

The Amazing Son In-Law Chapter 3141-3150

Chapter 3141

Marven smiled and said, "What? I am the chairman of Emgrand Group, which surprised you?"

Like a quail, Zhifei said honestly: "This...to tell you, I really didn't expect..."

Marven nodded, and went straight to the opposite side of him, sitting on the single sofa opposite him carelessly, spreading his hands on the backrest, raising his long legs, and asking him:

"Let's talk, it takes so much effort to find what I do?"

Zhifei had a guilty conscience, but he could only bite the bullet and said: "I...I came to you...I want to...I want to talk to you about cooperation..."

Marven nodded slightly, did not break him down, but casually said:

"I heard it all just now, you want to invest tens of hundreds of billions of dollars, and engage in the new energy automobile industry with Emgrand Group, right?"

Zhifei could only nod his head, and said with some guilty conscience: "Yes...yes..."

Marven smiled slightly: "This is a good thing! Your investment of 10 billion dollars, when will it arrive?"

"Huh?" Zhifei asked subconsciously: "Grace...you...what do you mean?"

Marven casually said: "I don't mean anything, don't you want to invest with me? Since it is an investment, you naturally have to take out the money first?"

Zhifei hurriedly said: "This...for such a large investment, there must be a lot of preparatory work, and this investment is also for us to establish a joint venture company."

"Then according to the agreed ratio and valuation, each will bring the investment in their respective sectors..."

Marven waved his hand: "With me, the rule of investment is that you first put the money in my account. Didn't you come with sincerity?"

"Hurry up and arrange your finances first, and put 10 billion in the account of the Emgrand Group. Then we will talk about cooperation in the future."

Zhifei's cold sweat suddenly flowed down like a waterfall.

He said nervously, "Well...blessed, your request...I really can't meet it...It's impossible for us to finance without seeing the contract or doing anything on paper."

“In the case of risk assessment, a huge amount of 10 billion is not put on the accounts of other companies...”

Marven sneered and said, “Is it because you are not ready to commit this money, or you don’t have that much money at all, and you just came here to talk to me for nothing?”

Chapter 3142

Zhifei’s nervous back got chills, and he blurted out: “Grace, don’t get me wrong, why should I be meeting in vain with you... I sincerely want to cooperate with you...”

Marven nodded and asked with a smile:

“Since you really want to cooperate with me, let your finances put a 10 billion cooperation deposit on the account of the Emgrand Group.”

“If you can’t get the money, you don’t want to leave this place.

Zhifei was startled immediately, and blurted out: “Grace...I...where will I get ten billion dollars in funds in such a short while!”

Marven sneered and said: “What? Didn’t you say that you want to cooperate with hundreds of billions of projects?”

“You will have to do hundreds of billions of projects. Shouldn’t there be 10 billion funds?”

“If you don’t have 10 billion. If you can’t get it out, you still come over and say you want to cooperate with me. Doesn’t this mean that you are here to entertain me on purpose?”

Zhifei panicked and explained: “No...it’s not like that, I...I really want to cooperate...I really want to cooperate!”

Marven nodded: “You really want to cooperate. Make a deposit first. When the money arrives, start cooperation immediately.”

“Don’t worry, I won’t be greedy for a penny. I will sign a contract and write a paper for you when the money arrives to ensure the safety of your funds.”

At this time, Zhifei, seeing Marven clutching 10 billion tightly and not letting go, his whole body was so nervous that he was sweating, and he dared not even look at him.

In the Su family, how could he have the qualifications to mobilize 10 billion.

He really asked him to raise money right away. It is estimated that he can get one hundred million by any means possible. Ten billion is absolutely impossible.

Seeing that he was not talking, Marven suddenly yelled, “Speak! Are you dumb?!”

Zhifei shuddered, and said quickly, "Grace, don't be angry...I am only here to discuss cooperation intentions on behalf of the Su family."

"Although I am the eldest son and grandson in the Su family, I can also come out to discuss cooperation on behalf of my grandpa."

"But I really don't have the right to arbitrarily control the funds."

"For the specific allocation of funds during cooperation, my grandfather has to nod."

"As long as we reach cooperation and my grandfather has no objections, the money will definitely be cashed out immediately..."

What Zhifei wanted was, no matter what, to escape today's level first.

Because he knew Marven's horror very well, if he couldn't pass this level today, then he would definitely be cold.

So he hurriedly promised Marven: "But you don't have to think too much about it. I and the entire Su family really really want to cooperate with you and the Emgrand Group!"

"I'm here this time. I want to seek cooperation, absolutely nothing else!"

Marven smiled: "Since you said that you really want to cooperate, then I have a question for you."

Zhifei hurriedly said, "Grace, please say..."

Marven looked at him sweating profusely, and asked coldly: "Why did you investigate my license plate number?!"

Chapter 3143

"what?!"

Hearing Marven's questioning, Zhifei's whole body was like falling into an ice cellar!

He finally found out sadly that he originally thought he had hidden his motivation very well, but in fact, he had already exposed it!

As early as when he saw Sara coming out of Marven's BMW car, and then let people check the information of that BMW car, he was completely exposed!

And what he didn't expect was that behind all this was the benefactor who had great strength and saved him and his sister, and even saved his mother and sister some time ago!

At this moment, he realized that he was the one who hit the rocks with pebbles and was overpowered...

Thinking of Marven's extraordinary strength, and thinking of the disappearance of his second uncle, the disappearance of his father, and the bizarre death of Cary, an extremely strong fear suddenly surged in his heart!

After that, he quickly slid off the sofa, knelt in front of Marven with a puff, and said with tears:

"Grace Grace! I was wrong! I really knew it was wrong! It's all because I was obsessed and had a ghost. I saw Sara get down from your car. When I saw her, I wanted to find out your identity."

"If I knew that the driver were you grace, even if you give me eight courage and eighty hundred courage, I would not dare to check your car... Please forgive me, please forgive me. This time! Please!"

Marven sneered and said: "Zhifei, you have to know, you still owe me a life, why do you have the face to beg me to forgive you now?"

Hearing this, Zhifei was struck by lightning.

He didn't doubt that Marven could easily take his life.

Moreover, as Marven said, he saved his life in the first place.

If he can save him, he can kill him. With his strength, the bodyguards in the conference room are not enough to watch, so even if he calls for help, it doesn't make any sense. It's very likely that the bodyguards have not arrived yet and die in the way.

Chapter 3144

Thinking of this, Zhifei immediately kowtowed to Marven like crazy, and choked in his mouth: "Please Grace, spare me this time. Your great kindness, I will never forget! Please look at me."

"It's not that I deliberately disobeyed you please let me go. From now on, I will repay your life-saving grace by being a cow and a horse!"

Marven waved his hand: "Just save it, you know in your heart that you are not the kind of person who knows gratitude!"

"I..." Zhifei was startled, and blurted out: "I am! I really am! Grace, please believe me!"

Marven sneered and said: "If you really know the gratitude, you won't be planning Sara's concert here when your mother and your sister were missing."

"Do you think I don't know people like you? You, your father, and your grandfather are all the same. Personal interests are above everything else."

"In the face of personal interests, family affection is not important, let alone the mere life-saving grace, don't you think so?"

Zhifei trembled violently in fright, crying, and said, "Grace... I won't do sophistry or deny what you said, but please look at the face of my mother and Zhiyu, and forgive me for being confused."

“From now on, I will change my mind and be a new person, and I will never repeat the mistakes of my father and my grandfather!”

Marven sneered and waved his hand: “Sorry, you have no chance!”

He really didn’t plan to leave Zhifei any chance, because this time, Zhifei had already touched his negative scale.

When Zhifei heard Marven say that he had no chance, his whole body collapsed instantly.

Immediately, he cried bitterly with his nose and tears: “Grace...My dog’s life...you save it, and you should take it away...but I still want you to forgive me.”

“Even if it’s because of the face of my mother and my sister, spare my life as a dog... Grace... Please, Grace...”

Marven watched him cry in tears and distress. He smiled calmly and said: “I have already seen your mother and your sister’s face, and have bypassed your dad’s life. Do you want me to spare you one more fate?”

Chapter 3145

Zhifei asked subconsciously: “Grace, my dad...Is my dad still alive?!”

Marven smiled faintly: “Your dad is now in Syria. Although he can’t come back for a while, he will definitely not die for a while.”

“Syria?!” Zhifei was dumbfounded and asked, “My dad... how could he go to Syria?”

Marven smiled and said, “The reason he went to Syria was because he provoked me.”

“I should have killed him by a hundred, but I thought of your mother and your sister’s face saved him. Let him go to Syria to reflect on his deeds.”

Zhifei didn’t expect that his father was sent to Syria by Marven, so he couldn’t help asking: “My father, my father...how did he offend you? In my impression, he and you must have no intersection...”

“How did he offend me?” Marven snorted and said lightly: “I forgot to tell you, I have a feud with your Su family, especially with your father and your grandfather.”

Having said that, Marven paused for a while, and then said: “Oh, yes, I forgot to introduce myself. My surname is Ye, my name is Marven, and my father’s name is Changying Ye.”

“Ah?! Ye... Changying...” Zhifei was completely shocked when he heard this.

Zhifei had never heard of Marven’s name, but Changying’s name had long been known to him.

And he is not a fool, he knows very well that his mother has always loved Changying, who already passed away.

Even the emotional discord between the parents is because the mother has always been obsessed with that man.

However, he never dreamed that his benefactor, who had saved him and his sister in Japan, turned out to be the progeny of Ye family and had a feud with Su family!

Moreover, he is Changying's son!

He was extremely nervous, and asked in a trembling voice: "Grace...you...are you really Changying's son?!"

Marven said lightly: "Yes, I am!"

After getting his affirmative answer, Zhifei knew that Marven couldn't let go of him so easily.

Because not only does his family have a feud with his family, but, as he said, he still owes him his life.

What's more damn it is that he unexpectedly came to the door without knowing it. Isn't this just the right thing to do?

Thinking of this, his heart was completely ashes, his eyes also looked at Marven with deep fear, and tentatively asked: "Grace, what are you going to do with me?"

"Or... or you send me to Syria too, let me be in company with my father. We two will reflect on and atone for our sins in Syria..."

Chapter 3146

For Zhifei, as long as he can keep his life, it is more important to him than anything else.

Because he knew very well in his heart that Marven had enough strength and enough reason to kill him.

And with his strength, even if he really killed him, the Su family might not be able to avenge his life.

After all, his grandfather didn't even see his face, so he was so worried that he couldn't sleep at night!

In order to make peace with him, grandpa even gave the entire Su family's ocean transportation group to his sister.

From this, it can be seen that his grandfather is extremely afraid of Marven.

Therefore, as long as he can survive, it doesn't matter if he has to throw himself into Syria.

At least, there, he can still depend on his father, and he won't be alone.

Marven heard Zhifei's begging for mercy and couldn't help but smile and asked, "What? Do you want to go to Syria, too?"

Zhifei nodded without hesitation, and said firmly: "I want to go! I'm willing to go! Please let me go, please!"

Marven looked at him, smiled slightly, then waved his hand, and said in a cold voice, "How could I reunite you father and son in Syria? You think too beautiful, right?"

Zhifei panicked and begged: "Grace, I beg you, as long as you can spare my dog life, I'm willing to do anything you want me to do. You saved my dog's life."

"If I kill me. Won't your efforts to save me in the first place would be in vain? Please look at this point and give me a way out."

Marven looked at him with a smile and without a word. He kept seeing Zhifei feeling so terrified that he was so scared that he calmly said:

"Zhifei, in fact, you have to be thankful that you have a good sister."

Zhifei was a little stunned at once, and blurted out, "Grace...what do you mean?"

Marven said indifferently: "I have a big project to cooperate with your sister now. For your sister's face, it is not impossible to spare your life."

Chapter 3147

In fact, Marven did not intend to really kill Zhifei.

Not only is he still cooperating with Zhiyu, but also because he has some respect for Zhifei's mother, Liona.

That woman has loved his father for so many years and has never done anything to destroy his family. Just her feelings for his father deserves his respect.

Even, it is worthy of his gratitude.

He is grateful that his father has been dead for so many years, and she still remembers him.

After all, it is not easy for a person to be remembered by others if he dies.

If he really killed Zhifei, how would he face Liona in the future?

Therefore, he knew very well in his heart that he could not follow this path.

Zhifei was so excited when he heard Marven's words at this time, he blurted out and asked: "Grace, you really decided to forgive me this time?!"

Marven waved his hand and said indifferently: "Today is your fate. However, as the saying goes, death can be avoided, and living sins are hard to forgive!"

Zhifei blurted out with excitement and without hesitation:

"As long as Grace can spare me, I am willing to do anything you want me to do! I have no idea how you punish me!"

Marven thought for a while and said, "Well, your family has always acted ruthlessly, your six relatives have not confessed, and your sins are serious."

"Since you want me to spare your life, then you might as well concentrate on paying for your family."

"Okay! I will atone for my sins!"

When Zhifei heard this, although he didn't know how Marven wanted him to atone for his sins, he still agreed without hesitation and blurted out:

"I am willing to atone for my sins! I am willing to do it for me, for my dad, for the whole Su Family's Atonement!"

"Tomorrow I will go to the temple to burn incense and worship Buddha, so as to accumulate more yin virtue for my Family!"

Marven smiled and said, "Your sins are so prudent, how can it be solved as simply by burning incense and worshipping Buddha?"

Zhifei asked confusedly: "Grace, what do you mean?"

Chapter 3148

Marven said calmly: "Since it is a serious sin, then naturally you need to be more pious and more disciplined."

"I think you might as well start from tomorrow, use three steps and one bow, all the way from Wrosvel to the Jokhang Temple in southwest China On the pilgrimage."

"Use your most pious heart and your most down-to-earth actions to alleviate the sins of your Su family."

With that said, Marven calculated for a moment, and said:

"If you go to the southwest from Wrosvel, it should be nearly 4,000 kilometers. If you knock your head in three steps, the speed will be a lot slower."

"If you walk for twelve hours a day, don't say too much. It's okay to walk four kilometers. If you count it this way, you should be able to get there in three years."

"Ah?!" When Zhifei heard this, he almost couldn't help kneeling to fall to the ground.

He really hadn't dreamed that Marven would punish him in this way.

"Knock head all the way from Wrestvel to the Jokhang Temple?! And it will take three years to get there?!"

"Isn't this killing people?"

"I heard that Delong from the Kevin family of Orgeyon used to ride a bicycle all the way from Orgeyon to Wrestvel. This has subverted my own perception."

"If I have to kowtow all the way to the southwestern border, would it be better than Delong? Hundreds of thousands of times worse?!"

Marven looked at Zhifei and asked with a sneer: "What? You don't want to accept it? If you don't want to accept it, don't blame me for not giving you a chance to survive!"

Hearing this, Zhifei didn't even think about it, and quickly said: "I am willing, I am willing, I am absolutely willing!"

At this time, Zhifei had already thought out a response plan in his heart.

He murmured in his heart: "Now I have to agree to get out of here first!"

"As long as I escape, I will try my best to leave China as soon as possible!"

"At that time, the emperor is far away, even if this Marven has the ability, he can't find me all over the world to punish me, right?!"

Marven seemed to have seen his plan a long time ago, he smiled slightly and said: "Since you have agreed, there is no chance to go back."

"I don't regret it! I will never regret it!" Zhifei expressed his stance again and again, just thinking of getting out quickly.

At this moment, Marven stood up and tapped the top of Zhifei's brain lightly with his finger, and a trace of aura poured into his brain from Marven's fingertips.

Immediately, Marven spoke in an unquestionable tone, and said:

"Zhifei, remember, you will go home after you leave this place, lock yourself in the room, don't go out, and don't talk to anyone. If someone asks you, you just say you want to be alone."

"When you wait until nine o'clock in the evening, you will come out of the room, gather your family, and connect with your grandfather through the video."

"Tell them that after careful consideration, you feel that your father and grandfather are sinful people."

“So Decided to start at 7 o’clock tomorrow morning and kowtow all the way to the Jokhang Temple to repay the sins of the Su family.”

“If Chengfeng dares to stop you and threaten you, you will count his crimes. Call him murderer!”

“In addition, before you confess to your family tonight, you have to record a video.”

“After you finish talking to your family, you will immediately post it on the short video platform to tell the people across the country about your decision.”

“If someone stops you at that time. You will be forced to death.”

“However, I am not that unreasonable and unsympathetic person. Considering your poor physical fitness, I allow you to bring a few more followers along the way, and even a private doctor, so that they can protect your life along the way.”

“It’s safe, but you have to remember that the road, you still have to go step by step, and you have to knock yourself one by one!”

“On this road, you only need to make atonement sincerely. After you arrive at the Jokhang Temple, you can come back to Wrestvel and come to the Emgrand Group to find me, do you understand?”

Zhifei at this moment, the whole person looked a little sluggish, and his eyes looked a little hollow, but his tone became very firm and said: “You can rest assured, I understand everything!”

Chapter 3149

In fact, Marven had long known that Zhifei was pursuing Sara.

In line with the principle of “freedom of love”, he did not want to interfere more with Zhifei. Even if Zak Chen suggested that he intervene before, he never thought of it.

Marven also felt that everyone has the right to like and be liked by others.

As long as the favorite is fair and reasonable, no one has the right to interfere.

But Zhifei was wrong, he didn’t figure it out himself.

Before he pursued Sara, he had regarded her as his personal belonging.

When he found out that he was driving Sara to the stadium, his first thought was to do everything possible to investigate his identity, point the finger at him, and even have to investigate his wife’s license plate has completely violated the basic principle of “freedom of love”.

Therefore, Zhifei’s decision is also the key to his determination to punish him.

It was precise because of this that Marven gave him psychological hints.

The psychological hint is a very powerful brainwashing function, and Marven uses aura as a medium, this kind of psychological suggestion is even more insoluble.

Marven also knew very well that if he had just reached a verbal agreement with Zhifei, then he would have repented immediately after he left this room, and might even run away.

Even if he was forced to be helpless and really kowtowed his head all the way to the Jokhang Temple, then he is likely to do everything possible to slip on the road.

And it is impossible for him to keep staring at him. The only solution is to give him a strong psychological hint and make him follow the arrangement.

After this psychological hint was given, he was like Wu Qi who had to have special meals every hour. No one could stop him, and no one could make him give up his demands.

As a result, he will strictly demand himself, three steps and one bow, one step less, one less head, he himself will not forgive himself.

In this way, it is naturally impossible to slip away.

However, psychological cues have powerful side effects.

Once he accepts this kind of psychological suggestion, his whole person's normal thinking mode will also be greatly affected.

At that time, in the eyes of others, this person may be like a crazy fool, which is incomprehensible.

But to Marven, it didn't matter, what he wanted was Zhifei to honestly go through the long head of the next three years.

He once saved his life, and now he will avenge his grievances, and he will not kill him.

It is already extremely kind, and letting him go to kowtow to redeem his sins is also considered a kind of preferential treatment to him in Marven's eyes.

Chapter 3150

Zhifei has been completely finished by Marven's psychological suggestion at this time, and what he thinks in his mind is all Marven's instructions to him.

Seeing this, Marven said: "Okay, you go call your subordinates now and let them take you home. If they ask you how you talked, you tell them that this matter is a misunderstanding. The person you are looking for is not in the Emgrand Group."

Zhifei nodded immediately and said, "Grace, I know!"

After speaking, he immediately turned around and walked out without looking back.

Seeing this, Lori hurriedly asked Marven: "Master, just let him go like this?"

Marven nodded: "Let him go, we don't have to worry about the rest."

"Okay." she said in a convenient way: "Then I will send him out to avoid doubts."

Marven nodded slightly, and Lori hurried over and said to Zhifei: "Master Su, I will see you off."

Zhifei nodded stupidly, and said subconsciously, "Thank you."

After going out, he just came to the door of the conference room, his assistant and a group of bodyguards quickly got up and came out.

The assistant stepped forward and asked in a low voice: "Did you inquire about the identity information of the chairman of Emgrand Group?"

Zhifei said lightly: "This time the matter is a misunderstanding. The person I am looking for is not in the Emgrand Group. Let's go. Take me home."

The assistant was a little confused, but he didn't know exactly what Zhifei saw in the VIP passage of the stadium.

Maybe it was Zhifei who made a mistake by himself, so he didn't think too much. He said: "Okay young master, then we will send you back now."

Along the way, Zhifei did not speak, but sat in the car alone with his eyes closed.

The convoy sent him to Du's old house. Zhifei spoke to the assistant before getting off the car and said: "Okay, you guys go to do your own business, don't worry about me, I want to go home and take a good rest."

The assistant didn't think much, and hurriedly opened the door to Zhifei and watched him enter the Du's house, and then greeted others to drive away.

When Zhifei returned home, only the servant was at home. He greeted him without paying attention, so he went straight back to his room and locked himself up.

The servant thought he might be in a bad mood, and didn't take it too seriously, let alone touch him.
