

The Amazing Son In-Law Chapter 3481-3490

Chapter 3481

Evening.

When the entire Eastcliff, all thought that the Ye family only had this last night left, Marven had already finished determining the entire process of the ancestor worship ceremony with the Ye family.

Although the family members were all distracted, they could only push forward with their heads.

All the processes were set, Marven stood up and said, "All of you rest early tonight, tomorrow everyone must follow the process, whoever makes a mistake in such an important matter, don't blame me to flip out!"

Andrew could not help but stifle: "Ancestor ceremony is fine, but the key is what about the Joseph? Tomorrow morning at eight o'clock he will come to Yeling Mountain, how can we fight with him?"

Marven said blandly: "What to fight him with, you do not need to worry about that, and do not need to worry about each of you sitting here."

Changyun Ye asked offhandedly, "From what you're saying, you can handle Joseph and Cataclysmic Front by yourself?"

"Of course." Marven said blandly: "Tomorrow morning at 7:00, everyone must assemble on Yeling Mountain, no one can be a minute late!"

"Isn't Joseph coming at eight o'clock? To deal with him, one hour is enough, so our ancestor worship ceremony officially starts at nine o'clock!"

"Trash" Morgan, who had been slapped several times and had finally been honest all afternoon, heard Marven's words and sat up again, standing up and saying angrily,

"Marven! I really can't fcuking stand it! What time is it, you are still here pretending? Tomorrow will be the day of our death! You're still here, saying that you can take care of Joseph in one hour?"

Marven looked at him with a frown and asked, "Did you not get slapped enough?"

Morgan trembled in fear, but still said with a stiff neck, "I'm not saying these words for myself, I'm saying them for the whole Ye family! I won't allow the Ye family to be sent to a dead-end by you!"

Marven ignored him, looked at Hawade beside him, and said in a cold voice: "Hawade! Slap his face for me!"

"What did you say" Hawade asked with a dumbfounded look, "Why me? I won't do it!"

Marven said in a cold voice: "Do not do it, right? Okay, pack up your things tonight and get out of the Ye family, and never come back!"

“What?!” Hawade stood up and said angrily, “Why should I get out of the Ye family?”

Marven’s face was expressionless as he asked back, “One day, don’t you know who is in charge of the Ye family now?”

Hawade looked at Zhongquan and said aggressively, “Grandpa he is too much! This is not taking a chicken feather as an arrow?!”

Zhongquan has been cold-eyed watching, at this time can not help but be furious, questioned him: “You take what I said as chicken feathers? I have already said that at this special moment, everything in the Ye family is up to Marven,”

“Are you deaf or are you deliberately pretending not to understand? Or are you all unconvinced by what I say as I get older?”

Everyone in the family was stunned by the old man’s outburst of anger.

Zhongquan looked at Hawade and said coldly, “Marven has just said, if you don’t do as you are told, pack up your things and get out immediately! It’s useless for anyone to beg for mercy!”

When Hawade’s father, Changyun, heard this, he looked at Hawade anxiously and yelled, “Are you still fcuking standing there? Do you really want to get lost?”

Hawade was also stunned, if he was really kicked out of the Ye family, what hope would he have in his life?

So, almost without thinking, he directly raised his hand and moved it towards Morgan’s face.

Chapter 3482

Morgan was also stunned by Zhongquan’s attitude, and didn’t even notice that his cousin Hawade, who had always followed his a55 and kneeled down to lick his boots, actually raised his hand and smacked him over!

“Pop!”

The sound of a crisp slap reverberated in the hall.

Morgan covered his face with a face of disbelief.

Then, his expression became more and more angry, and he rushed up and fought with Hawade, cursing in anger, “Even you dare to hit me, I’ll fcuking fight with you!”

Marven saw the two of them wrestling together, immediately went forward, dragged Morgan directly up, and kicked him out like a goalkeeper kicking a big goal.

Morgan was kicked in the face, although not unconscious, but immobile completely in pain.

Without waiting for him to speak, Marven pointed at him and said in a cold voice: "If you say one more word, I will arrange a plane to send you to Syria right now! I will do what I say!"

Morgan really didn't dare to pretend with Marven again this time.

He did not know if Marven would really send him to Syria, but he felt that he was not joking with himself.

Seeing that Morgan had the sense to shut his mouth, Marven's expression slightly eased a few points and said in a cold voice: "All of you, please remember, tomorrow morning at seven o'clock, Yeling mountain top we all are gathering!"

After saying that, he looked at Leon and spoke, "Housekeeper Leon, take the trouble to send me back home."

Zhongquan said, "Marven, at this critical period, don't go back home, rest here for the night!"

Marven blandly said, "You don't need to worry, since the other party has put out the word to meet tomorrow morning at eight o'clock at Yeling Mountain, certainly will not change their mind halfway."

"You sleep solidly, tomorrow morning at seven o'clock at Yeling Mountain on the line."

Zhongquan was also embarrassed to say that he wanted to keep Marven overnight at the Ye family because he was afraid, so he could only say stiffly, "In that case, then grandpa will not keep you."

Helena, who hadn't said anything, looked at Marven silently at this time, her expression very torn.

Just when she was still hesitating whether to catch up with Marven and find a chance to say a few words to him alone, her two attendants ran in a panic.

Because today was a formal occasion for the Ye family to negotiate the ancestral ceremony, these two did not follow Helena over and had been resting at the Hotel.

But the royal family, after learning about the hatred between the Cataclysmic Front and the Ye family, immediately sent an order asking them to immediately take Helena to the airport,"

"And the family had arranged an official plane for them to take off at 9:00 p.m. and fly to Russia with Helena.

Moreover, the royal family also specifically instructed the two not to tell Helena the actual destination of the plane, just tell her that the plane was returning to Northern Europe.

So, the two rushed over from the hotel in a hurry.

As soon as they came in, the Chinese girl among them immediately came to Helena's front and respectfully spoke, "Princess Helena, Princess Olivia sent an urgent order for us to take you to the airport immediately, we are going back to Northern Europe!"

“To the airport?!” Helena asked nervously, “Why does Olivia suddenly want me to go back to Northern Europe?”

The girl said with an apologetic face: “Sorry, Princess Helena, I don’t know exactly why I only know that the order is urgent because the plane will take off at nine o’clock!”

Hearing this, Andrew on the side became irritated and questioned, “What do you mean by the Nordic royal family?”

“Knowing that our Ye family is in trouble now, you immediately want to repent the marriage and get rid of us, don’t you?”

The Chinese girl looked at Andrew and said seriously, “Gentleman, I’m really sorry, we are only servants of the royal family, only responsible for carrying out the orders of the royal family, exactly why they issued such an order, we do not know.”

Helena gave a nervous glance at Marven, then asked the girl, “Where exactly does Olivia want me to go?”

The girl busily said, “Princess Helena, I have just said that Princess Olivia wants you to return to Northern Europe immediately.”

“I don’t believe it!” Helena blurted out, “Before Olivia even said that she wouldn’t let me return to Northern Europe before I die!”

“Now that Grandma has reached her deathbed, a critical point in her succession to the throne, there is absolutely no way she will let me go back! There must be a conspiracy here!”

Chapter 3483

The girl saw Helena’s fierce reaction, her expression could not help but panic a little, and hurriedly explained: “Princess Helena, you misunderstood Princess Olivia is thinking that,”

“Based on the actual situation now, the royal family can no longer continue the marriage with the Ye family, so she wants you to go home. “

“I don’t believe it!” Helena immediately refused loudly, “There is absolutely no way I can go with you! If you want to go, you can go yourselves!”

The girl immediately said, “Princess Helena, if you refuse to carry out the royal order, you will be removed from the royal family in the future! Please consider carefully!”

Without hesitation, Helena said, “Then remove me! No matter what, I won’t go with you!”

Seeing that Helena was obviously alerted, the girl immediately exchanged glances with the other girl.

Immediately afterward, the two of them, one on the left and one on the right, stepped aggressively towards Helena.

The Chinese girl said with a bit of coldness in her mouth, "Princess Helena, since you refuse to cooperate, don't blame us for not being polite!"

Helena was so nervous that she backed up while saying, "Don't come over! This is not your home turf, you have no right to interfere with my personal freedom!"

The Chinese girl suddenly accelerated fiercely, her body shape was instantly quite swift."

"Very different from her previous soft temperament, at first glance, she was professionally trained, though not a martial artist, but at least a qualified agent.

The other girl is also the same, body speed and agility than the Chinese girl is also no less, the two directly with a pincer attack, Helena forced to the corner, and then a left and a right to grab her arms.

The Chinese girl said expressionlessly, "Princess Helena, I'm sorry!"

After saying that, she dragged Helena straight out.

At this time, Helena has been desperate to the extreme, but the Ye family around, with no intention to come out to help her, even Morgan also did not say a word.

In fact, the Ye family has seen it in their hearts.

Helena is the pawn of the Nordic royal family to exchange resources, but now, the royal family knows that the Ye family offended the Cataclysmic Front,"

"So they changed their minds, no matter where these two women want to take Helena, and the Ye family have nothing to do with it.

What's more, even if the Ye family forced Helena to stay, there is no point, once Helena turned against the royal family, it is likely to be immediately removed from the royal family.

A princess who was removed from the royal family, there is still a far value?

So in the Ye family's view, wherever they take Helena to, it has nothing to do with them at all.

Seeing that no one from the Ye family was willing to help, Helena was extremely scared inside, so she looked at Marvin and shouted in panic, "Marvin please save me"

Marvin did not expect Helena to ask for help, he looked at her expressionlessly and asked her, "I only met you yesterday, not a relative, why should I save you?"

Helena choked, "If you do not save me, I will be dead Even if they do not kill me, I am afraid that they will force me to continue to be a pawn"

Speaking of this, her eyes were red, filled with tears looked at him, pleading: "Since you have saved me once, please be a good man to the end,"

“Do not let them take me away If you can save me this time, I am willing to do cattle for you in the future

When the Chinese girl heard this, she immediately threatened in a cold voice: “Helena! Princess Olivia asked me to remind you that you must think about your mother before refusing!”

“If you don’t come with us and insist on trying to get rid of the royal family’s control, then you can wait for your mother to die in the wilderness!”

When Helena heard these words, she was frozen like a thunderstorm.

After a few moments, she seemed to have resigned herself to her fate, nodded gently and said decadently, “Okay you win I’ll go with you

Chapter 3484

The girl was relieved and spoke, “It’s good that you can think clearly, hurry up, the plane is already waiting!”

Helena looked at Marven and said gratefully, “Marven, thank you for saving my life anyway yesterday, and please take care of yourself!”

Just after the words, she was led by the two women and headed for the door.

Marven suddenly spoke at this time: “Wait!”

The two women were obviously stunned, and the Chinese girl asked, “Does Mr. Ye still think that he doesn’t have enough enemies and wants to go against the Nordic royal family?”

Marven smiled and nodded, “You’re right! I am not afraid of offending people, the more enemies I have, the more excited I am!”

Saying that, his expression was austere as he asked in a cold voice, “Tell me, that Olivia Princess of yours, where exactly does she want to send Helena to?”

The girl said offhandedly, “This has nothing to do with you! You’d better let us go, otherwise, this matter may rise to a diplomatic incident!”

Marven smiled and said lightly, “Don’t worry, this matter won’t get out of the Ye family’s door!”

“If you two do not tell the truth, you will never think of leaving, there are so many coffins at the door, you can pick one for yourselves, this young master is in charge of killing and burying!”

The Chinese girl gritted her teeth and said, “You’re so arrogant even after offending the Cataclysmic Front, I am afraid that you’re not afraid of your own life!”

Marven sneered: “Don’t worry, you will definitely die before me!”

As soon as the words left his mouth, Zak Chen and Orvel, surprisingly, rushed in at a trot.

As soon as he saw Marven, Orvel blurted out, "Master Ye, Orvel is here at your service!"

Marven did not expect Orvel to come and asked with a smile, "When did you come?"

Orvel heatedly smiled and respectfully said, "Master Ye, I just arrived, Mr. Chen picked me up at the airport, and we figured that you must be short of people on your side, so I dared to come over to take a look!"

Marven nodded, pointed to the two women beside Helena, and said indifferently, "Just in time, drag them both out, let them pick a coffin and kill them!"

Orvel was stunned for just a second, then immediately blurted out, "Yes Master Ye!"

After saying that, he said to the two women, "Go out by yourself, don't force me to be violent!"

The Chinese girl's expression was awe-inspiring, and she said in a cold voice: "Want to kill me, it's not that easy!"

After saying that, she instantly pulled out a dagger, directly towards Orvel!

The girl was a special forces soldier, she was decisive, fast, and accurate.

If it was an ordinary person, under such a sudden attack, it is impossible to dodge.

But Orvel is not an ordinary person.

He has long eaten Marven's rejuvenation pills, physical fitness, reaction speed are much stronger than the average person.

So, between lightning and fire, he grabbed the wrist of the opponent holding the dagger.

The girl did not expect that Orvel, a middle-aged man, would have such an agile reaction speed!

Moreover, Orvel's hand was so strong that she could not move at all after he grabbed her.

Just when she was surprised, Orvel's hand directly applied a force, only to hear a click, the girl's wrist should be broken!

"Ah my hand!" The girl shouted in pain, but could not break free at all.

Orvel looked at her with contempt and sneered: "Just your kung fu, and you dare to sneak up on me! See if I don't bleed you out later!"

After that, he coldly roared, "Follow me out to pick the coffin, and I'll send you both on your way!"

The girl immediately turned pale with fear, and then she looked at Marven, crying and begging, "Mr. Ye, spare my life! I'll tell you! I'll tell you everything!"

Chapter 3485

Marven saw that she was afraid, so he said to Orvel: "Don't kill her first, let her talk."

The girl hurriedly said, "Princess Olivia asked us to take Princess Helena to St. Petersburg, Russia"

Marven frowned and asked, "Go to St. Petersburg to do what?"

The girl said truthfully: "Go to St. Petersburg and give Princess Helena to the local energy oligarch, Aman Ramovich"

Helena's expression became horrified when she heard this person's name.

"Amanramovich?" Marven frowned and asked, "What does this dude do?"

Zak Chen on the side spoke: "Young master, Amanramovich is not a buddy anymore, it should be a man This guy is over fifty years old, he is a Russian energy oligarch, worth almost twenty billion dollars or so."

Marven nodded and asked the Chinese girl, "That Princess Olivia of yours, why would she give Helena to Aman Ramovich?"

The Chinese girl said somewhat nervously, "I don't know the specifics very well, but I presume should want to use Princess Helena to exchange benefits from Aman Ramovich"

Helena said with red eyes: "Amanramovich this person comes from a low background, even if he became an oligarch, but also because of poorer origins have been sarcastic digs by the upper class, especially in Britain he is very discriminated against by the mainstream media."

"And in aristocratic circles, and the overall environment in Russia is not too good, so his development focus has been in Western and Northern Europe, but because of discrimination in Western and Northern Europe,"

"He is bent on marrying a beautiful young European royalty, as a way to retaliate against those who look down on him....."

Said, Helena added: "A long time ago, he was making attempts in this regard, except that many European royal families, including our Nordic royal families, were not willing to meet this person, so he also had not been able to get what he wanted"

Marven nodded and said indifferently, "It seems that that sister of yours, is now planning to do her best to squeeze the remaining value out of you."

"Yes" Helena choked: "Now my grandmother has reached her deathbed, she will soon inherit the throne and become the new Nordic Queen, at such a time, any decision she makes, there is no one in the royal family who can stop her"

Marven looked at Helena and said, "If you don't want to be manipulated by the royal family, then you can get your free body back now,"

"I can guarantee that no one can force you to do anything in China, but you have to think clearly yourself, your mother is still in the hands of the royal family after all."

Helena nodded gently, her tears had completely broken the bank.

She sobbed, "I don't want to go to Russia, let alone become Aman Ramovich's plaything but but I really can't put my mother's life at risk"

Marven asked her rhetorically, "Then what do you plan to do now? If you decide not to go to Russia, I'll have the two women locked up, but if you still decide to go, then go with them now and still make the plane."

Such a cruel multiple-choice question caused Helena to break down instantly.

She cried and said, "I don't know what to do"

Seeing this, that Chinese girl hurriedly spoke out to persuade her, "Princess Helena, I sincerely suggest that you go to Russia with us"

She said, afraid that her words would anger Helena, so she hurriedly explained: "You also know that Aman Ramovich has always hoped to marry a royal princess,"

"If you are willing to marry him, he will definitely treat you with favor in the future"

"After you have some say in Aman Ramovich, you can ask him to negotiate with the royal family and exchange your mother back for a certain price!"

"In that case, everything will be solved, you can also completely get free from the control of the royal family"

Hearing this, Helena's whole body broke down even more.

Chapter 3486

In her heart, she actually knew very well that marrying Aman Ramovich should be the best solution now.

Thinking of this, she looked at Marven, gave a miserable laugh, and said, "Ever since my father died, ever since I was disinherited from the throne, I have lost everything to rely on the royal family."

"A member of the royal family without reliance, in the family, is reduced to a bargaining chip that the family can take anytime and anywhere in exchange for benefits"

"So, for me, to truly solve this situation of having no one to rely on and being at the mercy of others, I must first find a powerful object that I can rely on"

Speaking here, Helena suddenly closed her mouth.

The rest of the words, she was not good enough to say in front of Marven as well as the Ye family.

Because, originally, the Ye family is considered a good object to rely on, but now the family calamity is coming, I'm afraid it is difficult to protect itself.

Therefore, if she wants to change her fate, the only way is to find a new reliance.

Only in this way, it is possible to get mom back from Olivia's hands.

Amaranovich, I'm afraid, is the best choice right now.

At this time, Marven also saw what she was thinking inside, smiled playfully, and asked her, "You think that the current Ye family has no way for you to rely on, so you can only be forced to choose that Amanranovich, right?"

Helena looked at Marven incomparably ashamed, and although her eyes kept dodging, but again every time after dodging, she looked at him again with those big red eyes.

A moment later, she choked, "I know, I made this decision, you will definitely look down on me but but I can not ignore my mother's life, she is my only family in this world"

Speaking of this, she could not help but lower her head and said in shame, "I'm afraid I'm afraid I can only choose to go to St. Petersburg this way"

Hearing this, that Chinese girl was relieved and hurriedly spoke, "Princess Helena, going to St. Petersburg is never a bad thing! I believe you will be able to excel and regain your life with the help of Aman Ramovich!"

Helena laughed miserably, then raised her head, looked at Marven, and said with immense gratitude, "Marven, thank you for your kindness to me, I will remember it for the rest of my life"

"Just I am sorry that my next choice may fill you with disappointment about my personality, I hope you can understand me"

After saying that, she bowed deeply to Marven.

Then, she turned her head to look at the Chinese girl and spoke, "I will go with you!"

Marven did not say anything, just eyes to see Helena turned that moment tears broke, the heart suddenly thought of something, spoke: "Stop."

Helena turned her back to Marven and stopped her figure, then she dried her tears, turned her head to look at him, and asked respectfully, "Mr. Ye, do you have anything else to say to me?"

Marven smiled lightly and asked her, "Helena, instead of going to St. Petersburg and marrying a man older than your father,"

“Why don’t you try to return to Northern Europe and take back the throne inheritance that originally belonged to you?”

Chapter 3487

Marven’s words, were such, that everyone on the scene, including Helena, were shocked beyond addition!

People have guessed, what the hell are Marven’s words? Is this typical of the art of war on paper, daydreaming?

It’s too bullshit, right?

This feeling is like, one person asked another person, said: finished, the chairman wants to fire me, what should I do now?

As a result, this person suddenly came to a sentence: you are afraid of a chicken hair, you directly replace him as chairman, and then fire him on the line?

At first glance it seems very reasonable, but actually, it is bullshit!

So Marven this proposal, in the eyes of others, is simply: outrageous his mother to outrageous open the door, outrageous to home.

But Helena does not feel outrageous.

Her pair of blue eyes stared dead at Marven, some nervous asked: “Ye Mr. Ye, do you do you have a way for me to go back to inherit the throne?”

Marven nodded and said, “Of course I have a way, it depends on whether you want it or not, as well as whether I want to give it or not.”

Helena blurted out almost without the slightest thought, “I want to! I dream of it!”

After saying that, she immediately took a few quick steps and returned to Marven, kneeling on the ground with a poof and pleading,

“Mr. Ye, if you can help me take back the throne, I would sacrifice everything to repay your kindness, even if it means letting my royal family benefit!”

For Helena, she had now been forced to a desperate situation by Olivia.

In this situation, she herself was isolated and had only one choice, which was to give up all resistance and obey Olivia’s arrangement.

As for fighting back, it was a luxury that she didn’t even dare to think about.

But now, Marven gave her a chance to fight back.

If she could really regain the right to inherit the throne, then all her and her mother's passivity and tribulations would dissipate.

That, for Helena, would be enough.

If she can sit on the throne and make Olivia pay the price, then it will be perfect.

As for the future royal interests, it is nothing to her.

If Marven has a need, she is even willing to contribute all of the royal interests also at all costs.

Moreover, she is now full of hatred for Olivia, just for revenge, she is also willing to agree to all conditions!

Marven saw that Helena was so on board, and nodded with a slightly satisfied expression.

He certainly can help her regain the throne, but he will not do such a good thing for anything.

Unless Helena, after retaking the throne, can properly cooperate with his future needs using the Nordic royal family.

Although the Nordic royal family does not have much money, but their noble status, in Europe is also hard currency.

After becoming the head of the Ye family, he will have to take the Ye family to the world, and Europe is naturally an indispensable piece of business territory.

Chapter 3488

If he could have the presence of this royal family behind him, it would be very beneficial to his future foray into Europe.

So, he looked at Helena and said lightly, "Remember what you said today, after you become the Nordic Queen in the future, don't forget your promise today, otherwise, if I can push you up, and I can pull you down."

Helena immediately nodded heavily, raised her right hand, and said solemnly, "I, Helena Iliad, swear to God that if Mr. Ye can help me take back the throne, I will obey Mr. Ye's command in this life and never break my oath!"

"Good." Marven nodded in satisfaction and opened his mouth to ask: "How long does your grandmother have to live?"

Helena said, "My mom just told me that grandma can probably last a few days to a month."

Marven smiled faintly, "Then there is no hurry, you should go back to the hotel to rest today,"

"Tomorrow you are invited to come along to visit the Ye family's Ancestral Ceremony, and after the Ancestral Ceremony is over, you will be sent back to Northern Europe."

Then, Marven said to Zhongquan, "Grandpa, inform the Concorde to be ready to take off tomorrow afternoon, and take Helena back to Northern Europe after the Ancestral Ceremony is over."

Marven's decision made Zhongquan, who was extremely protective of Marven today and even authorized him to be in full charge of all the affairs of the Ye family for the time being, confused.

Sending Helena back to Northern Europe at this time? Isn't this asking for trouble?

He could not help but sigh in his heart: "What in the end does he want to do this family's affairs have not been settled, why is he still thinking about the northern European royal family to go?"

"Is he really thinking of going to Northern Europe to help Helena take back the throne succession?"

The other Ye family members are also confused.

What the h3ll

But they don't know whether they'll be dead or alive tomorrow, and he is not ashamed to say that they're going to take care of the Nordic affairs?

Zhongquan awkwardly coughed twice and asked Marven: "Marven, tomorrow Yeling's matter, still do not know whether it can be successfully resolved,"

"If again because of Helena's matter offend the Nordic royal family, is a bit more than worth the loss ah"

Marven blandly said, "Do not worry, just do as I instructed."

Andrew also took off at this time: "Marven! Do you think that by arranging a plane and sending Helena back, she will automatically get the right to inherit the throne?"

"If you send her back like this, it will only be a sheep into a tiger's mouth!"

Helena also said nervously, "Mr. Ye Olivia has clearly warned me that I am not allowed to go back to Northern Europe, if I go back rashly, she will definitely control me!"

Marven said blandly: "All that is required is that you do your best to ensure that you can meet with your grandmother in private before being controlled by her, if you can't even do this, then I can't help you."

Helena said with some confusion, "Finding a way to see grandmother should not be a big problem, but seeing grandmother will solve everything?"

Marven nodded: "That's right, as long as you can see her, the throne must be yours."

Helena felt incomprehensible, but seeing Marven's words, her heart more or less believed a few points.

So, she gritted her teeth and said firmly, "Okay Mr. Ye! Everything at your command!"

Marven looked at the time and said to Orvel and Zak Chen, "These two women, you guys keep a close watch on them first."

Orvel said offhandedly, "Master Ye don't worry, I'll take care of everything!"

Marven nodded and said to Leon, "Butler Leon, drive me back to my home, and send Helena back to the hotel by the way."

"Okay!" Leon nodded, he said, "Young master wait a moment, I'll go prepare the car."

Zhongquan saw that Marven could no longer hold back, so he spoke, "All of you follow me to see Marven out."

When the old man gave the word, the Ye family members dared not disobey and could only follow him, sending Marven and Helena to the gate.

Leon parked the car at the gate, took the initiative to pull open the door, and said to Marven, "Young master, please get in."

Marven let Helena get into the car first, and then he was about to sit in himself when Zhongquan came forward.

He took Marven's hand, and asked in a low voice: "Marven you tell grandpa the truth, how sure are you about tomorrow's event?"

Marven smiled faintly and said lightly, "Half."

"Half?" Zhongquan's expression was a little disappointed, but still smiled reluctantly and said, "Half is not bad!"

"Hmm." Marven nodded and said, "If there's nothing else, I'll leave first."

"Okay." Zhongquan was busy saying, "Take your time on the road, I'll see you tomorrow morning at Yeling Mountain!"

"Okay, see you tomorrow."

Chapter 3489

Marven got into the car, the expressions of the Ye family were all very disheveled, even Zhongquan also felt apprehensive.

But Marven, who was sitting in the car, had an expression of bemusement.

He was not at all worried about tomorrow.

On the contrary, he had some vague excitement in his heart, and even a little impatience.

Because, he wanted to ascend to the top of the Ye family, only missing the last step, and this last step, is Joseph himself!

Leon drove out and dropped Helena off at Shangri-La Hotel first.

The car stopped at the entrance, and Marven spoke, "Helena, go back and rest well, tomorrow morning at six o'clock, I will ask Butler Leon to arrange a car to pick you up."

"Okay!" Helena nodded gently and said, "Mr. Ye you also have a good rest today, after all, there are important matters tomorrow."

Marven smiled faintly and said, "I know, call housekeeper Leon if you need anything."

"Okay, Mr. Ye." Helena nodded respectfully and said, "If you don't have anything else, I'll get off first."

"Okay."

Seeing Helena get off and enter the hotel, Marven said to Leon, "Let's go."

"Okay Young Master."

Leon drove the car out of the hotel and asked him respectfully, "Young master, how sure are you about tomorrow?"

Marven blandly said, "Fully sure."

Leon was slightly startled, slightly stunned, but quickly recovered as usual and asked in confusion, "Then why did you tell the master that you were only half sure?"

Marven laughed: "I can't let him sleep too peacefully tonight, nor can I let the rest of the Ye family sleep too peacefully!"

Speaking of this, he gave a light hum and said, "I have to make them all restless and toss and turn, so that they can spend the longest, darkest as well as the most unforgettable night of their lives!"

"Only then, tomorrow, when I solve the Joseph, will they really know what it's like to live after a robbery!"

When Leon heard this, he first froze, then he couldn't help but smile slightly and said, "Then it seems that tonight, I will be able to sleep well!"

The corners of Marven's mouth rose slightly and smiled: "Sleep solidly, just don't let other Ye family members know."

Chapter 3490

Leon couldn't help but ask again, "Young master, that matter of helping Helena reclaim the throne, are you serious?"

“Yes.” Marven nodded and said, “Helping her take back the throne is really too easy, at most, only half a rejuvenation pill is enough to make her grandmother willingly pass the throne to her!”

Saying that, Marven lamented, “For an old woman who has almost died once, once she can come back to life, what Olivia, what Her Majesty, is all a floating cloud!”

“There’s nothing that makes them more demented than being able to open their eyes again and see the world.”

Leon knew a little more about Marven than everyone in the Ye family.

He had heard of such things as the rejuvenation Pill.

Hearing Marven’s solution, he put his heart down, but he couldn’t help but say, “Young master, the rejuvenation Pill is worth a lot of money, and you and Helena are not related, why do you take care of her so much?”

Marven looked out the window and said indifferently, “The Ye family’s business in the country, has almost reached the extreme, the next natural thing is to develop overseas,”

“And the ocean shipping group that I cooperate with Zhiyu, also need the resources and relations in Europe, if Helena inherits the throne, we will have a much easier time in Europe, in the future.”

He said, “And you also know that there are more countries with constitutional monarchies in Europe and these royal families who have lost their power like to huddle for warmth and find a sense of existence.

Leon immediately nodded and said, “Young master is far-sighted, the future Ye family in your hands, will certainly be able to flourish.”

Marven smiled lightly and remembered something, so he asked him, “By the way, Butler Leon, father of Joseph, that Arthur, was also a member of the Anti-Ye Alliance back then, right?”

“More than just a member.” Leon said, “Arthur was supported by Zynn, and he obeyed Zynn’s words, so he was definitely the backbone of the Anti-Ye Alliance.”

“So that’s how it is.” Marven said with a smile, “Then in that case, that Joseph, should have a lot of respect for Zynn, right?”

Leon said, “Theoretically it should be like that, after all, Zynn was the benefactor of the Wan family back then, without his support, Arthur wouldn’t even be a fart in Orgeyon.”

Marven nodded, smacked his lips with a playful face, and said, “That’s interesting, tomorrow after Joseph goes up to Yeling Mountain, if he sees Zynn in my hands, I wonder how he will feel.”

Leon smiled faintly and said, “It seems that young master has already made up his mind!”

Marven laughed lightly and said, "Butler Leon may not know that the top commander of the Cataclysmic Front in Syria is now also locked up with Zynn,"

"First thing tomorrow morning, I will bring him along with me to Yeling, so that Joseph will also know what fcuking surprises I have for him!"

After saying that, he hurriedly instructed, "Housekeeper Leon, don't go to Gu's house first, you take me to another place!"

.....

Twenty minutes later, a farmhouse on the outskirts of Orgeyon.

Leon had just driven the car to the entrance when the iron door of the farmhouse was opened from inside.

Luther He, with two young men from the He family, ushered in quickly, and when he saw Marven get out of the car, he said respectfully, "Mr. Ye!"

Marven nodded slightly and asked him: "Those two people, what is their condition?"

Luther said, "Several people are observing them, and there are several people watching when they go to the toilet, so nothing will go wrong."

Marven smiled faintly and said, "Come, take me to have a look."

Luther nodded, flashed his body, made an invitation gesture, and respectfully said, "Mr. Ye please!"

Marven turned to Leon and said, "Housekeeper Leon, let's meet an old acquaintance together."

Leon busily said, "Yes young master!"

A late member of the He family walked quickly in front and led Marven and Leon into the west room of the farmhouse.

In a room of less than 20 square meters, seven or eight members of the He family formed a circle, and inside the circle were two men who were tied to the seats and had their heads covered with black cloth bags.

Marven saw this situation, thinking in his heart, a bundle of Zynn is just, Walter Chen is now more obedient than a dog, there is no need to go to such great lengths.

However, the He family is serious and responsible, they naturally can not say such things, so as not to discourage the He family's enthusiasm.

So, Marven then directly on the hands, the two people's heads covered with black cloth bag ripped off.

At this point, then see Zynn and Walter's mouth, stuffed with towels.

Zynn looked up and saw Marven, his eyes and expression immediately became a little nervous and fearful, Marven saw him so nervous.”

“So he took the towel off his mouth and said with a smile: “Hey Mr. Su, don’t be so afraid, I just came to see you, by the way, there is good news to tell you.”

Zynn heard this is even more nervous, can not help but ask: “You you have what good news”

Marven smiled and asked him, “Mr. Su does not know if you have heard of the organization Cataclysmic Front?”

Zynn frowned, depressed, and said, “Of course I know the Cataclysmic Front you you let me stay in Syria for so long, there is a war day and night, is not Cataclysmic Front people fighting Hamid?”

“Right.” Marven nodded and laughed: “To say that you may not believe it, the head of this Front, is also your old acquaintance!”
