turned off. He wanted to make peace, but he couldn't find me at all.

He will look for any way of contacting me, and the only way is to find you."

After speaking, Marven said again: "If he really asks you to make peace, then you readily promise him, but you must not say too badly.

You tell him that you will try your best, but you are not sure you can persuade me or not."

Zhiyu hesitated for a moment, and asked him: "Are you worried that after we cooperate in ocean transportation, he will come forward to obstruct?"

"Yes." Marven said earnestly: "The market value of the Su family's ocean transportation business under normal circumstances is at least RMB 300 billion to 400 billion.

Even if it is facing difficulties now, the actual total fixed assets are at least RMB 200 billion.

Your grandfather handed such a big piece of cake to your hand, he only hopes you will keep it for him, instead of just picking up the knife and fork and eating it."

“Once you take the entire ocean shipping group to cooperate with me, in his eyes, it is equivalent to selling the cake.

This will absolutely touch his negative scales.

He will do his best to stop you at that time, even without hesitation. Oppose you again.”

Having said that, Marven turned around and said with a smile: “But you can rest assured that after you agree that you will intercede for him, you don’t have to worry that he will turn his face.”

“Because I didn’t have time to take care of him for a while, and called and threatened him that I wanted to find him, but it is just a fake shot.

“So, he is safe in a short time, at least I won’t deal with him.”

“And he will definitely attribute this kind of safety to you, feeling that it is entirely your help.”

“At that time, he will see you as his amulet, how dare he then prevent you from taking out the Su family ocean transportation group and cooperating with me?”

Chapter 3006

Only then did Zhiyu understand that it turned out that Marven called her grandpa a moment ago to just threaten him, in fact, to make him fear.

Marven’s this move made her very moved.

She was originally worried that she could not hold such a large ocean transportation group.

She also worried that after the limelight passed, her grandfather would try the same trick again and find a way to snatch this big cake back.

However, with the phone call from Marven just now, she believes that for a long time in the future, she would no longer have to worry about any danger.

So, she stood up, bowed slightly to Marven, and said respectfully: “Benevolence...oh no, Mr. Ye... thank you so much...”

He waved his hand lightly, and said lightly:

“I am helping myself, and the ocean transportation group in your hand has very high assets, and my side is almost an empty shell.

Although I will inject capital as promised. 10 billion dollars, but in comparison, I am still taking advantage of you more or less.”

Zhiyu hurriedly said: “It’s not like this...I have a hard time revitalizing this ocean shipping group.

At most, I can sell it at a low price. If I cooperate with Mr. Ye, this asset will not only be revitalized, but it will also be more effective.

There is more room and possibility for development, so we can be regarded as mutually benefiting.”

Marven smiled slightly: “You are right, doing business in partnership means mutual benefit.”

After he finished speaking, he said again: “It just so happens that you are calling today in the name of Takehiko.

Then the new company we established can claim to the outside that it is a cooperation between you and the Ito family.

Your grandfather always wanted to cooperate with the Ito family. Go online, then you might as well make him think that you have caught up with this line, so that it will also make him recognized your abilities.”

Zhiyu nodded and said gratefully: “I understand, everything is up to you!”

Marven looked at the time and said with a smile: “I guess it won’t be long before your grandfather will call you. You have to think about your skills later.”

...

At the same time.

Su Family Villa.

Chengfeng was already pale in shock at this time.

Originally, he planned to let Cary and Dan find the mysterious man, and then kill him when he was not prepared.

Chapter 3007

But he never dreamed that the two of them are now cold, not to mention, they also sold their behind-the-scenes proprietor.

As a result, the other party called and said that he wanted to change the rules of the game. How could he not be afraid?

Especially the other party also accurately stated that he was in Suzhou.

Distance from Wrethvel to Suzhou is very close, maybe when he goes to bed at night, and his neck will be wiped by the other party.

Anson was very worried and asked, “Master, what are your plans next?”

Chengfeng couldn't hide his nervousness and said, "You heard it just now. Cary and Dan are both in the hands of that kid."

This guy really doesn't speak morals at all, even the 100-year-old old man, he will not let go. After that, let alone me..."

With that said, Chengfeng sighed, and said: "And this guy now knows that I am in Suzhou, this is the most dangerous..."

Anson hurriedly said: "Master, based on my humble opinion, our top priority at the moment is to leave Suzhou as soon as possible!"

Suzhou is too close to Wrestrvel... If he finds this, it will only take three or four hours to drive..."

Chengfeng nodded, sighed, and murmured: "Hey! It's easy to leave Suzhou, but where would I go after leaving?"

Anson said quickly: "Master, let's go back to Orgeyon!"

Chengfeng said depressedly: "It may not be really safe to return to Orgeyon."

After all, his strength is really unpredictable. He could abduct Shoude silently under Luther's eyes. God knows he will or will not repeat the old tricks and tie me up?"

Speaking of this, Chengfeng said again:

"It may not be safe to go anywhere now. Even if I escape to the South China Sea, he will find a three-hour plane."

At this time, Moby, who had not spoken for a long while, said: "Master, you should go to the Maldives to avoid the wind and relax for a few days by the way!"

Suzhou has not really warmed up these days.

The weather in the Maldives is good, and it is far away and a separate island, so we can also arrange security work!"

He said, "In an archipelago country like the Maldives, the local government has sold everything that can be sold and rented everything that can be rented, except for the capital island and several large islands."

For the islands that are sold, the local government will not even send a police force, not to mention the local army, and basically let us toss with ourselves, and the operation space will be larger."

"If you are willing to go there, I can ask my junior brother to help, hire some mercenaries from the Middle East and the West."

The Blackwater Company in the United States has a large number of mercenaries that have undergone rigorous training.

At that time, hundreds of them will be hired directly from the Blackwater Company.

Soldiers with guns and live ammunition will guard the island so that no fly can get in. Your safety can also be greatly guaranteed.”

Chapter 3008

Although Su’s family has not been able to do business all over the world, their homes are almost all over the world.

Basically, all developed countries have real estate in the name of Su family, so the family has a home wherever they go.

As for resorts such as Maldives, Phuket, Bali, and Tahiti, not to mention.

The Su family has long bought several islands in the Maldives, some of which have been developed into high-end luxury island hotels, and another island has been developed but not put into commercial use, but reserved for the Su family’s own vacation needs.

At this time, the weather in Suzhou during the first lunar month is still a bit cold and humid.

But the Maldives, which is on the edge of the equator, is very comfortable even now, and it is indeed very suitable for short- and medium-term vacations.

Moreover, as Moby said, in an island country like the Maldives, the government has no energy to control so many islands that walk around.

Basically, whoever it is sold to, is left to toss, even if there are some places that are not allowed by local laws, just sold and no interference.

Money can also be accommodating, and the operation space is huge.

Therefore, once they go to the Maldives, they can definitely build a very powerful defense system in a short time.

It is no exaggeration to say that once the high-end mercenaries are deployed from the Blackwater Company in the way Moby said, the defense of the island, and the ability to protect will be so strong that no one may be able to penetrate the local army.

However, although Moby is very considerate of security, he ignored Chengfeng’s character and his situation in the family.

Unless he is definitely sure that he will die if he doesn’t leave, he is absolutely unwilling to leave.

Going abroad to avoid the limelight is the last escape route for him, and he will only consider it as a last resort.

Because he knew very well that once he left China, the Su family would no longer be in his hands, and even the entire family might be torn apart.

Moreover, after this trip, he may never come back.

Even if the mysterious man stopped chasing him, once his children profited from it, they would never let him come back.

When the time comes, he will suffer from the enemy!

Thinking of this, Chengfeng gritted his teeth, and said to Anson and Moby: "Without a last resort, I will never leave China!"

Anson asked nervously: "Master, that guy is so strong, how do we deal with him next?"

Chengfeng thought for a moment and said seriously: "Now, only Zhiyu can save me!"

Chengfeng knew very well in his heart.

Chapter 3009

He knew that the only person who can stop the mysterious master right now is his granddaughter Zhiyu.

He said to Anson and Moby: "If Zhiyu is willing to say something good for me, she will definitely make that person give up or delay the idea of chasing me..."

Anson nodded repeatedly and said, "The mysterious person who wants to come must have deep feelings for the eldest lady, otherwise he will not chase her in Wresvel from Japan to protect her.

If she can really say something for you, maybe it will really make a big deal. Small and trivial..."

Chengfeng sighed and said: "If you can't beat it and can't hide, the only way is to beg for mercy..."

Moby couldn't help asking: "Master, I know Miss Zhiyu's character quite well. I am afraid that she's not that easy to talk about this matter."

"Indeed..." Chengfeng said depressed: "This girl has a big appetite.

About the previous press conference, I gave her the entire ocean shipping group to shut her up.

If I beg her again this time, I don't know what she will ask for..."

Speaking of this, Chengfeng said with a cold expression:

"The reason why the Ocean Shipping Group I gave to her is to see if she can revitalize the business.

If it is not taken care of, it will die in her hands or my hands.

There is no difference, but if she can revitalize this business, sooner or later I will have to get it back with profit, but if she wants other business from me, I mean she can't cut the meat anymore..."

Anson opened the mouth and said, "Master, why don't you make a phone call to check the eldest lady's tone?"

"Yeah!" Chengfeng nodded and said,

"I'll call her right now. Oh, by the way, Anson, I asked you to follow her recent actions secretly.

Do you know what she is doing these past two days?"

Anson hurriedly said: "Master, the eldest lady went to the Shangri-La Hotel today."

"What?!" Chengfeng frowned and asked sharply: "What? Is she going to talk to the Ye family about cooperation?"

Anson explained: "It's not about cooperation with the Ye family, but about cooperation with Ito family of Japan. You know, Ito is recently living in Shangri-La."

Chengfeng heaved a sigh of relief and nodded and said, "I almost forgot about this matter. Zynn was just looking for a chance to see Mr. Ito when he disappeared at Shangri-La.

Zhiyu ran over to see him now. Will he take care of her?"

Anson nodded and said, "According to the news from my people, after the eldest lady went to Shangri-La, she was picked up by Emi Ito, the younger sister of Mr. Ito, in the hotel lobby."

"What?!" Chengfeng asked in surprise: "He agrees with her?"

Anson said by the way: "My people followed, and the eldest lady did indeed enter his room."

Chengfeng couldn't help being a little bit astonished and immediately couldn't help but sigh: "Since the fight between the three major families in Tokyo and the winner-takes-all of the Ito family.

Our ocean shipping group is unwilling to follow suit even without being punished.

We cooperated and Zynn, as the Su family's son and the heir of the Su family in the eyes of outsiders, failed to get Mr. Ito to meet him.

I did not expect Zhiyu to do it!"

Chapter 3010

Anson nodded and said: "The eldest lady is talented and intelligent, and her eloquence is by no means comparable to that of ordinary young people.

Moreover, she now completely owns the ocean transportation group of the Su family.

Maybe Mr. Ito has been reached with her persuasion for cooperation.”

Chengfeng said with some joy: “If this is the case, the ocean shipping business might be able to survive. Zhiyu seems to be really a bit skilled.”

After that, he immediately picked up the phone and sent a message to her. The content of the message was: “Zhiyu, please call Grandpa when it is convenient.”

Zhiyu saw this message and immediately told Marven, and at the same time asked him: “Mr. Ye, should I return one to him now?”

Marven nodded and smiled: “Dial, see what he says.”

Zhiyu hurriedly dialed Chengfeng’s phone.

The call was quickly connected.

Chengfeng pretended to be concerned and asked on the other end of the phone: “Zhiyu, how have you been in the past few days? Have you encountered any problems that you need help from grandpa?”

Zhiyu said in a lukewarm tone: “It’s okay recently. I’m trying to revitalize the ocean shipping business.

I appreciate your kindness, but you don’t need to help me.”

Chengfeng sighed and said guiltily: “For these two days, Grandpa has been unable to eat or sleep.

Not only am I full of guilt for you and your mother, but I have also been thinking about how to compensate your mothers.

It happened that Anson was with me today. Talking about the Maldives, I just thought, I will give you the island where the Su family stayed in the Maldives so that you and your mother can go to have a good rest and relax.”

Although the islands in the Maldives are expensive, they are not very valuable.

The island developed by the Su family, is taken on lease from the Maldivian government for 100-year use right, only spent tens of millions of dollars, but the real cost is the development and construction of the island.

An island must not only have a complete set of architectural solutions, but also a large number of luxurious decorations, but also a complete set of hardware facilities such as docks, helipads, and satellite communications, and even have the ability to generate independent power generation and desalination.

Therefore, the Su family has invested nearly 3 billion yuan in the construction of the complete set.

Originally, Chengfeng regarded that island as a paradise on earth where he would enjoy his old age in the future, so he did not hesitate to pay for it.

If he really wanted to give it to Zhiyu, he naturally couldn't bear it.

But he just said that he wanted to win favor in his granddaughter's heart first.
