

The Amazing Son In-Law Chapter 3281-3290

Chapter 3281

Ten minutes later, Robin had already picked out who would participate in this roundabout strike.

This time, he decided to lead a thousand elites from the Front to outflank Hamid's front-sloping fortifications from the valley on the left flank.

He left half an hour of preparation time for these 1,000 elites, telling them to carry all their weapons and equipment during this time, and strive to take out all of Hamid's base in one go.

At the same time, Suhang, China.

Outside the Su family villa, eight black extended bulletproof Rolls-Royces, slowly came and parked neatly in front of the villa.

From the first car in the front of the line came down a young man in his twenties, sturdy, with an inch haircut, this person opened the door, got out of the car, walking posture are very straight and tough, the look has undergone intense professional training.

This man came to the gate of the Su family residence and said to the guard outside the gate with a cold face, "Please inform Mr. Su that our temple master wants to see him."

When the Su family's guards saw so many luxury cars coming, they were immediately wary.

The other party did not speak very politely, so they might be looking for trouble, so he hurriedly said, "May I also ask what is the name of your master? I can also inform him."

The man said coldly: "You are not worthy to know the name of our master, tell your master to think about the identity of our master, and after our temple master meets him, he will naturally tell him."

The guard was very unhappy with his attitude, but seeing that the other party was not small, he did not dare to provoke, so he could only speak: "Then you wait for a moment, I will go to inform."

After saying that, he turned around and immediately reported the situation to Anson, the Su family's butler.

Anson knew the most about Mr. Su's daily dynamics, including whether he was going out or not, or whether there were any important guests visiting him today, he knew all of this.

Anson knows very well that today Mr. Su has no plans to go out, nor does he have any plans to meet guests at home, so the fact that eight Rolls Royce came at once and asked to see him is really something strange.

So he hurriedly informed the family's servants and bodyguards to stand by, and at the same time hurriedly invited the Su family's strongest expert, Moby, to accompany him to meet the owner of the eight Rolls-Royces outside.

After hearing about it, Moby also attached great importance to it and immediately came to the door together with Anson.

At this time outside the gate, eight Rolls-Royce neatly parked in a row are not turned off, in addition to the person who came down to negotiate, the other people in the car also did not come down, each car is pasted with a very low light transmission rate of privacy film.

What's even more ridiculous is that these cars do not have license plates, only in the license plate position, hanging a gold metal plate, and this metal plate is actually carved with a dragon!

Anson was also baffled and could not understand what these people had come from, so he asked Moby in a low voice: "Moby, do you see the dragon plate hanging in front of their car, is it gold?"

Moby mused, "Looking at the color, it should be pure gold."

Anson whispered, "Fck, no license plate on the road, hanging pure gold dragon plate, these people are so fcuk!ng arrogant don't know what they are from"

Moby seriously said, "What is the origin, go up to explore, we will know."

After saying that, he stepped in front and asked, "Who wants to see my master?"

The young man who stepped down from the Rolls-Royce before said in a cold voice: "It's our master who wants to see Mr. Su."

After saying that, he scolded with some dissatisfaction, "Our Temple Master's time is very precious, we have just waited for two minutes, if you don't invite our Master in within three minutes, don't blame us for not giving the Su family a chance!"

Chapter 3282

Anson was annoyed, cursing in his heart: "Fck, what kind of bullshit temple master appeared from nowhere, driving eight Rolls Royce?"

"Our Su family is still the number one family in the whole country, your temple master is more powerful, can he be more powerful than our master?"

Thinking of this, Anson responded in an unkind tone, "There are many people who want to see our master every day, you have to announce yourself first, let me know who exactly wants to see our master, and then our master will decide whether to spare precious time to see you, otherwise you still think that our master will see everyone?"

"Declare yourself?" The young man sneered, "You're just a subordinate, you're not qualified to know the identity of our temple master yet!"

Anson felt greatly insulted and said angrily, "I'm a fcuk!ng subordinate, and you're not a fcuk!ng subordinate? We are all subordinates, what qualifies you to have to talk to me like that?!"

The young man rushed to Anson with great speed, and when Anson didn't react at all, he directly grabbed him by the neck and picked him up, sternly saying, "Listen carefully, I am a subordinate of our Hall Master, one of the Four War Commanders, not some subordinate!"

Anson didn't expect that the other party would dare to make a move with him outside the Su family's gate, so he was furious and cursed, "You're looking for death here! Come on, grab him for me!"

As soon as these words came out, a group of bodyguards and guards around him, even Tom from the He family and other members of the He family, were all ready to fight.

But at this time, Moby suddenly came forward with a grave face and said politely: "Little brother, don't be so angry, Anshun is a senior housekeeper in the Su family, and he is used to being a bit arrogant, so please don't cross with a subordinate for the sake of the Su family"

When Anson heard Moby say this, he was immediately confused and said, "Moby, you are turning your elbow outward."

Moby interrupted him with a hand and glared at him again, then said to the young man, "Little brother, since the temple master wants to see our master, then please wait a moment, I will go and inform the master now, what do you think?"

The young man heard this before he let go of Anson and said in a cold voice, "Better hurry up, you only have two minutes left!"

Moby hurriedly nodded his head and said, "Okay! I will do it as soon as possible!"

After saying that, he immediately said to Anson who had an angry face, "Anson, come with me to see the master!"

Anson was naturally very upset when he was insulted in front of the subordinates of the Su family.

He still wanted to argue with the young man, but when he heard Moby say so, he didn't dare to disobey, so he could only follow him into the courtyard with resentment.

Once he entered the courtyard, Anson said in a depressed voice: "Moby, I don't mean to offend you, but you are really too ungrateful, you just didn't help me in that situation, why did you stop me? And you even spoke to that little son of a b!tch, that's not polite, right?"

Moby lowered his voice and said, "I'm not stopping you, I'm saving you! Do you know that just now, that kid is far above me in strength!"

"What?!" Anson's face was pale with fear, and he said: "This how is this possible Moby! Just that little palsy-faced kid, the strength can be above you!"

"If you look at the whole country, there are not many people who can compare with you, except for that old man of the He family who just broke through, who can be stronger than you?"

Anson was instinctively unconvinced by Moby's words.

The other party didn't even know what he was from, just a random junior who came down with a message, and his strength would be above Moby's? What kind of international joke is that?

However, Moby said very firmly, "That person's speed, strength, and body strength are all above me!"

Saying that, he explained with a grave expression, "Just now, he grabbed your collar and lifted you up, the whole process was so fast that I couldn't even react!"

"Moreover, the strength of his arms was so great that he grabbed your whole body, and you struggled so violently to get free, but his whole body didn't move at all!"

"You remember, to be able to grab you is not strong, grab you, so that you can not break free is not strong, but to be able to stand and not move no matter how you break free, not even a millimeter of displacement, this is very strong!"

"Even Tom level of experts here, let alone let him grab an adult, even if he grabs an adult dog, he can not stand still in the violent struggle of the dog to break free! I can't either!"

"So, that young man's skills are unfathomable and very good!"

Chapter 3283

Moby's words made Anson's heart, suddenly tense up.

He couldn't think about how to get back his reputation, but hurriedly asked, "Moby, if this person's strength is really above you, if they have any evil intentions, then what should we do?"

He said calmly, "If the other party really has bad intentions, then they may have already done it, you have to know that they came in a total of eight cars."

"The only one who came down, has strength is above me, those who did not get off, maybe the strength is even stronger than him, in this case, we simply can not beat others."

Anson's neck shrank in fear and he hurriedly asked, "So now is it time to go and let the master make a decision?"

Moby said, "I feel that the other party should not have malicious intent, otherwise they would not communicate in this way, it seems that we have to let the master meet that so-called temple master of theirs"

At this time, Old Su did not know what was happening outside.

This time he is not in a good state, because in the hands of Marven he has suffered a lot of losses, not to mention the ruined reputation, two sons also disappeared, and gave a large piece of the industry to Zhiyu, a succession of blows, so he is very decadent.

He has been trying to find an opportunity to turn the tide, but when he thought of the mysterious expert's superior strength, he could not even find out the other party's identity, he felt deeply frustrated.

At this time, Moby and Anson suddenly told him about the situation outside, which made him even more annoyed in his heart.

However, after hearing that the other party was very strong, he didn't dare to be slow.

So then, he could only fight his spirits and said to Anson, "Anson, go and ask that Temple Master of theirs to come in, I'll wait here."

"Okay." Anson nodded hastily, turned around and went back to the main gate, and said to the young man, "Our master has agreed to see your Temple Master, please ask him to come with me."

The young man did not say anything, but turned around and went to the fifth car.

At that moment, the car window was slightly lowered into a slit, so he bent down and whispered a few words into the slit.

Afterward, he heard the person inside command something and immediately stood up straight, gestured with a hefty salute, and shouted, "As you command, Temple Master!"

After saying that, he immediately shouted, "All of you, gather!"

As soon as these words came out, the four doors of the other seven cars all opened at the same time, and all at once, another two dozen men in black came down.

Subsequently, each of these men walked outward three meters and surrounded the eight cars, guarding the fifth car.

At that moment, the door of the fifth car was pushed open.

A young man wearing a black trench coat and tactical leather boots stepped down.

This man has a handsome appearance, a cold demeanor, and a pair of dark eyes full of murderous aura, which can bring a strong sense of oppression to the people around him in an instant.

When this man stood outside the car, the group of people immediately said respectfully, "Welcome Temple Master!"

The man did not respond, but walked straight toward the Su family villa gate, while walking, with a few playful said:

"The Su family's head ran away from Eastcliff to Suhang, it seems that the family's troubles are not small, right!"

Hearing these words, Anson was very upset in his heart, but at this moment, he didn't dare to speak nonsense, and could only say respectfully, "The master is already waiting in the living room, please follow me."

The man did not even look at him and walked straight into the villa door.

Chapter 3284

Crossing the courtyard and arriving at the front door, Anson ran a few steps ahead and respectfully opened the door.

The man stepped on the hard tactical leather boots all the way through the foyer, and then saw Old Su sitting in the living room.

At this time Moby standing by Old Su just took one look at the man and was filled with horror!

He felt that the aura on this man's body was definitely the only one he had ever seen in his life!

Maybe even a four-star martial artist might not be his opponent!

So, he could not help but exclaim in his heart: "What is this guy's origin? So young, why does he have such great strength?!"

Elder Su also did not expect that the so-called Temple Master that the other party spoke of was a young man of twenty-seven or twenty-eight, so he frowned and asked, "You young friend, I wonder why you want to see me?"

The man looked at Elder Su, smiled, and spoke, "Grandpa, you don't remember me?"

Chengfeng couldn't help but frown, thinking, "Could this guy be some kind of an old friend?"

However, no matter how he looked at it, he could not recall any interactions between this young man and himself.

So, he opened his mouth and said, "Forgive my clumsy eyes, I really can't remember"

The man smiled faintly and said, "More than twenty years ago, my father was very close to Uncle Su, and at that time, Uncle Su led the anti-Ye alliance, or my father was the first to respond."

Speaking of which, he said with a somewhat dark expression, "It's just a pity that he didn't listen to Uncle Su's advice at the time and had to fight with Changying of the Ye family in the futures market, and ended up falling into Changying's carefully laid out trap because he was too adventurous and lost his entire family fortune"

"Then later, he leaped from the roof of the headquarters building of the Future Group, the Future Group since then fell to ashes."

"Seven days later, my mother took a full bottle of sleeping pills and died with him, I have been an orphan since then, was taken overseas by a relative"

Chengfeng heard this, suddenly widened his eyes, and said offhand: "Future Group you your father is Arthur Wan?!"

"Yes!" The man's eyes suddenly burst out two sharp auras and said in a stern voice: "I am Arthur Wan's son! And also his only bloodline in this world, Joseph!"

Hearing this, Chengfeng was completely relieved.

He didn't know much about Joseph, he only had some impression of his father, Arthur Wan.

In his heart, he thought, "Thirty years ago, when Arthur was saddling up to Zynn every day, he concluded that that guy Arthur would hardly become a great weapon."

"This person's ability was not outstanding, not thoughtful enough, and lacked the understanding of the big picture, if not Zynn thought he was loyal, it was impossible to bring him up all the way."

"Arthur later couldn't make a market value of ten billion Future's group, but also thanks to the Zynn even dragged the promotion help."

"But this guy, still did not show much progress, after the Su family and the Ye family fought, he in order to show loyalty, dared to fight with Changying in the futures market, and ended up losing a fortune."

"At that time, Arthur Wan's funeral was presided over by Zynn, but what I didn't expect was that Arthur Wan's wife took medicine to commit suicide, immediately following him."

"At that time, Zynn felt really very guilty, also talked to me about, wanting to adopt Arthur's only son, Joseph"

"Only, unfortunately, Joseph after that, directly evaporated, no one knew where the child went."

"But who would have thought that twenty years later, this kid actually took the initiative to find me!"

"Moreover, listening to that meaning of Moby, this guy seems to come from not small, one of his men, the strength is far above Moby!"

"Gosh this boy, is now mixing well?"

Chapter 3285

At this thought, Chengfeng's heart suddenly became excited.

"It seems that this boy Joseph is not an enemy, but even a friend!"

"This, is simply the silver lining in the dark cloud!"

"Other than that, just to say that this kid has experts under his hand who are stronger than Moby, maybe he can help me a lot!"

So, he suppressed his inner joy and said with incomparable emotion, "So you're Arthur's son! I can't imagine, I can't imagine! You've grown so big!"

Speaking of this, his expression suddenly darkened, and sighed, "I still remember when your mother had an accident, your Uncle Su was determined to adopt you."

"But at that time, you had already disappeared, he searched for you for a long time, there was no news, and blamed himself for this for a long time."

"Yes." Joseph nodded and said lightly, "A relative of the family picked me up overseas at that time I was too young and did not know how to contact Uncle Su."

Chengfeng nodded slightly and sighed, "Zynn must be very happy if he knew you were still alive!"

After saying that, he hurriedly asked again, "Joseph, what have you been doing overseas, all these years?"

Joseph spoke, "I lived in Colombia for many years, and then I ran around the world."

"Colombia?" Chengfeng asked in surprise, "Are you looking after a business in Colombia now?"

"No." Joseph said with his head held high: "When I was fourteen years old, I joined a mercenary army in Colombia and served the big drug lords there in the early years, and then I came out to start my own business."

Chengfeng asked in surprise, "You also do that kind of business?"

Joseph shook his head and said in a cold voice: "I will never touch that kind of thing in my life, the self-made business I am talking about is the establishment of my own mercenary organization."

Saying that, he looked with full pride and said, "Eight years ago, I set up my own mercenary organization, with the name of Cataclysmic Front, as a way to remember my parents, but also to constantly remind me that I must take revenge for my parents! "

When these words came out, Moby was immediately stunned!

He looked at Joseph and asked, his voice trembling a little, "Cataclysmic Front is yours?!"

"That's right!" Joseph coldly said: "Cataclysmic Front is my creation, eight years, my elite force under my command has reached tens of thousands! And it is also ranked as one of the top five mercenary organizations in the world!"

After saying that, he said in a loud voice with some excitement, "For so many years, I have never been back to China, and I came back this time to take revenge for my dead parents and seek justice for them!"

Chengfeng did not know about the Cataclysmic Front.

Because although the rich and powerful people in China are very rich, but they will not have anything to do with the mercenary organization.

The mercenary organizations were all in regions that were always at war, and many of them were in the third world, so they were completely different from the rich people like Chengfeng, so he didn't know how powerful the Cataclysmic Front was.

However, since the Front has more powerful experts than Moby, and is still one of the top five in the world, it is not necessary to think about it to know that it is definitely not an idle person!

Moreover, the most exciting thing for him is that Joseph is here to seek revenge!

Who to seek revenge? Naturally, the Ye family!

And he has become the leader of the world's top five mercenary organizations, that Changying Ye died, he could possibly not know about it.

He knows that Changying is dead, but he still wants to seek revenge in the country, looking at this meaning, he intends to make the Ye family pay!

Since it is to engage the Ye family, then is this not equal to give him help in disguise?

So, Chengfeng said with surprise at this time: "Great! It's really great! Arthur his spirit in heaven, know that you came back to avenge him, must be smiling in nine springs! He must be smiling in his nine corners of the earth!"

Joseph's eyes were a little red, he held back his tears, looked at Chengfeng, and asked, "Grandpa, where is my Uncle Su at this moment? For so many years, I've wanted to apologize to him in person, he was so kind to our family."

"But when I left, I didn't say hello to him, and I haven't taken the initiative to contact him for so many years, I'm really ashamed! Must apologize to him in person!"

Chapter 3286

Chengfeng froze, then let out a long sigh and stifled, "Ah! Zynn he has been missing for a long time!"

"What?! Disappeared?" Joseph asked in surprise: "Uncle Su he how did he disappear?!"

Chengfeng lamented: "I do not know, only know that he disappeared in Wrestvel, I investigated for a long time did not find any valuable clues, and the mastermind behind this matter is someone with a superb strength of the top experts, I thought of many ways to find out the truth, but there is nothing

"

Speaking of which, Chengfeng took a long sigh, full of sorrow!

Wan Joseph did not hesitate to say off the record: "This matter let me deal it, I must find out the whereabouts of Uncle, save him back!"

To Joseph, he was only grateful to Zynn.

Because he heard his father say when he was a child, the Su family's old man actually always despised his father.

However, Zynn had always been very good to him.

Because of Zynn's support and help, the Wan family was able to increase its assets by more than ten times in just a few years.

It could be said that Zynn was the benefactor of his father, Arthur, and even the entire Wan family.

Therefore, when Joseph came, he was not polite to Chengfeng, nor did he want to be polite to him.

Moreover, he had been following the Su family's situation overseas before.

Knowing that before, Zynn was once forced to cover for Chengfeng because of Ruoli's matter, and was even sent to Australia by old man, so he had a very bad view of him.

Now when he heard that Zynn had disappeared, he was naturally anxious from the bottom of his heart, and almost immediately wanted to order his men to go to Wrestvel to find out what was going on.

However, once he thought that there was still an important thing to do, he temporarily restrained his impulse.

Then, he looked at Elder Su and suddenly knelt down on one knee and said ashamedly, "Grandpa, Uncle treated my family as kindly as a mountain back then, now that he is missing, I should spare no efforts to find his whereabouts"

"It's just that right now I have something to do that I've been waiting for twenty years"

"So also please give me some time, when the Qingming festival is over, I will definitely mobilize all the experts of the Cataclysmic Front to search for Uncle with all my might!"

Chengfeng asked in confusion, "Joseph, what is the important thing you are talking about?"

Joseph said with sharp eyes and a cold tone, "Avenge my parents! Avenge the hatred!"

After saying that, he said in a stern voice: "I heard that the Ye family just rebuilt the ancestral tomb some time ago, and even developed a mountain directly for the feng shui of the ancestral tomb, named Yeling Mountain, and will hold some kind of ancestor worship ceremony there this year at Qingming!"

"That's right." When Chengfeng heard this, his eyelids instantly jumped wildly, and he said, "The Ye family spent a lot of money to build the Yeling Mountain, and it has long been a sensation in the capital, and it is said that a top feng shui master was found to sit in the Yeling Mountain for three years, which is really high-profile!"

Joseph gritted his teeth and said, "But when my father left, the ashes could only be perched in a cemetery on the outskirts I remember, the cemetery, Uncle Su paid for my father's "

Chengfeng nodded, emotionally: "After your mother died of medication, it was also your Uncle who dealt with her affairs, her ashes, and your father's were buried together, your Uncle spent a lot of money, bought a large place in the cemetery, to both of them rebuilt the grave mound."

Joseph heard this, the whole person has tears, he clenched his teeth, clenched his fist, the whole body trembled violently.

A few moments later, Joseph said with great hatred: "My parents died one after another, and the culprit, Changyang Ye, is lying on Yeling Mountain, a feng shui treasure! I, Joseph, do not accept this! And I won't allow it! Therefore, on the day of Chingming, I will lead my men to kill on Yeling Mountain!"

"I will strip Changyang's coffin from the Ye family's ancestral tomb in front of the Ye family!"

"I will strip the entire Ye family's ancestral tomb! And then let the whole family give up Yeling Mountain and change its name to Wanrest Mountain!"

"I also want everyone in the Ye family to wear mourning clothes and kneel on the ground to welcome my parents' coffin into Mount Wanling and give them a beautiful and respectful burial!"

Chapter 3287

Joseph's ambition immediately made Chengfeng extremely excited.

Even he would not dare to do such an outrageous thing to the Ye family.

Think about it, if in this top luxury circle, someone has stripped the ancestral graves of another family, and also raised the ashes of others, and finally to hog the ancestral graves of others, is there any law?

And if you really do such a vicious thing, how to mix in this circle in the future? Who will cooperate with such a person?

After all, this is a beast that does not move to plow people's ancestral graves.

However, although Chengfeng also felt that the revenge plan of Joseph was a bit shocking, but once he thought that the target of his revenge was the Ye family, he was so excited that he almost roared out.

"Now someone is going to dig up the ancestral grave of the Ye family and then force that old dog Zhongquan to wear sackcloth and mourn to bury Arthur, is there anything more enjoyable in this world than this?"

"No more, absolutely no more!"

"If this can really become a reality, then the Ye family is completely finished, what qualifications does a family that can't even guard its ancestral tomb have to come out and make a fool of itself?"

"What else will there be in the future that will put them in their eyes?"

When he thought of this, Chengfeng stepped forward and held Joseph, who was kneeling on one knee, and said with excitement, "Joseph! If you really want to do this, I will help you to get justice for your parents!"

Joseph shook his head and said seriously, "I want to personally avenge my parents' death, Grandpa you don't need to interfere!"

Hearing these words, Chengfeng was even more pleased with him.

He actually did not want to get involved in this kind of thing, because once he did, he would have to take the blame along with Joseph.

The company is a mercenary and does not mix with the rich and powerful circle in the country, so he does not have to care, how people in the circle see him.

What's more important is that Joseph is at least famous, after all, he wants to avenge his parents.

But if the Su family is also involved in this matter, then it is a master without a name.

Since the person committing this has no name in the circle, it will naturally fall into no one's lap, Chengfeng also does not want to be involved in such trouble.

So, he waved his hand and said quickly: "You want to avenge your parents with your own ability. This I understand very well, but, after all, yours is a mercenary organization outside the country, if there are any problems that are not easy to handle at home, feel free to contact me!"

"Good." Joseph answered, said with a resolute gaze: "Please rest assured that Grandpa, after I have eliminated the Ye family, I will do my best to find Uncle's whereabouts!"

"Back then, my parents' funeral was organized thanks to Uncle, and when my parents' tomb is moved to Yeling Mountain, I also hope that Uncle could be present to be a witness!"

"Good! Good! Good!" Chengfeng said with great emotion, "If Zynn knew that you had achieved this today and could return to your country to avenge your parents' death, he would be overjoyed!"

"You do not know, for so many years, Zynn was overwhelmed by the death of your parents he felt hard to be at peace, I do not know how many times in front of me he mentioned this"

Joseph clenched his fist: "I will not let Uncle disappointed!"

Chapter 3288

After saying that, Joseph stood up and said with an arch hand, "Grandpa, please forgive me for disturbing you today, I just returned to China, there are still many things to deal with, so I won't bother you much!"

Chengfeng hurriedly said, "Joseph! You've just returned to China after such a long time, so I must give you a chance to celebrate your return, so you and your men wait for a moment, I'll arrange for the back kitchen to prepare a banquet, let's have a good drink and catch up."

Hearing this, since the elder had already extended an invitation, and this old man was also Uncle's father, he also felt that if he did not stay for a meal before leaving, it would be unjustifiable in terms of etiquette.

So, he immediately clasped his fist and said, "Since that's the case, then I'll respectfully comply with the order!"

Chengfeng was overjoyed and hurriedly instructed Anson, "Anson! If you don't have enough staff, go to the best restaurant in Suhang and invite the entire back kitchen over, make sure to prepare the best dishes and the best wine."

"If there is even a hint of failure to meet the top standard, I will ask you!"

Anson hurriedly said respectfully, "Master, don't worry, I'm on my way now!"

Chengfeng nodded and said to Joseph, "Joseph, let your men come in for a rest and a cup of tea, and if you need anything, tell the servants directly, they will serve you well."

"I'm old, my health is not good, I need to take some medicine and oxygen at this time, so I can build up some energy and have a few more drinks with you at the wine table later!"

Chengfeng's warm and hospitable attitude also raised Joseph's impression of him by a few points, and he nodded with some respect in his words, "Grandpa, you go first, I'll just sit here."

Chengfeng smiled and nodded, then said to Moby beside him, "Moby, you should accompany me to my room."

Moby hurriedly said, "Yes, Master, I'll help you!"

In fact, Chengfeng didn't need to take any medicine or oxygen at all.

The main reason why he had to find an excuse to leave at this time was that he couldn't wait to find out from Moby what kind of organization and strength this Cataclysmic Front was.

Chengfeng took Moby all the way to his room and closed the door before he lowered his voice and asked Moby: "This Cataclysmic Front, what exactly is its origin? Why have I never heard of it?"

Moby said: "Master, it is normal that you have not heard of the Cataclysmic Front, but I have to say, the strength of the Front is very strong, especially in these years, they are almost unbeaten in the mercenary field."

"I heard some overseas martial arts colleagues talk about it, it is said that the Cataclysmic Front is full of experts, the strength is above me, to say less than a dozen, to say more than a few dozen people may also be possible!"

“D*mn!” Chengfeng said off the record: “This is bullsh!t, right? How can the strength of the Cataclysmic Front be so strong? I’m afraid there aren’t even five people stronger than you in such a large China, so how can he have so many experts in one organization?”

Moby said, “Master, there is no room for martial arts masters in the country, just like the old dartboard, which was indispensable in the ancient chaotic times, but nowadays, except for those war-torn places, there is no one to eat this bowl of rice?”

“Now want to eat this bowl of rice in the country, I am afraid they will go hungry

“So most martial arts masters can not earn money at home, so they prefer to go overseas to gain a foothold, other than that, just the first overseas Chinese gang – ‘big circle gang’ in, there are at least several people with strength above me.”

“Most of these experts have gone overseas in recent decades, the strength than what is said outside the double flower red stick to be too strong!”

After a pause, Moby continued, “In addition, Colombia and Mexico’s drug lords, Italy and the U.S. Mafia, Japan’s Yamaguchi Group, all have top experts sitting behind. These are few to name but there are many more”

Speaking of which, Moby remembered something and said, “Right, there are many experts in the country in the early years who were self-made overseas, they all have their own gangs or organizations, the scale may not be as large as the Front, some may only have a dozen people.”

“But even so, it is absolutely not to be underestimated, a dozen with a decade or even decades of top experts, once they join to engage in a Beheading operation, even the Cataclysmic Front is shadowed!”

Hearing this, Chengfeng could not help but marvel: “In that case, these overseas waters are really unfathomable huh!”

Chapter 3289

Hearing Chengfeng’s exclamation, Moby also agreed and said, “Master, there are too many dark sides of the overseas world that are not known to the people, hiding dirt and mixing fish and dragons!”

“Moreover, the more troubled a place is, the easier it is to breed such a powerful organization such as Cataclysmic Front!”

“I really didn’t expect that the head of the Cataclysmic Front was so young, and I really can’t imagine what kind of encounter this Joseph had. How can, in such a short time, someone create an organization like Cataclysmic Front! Ordinary people can’t possibly do it anyway!”

Chengfeng couldn’t help but ask: “By the way, how is the financial strength of the Cataclysmic Front?”

“It’s very strong!” Moby said seriously: “This kind of mercenary organization. The profitability is very strong!”

After a pause, he continued, "The revenue of the Cataclysmic Front is estimated to be at least a hundred billion dollars a year."

"What?!" Chengfeng asked, dumbfounded, "Hundreds of billions of dollars a year, that's opening a money printing machine!"

Moby explained, "Master, a hundred billion dollars seems a lot, but don't forget. There are tens of thousands of mercenaries in the Front, and these mercenaries are all masters of licking blood from the blade, and their average salary is very high."

"Even the most ordinary big-headed soldiers, no one will do this kind of life selling work without a hundred thousand dollars a year;"

"And then counting the senior officers in those mercenaries, I think the average annual salary must be at least three or four hundred thousand dollars;"

"With 50,000 people, just the payroll, it would be one or two hundred billion dollars a year."

"And that's just the cost of salaries, not including the cost of bases, training, meals, transportation, and the cost of maintaining weapons and equipment;"

"And the bigger cost is weapons and ammunition; a bullet costs a few dollars, a grenade hundreds of dollars, a shell thousands of dollars, and when you fight a war, the money is spent faster than it is printed."

"Moreover, for these top-ranked mercenary organizations, reputation is very important, and once casualties occur on the battlefield, they must be responsible to the end."

"If someone is injured, a full set of medical treatment must be provided; if someone is sacrificed, a substantial pension must be paid;"

Speaking of this, Moby concluded, "I estimate that the annual net profit of the Cataclysmic Front should be around ten billion dollars."

Chengfeng lamented, "Ten billion dollars is a lot of money! This group of people has been hanging around outside the law for years, and they don't have to pay taxes, so whatever they earn is their own."

Moby nodded and said, "As far as I know, they are now expanding wildly in the third world war-torn countries."

"The overall investment cost is estimated to be very high, but after they have successfully established their roots in all the war-torn regions, their strength will definitely be able to go up another level."

Chengfeng frowned and said offhandedly, "I really didn't expect that this Joseph was so capable!"

"In a place outside of the law, where even the most basic personal safety is not guaranteed, he can actually build a mercenary organization with huge strength in such a place, it's really not simple!"

“Compared to his simple-minded, reckless straw man father. I don’t know how much stronger he is!”

Moby said with approval, “This person is indeed not simple, and I see that he is very grateful for the kindness that the youngest master showed to their family back then.”

“If you can make good use of this, it might bring us more help!”

Chengfeng nodded with excitement and said offhandedly, “Yes, this is definitely a once-in-a-lifetime good opportunity for my family!”

.....

Chapter 3290

Half an hour later. When Robin, the five-star war general of Cataclysmic Front, was leading a thousand soldiers to meander back towards the west wing of Hamid’s base, the Su family’s subordinates had already prepared several tables of incomparably rich banquets.

Chengfeng kindly invited Joseph and his men to sit down at the banquet.

He took Joseph’s hand and let him sit beside him, while not forgetting to continue to climb up with Joseph, sighing:

“Joseph, if your father knew what you have achieved today, his spirit in heaven would be extremely relieved

Joseph thought of his late father, naturally, his heart was very emotional.

He came back this time to avenge his parents, but he also hopes to be in front of their graves.

He wants to tell them about his experiences over the years in order to console their spirits in heaven.”

“He should, He should!” Chengfeng nodded his head repeatedly. Asked, “Joseph, what are your specific plans to seek revenge on the Ye family?”

Joseph spoke: “I have asked my men to use another identity and buy back our Wan family’s old mansion, I will depart for Orgeyon this afternoon.”

“First return to the old mansion for a few days, in addition, to wait for my three Generals to finish the task at hand and meet me in Orgeyon.”

Saying that, Joseph’s eyes burst out with a strong murderous aura and said in a cold voice: “At that time, the four Generals of the Cataclysmic Front will gather in Orgeyon, and other experts will also come to Orgeyon one after another from all over the world.”

“On the day of the Qingming Festival, I will bring them, as well as the sixteen battle generals of the Front, and hundreds of elites, to destroy Yeling!”

Hearing this, Chengfeng's dried arteries were already boiling with fervor, and he was busy asking, "Joseph. Those three Generals of yours, where are they at this moment?"

Joseph blandly said, "One person is in Palestine, another is in Yemen, and another is in Syria."

Chengfeng nodded gently and thought, "It's true that they are all places that are always at war."

So, he complimented: "These places are constantly at war, your men have been training in such places for years, the level of actual combat must be very good!"

"I'm afraid it's no less than the famous Blackwater!"

Joseph said without modesty: "In terms of actual combat level, I am not inferior to companies like Blackwater, and it is only natural for me to be ranked first in a large-scale mercenary organization."

Speaking of this, Joseph said disdainfully, "The reason why companies like Blackwater are famous all over the world is because of the human tactics and the support of their governments."

"It won't take long for me to overtake them and become the number one mercenary!"

Chengfeng laughed and said, "I believe you will have no problem!"

Joseph nodded, said with an arrogant face: "American Blackwater was hired by Syria some time ago to clear the opposition forces in the country, but it took Blackwater a year to achieve results."

"But I just cooperated with Syria for just a month, and I have already broken through and conquered several cities in a row!"

"I believe, another half a month, we will be able to completely wipe out our opponents and win!"

"At that time, Cataclysmic Front will beat Blackwater's face in front of the world's mercenary organizations!"

After the victory, we will build a mercenary base in Syria covering an area of over 100 square kilometers.

Chengfeng was dumbfounded and said out loud, "A hundred square kilometers? How could they give such a large area of land to the Cataclysmic Front?"

Joseph blandly said: "This is the condition I agreed with them, I help them to pacify the opposition forces."

"They provide me with the land and all the facilities I need, a hundred square kilometers of land use rights, in developed areas is indeed impossible, but in that kind of place, ten times is nothing, and for them, long-term cooperation with the Cataclysmic Front is beneficial."

"The Cataclysmic Front will also assist them to maintain stability, we each take what we need, a win-win for all!"
