

## The Amazing Son In-Law Chapter 3491-3500

### Chapter 3491

“An old acquaintance?!”

Hearing this, Zynn said with an incredulous face, “But I don’t know any Supreme Commander of the Cataclysmic Front at all. .... How could he be my old acquaintance?”

Marven laughed: “It may not be appropriate to say old acquaintance, I should say it is one of your juniors, and you still have a pretty deep connection.”

“How can .....” Zynn felt very baffled, afraid that Marven deliberately found a trumped-up charge to toss himself, so he hurriedly spoke:

“Mr. Ye... ..I really don’t know any Supreme Commander of the Cataclysmic Front ..... Is there any misunderstanding here?”

Marven shook his head and asked him, “Wasn’t Arthur Wan one of your men back then?”

Zynn did not expect that Marven would ask about Arthur, who had been dead for twenty years.

He subconsciously said, “Yes ..... but Arthur has been dead for twenty years ah ..... what does he have to do with the Cataclysmic Front?”

Marven laughed: “This Cataclysmic Front’s Supreme Commander, is Cataclysmic Front’s son, his name is Joseph Wan, you should still remember, right?”

“What?!” Zynn was struck by lightning as he blurted out, “Joseph he ..... he actually became the Supreme Commander of the Cataclysmic Front?!”

“Yes.” Marven smiled and asked him, “How about it? Hearing this news, do you feel both surprised and excited? Doesn’t it feel as if the gray life has all blossomed into a million lights in this instant?”

Zynn could not help but feel a little panic in his heart when he saw Marven’s eyes with a bit of playfulness.

Hearing that Joseph was the famous Cataclysmic Front Supreme Commander, he was indeed excited deep inside.

Because his first thought was that he now had the backing of the powerful Cataclysmic Front, and that his freedom would be restored just around the corner!

However, seeing Marven’s expression without any fear, he couldn’t help but beat the drum in his heart.

In his heart, he thought: “Why is Marven smiling so strangely? Is he not afraid of the Cataclysmic Front at all?”

Thinking of this, he suddenly looked at Walter beside him and immediately had an answer in his heart!

“How could Marven be afraid of the Cataclysmic Front ..... Cataclysmic Front just lost a commander in his hands, as well as more than 16,000 mercenaries,”

“Walter is so strong, but in front of Marven also does not have the slightest power to fight, with this strength of Marven, how else could he put the Cataclysmic Front in his eyes?”

A thought to this, Zynn instantly became quite disillusioned.

It seems that the light of hope just lit up, and then instantly extinguished.

Marven continued at this time, “You and Joseph, you should not have seen each other for twenty years, right?”

“Yes.....” Zynn nodded and spoke, “After his mother committed suicide that year, I wanted to bring him home for adoption, but to my surprise, he had been taken out of the country first, and then I never found him.”

Marven smiled faintly and said playfully, “Then tomorrow I’ll let you two uncles and nephews meet after 20 years of separation and have a good catch-up!”

Once Zynn heard this, he asked nervously, “Joseph he ..... he came to China?”

Marven nodded and smiled, said: “More than coming to China, but also grew up! Today, he asked people to send more than a hundred coffins to the Ye family,”

“Saying that the Ye family tomorrow morning at eight o’clock must be standing in mourning, welcoming his parents’ coffin moved into the Yeling Mountain, or he will have to destroy the Ye family.”

While speaking Marven remembered and said: “Oh yes, also asked for my parents’ casket, half of the Ye family assets, you say he is not quite outstanding?”

### **Chapter 3492**

After hearing this, Zynn only felt his brain buzzing.

He didn’t know why, seeing Marven’s appearance at this moment, he had already decided in his heart that Joseph would definitely lose tomorrow!

So, he subconsciously said off the top of his head: “Mr. Ye Joseph ..... Joseph he ..... it must be because of his parents’ death back then, so there is some pent-up resentment against the Ye family...”

“...Also please see that he is avenging his parents’ death, don’t be ordinary with him .....”

Marven raised his eyebrows and asked with a smile, “What? You just don’t think that much of him?”

Hearing Marven’s question, Zynn couldn’t help but let out a bitter smile and said, “I know Mr. Ye’s ability .....

After saying that, he looked at Walter beside him and said with a bitter smile, "Isn't this one of the Four Great Battle commanders of the Cataclysmic Front?"

"It is said to be the one whose strength is second only to Joseph, but in front of Mr. Ye, he may not last a single face, so it seems that Joseph in front of you is just a mantis ....."

Marven smiled faintly, looked at Walter at the side, and asked him, "Walter, how is the strength of your Supreme Commander?"

Walter said respectfully, "The Supreme Commander is an eight-star martial artist, his strength is quite higher than mine."

Marven nodded and asked again, "Then who do you think is a little stronger, the two of us?"

Walter said without thinking: "It must be you who is stronger ....." My strength is not as strong as the Supreme Commander, but at least I can fight the Supreme Commander head-on for dozens of rounds, but I have no power to fight in front of you ....."

All this time, Walter's consciousness was sealed by Marven, what he thought and said, most of the time, his words were true.

But this time, his own consciousness and his own body, surprisingly completely consistent.

Although he did not know exactly what divine ability Marven used, he was able to directly seal his consciousness completely.

But he knew that Marven's methods were more than one realm higher than the martial artist.

The gap was as insurmountable as the gap between a cold weapon and a hot weapon.

Marven listened to what Walter said and nodded and smiled: "Eight-star martial artist, it's not easy, Joseph should not have suffered much in these past twenty years in order to reach this cultivation level, right?"

Walter nodded and said, "The Supreme Commander is a rare martial arts genius in the world, behind the elder master guidance, the starting point than most martial artists was much higher,"

"And the Supreme Commander was determined to avenge his parents, in order to this goal, he practiced three nines in winter, three volts in summer, daily practice eighteen hours, twenty years as a day, to have the strength as of today."

Marven blandly laughed: "Endured twenty years of suffering, in the end only to carry the casket of his parents and came to die, so think about it, his fate is really quite tragic."

After saying that, he looked at Zynn and said with a smile, "Mr. Su, have a good rest tonight, you have to get up early tomorrow to meet with this nephew of yours, so I won't bother you much."

Zynn couldn't help but shiver.

Then, Marven looked at Luther and instructed, "Mr. He, send them to Yeling Mountain by seven o'clock tomorrow morning, I will be waiting on Yeling Mountain at that time."

Luther immediately clasped his hands and said respectfully, "Mr. Ye, please don't worry, early tomorrow morning, I will personally take these two people to Yeling!"

Marven nodded and smiled faintly, "Thank you all, after tomorrow, I will have a big gift to give!"

Zynn incomparable panic said: "Mr. Ye ..... Joseph does not know the true face of you, but please look at him tomorrow just wants to avenge his parents, it is justifiable, let him live ....." "

Marven sneered: "Mr. Su, doing the wrong thing will have to bear the consequences, this fact, you have lived for fifty years, do not you still understand?"

He added: "If you had not led the formation of the Anti-Ye Alliance back then, you would have been with your wife and children now, instead of being locked up here by me!"

Zynn said nervously, "Mr. Ye, that's not what I mean ..... I think that this child, Joseph, has not had an easy life ..... he is also eager to avenge his parents, justifiable... .."

Marven said coldly: "His parents both died by suicide, what revenge does he have to avenge? Besides, if he wants to avenge his parents,"

"He has to strip my parents' graves, what kind of reason is that? Before I kill him tomorrow, I will step on his head and ask him who taught him that!"

Zynn was frightened and wanted to say something, but when the words came to his mouth, he hurriedly swallowed them back.

He knew that Joseph this time pissed off Marven too thoroughly .....

This child even come to directly find the Ye family, face to face confrontation, or competition is also understandable,"

"But why he has let the word out, to pick the graves of the Changing couple?"

This is not a call for death, what is it?

Marven said indifferently: "Mr. Su, you'd better pray to heaven now and pray that your family is not involved in this matter!"

"Otherwise, no matter who is involved, I will never be soft!"

Chapter 3493

Zynn was frightened by Marven's aura, full of murder.

At this moment, he has only one thought in his head, that is, the Su family must not be blind to get involved in this matter.

It is better for them to have nothing to do with this matter.

However, how could he know that his father, who was already excited, was waiting for tomorrow morning to go up to the Yeling Mountain with Joseph and witness the demise of the Ye family!

At this time, Chengfeng, while eating his dinner, used his chopsticks to order a few bowls and plates, and said to his housekeeper Anson, "Anson, there is no wine for this dinner, it's almost meaningful!"

Anson said with a smile, "Master, the doctor told you to drink less and not to drink as much as possible,"

"And you have to get up early tomorrow. I was afraid that you might miss something by drinking, so I didn't prepare."

Chengfeng said with his face, "I ask you, what day is it today?"

Anson said, "The fourth of April, why?"

Chengfeng cursed: "Bullshit, I can not know that today is the fourth day of April! I mean, what is the big day today?"

Anson's eyes twinkled and he quickly thought about it, then he said, "Master, today is the day that the Cataclysmic Front will kill the Ye family and make the Ye family lose face!"

"That's right!" Chengfeng laughed and said, "This day, even compared to the New Year, is no less than the New Year, right? If I don't have a drink on such a festive day,"

"Can I afford to ignore the one hundred coffins from the Joseph to Ye family? Can I turn my eyes to Changying, who will be thrown to the ground in the morning?"

Anson nodded: "You're right, Master, I'll go get you some wine! Which kind do you want to drink?"

Only then did Chengfeng nodded in satisfaction and instructed with a smile, "Get the best Maotai, and bring me an extra glass, I have to toast to Changying! Hahahahaha!"

Anson hurriedly fetched the best Maotai wine, and also brought two Maotai wine glasses.

Chengfeng put down his chopsticks and laughed loudly, "Come on, fill them all up for me!"

Anson hurriedly opened the Maotai and poured two cups out.

Chengfeng picked up one of the glasses, tilted his head, and drank it all, smacking his lips while laughing: "Hey! Tsk tsk ..... people are in good spirits, this wine has become even more mellow than usual!"

After that, he picked up another cup and said with a sneer, "Changying ah Changying, back then you called the thunder in Orgeyon, the scenery,"

“But have you ever thought that twenty years later, Wan’s son will personally pick your grave and bruise you?”

Speaking of this, Chengfeng grunted, shook his wrist, poured a glass of wine on the ground, and laughed: “Come on, nephew, have a drink! After tomorrow, you will be a ghost floating in the air, scattered and floating! Hahahahaha!”

.....

Chapter 3494

On the other hand, after Marven left the farmhouse, he asked Leon to send him back to the Gu family.

On the way back, Marven explained to Leon: “Housekeeper Leon, go back tonight, have your people outside keep an eye on all the Ye family’s movements, see who are quietly sneaking out to buy mourning clothes at night,”

“But whenever someone goes out, send someone to keep an eye on them, take some photos and keep them as evidence, and tomorrow, after settling that Joseph, I will settle a score with them too!”

Leon said without hesitation, “Yes, young master! I’ll arrange it now!”

Marven nodded and muttered, “These young and old men of the Ye family have lived a good life for too long, their bones have become too soft, after this time, it’s time to teach them properly!”

Leon respectfully said, “Young master, after tomorrow, you are the god of the Ye family, with you around, these people definitely do not dare to act rudely!”

Said, Leon added: “Moreover, after tomorrow, you will also be an unreachable existence in the eyes of all the families in the country, like your father was back then!”

Marven waved his hand and said seriously: “Tomorrow’s matter, always remember to block the news, do not let my identity spread to the outside world, now is not the time to stand out.”

Leon was full of confusion and said, “Young master, if you have even defeated the Cataclysmic Front,”

“Why not take advantage of this excellent opportunity to directly announce your identity and at the same time announce that you have become the head of the Ye family?”

Marven said seriously: “The Cataclysmic Front, in addition to a large number of people, does not have real influence, look at the United States Wall Street, the top Jewish families, can influence the economy of half of the world,”

“Can easily use the laws of finance to destroy the economic construction of a country for twenty years, can use the Congress, mobilize hundreds of thousands of troops and aircraft carrier battle groups to launch an attack on a country Attack, this is the real strength.”

Speaking of this, Marven sighed and said, "The Rothschild family, which is pervasive in the Western world, is such a behemoth, so I want to hide in the shadows and feel their bottom first."

"Understood!" Leon immediately said, "Tomorrow I will bring people to blockade Yeling Mountain in advance, except for people from the Ye family and the Cataclysmic Front, no one else will enter."

Marven asked him, "Butler Leon, how many people do you have available in Orgeyon now?"

Leon said, "Young master, I still have nearly a hundred reliable people under me, ready to be deployed!"

Marven asked curiously, "How come there are so many? Did they not flee this time when the Cataclysmic Front put out a harsh word?"

"No." Leon said respectfully, "We, all of us, have received great favors from your father, we are all united together, our greatest wish is to avenge your father!"

"Even if we have to give our lives, we will not hesitate to do so. Now that someone is trying to disturb the peace above your father, we have long been prepared to fight to the end, so we will not run away from the battlefield!"

Leon further said: "Some of them, some of them you know, some or the group of people who lurked in the Wrestvel orphanage, posing as orphanage staff,"

"After their orderly withdrawal from Wrestvel, also returned to Orgeyon, many of them are like me, older, but there are some as young as you, or even younger than you."

Marven asked in confusion, "Since they are all my father's old ministry, how can someone be younger than me?"

Leon explained, "Some are orphans your father sponsored to rescue, there are also children of your father's other old men, if not for your father, the vast majority of these people would have died, including me, our lives, all given by your father."

Speaking of this, Leon said with emotion: "Your father has been gone for so many years, the reason we did not leave the Ye family, is to wait for your return!"

Hearing this, Marven's heart was not only full of emotion, but also full of admiration and respect for his father.

A person died nearly twenty years, there are still so many people willing to die for him, so it can be seen, when the father was alive, was definitely a positive and great person.

When sighing, Leon had already parked the car in front of the Gu family.

He stepped out of the car, pulled open the door for Marven, and respectfully said, "Young master, you should rest and refresh yourself tonight, other trivial matters will be properly handled by me!"

"Good." Marven nodded slightly: "Housekeeper Leon you have worked hard, go back and rest well too."

“Thank you for your concern, young master!”

Chapter 3495

After Marven said goodbye to Leon, as soon as he entered the Gu family, Sara rushed out the door.

With red eyes, she ran to Marven and hugged him, choking with pity, “Marven, tomorrow I want to accompany you to Yeling Mountain!”

Marven saw that her eyes were red from crying and couldn't help but ask, “What's wrong? Why crying like this?”

Sara choked and said, “Marven, you left today for a short time, Dad heard that the Cataclysmic Front wants to trouble you, ran outside for a day, begging around, but no one is willing to help, Dad came back, angry blood pressure rose, he can not stand .....”

Today, after Philip heard about the Cataclysmic Front attacking the Ye family, he went out and begged everywhere.

He originally wanted to rely on brushing his old face and begging for more helpers for Marven.

However, now all the members of the great families of Orgeyon had winded up about this matter.

The fame and strength of the Cataclysmic Front is too powerful, so much so that everyone in these great families of Orgeyon has concluded that the Ye family would definitely be wiped out this time.

Therefore, no one is willing to have any further involvement with the family at this time.

This is also the reason why Chengfeng began to get carried away so early.

Because in everyone's opinion, it is impossible for the Ye family to escape this time.

The Cataclysmic Front is like a swarming steel chariot, easily able to crush the Ye family's flesh and blood under the wheels!

Therefore, when these people heard that Philip wanted to go to Yeling to help, they were scared and refused repeatedly.

They didn't even dare to say a few more words to him, and sent him out of the house like a plague.

Philip ran outside for a day, purely for nothing, and also suffered a stomach full of anger.

The day's anger kept stacking up, causing his blood pressure to rise high when he returned, he almost fainted.

At this time, he is lying in the living room to infuse antihypertensive drugs, his wife Lenan in the side of the guard.

Marven listened to Sara, hurriedly said, "quickly take me to see Uncle, he is a person who has eaten rejuvenation pills, how can he still be angry and run into high blood pressure, what kind of gas is this ....."

Saying that, Marven pulled Sara and rushed into the villa with a step.

Once inside, he saw Philip lying on the sofa, while infusing liquid and cursing: "This bunch of snobs, usually surround me like dogs wagging their tails and begging for mercy,"

"Now I asked them to contribute some manpower, to support the personal scene, each one wants to beat me out of the house, really too ba5tard!"

Lenan could not help but persuade him, "Okay, okay, take it easy, don't let these people upset your body."

Philip said in a depressed voice: "I'm not angry, I'm anxious! I'm afraid that tomorrow Marven can not fight that what the h3ll what that Front ....."

Seeing this scene, Marven couldn't help but laugh: "Uncle don't worry, tomorrow no matter how powerful that Cataclysmic Front as well as that Joseph is, I can take it all."

When the couple heard Marven's voice, they hurriedly looked over.

Philip struggled to sit up and said offhandedly, "Marven back!"

Marven nodded and quickly walked up to Philip as well as Lenan and said, "Uncle, Auntie, this little matter of the Cataclysmic Front is actually not enough to be feared at all, you don't need to worry about me at all."

Philip was surprised and asked, "Marven, you ..... have a way to deal with that Cataclysmic Front?"

Marven laughed: "To this kind of small role, are not able to talk about what to deal with or not to deal with."

Saying that, he added: "I have actually been waiting for that Joseph to come to my door, as long as he dares to come, I will trample him under my feet, and then logically ascend to the seat of the Ye family head."

Speaking of this, he shrugged his shoulders and smiled, saying, "If he doesn't come, accepting this matter of the Ye family, I really don't know where to start, the old man is in his prime, I can't pull him down hard from the position of the family head."

Philip was immediately overjoyed and excited, saying, "Marven! What you said is true?!"

Marven nodded and smiled: "Of course, how could I lie to you about such things? Didn't you want me to become the head of the Ye family, inherit my father's legacy, and then carry the Ye family forward?"

“As the saying goes, if it’s not broken, it’s not fixed! If the Ye family is not in crisis at all, how would they willingly let me sit as the head of the family?”

“Therefore, the best way is to break and then establish!”

“And this Joseph is the hammer that will help me break the Ye Family!”

Chapter 3496

After hearing Marven’s words, Philip froze for a few seconds, then subconsciously asked,

“Marven, this Cataclysmic Front is actually very strong, with tens of thousands of people under its command, you can hardly beat four hands with two fists, let alone so many people!”

Marven laughed: “Uncle do not need to worry, the Cataclysmic Front is indeed with a lot of manpower, but the vast majority of them are hired mercenaries at their expense,”

“Something happened above, these people immediately scatter, and their real core team is only about a hundred people, not enough to fear.”

He further said: “Moreover, they do not dare to bring a lot of people into China with great fanfare, at most a bunch of backbone quietly mixed in.”

Philip said: “I heard that those cadres, one of them, almost all martial arts experts, and some of them are also extremely top martial arts experts, can you handle it?”

Marven smiled and said, “I was in the Middle East some time ago and dealt with the Cataclysmic Front, indirectly causing them to lose thousands of lives and more than 10,000 people were captured,”

“And among them, one of the four battle commanders, whose strength is second only to the Joseph, he is no different from a waste in front of me,”

“I have already captured him and had him brought to Orgeyon, tomorrow morning I will bring him out and will bring him to Yeling.”

Philip said dumbfounded, “Marven! Rumors out there say that this Cataclysmic Front suffered a huge defeat in the Middle East some time ago, this matter is related to you?”

Marven nodded and smiled, “It can almost be said that most of that defeat they suffered was thanks to me.”

Philip’s jaw dropped as he listened, and after a long time, he couldn’t help but look up to the sky and laugh!

Then, he laughed loudly, “Hahaha! That’s great! That’s great! In that case, the Cataclysmic Front is not an enemy at all, it is a friendly army that has crossed ten thousand miles to bring you a pillow!

After saying that, he smoothly pulled out the infusion needle on his wrist and flung his hand at Lenan, "Wife! Quick! Prepare the food and wine! I want to have a few drinks with Marven! I want to get drunk tonight!"

Lenan's heart was equally excited, but she didn't expect her husband to pull out the needle and prepare to drink after he had infused the antihypertensive medicine in the hand.

So she laughed helplessly and said, "You're having an infusion, how can you drink?"

Unexpectedly, Philip retorted, "Drink! We must drink! This is much more enjoyable than the New Year! It's better than the New Year!"

What Philip did not know was that Chengfeng was also thinking the same thing at this time.

.....

This night, Orgeyon suddenly rained lightly.

At this time of spring rain, there were many people who lost sleep and many people who got drunk on wine.

The first one to get drunk was the elderly Chengfeng.

No way, he was too happy tonight.

After the Su family suffered one huge blow after another and was torn apart, he finally had an exciting moment.

Because of the previous suppression for too long, he is now a bit overjoyed and forgetful.

Anson brought over a bottle of Maotai, he himself drank more than half of the bottle, the remaining small half of the bottle, he poured a cup on the ground, all to Changying.

He said he wanted to honor Changying of the Ye family, but in fact, it was just to satisfy his deepest pleasure.

At the end of the day, Chengfeng looked back and saw himself quietly rushing back to Orgeyon alone with Anson, without a single child or grandchild around, without a single relative, and his heart was incomparably despondent.

He drank a few more glasses and cried and laughed for a long time before he finally fell asleep and was sent back to his room by Anson.

And at the same time, another person at this time was drunk..... Joseph Wan.

Tomorrow morning, he will take his parents' coffin out of the ancestral tomb and take it to Yeling Mountain, so he plans to spend the night in front of his parents' grave.

After twenty years of enduring humiliation, now finally to avenge the death of his parents, he was excited, in front of his parents' grave drank several pounds of high white wine.

Originally, with his strength, he was able to force all the alcohol out of his body through internal force, but he did not do so, because he really wanted to get drunk.

On the other hand, Philip was also drunk, so drunk that he was almost unconscious.

It was Marven who helped him back to his bedroom.

He was too happy tonight.

After a long day of worry, fear, and frustration, he suddenly got good news from Marven's mouth, and this kind of low and high mood made him excited.

Lenan took care of Philip and went to bed, Sara took Marven's hand and was unwilling to let go of it for a long time in the living room.

Marven persuaded her to go to sleep, but she refused to agree, and had to lean on Marven's shoulder on the sofa.

She said that this way to always feel the presence of Marven, because she was afraid that after waking up, he will have left home, alone to the Yeling.

Marven knew that this girl cared about him, so he did not let her go.

So the two sat on the sofa and talked about the past until Sara could not stay up and fell into a deep sleep.

He just sat on the sofa and let her lean, did not move all night, and did not sleep.

He was not thinking about Joseph, but about how he should inherit his father's legacy and let the Ye family go to the top of the world.

Although he knew very little about the situation overseas, he always felt that a prosperous path had taken shape, just waiting for him to really set off!

And, the same as Joseph, he also hopes to avenge his dead parents one day!

Chapter 3497

The next morning at five o'clock.

It had been raining all night, and the humid climate unique to the Qingming season had put a faint mist over the morning in Orgeyon.

After spending the night in front of his parents' grave, Joseph forced out all the residual alcohol in his body and burned three incense sticks, and kowtowed three heads in front of his parents' grave.

Then, with a firm expression, he said, “Dad! Mom! I have to disturb you two long sleep!”

“I hope you two know in heaven and can forgive me! Today, I’m going to move you two into the Wanling Mountain, where it will be your new resting place!”

Saying that, his eyes filled with tears, he choked up and said, “Dad, Mom! I will definitely avenge you two today! I will bury the bones of that Changying in front of you two! I hope you two can see this in heaven!”

Then, Joseph stood up and said to his men, “Prepare the coffin!”

“Yes, Supreme Commander!”

The men around him were all dressed in white mourning clothes.

Today, they were the same as Joseph, the filial sons of the Wan family, and were going to escort the coffins of Joseph’s parents all the way up to Yeling Mountain.

For today’s scene, Joseph also hired a special opera troupe to do the white ceremony, and left with the team at seven o’clock.

At six o’clock, the coffins of his parents had been carefully carried out of the mud and cleaned by Joseph’s own hands.

Then, the eight five-star warriors of Cataclysmic Front bundled the two coffins with thick hemp ropes, later, the two coffins will be carried by the eight of them, and hike up to Yeling Mountain.

Marven, who had not slept all night, could not feel any fatigue at this time.

His body was filled with powerful spiritual energy, which made him confident deep inside.

At six o’clock, Sara’s alarm rang in her head, relying on Marven’s shoulder after a night’s sleep, she immediately woke up like a lightning bolt, then saw Marven still beside her, which was a relief, and opened her mouth to ask: “Marven when did you wake up?”

Marven smiled faintly: “Just woke up.”

Sara was busy standing up, moving her somewhat stiff torso, and asked him, “When are you leaving today?”

Marven looked at the time and smiled, “Soon, housekeeper Leon will pick me up in twenty minutes, and I have to be at Yeling Mountain by seven o’clock.”

“Okay!” Sara busily said, “Then I’ll go wash up now!”

At this moment, Philip and his wife also walked out.

Although Philip was drunk last night, he woke up very early today and was in excellent spirits.

When he saw Marven, Philip said smilingly, "Marven, are you ready?"

Marven smiled and said, "Always ready."

Philip nodded and said excitedly, "Then your Aunt and I will accompany you to Yeling!"

Sara looked at her dad and said offhandedly, "Dad! I want to go too!"

Philip laughed and said, "You have to ask Marven about that, I can't say!"

Sara hastily hugged Marven's arm and said petulantly, "Marven, please just take me with you!"

Marven nodded and said, "It's okay to go, but you must be obedient and must stay honestly by my side, remember?"

Sara said excitedly, "Remember, remember! Do not worry, I will be honestly by your side!"

Marven smiled slightly: "All right, go wash up, the car will arrive in twenty minutes."

.....

At this moment.

Ye family.

Last night, everyone in the family did not sleep.

Marven's "half" answer, let Zhongquan also tossed and turned all night without sleep.

Although Leon had been resting on his laurels, he was also excited and did not close his eyes all night.

Last night, Andrew and Changyun, and other people quietly discussed, they are afraid that Ye's will be hot-blooded in Yeling today, and then fight with Joseph.

Therefore, they sent Hawade out overnight to buy a batch of mourning clothes, which they intended to take with them to Yeling Mountain.

Their intention was that in case the old man really did not concede, everyone would change their mourning clothes on the spot, fall back on the spot, and at the same time agree to all the demands of the Cataclysmic Front.

In any case, life is most important.

Zhongquan also does not have any confidence in his heart, can only first gather everyone to go to Yeling Mountain, put all the hope on Marven.

.....

## Chapter 3498

At six twenty, Marven got into Leon's car, and the three members of the Gu family were driven by Philip himself in another car, and together they went to Yeling.

After driving, Leon said to Marven: "Young master, last night, young master Morgan and young master Hawade, as well as your fourth uncle and great aunt, all quietly slipped out,"

"My people followed all the way and found that they all bought varying amounts of mourning clothes from different places."

Marven hummed and laughed and spoke, "Good, when I solve the Joseph, I will properly discipline and punish these unworthy sons and daughters in front of the ancestors of the Ye family!"

Leon added: "Young master, there is another thing, is that the sideline members of the Ye family over at Shangri-La, since yesterday afternoon, they have been fleeing one after another, by now they have basically all run away."

Marven gently nodded, said without concern: "This is all expected, it's okay, when I take over the Ye family, I will settle this account with them."

Saying that, Marven asked again, "Right, Butler Leon, these side branches, are they still related to the Ye family in the business?"

"Of course." Leon busily said, "Most of their business is related to the Ye Group, most of them are suppliers or distributors below us, and at least half of their profits come from the Ye Group."

Marven nodded with satisfaction and said, "That's much better, nowadays, in this society, not many people still care about family honor, so we have to jam them in the interest to make them behave."

.....

Six forty-five minutes.

The early morning after the rain carried a few chills.

Marven took Leon's car and drove into the gate of Yeling Mountain.

At this time, outside the gate, more than thirty middle-aged men whose hair was already a bit gray, uniformly wearing black suits, stood in three rows in the middle of the road.

These thirty people, the oldest seems to be more than sixty years old, the youngest is also more than forty years old.

They look solemn, but also with a few death-like faces.

Leon's car came to the front, these thirty people immediately flashed away to the sides, making way for a channel.

Marven suddenly discovered that one of the thirty people outside was the director of the original Wrestvel Welfare Institute!

This dean surnamed Zhang, is also one of Leon's men, Marven just got himself into the orphanage not long, he was transferred to the orphanage as director, until some time ago only to leave, working in the post for nearly twenty years.

Recognizing the director, Marven asked Leon: "Butler Leon, these are my father's men, right?"

Leon nodded: "That's right, they are all of them."

Marven said, "Stop the car quickly."

Leon immediately stopped the car.

Before Leon came down to open the door for him, Marven had already pushed open the car door and walked out.

A group of people outside, seeing that it was Marven who had come, each one of them was immediately surprised and excited, and many of them were already in tears.

"Young master! You're back!"

"Young master! It's really you ....."

"Young master ....."

All the people were a little emotional for a while.

Unlike the orphanage's director Zhang, the others, hadn't seen Marven again for so many years.

Although they knew that he had been living in Wrestvel, they all had not seen him because of the principle of not venturing to disturb him.

But, after all, Marven looked too much like his father.

Therefore, when he got off the car, everyone immediately recognized him.

Marven saw all these elders with red eyes, and he felt a layer of mist clouding his eyes as well.

Then, he looked at the crowd, knelted on one knee, clasped his hands, and said loudly incomparably serious: "Uncles, you've worked hard all these years! Please accept Marven's obeisance!"

### **Chapter 3499**

Seeing Marven suddenly kneeling on one knee, these Changying's old, loyal men, have come forward to support, each one is already in tears.

Among them, one of the oldest old man said with tears: "Young master, please don't! We are all your subordinates, how can we accept such a big gift from you!"

Marven said firmly, "All of you are my father's old men, and you are still here today, so you are all faithful to the Ye family."

The old man said, "Young master, this is what we should do! In fact, when Young Master Changying had an accident, we, the servants, were not able to do our best for him."

"For so many years, not a day goes by that we don't feel guilty. Now that you've finally returned, you've given us a chance to redeem ourselves!"

Marven sighed: "You all have spoken too much!"

Then, he looked at the orphanage's director Zhang and said respectfully, "Director Zhang, how are you doing lately?"

Dean Zhang hurriedly took a step forward and bowed respectfully, "Thanks to the young master's concern, I am quite well lately, but for so many years, I had to conceal my identity from you because of special reasons, so please forgive me, young master."

Marven arched his hand and said, "Dean Zhang, you have spoken too much, I know that you have been protecting me in secret, for so many years, you have worked hard."

After saying that, Marven looked at the crowd again and said from the bottom of his heart, "All of you, uncles, have worked hard!"

The old man said: "Young master, this is all within our duty!"

President Zhang also said, "Yes, young master! This is all our part, almost all of our lives are given by Young Master Changying, in a moment Young Master, don't worry, if the people of the Cataclysmic Front attack us, they will have to step on our corpses!"

Marven was busy saying, "Gentlemen, there is no need! Today's matter, I want to personally settle it face to face with Joseph of the Front, all of you uncles here, just guard the gate,"

"Don't let other idle people into the mountain, as for the people of the Cataclysmic Front, please also make sure to let them in, don't block them in any way."

"How can this be!" The old man said anxiously, "Young master, we are here today to fight to the death with the Cataclysmic Front!"

Leon hurriedly stepped forward and said, "Listen to me first, everyone! Young master has absolute certainty to deal with that Joseph, you all should not spoil the young master's good deed, so when the Front's people come, you just let them go up the mountain!"

The crowd was shocked.

Several people immediately went forward and repeatedly confirmed with Leon.

Leon spoke with great certainty each time, which forced the crowd to accept the order.

They didn't know if Marven was really sure about dealing with Joseph or not, but since both Marven and Leon were sure several times, they could only do as they were told.

Seeing that he had convinced them, Marven once again arched his hand at the crowd and spoke, "It's hard for all of you to guard here, I'll go up the mountain first."

Saying that, he re-entered Leon's car and continued to move to the top of the mountain.

Marven rode in the car all the way up the mountain with a lot of emotions in his heart.

This was the second time he came up to Mount Yeling, and it meant a lot to him.

At this moment on the top of the mountain, all the members of the direct line of the Ye family in Orgeyon had arrived.

In addition to that, Orvel, Zak Chen, and Helena had also arrived.

However, the original seven hundred people from the Ye family's side branches had almost all run away last night.

The only one left behind was Zhongquan's younger brother, Jonathan.

The children and grandchildren of Jonathan had also fled Orgeyon and returned to North America in the early hours of last night.

As for the other hundreds of people, they all ran home under the stars.

They knew that this time, the Cataclysmic Front only targeted the Orgeyon Ye family, and they had nothing to do with these side branches.

Under such circumstances, how could they stay and share the hardships with the family?

### **Chapter 3500**

Marven got down from the car, seeing that there were only so few people at the scene, he asked in a cold voice: "Didn't you say yesterday that there would be more than seven hundred members of the Ye family from all over the world to attend this ancestral ceremony? Why are they all gone now?"

Zhongquan said awkwardly, "Marven, as the saying goes, each of them will fly away when the disaster comes, they know that we will not escape this time, so naturally they cannot die with us, so it is only human nature to leave and escape the incoming calamity."

Marven hummed and laughed and said indifferently, "Who has the big list from yesterday? Bring it to me."

Eldest uncle Andrew walked up somewhat depressed and handed a thick roster to Marven's hand, saying resentfully, "Here! You can read it yourself."

Marven directly threw the roster to Andrew and said coldly, "Immediately notify everyone on here who should come but didn't!"

"If they don't show up within an hour, they will have to come up from the foot of the mountain tomorrow, kowtowing three times and kneeling nine times to atone for their sins!"

Andrew, in a moment of anger, does not know what to say, aside of Morgan, at this time a decrepit face said: "Marven, all right ..... old pretend old pretend is no longer meaningful,"

"This after another hour Joseph Wan will come, we are dying, you still say these pretending words, what is the point?"

Marven frowned at him, questioned: "What? Yesterday's slap wasn't enough, was it?"

Morgan took a few steps back in fear and said resentfully, "Okay, okay, I'll shut up, I'll shut up! Anyway, it's only an hour away, I'll wait here to see how you'll solve Joseph!"

Marven didn't bother to pay attention to him, and turned to Andrew and said indifferently, "Call one by one immediately!"

Andrew had no choice but to take out his cell phone and dial one by one.

After making dozens of calls in a row, none of the calls got through.

Andrew helplessly spread out his hands and said, "There is no way, they are all turned off, until tomorrow, I believe they will not turn on the phone."

"Good." Marven nodded expressionlessly and spoke, "Then wait to see these seven hundred people lining up and kowtowing to the mountain tomorrow."

At this time, Philip also drove the car up after catching up with Changying's old men at the bottom of the mountain.

Once the car stopped and Philip's family came out of the car, everyone in the Ye family was stunned.

Zhongquan was the most surprised, he asked Philip dumbfounded: "Philip ..... you ..... how did you come?"

Philip came forward and said respectfully, "Uncle Ye, Changying is my eldest brother and Marven is my future son-in-law! For such a major event, how could I not come!"

Zhongquan's eyes were slightly red and he sighed: "Philip ..... you have love and righteousness, uncle appreciates it! But this kind of thing is not in jest, I advise you to hurry up and take your wife and children back! No matter what, the Ye family can't drag you down!"

Philip said firmly, "Uncle Ye, what are you saying? I think you know how I am, Philip, and I will never leave Yeling until this matter is resolved today!"

Zhongquan wanted to say something, but hesitated for a moment and finally only turned into a sigh: "Philip! You are a good man! My son did not make a mistake about you!"

The Ye family members were all a bit resentful, Andrew was depressed in his heart, he and his son had been neglected by the old man since yesterday, now even Philip could get his praise, he was even more upset in his heart,"

"Looking at Philip, he couldn't help but complain: "Philip, you are at least the head of the Gu family worth hundreds of billions, if you really came to help, why didn't you even bring a helper with you? What can you do with just your family of three?"

Philip said seriously, "Brother, originally I wanted to bring all of the Gu family's subordinates up here, but that would add to trouble for Marven, so I skipped it."

Andrew skimmed his mouth and said disdainfully, "Adding to the chaos? Now the most fearless is to add chaos! Cataclysmic Front will come up at eight o'clock, I really want to see how to deal with such a small number of people."

Zhongquan glared at him and was about to reprimand him when Leon received a report over the intercom and ran to Marven and said, "Young Master, the people at the bottom of the mountain said that a few cars insisted on going up the mountain and said they were your people, surnamed He."

Marven nodded and said, "They are indeed my people, let them come up."

"Okay!" Leon immediately picked up the intercom and spoke, "Let them come up!"

One by one, the Ye family was a little surprised, they didn't expect that Marven had even found helpers.

At this moment, Hawade whispered to Changyun and the others around him, "I don't know what kind of helpers this Marven can get!"

Morgan sneered with a black face, "What kind of reliable helper can he find? I think it's just like Orvel and Zak Chen, just a couple of bumpkins from Wrestvel!"
