

The Amazing Son In-Law Chapter 3241-3250

Chapter 3241

Sara retired long after the scene, the fans who had come back to their senses, cursed and took the lead in leaving the arena.

And many female fans also wiped their tears while silently turning away.

Marven even heard a male hangman behind him, cursing and saying: "Grass! Where the hell is that stupid prince charming, don't let me meet him, or I'll break his hoofs!"

Immediately afterward, someone echoed: "Dude, count me in! This ba5tard dares to steal our love, I think he doesn't want to be in the business anymore!"

"What the hell is this son of a b!tch capable of that makes my goddess sing in her wedding dress and rush to marry him? Damn, it really pi55es me off!"

Marven only felt a chill in his back at this moment.

What is a public enemy?

This is the public enemy of the whole fcuking world!

Avella, who was on the side, also said with some loss, "Honey, let's go."

Marven faintly nodded his head.

Avella stood up and said to Zhiyu, who was beside her, "Miss Su, my husband and I will leave first."

Zhiyu joined the conversation saying, "I'll go too, let's go out together."

After saying that, she hurriedly stood up.

Marven looked at Philip and Lenan, and felt that he could not say hello to both of them even when leaving, it was a bit lack of respect.

At this time, Philip looked like I understand you, gently nodded, and waved his hand with a smile.

Lenan also gave Marven a look of reassurance, meaning to let him hurry home first, and not care about the two of them.

But he knew that the two of them would have to rush back tonight and would probably have to go to the airport soon for that.

With no choice, he could only decide to turn around and say goodbye to the two on WeChat.

As for the five golden flowers, because of sitting relatively outside the reason, so when everyone began to exit, they must be the first to give up the first row of the channel, so everyone just got up from their seats, they were pushed by the crowd to go out.

This whole scene, tens of thousands of people exiting together was a spectacular sight.

When they came, these tens of thousands of people were spaced out long before and after, some came early, and some came late.

But now, they all got up, and moved towards several exits, so the whole arena seems unusually congested.

When Marven and Avella walked out from the first row of seats, Lori, Warnia, Nanako, Aoxue, and Zhovia, who were sitting on the outside, were already gone.

There were so many people around, so Marven did not deliberately look for their figures.

Chapter 3242

Avella and Zhiyu were walking side by side. Zhiyu saw Avella's eyes were red and asked curiously, "Ms. Xiao likes Sara a lot?"

Avella nodded gently and said seriously, "I have always liked her, I feel that she not only sings well, but is also a very rare stream in the entertainment industry now, very clean and pure."

Zhiyu smiled and said, "No need to doubt, she is not only a clear stream, but also the only one in the entertainment industry."

Avella asked curiously, "What does Miss Su mean by that?"

Zhiyu laughed: "Let me tell you this, in the entertainment industry, there is no shortage of flies and dogs, some people sell themselves for profit, some people falsify the past for fame, and some people tend to follow the trend for the sake of relationship"

"There are also people who are racking their brains to set up a persona, in order to speculate PR exhaustive"

"Some are obviously poor, but they have to package themselves as rich;"

"Some of them obviously have no cultural level, but also have to package themselves as rich;"

"The most disgusting is that some foreign-favoring so-called publicists, in order to eat a mouthful of rice do all kinds of denigration of the country, and even go so far as to package those dirty third-world countries into a fairyland on earth with malicious intentions and despicable purposes;"

"In addition, all kinds of plagiarism imitation, malicious speculation is innumerable, really to count up, whose history is not absolutely clean."

Speaking of which, Zhiyu turned the tables and said seriously: "Only Sara, never half a black history, so far, she is in the entertainment industry, there has not been any hype, nor has she done any fly-by-night hookups, she published all her personal history which is 100% true, and many of the more powerful places people simply did not expose, and even deliberately Not to let the media report, the real low-key and really cultivated."

Avella curiously asked: "Miss Su seems to be very familiar with the entertainment industry?"

"Not familiar." Zhiyu smiled lightly and said casually, "It's just that there are no secrets in this circle that can be hidden from me."

She smiled and asked Avella, "Does Ms. Xiao know what Sara's family does?"

Avella thought about it and said, "It seems that someone said that her family is in business, but what exactly they do seems to be rarely reported, giving the impression that they should be more powerful."

Zhiyu laughed: "More than powerful, her family's industry, a year's profits are more than the entire entertainment industry a year to generate much higher profits, so people like her to the entertainment industry, is a phoenix from the sky, fell in the flock of chickens, completely descending blow."

Avella listened dumbfoundedly, said: "No wonder Sara never engages in any publicity hype, even the hype PR such a whole entertainment circle is doing things, she never touch."

"There were a few male stars in the past to hype PR with her, but the fake news just released, usually not more than an hour, Sara's agency would immediately issue a serious disinformation statement, never give others the opportunity to hype. Never give others the opportunity to speculate"

Zhiyu nodded and laughed: "But what exactly is done seems to be rarely reported, giving the impression that it should be more powerful like."

The company's main goal is to provide the best possible service to the public.

Avella nodded thoughtfully and said, "Miss Su has a point, according to you, she is indeed unlikely to stay in the entertainment industry."

Zhiyu glanced at the silent Marven and said with a smile, "Didn't the opening video of the concert just now also say that Sara has actually been looking for her prince charming, I feel that she joined the entertainment industry, most likely to achieve this purpose of finding someone."

"Yes." Avella agreed and said, "I feel the same way."

Zhiyu added: "You see she has been raised well since she was a child, I think that her Prince Charming's origin will not be worse than hers, and probably even better than hers."

With that, she used her long and slender finger, lightly nodded her lower lip and said to herself:

"Oh, so, that analogy I just made is actually not very appropriate although Sara is indeed a fairy who came down to earth, but the person she came down for is not less than her in status but beyond that."

“Maybe, when they meet they will go back to the sky, together, forever!”

Chapter 3243

This set of analogies of Zhiyu’s fairy descending to the mortal world made Avella nodded her head repeatedly after listening.

She felt that what Zhiyu said was too right, and the real direction of things should be the same as what she speculated.

Only, she did not know that these words fell into Marven’s ears, and another taste.

Marven knew that Zhiyu’s words, as if she was deliberately mentioning his wife, but deliberately mentioning was very hazy, so that his wife simply did not know that all this is related to her.

Marven did not understand why Zhiyu said this to Avella, was it to give her a precautionary shot?

However, he himself did not want to leave Avella.

Or maybe she meant to say this to him?

But what is the significance of this?

The company’s main business is to provide a wide range of products and services to its customers.

He felt that this woman was a little too smart, so that he carried a little bit of caution deep inside his heart.

When the three of them followed the crowd out of the arena, Zhiyu asked Avella and Marven: “By the way Mr. Xiao and Mr. Ye, how did you get here?”

Avella said, “We took a taxi to come here.”

Zhiyu said, “Oh, you can’t take a taxi at this hour, I estimate that there are at least 10,000 to 20,000 people needing a taxi in our neighborhood, even if you use the software to call a taxi, you still have to wait for at least an hour, it just so happens that I drove here, why don’t I send you back.”

Avella hurriedly said, “Don’t bother Miss Su, we’re not too far away, it’s just a 20-minute walk.”

Zhiyu said: “How can I do that? It’s so late now, you must be tired when you walk home, and it will definitely affect tomorrow’s work, besides, if my mother knows that I watched the show with you guys and don’t send you home, she will definitely talk about me.”

Avella heard this, the face is not good to refuse again, so she looked at Marven asked: “husband you say, we are walking back or take Miss Su’s car?”

Marven glanced at Zhiyu and said lightly: “Since Miss Su has invited us so kindly, we can’t let down her good intentions.”

After saying that, he looked at Zhiyu and said seriously, "Miss Su, I've given you trouble."

Zhiyu hurriedly said, "Mr. Ye is too polite, such a small thing, I should do it."

At this moment, Elsa saw Avella in the crowd and ran over quickly, saying while running, "Avella, how are you going back? My cousin is driving to pick me up, I'll give you guys a ride."

Kevin now has two tasks, one is to live in the urban village to suffer, and one is to serve as a driver for Elsa, so Elsa generally takes him with her wherever she goes, so that her cousin is not so bored.

And Elsa also has her own personal feelings.

She felt that cousin Kevin's living conditions in the urban village, are really very difficult, she often calls him out, on the one hand, as her driver, on the one hand, so that the work of the reason, take him to eat something good with him.

When Avella saw Elsa coming, she said, "Sorry, Elsa, I've already made an appointment with my friend to go in the car back, so I won't bother you and your cousin."

Only at this time did Elsa see Zhiyu beside Avella.

Chapter 3244

The moment she saw Zhiyu, Elsa was dumbfounded.

She recognized her right away, after all, she was the eldest granddaughter of the Su family, and was extremely famous in the circle of Orgeyon's second generation, and could be said to be the strongest one in the circle of Orgeyon's celebrity daughters.

The two of them are not friends, but they are acquaintances, and they have met on many high society occasions.

She just didn't expect that why Zhiyu was here.

So, she subconsciously asked, "Miss Su Su? How come you are here?"

Zhiyu is also a little surprised, Elsa she remembered, the Dong family's daughter, compared to these top families Dong family's strength is quite inferior, but after all, is also a circle of people, with each other they have some interactions.

So, she then smiled slightly and said, "Miss Dong also came to Wrestvel, is it specifically for the concert?"

Elsa hurriedly waved her hand and said, "No, no, I'm working in Wrestvel now, right in Wrestvel's Emgrand Group!"

Zhiyu nodded her head and said with a smile, "So it's the famous Emgrand Group."

After saying that, she also intentionally or unintentionally glanced at Marven, and there was even a little bit of something in her eyes.

Because after she knew that Elsa actually worked at the Emgrand Group, the first instant she felt that this was a very fishy matter.

In her heart, she thought, "Although the Dong family is only a ten billion dollar family, but it is far from letting their own first daughter run to Wrestrvel thousands of kilometers away to work, and these families in Orgeyon are more refined than monkeys, no one would do such a disgraceful thing, there must be a demon when things go against the norm, the Dong family must have a deep meaning in this move."

Before she could be surprised for two seconds, she immediately came to a realization and exclaimed inwardly, "It must be because of Marven!"

Although she didn't know through what channel the Dong family had groped for clues related to Marven, Elsa was definitely running towards Marven.

On the side, Avella did not know Zhiyu's real background, she was busy with work all day long, even though Zhiyu's previous car accident in the Forbidden Mountain Tunnel was a big deal, Avella had only heard that there was that one thing, and had not taken the initiative to understand.

So, she asked Elsa with some surprise: "Elsa, you also know Miss Su?"

Elsa was just about to speak, Zhiyu took a step ahead and said with a smile, "When I used to work in Orgeyon, I had cooperation with Miss Dong's family company, so I can say we know each other."

As soon as Elsa heard this, she immediately understood that Zhiyu did not want her to reveal her true identity.

So, she had to go along with her words, nodded her head, and said to Avella, "It's like this, I just didn't expect that you and Miss Su also knew each other."

Avella also didn't suspect and smiled, "Miss Su's mother is my client, we also just met not long ago."

"Understood." Elsa nodded gently.

Zhiyu was also curious and asked, "By the way Mr. Xiao, how do you and Miss Dong know each other?"

Avella replied with a smile, "The two of us are good girlfriends, we used to go to college together, including Marven who used to be classmates with us for a year."

Deep inside Zhiyu was even more surprised: "What the hell is going on here?"

Marven and his wife, and this Elsa were classmates? But Elsa came to work in Wrestrvel, must have come for Marven, and she is working in Marven's Group, could this Elsa be Marven's lover under the eyes of Avella?

If this is really the case, then Marven this hand of black under the lamp, play is really a god's move!

Thinking of this, the dialectical thinking that is always in her heart began to work again.

She also felt: "seems not right, with my understanding of Marven, he is definitely not the kind of person who keeps a mistress behind his wife's back, and it is even more impossible to get together with his wife's college classmate and a best friend directly and privately

Then does it mean that Elsa does not know Marven's true identity? Just treat him as a classmate, as well as the husband of her best friend?"

A thought, Zhiyu said tentatively: "Right Miss Dong, since you work in the Empire Group, then I have a request, I have some projects I want to dock with the Emgrand Group, I wonder if you can help me introduce the chairman?"

Chapter 3245

Hearing this, Elsa replied somewhat awkwardly, "Miss Su, although I have also come to Emgrand Group for a year, but to be honest, I have never met our chairman, he seems to never come to the group, the group affairs are in charge of Lori Wang, the vice director, why don't I introduce her for you?"

"So." Zhiyu figured it out instantly, it seemed that Elsa did not know Marven's double identity.

Thinking of this, she laughed in her heart: "This woman is stupid enough, she must have come to Wrestvel looking for Marven, but after coming for so long even his identity is not understood"

Elsa found that Zhiyu looked at her, more or less in a strange way.

She also couldn't help but look at Zhiyu back, but when the two were facing each other, Elsa felt that she was under a lot of pressure in front of her, so she hurriedly said,

"That, Avella, Marven, since you are going back with Miss Su, then I won't take your time, my cousin is waiting for me in the parking lot, I'll go there first."

After saying that, she hurriedly said to Zhiyu, "Miss Su, I'll go now, you guys take care on the way."

Zhiyu nodded, remembered something, and hurriedly said, "By the way, Miss Dong, in Wrestvel we both are outsiders, and seeing you here is like meeting an old friend in a foreign country, why don't you leave me a contact, I'll treat you to dinner if you have time."

Although Elsa knows Zhiyu, but in terms of rank, she is far worse than her.

The difference between the two of them is the kind of heavenly difference that they never sat at the same table even in the same banquet, so she and Zhiyu don't have each other's contact information at all, let alone have dinner together in private.

Now Zhiyu took the initiative to invite her to eat together, which really made her a bit flattered.

So she agreed almost without thinking, and hastily took out her cell phone and said, "Okay, Miss Su, I've been in Wrestvel longer than you, so I'll invite you, more or less I'm also half a host."

Zhiyu smiled and said, "Okay, you invite me first, I will invite you back another day."

Elsa hurriedly said, "That's okay, Miss Su, let's add a WeChat, I'll sweep your QR."

Zhiyu nodded, took out her phone, found out her WeChat QR code, and then passed Elsa's friend application.

The moment Zhiyu her as a friend, Elsa's heart is indeed taking a little excited leap.

This can't be blamed on her snobbery, after all, she has been growing up in the atmosphere of Orgeyon's high society.

The Dong family's strength, in the entire Orgeyon high society, could only be ranked to the lower middle level.

Therefore, people like her have been accustomed to surviving in the cracks of the upper class, and naturally, they especially cherish every opportunity to come into contact with the top of the hierarchy.

But, Marven saw Zhiyu take the initiative to show goodwill to Elsa, and even wanted to have dinner with her privately, his heart became more and more suspicious, confused Zhiyu this woman, what in the end she wants.

After the two of them added WeChat, they came to the parking lot together. Elsa's car and Zhiyu's car were not parked in the same area, so they waved goodbye to the three of them at the entrance of the parking lot.

Chapter 3246

Marven and Avella followed Zhiyu and found her car.

Marven didn't expect that Zhiyu came out by herself and drove a very ordinary Audi Q5 SUV, which was indeed quite different from her status.

Zhiyu looked at Marven and Avella and said with a smile, "The car is not very good, so please don't mind too much."

Avella said: "How could it be, it's already very good!"

Zhiyu said with a smile, "It's good if you guys don't mind, then you couples can sit in the back."

"Okay," Avella answered, so she sat in the back row of the Q5 with Marven, and Zhiyu started the vehicle and drove towards Tomson.

On the road, Zhiyu sighed while driving, "I didn't expect that we are quite lucky, my mom chose Ms. Xiao's decoration design company, and as a result, Miss Dong is also Mr. Xiao's and Mr. Ye's college classmate, so this time and time again, we have some connection with each other."

Avella also could not help but nod and said with a smile, "It is indeed quite a destiny, and I did not expect that your business, is still related to the Emgrand Group, my biggest partner now is the Emgrand Group, and the hotel project I am working on is from the same group."

"Is that so?" Although Zhiyu's tone was very surprised, no one saw that the expression of her, who was sitting in the driver's seat and driving, did not have the slightest element of surprise.

She secretly thought in her heart, "You don't even know that your husband is the owner of Emgrand Group, you as his wife, it's not hard for him to give you a hotel project?"

Thinking of this, she also could not help but sigh: "This Avella, is really a silly sweet, haven't figured out Marvin's identity until now"

However, she said with a smile on her face, "That's still a real coincidence, in the future, I will probably have a lot more cooperation with the Group, and maybe we will have business dealings with each other in the future."

Avella subconsciously laughed: "That's really great."

Marven heard a big head.

He really wanted to tell everyone around him not to negotiate cooperation for his wife, how could she finish so many projects? Warnia's side also wants to give her the Song family's project, Zhiyu seems to have a little hint.

Although he also knows that in the business world, party A is willing to take the initiative to give party B a project to do, that is to send money to them, but he also does not want Avella too tired.

At this time, In the car three people's cell phones, all began to send a variety of crazy push.

Marven looked down, these tweets are almost all related to Sara.

This concert, is really a success in the entertainment circle so that the entire Internet exploded.

No one expected that this concert would explode so many explosive points, from the beginning to the end, shocking news one after another.

First, announcing that there was a childhood friend for an hour and that she had been looking for him.

Then she sang the song "Tomorrow I will marry you" in her wedding dress, could there be a more direct confession than that?

Just after everyone thought that the news that Sara might be marrying someone in the near future was the biggest bombshell, she suddenly announced her permanent retirement from the entertainment industry!

This is really the big bang of the universe, the best top stream singer, said to withdraw from the circle, not only extremely decisive and dry, and even a little too capricious.

The good thing is that although her fans are disappointed, but combined with the story shared by Sara to everyone, the vast majority of people can understand her decision.

After all, she spent a large part of her life looking for her prince charming, finally found him, naturally want to double up with him, to be a good wife and mother, and the entertainment business itself is very busy, if not quit the circle, it is difficult to have enough energy to play the role of a good wife and mother and entertainment icon.

The rest of the small number of those who can't understand, mainly because of envy and jealousy.

However, there are still many fans who hope that there will be a day when the peak will turn around.

After all, many stars have made statements about quitting the entertainment industry, and the so-called farewell concerts have been held for an unknown number of times, and then after a year or two, they make a comeback.

Avella also hopes so, so she hurriedly went to browse some news and Weibo hot search to see if there is anyone discussing this, but after looking around, she could not help but sigh:

“Sara’s agency has issued a statement confirming that she will officially quit the entertainment industry after this tour, it seems that there will not be any room for reversal in this matter”

Chapter 3247

At this moment, backstage of the performance.

In Sara’s lounge, Tasha, with red eyes, personally helped her take off her wedding dress carefully, choking with some heartache under her breath,

“Sara, I really don’t understand, since you’ve decided to wear a wedding dress at this concert, why didn’t you name that guy Marven?”

Speaking of this, she complained somewhat indignantly,

“If I were to say, you should have forced him to marry directly in front of tens of thousands of viewers, in front of the nation’s fans!”

“Once the wedding dress is on, directly shout his name, ask him to come on stage, and then ask him on stage in front of everyone when exactly he will honor his promise.”

Sara looked at herself in the mirror, carefully removed the shiny diamond earrings, said with a smile:

“You must have watched too much romance idol drama, feelings and marriage is not forced on people, why use the influence, forcing him to come on the stage?”

“It’s not like no one in the entertainment industry has done this before, but the result is not divorced?”

I just want to tell him personally on his birthday what kind of feelings I have for him all these years, and I promised long ago to wait for him for three years, if I call his name on the spot at this time and ask him when will he honor it or call his name on the spot at this time, that is my own backtracking.”

Tasha depressed said:

“But today this confession of the battle is too big, and also completely out of the entertainment industry, things, you have given so much for him, if not to force him a little, in case of regrets what do you do?”

“In case he does not honor his promise after three years what do you do?”

Sara seriously said, “If he really can’t keep his promise, then I won’t blame him.”

“What?!” Tasha dumbfounded said: “Will not blame him?? I tell you, Sara!”

“If that Marven after three years does not fulfill the promise, when the time comes, I will have to expose this heartless man on the Internet myself!”

Sara said: “Don’t talk nonsense! Marven’s family has been kind to our family, his father helped our family a lot in the past, my father’s life was also saved by Marven, with such great kindness, no matter what decision makes, I will willingly and fully accept it.”

Tasha was as anxious as an ant on a hot pot: “Sara, how can you think like that? He is kind to your family, but don’t you have any love for him?”

“The video that was played at the beginning of the concert is not your silent dedication to him for so many years?”

“Could it be that just because he saved your father, he can disregard your dedication for so many years? He can completely fail you?”

Sara said more or less impatiently: “Oh well, you talk the most! Hurry up and help me take off my wedding dress, I still have to catch a flight later.”

Chapter 3248

Tasha asked, “You’re leaving tonight?”

“Yes.” Sara said, “The concert is over, so there is no more business for me, you stay here with the executive company to take care of the aftermath, I will go back to Eastcliff first, to prepare for the next concert.”

Tasha said, “Then there is no need to catch a plane back so late, rest for one night, wait until tomorrow, and then leave.”

Tasha said, “You have confessed so deeply at the concert, but that man took his wife home after the concert, don’t you want to stay one more day to see if he will give you a statement?”

“No.” Sara said with a smile, “I’ve said it, I just want him to know clearly what kind of true feelings I have for him, and that is enough.”

“That’s why I didn’t put any frontal photos of him in the video, not even as a child, and I didn’t say in public that it was his birthday, that he was there today.”

“Because I didn’t want anyone else to guess that my Prince Charming was him, especially not to make his wife suspicious.”

“And since I said I would wait for him for three years, I will definitely wait for him in a down-to-earth manner, and definitely will not create any trouble for him in advance, not to mention not wanting to put him in a dilemma.”

Tasha is convinced, rushed Sara arched her hand, exclaimed: “I really tried to convince you! Really, I won’t even help when the wall falls down, I’m convinced of you!”

“Typical devotional personality! If Marven does not marry you, he will regret it until his next life and beyond!”

“Don’t be silly.” Sara with her help took off the wedding dress carefully and said:

“Tasha, the makeup has not been removed, and later have to go to the airport, so this wedding dress is too late for me to pack and take away.”

“You must help me properly pack it, and then bring me back to Eastcliff intact, in the future when I get married I want to wear it.”

Tasha said helplessly, “I know, I know this is your treasure, don’t worry, I will help you properly with it and bring it back to you in good condition!”

Sara nodded her head and smiled: “Thank you! You are my good sister! I’ll treat you to a big meal when we get back!”

Tasha gave her a blank look and muttered, “And treat me to a big meal, you announced this time to quit the entertainment industry.”

“I can also be laid off as an agent, and when I go back, I have to prepare for the layoff and re-employment.”

Sara hurriedly laughed: “Don’t! We still have dozens and dozens of concerts to stay busy with, wait for the next concert.”

“After the commitments, I quit the entertainment industry, but I still have to do other things, then I will look back to the family group to find a good job, you come to me as an assistant I will give you double the annual salary!”

Tasha felt happy, but the face still hummed, she said: "Being an assistant is no problem, after all, I am also a famous university graduate in economic management, to work with you as an assistant is more than enough, but this double annual salary just forget it."

"Your sister Tasha doesn't lack money, the reason to rely on you is because of a good relationship with you, with you to work together even if I do not make money I am still comfortable."

Sara held Tasha's arm, smiling, said: "Lovely sister, today you finally said the truth, it seems that my personality charm is stronger, can keep such talent around to serve me, ha ha ha, this lady has really extraordinary charm!"

"Pooh!" Tasha skimmed her mouth and said, "Don't be silly here, don't you have a plane to catch? Hurry up and take off your makeup."

As they were talking, there was a knock at the door and Sara's mother, Lenan, asked in a soft voice outside the door, "Sara, can mommy come in?"

Chapter 3249

Sara heard her mother's voice outside the door and hurriedly said, "Mom, I'm taking off my makeup and changing clothes, are you by yourself?"

Lenan was busy answering, "Yeah I am by myself."

Sara then said to Tasha, "Tasha, go and open the door for mom."

"Okay." she agreed and hurriedly opened the door to the room.

After the door opened, Lenan looked at Tasha and said with a smile, "Tasha, this time has really been hard for you."

Tasha hurriedly waved her hand and said, "Auntie, this is all my job, it's not hard at all."

After that, she said with a shocked face, "Auntie, why do you look so much younger today? I feel that if I don't control my food, wait for another two years, I may look even older than you"

Lenan said with a smile, "I have some nice skincare products, the effect is really quite good, I've been using, and as we go back, I'll have someone send you a set, or you directly come home to pick up."

Lenan knew that she naturally could not tell Tasha about the Rejuvenating Pill.

Moreover, even if she told her, she was afraid that it would be difficult for her to get it, but instead, she also cause trouble for Marven, so she used skincare products to cover the reality.

Tasha has always had a very close relationship with Sara, so she is also very familiar with Lenan, hearing this, she said with a smile, "Then I'll thank you in advance, Auntie!"

Lenan laughed: "What else do you have to be polite to auntie, from now on all your skincare products I will give you, I will have the group's driver send it to you regularly."

“Really?” Tasha was flattered and said with some trepidation, “Auntie, there is no need to go to such trouble, if it works well, I will just go and buy it myself in the future.”

Lenan laughed: “You and auntie are still so out of touch? This matter is settled, if you push back again, you will treat auntie as an outsider.”

When Tasha heard this, she could only nod and said, “Thank you, Auntie, I’m sorry then!”

Lenan nodded, then said to Sara:

“Sara, your father and I are ready to go to the airport, your father thinks you have worked too hard today, so he asked me to tell you to take a good rest at the hotel tonight, so you don’t need to come with us again at night.”

“Don’t say that mom,” Sara said:

“I’m going to take off my makeup and go back with you guys, I’m not tired at all now, I don’t need much rest, moreover, there’s no point for me to stay overnight, I might as well go back with you guys, then I can still have a good sleep at home.”

Lenan reached out and touched her face, asking gently, “You confessed so deeply at your own concert today, don’t you want to see how Marven reacts in person? Stay one more night, and you might be able to meet him tomorrow.”

“No no.” Sara said with a smile, “Making such a big noise, and did not say hello to Marven in advance, I am afraid that I have scared him so it is better to go back first and see him again after a while.”

Lenan helplessly shook her head and laughed: “You girl, you dare to do such a shocking thing, still afraid that you do not know how to face him afterward?”

Sara said delicately: “Mom, you know I actually have the thinnest skin, today dry this thing will keep me nervous for many days until now the back is still sweaty, now the last thing I want to do is meet Marven, so just let me go home to avoid the wind”

“This child” Lenan helplessly laughed: “then okay, you take your time to take off the makeup, change into comfortable clothes, I’ll go talk to your father, we will wait for you.”

“Thank you, mom!” Sara smiled happily and gave Lenan a kiss on her cheek.

Chapter 3250

Ten minutes later, Sara, who had changed into an everyday outfit, got into the car with her parents and headed to the airport.

On the way, Sara kept chatting with her mother.

Being a woman, Lenan had many questions in her heart to ask her, but her first question was, "Sara, when did you order that wedding dress you were wearing tonight behind our backs?"

Sara said with a smile, "Mom, you know Vera Wang, right?"

"Yes." Lenan nodded: "Isn't it the independent brand of the Chinese-American designer Natalie Wang?"

"These years in Europe and the United States is really very hot, even the former U.S. President Clinton and the daughter of Putin, married are wearing her designed wedding dress, your set of wedding dress is also ordered from her?"

Sara laughed: "She had announced a few years ago that she will no longer make wedding dresses for others personally, but I invited her over from the United States a few months ago and gave her the measurements, and then she took them back to the United States to make one for me personally."

Lenan laughed: "Then you really have a lot of fame, people have closed the mountain, but still resumed to help you make wedding dresses."

Sara said seriously: "Mom, to be honest, I could not invite her, although her assets are not as big as the top families, but usually make friends with the top powers, many top wealthy and executive families in the United States who have asked her to design their wedding dresses, and these celebrities in China were also lining up to find her."

"But even so, no one could invite her personally in the past few years, not to mention me, even if the Su family and the Ye family were looking for her, it is impossible for her to come out personally."

Sara took a slight pause, and said: "This time she was willing to personally come to China to help me measure and make a wedding dress, mainly because she knows that I am the future daughter-in-law of Auntie An who had long approved it."

Lenan asked in surprise, "You said this Natalie, came because of the face of Marven's mother?"

"Right." Sara said, "I originally just paid a deposit to her brand for her designer to design a high order wedding dress for me, but I didn't expect her to come in person"

"In fact, I was also surprised at the time, did not understand why she would personally come over, asked her to know that she and Auntie An and Auntie An's mother were good friends for many years"

"Moreover, when Marven went back to the United States with Auntie to visit her family when he was a child, she also met him and knew the relationship between our family and Auntie An's family."

Lenan lamented, "Natalie should also have to be more than seventy years old, at least almost twenty years older than sister An, I did not expect her and sister An were friends too."

Sara said, "Or maybe they met through Auntie An's mother."

Sara added: "But according to her, Auntie An had helped her a lot in the past, and her tone seems to be quite grateful."

Lenan nodded: "Your Auntie had helped too many people, in Silicon Valley alone, more than half of the big companies had taken investment from your her."

Sara hmm, continued: "So she tossed over so far to help me measure, and went back to personally help me make a wedding dresses, also personally brought the wedding dress to me to try on, on-site fine-tuning, before and after so long, and finally didn't take money, not a penny, said I am Auntie An's daughter-in-law, just like her own daughter-in-law."

Philip, who had not spoken, suddenly asked Sara very seriously, "Sara, you did not tell her about Marven, right?"

"No." Sara said, "She only mentioned her relationship with Auntie An's family, but didn't ask me about Marven."

Philip suddenly remembered something, slapped his thigh, and blurted out, "Oh no, we forgot an important thing!"

Sara's heart tightened and she hurriedly asked, "Dad, what's the important thing?"

Philip blurted out, "You made such a big noise at the concert today, if the An family sees it, they would know that Marven is still alive, and they would know that we have found him!"
