

## The Amazing Son In-Law Chapter 3551-3560

### Chapter 3551

Marven's original intention was to take out a rejuvenation pill to give to Helena.

Half of it to Helena to cure her illness, and the remaining half for her to take it to the Nordic queen whose life was in danger.

As long as she can return to Northern Europe to see the Queen, the remaining half of the rejuvenating pills into two parts, to the Queen first, given to her it will certainly make the queen awakened from the deep coma.

When the time comes, she can use the other half as a condition to make the Queen give her the throne.

And the queen will definitely do her best to help her to the throne when she sees the efficacy of the rejuvenation Pill.

Marven believed that for an old woman who was already in a deep coma and terminally ill, to wake up again would be like living again.

Therefore, she will definitely cherish this opportunity extremely.

If she could get a second dose of the rejuvenation Pill, her life could continue at least for several more years or even longer in good health, I believe she would not be able to resist this temptation.

However, now Marven suddenly heard that Helena's sister named Olivia was going to intermarry with the Rothschild family.

This is a good opportunity to contact the Rothschild family in advance.

Therefore, he would like to personally go over to Northern Europe to see what the purpose of the Rothschild family's marriage with the Northern European royal family is, and by the way, he can also touch the Rothschild family line.

Once Helena heard Marven say that he was going to travel to Europe with her, she was naturally overjoyed.

She had witnessed his strength and knew that if he took the plunge, he would be able to put her on the throne!

At that time, she would not only be able to save her mother, but also completely wipe out her former shame!

So, she said to Marven with immense gratitude, "Mr. Ye, thank you!"

Marven waved his hand, looked around the crowd, said: "Thank you all friends for today, despite the danger rushing to Yeling, most of you have come a long way, why not go later to the Shangri-La Hotel to rest,"

"I have to go to Northern Europe later today, before leaving, I want to thank you all at the Shangri-La banquet, please do not hesitate to attend!"

Nanako hurriedly said: "You have a business to deal with don't be busy without us, and we did not help this time, so you don't need to personally host a banquet to thank ....."

Marven said very seriously: "Nanako, we people are concerned about love and righteousness, although today I had a battle with the Cataclysmic Front, and did not let you all meet with the Cataclysmic Front,"

"But you were still willing to come to help me at such a time, this is love and righteousness, in my eyes, this weighs more than a thousand bars of gold."

Philip stood out at this time and said with a smile, "Ladies and gentlemen, all of you who are gathered here today consider Marven as a good friend, confidant, and even family member,"

"Since he has said so, you may as well wait for a while in Orgeyon, and after the Ye family's ancestral ceremony, drink a few cups with him!"

Hearing this, Elder Song immediately said, "Since Master Ye has said so, I will wait for him to finish the ancestral ceremony and have a drink together!"

Yuhiko Ito also said, "Mr. Ye! Please make sure to prepare more good wine tonight! I will not return until I am drunk!"

Marven smiled, "Don't worry, Mr. Ito, I'll have enough good wine!"

## **Chapter 3552**

After that, Marven looked at Warnia and said, "Warnia, you should arrange for the bus to take everyone to Shangri-La for a short rest."

Warnia immediately agreed and softly said, "Master Ye, don't worry, I will arrange everyone well."

"Good." Marven once again arched his hand to the crowd and said with a clasped fist, "Ladies and gentlemen, later on, is the Ye Family Ancestor Sacrifice Ceremony,"

"So I would like you all to go to the hotel to rest first, and after the Sacrifice Ceremony is over, I will see you there first!"

The crowd also knew that the Ye family ancestral ceremony was held only once every twelve years, and it was solemn and private, and it was not a public ceremony, so it was not appropriate for the people to stay here and watch.

So, everyone bid farewell to Marven and Zhongquan and left Yeling on the bus arranged by Warnia and Nanako, heading for the Shangri-La Hotel in Orgeyon.

After a number of buses left, except for the members of the Cataclysmic Front kneeling on the ground and the Su family, the rest were all Ye family members and the butler Leon.

Cataclysmic Front to Joseph as the head, nearly a hundred people in a pyramid shape neatly kneeling in worship, these people are in a posture of the legs together, arms bent at the same time with forehead knocked on the ground.

After all, they are all practitioners, so everyone kneels at the same angle and posture, looking neat and tidy.

Moreover, they were all kneeling on the ground in a state of unparalleled piety.

In particular, kneeling at the forefront is Joseph, even if the expression hidden within the bend of the arm, is full of shame.

And the Su family father and son, although they did not dare to slacken, but after all, the body strength can not support, kneeling not long, the body can not support, so they can only let the upper body lying on the ground.

So, the two's kneeling posture is not perfect.

The Ye family, Andrew, Morgan, and others, looked at Marven apprehensively, afraid that he would settle accounts with them at this time.

Marven watched the bus convoy descend the mountain, slowly turned around, stared at the Ye family with a torch-like gaze, and said in a cold voice:

"Today, in front of the ancestors of the Ye family, I officially take over the Ye family's large and small affairs,"

"And the first thing I do after taking over is to give the soft-boned Ye family heirs a good calcium supplement!"

Hearing Marven's words, the weak-hearted crowd couldn't help but shiver, they looked at Marven's stance, they knew he was going to start liquidating.

At this moment, just by a word he took away the family power from the old man Ye, he spoke: "Marven! This situation of the Ye family today, it is really necessary to rectify it! You must not be lenient just because you care about your family!"

Marven nodded and said coldly, "Of course! Some of the Ye family's descendants, in order to live on, do not hesitate to leave the Ye family's dignity and interests behind, do not hesitate to give up the ancestral graves and family business,"

"And even prepared mourning clothes in advance to pray for forgiveness for those who are not relatives, these people, and when the national crisis, what is the difference between the traitors who betrayed the enemy and surrendered?"

All the Ye family members carrying mourning clothes were so nervous that their legs were shaking.

Cynthia, who was most scornful of Marven, knelt on the ground with a poof, choked with snot and tears, “Marven ..... aunt was wrong ..... aunt is sorry to the ancestors of the Ye family .....

“You are now the head of the Ye family, no matter how you chastise, aunt will never complain .....

While crying, she pulled out the mourning clothes hidden in her arms and threw them on the ground, crying with remorse, “Marven, please, for the sake of the first aunt to know the mistake and admit the punishment, be lenient to aunt, from now on I will not commit it again .....

Andrew, Changyun, and others instantly looked dumbfounded.

They also wondered, the character of the most intense Cynthia how she can be first to admit the fault today, it turns out, she wants to grab a headline for a lighter sentence ah!

Andrew’s teeth itch with hate, in the heart he cursed: “Cynthia, in the end, your brain knows how to grow? Even the wallflower is not as fast as her reaction!”

Chapter 3553

Cynthia is indeed very smart.

She knows that when so many people are equally guilty, whoever admits their fault first will have the upper hand.

Moreover, she knew far more about Marven’s deeds than the others and had experienced more personally.

She had heard before of the way he had taken when he had rectified several experts of the Wu family in Suhang.

He asked Orvel to carve words on the foreheads of those people, who was the first to admit punishment, carved the least words, and for each person after that, the number of words increased by one.

By the end of that person, it is said that the head was carved full of words and there was not enough to use later.

With these previous lessons, how does Cynthia allow others to kneel in front of her?

Marven also did not expect, Cynthia kneeling so quickly, so then spoke: “You are my aunt, despite a thousand mistakes you are still my elders, even if I am now the head of the Ye family, the division of elders and children can not be chaotic,”

“So you do not kneel to me, kneel to the ancestors of the Ye family kneel!”

Cynthia's brain reaction speed is very fast, immediately while kneeling while using both knees to adjust the direction, looking at the ancestral grave of the Ye family not far away.

Immediately afterward, she knocked her head on the ground with a bang and cried,

"The ancestors are here! Your unworthy granddaughter, Cynthia, failed to put the face of the ancestors and the interests of the Ye family first,"

"And nearly betrayed the ancestors for glory and recognized the thief as my father, so I am really ashamed of this act in front of ancestors, and I deserve to die! I beg the ancestors to condemn me!"

Cynthia was now completely convinced.

What dignity, what face, what old princess, old baby's stinky temper, at this moment now all dissipated.

She knew that the most important thing at the moment was to get Marven's forgiveness, otherwise, one word from him could make her, the already married Ye family daughter, get out of the family instantly.

In that case, she is really an empty basket of water.

When Marven saw that Cynthia was so upbeat, he was a bit amused.

However, he nodded with approval on his face and said:

"You can be the first to admit your mistake and take the initiative to confess to the ancestors of the Ye family, proving that you are more conscious than others since this is the case, you should also be sentenced lightly!

Once Marven's words came out, Andrew, Morgan, as well as Changyun, Hawade, and others, all ran like crazy to the front of the Ye family's ancestral tomb.

One by one grabbed the most central position and kneeled on the ground with a poof, without saying a word they began to kowtow desperately to admit their mistakes.

For a while, the rhythm of the gang's desperate kowtowing, with the extraction of oil with the kind commonly known as kowtowing oil pumping machine, looks quite comical.

Marven did not say anything, just expressionlessly watching them this scrambling to kowtow and confess.

His heart is very clear, aunt Cynthia is really convinced since really convinced, the future can naturally remain in the Ye family to serve the Ye family, but the gang in front of him now, each one is full of fancy, who can not be lightly forgiven!

This group of people bam kowtow half a day, the more kowtow the more painful at the same time, but also the more kowtow the more bottomless.

They originally thought that as long as they behaved positively and piously, Marven would definitely be as lenient as he was with Cynthia.

But unexpectedly, everyone has been kowtowing for half a day, Marven has not even said a word so far.

No way, no one dares to stop, they can only kowtow continuously, one after another, one kowtowing till the head is blue and purple.

Chapter 3554

Laila, could not stand it and said, "Marven ..... will be killed if continued to kowtow ....."

Marven shook his head and said indifferently: "Do not worry aunt, this group of people, there is a count one, all are cowardly in fear of death incompetent rats,"

"Otherwise they could not sneak out last night to buy mourning clothes! Since they are all so afraid of death, how could they knock themselves to death here? This is not logical."

Saying that, he obviously saw that the strength of Morgan's kowtowing was obviously much smaller, and at first glance it was indiscriminate, so he said in a cold voice:

"Auntie, do you see Morgan? That forehead is also just kissing with the ground, can not see at all in the strength!"

Morgan heard this, a cold sweat on the back of the frightened, hurriedly forced his head for a knocked down, painful, teeth hardly bared in his mouth!

Marven turned to look at Zhongquan and asked, "Grandpa, nowadays, who are responsible for the various businesses of the Ye family?"

Zhongquan said: "Ye family's core business, is basically held by a team of managers in charge, when your father worried that the family members do not learn, so insisted on the establishment of a team of elite professional managers,"

"These people, the most ordinary grassroots staff, but also basically recruited from the major top business school, the middle and senior almost all from the world's top 500 companies, or top venture capital institutions."

"In addition, we have a very professional team of elite lawyers, responsible for all the legal work of the Ye family."

"Oh yes, in addition to these two sectors, there is also a trusted team, responsible for the family can not use the part of the cash put into the family trust for investment and management."

Marven was surprised and pointed to the row of kneeling and kowtowing people on the ground and opened his mouth and asked, "Don't these people do anything?"

Zhongquan shook his head and said, "If the Ye family were to be put in charge of them, I'm afraid it would have collapsed long ago!"

“They are all hanging, there are vice chairman, general manager, director, but the actual business and decisions do not need them to be in charge of.”

“Small decisions are decided internally by the team of managers, big decisions are basically made by me, but in the future, it will be up to you to make the decisions.”

Marven nodded and said indifferently, “Since these people are of little practical use, then simply get them all out of the Ye Group, out of sight, out of mind.”

Kowtowing almost knocked over when Andrew heard this, immediately got up and asked offhand: “Marven ..... you ..... where are you going to get us?!”

Marven said, “Do not worry, will not let you guys go far.”

Saying that, he added: “Don’t you guys like to wear mourning clothes? Since you are so filial, I will have people install a few simple houses for you at the foot of the Yeling Mountain,”

“And all of you who are eighteen years old or older, or who are no longer in school, one of you will stay here to properly observe mourning for the ancestors of the Ye family for three years!”

“During these three years, I will have people put electronic shackles on you, 24-hour monitoring of your location, no one is allowed to leave Yeling half a step!”

Once Morgan heard this, the whole person almost fainted, disheveled and powerless wailed: “Marven ..... you can not be so cruel! I am your cousin! The eldest grandson of the Ye family! You can’t imprison me on Yeling Mountain!”

Marven nodded his head and spoke, “People say that a gun hits a bird, this IQ of yours is really a bit worrying.”

After saying that, he immediately said to Chengfeng Su: “It just so happens that you will soon go to Madagascar to be the landlord, when the time comes, take this guy along and let him be your long-time worker for three years!”

Upon hearing this, Morgan broke down on the spot and cried,

“Marven, I’m willing to keep mourning for my ancestors at Yeling Mountain! I am the eldest son and grandson, how can I be absent from the mourning .....”

Marven waved his hand: “Do not take yourself too seriously, mourning can be completed without you, without you here to disgrace, the old ancestors’ face also looks better.”

After that, he said in a cold voice: “Morgan, from now on, if you bargain with me again, I’ll turn three years into six!”

Morgan wailed and collapsed to the ground on the spot.

Andrew's heart ached for his son, but also for himself, so he hurriedly asked,

"You let us stay here to observe mourning for the old ancestor for three years, what about our food and drink?"

Marven said indifferently, "Your food and drink, I will have people send it to you over regularly."

Andrew asked again, "Then ..... what if we get sick?"

Marven said expressionlessly, "When you get sick, I will arrange for the doctors from the Ye family hospital to come to your homes to treat you!"

"If any of you are seriously ill and need surgery or hospitalization, I will build you a field hospital at the foot of Yeling Mountain!"

"In short, in the next three years, even if the sky falls, without my permission, you can't leave Yeling even for a second!"

Chapter 3555

The kneeling Ye family members did not expect Marven to be so ruthless.

They are all family members, all first sons, and grandsons, he wanted to imprison them all in the Yeling Mountain and force them to observe mourning for their ancestors for three years!

For these rich people who are used to enjoying themselves, even three days is unacceptable, let alone three years!

So, the people hurriedly looked at Zhongquan and waited for him to say a good word for them.

Zhongquan looked at the pitiful eyes of these people and felt some compassion in his heart.

He did support Marven to punish these spineless sons and grandsons properly, but he did not expect him to play so hard as soon as he started.

So, he couldn't help but say to him, "Marven, making them observe mourning for their ancestors is indeed a good punishment, but three years, won't it be a little too long?"

"Long?" Marven seriously said, "You must not forget, what ideas they were playing one by one! They secretly bought the mourning clothes without communicating with you, clearly wanting to wait until today when you were face to face with Joseph and then turn against you."

"This is to put you to death and then step on your corpse to join the enemy after you are dead! Do you think the punishment of three years of mourning is too long for such a person?"

Zhongquan's expression suddenly flinched.

He also understood this truth.

Only, he deliberately did not think about this level.

But if we really get to the bottom of it, the truth is actually what Marven said.

Andrew said in tears at this moment: "Dad! We really didn't mean that, you mustn't misunderstand, dad!"

The others also pleaded, hoping that the old man would not be affected by Marven's words.

But Zhongquan let out a long sigh, waved his hand, and said to himself, "I'm getting old, my heart is softer, and I'm getting more and more womanly. .... Forget it, whatever!"

After saying that, he said to Marven: "Marven, three years or five years, it's all up to you!"

Marven nodded, said lightly: "Accepted, do not say a word. Those who do not accept have a second option, which is to do the same as Morgan and go to Madagascar!"

Once these words came out, everyone immediately shut their mouths.

At this kind of time, no one dared to touch Marven's bad luck.

Because, he is not only the head of the Ye family, but also the new master of the Cataclysmic Front, with his comprehensive strength here, no one would dare to disobey him.

Seeing that these people were as honest as quails, Marven nodded in satisfaction and spoke, "Since you all have no opinion, then the three years will start from today!"

To Marven, this group of kneeling Ye family members had no value to the Ye family.

This group of people have little ability and little contribution, just like the top rich family's loser rich second generation all they think about is, what can they do? what to eat? what is not enough? Not much ability but all day and night spent everywhere pretending to be something.

The old man used to lick his calf, even if he knew that these people are not capable, but also think they are their own bloodline, of course, to be spoiled and well taken care of.

But in Marven's opinion, this group of people is completely Ye family's a55holes.

And, or a bunch of spineless a55holes.

After he took over the Ye family, the first thing to do, is to find a way to jolt these people off from their respective positions, so that they do not indiscriminately act parasitically.

But, after all, these people are the Ye family bloodline, are the first sons and grandsons, if they do not make any big mistakes, want to jolt them off is not easy.

If the strong jolt, I'm afraid it will trigger the rejection of everyone in the Ye family, and even the outside world will get very poor senses.

But the beauty is that this group of people actually took the initiative to give Marven a perfect opportunity to rectify them.

If these people did not secretly go to buy mourning clothes last night, Marven could not be so justified to abolish them all.

Now well, just when Marven couldn't find a good way to strip them out of the Ye family, they all took the initiative to come to his door.

This, with Joseph taking the initiative to come to the door, was similar.

At this time, Cynthia heart chilling looked at Marven, apprehensive and nervous asked: "Marven ..... that ..... that aunt ..... aunt at least is also The first to admit fault ..... you just now also said, to give me a chance to be sentenced lightly ....."

"Of course." Marven gently nodded and said, "You, of all people, showed the best attitude to admit the mistake, but also the fastest to admit mistakes, so this time it is natural to give you a net."

Saying that, he was silent for a moment and said, "How about this, you stay here with them to observe mourning for three days, and after three days go back to Ye family to take good care of grandfather."

As soon as Cynthia heard this, two lines of hot tears flowed out from the excitement.

She really didn't expect that Marven would really give her such great preferential treatment.

Others will be here for three years, but she has only to spend three days!

At this time, Cynthia, has completely seen Marven as the savior, excited and a little incoherent, even the voice is a little trembling said:

"Cha ..... Marven ..... thank you ... . thank you ..... you do not worry ..... later I must ..... must reform, start a new life! "

Chapter 3556

Marven nodded with a calm expression.

It's not that he really wants to take care of Cynthia, but this kind of time, is to create a huge gap for others.

As the saying goes, those who obey me will prosper, those who go against me will die.

One prospers, one dies, which is the biggest gap.

This is also giving the Ye family gang, a clear signal.

In the future, all the Ye family, must listen to his words and obey.

Marven is also very clear, wants to ensure that the Ye family in the future no longer has any similar situation, he must use strong power, firmly control the entire Ye family!

So, today, this concept will be completely rooted in their hearts!

After everything was disposed of, Marven said to Zhongquan, "Grandpa, things are almost settled, it's time to start the ancestral ritual!"

Zhongquan nodded heavily: "Okay!"

The ancestor worship ceremony of the Ye family was originally very grand.

Before the ancestral ritual, the four forms of rituals, namely music, song, dance, and ritual, were not inferior to the Confucius Temple's Confucius Ritual.

And those sacrificial offerings that were prepared to be used as dedication were also extremely rich in variety.

In order to hold a good ancestor ceremony, the Ye family every time hired a professional director and a full set of choreography team, costumes, props, actors, sound, all of them are top.

But today, all the long talked about acting staff, no one came.

All knew that the Ye family was going to suffer a disaster today, all avoid it.

Not to mention these paid actors and actresses, even the more than 700 members of the Ye family branch, also ran away, leaving only Jonathan Ye one.

Therefore, this time the ancestor ceremony, only helplessly castrate many processes.

Music, song, dance, and rituals were all omitted, and the only thing left was the sacrificial rituals performed by the Ye family themselves.

Zhongquan held the sacrificial text he wrote overnight for many days, while shedding tears, while sighing: "This sacrificial text, written all the Ye family people prosperous, unity, the re-creation of glory, is a report I prepared to the ancestors of the Ye family ....."

Speaking here, Zhongquan let out a long sigh and said with a sigh of relief, "But who would have thought that today, more than 700 members of the Ye family's sideline would all be absent!"

"And my first sons and grandsons, even wore mourning for others! I ..... am really ashamed in front of my ancestors, and I don't even have the face to read out this sacrificial text ....."

"Moreover, the originally prepared ancestral rituals have almost come to a halt, and I don't know how to explain to the ancestors ....."

Zhongquan said, silent due to a surge of sudden emotions, several times choked, difficult to continue.

He is a person with deep family feelings, at least much stronger than those kneeling in place Ye family sons.

When he thought of the once-in-12-years ancestral ceremony, it was so shabby and so depressed, he felt extra hard.

When he thought of the more than 100 ancestors of the Ye family lying here, his mood was even more painful.

He has long passed the age of life, this age of the elderly, more cherished life, and more reverence for the ancestors who have passed away.

When a person is young and fearless and has no faith, when he is dying, he can't help but think of his parents and his ancestors, and whether he will see them in the other world after he dies, and if he sees them, how he should face them.

The Ye family saw the old man choking, almost all lowered their heads in shame.

While Marven took the sacrificial paper he wrote and tore it to pieces, his face was firm as he spoke, "Grandpa, since the sacrificial paper is inappropriate, then just tear it up, no need to blame yourself too much."

Saying that, he said: "As the saying goes, many difficulties make a nation, for a family, it is the same! This ancestral ceremony is a bit shabby and simple, but it also allows us to recognize the true face of many so-called relatives!"

"In the future, the Ye family will no longer believe in bloodlines, only in actual actions! All members of the direct line, as well as the side branches, will have to show actual actions if they want to gain benefits from the Ye Family in the future!"

"If anyone still wants to share the wealth but not the hardship, then sorry, I will make him pay the price!"

Speaking of this, Marven looked at Leon and asked him, "Housekeeper Leon, those members of the side line who fled overnight, still can't be contacted?"

Leon said awkwardly: "Young master, all are still off or not in the service area, it is estimated that before the outside world receives a definite news about today's incident, they will not turn on the phone."

Marven frowned and spoke, "In that case, when the Cataclysmic Front releases the news to the outside world later, telling the outside world about today's Ye family's admission of defeat, they must be even more to draw a line with the Ye family, right?"

"I suppose so." Leon respectfully said: "Young master, in fact, most of the side branches you do not need to pay too much attention to, they have a little practical contribution to the Ye family,"

"On the contrary, they get benefits from the Ye family, these people are like those small countries when the other nations prosper, every time they rushed to worship,"

“It seems to be very pious, but each one is here to eat and drink enough in our heavenly kingdom, and then take some leftover benefits to be satisfied. The Ye family will benefit from clearing the line with them.”

Zhongquan also spoke at this time: “Leon is right, many side families have been relying on our Ye family resources to support, the same business, given to others to do, it may only cost 100 million, given to the Ye family side families to do, it may cost 120 million, with such a side family, it is better to draw a line in the future.”

Marven said in a cold voice: “Draw the line is certainly to draw, but must not let them just go without loss.”

Saying that, he looked at Joseph and spoke, “Joseph, later on, have your people put out the word again! Say that Cataclysmic Front has gotten the full list of the Ye family’s ancestral ceremony this time,”

“And all the Ye family members who are not present today must gather under Yeling Mountain by eight o’clock tomorrow morning, and whoever dares not come will be responsible for the consequences!”

Chapter 3557

When he heard Marven’s order, Joseph immediately said in a loud voice: “Mr. Ye don’t worry, the subordinates will immediately arrange!”

Marven nodded and sneered, “They think that the Ye family is finished and want to clear the matter with the Ye family,”

“Then if the Ye family asks them to come, they definitely won’t come, but if the Cataclysmic Front asks them to come, I believe they definitely won’t dare to act rudely.”

Leon asked, “Young master, what about after they come? As you said, let them kneel and go up to Yeling Mountain to repent?”

“It’s impossible to spare them so simply.” Marven waved his hand and spoke, “Later today, the outside world will receive news that the Ye family has lost and accepted the harsh conditions of the Cataclysmic Front,”

“So when the time comes, the Cataclysmic Front will directly ask them to take out half of their family fortune as well, I believe they dare not refuse to give!”

Zhongquan’s eyebrows raised, exclaimed: “Marven, you ..... you are going to drink their blood, eat their flesh ah .....

Marven said expressionlessly, “I am going to drink their blood and eat their flesh, but not by myself, but via the Cataclysmic Front!”

Saying that Marven said: “After the Cataclysmic Front gets their assets, through the channels of offshore companies, the money will be backhanded again to the Ye family,”

“It just so happens that I want to do ocean shipping, if we get some money from them, I will use it to buy a few dozen more cargo ships, for the gang to take out a two or three hundred billion, should still not be a problem.”

He spared the death of the Cataclysmic Front, the Front under Joseph’s command will do the dirty work for him.

Have to admit that the deterrent effect of the Cataclysmic Front is still very strong.

Other than that, Joseph, yesterday let put forward so many harsh conditions via Harmen, including half of the family property, the entire Yeling Mountain have to be given up, but also have to wear mourning clothes, and kneeling.

However, Andrew, Changyun, a bunch of cowardly and incompetent rats, did not one by one rush to agree?

Now, let Cataclysmic Front asks the remaining Ye family the same demand, they probably also dare not disobey.

Zhongquan hesitated for a moment with a complicated expression, but quickly figured it out and said, “Okay! You just let go and do it!”

“This bunch of ungrateful things, most of them rely on the Ye family support to have today’s scale, but the Ye family is in trouble, they all run so fast, let them pay a price, this is what they deserve!”

On the side of Jonathan’s expression is very nervous, he spoke: “Marven ..... my son and grandson, I asked them to leave, I am old, I was ready to die with my elder brother to meet the ancestors,”

“But they are still young, I really could not bear them to stay and risk their lives, so also please look at the fact that I did not run, deal with them with a high hand.”

Marven nodded and said seriously, “The second grandfather could stay, it is indeed touching, as you wish, your family’s side, I will not pursue it.”

Saying that, Marven said with a cold expression, “But except for the second grandfather’s family, no one else can be exempted!”

Jonathan was completely relieved and wiped his sweat while saying, “Marven, thank you so much .....”

#### Chapter 3558

At this point, Marven waved his hand, and said to Joseph: “Joseph, I have to go to Scandinavia tonight, tomorrow morning at eight o’clock will certainly not be able to rush back, then you will play a one-man show for them at the bottom of Yeling Mountain,”

“First let them one by one willingly take out half of their assets to Cataclysmic Front, if the money is given, do not let them go still, let them continue to kneel, until I return!”

Joseph arch his hand and said: “Mr. Ye do not worry, your subordinates will do it!”

After saying that, he hurriedly asked: "Mr. Ye, I know more about the situation in Europe and the United States, do you want me to accompany you when you go to Northern Europe this time?"

Marven waved his hand: "No need, you still have parents who need to be buried, tomorrow let the Ye family's foreign relatives kneel honestly, you take care of the burial of your parents."

Joseph respectfully said, "Your subordinate obeys orders!"

Marven nodded slightly: "Good, then all the matters of the Ye family's foreign relatives will be left to you."

After saying that, he looked at Zhongquan and said lightly, "Grandpa, this time for the ancestor worship ceremony, let's save all those tedious and pompous processes!"

"If the heart is not sincere, what is the point of making the ceremony as grand and magnificent as possible?"

Zhongquan nodded and agreed: "You are right, ancestor worship is not in the spectacle, but in the piety, before all the people to organize the ancestor worship, but in the event of some danger, most people turned around and sold the old ancestors,"

"The old ancestors now know, I do not know how angry they'd be, and what's the point of all the pomp and circumstance now."

Kneeling Ye family members, one by one, ashamed, did not dare to raise their heads.

Marven ignored them and walked to the front of the ancestral graves of the Ye family, kneeling on both knees, looking at the hundreds of Ye ancestors and the tombs of Marven's parents, and said in a loud voice:

"The ancestors of the Ye family above, the unworthy grandson Marven, who has been wandering in the past twenty years, has not been able to come to pay respect to the ancestors, I hope the ancestors forgive me!"

After a pause, he added: "Today is a new beginning for the Ye family in the midst of a crisis. The unworthy grandson Marven also officially returned to the Ye family today and took over the position of Ye family head!"

"Here, I promise to the ancestors of the family! From today onwards, no one will be allowed to infringe upon the interests of the Ye family!"

"And no one will be allowed to desecrate the ancestors of the Ye Family! All of us in the Family must act in the highest interest of the Family!"

"Your unworthy grandson, Marven Ye, makes a vow before all the ancestors today! I will do my best to make the Ye Family the number one family in the world and stand on top of the world with your name!"

After saying that, Marven bent down and faced the ancestors of the Ye family and bowed three times respectfully.

Zhongquan also came to Marven's side, kneeled on the ground, faced the ancestor's tomb, and spoke: "Ye family ancestor above, today my Ye family wanderer, Marven, has finally returned!"

"From today onwards, there is no longer any direct bloodline of my Ye family left outside, all direct bloodlines are finally together! I have also fulfilled the promise I made to the ancestors at the last ancestral ceremony!"

Saying this, Zhongquan added, "Marven's return to the Ye family today and his succession as the head of the Ye family, I can finally give you two a satisfactory explanation!"

"Changing! Today, your son turned the whole Ye family into safe heaven! In the future, he will definitely be able to lead the family to create glory again!"

"I believe that you and your wife must be very relieved on the other side!"

Marven stood up at this moment and went directly to his parents' spirit, kneeling on the ground and looking at the words "Changing Ye" and "Margarate An" on the tombstone, his eyes were already filled with tears.

He softly murmured: "Dad, Mom, your son is finally able to come back to see you two openly ....."

When the Ye family heard this, their hearts could not help but be a little surprised, they were not quite sure what Marven meant by this, could it be that he had come here before?

At this time, Marven did not care about the Ye family's surprise, he looked at the tombstone and the young photo of his parents on it, with a firm expression he said:

"Dad, Mom, from now on, I will inherit Dad's legacy, leading the Ye family to the top of the world!"

"At the same time, I will also find your murderers, no matter who they are, no matter what their abilities and backgrounds are, I will kill them with my own hands to avenge your blood!"

### **Chapter 3559**

When Marven and the Ye family finished briefly paying respects to their ancestors, and together with grandfather Zhongquan and youngest aunt Laila,"

"They arrived at Shangri-La to prepare for the banquet for all the friends and relatives who had been at Yeling Mountain today, the outside world, who had been following the movements of Yeling Mountain, had already received the news.

Learning that the Ye family had finally compromised with the Cataclysmic Front, none of those who did not know the inside story doubted the authenticity of the news.

After all, even if these wealthy families were powerful, they could not possibly defeat the Cataclysmic Front, this was the basic consensus of everyone.

What's more, the head of the Cataclysmic Front, and the family that has a deep hatred, will not be able to forgive the Ye family people.

The Ye family's side branches that fled overnight, after receiving the news, each one of them was incomparably thankful deep inside.

They were thankful that they reacted quickly and ran faster, thus escaping a disaster.

However, in addition to being thankful that they had escaped, they were also all worried about the future.

These side families are all dependent on the Ye family for survival, and the main source of income for many branches is the business rewarded to them by the Ye family.

After all, each side family, from the main family step by step, which is like Zhongquan became the head of the family, his brother Jonathan, will have to consciously leave the Ye family, to go out to establish their own business.

And Zhongquan out of compensation or out of kinship, naturally can not expect his brother to care for him,"

"And also as much as possible to give him some resources, so that he does not have the idea of fighting for the head of the family, the second also to maintain kinship, while once the need, these distant relatives can also rush to help.

The reasoning behind this is just like the ancient times when the crown prince ascended the throne and arranged his other brothers around as vassal kings.

For these side families, once they lose the Ye family tree, their own future development will also be greatly affected.

However, not waiting for them to take a breath, Cataclysmic Front released the news "asked all the Ye family sidelines whose names appear in the Ye family ancestral ceremony list,"

"To reach the foot of the Yeling Mountain kneeling worship, tomorrow morning before eight o'clock, late arrival will be in the list of the Cataclysmic Front's global hunt!

Once this news came out, these big domestic families were even more shocked.

Everyone didn't expect that the Cataclysmic Front was not satisfied with conquering the Ye family, but even these side branches of the Ye family were not spared.

And these side lines of the Ye family were also desperate to the extreme.

The feeling of survival after the escape did not last long and was immediately replaced by the despair of the monk who could not run away from the temple.

Ye family ancestral ceremony big list, has long been listed with each of their names, identity information is recorded in great detail.

For example, the person's name, how old, what generation, where the family, who is the father, who is the grandfather, and then the ancestors of which branch of the Ye family, these are all written clearly with a brush dipped in vermilion.

Because this big list is meant to be burned for the ancestors to see after the ancestral ceremony, so no one dares to have any muddle on this.

Now, this list has fallen into the hands of the Cataclysmic Front, then this is the same as every person's old bottom, are firmly grasped by the Cataclysmic Front, even if you have to run you shouldn't.

The strength of the Cataclysmic Front, these people know very well, if they really want to assassinate them, it is as easy as a hand, so no one dares to disobey the orders of the Front.

So, these people can only harden their heads, apprehensive to rush back.

Jonathan's children and grandchildren received the news through the satellite network on the private plane back to Canada.

Ten minutes after receiving the news, the plane drew a circle directly at a height of 10,000 meters and turned around to return to Orgeyon.

.....

### **Chapter 3560**

Meanwhile, Marven had already filled his glass and thanked all his friends and relatives present one by one in the banquet hall of Shangri-La.

And his friends and relatives, including his father's best friend Philip, at this time looking at him, and they have been like looking at God.

Marven's first toast was to Philip.

In his eyes, Philip is the most worthy of his respect, is also the best for his own elders.

Therefore, today his family of three could go up to Yeling Mountain, Marven is heartily grateful.

After a few glasses of wine, he could not hide his excitement and said to Marven:

"Marven, now that you have taken the Cataclysmic Front under your command, the Ye family's strength is already the first among many families in China! If we look at the world, can at least be among the top ten!"

Marven opened his mouth and said, "Top ten is still a long way from number one ....."

Philip said seriously: "It doesn't matter if there is a gap, but you must be steady and unwavering, step by step."

Said, Philip instructed Marven: "Marven, Rothschild, such family's strength is too strong, now this kind of time, I really do not recommend that you contact them too early!"

Marven nodded and smiled, "Uncle don't worry, I'm going to Northern Europe this time, I won't fight them hard,"

"I'll mainly help Helena take back the throne first and contact the Rothschild family, by the way, I'll hide my identity at that time, you don't worry."

Philip can see Marven has decided to go, then instructed: "Rothschild in Europe and the United States commonly known as Old Money,"

"It is not like Bill Gates, a new generation of tycoons, every property, every stock are on the surface, it is more like a huge iceberg, we can see now, but is the tip of the iceberg!"

"And what makes it really powerful is its pervasive and comprehensive penetration throughout Western society in the past few hundred years!"

"On the surface, they seem to have ten enterprises, but in reality, the enterprises actually controlled by them through various means, there may be as many as several thousand,"

"This power is quite terrifying, so terrifying that even if your grandfather's family has been ranked as one of the three great families in the world, but the assets of your grandfather and the Middle East royal families combined, may not be able to compete with Rothschild!"

Speaking of this, Philip admonished, "Marven, at any time, in the face of the Rothschild family, you must be absolutely careful!"

Marven nodded solemnly and said, "Uncle don't worry, I know what's in my heart!"

At this moment, Sara at the side looked at Marven with an excited face and said excitedly, "Marven! With your strength, I believe that even the Rothschild family will be trampled under your feet!"

Sara was originally Marven's little fangirl, and now she even looked like an avid fan.

Marven gently nodded and smiled: "Sara don't worry, this day will come eventually!"

After saying that, he poured another glass of wine and said, "Uncle, Auntie Lenan, and Sara, I'd like to toast you three, thank you again for your love for me!"

The three Gu family members poured glasses full of wine and drank it all together with Marven.

Marven saw the Song family and the Ito family sitting at the same table not far away, so he said to the three members of the Gu family, "There are some other friends over there, I'll go and say hello first."

“Go ahead!” Philip said with a smile, “Remember to come back later to drink with uncle!”

“Okay!”

Marven said goodbye to the Gu family and carried his glass of wine to the table where the Song family and the Ito family were.

At this time, Nanako, watching Marven getting closer and closer, although the face is still as gentle as water, but the eyes full of love can not be disguised.

She originally loved Marven extremely deeply, today with her own eyes she saw his strength, let the entire Front kneel in front of him kowtow and beg for mercy.

She only felt that, if she could not marry Marven in this life, or can not become his woman, then she can only be alone in this life to the end.

Because she knew that there would not be any other man who could completely conquer her from the consciousness as Marven did.

As for the dignified and beautiful Warnia, she has always demanded herself with the style of a lady, but deep inside she has also fallen like a small woman.

Just as Marven reached the front, the Song family as well as the Ito family, all stood up.

Ito Yuhiko and Tanaka Koichi couldn't stand because they lost their legs, but they also immediately raised their glasses high and looked at Marven with respect.

And the nearly two hundred people brought by their two families also stood up in unison with a swish!

Among them, more than a hundred top ninjas, who were usually regarded as national treasures in Japan, stood straight while their hands were humbly hanging at the sides of their bodies, and their necks and heads were respectfully lowered by forty-five degrees with respectful faces.

This is their instinctive reaction and etiquette when facing a powerful person that they respect and fear.

This scene was seen by Philip, who could not help but sigh to his wife and daughter: “These ninjas seem to have been completely convinced by the strength of Marven, and in front of him, they don't even dare to raise their heads!”

Sara seriously said, “That's right! Marven's strength is much stronger than theirs, so they must be respectful!”

Lenan muttered softly: “I feel that Ito family girl, and the Song family girl, the way they look at Marven seem to be not quite right .....”

After saying that, she also glanced at another table not far away, sitting Zhiyu as well as Ruoli, the two sisters, sighing: “And that pair of sisters from the Su family ..... look at Marven, are also a bit problematic .....”
