

The Amazing Son In-Law Chapter 3051-3060

Chapter 3051

Maggie also understood what he meant, and paid 500,000 first, and the next 500,000 would definitely be a bad debt for Theresa.

Although she didn't want to do something without business ethics, since the boss has spoken, how dare she disobey.

So she had to say to Theresa: "Ma'am, our boss agreed. One million is no problem, but the money has to be paid in installments. The first half in advance and pay the other half after it's done."

Theresa didn't know how many times she was scammed. She was no longer the stupid woman at the time. She understood the other party's intentions instantly, so she said:

"Ms. Chen, if your company is willing to cooperate, only after you pay the full amount in one go, I'll start making arrangements here.

If you don't want to, let's forget it. I don't accept any form of bargaining, even if you pay 99% first and then 1% later, please forgive me."

After Kim listened, his face was green, and said: "This woman is really cruel, and he choked me out of all of the bargaining room!"

Maggie asked helplessly: "Master, what should I do now?"

Kim cursed: "What the hell can you do, promise her! Let her quickly arrange for someone to go there! If I get off the plane and can't see more than 300 female fans, I fcking kill her!"

Maggie asked tentatively: "Then let the finance transfer money now?"

"Okay!" Kim gritted his teeth: "You need to check the other party's account number, and then notify the financial transfer, I will directly approve the mobile phone."

"Ok."

Maggie finally breathed a sigh of relief. Although this matter is not her own pot, if it is not resolved in the end, Kim will definitely make trouble for her.

Fortunately, it is finally resolved.

Although a lot of money was spent, this account must be recorded on George's head, and it has nothing to do with her.

So, she hurriedly confirmed cooperation with Theresa, asked her for the collection account, and then immediately arranged the finance to be responsible for the payment.

When Kim boarded the private jet and was waiting for take-off, the financial side finished the transfer process.

After Kim used the mobile phone to approve, Theresa immediately received financial feedback and received the transfer from Kim's actor agency studio the amount of one million.

She was very happy. In her opinion, this business was simply to improve everyone's lives, so she immediately sent a voice message to the company's employee group, and said to all the members: "Sisters, I just received a big deal!"

Many people in the group hurriedly asked what the big deal was.

Theresa said: "It's a temporary job as a female fan at the airport. The other party needs 300 people.

They will arrive at Wroclaw Airport in two hours. The pick-up process takes half an hour. This time, Party A is a local celebrity and rewards one person with two thousand five hundred!"

Chapter 3052

Theresa received one million this time. According to the process, she left a profit of 250,000 to the company, and all the remaining 750,000 is used to give back to the employees. It was just two thousand five hundred per person.

As soon as the message was sent, the group suddenly exploded!

Who dares to imagine that a trip to the airport, the total amount of back and forth does not exceed three hours, you can make two thousand five hundred?

In such a short period of work, it is impossible to spend more than five hundred at most.

Therefore, hundreds of people in the group responded immediately, and everyone's response was similar: "Sister Theresa, I will go! Count me!"

After all, the income of this event has increased several times, and no one wants to miss this good opportunity.

However, the activity requires 300 people, and there are more than 1,000 full-time and part-time people in the group.

There are too many monks and less porridge, so how to distribute has become a more difficult problem.

Theresa thought over and over again, and said: "This time because the number of people needed is only three hundred, we have the following conditions for selecting people."

"First, give priority to the full-time contracted employees of the Company;"

"Secondly, among the full-time contracted employees, the attendance rate of the last month is selected from high to low, and the 300 people with the highest attendance rate can get this opportunity;"

“Third, if the selected person does not have time to go, the quota will be postponed!”

As soon as these conditions came out, the workers in the group were happy and worried.

The happy ones are naturally full-time contracted employees, and those with a relatively high attendance rate;

The worry is those part-time employees.

They thought that if they didn't sign a full-time contract, they would be able to cooperate with multiple companies so that they would have more resources and freedom.

But they didn't expect that when something good happened, the company would give priority to the contracted employees of this company.

Although these part-time jobs are very depressed, they have nothing to say. This is the price of freedom for not signing a contract.

Just like the difference between regular workers and temporary workers, the benefits will naturally vary.

In addition, the full-time contracted employees are also convinced of the way in which this rule is sorted by attendance.

After all, the most important assessment criteria for their manners to generate revenue for the company is attendance.

The price difference is not too much. The more attendance, the higher the income generated for the company.

When encountering such a good thing, naturally, the more important it is to give priority to these employees who have made outstanding contributions.

Seeing that everyone had no objection to her decision, Theresa immediately said:

“Let Sister Liya send out the attendance rate of last month to the group.

All employees who are in the top 300 and have no problem with time will please register with Sister Liya in ten minutes, and the 100 sisters from the next 300 will also pay more attention.

If the first 300 people can't go, or if they don't register within ten minutes, they will all be regarded as giving up, and you will all have a chance. Get a chance you people on the waiting list. Good luck!”

Chapter 3053

Theresa's movements are very quick.

Through further confirmation and screening of the list of personnel, she identified three hundred employees in ten minutes.

Later, she and Maggie decided on some details, including the slogans to be shouted, the banners to be displayed, and the physical movements and the time.

Kim himself was very dissatisfied with Theresa, but after seeing that she was very efficient and professional at work, his mood eased a little.

When Kim's plane took off towards Wrestrvel, Theresa had already deployed her staff. Three hundred courtesy ladies were preparing to leave for the airport from various places in the city.

After she arranged the work, she felt as happy as if she had won a battle.

She recalled that when her brother-in-law Marven handed over the Shangmei etiquette company to her.

This company was still in the nascent stage, but in a short time, she ran this company in a decent way.

Not the company's performance was getting better and better and the scale was getting bigger and bigger as well.

Of course, she is also very clear that the reason why she has achieved such rapid development and success is mainly due to Marven's face.

Now many businesses are introduced by Orvel and his men. If it were not for them.

It is impossible to get on the right track so quickly for the company.

Thinking of Marven, the girl in her heart can't help but burst.

She now has a deep affection for him. Although she also knows that the gap between herself and Marven is too great, once she has such a thing, it is difficult to disappear, even if she knows that it is impossible Linger.

So, she picked up the phone, after thinking about it, hesitating again and again, but still called Marven.

At this moment, he was in Shangri-La, suddenly received a call from Theresa, and couldn't help being a little surprised.

These days, he almost forgot about her.

Originally, the lady Xiao still scolded Horiyah who stole her money, and left Wrestrvel on the balcony every day. By the way, she choked with Viola.

But these days, the old lady seems to have constrained a lot and he hasn't heard much from her. She and Viola are choked.

Chapter 3054

What Marven didn't know was that Theresa's status in the Xiao family was very high now, and she could be regarded as one of the best in the family.

This is mainly because the old lady, as well as the bedridden Noah and Jay the father and son, now rely on Theresa to make money.

Although Mrs. Xiao was used to being in power all her life, she thought about forcing Theresa to hand over the money to her, but after Theresa became a company owner, her character was much tougher and her own ideas became more determined.

So she immediately made it clear to Mrs. Xiao the current division of powers of the family.

Since she is responsible for making money and supporting the family, she must have the final say in this family, and other people must follow her words.

Although the old lady is not convinced, she can only agree to feed her family.

After Theresa determined the dominance of the family, the first request made was to stop the old lady from having any friction with Marven's family.

Mrs. Xiao had no choice but to stop. Marven didn't know the details. He only knew that Mrs. Xiao hadn't been moving recently.

As soon as she stopped moving, the family faded out of his vision.

However, even though he was surprised, he still connected the phone and asked in a lukewarm tone: "Theresa, are you looking for something to do with me?"

Theresa was a little nervous, and somewhat excitedly as well, she finally gathered courage and said, "Brother-in-law, what are you up to?"

Marven said casually, "I'm not busy, what's the matter? I am with a friend outside?"

Theresa hurriedly said: "Oh...this way...actually...I don't have anything much, just wanted to report to you about Shangmei's recent situation.

Marven smiled and asked her: "Is the company doing well nowadays?"

Theresa hurriedly said: "Brother-in-law, the company has been running very well recently! Thanks to Orvel and the others, the business is relatively large, the income is relatively high, and the number of employees is increasing."

Marven smiled and said: "That's not bad, I hope you can make persistent efforts to take the company to the next level."

Theresa promised: "Brother-in-law, rest assured, I will do my best to make Shangmei Company bigger and stronger.

It will become the largest etiquette company in the city and the province, and will never disappoint my brother-in-law's expectations of me!"

Marven gave a hum and reminded: "You must always remember how you were bullied and squeezed by the unscrupulous boss.

Remember these, you must take a warning, don't become like them, forever. Don't exploit those employees who are working for you, understand?"

Chapter 3055

Theresa hurriedly said seriously: "Brother-in-law, don't worry! I was really ignorant before. No matter how I behave, I was a lot worse.

But now I've really changed my mind. I understand that life is not easy, so I have always been open and honest with the employees of the company, and I think about them everywhere!"

With that, Theresa said hurriedly: "For example, today, I took a large order of one million, and the other party asked 300 people to go to the airport to pretend to be fans.

In fact, it's just a few hours before and after the arrival of the plane. A person getting five hundred is a lot. In that case, only a cost of 150,000 is needed, and the remaining 850,000 is profit.

As for the company's income, I could have kept it and not let them know. Then naturally everyone won't have any opinions."

"But, I finally decided to give the bulk to the employees, so for these three hundred people, I gave each of them 2,500!"

"The reason for doing this, on the one hand, as your brother-in-law said, I don't want to use the money to exploit them;"

"On the other hand, I also want to use this event as a reward to motivate those employees who perform better and make them work harder in the future.

At the same time, it can also stimulate those employees who have not got the opportunity and let them see hard work. The benefits! In this way, I can be more active in the future."

Marven couldn't help but praised: "You can do this, it really makes me admire you."

After speaking, Marven paused slightly, and then said: "If you just calculate economic accounts, you seem to have lost hundreds of thousands of profits, but if you look at it in the long run, you may have gained hundreds of more dedicated and high-quality employees."

"The profits these people can create for the company in the future will certainly be far more than these hundreds of thousands."

"But if you lied to them today and concealed the actual income, it would be equivalent to buying a time bomb. If one day they find out, they will be resistant to you and the company.

This will actually make your road towards progress in the future narrower and narrower."

Theresa said happily: "Thank you brother-in-law for the compliment! I will definitely find a way to make the future road wider and wider!"

Marven gave a hum, and just wanted to hang up the phone after saying a few words, but suddenly, he recalled a detail that Theresa had just said on the phone.

So he asked: "By the way, Theresa, you just said that someone gave you one million, so you are going to send three hundred courtesy ladies to pick up the plane acting as fans at the airport?!"

"Yes!" Theresa said with a smile: "It's the first time I have received such a job, but it seems that there are quite a few celebrities who buy fans.

Not only celebrities, but many marketing and Internet celebrities spend money to hire people as well. In the scene, it is said that if you package yourself very popular, you can cheat others to join and earn a high initial fee."

Marven asked hurriedly: "Do you know who is the one who bought the fans to pick up the plane?"

Chapter 3056

Theresa didn't conceal anything from Marven, and said directly: "It's a new-generation singer named Kim Zhong. It is said that he has been quite popular recently."

Marven couldn't help laughing: "Oh, it's him!"

Although he has never met Kim, he has no good feelings for him because of his assistant's attitude at the presidential suite.

What's more, this guy wants to pursue Sara, which makes him even more unhappy.

Thinking of Kim's harsh words to Zak Chen on the phone earlier, Marven planned to make the best of his landlord's friendship and let Kim feel the enthusiasm of the people of Wrestrvel from the moment he got off the plane.

Doesn't he want to hire female fans to pick him up? Then he will now arrange a little surprise for Kim.

At this time, Theresa on the other end of the phone asked curiously: "Brother-in-law, do you know Kim?"

Marven said, "I don't know, but we should know each other soon."

After speaking, he said: "By the way, Theresa, I still have something to deal with. Let's talk later."

When Theresa heard this, although she didn't want to hang up, she was too embarrassed to entangle him.

She hurriedly said: "Okay, brother-in-law, you should be busy, and I have to organize a pick-up for a while."

Marven hung up the phone and immediately said to Zak Chen: "Mr. Chen, call Orvel to come over."

Zak Chen nodded, hurriedly called Orvel first, and then said to Marven: "Master, Orvel is having a meal. He will be moving right away will be here in 10 minutes."

"Okay." Marven smiled slightly, and said: "You have something to do at the airport. Let them pay attention to whether there is a private plane from Orgeyon landing in Wrestvel this afternoon. If so, ask about the landing time and the place after landing for the pick up arrangements."

Zak Chen asked curiously: "Master, what are you going to do?"

Marven smiled and said: "Kim is coming to Wrestvel, I will prepare a surprise for him."

Soon, Zak Chen received a message from the airport.

There is a private jet that has applied for a route permit to fly from Orgeyon to Wrestvel in 20 minutes. The plane will land two hours later.

After landing, the plane will park in the hangar. Wrestvel Airport has arranged VIP transfers in the airport. After the plane stops, it will pick up people as soon as possible.

Zak Chen explained to Marven: "Master, generally speaking, private jets can be arranged to take the business jet terminal to the airport, and they use the VIP channel.

Chapter 3057

The business jet terminal is generally a separate building, and there will be a certain distance from the main terminal.

Passengers of private jets will basically not be with ordinary passengers when entering or leaving the airport.

However, Kim specifically asked the airport not to send him to the business jet terminal Building, but to the main terminal building, I don't know what the intention is."

Marven listened and said with a smile: "His intention is very simple. The official terminal is so small and the entry and exit audits are so strict. If you leave the airport directly from there, you won't be able to enjoy the ritual sense of the fans picking up the plane. Yet?"

After speaking, Marven said again: "I just heard that he hired three hundred courtesy ladies to pick up the plane by posing as fans at the airport.

The main terminal building is big and there are many people, so the battle will be bigger then. Maybe it will be a hot search."

"That's it." Zak Chen nodded lightly and smiled: "This group of people in the entertainment industry are too fake. Even spend money to buy fans. No wonder people say that the star Kim is losing money. Money in exchange for fame."

Marven smiled and said: "Since he attaches so much importance to pomp, then I will arrange for him a special fan pick-up show today!"

Zak Chen asked hurriedly, "Master, what are your plans?"

Marven snorted: "When Orvel arrives, I will tell you together."

...

Ten minutes later, Orvel hurried over.

As soon as he entered Zak Chen's office, he couldn't wait to ask: "Master, what is your order?"

Marven smiled slightly and said, "There is something, I want you to work with Mr. Chen to do it for me."

Orvel said hurriedly, "Master, please give your orders!"

Marven said: "Orvel, you have a lot of boys, now you can mobilize a group of people."

Orvel asked, "Master, how many people do you want? What are your requirements?"

Marven said: "Well, it's all men, and I want the kind of burly guy who often practices fitness and has full tendons.

It would be great to have scars on the face and neck. As for the number of people, 200 or 300 are the lowest. The more the better."

Orvel asked with a look of surprise: "Master, are you trying to lead my men to fight with others?"

Chapter 3058

"No." Marven waved his hand and said, "I want them to pick up the plane at the airport."

"Pick up?!" Orvel was confused, and didn't know what medicine Marven sold in his gourd.

However, Zak Chen on the side immediately understood, and he couldn't help but smile and said, "Master, are you planning to help the gangster on the road to pick up Kim as a fan?"

"Yes!" Marven said with a smile: "Does he not like pomp? Then make this pomp a bigger one for him!"

With that, Marven informed the two of his detailed plans.

After listening to Zak Chen, he was shocked and said with a smirk: "Master, your way of doing things is too bad. If you do this, I think Kim will definitely have to retreat... .."

Marven smiled and said: "He had better leave the circle obediently, otherwise even if he doesn't take the initiative to leave the circle, I will find a way to get him out of the circle."

With that said, Marven said with a somewhat contemptuous expression: "I will never allow this kind of rubbish to appear at Sara's concert on the day of my birthday."

...

Two hours later, a private jet landed at Wrestvel Airport.

As soon as the plane landed, it was taken directly to the hangar by the guided vehicle.

Kim's makeup artist just helped him with his makeup.

At this time, there was a Toyota Coaster parked next to the plane, which was a shuttle bus specially used to pick up and drop off VIPs at the airport.

However, Kim was not in a hurry to get off the plane, but while looking in the mirror and checking his makeup, he asked Maggie: "Check with that Theresa to see if the fans are in place."

Maggie hurriedly nodded, and then made a video call to Theresa.

Theresa quickly connected, and when she saw Maggie, she smiled and asked, "Miss Chen, has Mr. Zhong landed?"

Maggie nodded and said, "We have landed, but we are still in the hangar and haven't left. I want to ask if you are ready there?"

Theresa hurriedly switched the camera for the video call and used the rear camera to take pictures of the three hundred courtesy ladies at the exit of the airport arrival hall, and said,

"Look, Miss Chen, our people are already in place, and I specially asked them to temporarily prepare banners, and the slogans have been aligned with them, and they will definitely build up the momentum at that time."

Kim leaned over and took a look, and found that there were indeed a large number of young and beautiful girls who were clustered near the arrival gate of the airport.

So, he breathed a sigh of relief and said with satisfaction: "Since everything is ready, we will pass now and arrive in about ten minutes."

Chapter 3059

Theresa blurted out: "Okay Mr. Zhong, we are waiting for you in the arrival hall."

Maggie hurriedly asked: "Ms. Xiao, are you in the arrival hall of the main terminal? Don't make a mistake!"

Theresa pointed the camera at the sign of the airport and said seriously: "The main terminal arrival hall. It's just after the luggage carousel. Don't worry, we can't go wrong!"

"That's good." Maggie was completely relieved.

After hanging up the video, she said to Kim: "Sir, we can get off the plane!"

Kim was in a bad mood along the way.

However, just after seeing the hundreds of ceremonial ladies in the video, his mood instantly improved a lot.

To be honest, he has never done anything less to buy fans to pick up the phone before, but he has never been able to buy so many high-quality fans once.

In the past, this kind of thing was done in cooperation with the group leader.

The group leader had the resources of some extras. The women who were recruited were all kinds, but after all, there were only a few women who looked good and had good figures.

But this time is different. This time they are all those slender and beautiful temperament girls who are over 1.68 meters tall.

One or two such girls are inconspicuous, but one or two hundred, two, or three hundred are put together. The visual effects are definitely exploding!

Therefore, he happily adjusted the collar and said to Maggie: "At today's pick-up site, we must take more photos, and then invest more resources to get the top spot in the hot search."

Maggie hurriedly said: "You can rest assured, sir, I will arrange it."

"Yeah!" Kim nodded in satisfaction, stood up, and said: "Okay, let's go!"

After speaking, he got off the plane first.

Since when the private jet applied for the route, he also purchased the VIP service at the airport, so an airport account manager was standing outside the cabin at this time.

After Kim walked down, he immediately greeted him and said respectfully: "Mr. Zhong, you have worked hard all the way, welcome to Wrestvel!"

Kim nodded arrogantly, and the account manager asked diligently: "Mr. Zhong, is this your first time in Wrestvel?"

Chapter 3060

"Yes." Kim faintly replied, pointing to the Toyota Coaster in front of him, and asked: "Is this the car prepared for me?"

"Yes, yes!" The account manager hurriedly made an inviting gesture and said: "Mr. Zhong, please get in the car, we will go to the terminal now!"

Kim stepped into the car without even looking at him.

As a result, after getting in the car, he found out that in this minibus, all the windows were covered with a completely opaque glass film, and even the driving position was sealed by a tight partition. He couldn't see anything outside, so he asked in surprise, "Why are the windows of your car stuck?"

The account manager hurriedly said: "Mr. Zhong, you don't know anything about this car.

This car is dedicated to your super VIP service, so we must make sure that you will not reveal any of your whereabouts or let you be captured by any camera equipment. To, protect your privacy 100%."

Kim nodded suddenly and said with a smile: "I didn't expect that your Wrestvel area is not big, but you are very particular about doing things."

After speaking, he directly found the most comfortable seat and sat down.

Immediately afterwards, his assistant, make-up artist, and four bodyguards also got on the car one after another, Coaster's door closed and quickly drove out of the hangar.

At this time, Kim couldn't see any scene outside at all, so he didn't know that he was going there. It was not the main terminal at all, but the business jet terminal next to the airport.

The car drove directly into a small passage inside the business jet terminal, and the car door just stopped in front of a glass door with the arrival hall written on it.

After Kim got out of the car, he entered the glass door directly. He had no chance to see the outside of the terminal building, so he didn't realize any abnormality.

Unlike most passengers who get off the plane directly from the covered bridge, private jets cannot directly connect to the covered bridge because the fuselage is relatively small and short.

Therefore, passengers taking private jets basically rely on this kind of shuttle bus directly after getting off the plane.

When they were sent to the ground entrance of the terminal, no one was suspicious. Under the leadership of the account manager, they walked in all the way.

However, after entering, Kim was a little surprised. He looked at the almost empty passage and said in a puzzled manner:

"How come you have so few people in this airport? I think there are no other passengers besides us. Yet?"

The account manager scratched his head and smiled, and said: "This...may have something to do with today's traffic control. We don't have many planes arriving today, and many flights are delayed or canceled."

Kim thinks something is wrong. Generally speaking, even if the airports in second-tier cities are not so busy, they will not be so empty, right?

Just wondering, the account manager pointed to a frosted glass door in front and said: "Mr. Zhong, there is an exit in front. There are many of your fans outside. If you find it inconvenient, I can ask the security to escort you away quickly, or Let the security guard drive the fans away before you go out."
