

The Amazing Son In-Law Chapter 3251-3260

Chapter 3251

Sara heard this, the whole person immediately tensed up, off the tongue: "Dad! I should not give Marven trouble, right?!"

Lenan then spoke: "I think the An family know that Marven is still alive, should not be a bad thing, his grandparents are still alive, and in the family, they are also in charge."

"If they know that Marven is still alive, they will only be happy, will never have any threat to Marven, maybe after they get acquainted with Marven, can bring more resources and opportunities to him."

Saying that, Lenan added: "Back a step, even if the An family has little affection for him, but after all, there is blood kinship, at most, they will not bother him, they certainly can not take the initiative to find trouble with Marven."

Philip thought about it, sighed with relief, nodded, and said, "That's true, Marven's apparent threat is the Su family, but the Su family is obviously no longer his rival."

Lenan asked, "Then you say, if the murderer of Brother Ye and Sister An knew that Marven is still alive, would he attack him?"

Philip shook his head, "I don't think so, if they wanted Marven's life, back then in Wrestrvel, they would have killed Marven together, after all, even big brother Ye didn't get rid of their poisonous hands, if they wanted to kill Marven, how could he be spared."

Lenan nodded slightly, aside Sara was slightly relieved, while she touched her heart, while fearful beyond measure said, "I'm really worried about what trouble this would bring to Marven After all, I did not discuss this with him in advance about this matter... .."

Philip smiled faintly and said, "In fact, it's okay, know that you two's marriage, is not only known to the Ye family and the An family."

"Other Orgeyon big families are also aware, even if you did not say this at the concert, the Ye family has long known about Marven's matter, Su family Zhiyu and her mother Liona must also know, as for the remaining two or three families, even now know, it is nothing, not a big deal."

"Right." Lenan spoke, "Even if they know that Marven is still alive, they also know who Marven really is, so I think it will have no effect."

"That's good." Sara sighed, "Just now Dad suddenly said a thing, I thought I was in big trouble"

Lenan touched her hand and said with a smile, "You don't have such a big psychological burden, this matter is not a good thing."

The first thing you need to do is to go to the U.S. to visit Natalie when you go on tour. If she knows about your concert today, she'll know that we've found Marven, so maybe she'll talk to Marven's grandmother about it. You may be able to meet with the An family."

"Meet with the An family?" Sara asked, "If Marven knows, will he not be angry with me?"

Lenan seriously said, "So you have to grasp the degree, you go to the United States, can only take the initiative to visit Natalie, as for the An family to see you, depends on whether Natalie will convey this information, if she conveyed this matter, then to the An family it is their initiative to see you, not your initiative to see them."

Sara asked in confusion, "But what am I going to say when I see the An family"

Lenan said, "Naturally, it's to help connect Marven with the An family. If he can get help from the An family, his future development will definitely get a huge boost, so he can get twice the result with half the effort. This will only be good for him."

Philip on the side said: "Sara, your mother is right, although Marven and the An family share blood, but they have not been in too much contact, plus Marven's mother has died, the An family and he have been estranged for many years."

"If you want them to re-establish their relationship in the future, the middle really needs a link, and you, naturally, are the best candidate for that link!"

"And this time Natalie look at the face of the An family, to make you a wedding dress, this in itself is a very good breakthrough opportunity, you go to the United States this time, by the way, to visit Natalie, everything will be naturally a waterfall."

Sara nodded with a sudden realization and said, "Okay Dad, I know."

.....

Chapter 3253

Sara is gone and Marven can not help but feel a little lonely.

At this time, the courtyard is silent, the weather is still a little cold, looking up at the moon and stars in the sky, more let him sigh.

He never imagined that Sara's concert would come to an end in this way, thinking back to those old photos of the concert, he was filled with emotion and shame deep inside.

Although he has lived a hard life over the years, but in the orphanage, with Leon's covert protection, he could actually be considered to be carefree, but the lack of all kinds of material conditions were a bit more difficult.

But he never thought before, he suffered these years, Sara and her family were sparing no effort to find his whereabouts.

This love alone, he has been very moved, do not know how to repay, not to mention, Sara's so many years to abide by the marriage contract with him, single-mindedly waiting for him nearly 20 years of deep love.

So, how can he return this love of the three members of the Gu family, has become a knot in the heart that can not be solved.

Because he simply can not think of any good way.

After all, he has been married for almost four years, never leaves Avella.

In Marven's heart sighing and sighing, Avella wrapped in cotton clothes, holding a down jacket, came out of the villa.

She came to his side, gently put the down jacket on his shoulders, and said, "Honey, why did you run outside and stand there? It's quite cold tonight."

Marven smiled and said, "It's a little stuffy inside, I wanted to come out for some fresh air."

Avella nodded and said, "Why don't we stop the floor heating in our house, it's already mid-March, there's no need to keep the heating on."

Marven said, "Let's not turn it off, it's easy to catch a cold in this season, so it's much better to turn on the heating in the house."

Avella also did not insist, but looked at him and asked with concern: "Honey, why do I feel as if you have something on your mind? Did you encounter any trouble?"

"No." Marven said against his will, "Around Qingming festival, there is a feng shui reading business to go to Orgeyon, a big family wants me to go over to help look at the feng shui of the ancestral graves, but it seems to be a bit tricky, I am thinking how to deal with it."

The reason why Marven said this, on the one hand, also do not want to make her think more, on the other hand, also wants to discuss with her in advance to take a precaution, to inform her about his own Qingming Festival things, before going to Orgeyon."

After saying these words, he did not feel complacent because of an excuse to kill two birds with one stone, on the contrary, he felt a trace of sadness in his heart.

Ever since he had obtained the Nine Mysterious Heavenly Scriptures, the relationship between him and Avella had been filled with more and more lies.

Although many of these lies were out of good intentions, the nature of the lies could not be concealed.

Chapter 3254

At this moment, when Avella heard that Marven was preparing to go to Orgeyon to read feng shui for others again, she did not suspect in her heart, but only asked him, "Honey, did you take the job of reading feng shui again?"

“Yes.” Marven said casually, “The money is quite a lot, so there is no reason to refuse.”

Saying that, Marven was afraid that Avella would repeat the same old tune, so he immediately added:

“And wife, you should also know that this group of rich people have their own circle, if you offend the people inside this circle, it is likely to be blocked by this circle, and may even be targeted by them, so I am also riding a tiger now, it is impossible to cut off all This area of business.”

Avella originally wanted to repeat the same old story, according to her idea, as long as her company gradually saw an upturn, Marven could gradually reduce the business of feng shui, as far as possible no longer touch this aspect of things.

But now hearing him say so, she put away her set of rhetoric and helplessly said, “Honey, then you must pay more attention to yourself.”

Marven smiled faintly and nodded, “Don’t worry wife, I will.”

She smiled gratefully and said, “It’s getting late, hurry up and go back to bed.”

“Okay!”

.....

Late at night, when Marven and Avella were cuddling and sleeping together, a woman walked out gingerly in the large courtyard of the Song family villa.

It was already 1:30 in the morning, but instead of sleeping, Nanako came to the courtyard alone, found a dry place, sat cross-legged in the courtyard, and looked up at the stars.

Sara’s concert was very shocking to her, with many details that she still hasn’t gotten over.

At the concert, she first saw her idol Sara’s infatuation and bravery, at that moment, she revered Sara more and more.

After the concert, she repeatedly pondered this matter, there is always an intuition, as if Sara in the scene of the object of confession, should be their long-time love of Marven.

However, she could not think of any clear clues to support her intuition.

She had learned about Marven’s background, but the specific information was not that detailed, only that Marven grew up as an orphan, grew up in the Wrestvel orphanage, and then joined the Wrestvel Xiao family.”

“This life experience seems very ordinary, and even with a few sympathetic tragic colors.

However, she could not figure out how exactly Marven grew from a superfluous son-in-law to the true Dragon Master Ye, who is respected by everyone in Wrestvel.”

“And even more so, how he could have such a strong strength and even have such a heavenly miracle medicine as the Rejuvenating Pill.

One is the Xiao family son-in-law, the other is the true dragon, these two images, simply a day and a place, so Nanako at this time is in a quandary, really can not think of the connection.

Just when she was puzzled, Warnia walked into the courtyard, slowly came to her, and asked with a smile, “Nanako, why are you still awake so late?”

Nanako looked back at her and smiled, “I couldn’t sleep, how about you, sister?”

Warnia shrugged her shoulders and returned the same smile, “Me too.”

Nanako smiled heartily and sighed, “Sister can’t sleep, it must be because of Marvin!”

Warnia was slightly stunned, then also smiled emotionally, “Hey, it seems that we both have the same reason for insomnia.”

Nanako nodded and said without any concealment, “I was thinking that the Prince Charming that Sara confessed her love for at the concert tonight, could it be him.”

Warnia’s eyes widened and she blurted out,

“I thought exactly the same as you! Although there is no evidence and I can’t think of any kind of possibility, but I have been suspecting this matter too!”

Nanako didn’t expect that Warnia had thought of it the same as her, and hurriedly said,

“Sister, you have been living in Wrestvel, and have known Marvin earlier, can you tell me what his past was like?”

Chapter 3255

Hearing Nanako’s question, Warnia seriously said, “I actually know very little about Master Ye’s past, I first met him last year in one of our family’s antique stores, at that time he was not very famous in Wrestvel, just a superfluous live-in son-in-law with a very low family status.”

Speaking of this, she turned her words and spoke, “But he was young, mastered a long lost antique restoration skill, this really shocked me very much, at that time I thought, this man must have some unknown story.”

Nanako nodded: “There are many shocking things about Marvin, but what I want to know most is his childhood!”

“For example, where exactly is he from, how did he become an orphan, was he abandoned by his parents after birth, or was he born without parents, or did he lose them at a certain point in time and that’s why he became an orphan.”

Warnia frowned and thought for half a day, shook her head, and said, "These honestly I'm not really sure about."

Nanako analyzed again: "Warnia sister look, Sara said her childhood friend, was missing when she was five or six years old, according to her age also considering Marven's age backward, that year he should be seven or eight years old, and Sara is from Orgeyon."

"So this has a very simple dialectical logic: if he is a native of Wrestvel, then he was young when he couldn't have had any interactions with Sara, so naturally he wasn't Sara's Prince Charming, which proves that our intuition was all wrong."

"But, by the same logic, if Marven is not a native of Wrestvel, then the possibility of this matter is greatly increased!"

"If he is really Sara's Prince Charming, then it proves that he should have been a native of Orgeyon when he was a child, and moreover, the time he came to Wrestvel should have been around seven or eight years old."

Warnia nodded with great agreement and said, "According to this, if he also happened to enter the orphanage when he was seven or eight years old, then the timeline would basically match."

"Right." Nanako said, "Sister, you have connections in Wrestvel, can you ask someone to check the records of the Wrestvel orphanage?"

Warnia thought about it and said, "Checking the records shouldn't be a big problem, but in case Master Ye knows that we are investigating him, will he have any misunderstanding about us?"

"After all, he also has a wide network of people in Wrestvel, I'm afraid that if I just find someone to check on my side, he will know about it on the other side."

"It is indeed so, " Nanako thought about it and busily said, "By the way, didn't you make a deal with Marven's wife to cooperate with her on some projects?"

"Right." Warnia nodded: "What's wrong?"

Nanako said, "Then you just need to find a chance to ask her when you meet her, how old Marven was when he entered the orphanage, as long as you ask cleverly, she should not be suspicious, that way, our suspicion will also be revealed!"

Warnia immediately agreed and said, "Then I'll ask Mrs. Ye to meet us at the group tomorrow to have a chat!"

After saying that, Warnia looked at Nanako again somewhat bewildered, and asked her, "But Nanako, what do you think the meaning of us doing this is?"

Nanako seriously said, "The meaning of this matter to me, because I love Marven unreservedly and deeply, so I can't control myself to want to know more about his past, I also know that this idea is very selfish, but I just can't control myself"

Warnia sighed quietly, murmured: "Who is not like this I also want to know, he repeatedly saved me in crisis, let my soul dreaming of Master Ye, in fact, what is the person" "

After saying that, she sounded much firmer and spoke, "Tomorrow I will try to ask for clues!"

.....

Chapter 3256

The next day, early morning.

Marven and Avella got up one after another, washed up, and went downstairs for breakfast.

According to the process of these days, Marven after breakfast, drives Avella to work, but the workplace may be uncertain, maybe to the company, may also be to the construction site of the Emgrand Group, or to Liona's old mansion.

However, Avella said excitedly to Marven after a busy work on the phone during the meal: "Honey! Miss Warnia of the Song family asked me to go to the Song Group to talk about project cooperation!"

Marven did not feel surprised, because Warnia had already expressed this intention very clearly yesterday.

In his opinion, the reason why Warnia did this was definitely that she wanted to help Avella start her own business to repay him for his help.

So, he didn't think much about it and asked her, "Then I'll send you to Song's Group after breakfast later, or should we go somewhere else?"

"To Song's Group!" Avella said without hesitation,

"Miss Song is now the chairman of Song Group, and she should be able to directly shoot this aspect of the project cooperation, so I have to hurry up and chat with her to see if we can land the cooperation as soon as possible."

Viola at the side couldn't help but exclaim: "Avella, you're going to cooperate with the Song Group now? Gosh! This is too powerful!"

Avella said, "Mom, I'm just going to talk to Miss Song to see if there's any possibility of cooperation."

Viola laughed: "If the president of such a big group takes the initiative to invite you to talk about cooperation, what else do you need to think about? It will definitely be a success! In this way, your company will go up another level."

Avella said, "We will only know this after talking with Miss Song."

Viola said without hesitation, “Don’t worry, Avella, this will definitely work. Don’t forget, Marven has shown the Song family feng shui, and Warnia came to our house personally to give a gift before! For the sake of Marven, how will she let you make a trip for nothing?”

When Viola’s words came out, Avella’s mood was a bit dark, she knew that Warnia wanted to cooperate with her because of her husband’s face, even the cooperation of the Emgrand Group before, it was Lori who gave it to her because of her husband’s face, which made her heart’s entrepreneurial enthusiasm more or less suffer a blow.

Marven saw that Avella was not right, smiled and comforted: “Wife, in fact, many businesses, are relying on others to help match the bridge to get, however, whether the business can do well and make the other party satisfied, or rely on own strength, I believe that in this regard, my wife’s ability is the top.”

Avella smiled gratefully and said seriously, “Thank you, husband

After eating, Marven drove and sent Avella to Song Group.

He, on the other hand, because he had an appointment with Zhiyu and Melba to have a meeting at the Emgrand Group, drove off alone and went there.

Avella was treated extremely well at Song’s Group.

Just after she mentioned her name to the receptionist, Warnia received the news and personally came down from her office to greet her, which made Avella a bit flattered.

After inviting Avella to her office, Warnia opened the door and took out the plans of several construction projects of the Song Group, and said to Avella:

“Mrs. Ye, these are the projects that we are preparing and will start soon, and the design plans for the civil construction stage have all been released, but the subsequent decoration design plans are still being tendered.”

“If Mrs. Ye is interested, these projects can be given to your company.”

Avella was shocked speechless because the total investment of these projects that Warnia brought out even exceeded fifteen billion.

According to the standard of the construction industry, the design cost of the overall architectural design generally accounts for about 3% of the total project cost, while the cost of the interior decoration design generally accounts for 1.5% or less of the total project cost.

If this ratio is followed, the design fee for the interior decoration of these projects alone is more than 200 million.

If you get the construction also, the profit doubled more than that!

However, Avella knows very well in her heart that with her current strength and ability, it is impossible for her to cooperate with the Song Group on projects with a total investment of tens of billions of dollars in one breath.

The overall strength of her company now is far from the scale of a large design company, plus she still has the project of the Emgrand Group on hand, so the energy she can spare is even more limited.

Warnia took out this tens of billions of projects, Avella estimated that she could at most eat one-fifth of it.

However, even one-fifth. It is also a very large piece of cake.

The design fee alone is almost forty million.

While Avella was excited about this, Warnia, who was opposite her, was thinking. But how to lead the topic to Marven, and do not let Avella have any suspicion, ask the questions that they want to ask.

So, she asked her: "Mrs. Ye, do you think your company can cooperate with Song's group in these projects?"

Avella seriously said, "Miss Song. Our company can do all these projects, but I'm just a little bit unsure, are these projects of yours going to start at the same time?"

Warnia explained, "Basically, all these projects have been prepared and launched one after another, but for so many projects, the timeline should be stretched to half a year or even a year for each."

"So that it will be easier for you to arrange your time and energy reasonably, otherwise, if all these projects are concentrated in a very intensive period of time, I am afraid that you will also be affected. Otherwise, if all these projects are concentrated in a very intensive period of time, I am afraid that you will not be able to cope with it."

What Avella was originally worried about was that her company did not have enough manpower and energy to eat so many cooperation projects in one bite, but if, according to Warnia, these projects would be launched one after another within half a year to one year, then she would have enough time to line up her troops.

In this way, it may not be impossible to take all these projects or take over a large part of them.

So, she asked Warnia: "Miss Song. Are you going to take all of these projects to work with us?"

"Yes." Warnia said very generously, "As long as you are interested, Mrs. Ye, all the projects can be given to your company, if you can do it yourself, well and good; if you can't do it yourself, then you can completely subcontract it to others, and then you can earn a price difference from the middle."

Avella really did not expect that Warnia would be so generous. In the past, for this kind of project, every B-party company would have to scramble for a share. Just like her parent's group in the past."

“In order to get the 30,000 projects of the Emgrand Group, the whole family had to hold a mobilization meeting, and all of them still had no hope deep inside.

However, Warnia directly sent such a large share to Avella, which made her a little bit back to her mind, after all, this is no longer a pie from the sky, this is a diamond from the sky.

Chapter 3258

So. Avella was a little overwhelmed and asked, “Miss Song, this big gift of yours is too heavy, I I am really embarrassed to.....”

Warnia laughed: “Mrs. Ye you and I must not be so polite, Master Ye has helped our family many times and even saved my life, my grandfather and I owe him many favors. So as long as you feel okay with these projects, Mrs. Ye, I can leave them all to you.”

Avella was astonished and asked, “Miss Song, you said my husband saved your life? How come I’ve never heard him mention it before.”

Warnia explained, “It’s like this, when I listened to a con man from Hong Kong, I accidentally turned my home’s feng shui into a trapped dragon formation, and almost had a big accident, thanks to Master Ye’s advice I was able to turn the danger into a success”

It was because of her own bad luck, by the fake Hong Kong master’s deception. Then, she told Avella the story of how the fakeness was detected by Marven, and finally, how he helped her to break the Dragon Trap Formation.

Avella listened dumbfounded. She originally thought that her husband’s so-called feng shui set, more or less had deceptive meaning.

But now, after listening to Warnia’s introduction, she understood. It turns out that Marven’s set of things is not just a false head but really has a practical effect.

So, she also couldn’t help but sigh: “Before, I was especially worried that the nature of my husband’s feng shui reading for others was a kind of a scam, afraid that those people would come back and look for him again, but now after hearing you say so, I’m much more relieved.”

Warnia smiled and said very seriously, “There is a big difference between Master Ye and those charlatans, he has real talent, and that is why everyone holds him in high esteem.”

Speaking of this, Warnia’s eyes flashed with a hint of essence and said with a smile, “By the way, Mrs. Ye. I’ve always been curious, what exactly is Master Ye’s origin and mastery, how could he be so young and proficient in so many profound and mysterious skills?”

Avella seriously replied, “I’m not going to lie to you Miss Song, my husband, he doesn’t have any mastery as far as I know. I don’t think the orphanage would have taught him this, and I’m not sure where he learned these skills from.”

Warnia immediately asked: “Mrs. Ye, you said that Master Ye lost his parents at a very early age, so it is possible that his skills were passed on to him by his parents before he lost them, and if he is a natural talent, it is not impossible to learn something at a young age.”

Avella, who knew the meaning of Warnia’s words, said stupidly: “But Marven had just turned eight when he entered the orphanage. An eight-year-old child, even if he is talented, can’t have learned any profound skills.”

“Eight years old?!” Warnia’s heart was appalled and asked offhand, “Master Ye really entered the orphanage when he was eight years old?”

“Yes.” Avella nodded with certainty and said, “This is something he has told me many times before.”

“According to him, his parents met with an accident when he was eight years old, and he had no other relatives in the world, so he was adopted by the orphanage until he became an adult.”

Warnia recalled the various details that Nanako analyzed last night and exclaimed in her heart,

“Now, the time Master Ye entered the orphanage and the time when Sara started looking for her Prince Charming almost exactly coincide, then this is more proof that Master Ye is that Prince Charming of Sara!”

“This likewise proves that Master Ye is not from Wrestvel at all, but from Orgeyon!”

“More importantly, Sara is not just a star, many people know that her family background is very strong, the Gu family can be ranked in the top five in China! And is the only daughter of Philip Gu, chairman of the Gu Group!”

“Master Ye can set up a marriage contract with a rich woman like Sara from a young age, which only proves that he himself is also from a famous family after all!”

“And if you look at the country, there are not many big families in total that can match the Gu family, and within Orgeyon, there are even fewer such big families, only the Su family, and the Ye family”

Thinking of this, Warnia’s heart thumped, and the question deep within her heart gradually became clear: “Ye family?! Master Ye?! Could it be that”

Chapter 3259

What made Warnia realize that something was not quite right was that after all these clues were cleared and all of them matched with Marven, Marven’s surname was like the last piece of evidence that locked all the clues, making her no longer have any doubts about her own guesses.

She thought to herself, “So it seems that Master Ye must be the young master of the Ye family in Orgeyon, and the Ye family must have been very good friends with the Gu family back then, so when the two children were still young, they had already set up a marriage, but in the middle of this Master Ye had some changes so that he fell into Wrestvel and became an orphan!”

At this thought, she had mixed feelings deep inside her heart.

Before, she felt that Marven had grassroots origin, but with his own ability he successfully reversed the model, and it is based on this point, deep inside her heart has always felt that she is not inferior to Marven in front of him in every way.

At least, her own origin is better than his, born with a higher social rank than him.

Warnia did not have any intention of looking down on him, she just used this view to cheer herself up and make herself feel that she was not out of reach with Marven.

But now she realized that her own origin was not only not better than Marven's, on the contrary, it was simply a hundred thousand miles worse than his.

Orgeyon Ye family's overall strength is at least more than ten times stronger than the Song family!

If the base is small, ten times, it does not seem to be too big a gap, but if the base is large enough, the gap is simply frightening.

To use a simple analogy, one child has a lollipop in his hand, while another child has ten lollipops in his hand, this tenfold gap is nothing, parents only need to come up with a few dollars to help their children catch up.

But if it's your family that has one suite in the local area, and another person has ten suites in the local area, the gap is too big for many people to overcome.

What's more, here we are talking about a hundred billion level assets, and the gap with trillion level assets is simply more than an order of magnitude worse.

It was also at this moment that Warnia's deep-seated inferiority complex reached its peak, and now she felt that she had a huge gap with Marven everywhere and that she had almost no hope with him.

At this time, Avella, did not know Warnia's inner changes, she saw her did not speak again, and thought Warnia was not interested in her husband's topic, she could not help but sigh:

"In fact, Marven really suffered a lot in the past, he lived in the orphanage until he was 18 years old, and then he came out to work to earn money, and he did all the dirty work, and the money he earned from working, leaving some for self, almost rest of it was donated to the orphanage to help the younger siblings there."

Warnia nodded gently, could not help but feel emotion: "To be honest, I really admire Master Ye, with such a background, he can still silently eat so much suffering"

As soon as Warnia spoke, she immediately regretted it.

She could see that Avella did not know Marven's true identity at all, so she was afraid that the sentiment she had just said would make Avella discover the end.

Chapter 3260

But Avella didn't even think about it.

She thought that Warnia had spoken out of turn and hurriedly said, "In fact, the reason why Marven suffered so much was that he came from such a poor background and lost his parents at a very early age.

Realizing that Avella didn't notice her mistake, Warnia hurriedly nodded and agreed, "Mrs. Ye you are right, I was the one who said it wrong."

After saying that, she hurriedly picked up the documents, selected three project plans from them, handed them to Avella, and said with a smile,

"Mrs. Ye, you can go back and take a good look at these three projects, these are the first projects we are ready to start right now, if there are no problems on your side, we can sign the cooperation agreement first."

Avella nodded and said, "Okay, Miss Song, I'll take these materials back, read through them carefully today, and then think about a feasibility plan, and then we'll communicate in detail!"

"No problem!" Warnia took out her business card and handed it to Avella and said, "Mrs. Ye, this has my contact information, you can contact me at any time if it's convenient for you."

"Okay!" Avella stood up and said, "In that case, I will not disturb Miss Song's work, we will contact by phone if there are any problems."

"OK!" Warnia took the initiative to extend a hand to her and said, "Happy cooperation!"

Avella nodded: "Happy cooperation!"

Warnia also stood up and smiled, "Let's go, I'll walk you out."

She sent Avella out of her office, and after saying goodbye to her, she immediately went back to her office, took out her cell phone, and made a call to Nanako.

At this moment, Nanako was waiting for Warnia's feedback at the Song family villa, because she knew that Warnia was going to meet Avella this morning, so she also expected her to be able to get some useful key information out of Avella's mouth.

Therefore, as soon as the call came in, she immediately picked up and asked, "How is sister warnia?"

Warnia said directly to the point: "Nanako, I suspect that Master Ye is, with 90% to 100% confidence, the young master of the Ye family in Orgeyon!"

Saying that, she then repeated the conversation she had had with Avella just now to Nanako.

"Orgeyon Ye family?!"

After hearing what she said, Nanako was as if struck by lightning.

Some time ago, both the Su family and the Ye family had approached the Ito family, hoping to start an ocean shipping cooperation with them, so Nanako knew both the Ye family and the Su family better.

She knows that the Ye family's strength has almost reached the tip of the pyramid in China, and the Su family was slightly stronger than the Ye family in the past, but now the Su family has divested the entire ocean shipping group to Zhiyu.

So the overall strength of the Su family at present is probably on par with the Ye family, and may even have been vaguely exceeded by the Ye family.

If Marven was the young master of the Ye family, that would also mean that he was actually a direct blood relative of a top Chinese family, which was far from his original orphan background.
