

The Amazing Son In-Law Chapter 3131-3140

Chapter 3131

Zhifei never dreamed that the information he received through his subordinates was actually a game that Marven deliberately asked the trusted man to play.

He deliberately revealed his identity as the “Chairman of the Emgrand Group” to Zhifei, just to make him have a sense of urgency, so as to completely divert his attention.

Otherwise, if Zhifei had been making a fuss about his wife’s BMW car, he could soon get his wife’s true identity.

Therefore, he deliberately let people propagate a false message, telling the other party that this car belongs to the Emgrand Group.

At the same time, in order to strengthen Zhifei’s trust, he deliberately exposed the details of the BMW 760 which is actually a BMW 760. In this way, naturally, Zhifei can be convinced strongly.

Once Zhifei believed that this car belonged to the Emgrand Group, his attention was completely deflected.

Then he released the chairman of the Emgrand Group’s information. He may be a handsome, young, and rich young man, and is related to the god-level wealthy status circulated on the Internet. Then he will believe in all this even more.

As Marven expected, Zhifei’s current attention was focused on the chairman of the Emgrand Group.

While asking his man to arrange a meet with Lori of the Emgrand Group, he took out his mobile phone and searched for the short video of the god-level rich man who was all the rage in the city.

Sure enough, he found the scene where Marven was photographed and recorded at the Jewelry shop.

However, it is a pity that the shooting angle of that video is not good, and the distance is relatively far, so he can’t see Marven’s appearance, but the figure can be seen with a clearer outline.

That person is 1.85 meters tall, weighed less than one hundred and forty catties, had a body comparable to those long-legged men in the popular entertainment industry, which made Zhifei jealous.

He is most dissatisfied with his height. Although he is already 1.75 meters tall.

Among men, his height is considered to be above average, even two or three centimeters higher than the popular national trend at the beginning.

Nevertheless, he still carries in his bones, some dissatisfaction, because he only has the rich and handsome, if you want to occupy the “high” also, at least 1.8 meters or more.

Chapter 3132

Therefore, when Marven's height in the video was about 1.85 meters, and he was ten centimeters higher than him, Zhifei felt quite upset.

At this time, Zhifei's assistant ran out of the stadium and knocked on his car window.

He opened the central control lock, and the assistant hurriedly pulled the car door and got into the co-pilot.

He asked, "Master, Miss Gu has already started the rehearsal. Don't you want to go in and take a look?"

"No, I don't!" Zhifei waved his hand irritably, and said, "Hurry up and make an appointment with that Lori. I'm going to see her!"

"Okay." The assistant nodded and said: "I have asked someone to inquire about her contact information just now, and it is estimated that he will be able to reply in a while."

Just finished speaking, the phone immediately received a text message.

In the text message, there is a string of mobile phone numbers starting with 139.

The assistant hurriedly said: "Master, the number has been sent, I will call her now!"

Zhifei gave an absent-minded hum, still staring at the phone screen, Marven's figure in the short video, all over his mind.

At the same time, his assistant had put the call to Doris's cell number.

This person did not go around on the phone, and directly reported to Doris about his family, saying:

"Hello, Mr. Lori of the Emgrand Group, right? I am the assistant of Mr. Zhifei, the young master of the Su family of Orgeyon."

"Our young master wants to talk to a senior from the Emgrand group about cooperation. I wonder if you have the time to meet with our young master?"

"What? Orgeyon's Su Family?" Doris pretended to be surprised, and then said in a flattered tone:

"Oh! I never dreamed that I would be able to see Master Su in our Emgrand Group?! It's really unbelievable."

"Fortunately, I don't know when the Master will have time? I will come to visit him at any time!"

Chapter 3133

Zhifei and his assistant, who was sitting next to him, were very satisfied with the excitement that Doris showed, and Zhifei's expression was slightly relieved.

His assistant said at this moment: "Our young master is now in the city here, so if you have no problem, our young master can come to meet you now."

“That’s great!” Doris’s voice was very excited, and blurted out: “Then I will immediately discard all the arrangements for the afternoon and wait for Master Su here!”

Zhifei’s assistant gave a hum, and asked tentatively: “By the way, our young master would like to meet the boss of Emgrand Group. I wonder if he has time in the afternoon?”

Doris hurriedly said: “I’m really sorry, our boss has always been very low-key, and he is still a hand-off shopkeeper.”

“Basically, he comes to the company two or three times a year, and he never participates in any commercial activities or meets anyone in the industry. Even me. I don’t know where he is, so please forgive me, Master Su.”

Zhifei’s assistant was also very helpless when he heard this, but fortunately, at least he was able to let the young master meet this woman first, so he said:

“Since your boss is not in the company, then wait until the opportunity arises. I will accompany you later.”

“Our young master will come to your Emgrand Group first, and you will do the greeting and security work ahead of time.”

Doris said without hesitation:

“Don’t worry, I will arrange the people under my hand to make preparations. When Master arrives, he can take the special elevator directly from the underground garage to the top floor!”

“Okay.” Zhifei’s assistant said: “In this case, we will be there in 20 minutes.”

After hanging up the phone, the assistant said to Zhifei: “Master, I will ask the bodyguard to prepare the vehicle, so don’t drive by yourself.”

Zhifei nodded. The reason why he drove by himself was original because he wanted to have a private space with Sara after picking her up, but unexpectedly, the meticulous preparations ended up being nothing. It’s fcking mad when I think of it!

Zhifei’s bodyguards and subordinates quickly organized the team. The assistant personally opened the door for him and escorted him into the back row of another Rolls-Royce. Then the team immediately set off for the Emgrand Group.

However, Zhifei couldn’t even dream of it. At this moment, Marven was already in Doris’s office, waiting for his self-investment.

And Doris stood in front of Marven respectfully, and asked: “Master, Zhifei will be here soon, how should I respond?”

Marven smiled slightly, pointed to the back door of Doris's office, and said, "When he comes, I will go to your lounge and rest for a while. You can talk to him first, and I will come out when the time is right."

Doris nodded, and couldn't help asking again:

"Master, what do you plan to do with him? He is the Su family's grandson. If you want to attack him, the Su family will definitely not give up."

"Besides, if he disappears in the Emgrand Group. The Su family will definitely do everything possible to figure out all the circumstances of the Emgrand Group. By then, will your identity not be exposed?"

Marven smiled and said: "It's okay, don't worry about this, I have my own way!"

Chapter 3134

Twenty minutes later.

Zhifei's motorcade drove into the underground garage of Emgrand Group.

Lori has arranged in advance for her secretary and the person in charge of the security department to wait in the underground garage.

As soon as the convoy arrived, they immediately stepped forward to receive them respectfully, and then took Zhifei and his entourage from the special elevator in the underground garage to the top floor of the Emgrand Building.

Zhifei really enjoys the feeling of holding the position of the moon among stars. In his opinion, a company of 100 billion in the Emgrand Group should be like the present when facing himself, the young master of the Su family. So all next to him are all respectful.

Lori's female secretary led the way and said as she walked: "Master Su, our deputy is waiting for you in the office, but her office is not too big, so your entourage will have to manage. They will take a break in the meeting room next to it, and I will ask someone to arrange tea for them."

Zhifei nodded lightly.

He also didn't want to take a lot of people into the other party's office to talk about things.

Moreover, he didn't feel that he would be in danger if he came to a group with a market value of hundreds of billions.

So he said to his assistant: "You go to the conference room and wait for me."

The assistant nodded immediately and said, "Okay master!"

Zhifei's assistant and bodyguard were introduced into the meeting room, and Lori's female secretary brought Zhifei to the office alone.

The female secretary knocked on the door, and Lori personally opened the door to the office. Seeing Zhifei, she respectfully said: "Hello Master Su, I am Lori Wang, Vice Chairman of Emgrand Group. Welcome, with your visit, the Emgrand Group is shining!"

Zhifei did not expect that the vice-chairman of the Emgrand Group was such a beautiful and charming lady with considerable beauty. Seeing her wearing a professional suit with a knee-length skirt and her slightly curly long wavy hair, he was a bit stunned for a while.

Chapter 3135

Originally in Zhifei's vision, since this woman could use her own efforts to become the vice-chairman of the Emgrand Group step by step, then she would have to be at least thirty-five or even over forty years old.

After all, it takes time and experience to advance in the workplace. No one would believe that a woman under the age of thirty can rely on her strength to become the second-in-chief of a company with a market value of 100 billion.

Because of this fixed thinking mode in his heart, the moment he saw her, he felt amazed.

Therefore, he also nodded very gentlemanly and said: "I didn't expect Vice Lori to be so young and to become the second-in-chief of a company at such a young age. The personal ability must be very remarkable.

Lori smiled humbly, and said humbly, "Master Su, I've been awarded."

After that, she hurriedly turned sideways and said, "Please come in!"

"Okay!" Zhifei nodded, and strode into the office.

Lori said to her secretary: "Go and prepare the best tea for Master Su."

The secretary hurriedly said: "OKay Vice-Chair!"

After the secretary left, Lori immediately invited Zhifei into her office and invited him to sit down on the sofa. Then she asked politely: "I wonder why Master Su came to our Emgrand Group?"

Zhifei smiled and said: "I have been in Wrestrvel for this period of time, and I am interested in making some investment in the city. I heard that your Group is the largest enterprise in Wrestrvel, so I want to cooperate with you."

Having said that, he also deliberately added: "Oh, yes, the 'one point' cooperation is at least 50 billion."

"Oh? Really?!" Lori immediately showed strong interest and asked with excitement: "I don't know what kind of cooperation Master Su wants to do?"

Zhifei smiled slightly, raised his hand and pointed to the high-rise buildings outside, and said with a smile: "Real estate, hotels, energy, automobiles, the fields you can think of. Basically, our Su family is involved in these fields, so we can cooperate in fields. It's not too much."

Chapter 3136

After that, Zhifei said: "Isn't new energy vehicles very popular recently? There are R&D and production bases for new energy batteries and vehicles in several cities across the country, but Wrestrvel doesn't seem to have it yet?"

"I think we can establish a joint venture here. A new energy battery manufacturer specializes in the production of supporting power batteries for new energy vehicles."

"It happens that we also have two traditional car brands in the hands of the Su family. Recently, we are also preparing to transform and develop new energy models. We will cooperate in depth at that time. Maybe we can build a brand of new energy vehicles together."

Anyway, it's just babbling, so Zhifei brags about it, and he doesn't say anything about it with a deep heart. The Su family does have two traditional car brands, and they are indeed engaged in the transformation of new energy.

However, this kind of thing, from Business logic says that even if they find someone to cooperate with, they will only find professional companies in related fields to cooperate, and it is impossible to come to cooperate with an innocent company like the Emgrand Group in a second-tier city.

However, Zhifei feels that now new energy is a big outlet, and all companies want to come in and get a share of the pie, and it must be the same for companies of the size of the Emgrand Group.

Many companies see that the new energy industry is becoming more and more popular, but they can't find an entry point. Now they are giving Emgrand Group a free opportunity to enter the new energy field. It is impossible to refuse, such a big deal.

Of course, he is not a wealthy boy who is here to give opportunities. The reason for drawing such a big cake is to take the opportunity to attract the chairman of the Emgrand Group.

Really.

As soon as he said this, Lori's eyes flashed brightly. She couldn't hide her excitement and said, "Oh, let's talk about it Master Su, our boss has always wanted to wade in the field of new energy vehicles."

"It's just our Emgrand Group. We have always focused on real estate development and commercial real estate management. The development of the real estate, shopping malls, and hotels is our specialty."

"However, we are unable to develop new energy vehicles. The boss is worried that there is no good opportunity. If the Su family is really interested in cooperating with us, that's really a gift in the snow!"

Zhifei was very satisfied with Lori's performance, smiled slightly, and said seriously: "vice-chairman Lori, I always speak for words. Since I have come here on my own initiative, I naturally hope to cooperate with your Emgrand Group."

Speaking of this, he paused for a moment, and then continued: "As you know, although our Su family has a strong overall strength, our main business is concentrated in and around Orgeyon. There is no business foundation in Wrestvel. There is no network at all."

"If you want to build a new energy battery and automobile production base in Wrestvel, you must have in-depth cooperation with Wrestvel local companies."

"In this way, it will be easier to approve, acquire land, build factories, and apply for government subsidies."

"Your Emgrand Group is the largest enterprise here. Cooperating with you is to join forces for mutual benefit!"

"That's great!" Lori said excitedly: "Since Young Master Su can value us, then we will definitely go all out in cooperation!"

"Yeah!" Zhifei nodded in satisfaction, then changed the conversation, and suddenly said: "Oh, right, vice-chairman Lori, I estimate that the total investment of this cooperation project will be at least 60 to 70 billion, and it may even be worth hundreds of billions."

"For such big cooperation, I want to meet your boss and have a chat in person. I wonder if you can ask him for me?"

"This..." Lori hesitated for a moment, and then said: "Mr. Su, let me tell you, our chairman has always been not very concerned about the Emgrand Group..."

Chapter 3137

To say that Marven is not very caring about the Emgrand Group is the expression of Lori's true feelings.

She knew that Marven was in the lounge behind the office, so she said this a bit loud on purpose.

Since the change of the Emgrand Group to him, the number of times Marven has come to the office together is estimated to be no more than ten times.

What makes Lori helpless is that every time Marven comes to the Emgrand Group, it is not because of something related to business.

In other words, Marven, the owner, never worried about the development direction of the Emgrand Group.

In the past, Lori had no opinion on this. On the contrary, she also liked the freedom of being 100% trusted and being able to do it by herself.

However, since she had a good impression of Marven from the bottom of her heart, his reckless attitude made her feel a little alienated from him.

This kind of grievance mainly stems from a feeling of neglect deep in the heart.

She hoped that he would come to the Group frequently, even if it is to deprive her of decision-making power, Marven had the final say, and she had no opinion.

Because in that way, she would be able to see him often.

Unfortunately, he never took this business seriously.

Therefore, she deliberately took this opportunity to make complaints, hoping that after Marven heard it, he would be more concerned about the development of the Group in the future.

At this moment, Marven felt somewhat ashamed when he heard Lori's spit.

When it comes to him, it is really a complete hand-off worry-free owner.

After taking over the business, without asking questions, it was completely entrusted to Lori to manage.

That's all, after JX Pharmaceutical was started, he also threw it directly to Liang to operate.

Except for a trip to Japan in person and the pharmaceutical company that incorporated the Kobayashi family, he has never taken care of JX after that.

Moreover, when the ocean shipping group is launched in the future, there is a high probability that it will not be too much trouble.

Because there will be Melba and Zhiyu sitting there, and there will be Pollard Watt, the professor of the economics behind him, for guidance and support, it seems that he is completely useless.

Marven couldn't help sighing in his heart that he was indeed lucky. He met a lot of reliable and competent subordinates and collaborators.

It is precisely because of their strength that he can be at ease as a business owner.

Otherwise, he would be exhausted by the trivialities of several companies.

Chapter 3138

At this time, Zhifei, who was sitting outside, asked Lori with an incredulous expression: "Why is your boss not too concerned about your group's affairs? Does he have other business outside?"

Lori nodded, and said: "Our boss does have other businesses out there."

Zhifei suddenly felt a little puzzled.

"I originally thought that the chairman of the Emgrand Group, his net worth is only an Emgrand Group, that's all."

"In that case, how could the chairman of a group with a market capitalization of 100 billion in his neighborhood compare to me, the eldest master of a trillion-dollar asset family?"

“But looking at it this way, it seems that the chairman of the Emgrand Group has other industries outside...”

“Furthermore, he doesn’t care about the Emgrand Group, which has a market value of 100 billion yuan, indicating that the market value of his external industry is for sure a lot more than that of the Emgrand Group!”

“If this is the case, then this person’s strength is a bit unfathomable.”

In Zhifei’s view, if he only had 100 billion, then everything was clear. His ceiling was 100 billion, which was far behind himself.

However, if he has more than one hundred billion, then everything becomes confusing.

More than 100 billion, it may be 200 billion, or it may be 300 billion or even 500 billion.

Once the ceiling is gone, then this height is not predictable for him.

This made Zhifei’s deep sense of crisis even heavier.

In fact, he also knew his own burden.

Although he was the eldest son of the Su family, he was just enjoying the aura of the Su family.

His grandpa Chengfeng occupies the control of the entire family, let alone his own, even his father has no real power.

Without real power, it means that there is no real money.

The chairman of the Emgrand Group can put out tens of billions of cash at will, but he can’t put out so much money at all.

In this case, in front of the chairman of the Emgrand Group, he will become a straw bag of gold and jade, but also a ruin...

And why does he want to pursue Sara with a deliberate effort?

On the one hand, it was because he was really obsessed with Sara, on the other hand, it was because he had no real power in the Su family.

Therefore, he eagerly wants to use Gu family’s wealth to improve his own strength and even wants to use Gu family’s strength to make Grandpa look at him with admiration.

In this way, it will also enhance the possibility of him inheriting the Su family in the future.

For these reasons, Sara has a powerful strategic significance to his life.

In his mind, there is absolutely no room for the slightest mistake!

Chapter 3139

When he thought of this, his heart was even angrier.

Not only did he hate the chairman of the Emgrand Group, he even dared to run out to win love, but also hated his grandfather Chengfeng.

A dying old thing who firmly held control of the Su family and was reluctant to let go of his power towards his younger generation.

He even hated his sister Zhiyu.

She actually took advantage of the grievance she had suffered, forced the old man to leave the entire ocean transportation group, and even took the old man's private island for retirement.

In contrast, he has nothing.

Really, nothing...

Thinking of this, he gritted his teeth and raised his head to look at Lori.

He said, "Miss Vice-chair, your boss will not have trouble with money if he wants to come. If we both reach a cooperation, it may be a company with a scale of hundreds of billions."

"Looking at our domestic new energy car companies, the market value of the largest one has approached the 100 billion U.S. dollar mark, which is more than 600 billion yuan!"

"If we join forces, we will probably not be any worse than them, so big. Your boss will be interested in buying and selling if he wants to, so you might as well call him or send a text message to report and see if he is really interested."

Lori hesitated for a moment, and said: "In this case, I will report to our chairman first."

Zhifei instantly beamed his eyebrows and blurted out: "Okay! See what he says."

Lori took out her mobile phone and sent a message to Marven on WeChat.

The content is: Master, how should I reply to him now?

Marven replied: You ask him if he is really sure that he wants to see me.

After receiving it, Lori put down her phone, looked at Zhifei, and asked seriously: "Master Su, are you sure you want to see our chairman in person?"

"Of course I am!" Zhifei said without hesitation:

"Ms. Lori, I don't mean to look down on you, but for such a big business, it is naturally more efficient to talk to your boss directly. What do you think?"

Lori nodded, her tone suddenly lost its enthusiasm, and she said lightly: "Well, since you are sure, then I will invite our chairman to talk to you."

Zhifei couldn't help frowning. He didn't expect that Lori suddenly became cold-hearted, and changed her respectful expression just now, and changed the title from "you" with admiration and awe to "you" with indifference.

This made him feel a little bit in his heart. A feeling of offense passed his mind.

At the moment when his anger surged, a door in the office was suddenly pushed open, and a somewhat familiar voice came and asked with a sneer: "Mr. Zhifei, you are so impatient to see me right?"

Chapter 3140

Zhifei never dreamed that a person would suddenly appear in the innermost part of Lori's office.

Moreover, he was more puzzled as to why this person's voice made him feel a little familiar.

When he subconsciously turned his head to follow the sound, his whole brain exploded with a buzzing sound.

His eyes widened in an instant, and his thinking fell into sluggishness in an instant!

He naturally recognized Marven at a glance!

After all, the impression he left on him in Japan was too deep, and he could not forget this appearance until his death.

At this moment, he was shocked to the core, and immediately afterward, he couldn't help but mutter:

"Ah...it's...it's you?! This...how is this possible!!!"

Marven came to face him and asked jokingly: "Why? We haven't seen each other for some days. When you see me again, you won't even call me Grace?!"

Zhifei was instantly stunned by Marven's powerful aura, and immediately came to his mind the shocking picture of him killing several ninjas in Kyoto, Japan that day!

So, he trembled all over, and immediately bent over and bowed, and said respectfully:

"Well...Grace...you...how are you here?! My sister and I have been looking for you since our goodbye in Kyoto."

"I want to repay your life-saving deed, but I didn't expect to see you here... I am so surprised to see you just now, how improper my manners are, please forgive me!"

Marven sneered and said: "Zhifei tell you something, you don't even treat your own in Orgeyon well with respect, and you have come to Wrevel to get respect."

“You have come to Emgrand of your own initiative, you wanted to see me. I have come out as you wished.”

“Now tell me why are you here has your brain stopped working?”

Zhifei exclaimed: “Grace...you...you are the chairman of the Emgrand Group?!”
