

The Amazing Son In-Law Chapter 3221-3230

Chapter 3221

Dave said helplessly, "Yes, yes, you're right, okay?"

Viola was so aggrieved that she couldn't help but choke up: "You're only perfunctory to me! After so many years of marriage, you always act as if you are very aggrieved, but have you ever thought about how aggrieved I am in my heart?"

Dave could not help but scratch his head, smiling, "Viola! It's been so many years, why talk about this?"

Viola blurted out, "You don't want me to talk my heart! Don't think I don't know that all of your Xiao family members despise me in their bones!"

Dave sighed and said slyly, "Oh, no one despises you, you think too much"

Viola cried and said, "Dave, you have to feel your conscience when you speak, tell me yourself, how much anger your family has given me over the years?"

"I don't mention it, say it yourself, your mother, and your elder brother's family, how much anger I have suffered?"

Hearing this, Dave could not help but feel some sadness deep inside.

For so many years, although he was outwardly confused and uncontested, he clearly remembered all the discrimination and exclusion she had endured.

Seeing the sadness of Viola crying, his heart surged to a point of heartache for her.

Don't know if it was from his heart or under the effect of alcohol, he stepped forward to Viola, gently patted her shoulder, and sighed: "Hey for so many years, you have suffered a lot of aggression."

Dave's words instantly poked Viola's heart, her whole body hugged Dave's waist and cried out with a wow sound, while Dave patted her back while also some tears surging out.

At this time, Avella came down from upstairs and was startled to see this situation, she wanted to speak, but seeing that her parents seemed to be able to snuggle with each other so rarely, she hurriedly moved to Marven's side and asked in a low voice: "Husband, what happened to my parents?"

Marven smiled awkwardly and said, "The two of them just talked about the old days and seemed to have feelings as they talked"

Avella nodded and lamented, "It's good, I haven't seen them embracing like this for many years."

Saying that, she hurriedly beckoned to Marven and whispered, "Then let's go! Don't disturb them!"

Marven answered and quietly left the house together.

Chapter 3222

The couple went out and called a car, then went straight to the City Olympic Center.

Near the venue, the surrounding traffic was already basically jammed to every inch.

The couple did not want to bother the driver, so they got off early and walked to the entrance of the venue.

At this time, the surrounding area is already full of people, in addition to the audience with tickets in hand, there are many anxious young men and women, they see people to ask whether there are willing to transfer concert tickets, and even offered several times or even ten times the price.

In addition to them, there were also many scalpers shouting slogans about returning tickets at high prices, but every person with the tickets in hand turned a deaf ear to these people's inquiries.

This shows that Sara's influence is indeed very great, and the loyalty of the fans is even more which is needless to say.

Every ticket in pink is not easy to come by, and it's not easy to have a chance to see your idol, no one would be willing to give up such an opportunity for a few times or a dozen times the price difference.

When Marven and Avella followed the crowd towards the entrance of the arena, they suddenly heard a familiar voice coming from their side: "Hey, I've said that the tickets are not for sale, not for sale, can you stop pestering me?"

The one who spoke was surprisingly Elsa.

Avella turned her head and saw that Elsa was talking to a middle-aged man not far away from them, somewhat impatiently.

The middle-aged man looked like a scalper, even though Elsa wanted to go, he was still sticking his face to her, smiling and said: "Hey beautiful, as long as you are willing to bid, the price is negotiable, I give you fifteen times the ticket price?"

Elsa said with great dissatisfaction, "I am not short of money, not to mention 15 times, even if it is 150 times I will not agree!"

Avella then shouted at her, "Elsa! Elsa!"

Elsa looked up and found that it was Avella and Marven, her face was happy and she hurriedly ran a few steps to get rid of the yellow cow, and then came to them in three or two steps.

"Avella, Marven! You're here too!"

Avella said with a smile, "I've been looking forward to this day for a long time, how could I miss it."

Elsa nodded and said with a smile, "It's so true, you seem to have always liked Sara."

Saying that, she looked at Marven and said with words in her mouth, “Hey, I didn’t expect you also like Sara!”

Chapter 3223

Marven recalled that Elsa had seen him and Sara in the backwaters, at that time, he also lied to her, saying that he was a helper of Sara’s family, Elsa knew this and still asked, so must be deliberately flirting with him.

So, he said casually, “Actually, I’ve never had many feelings for idols and stars and such, only that Avella likes, so I accompanied her to come and see.”

“So that’s how it is.” Elsa also did not poke holes, smiled, and asked Avella: “Hey, by the way, Avella, your seats are in which section and which row? Let me see if we are close to each other.”

Avella said awkwardly, “I forgot if you didn’t ask, the tickets were obtained with the help of Marven, I don’t know exactly which row and which seat.”

After saying that, she looked at Marven and asked, “Right husband, I haven’t asked you yet, which row seats are we going to sit?”

Marven took out his ticket and looked at it and said, “It says 1st row, 18th, and 19th in the infield.”

Elsa immediately exclaimed: “Hey! The first row of the infield? Marven, this is almost the most prime position! This kind of ticket, you are too awesome!”

Marven casually laughed: “In fact, there is a layer of customer relations, you know, I often give people feng shui or something.”

Elsa bristled, pulled out her own tickets, somewhat lost, and said: “Hey, I’ve been looking for connections everywhere to get an infield 6th row, and you are still several rows ahead.”

The venues for large concerts are generally chosen in stadiums, which are generally standard soccer fields, so the venues are large in size and volume.

But because the stage to be placed in the stadium at one end of the field, so only half of the stadium can be used to sell tickets out of the whole area.

The surrounding fan-like stand area is generally cheaper, the further away the cheaper, and the real core of the most expensive is the infield tickets.

The so-called infield tickets are in the middle of the entire soccer stadium.

This area is the closest to the stage, and in front as well, so it is said to be the best viewing position for the concert.

And the most expensive of these is of course the first row, which belongs to the absolute unobstructed golden area.

Moreover, there are forty people in one row of the infield, Marven got this 18, 19, just in the middle of the entire first row.

The first row starts from 16 and goes up to 25, these ten seats are the best seats, and Marven and Avella's position, in these ten seats, is also considered the best group.

Avella also did not expect that Marven would be able to get such a good seat, so she could not help but ask in a low voice: "Husband, how did Miss Gu give you tickets for such a good position?"

Marven whispered in her ear: "People in the showbiz are especially superstitious about feng shui, don't you know? They all call me Master now."

"They must want to have a good relationship with me for a long time, and it costs millions to get a feng shui reading from me, so what is it to them to give two tickets with a better location?"

Avella could not help but spit out her tongue and jokingly said, "It's more enjoyable to be a master, when will you give me a package, so that I can also become a master?"

Marven laughed: "Then you can be packaged as a success master, every day just stand on the stage and say a word to hear the applause, there are countless students who put 6 or even 7 figures of tuition into your account."

Avella laughed and said, "I can't do this kind of fooling around, I'd rather do my design in a practical way."

Chapter 3224

Elsa, who was watching the two whisperings and laughing, was more or less jealous and could not help but complain, "You two should pay attention to the occasion, don't spread dog food in public, okay?"

Avella smiled cheekily and said, "Elsa, since we are in the arena, let's go in together, don't stand here."

Elsa nodded gently, followed Marven and Avella together with the security check, ticket inspection, and came to the venue.

At this time, the interior of the arena is already crowded, the surrounding stands are basically full of fans, most of them have glowing glow sticks in their hands, as well as LED light signs with Sara's name written on them, tens of thousands of people waving at the same time, these glow sticks and light signs, all of a sudden it looks very spectacular.

Marven grew up, or the first time to see a concert, so all of a sudden really some shock, this kind of battle, really he had never seen before.

At this time, his side, Avella said with a chagrined face: "Oops! I actually forgot to prepare the support materials in advance!"

Marven asked with a puzzled face, "Support materials?"

“Yes!” Avella pointed to the fans holding glow sticks and light signs around her and said seriously, “Look, other fans have prepared.”

Marven laughed helplessly and said, “Wife, it’s just a concert, no need to be so involved, since you like Sara, just enjoy her concert later, right?”

Avella couldn’t help but say with some regret: “I not only like her songs, but also like her as a person, so as a fan.”

“I always want to do something more for my idol, but recently I’ve been so busy with work that I forgot all about the support, as Sara’s iron fan, it’s really a shame.”

Marven saw that Avella was indeed showing self-condemnation, in his heart more or less not quite understand.

First of all, he can’t quite understand this mode of fans chasing stars now.

In his opinion, if you really like a star, whether you like their songs, or like their film and television work, you should try to be sensible and put this like on the other party’s professional skills.

Like a singer on a good listen to her songs, like an actor on a good look at his work, in addition to that, there is absolutely no need to be too crazy and too involved for them, so much so that their real-life cause a relatively large impact.

Some popular actor’s performances of the tickets can be speculated to tens of thousands, even so, fans are still trying to do everything possible to rush to the general purchase.

Many of these fans do not really have very strong spending power, they save money in various areas of real life, just to see their idols with their own eyes, which in Marven’s opinion, is indeed somewhat less sensible.

Just like a crazy female fan some years ago, in order to pursue a Hong Kong male star, completely overdrew the parents’ finances, which eventually led to the father being overwhelmed and going to extremes, resulting in irreparable bitter consequences.

So, he said seriously: “Wife, treat the star with an attitude of appreciation, not obsession, if you stand on the attitude of appreciation, then you and she are equal, but if the attitude of obsession, then you and she completely lost the status of equality.”

“We came here, to support Sara, which is already the greatest support and affirmation of her, there is no need to do other additional things.”

Avella nodded gently and said with some relief, “Okay, husband, I know.”

Marven softly smiled: “Good to know, hurry up and go to your seat, the show is about to start!”

Marven and Avella had just arrived at the first row and were about to go to the middle when they saw four people sitting in front of them, all of whom were their acquaintances.

The one sitting closest to the entrance of the first row was Lori. Seeing Marven and Avella coming, she stood up and said with a smile, "Mr. Ye, Ms. Xiao, you're here too!"

Avella was surprised and said, "Hey, Lori, how come you also came to see Sara's concert?"

Lori laughed: "I've always been a big fan of Sara, I can sing every song of hers.

Avella nodded repeatedly and said with a smile, "I really didn't expect that you would have time to catch up with the stars when you are usually so busy with work."

Lori looked at Marven and said with deep meaning: "Hmm, I'm here because my boss doesn't come over often, so I can occasionally steal some time from my busy schedule."

Avella, who doesn't know that Lori's boss is actually her husband Marven, hurriedly said,

"It's okay, even if your boss knows you came to the concert, he can't say anything about you, after all, it's already rest time."

Lori laughed: "Maybe our boss is also a fan of Sara and also ran to join the concert."

Avella thought Lori was joking, so she followed her words and laughed: "It doesn't matter if he comes, everyone has their own hobbies, no one has the right to interfere."

Marven said: "Wife, let's not stand here chatting, there will be people in and out, we will be in the way of others, so go to the seat first!"

Lori heard this, also hurriedly said: "Yes, Ms. Xiao, you and Mr. Ye hurry to go in and sit, later when the concert is over we can talk."

"Okay!" Avella nodded her head and waved her hand, "Lori, then we will go over first!"

"Okay!"

Marven and Avella had just passed by Lori and had just passed two or three seats when they heard a familiar voice: "Master Ye, you're here too!"

Marven looked down, and the person sitting in front of him was the beautifully dressed Warnia.

Just about to open his mouth to greet, he suddenly glanced at a series of acquaintances again.

The one sitting next to Warnia was the incomparably soft Nanako, while on the other side of Nanako sat the young and cute little pepper Aoxue, and what Marven didn't expect was that the one sitting next to Aoxue was Zhovia, the granddaughter of the old man, Tianqi.

At this time, Aoxue and Zhovia also stood up, slightly shy and respectful said: "Master Ye you are here!"

After the two finished, Nanako also couldn't help but get up and bow slightly, "Mr. Marven!"

So many beautiful women greeted Marven, not only Marven did not react, even Avella at the side was confused.

Chapter 3226

Apart from Lori just now, she recognized two of these women, one of them was naturally Warnia, the eldest lady of the Song family, while the other one, was Tianqi's granddaughter, Zhovia.

A long time ago, her father Dave was attacked by Junwei, had a car accident, and was declared paraplegic in the hospital, when Tianqi took Zhovia with him to the hospital, and cured Dave with a miracle medicine.

The rest of them, including Aoxue and Ito Nanaiko, Avella only felt familiar, but for a moment could not recall where she had seen them.

In fact, she also saw the report of Aoxue and Nanako's original competition, but at that time, the two girls were on the field, both wearing professional combat clothing, looking valiant, and at that time, Nanako's long hair was also tied into a clean ponytail, while Aoxue had a fresh short hair.

But now, these two girls are draped in long hair, one is more gentle than the other quiet, so Avella is finding it difficult to link these two girls with the two heroic girls on the game field at that time.

These five women sitting side by side, it can be said that each has her own characteristics, each has a separate one, simply out of five golden flowers.

Just when Avella's whole body was stunned, Warnia took the initiative to open her mouth and said, "Hello Mrs. Ye, long time no see!"

Previously, when Avella's best friend Isabella got married, Marven took her to Warnia's top bridal store in order not to let Isabella lost face at her in-laws' house.

At this time, seeing Warnia take the initiative to greet her, Avella looked a little nervous and said in a panic: "Hello Miss Song, long time no see!"

At this time, Zhovia on the side also spoke, "Hello Mrs. Ye!"

Avella hurriedly said, "Hello Miss Chen! I have to thank you and Dr. Shi for your troubles dealing with my father before! I wonder if great Doctor Shi is doing well lately?"

Zhovia smiled faintly and said, "My grandfather's health is quite good, so I'm sorry for Mrs. Ye's concern."

Nanako and Aoxue looked at each other and looked at Avella at the same time and said with a little respect, "Hello Mrs. Ye!"

"I'm Aoxue."

“I’m Nanako, nice to meet you!”

Marven hurriedly introduced to Avella: “Aoxue is the daughter of Mr. Qin Gang, he is our largest medicinal herb merchant in Wrestvel, and works more closely with Dr. Shi.”

“Miss Ito is a very famous Japanese combatant, she has played with Aoxue in Wrestvel before, the two also became friends during the competition.”

Avella then suddenly realized, said off the cuff: “Oh I remember, Miss Qin in the media before talking about our domestic once-in-a-century combat genius! I had some impression, but the real and news report look a little different”

Aoxue said with a smile, “My father said that I do not look like a girl when fighting, so I usually dress up in life to try to make myself more feminine, so Mrs. Ye may see me with the impression of the gap will be a little big.”

Avella nodded and smiled, “I really didn’t expect that Miss Qin is also a fan of Sara, and I even didn’t expect that Miss Ito also liked Sara”

Nanako put her hands in front of her body, bowed slightly, and said seriously,

“Back to Mrs. Ye, Miss Gu is also very famous in Japan, many of her albums are selling very well over there, I have many friends around me who like her, I myself am her number one fan.”

Avella did not expect this Japanese girl to bow and talk at every turn, at once also a little rushed, hurriedly also slightly bowed as a return, said: “Miss Ito came so far to see the concert, indeed counted as the number one fan.”

Nanako looked at Marven, could not help but blush, spoke: “Actually actually ashamed to say, this time to Wrestvel, watching the concert is only incidental, in fact, there is a more main purpose.”

Avella who doesn’t know what Ito Nanaiko’s purpose is, thought that she came to Wrestvel to do serious business, and then incidentally come to the concert, so she politely said:

“In this case, it would be best, if one can do a lot of things in one trip.”

Marven listened to Ito Nanaiko’s words with deep connotations on the side, and was more or less embarrassed in his heart, secretly thinking, “If I let them continue with such pleasantries, I don’t know what else they will speak.”

So, he then hurriedly said to all the people: “Ladies, you all sit first, our seats are a bit ahead, so excuse us!”

Chapter 3227

As soon as the girls heard Marven’s words, they all nodded their heads sagely.

Although they all had good feelings for him in their hearts, they all knew very well that tonight was Marven's two-person world with his wife, and they should not disturb them too much.

At this time, Warnia spoke, "Master Ye, Mrs. Ye, then we will not disturb the two of you, for now, we can meet for a meal if we have time."

After saying that, she looked at Avella and said seriously, "In addition, Mrs. Ye can come to Song Group when she has time, we also have some needs for decoration design recently, if Mrs. Ye is also interested, we can cooperate."

Right now, Avella was at a stage where her career was very bursting at the seams.

She had always hoped to quickly make her company business bigger and stronger, and also hoped to be able to take the initiative to take up the burden of the family so that Marven could be more relaxed.

Therefore, after hearing that Warnia had taken the initiative to offer her an olive branch, she immediately nodded and said, "No problem Miss Song, see what time is suitable for you, I will come over to pay a visit."

While taking out her business card and handing it to Avella, Warnia said, "It mainly depends on your time, Mrs. Ye, I can basically do it at your convenience."

Avella asked tentatively, "Miss Song, I wonder if you have time on Monday?"

"Yes." Warnia said with a smile, "Then let's do it on Monday at 11 am, so that we can have a meal together at noon, our Song Group has quite a lot of business associated with your field of expertise, so we can have a good wisp on Monday."

Avella was excited and agreed to do so, putting the business card away properly while saying, "Miss Song, then we have a deal, I will visit you on Monday morning."

Warnia nodded and smiled, "Okay, Mrs. Ye, see you on Monday!"

Marven gently pulled Avella and reminded her, "Wife, the concert is about to start, let's hurry up and go to our seats."

Avella answered and greeted several girls separately, before following Marven to the middle of the two seats.

As soon as they sat down, Avella couldn't help but sigh: "I really didn't expect to meet so many acquaintances at this concert, and that Aoxue and Nanako, both very beautiful in person! Especially that Nanako, simply too beautiful, in front of her I can't help but feel a little inferior"

Marven said seriously: "wife, you are also very beautiful, not at all worse than any of them."

"Which has" Avella said seriously: "Lori and Miss Song have great temperaments, the confidence between the hands and feet is I can not compare, not to mention that Nanako, she simply can not pick any shortcomings, looks, temperament, eyes, tone of voice, and even manners, are very perfect.

“It is the first time for me to see such a perfect woman”

Chapter 3228

Marven did not speak, but the heart of Avella’s point of view is also somewhat agreeable.

Nanako is worthy of being the recognized Yamato Nadeshiko in the eyes of Japanese people, her looks, temperament, manners as well cultivation, one in a million.

Moreover, although Marven has always been sincerely patriotic, but also has to admit that in the traditional classical aesthetic cultivation of Eastern women, current China is no match for Japan.

Many Japanese girls like Nanako, from childhood, have to learn female red, that is, needle and thread textile embroidery those fine work.

In addition, some Japanese girls will also learn flower arrangements, tea ceremonies after school, these skills are more in line with the traditional classical beauty.

Of course, this also has a lot to do with the relatively low status of Japanese women in society, the whole society is teaching girls to be good helpers of their husbands, so women as a whole will seem more vulnerable, and in the eyes of many people, vulnerability is sometimes a kind of tenderness.

In addition, the Ito family itself is a very traditional Japanese family, so Ito Yuhiko has been committed to raising his daughter in the eyes of the Japanese people’s ladies, so it also gives Nanako this gentle as water temperament.

Therefore, Avella in front of Nanako, also feels ashamed of herself, feeling that the other party is way much better than her.

After Avella’s inner sigh, she took the initiative to bring the topic back to Warnia and said excitedly, “But if we can reach a cooperation with Miss Song this time, then the company can go up another level!”

Saying that, she also said to Marven: “Look, husband, Emgrand Group is the largest enterprise in Wrestvel, and the Song family is the largest family in Wrestvel, if both sides can cooperate for a long time, then my studio, in time, can also become the best decoration design studio in the city!”

Marven could not help but persuade: “wife, your recent career is too heavy, you have already taken over the Emgrand Group’s big project, and now the company has also taken over a lot of private renovation projects.”

“You already have a lot of things on hand, why do you still want to cooperate with the Song family? In fact, our family is not short of money now, there is absolutely no need for you to be so tired.”

Avella shook her head and said very seriously, “Starting a business itself is not necessarily about how much money you make, the main thing is that since you’ve already started doing it, you want to make it the best.”

“So you see, so many large companies with a market value of hundreds of billions of dollars, their bosses many years ago have been financially free, but now still in the company to work hard.”

“I believe that they have long earned enough money, that for several lifetimes can not be spent, the reason why they play hard, in fact, are to do things to the extreme, to do the best.”

To Avella’s statement, Marven also agrees.

The vast majority of people in this society, do not have this kind of extreme spirit.

The vast majority of people have a standard of self-satisfaction, and as soon as they reach this standard, they start to enjoy life and stop working hard.

However, there are very few people who are driven by the spirit of extreme and are never satisfied.

They will also set a standard for themselves, but the difference is that once they reach this standard, they will not be satisfied, but will constantly set higher standards for themselves.

Those companies with assets of over 100 billion, or even reaching the world’s top 500, are driven by this drive to become stronger and stronger.

Avella is also this kind of person, just before there has been no good opportunity for her to realize her ambition.

So, Marven to her: “Wife, what do you think is the ultimate goal of your business venture?”

She thought about it and said seriously, “I don’t have any specific goal, I just hope to make it the best within my ability.”

Marven nodded gently.

Although he was heartbroken by Avella’s state of working at full strength, he could also understand her heart to a certain level.

He felt that, to a certain extent, he thought basically the same as his wife.

He himself did not have any material desires and had not even taken the initiative to buy himself a car by now, but he was still trying to do everything he could to constantly expand his business and improve his financial strength.

However, unlike other elites, Marven makes money, not to achieve any personal value, he just wants to accumulate enough strength to be able to find out the truth about his parent’s death in the future and to be able to crush his enemies with an absolute advantage after finding out the truth.

So in order to achieve this goal, he must also do his best to try to do the best he can in the pre-storage stage!

Chapter 3229

While the couple was chatting, a figure walked up to the two of them and sat down next to Avella.

Avella turned back to look and immediately exclaimed, "Oops! Miss Su!"

Marven looked up and realized that the one sitting next to Avella was actually Zhiyu, why did she come too?

Zhiyu seemed a little surprised to see the two of them and said with a smile, "Hey, Ms. Xiao and Mr. Ye, I didn't expect you to come here too!"

Avella said with a smile, "I've always liked Sara, so I begged my husband to come over to watch the show with me very early."

Saying that, she hurriedly asked again, "Miss Su, why didn't Auntie come with you?"

Zhiyu smiled and said playfully, "To be honest, my mother actually doesn't like this kind of overly lively occasion. And actually, I wasn't planning to come either, except that this ticket was left by my brother, who is a fan of Sara, but suddenly he had something to do and couldn't come, and I saw that this ticket was really a waste, so I came to take a look."

Avella laughed: "My husband doesn't seem to like this kind of occasion either, he has never been a fan of stars, this time he is also dragged by me to the venue."

Zhiyu couldn't help but look at Marven and said with a smile, "So Mr. Ye doesn't like Sara, huh?"

Marven listened, with a big head, thinking: "Today what is wrong with these women? Speaking of words, one has a deeper meaning than the other, all kinds of connotations"

Thinking of this, he deliberately changed the subject and asked Zhiyu: "Hey Miss Su, since your brother is a fan of Sara, how come he is not coming temporarily? It seems that the fanhood is not iron enough."

Zhiyu quietly gave Marven a glance, thinking: "You bad egg, knowingly ask me this question! Why didn't my brother come?"

"Is there anyone in this world who knows better than you? He left early this morning with a long and impulsive kowtow, he can only walk a few kilometers a day at most, he must not be out of the precincts of the City yet!"

So, she sighed under her breath, "Don't mention it, my brother met a bad egg, was cleaned up by that bad egg, and I'm afraid he won't be able to come back in the next few years."

Avella heard this and said in shock: "Miss Su, your brother was kidnapped? Then have you called the police?"

Zhiyu smiled and said, "It's not a kidnapping, but my brother can't come back in a short time, but he is willing to lose, so it's no one's fault."

Avella listened to the confusion, but when she thought that this was someone's family matter, she could not ask more detailed questions, so she nodded gently and said, "Sorry, I am out of line."

"It's okay, it's okay." Zhiyu waved her hand hurriedly and said, "It may not be a bad thing for him."

At this moment, Philip and Lenan, the old couple, from Zhiyu's walked over, Philip saw Marven, the four eyes facing each other, outsiders can not see the magnitude of a slight nod gesture.

Lenan also waved her hand quietly at Marven, and then sat directly next to Zhiyu.

Philip, on the other hand, sat down next to Lenan.

Chapter 3230

The three people did not greet each other, so Avella did not pay much attention to these two people.

However, when Zhiyu saw that there were people around her, she subconsciously glanced at them and realized that the ones who came were Philip Gu, the head of the Gu family, and his wife Lenan.

Zhiyu was a little surprised at first, but soon came back to her senses.

She is a member of the Orgeyon family, so she knows the Gu family, and knows that Philip and Lenan are Sara's parents, so since it's Sara's concert, it's only natural for them to come over as parents to support the show.

However, she has some doubts in her mind, both Philip and Lenan, in the past, in various high society activities in Orgeyon, she could often see them.

But in her impression, this couple looked so young now.

Especially Lenan, she has given birth to a child, her age compared to her mother is not a few years younger, but the whole state of the person does not look like a mother at all, feeling just 30 years old at best.

And Philip is also very amazing.

Previously it has been said that he was dying of advanced pancreatic cancer, but who would have thought that this person not only cured the terminal disease, but look better and better.

However, she was shocked, but she felt that since she had seen them and was sitting next to each other, she took the initiative to greet them and said, "Auntie and Uncle, how are you?"

Lenan at first did not pay attention to who was sitting beside them, she had been secretly observing Avella beside Marven, wanting to see what magic this girl had that could make Marven so favored, but suddenly she heard the girl sandwiched between her and Avella greeting her, so she hurriedly looked and realized that the one sitting beside her was actually Zhiyu of the Su family.

She was surprised and asked, "Zhiyu? Why are you here?"

Philip was also surprised, not expecting Zhiyu of the Su family to be there.

Zhiyu spat out her tongue and said more or less awkwardly, "My brother left a ticket for me before he left, so I came over to join the fun."

When Zhiyu said this, Philip and Lenan, husband and wife, instantly understood.

They both know the situation of the Su family, know that Zhifei suddenly decided yesterday to kowtow his head to go to the Temple to atone for the sins of his family, also know that before that he has been pursuing their daughter, so once said, they know why Zhiyu is here.

Lenan is also a bit embarrassed, spoke: "Zhiyu, your brother's matter, we also heard, hey, we also really did not expect your mother's health is okay?"

Zhiyu nodded, thinking that she was sitting next to Marven's wife, and thought that Lenan, Philip and Marven must have long recognized each other, in this case, the couple looked at Marven, certainly as an unopened son-in-law, so she hurriedly spoke: "Auntie, my mother's health is quite good, thank you for your concern."

After saying that, she came up to Lenan's ear and whispered, "Auntie, I'm really sorry, Marven and his wife are sitting next to me, and his wife doesn't know his real identity, so many things are too inconvenient to discuss on this occasion, let's talk later in private."

When Lenan heard this, she was immediately surprised.

She did not know that Zhiyu actually knew Marven and knew his true identity!

This made her think in her heart, "According to reason, Marven's true identity has always been a secret, and it is impossible for her to proclaim it everywhere herself, so how did this girl know about him?"

"Could it be that Marven took the initiative to tell her? It doesn't make sense! He has always believed the Su family is unshakably responsible for the death of his parents, in that case, the Su family is his enemy, so how could he tell Zhiyu his secrets?"
