

The Amazing Son In-Law Chapter 3541-3550

Chapter 3541

For Marven, the opportunity is not left for Chengfeng, but since he can not grasp it, it is not a good thing that they do not show any mercy.

Although the Maldives is also economically underdeveloped, but at least it is a global vacation destination, as for Madagascar, one of the world's least developed countries in Africa, the conditions are naturally a million times tougher than the Maldives.

Chengfeng heard this, suddenly also anxious, off the record: "You you how can say change so many people listen to you just clearly said the Maldives, how now it suddenly become Madagascar again? You you just can't return on your words?"

Marven said faintly: "Do you not understand what is a floating price? Just like speculation, the Maldives was the price just now, the current price is Madagascar, I suggest you better hurry up and say yes, otherwise it may become Congo or Somalia in the future."

Chengfeng wants to cry: "Even the stock is not so down, right, from the stop to stop, at most twenty percent of the float, you are shrinking 99.99 percent!"

Marven ignored him and looked at Zynn, asking him, "Is your father usually like this?"

Zynn was embarrassed and said, "Mr. Ye, my father he is not usually like this, today must be too stimulated"

After saying that, he hurriedly said to Chengfeng, "Dad! You just quickly do not ink, if you do not agree, I'm afraid really have to go to Zimbabwe!"

Chengfeng's heart at this time is showing a million reluctance, but once he thought of the Cataclysmic Front, he immediately goaded down in his heart.

Marven just said, this kind of thing does not need his personal efforts, to find the Cataclysmic Front will be done properly, then even if someone wants to help him, once the other side has the Cataclysmic Front's support, certainly he can not continue to advance.

Moreover, with the help of this organization, he can be sent to any place on the face of the earth.

Therefore, he is also clear that the current Marven is certainly not talking just to scare him, right now he is in the Yeling mountain, he made the choice of coming here to witness the fall. Now he has no choice but to fall in line and agree to whatever they say.

Thinking of this, in tears, he spoke: "Okay I accept"

Marven nodded and said, "You accept then it's good, tomorrow I'll let the people of the Cataclysmic Front take you to Madagascar, then leave a few people to protect your safety closely,"

“That kind of place is economically underdeveloped, and the security is not too good, you understand.”

Chengfeng choked up and asked, “What about my food, clothing, and shelter?”

“This is good to do.” Marven lightly said: “You honestly, pass the family headship to Zhiyu, let her invest some money, buy you a larger piece of land in Madagascar, and build you a manor, and hire for you dozens of family guards, then you will be there as the landlord.”

“Although you can not come back, but your family can come there to see you. If you have a more competent housekeeper or subordinate, you can also take them along, so at least you can ensure that your quality of life in Madagascar will not have too much degradation.”

Saying, Marven very seriously reminded: “You have to remember, this is based on your full cooperation, if you do not cooperate, then sorry, then build you a thatched hut on the plains of Madagascar, you will be there with the monkey companionship.”

Once Chengfeng heard this, he said offhand almost without hesitation, “I’ll cooperate! I’ll cooperate! I absolutely cooperate!”

Chapter 3542

Marven’s words gave Chengfeng a ray of hope.

Originally, he thought that Marven would let him go to Madagascar to live a miserable life, but unexpectedly, he was allowed to be a landlord there.

If that were true, it would be like a village in the dark.

In his heart, he thought: “Even if Africa is poor, as long as there is more money, you can still live a very comfortable life, the big deal is to buy everything you need from abroad!”

“With the Su family’s financial strength, not to say to buy Madagascar are so arrogant words, but really say in Madagascar to get a few hundred hectares of the manor,”

“It is just a matter of sprinkling water? As long as I don’t suffer, let me enjoy my old age, I’m satisfied!”

When Marven saw that Chengfeng had finally given in, he looked at Zhiyu and said, “Miss Su, come here for a moment.”

Zhiyu looked at Marven somewhat nervously and was at a loss for words.

When Marven directly proposed to Chengfeng that he should pass the family headship to her, she was inwardly very apprehensive.

For one thing, she didn’t know why Marven wanted to help her so much, and for another, she didn’t know whether she had the ability to run such a family as big as the Su family well or not.

However, seeing that Marven now called her over, Zhiyu, although nervous, still obediently walked out.

She stepped in front of him and respectfully asked, “Your Grace you what are your orders”

Marven said indifferently: “Your grandfather is going to pass the family headship to you, from now on you are the Su family head, still don’t quickly say thank you to him.”

Zhiyu froze, she was very clear that all this is Marven from the hands of grandfather, directly snatched for her, so busy said: “Benefactor I thank you for your favor but but I really do not have the certainty to manage such a large empire of Su family”

Marven spoke at this time: “You do not need to doubt yourself, the Su family’s people I contact are not few. The character and ability are very passable, only you are the one among them.”

Speaking of this, Marven looked at Ruoli, and said, “Even Ruoli, when the Su family was blinded and killed innocent people in the past for them, although that was instructed by your father and your grandfather, but she herself is not absolutely absolved of responsibility for those acts.”

When Ruoli heard this, she lowered her head slightly in shame.

In the past, she had indeed done many unspeakable things for the Su family, including killing Matsumoto’s entire family in Japan, and not even sparing the children.

Therefore, Marven said she was not absolutely free of responsibility, and she agreed 100% in her heart.

At this point, Marven also said to Zhiyu: “Su family has your father and your grandfather such old foxes, so many years really did too much evil,”

“I do not intend to continue to rehash old debts here, but if we want to look backward, if one can lead the Su family on the right path, it is only you.”

The reason why he changed his mind now is because he believes in her character and her ability to bring the Su family to the right path, and only when the Su family is on the right path will he be able to give the Su family a wide berth.

At this point, Marven looked at Chengfeng and said coldly: “So Chengfeng Su, you should not feel that Zhiyu is robbing you of your family business, in fact, she saved your life!”

“Otherwise, based on your behavior of wearing mourning on Yeling today to see a good show, I will not let you leave Yeling alive!”

Chengfeng couldn’t help but shiver at this point.

When he saw that Marven did not speak at all like he was joking, he was so scared that he immediately sweatdropped.

He originally thought that Marven was intentionally screwing him and taking revenge on him, and now, he realized that Marven was actually letting him live

Chapter 3543

Marven also did not mean to scare Chengfeng.

Before today, he originally wanted to kill Joseph and Chengfeng together.

Only, he changed his mind after Joseph went up Yeling Mountain.

He knew that Joseph was too arrogant, but at least he still had a filial heart for his parents and righteousness for his comrades.

He changed his mind and wanted to take Joseph and the entire Cataclysmic Front for himself, thinking that he was bound to go to Europe and America in the future and had to have a strong enough team.

Since Joseph has become part of his team, killing Chengfeng, the old man, is not very meaningful, so it is better to force him to give way to Zhiyu, from now on to completely solve the Su family's big problem.

Marven believes in Zhiyu's character, and also believes in her ability, he can let her sit in the position of the family head, she will be able to take care of things inside and outside the family.

At that time, the Su family will no longer be the Ye family's enemy, but Marven's ally.

Chengfeng also penetrated Marven's thoughts, his mind completely calmed down, looked at Zhiyu and said seriously: "Zhiyu, Mr. Ye is right, there is really no one in the entire Su family more suitable than you to sit in this position,"

"I will finish all the formalities as soon as possible, and put the affairs of Su family into your hands completely, the fate of the Su family will depend on you to lead!"

Zhiyu hesitated for a moment and spoke, "Grandpa I understand."

After saying that, she looked at Marven and said reverently and firmly, "Please rest assured, my benefactor, I will do my best!"

Marven nodded slightly and said, "In that case, then let's wait until the formalities are signed later today."

After saying that, Marven also looked at Zynn and spoke, "And you, as I said before, this time at Qingming I'll let you back, in addition to kowtowing in front of my parents and pass the confession,"

"You will also complete all the divorce procedures with Aunt Du, later today I will also let people prepare the relevant documents to take to you to sign."

Zynn has long known that this marriage between himself and Liona, it is impossible to undo.

And with Marven here to exert pressure, it was impossible to drag it out.

So, he nodded decadently and blurted out: "Okay I'll sign"

After saying that, he asked Marven with an expectant face, "Mr. Ye, you said at first, as long as Zhiyu sits in the Su family head position within three years, let me come back, now she will soon inherit the Su family, it is time to let me come back, right?"

Marven nodded and said, "I did say that at first, it's fine if you want to come back, but in order to avoid any interference with Zhiyu's next decision, even if you come back, you have to be monitored by me and the location has to be decided by me."

Zynn cried and said, "Mr. Ye, you you this is a bit inappropriate you clearly said before, as long as Zhiyu became the head of the family, then let me go free"

Marven said in a cold voice: "You do not forget who made this matter of Zhiyu becoming the head of the family possible."

Chapter 3544

After saying that, he added: "Since you want to bite the bullet with me, it doesn't matter."

Marven then looked at Chengfeng and said lightly, "When Elder Su signs the relevant documents this time, he will change the overall system of the Su family by the way, in the future Zhiyu is not the head of Su family, but the chairman of the Su Group."

How dare Chengfeng disobeys Marven, he hurriedly said, "No problem! No problem! Anyway, from the legal level, the title of the family head does not stand up, what really stands up is the chairmanship and the amount of voting power in the board of directors."

Marven nodded, looked at Zynn, and said, "Then I'm sorry, your daughter is the chairman of the Su Group this time, not the head of any Su family,"

"So it will be hard for you to go back to Syria for a few more years, but don't worry, I will say hello to Hamid and ask him to take more special care of you."

Zynn trembled with fear and said, "Mr. Ye, I'm wrong! I am willing to be under residential surveillance! Even putting me under house arrest is fine with me, but don't ever let me go back to Syria again, I'm really fed up with that place"

Marven had expected him to give in and said indifferently, "Since you are willing to accept, then after the ancestral ceremony is over, you will come back to Wrester with me and I will arrange things for you properly."

When Zynn heard this, he immediately knelt on the ground, crying and begging, "Mr. Ye, please don't send me to the dog farm"

Marven did not speak, but casually glanced at Roma, who was standing with Ruoli, with her afterglow.

Seeing that Roma's expression was very tense at this time, Marven knew that she must still be concerned about Zynn.

After all, she sacrificed an arm for him and give birth to a daughter for him, her heart must be filled with a true love for him.

Thinking of this, Marven sighed lightly and said to Zynn, "All right, I won't send you to the dog farm."

After saying that, he looked at Luther and spoke, "Mr. He, after Zynn goes to Wrestvel, let the He family arrange for someone to keep a watchful eye on him."

Luther did not expect that Marven had given Zynn to him, and hurriedly asked him, "Mr. Ye, I wonder what all your requirements are?"

Marven said indifferently, "He is after all the biological father of Zhiyu and Ruoli, and seeing as he has a good attitude in admitting his mistakes, I won't deliberately torture him or send him to the dog farm."

When Zynn heard Marven say this, the whole person let out a long breath, and his eyes were almost tense with tears.

Marven then continued: "Just put him in the villa where you live! Just vacate a room on the ground floor for him, and his food and clothing will be taken care of by your He family, but I have a few red lines that absolutely cannot be touched."

Luther hurriedly arched his hand and said, "Mr. Ye, just give me an order, I will absolutely comply!"

Marven said, "First, he must not be allowed to leave the villa; second, he must not have any contact with the outside world other than the He family, including Zhiyu and Ruoli."

Luther immediately said respectfully, "Please rest assured, Mr. Ye, I guarantee on my head that I will never let him leave the villa, nor let him have any contact with the outside world!"

Zynn was also completely relieved at this time.

His relationship with the He family had actually been quite good all along.

Roma, needless to say, when the affair with her started, it was her initiative, so Zynn also can not talk about the negative-hearted man.

His relationship with the He family is actually quite good, as he is Ruoli's father and has taken care of the He family in the past.

Marven gave him to the He family, not simply want to give Zynn a little sweet.

The main thing is that he feels in his heart that this person, Roma, is indeed pitiful and has given a lot for Zynn in her life.

His main goal is to provide a good solution to the problem.

Therefore, Marven has the intention to create an opportunity for her.

In the future, Zynn can only be supervised by the He family, then Roma will definitely take good care of him.

If Zynn is really a man of the way, after divorcing Liona and going to Wrestvel under house arrest, he should treat Roma well.

If he figured it out one day and decided to marry Roma, two people will live a good life, then he will definitely let him go free.

Of course, these words Marven will never say out, otherwise, Zynn in order to get freedom may immediately agree to bow down to Roma with his heart in his hand.

This matter, let him slowly understand.

Only when he has understood, will he be free!

Chapter 3545

Zynn naturally still can't figure out now, Marven's innermost intentions.

He only knows now that he can basically be relieved.

Even if he was being watched by the He family living in Wrestvel, it was definitely 18,000 times better than Syria.

Therefore, now he was ecstatic and could not hurry to Wrestvel.

Zhiyu was incomparably grateful to Marven deep inside at this time.

In her heart, she sighed: "I really didn't expect that the benefactor, today, could repay his grievances with virtue and give the Su family a good result that far exceeded my expectations"

"Grandpa can leave Yeling safely, dad can also return to the country to live out his old age in secret, and I, too, can officially take over the Su family, become the Su family head"

"Just when Grace snapped his fingers and killed the two battle commanders of the Cataclysmic Front, I was thinking that today grandfather would die here"

"But I didn't expect that Grace would leave him alive! This is indeed an example of repaying grievances with virtue"

But Zhiyu also knew very well that Marven's leaving grandfather alive should be for her own good. That is to take over the Su family.

After all, most of the Su family's equity is in the old man, and all the voting rights are also in him, he is the head of the Su family, but also the actual controller of all the Su family's industries.

If he dies today, then the Su family is bound to next distribute the inheritance according to the order of succession.

Although the father is the eldest son, but also by Marven restricted freedom, the second uncle right now is in the same situation.

In this case, the Su family without a backbone will certainly be divided.

Once the family is divided, it will be difficult for anyone to bring the Su family back together.

However, Marven used the condition of sparing the old man's life, in exchange for the old man's giving up the throne willingly, reasonably, and legally handing over all the equity and control, so that Zhiyu will be able to easily take over the Su family.

Once Zhiyu is in control, it is impossible for anyone to threaten her position as the head of the family.

If anyone in the Su family dares to disobey, Zhiyu can even directly drive them out of the family and out of the business system of the Su Group.

The thought that Marven has helped her so much, Zhiyu's inner gratitude has long been incomparable.

At this moment, there is a pair of eyes in the crowd looking at Marven full of hot eyes.

This person is Helena, who has been standing in the crowd behind him.

She did not expect that Marven would have such a strong strength, and she did not expect that he would be able to make Zhiyu sit on the Su family's throne smoothly with a few words.

This made her think of what Marven had said before and not only sighed: "Marven said that he could make me sit on the Nordic Queen's seat, originally I still had some uncertainty in my heart, but now, I am already sure that Marven will be able to do it!"

At this moment, her heart was filled with the urge for revenge, and she was already looking forward to the moment when she would become the empress and trample Olivia back under her feet.

However, at this time, Marven did not focus on Helena's body.

He said to Zynn and Chengfeng: "The two of you, one who organized the anti-Ye alliance back then, one in mourning today rushed up Yeling, death can be forgiven, living sin is hard to escape, so now all go to my parents' spirit and kneel well! Kneel until this time tomorrow morning!"

Chengfeng just felt a slight tremor in his heart, but once he thought of just kneeling for a day and a night, there is no other additional punishment, his heart is also a lot more solid.

He also knew very well that Marven could not send him to Madagascar so painfully, and this punishment seemed acceptable to him.

Zynn was the same.

Before he came to be ready to kneel in front of the spirit of Changing couple for repentance, Marven let him kneel a day and a night, but not beyond expectations.

Marven at this time look at the Joseph and other Cataclysmic Front soldiers, lightly said: “you today disturbed the Ye family ancestral ceremony and the peace of the Ye family ancestors,”

“This deserves not less than a death penalty, it can be exempted, living crime can not escape, all, and the Su family two members, must be in front of my Ye family ancestor’s tomb, and do reverent prostration until tomorrow this time!

Joseph said respectfully, “Your subordinate obeys the order!”

With the word “subordinate,” Joseph re-defined himself.

The other soldiers of the Cataclysmic Front also immediately said in their voices, “Your subordinates obey orders!”

Chapter 3546

Marven nodded, looked at Joseph, and spoke: “Remember, after the kneeling is over, I will give you three days off, you use these three days to choose a piece of land in Orgeyon, and re-enter your parents’ remains in a big way,”

“And then after the funeral is over, bring your people together to meet me in Wrestvel!”

Kneeling in front of Marven, Joseph, hearing these words, was even more grateful to him.

In his heart, he had never known what Marven would do next with his parents’ coffins.

Although Marven had clearly said that he would not bury his parents, but after all, Marven had spared his life, so whether he would let his parents be buried in the ground became the most worrying thing in his heart.

Now hearing his words, the last stone in his heart fell to the ground, naturally, he is incomparably grateful.

Unknowingly, all his pride, self-confidence, and distrust were completely smoothed out by Marven.

Now, he already regarded Marven as the god who saved him, as well as the entire Wan family bloodline.

Only, inwardly ashamed beyond measure, he said to Marven, “Mr. Ye, for your great kindness, your subordinate will definitely spend the rest of his life repaying with all his might

Speaking of this, Joseph couldn’t help but sigh and said reproachfully, “Unfortunately, I am now an invalid with all my meridians broken, so I am afraid that even if I do my best, I will not be able to do many things, so if I really can’t satisfy you in the future, please forgive me!”

Hearing these words, Marven said indifferently: “A mere meridian, even if it is broken, so what, just fix it.”

When Marven said this, everyone was shocked.

So what if all the meridians are broken?

You know, the meridian is the most important foundation for martial artists, and martial artists have long had a basic consensus that damaged meridians can be repaired slowly, but once the meridian is broken, it is absolutely impossible to repair.

However, Marven said all this so easily.

This, to all martial artists on the scene, was like a nightmare from heaven.

Even Joseph himself did not believe it.

He looked at Marven and asked incredulously, "Mr. Ye, can my meridians really be restored?"

Marven said indifferently, "Joseph, as my subordinate, you have to remember that from now on, every word I say, you don't have to doubt!"

"Even if I say something that completely overturns your experience, your perception, you don't have to doubt, because as long as I say it, I can definitely do it!"

Joseph hurriedly said with fear and trepidation, "Your subordinate deserves to die! I should not have doubted what Mr. Ye said, please punish me, Mr. Ye!"

At this moment, Joseph had already admired Marven in his heart.

Marven only smiled faintly, then he stretched out his hand and gently pressed his palm on top of the kneeling Joseph's head and said with a domineering aura,

"Since all eight of your meridians are broken, then I will help you reshape all eight of them back!"

Saying that, he then sent the powerful spiritual qi, in a flash, from the acupoint on top of Joseph's head into his body, and swiftly traveled along with the location of his meridians!

The first place where the spiritual qi entered was the Ren vein, one of the eight Qi meridians of Joseph.

The way the spirit qi entered the Ren meridian was just like a fast-forward version of a river nourishing the cracked land, making the dry riverbed and the dead plants come back to life!

At this moment, Joseph also clearly felt the whole process of the Ren pulse being reshaped!

At this moment, his whole world view was turned upside down again and also changed dramatically again!

At this moment, in his heart, he regarded Marven as a god, but also regarded himself as a mole!

Because in his opinion, so easy to restore all the meridians, someone with this kind of strength, and the gods have no difference!

He felt that he was like a foolish man who moved mountains, while Marven was a god who could carry two mountains on his back with ease.

The height that he could not reach in several lifetimes, in Marven's case, it was as easy as a gesture of a hand!

The martial artists present were all stunned one by one as well.

They couldn't see what kind of cultivation the person whose strength was higher than their own, but they could see that the strength was lower than their own.

Since the moment Joseph broke his own meridians, they could all tell that Joseph had become a ruined man.

Now, they could also see that he has changed from a ruined man to a one-star martial artist who had opened up his Ren pulse!

The crowd was in awe, and some exclaimed.

"Joseph's current cultivation level is already a one-star martial artist!"

"Yes! I didn't thinkthe broken meridians could really be repaired!"

"My goodness, Mr. Ye's strength is too powerful!"

"Look guys, Supreme Commander is already a two-star martial artist!"

"Holy sh!t! It's only been a dozen seconds of work, and Joseph's meridian has been repaired!"

"More than that! Master Ye has already started repairing his third meridian!"

"The third meridian has also been repaired! This is simply a miracle!"

Chapter 3547

When Marven repaired Joseph's fourth meridian, Luther could no longer see Joseph's cultivation.

The only ones who could see Joseph's cultivation were the few five-star commanders left in the Cataclysmic Front.

As for Harmen and Walter, the two iron wastes, have completely rested.

When the fifth meridian of Joseph was also repaired, no one could tell his current real cultivation except Marven.

Immediately after that, the remaining meridians were also restored one by one.

It felt like the eight meridians that he had just broken were completely restored as before.

What was even more unimaginable to Joseph was that his eight meridians had been blessed by the disaster, and after recovering one by one, they all reached a state of great perfection.

Now Joseph was no longer an eight-star martial artist, he had entered the Ming Realm, the realm of Great Perfection.

His benefactor, who had gone from an eight-star martial artist to the Great Perfection of the Ming Realm, had taken more than ten years.

However, with Marven's help, it only took him a few minutes!

Such a huge improvement in an instant made him incomparably shocked inside, and he even had a feeling of being in a different world.

If this thing hadn't really happened to him, he absolutely couldn't believe that there was such a powerful ability in this world.

He could feel that what Marven used was much more powerful and magical energy than internal force.

This reminded him of what his mentor said back then, he said that in this world, martial artists are only the lowest level of power above ordinary people.

Above the martial artist, there are many systems of power far beyond the martial path, which for martial artists, most likely never have the chance to touch in their lifetime.

Seeing that Marven had such a divine ability, he was immediately certain that Marven's power system was definitely not the set of martial artists, but a great divine ability that was a layer higher than martial arts, or even a few layers higher.

As if reborn, he once again heavily kowtowed to Marven and said gratefully: "Mr. Ye, thank you for your rebuilding grace!"

"Now that your subordinate has reached the full completion of the Ming realm, I will definitely do everything I can for you for the rest of my life, and I will die even if the time comes!"

Joseph's words struck all the martial artists present like a thunderbolt.

Who would dare to believe that Marven not only helped Joseph recover his meridians but also allowed him to ascend to the heavens in one step and become a Ming Realm Great Perfection!

Who would have dared to believe that in this life, there was a chance to see a top martial artist of the Ming Realm with his own eyes!

He thought that just now, Marven's restoration of Joseph's meridian was already a miracle, but never thought that the real miracle was here!

To break and then stand, to stand to perfection, this was simply a great miracle that turned decay into magic!

For a while, countless people looked up to Marven even in more daze, and at the same time were envious of Joseph, feeling that Joseph had simply met the most precious chance in the world.

In fact, Marven did not want to help Joseph to improve his cultivation, but his meridians had already passed eight, but basically did not enter the great perfection realm completely unobstructed.

This time, after breaking, he directly allowed all meridians to completely open up after the reconstruction of true qi.

With all eight meridians unblocked, it was only natural that Joseph became a top martial artist in the Ming realm.

However, Marven did not take advantage of Joseph for nothing.

Chapter 3548

The reason is that from today onwards, Joseph no longer has his own life.

Because all of his time and energy for the rest of his life would be used to serve Marven.

Therefore, Marven looked at him, nodded slightly, and said indifferently, "Just remember this statement about yourself, otherwise, I can ascend you with a chance and also beat you back to your original form!"

Joseph incomparably pious offhandedly said, "Mr. Ye don't worry! If your subordinate breaks the oath in the future, I will definitely die without a burial place!"

Marven nodded and looked at the ruined Harmen and the imprisoned Walter, and said indifferently, "You two should reflect on yourselves in the next few days, and when you arrive at Wrestrvel, I will give you a chance to reform."

"So that you will be restored to your original state, but you must also remember that if you dare to have any disloyal thoughts, I will also make your life worse than death!"

Harmen heard these words, immediately howled, choked, "Please do not worry, Mr. Ye! Your subordinates will definitely go through fire and boiling water for you in the future"

Walter's consciousness had already been closed up again, and he stood mute in place for a while.

But his consciousness trapped in his body, at this time, has also been excited beyond measure!

To him, as long as this life begging and death begging could end, he would have no complaints whatsoever about what he is told to do.

Joseph did not expect that Marven had spared his two deeply affectionate comrades, and immediately said gratefully: "Mr. Ye, your great kindness, they will not forget!"

Marven nodded slightly and said, "Listen, about today's incident, when people ask about Cataclysmic Front and the Ye family, say that the misunderstanding between the two families back then has been completely lifted,"

"From now on Cataclysmic Front and the Ye family are clear of the old grudge, no longer have any new hatred, as for everything that happened today, no one can disclose it to the public!"

Joseph immediately said, "I will announce it to the public later!"

Marven nodded and said, "At that time, the outside world will definitely speculate how the Ye family escaped this calamity, and the Cataclysmic Front will then release the news to the public,"

"Saying that the Ye family gave half of the Ye Group to the Cataclysmic Front in exchange for the grievances of the Cataclysmic Front!"

Joseph and all the commanders of the Cataclysmic Front were extremely puzzled, no one understood this.

That why Marven, who had clearly won a great victory over the Cataclysmic Front, had to declare to the public that it was the Ye family that had given in to the Cataclysmic Front.

But Joseph understood that Marven must have his reasons for doing so, and all he had to do was to carry out 100% of any orders he gave, and not to ask more questions.

So, he immediately said respectfully, "Mr. Ye, don't worry, your subordinates will definitely announce it to the public as you said!"

Zhongquan sounded puzzled and asked, "Marven, this is the best opportunity for you to officially return to the Ye family, if you declare that the Cataclysmic Front has pledged allegiance to you,"

"Then the Ye family's fame will be absolutely unmatched in the country, such a good opportunity, why do you want others to think that our Ye family has gone soft?"

Marven said lightly: "Cataclysmic Front in the future is a surprise army in my hands, if the news of the collection of Cataclysmic Front so directly released, it is only in vain to increase some false name,"

"In addition to this will not have any benefit, on the contrary, it is likely that we will get the attention of the unwanted eyes!

"Rather than this, it is better to keep a low profile, hidden in the dark! Let the outside world think that the Ye family has bowed down to the Cataclysmic Front,"

"The vitality is greatly wounded, so that not only can let the hidden enemies relax, in case there is any big battle in the future need the Cataclysmic Front to step out, also can use it to attack unprepared, unexpected!

Zhongquan understood Marven's intention and hurriedly asked, "Marven, are you still not ready to announce your official return to the Ye family this time?"

Marven said, "For the time being, it's not time to announce it to the public. I want to find out the truth about the murder of my parents, and also find an opportunity to feel the bottom of the Rothschild family,"

"Before I get to the bottom of it, I can't take the initiative to expose myself, and we can't take the initiative to hand over the strategic advantage to the enemy."

Zhongquan nodded gently and asked him, "Then how do I announce the change of the Ye family's head to the public?"

Marven said, "There is no need to deliberately announce this matter to the public, in the future, I will actually take charge of the Ye Family's big and small affairs, but on the surface, you are still the Ye Family's head."

Zhongquan agreed and said, "Okay! Then I will not announce it for now."

Marven looked at the crowd behind, once again, arched his hand, and said seriously, "Ladies and gentlemen! Thank you all very much for coming to Ye Yeling today for me,"

"But I also ask you all to do me a favor and not leak everything that happened on Yeling today to the outside world!"

Chapter 3549

When the people heard this, they naturally agreed to do so.

They all know Marven very well, know his low profile, since he does not let leak, the crowd naturally will not disobey.

Marven looked at Chengfeng and said, "The matter of giving up the throne to Zhiyu should be announced to the public, otherwise I am worried that she will not be able to establish her authority in the Su family."

Chengfeng hurriedly nodded and said, "That's right, that's right! Today I am repenting in front of Mr. Ye's parents' spirit, and tomorrow I will officially announce this matter to the public! Let Zhiyu take over smoothly!"

"Good." Marven nodded with satisfaction and said, "After the agreement is signed, the news is announced, and the handover of rights is completed, I will arrange for someone to send you to Madagascar,"

"As long as you cooperate well, what things you need to take to Madagascar, what people you take, as long as they are not too exaggerated, I will not interfere, you can seize the time to have people prepare."

Chengfeng said with immense excitement, "Thank you, Mr. Ye! Thank you, Mr. Ye! I'm going to take my butler Anson with me and have him prepare the supplies and team for Madagascar"

At this time, Anson, who was waiting for Chengfeng's triumph at Su's home, never dreamed that his master, who had already made up his mind, would take him along to Madagascar.

And at this time, Marven said to Zhongquan: "The people of the Cataclysmic Front and the Su family will just kneel like this for now, and our ancestral sacrifice ceremony will proceed as usual later."

Zhongquan hurriedly said, "Then I'll have everyone prepare to get ready!"

Marven nodded, and when he saw Helena in the crowd, who had some difficulty blending in with the surrounding area, he said to Zhongquan, "By the way, don't forget to arrange a Concorde this afternoon to send Helena back to her country."

Zhongquan immediately said, "Don't worry, Marven, I have already arranged the plane, it can take off anytime."

At this time, Helena gathered the courage to walk up to Marven and said in a respectful tone, "It's hard for you to worry about my affairs, Mr. Ye!"

Marven saw that she seemed to have some words to say, so he spoke, "Helena, don't worry, since I said I would help you take back the throne, I will definitely keep my promise."

Helena immediately sighed with relief and nodded her head gratefully, "Thank you, Mr. Ye!"

Said, Helena hesitated, again and again, still spoke: "Mr. Ye I just received a message from home, things may have changed a bit over there"

Marven frowned and asked, "What news?"

Helena said, "It is said that yesterday Olivia and the Rothschild family representatives talked late at night, they have reached a preliminary agreement on the marriage, ready to be officially announced to the public at 10:00 a.m. local time today,"

"Olivia will marry a member of the Rothschild family, and the wedding time is set for tomorrow night!"

Marven was surprised and asked: "Rothschild family? Is that Olivia in love with the Rothschild family man?"

Helena spoke: "As far as I know, Olivia does not have a boyfriend at all and the Nordic royal family and the Rothschild family did not have any previous encounters so this matter is a bit sudden."

Marven heard the name of the Rothschild family, could not help but frown.

Chapter 3550

Although Marven always knew that the Rothschild family was a mortal enemy with his father back then, and also thought that the Rothschild family was probably behind the murder of his parents, but he never had the opportunity to have any direct contact with Rothschild.

The only one who has a little connection with the Rothschilds is still Walter Horowitz and his dad, Steve Hogewitz, who were locked up in a dog farm by him.

The Horgowitz family, it is said, is a distant relative of the Rothschilds.

This distant relative relationship is really a bit far, so much so that the two masters have been missing for so long in Wrestvel, and the Rothschild family has not come to look for them.

This shows that families like Hogwarts, in the eyes of the Rothschild family, are simply poor relatives who are avoided at best.

However, this time that Olivia actually wants to marry the Rothschild family, which makes Marven up a few interests.

So, he opened his mouth and asked: "Why did Olivia suddenly decide to get married at this time? Isn't the Queen not going to last for a few days? Isn't it a bit inappropriate for her to get married at this time?"

Helena was busy saying, "If Olivia wants to get married in the near future, now is the most appropriate time, once grandmother dies, she won't be able to get married for a long time."

Marven was surprised and asked, "What? Your Nordic royal family also has the saying that you can't get married for a period of time after the death of an elder?"

Helena shook her head and said, "Although we don't have this saying, but Olivia's status is special, she is the first in line to the throne, so once grandmother dies, she must put down all her personal affairs and put the enthronement ceremony first."

Saying that, Helena added: "According to the royal tradition, the new emperor may not get married or divorced within three years after ascending the throne, because the first three years of ascending the throne is a critical stage for establishing one's personal as well as royal image,"

"And no personal matters are allowed to interfere at such times, so Olivia either has to hold the wedding as the empress three years after ascending the throne, or she must first, before grandmother dies get the wedding done."

Marven asked suspiciously, "According to what you said, she didn't even have a boyfriend before, and now she suddenly announces that she wants to marry a member of the Rothschild family, so it should be an exchange of interests, right?"

Helena nodded and said, "I guess so! Olivia will always put interests first, without strong interests to support her, there is no way she would suddenly announce that she wants to get married at this time."

Marven nodded and laughed: "The Rothschild family, for sure, has their eyes on the empress status that she will soon get to."

Speaking of this, Marven couldn't help but sneer: "I just didn't expect that the Rothschild family, which has its hands in Europe and the United States, would also be the ones who sell their fame, which is a bit different from their usual low-key style of acting."

Joseph spoke respectfully at this time, "Mr. Ye! I still have some knowledge of the Rothschild family, their family structure is extremely large, leaving aside foreign relatives, just the branch has dozens of surnames, throughout Europe and America."

He continued: "Within the huge Rothschild family, they are divided into a total of three levels of ladder, which, the first ladder Rothschild family real core, these core layer is basically in the United States,"

"A small number in the United Kingdom, the next level of the second ladder is generally in Canada, France and Germany, and the third ladder, in other countries in Europe."

"I reckon this one to marry Princess Olivia is a branch of the Rothschild family's third-order ladder."

Marven nodded gently and said with interest, "In that case, this is a good opportunity to make direct contact with the Rothschild family."

When Zhongquan heard this, he immediately exclaimed, "Marven you you don't want to go to Northern Europe, do you?"

Marven laughed: "Originally, I did not want to go personally, but since the Rothschild family is also there, then I really want to go and see it."

After saying that, he turned his head to Helena and said, "Helena, when the ancestral ceremony is over, I will go to Northern Europe with you!"
