

## The Amazing Son In-Law Chapter 3511-3520

### Chapter 3511

According to the “Nine Profound Heaven Scriptures”, martial arts is actually only a small introduction to ancient Chinese martial arts.

The ancient martial arts is an extremely profound cultivation method, which contains many realms.

And even if all eight channels are complete, it still only belongs to the most elementary realm of ancient martial arts, the Ming realm.

Only by breaking through one more major realm can you enter the dark realm of ancient martial arts.

But after the dark realm, there is still the realm of transformation and the realm of patriarchs.

So, Joseph is just the one with the best academic performance in the kindergarten class.

But just go to the first grade to fish out a person, can crush him in all aspects.

Not to mention that there is middle school, high school, and even college.

At this time, Joseph found Marven sizing him up, and could not help but sizing up Marven as well.

He saw that Marven was just a frail scholar and did not seem to have any cultivation, so he could not help but be a little surprised:

“I am not hiding the slightest bit of killing energy at the moment, even ordinary martial artists would not dare to look at me, this kid has no cultivation, how come he still has so much guts? Is this the newborn calf that is not afraid of the tiger?”

Then, he looked at these people around Marven and found that there were quite a few martial artists among them, and many others who were six or seven points similar to martial artists, and at the same time three or four points different.

Then, the corner of his mouth wiped over a smile and said in a cold voice: “I said how the Ye family people are so bold, it turns out that they have found helpers, I did not expect that there is a four-star martial artist in here,”

“And there are two foreign martial artists with the same strength as a four-star martial artist, if I am not wrong, it should be Japanese ninjas, right?!”

When Joseph said this, Luther’s face as well as Nanako’s face changed slightly.

Luther did not expect that the other party could tell his cultivation level at a glance!

And Nanako didn’t expect that Joseph could tell that the ones she brought were ninjas just using his eyes!

Moreover, he could see that there were two top ninjas among them.

This shows that Joseph's strength is not just a little bit stronger than theirs.

However, Joseph did not expect that Marven would faintly smile at this time and blandly said, "Sorry, you guessed wrong, to deal with a trash like you, there is no need to invite any helpers, they are all spectators that I invited here, waiting to see how you are abused!"

Everyone at the scene did not expect that Marven would not be afraid at all when he met Joseph.

The Ye family people with mourning clothes, almost at the same time in the heart cursed Marven, why he is opening the mouths of hell for them at this time.

Joseph is intending to kill them, and still, he dare to say such pretentious words, this really fcuking light into the toilet, fcuking looking for death to come .....

Even Elder Ye was all scared, his liver tremble, afraid that Marven annoyed Joseph, the other side directly looked red-eyed with anger, if acted on them, then everything is finished.

And Joseph is furious.

He really did not expect that there was someone in the Ye family who dared to talk to him like that!

So, he asked in a cold voice: "Kid! You're a bit too arrogant, if you don't know how to write the word death, I can teach you!"

Marven laughed: "No need, I can write the word death, I can carve your head for free later."

After saying that, he asked in a loud voice, "Where is Orvel?"

Orvel immediately raised his hand and said in a loud voice: "Master Ye, I'm here!"

Marven didn't turn around, smiled at Joseph, and asked Orvel: "Do you have your knife with you?"

"Yes!" Orvel said in a loud voice: "Master Ye, is it that you want me to carve his head later?"

"That's right!" Marven nodded and laughed: "You're still the most on top of things!"

"That's for sure." Orvel said with a smile, "Master Ye, we high and low have also practiced this human calligraphy, we have experience!"

Joseph's face, already a burst of iron blue.

His fists were clenched, he could not wait to rush up and kill Marven immediately.

Just when he was almost on the verge of losing control, Harmen, who was on the side, pointed at Marven and cursed in a cold voice,

“Kid! It’s you again! Yesterday, you were the most arrogant! Now you dare to shout at our Supreme Commander! You’re really fcking tired of living!”

Saying that, he gritted his teeth and said, “I said yesterday, if I don’t see you kneeling here in mourning today, I’ll be the first to kill you! Take your life!”

As soon as Harmen’s words fell, he was suddenly about to rush towards Marven and turn on him.

However, at this time, Joseph suddenly pulled him, making him unable to move.

Immediately after that, he stared at Marven and said expressionlessly, “Kid, I see you look familiar, which one of the Ye family are you? Who is your father?”

Marven put away his smile and said in a cold voice, “My name is Marven Ye! My father is Changing Ye!”

### **Chapter 3512**

“Hiss ……,” Joseph gritted his teeth and took a long breath when he heard the two words Changing Ye!

Chengfeng on the side was also stunned!

Even in his wildest dreams, he never thought that changying’s son would still be alive after so many years of disappearance and that he would return to the Ye family!

At this moment, Joseph looked at Marven with a fierce smile on his face and said with a bit of excitement: “I said you look so familiar! It’s true that you look like changying!”

After saying that, he suddenly looked up to the sky and laughed long, with a bit of madness, and said, “Hahaha! The sky is really not to blame! I’ve been thinking, I’ve been thinking, changying has been dead for so many years,”

“How in the end I should take revenge on him! The best means I could think of was to dig out his coffin and bury him in his bones! But to my surprise, his son is still alive!”

Immediately after that, Joseph put away his smile and stared at Marven like a dead man, coldly saying,

“Today, I’ll chop off your head in front of changying’s grave! I will let his soul in the eighteenth level of hell never rest and never be reborn!”

Marven was angered by his words, but did not immediately show it, said indifferently: “Remember, villains usually die from talking too much!”

Harmen couldn’t stand it and said, “Marven, you really don’t see the coffin and don’t shed a tear! To deal with trash like you, we don’t need our master to take action, I’ll kill you!”

Joseph sternly shouted, “You shut up! He is the son of my father’s enemy, I have to kill him with my own hands to relieve my hatred!”

Harmen said in a panic, "Supreme Commander, I am talking too much, please punish me!"

Joseph ignored him, but looked at Marven and coldly said, "Don't say I won't give you a chance, in front of your parents and my parents, the two of us will have a good fight to see who is stronger than who!"

At this moment, Joseph was eager to kill Marven on the spot in front of his parents' coffin, in front of Marven's parents' mausoleum!

Because, only this is the best and most perfect way to take revenge!

Only in this way, could he tell his parents that their son was stronger than changing's son!

Only in this way could his parents' spirits in heaven understand that they did not win against changing back then, but their son won against changing's son!

This also means that his father finally won changing!

At the same time, it will also let changing's spirit in heaven see clearly that his win twenty years ago is nothing, twenty years later, he will get it all back with interest!

Faced with the provocation of Joseph, Marven snorted, pointed at Harmen, and said indifferently: "Let him come, I have a deal with him first, because he said yesterday that he would be the first to kill me today, and I also said, a deal is a deal!"

Joseph said in a cold voice, "What? Do you want to die under someone else's hands? Let me tell you, I won't let you get what you want!"

Marven said contemptuously, "Don't be so fucking sentimental, I just don't want to come up and bully you first, so pick a softer persimmon and pinch it first, you can watch from the side, when I'm done with him, then I'll come back and clean you up!"

"Fck!" Joseph was simply furious!

He pointed at Marven and cursed through gritted teeth, "You're really fucking eloquent! I've killed countless people over the years, and none of them have had a more cheap mouth than yours!"

The other commanders of the Cataclysmic Front were also going crazy with anger.

They had followed Supreme Commander Joseph for so many years, which outside world did not kneel down and beg for mercy when they heard the name, Joseph Wan?

This kid was the only one who cursed the Supreme Commander, this is a big fucking shame!

So, one person in the Front immediately stood out and arched his hand towards Joseph and said in a loud voice: "Supreme Commander! Please allow me to fight on your behalf and tear this bastard's mouth apart!"

Without waiting for Joseph to speak, Marven looked at him and cursed, "What are you? Get the hell out of here! I said that I have to honor my promise with this fool first!"

As he spoke, Marven's hand was already pointing at the white-clothed Tiger King Harmen.

Harmen knew that the stupid ba5tard in Marven's mouth was about him.

At this moment he was really going to be angry and blind.

He looked at Joseph and said eagerly, "Supreme Commander! Let me go, I'll tear him up!"

Joseph at this moment had a gloomy expression as he glanced at Marven, then said to Harmen, "You can only tear his mouth, his life will be left to me!"

Hearing these words, Harmen immediately nodded and said, "Your subordinate follows orders!"

After saying that, he looked at Marven and said with gritted teeth, "Kid! Come on! See how I'll tear your mouth, up to behind your ears!"

Marven looked at him disdainfully, then looked at Joseph and said in a cold voice:

"Wan, since it's in front of the spirits of your parents and mine, let's both set a rule, what do you think?"

Joseph looked at him and asked in a cold voice, "What rules do you want to set?"

Marven laughed: "The rules are very simple, I will fight with this fool, no matter what I beat him into, you and your people can not help, let alone run!"

Joseph snorted, "Marven ah Marven, you are really interesting! Harmen is one of the four battle commanders under my command, his strength is a six-star martial artist, just by you, you still want to win him?"

Hearing this, Marven just smiled lightly and said, "Four great battle commanders, six-star martial artist, it sounds quite bluffing."

Saying that, Marven asked with a playful smile, "But I heard that the most powerful of the four battle commanders under your command is called Walter Chen, you came to China this time, how come you didn't bring him along with you?"

#### Chapter 3513

Hearing Marven suddenly mentioning Walter, Joseph's expression instantly became very ugly.

Walter was the second strongest in the Cataclysmic Front after Joseph, and had always been one of Joseph's most valued commanders.

But such a number two person under one person and above ten thousand people unexpectedly suffered the most painful defeat in the Middle East since the establishment of the Cataclysmic Front.

Thousands of people were killed in action and more than 10,000 people were captured, which simply made the Cataclysmic Front lose face in the international arena.

Moreover, since then, Walter's whereabouts have been unknown and untraceable.

No one knows whether he was captured, defected, or is dead.

And Joseph knew very well that since Marven could say Walter's name, it proved that he knew very well about the failure of the Cataclysmic Front in the Middle East before.

At this time, he deliberately mentioned it, naturally to make fun of him.

The annoyed Joseph said coldly, "Kid, don't try to play fast and loose with your words here, not to mention Walter, even Harmen, you can't possibly defeat him!"

After saying that, he looked at Harmen and said in a stern voice, "Harmen, tear his mouth apart!"

Harmen nodded and stepped forward and said coldly, "Kid, come on, let me see how capable you are to say such crazy words!"

After saying that, his fists shook violently, and the powerful internal force gathered on the fist surface, actually hit two deafening explosions out of thin air!

Not only that!

The fine rain scattered around his fists, and even emitted the sound of water droplets vaporizing at high temperatures as if a red-hot iron was thrown into the water!

The powerful internal force was like a highly radioactive magnetic field, causing the surrounding martial artists and ninjas to be shocked.

Although Harmen had not yet struck, the wind from his powerful internal force had already made the surrounding martial artists realize that the strength of this man was so high that it has far exceeded their imagination!

Luther looked dumbfounded and exclaimed in a low voice: "This man's inner strength has become a miracle, he can form the astral wind between his hands and feet, and his inner strength is extremely pure! This ..... is the terrifying strength of a six-star martial artist!"

Ruoli was also shocked and said offhandedly, "Grandfather! This person is so young, why can he reach the level of a six-star martial artist? If you look at the whole country, there is not even a six-star martial artist!"

Luther sighed: "Ruoli has no idea, the country is peaceful and prosperous, the culture of martial arts practice is getting weaker and weaker, the domestic martial arts masters have gone overseas decades ago."

After saying that, Luther looked at Ruoli and said seriously, "Ruoli, you are so young to break through the three-star martial artist with the help of Mr. Ye, I think your future achievement must be above me! Reaching six stars may not be a dream!"

Ruoli said softly, "Six-star martial artist ..... I ..... dare not think about it ....."

Luther gave her a look and said seriously, "I might not have dared to think about it before, but you have the creation given by Mr. Ye, and with Mr. Ye's help, six stars may not be impossible ....."

After saying that, he looked at Ruoli and said in a serious tone, "Ruoli, after today, the He family will be led by you, seeing that the strength of the young people nowadays are as strong as this, this old bone of mine, I also need to close down and cultivate properly ....."

Ruoli did not expect that grandfather would suddenly hand over the leadership of the He family to her at such a time.

But what she didn't know was that Luther had actually made up his mind to let her lead the He family the moment he saw her last night, learned that she was still alive, and learned of all the experiences during this period of time.

Because he clearly realized that Marven is a person that the He family will not see in the next hundred years.

In the entire He family, Ruoli is the most benefited by Marven.

As long as she does her best to follow Marven's side in the future, Marven will never treat her poorly.

As for today's crisis in the Cataclysmic Front, he believed that it was not a problem for Marven at all.

Chapter 3514

At the same time.

Harmen, who was already prepared and intended to fight Marven with all his might, saw that Marven was unprepared and said with a cold smile, "Kid, why aren't you mobilizing your internal force? Are you not going to resist?"

The most powerful point of a martial artist was having internal force, and with the enhancement of internal force, their body strength, agility, and striking strength would all increase geometrically.

It was because internal force was the martial artist's origin power, so every martial artist had to transport internal force to their hands and feet before attacking in order to exert the strongest combat power.

However, Harmen did not know that Marven did not need the so-called internal force at all.

At this moment, his body was filled with spiritual energy, and this kind of energy was an existence that martial artists could not even touch.

So, he yawned and said to Harmen, “You are really too inquisitive, if you want to fight, just fight, what are you yakking about in one sentence?”

“Grass!” Harmen was humiliated by Marven in public, he was already extremely angry and said through clenched teeth,

“I’m fcuking kind enough to let you make the first move, but you still don’t fcuking appreciate it, since that’s the case, don’t blame me for not being merciful!”

As soon as the words left his mouth, Harmen immediately attacked Marven!

The strength of a six-star martial artist is not a cover, Harmen suddenly struck, his body was so fast that everyone on Marven’s side could not even see it clearly.

Very fast speed with very strong strength, this punch even made a sound of breaking air, at first glance is fierce!

This is the power of the six-star martial artist, Luther, a four-star martial artist who only needs to look, from the depths of the heart can not help but be filled with despair.

The ninjas of the four great families, at this moment also completely frozen, just one action of Harmen, the strength displayed has exceeded them by more than one level!

Everyone immediately looked at Marven, they wanted to know what kind of method Marven was planning to use to deal with such a fierce attack.

However, beyond everyone’s expectations, Marven did not move at all.

Even though he saw Harmen’s right fist, fiercely attacked Marven’s chest.

The breaking sound of the heavy fist was like a whistling cannonball, causing everyone’s expression to tighten.

Seeing him exerting all his strength, Joseph was afraid that he would kill Marven with one punch, so he subconsciously shouted, “Harmen, leave him a .....

Joseph wanted to say leave him a life, but before he could say the word life, he was immediately stunned by the sight before him!

Only to see Harmen’s right fist had by now struck a full-force blow, and suddenly stopped at a position less than twenty centimeters from Marven’s chest.

Neither the people behind Harmen nor the people behind Marven saw Harmen’s right fist, which had been tightly grasped by Marven with one hand!

And at that moment, Harmen’s expression was already appalled!

On his fierce face, a three-year-old child-like astonishment and trepidation appeared.

He couldn't understand why his full-strength strike would be so easily grabbed by Marven.

And what was even more outrageous was that the moment he was grabbed, the force of thousands of pounds gathered on his arm disappeared out of thin air.

This feeling is like a person jumping from a height of 10,000 meters, as the acceleration of gravity becomes stronger and stronger, the speed and strength also become greater and greater.

However, just when the speed and strength reached the extreme, the whole person suddenly fell into weightlessness similar to that in space, the big difference between before and after is simply subverting common sense!

Everyone, including Joseph, were also shocked beyond addition!

Anyone can see that just now Harmen's punch was a thousand pounds strong!

Joseph was even afraid that his punch would shatter all of Marven's internal organs!

However, this is comparable to the attack of Mars hitting the earth, but was silently dissipated by Marven with a single lift of his hand, this ..... this is simply unimaginable!

Everyone there still does not understand, why?!

Marven's contemptuous smile, to Harmen, he coldly shouted: "Waste! I see that you are also a big man, why are you still as weak as a snail? Hurry up and use all your mother's strength for me! Come again!"

Chapter 3515

Who would have thought that such a change would happen on the spot?

Who would have thought that the full force of a six-star martial artist's strike, in Marven's eyes, could only end up with such an unbelievable evaluation as "as weak as a woman"!

Harmen couldn't even care about his anger.

He just stared dumbly at his own fist and muttered, "This ..... is impossible ..... this is never ..... possible."

Joseph was also confused.

Although he couldn't figure out how exactly Marven had done it, he had realized that this Marven was in no way simple!

And at this time, the Ye family, as well as the people who had come to help Marven, were equally shocked, but deep inside, they had already started to cheer!

A six-star martial artist, who couldn't even do anything to Marven, this proved that Marven did have the strength!

Morgan at this time also does not care about his usual dissatisfaction with Marven, whispered to Andrew, his father: "Marven he ..... he really knows martial arts? I see that this person can not touch him at all!"

Andrew nodded repeatedly, his expression had been much more relaxed, and spoke, "So it seems that this boy Marven has some real skills!"

Saying that, Andrew hurriedly instructed in a low voice: "Observe again, if Marven can really handle the Cataclysmic Front, hurry up and hide the mourning clothes, do not be discovered!"

Zhongquan was also very excited at this time, he looked at Marven's side face, his mind recalled Changying's vigorous, cross-armed appearance back then, unconsciously, his eyes were already filled with tears.

He could not help but feel: "Back then, the Ye family did not dare to follow the Changying together, who was trying to fight a big, so he angrily left, and finally died in another country ....."

"This! For this nearly twenty years, my heart has been very remorseful ....."

"Now, seeing the way his son stood in front of the Ye family and the Ye family's ancestral tomb, standing on his sword, made me see the shadow of Changying again ....."

"Perhaps, this also means that this old bone of mine will give way to him when the time comes ....."

At this moment, the other people of the Cataclysmic Front were also unable to understand the scene in front of them.

One of them, a black-skinned man, asked Joseph in a low voice: "Supreme Commander, the strength of the white-clothed Tiger King is still above me, and that strike he just made was indeed very impressive, how exactly did that guy across us defuse it?"

Joseph's expression was grave.

How did he resolve it?

He did not know.

He only knew that Harmen this time was in danger!

And he had promised in front of his own parents, as well as the heavenly spirits of Marven's parents, that no one from the Cataclysmic Front could ever come forward to help.

This also meant that Harmen had to face Marven alone.

So, he immediately yelled at Harmen, "Harmen! Make sure to go all out!"

Harmen's expression almost twisted as he murmured in his heart, "I ..... I just gave my all ..... am I really allowed to fight him to the death?"

Marven saw that Harmen had been dumbfounded and could not help but frown.

Immediately after, he suddenly raised his hand and slapped Harmen on the face, saying in a cold voice: "What the fuck are you dumbfounded for? I told you to come again, didn't you hear me?"

Harmen was dumbfounded by this slap.

Marven didn't use much strength, but the insult was extremely strong.

Chapter 3516

Harmen did not react at all and just let this slap come up, naturally, he was humiliated and indignant.

So, he took two steps back and roared in anger and shame, "I'll kill you!!!"

After saying that, suddenly his body sank, his bones made crisp sounds one after another, and his internal strength suddenly boiled like a boiling pot, quickly running to both arms.

Seeing this situation, Joseph's expression was immediately astonished.

He knew very well that Harmen was really desperate.

Because, what he was using now was the strongest move in his martial arts technique, the Divine Tiger Fist, the Divine Tiger Out of the Mountain.

The reason why Harmen was called the White Tiger King was because of the practice of the Divine Tiger Fist.

Among the Divine Tiger Fist, the most powerful attack was this Divine Tiger Out of the Mountain.

Its greatest feature was its ability to quickly raise one's internal strength by at least fifty percent.

However, this technique was not something that could be used casually.

This is because this kind of drastic overdraft will bring strong repercussions to the user.

Lightly, the body would need many days to slowly repair, and during this repair process, the user could only exert half of their own strength.

In the heavy case, it will cause the user's cultivation to drop, and it may even take a year or two to catch up with this part of cultivation.

Therefore, this move, the divine tiger out of the mountain, is Harmen's life-saving technique, unless it is life-threatening, must go all out to fight, otherwise will never easily use it.

At this time Harmen even directly used this move, it is clear that he has decided to fight with Marven to the death!

Moreover, Joseph knew very well that the strength of Harmen's move was so strong that even he did not dare to take it head-on, otherwise he would most likely be seriously injured.

If Harmen still couldn't take Marven with this move, then it was basically certain that Marven's strength was even higher than his own.

Then today, even if they kicked the real iron plate.

At this time Harmen is also regardless.

Marven's humiliation of him, has far exceeded his mental capacity.

Insulting him is just, and even directly slapped him, and in front of all the core members of the Cataclysmic Front, this face, he had to die to get back!

Marven also felt the changes in his body within a short period of time, and found that the internal force in his body had increased tremendously in an instant.

However, Marven remained unmoved.

Because, even if a mole is strong, it is still a mole.

At this moment, Harmen's body bones were powerful internal force commitment suddenly soared, as if the whole person instantly swelled a body shape, even the body of mourning clothes were propped up countless mouths.

When everyone was dumbfounded, Harmen suddenly bowed his body, like a fierce tiger descending a mountain, and rushed towards Marven!

Speed, strength, then the punch just now, much stronger!

The people behind Marven, before they can regain their senses, they feel a strong wind wrapped in sand and soil blowing towards them.

The people have subconsciously closed their eyes, but even so, the tiny grains of sand hit the face, like a pain.

In the crowd to wait for the gust of wind to pass, ready to open their eyes to see what happened, they found that the repeat of the same scene just now.

Marven once again grabbed the fist of Harmen.

And, this time, Marven used only one hand to grab both of Harmen's fists!

All these people behind Marven did not see his action just now and did not know how exactly he did it.

But all of this, Joseph, as well as the commanders of Cataclysmic Front behind him, saw everything clearly.

Just now, Harmen's fists came out like a fierce tiger and pounced on Marven.

But to his surprise, his original thundering fists, in front of Marven, were as powerless as a three-year-old child's tender fists.

Marven just easily fished, then grabbed both of his fists to a halt.

A second ago, Harmen was a fierce tiger hunting with all his might.

And a second later, he went from a predatory tiger to a pet cat whose master had a death grip on both front paws and could not move at all!

Marven raised his eyes at this time and sneered: "I heard that you are called the White Tiger King, I thought you were really a tiger, never thought! You're even worse than Hello Kitty, you're really a waste of a waste!"

Chapter 3517

Hearing Marven's mockery made Harmen ashamed and indignant.

Seeing Marven's playful eyes, deep inside his heart, a strong sense of fear surged up again.

He subconsciously said, "This ..... is impossible! Even an eight-star martial artist could not have defused my Fierce Tiger's Mountain Strike so easily! How on earth did you do that?!"

Harmen's words also asked the heartfelt words of everyone in the Cataclysmic Front, including Joseph.

Each and every one of them did not expect that Harmen's full force strike would remain weak to the point of dregs in front of Marven.

Their long-held worldview of martial arts was completely turned upside down, never dreaming that there would be such a powerful expert in this world.

At this time, Joseph has also sobered up and realized that his revenge plan, which he had carefully prepared for twenty years, might have been declared a failure before he had really struck.

In the face of Harmen's move "fierce tiger out of the mountain", Marven's performance, completely unable to see his true strength, in what height!

This is like weightlifting, when an athlete lifts the maximum weight he can bear, even a layman can see through his body state, his expression state, that he has tried his best.

If your opponent exceeds you in weight, also seems to have done his best, or has been very hard, close to the limit, then you can probably judge his actual height.

However, if your opponent only used one hand, he can easily lift your limit weight without changing his face.

Then you do not know where his limit really is, he may still be able to lift twice the weight with one hand, perhaps two hands can also lift four times, eight times, or even eighteen times the weight.

But because Harmen, as the reference standard, is too far behind him, so no one knows, how strong Marven really is.

Marven at this time sneered and said indifferently: "Weak as such a dog, still have the nerve to call the fierce tiger out of the mountain? It's better to change the name and call it cockroach out of the hole!"

Joseph looked at Marven with shock and horror, and had only one feeling in his heart, that he could not see the bottom.

Even Joseph's benefactor, the ancestor of the entire Cataclysmic Front, had not reached such strength.

Because his benefactor, stagnated in the Ming realm Great Perfection realm for thirty years, had not been able to breakthrough.

For ordinary martial artists, breakthroughs in small realms are as difficult as the sky, not to mention such large realms.

To open the two veins, which in itself blocked the vast majority of martial artists, and to open four meridians or even five or six, is very few, eight-star martial artists are even rare.

And to leap from eight-star martial artist to become a Dark Realm expert, it is even more difficult.

However, to reach the strength shown by Marven, it is at least possible to become a legendary Dark Realm expert.

Therefore, Joseph realized that Marven's strength, must have crossed into the Dark Realm, even if his own benefactor was here, he might not be his opponent.

What's more, in order to find a breakthrough, his benefactor began to travel the world five years ago, and now where he is, even he is not sure.

At this moment, although Harmen has been violently struggling to break free, but his fists are totally immobilized.

He looked at Marven with a pair of terrified to the extreme eyes and asked with incomparable nervousness and apprehension, "What the h3ll are you ..... you?!"

Marven raised his eyes and blandly said, "I said, my name is Marven, Marven Ye."

Chapter 3518

After saying that, Marven smiled and asked him, "Harmen, haven't you been yelling about killing me since yesterday? What, is this all your strength?"

Harmen was even more terrified, he was afraid that Marven would immediately kill him, and subconsciously pleaded, "Mr. Ye! It's because I'm not aware of Mount Tai! Please spare me once ....."

"Spare your life?" Marven's eyelids raised, coldly asked: "Those people you killed in the past, did you spare their lives? And you, who have you spared?"

Harmen's expression suddenly froze.

He had killed countless people over the years.

With his strength, he had fought overseas for so many years and had hardly met any opponents who could compete with each other, so every time he went on an expedition, he was able to win with a crushing advantage.

And every time he won, the defeated party would also be as he is now, bitterly begging, but he never had a soft hand.

Now, the wind and water turn, it's finally his turn to beg others to spare his life!

And Marven, obviously not ready to let him go!

He looked at Harmen, the corners of his mouth suddenly rose a few points, revealing a playful and cruel smile.

Marven's sudden and strange smile made Harmen's heart instantly seem to fall into an ice cave.

Although he didn't know what Marven wanted to do to him, he could realize that he was going to be finished!

Just then, Marven's right hand that grabbed Harmen's fists suddenly reversed his wrist!

Immediately afterward, Harmen felt as if both of his arms were sent into a meat grinder with powerful horsepower.

Then, the two arms were twisted together like a twist!

The pain started from the wrists of both hands and spread all the way to the arms!

He could even feel his wrists break first, followed by his small arms, elbows, and shoulder joints .....

The pain that penetrated deep into the marrow of the soul was not terrible, what was even more terrible was that the pain seemed to carry a virus, which rapidly invaded his body and made all his inner strength disappear in this instant.

At this moment, Harmen's heart surged with deep fear!

So, he could no longer hold back, his legs bent, he involuntarily knelt on the ground, and shouted in despair: "Ah ..... my hand ..... my arm... ..so painful ah!"

Marven used facts to prove that the so-called experts, although strong, may really be afraid of pain.

Harmen has been practicing martial arts for so many years, but he has never experienced this kind of pain, having both arms twisted into twists alive.

In addition to the disappearance of internal force all over the body, the psychological and physical defenses are collapsing in an instant.

Therefore, he could only follow the direction of Marven twisting his arms, subconsciously kneeling on the ground.

And the other people on the scene, seeing this scene, each and every one of them is like being struck by lightning!

Who would dare to believe that a strong six-star martial artist, not only was his full strength strike silently dissolved by Marven, but even more outrageous, his arm was directly twisted into a twist by Marven!

The fractured bone scraps pierced through the flesh in several locations, and blood gushed out along the wounds, which was shocking to the eyes!

Harmen's pain was several times to faint, but the progression is again awakened by the intense pain, the mouth had to let out a pig-like howl, in an attempt to relieve the pain brought about by the violent impact.

At that moment, Marven said in a cold voice: "In vain you have practiced martial arts for many years, but in the end, this is the basis for many evil deeds, today, I will do justice to heaven and abolish all your cultivation!"

As soon as the words left his mouth, Harmen felt that the six meridians in his body that had been opened were suddenly rushed in by an extremely powerful force!

This feeling was as if the magma in the earth's crust was about to burst out of the crater, so powerful that it was simply unbearable!

In just an instant, he felt that all six of his meridians had been broken!

Years of hard training to become a six-star martial artist, but in this instant, ashes, and dust!

"My meridians ..... my meridians ..... are just gone! It's all gone just like that!"

Harmen muttered under his breath and suddenly let out a loud cry!

All his psychological support completely collapsed in this instant!

## Chapter 3519

Who would have thought that Marven would break all of Harmen's meridians at the same time as he broke his arms!

To be able to easily break all of Harmen's meridians and destroy all of his cultivation without making a sound, was simply a crushing difference between a human and a mole.

At this moment, everyone in the Cataclysmic Front was in despair.

The people around Marven, on the other hand, could not wait to cheer.

As for Chengfeng, who was draped in mourning, his whole body had collapsed, and his hands and feet were involuntarily shivering.

He really did not expect that the Ye family had such a powerful existence.

The Cataclysmic Front that he relied on, the Cataclysmic Front that he thought could absolutely crush Marven completely, was not a match for him at all!

He suddenly thought that his two granddaughters, as well as his eldest daughter-in-law, had run to help Marven, and his heart thumped: "Could it be ..... could it be that this Marven is the top expert who has been secretly targeting me?!"

Thinking of this, Chengfeng's heart, more desperate to the extreme.

And at this time, Marven looked at Harmen, who had completely collapsed, and asked with a smile, "What? The titled White Tiger King, how come you've conceded so quickly?"

In order to live, Harmen lost all his expert demeanor, he took the initiative to kneel on the ground and begged bitterly with tears in his voice:

"Mr. Ye, my arms are completely ruined, my meridians are also broken, now I'm a complete invalid, please please give me a hand, leave me a dog's life!"

Harmen, who had broken down to the point of kneeling down and begging for mercy, made Joseph's heart turn to ashes, and also made the other members of the Front shocked beyond belief.

Although Harmen was indignant beyond measure, he still wanted to live in his bones, and even if there was only a glimmer of hope for life, he was unwilling to give up.

Because, he knew Marven's strength, if he really wanted to kill him, it was as simple as moving his finger.

Harmen howled, his arms were twisted into a wretched mess, he could only use the strength of his waist and back to bow and kowtow, while kowtowing, while crying and begging: "Mr. Ye ..... I was wrong ..... I shouldn't have spoken out against you ..... much less provoked your majesty ....."

"But ..... but I don't want to die ..... I really don't want to die ....."

“Please, please, for the sake of I have become this useless, please be merciful, spare my life .....

Marven looked at him coldly, his voice steeply raised a few points, sternly questioned: “You just dared to be reckless in front of my parents’ spirit, do you really think I can spare your dog’s life if you kneel on the ground and kowtow to beg for mercy?”

Harmen cried out: “I know I’m wrong ..... I really know I’m wrong .....

Marven gave a fierce slap over, coldly said: “Now you know you are wrong? When you attacked the Ye family yesterday with a cigar in your mouth, weren’t you very arrogant? Didn’t you say you would be the first to kill me?”

Saying that, Marven’s eyes flashed and said coldly, “Right, don’t you love smoking cigars? Then I’ll come and make you a cigar, so you can smoke it properly!”

After saying that, Marven looked at Orvel and said offhandedly, “Orvel! Go get some yellow paper for the graves! Get some more!”

“Yes, Master Ye!” Orvel hurriedly took out several bundles of yellow paper to be burned at the grave from the pile of ancestor worship materials prepared by the Ye family.

### **Chapter 3520**

Marven brought a thick bundle, forcefully rolled it into the shape of a paper roll as thick as a mineral water bottle, and then directly stuffed one of them into Harmen’s mouth and said to Orvel:

“Come, Orvel! Serve this white-clothed tiger king to smoke a big cigar that I personally made for him!”

Orvel smiled heatedly and immediately took out a lighter and lit the other end of the paper roll, while lighting it, he sneered,

“Mr. Tiger King, you are really fcuking lucky to be able to smoke a cigar made by Master himself, I guess you are the only one in the world.”

When he saw that the paper roll was thicker, he couldn’t light it, so he slapped Harmen in the face and said, “Damn it, why don’t you smoke it? If you don’t smoke, how the fcuk can I light it?”

Harmen’s mouth was stuffed with this paper roll, his heart was filled with shame and anger, but he could only obey and desperately smoke.

But the smoke produced by the burning of this yellow paper could not be compared with the flavorful Cuban cigar, and after the first puff, Harmen was choked by the smoke and coughed, and tears and snot gushed out at the same time.

Marven glared at him and sneered, “Why did you lose your style of holding a cigar, spouting clouds, and talking in front of me yesterday?”

Harmen thought of his arrogant appearance yesterday and couldn't help but shiver.

Marven looked at his frightened look and continued, "Don't forget, you also killed one of my family's guards with cigar smoke! Even if it's just one life for one life, I'll kill you today!"

Speaking of this, Marven gave a slight beating and continued, "Don't you want to live? First finish smoking this big cigar, after that, I'll consider whether to spare your life, but if you can't finish, sorry, you're the first one to die today!"

Hearing this, Harmen was desperate and wanted to do everything possible to survive.

So, he could only desperately try, hard to smoke the thick roll of yellow paper, the whole person was choked by the smoke almost collapsed.

However, he did not dare to slow down, and could only do his best to inhale the smoke into his body.

They all knew that Harmen loved Cuban cigars, but who would have thought that he would end up in this situation today?

When he finally finished the roll of yellow paper, his whole body was about to collapse and die.

And when it burned to the end, the yellow paper with fire, directly to his lips and around the mouth, burning a bunch of prairie blisters.

Finally survived Harmen, coyly looked at Marven, softly asked: "Ye ..... Mr. Ye ..... I have all finished smoking, can spare my life?"

Marven sneered: "Of course not! You want to live, definitely not so simple! Everything depends on my mood!"

Harmen completely collapsed, so he turned his head, like a child with tears streaming down his face, looking at Joseph, choking and begging, "Supreme Commander ..... save me ..... save me Supreme Commander ....."

Joseph's heart at this time, also full of despair.

Never dreamed that today on the Yeling Mountain, will be such a situation.

He looked at Harmen's painful and desperate appearance, and then associated with Marven's incomparably powerful strength, his heart was already dead ash.

He knew that his revenge was completely hopeless.

So, he swallowed and spoke with a respectful tone and a hoarse voice: "Marven ..... please let him go! If you let him go, we, the Cataclysmic Front, will immediately withdraw, and in this life and in this world, will no longer oppose the Ye family!"

As if he had heard a big joke, Marven laughed: "Joseph Wan! Do you think that my Ye Family's ancestral tomb is a place where you can come and go whenever you want?"

Joseph gritted his teeth and asked him, "Then what do you want?"

Marven sneered, "What I want is to treat others the way they want to be treated!"

Joseph asked nervously, "What do you ..... you mean?"

Marven looked at the two coffins behind him and laughed: "Didn't you threaten to bruise my parents to death? It just so happens that your parents' coffins are right here, so work hard to experience your good idea!"
