

The Amazing Son In-Law Chapter 3571-3580

Chapter 3571

Hearing Marven's words, William was immediately on fire and said, "Surnamed Ye, your words are a little too arrogant!"

Marven smiled and asked, "Arrogant? Why do not I feel."

Saying that, he added: "Even if our family has suffered heavy losses, we still have trillions of assets, some families have not experienced such heavy losses, are not as much money as my Ye family, what can this be if it is not petty?"

Marven looked at the two, a slight beat, flirted: "You see, if the water of the sea is half gone, it is still the sea, but the water in the mud pit is still a mud pit, even if it is filled to the brim."

Olivia and William's faces became very ugly.

Olivia knows very well the strength of the Nordic royal family, cash, antiques, real estate, and foreign investments, and so on all counted, but only a few billion euros in size.

Moreover, the royal family is not Olivia's family of three, there is a large number of royal relatives below, depending on the royal family to feed.

But even if the Ye family took out half of the assets to the Cataclysmic Front, the remaining assets there are hundreds of billions of euros, which is really much stronger than the royal family.

William's heart is as annoyed as Olivia's.

Although his surname Ruthschild, but their family's overall economic strength, converted into euros can barely reach ten billion, in his opinion, may not be as good as a tenth of the current Ye family status.

However, William still gritted his teeth and retorted: "Our Ruthschild family is deep in the world for hundreds of years,"

"The combined assets of more than a trillion dollars, ten trillion may not be able to stop! In front of the Ruthschild family, a mere Ye family is not even trash!"

Marven asked curiously, "You're from the Ruthschild family?"

Olivia was full of smugness and pride as she introduced, "I forgot to introduce you two, this is my fiancé, the young talent of the Ruthschild family, William Ruthschild!"

Marven smiled faintly and said, "You are really from the Ruthschild family, no wonder you speak so loudly."

William sneered, "What? Do you now realize how petty the Ye family is in front of our Ruthschild family?"

Marven shook his head and said indifferently, "Whether it's trash or not depends on who you compare it to. If you compare it to the core Ruthschild family, the Ye family is naturally much inferior,"

"But I heard that there are many side branches within the Ruthschild family, and these side lines are divided into three ladders, I wonder what ladder Mr. William's family is on?"

Hearing these words, William's face immediately became iron blue.

Talking about the Ruthschild family, he was full of pride.

But when it comes to the topic of his family in the first few steps, he is a bit at a loss as to what to do.

Because his family, in the Ruthschild family, is just a hanging third ladder.

Marven saw his odd expression but did not speak, could not help but laugh and ask: "What is it Mr. William, just now is not quite able to talk? How come you're not talking now?"

William's expression was cloudy and uncertain, and he didn't know how to respond for a while.

Chapter 3572

Olivia saw her fiancé defeated, immediately very upset said in a cold voice: "Mr. Ye, this is Northern Europe, not China! It's better not to speak so sharply."

Marven grunted and asked rhetorically, "This is sharp? It seems that you still lack understanding of the real sharpness."

At this time, Helena came out and rounded up, "I think we should stop chatting here, let's go back to the palace, I still want to go see how our grandmother is doing now."

Olivia's expression smiled playfully and said, "Helena, don't worry, William and I came to the airport this time, not only to pick you two up."

"There is also a friend who will be arriving soon, why don't we go back to the palace together when he arrives."

Helena subconsciously inquired, "Who is the other friend you are talking about?"

Olivia laughed, "This friend is a Russian oligarch, Aman Ramovich."

Helena had already learned from the two attendants that Olivia intended to sell her to Amanramovich, so when she heard this, her heart stuttered.

However, she tried her best to control her emotions and asked in mock surprise, "Olivia, when did you become friends with such a vulgar person?"

Olivia narrowed her eyes at Helena and asked with some surprise, "Helena, has no one ever mentioned anything about Aman Ramovich to you?"

Helena shook her head blankly, "No one has mentioned it, why?"

Today, Helena left the two people Olivia had planted to come back alone, Olivia knew that her people had exposed their identity.

Now, she also did not know whether her two people, had told Helena about her plan.

Because earlier she had authorized the two to trick Helena into going to the airport and then send her directly to St. Petersburg.

But now, looking at Helena's bewildered face, Olivia thought she might not have learned about it yet.

So she then said with a big smile: "This Aman Ramovich, is still quite good, rich, and also very gentlemanly, just a little older, not as crude as they say not to see."

Helena pretended to laugh casually: "I have the impression that the nobility of Western Europe seems to have always been quite repulsed by him, why did you still invite him over?"

Olivia laughed, "Although Amanramovic has no background worthy of praise, he is at least a tycoon worth tens of billions of dollars, and I want to revitalize the royal family in the future, so of course I need to have good relations with such tycoons."

As she spoke, the sound of an aircraft engine outside grew closer, and a brand new Gulfstream G650 business jet, guided by a guidance car, slowly glided towards the hangar.

Olivia raised an eyebrow and smiled, "Aman Ramovich is here!"

The G650 soon came to a halt in the space next to the Concorde, the hatch opened, and a short, thin, middle-aged man in a dark blue suit came out of the hatch with a smile on his face.

This man is the Russian oligarch, Aman Ramovich.

Aman Ramovich came from a poor background, but seized the wave of the times and accumulated wealth like crazy at a special stage in Russia, quickly rising to the top of the rich list.

As soon as Amanramovich stepped off the plane, he said to Olivia with a big smile, "Your Highness Princess Olivia, it's been a long time!"

After saying that, he immediately looked at Helena at the side with a kind of eyes with a bit of greed, and said with a smile, "This, must be Her Highness Princess Helena, right?"

Chapter 3573

Helena was more or less uncomfortable, while Olivia next to her, after seeing his infatuated look at Helena, said with a smile, "Mr. Amanramovich, this is my sister, Princess Helena."

Amanramovich immediately extended his hand to Helena, and while expecting a kissing hand salute to her, he said in a very gentlemanly manner, "Very pleased to meet you, Your Highness, the honorable Princess Helena!"

Helena did not want him to kiss her hand, she had already guessed Olivia's motive for inviting him here, and was disgusted, so she nodded slightly at him and said with an apologetic face,

"Sorry Mr. Amanramovich, because my fiancé is a Chinese, so I have to observe their customs and cannot perform the kissing hand salute, please excuse me!"

Aman gave an embarrassed laugh, then quietly withdrew his hand and said with a smile, "It's okay, it's okay, I understand!"

Olivia glanced at Helena and sneered in her heart, "Helena, what are you pretending to be reserved for? It won't be long before you are Aman's woman!"

When Olivia learned that Helena was going back to her country, she had already discussed the countermeasure with her parents.

Since Helena was here this time, it would not be easy to let her go again.

According to Olivia's plan, from the moment Helena returned to the palace, she was put under surveillance and was not allowed to leave the palace grounds.

She also called Aman in St. Petersburg at the first opportunity and reached an agreement with him on the phone to force Helena to agree to marry him after her big wedding tomorrow.

Olivia had Helena's mother as a hostage in her hand, so she believed that Helena would never dare to disobey her arrangement.

As for Aman Ramovich, he was ridiculed by the Western media all day long for his origins, ridiculed a bit to go off the rails.

Now all he can think of every day is to hurry up and marry a European royal princess, so as to severely humiliate those people who despise him.

So, when he received Olivia's call, he was overjoyed and immediately rushed over.

The good thing is that St. Petersburg is only a thousand kilometers away from Northern Europe, and an ordinary plane can arrive in two hours.

However, Aman Ramovich, who flew over from St. Petersburg with great enthusiasm, did not expect that Helena would be so cold to him.

So, he then looked at Olivia and asked, "Princess Olivia, I wonder if that thing we talked about on the phone still counts?"

Olivia laughed, "Of course it counts! I will soon become the Queen, the Queen promised, how can I go back on my word? Don't worry, Mr. Amanramovich!"

"That's good!" he breathed a sigh of relief.

He knew that Olivia must have a way to make Helena agree.

As for what method, he didn't bother to worry about it.

In short, as long as he could get Helena back to St. Petersburg, he would immediately put 500 million euros into the Nordic royal family's account, and all would be happy.

Olivia smiled faintly at this time and said, "You all must have had a hard time flying here from so far away, why don't you go back to the palace first, there will be a grand banquet for you all at the palace in the evening."

Aman Ramovich naturally agreed, Marven did not speak, a guest as the host.

So, the crowd was divided into several royal convoys, from the airport to the palace.

There were six cars in the royal convoy, Olivia and her fiancé William sat in the second car, Marven and Helena sat in the third car, and Aman Ramovich sat alone in the fourth car.

Chapter 3574

In the car, Marven has been closing his eyes, Helena's heart is more or less apprehensive, several times want to talk to him, but once she thought there is a driver and a royal maid in the front row, she could only temporarily hold back.

At this time, Olivia and William sitting in the car, guarding a special player, listening to the gasps coming from inside.

William couldn't help but frown at this point: "How come these two didn't say anything? Are they aware that the car is bugged?"

Olivia shook her head: "I'm not sure."

William opened his mouth and asked her, "Olivia, have you thought about how to deal with that man?"

Olivia said casually, "What's he got to deal with? When Aman takes Helena away, let him go back to China."

"No way." William said with a cold face, "We can't let him just leave!"

Olivia was surprised and asked, "You don't want to fix him up, do you? The Ye family is far away in China, but if we really kill their people, we'll get into trouble!"

"No." William waved his hand and spoke, "I wouldn't be stupid enough to kill him, I just want to teach him a lesson, and by the way, let him leave that Concorde behind!"

“Concorde?” Olivia couldn’t help but see a light in her eyes.

In the real high society, there were only two kinds of real top luxury goods, one was a private jet and the other was a private yacht.

In terms of private jets alone, it looks as if the Saudi royal family’s modified A380 is the largest and most luxurious, but to really say that the top rare, private jet that can represent the highest status, it has to be the Concorde.

The reason is that this thing is too rare.

When a total of twenty or so were built, there are now only single-digit remaining, is the real out-of-print private aircraft.

Moreover, it is also the only private plane that can fly at supersonic speed.

Who can have such a private jet, flying out of the face, then the Saudi royal family A380 is much more elegant!

Olivia and William are both extremely vain people, usually, luxury goods are numerous, but none of them dare to hope that they can own a Concorde.

Therefore, when William proposed this idea, Olivia was immediately moved beyond belief.

So, she immediately asked, “Honey, what do you have in mind?”

William sneered: “After the banquet tonight, I will open a card game to play cards with some guests who came from far away, and earn some pocket money in the meantime,”

“When the time comes, I will make a game and invite that Marven to come over and play a couple of games, as long as he is willing to play, I will be sure to make him fall in step by step.”

Olivia asked with some doubt: “Are you really sure?”

William said confidently: “Don’t worry, this time, there is a guest inside, I have placed a person in advance, this person has been in Las Vegas for many years as a lottery officer, as long as you let him deal, no matter what items to play, can make that Marven lose all!”

Olivia asked in disbelief, “How come you also specifically planted a cheater in the palace?”

William shrugged his shoulders and said indifferently, “Don’t you understand the hobbies of these rich men? They like nothing but beautiful women and gambling,”

“They come to the palace to attend the wedding, certainly can not bring women in the palace mess, so an impromptu gambling game will certainly make them very interested!”

Saying that William moved his eyebrows and continued: "But all such occasions, as long as someone set up a game, every man loves to play a couple of hands, casually lose a few hundred million euros, for them is nothing,"

"A person losing hundreds of millions, ten people can be tens of millions or even hundreds of millions, so as long as the operation is done properly, earn a few tens of millions of euros very easy."

Olivia stroked her chin and said with a smile: "I didn't expect you to be quite bad! Even the money of these relatives and friends are also counted!"

William said awkwardly, "There is a chance to earn some pocket money, and it's not a big loss for them, so why not? Don't you think so?"

Olivia hummed and laughed, "Seeing is believing! I want half of the proceeds from the bet!"

William faintly froze, then smiled and said, "Haha, Olivia, I have a hunch that the two of us will have a very, very harmonious life after marriage!"

Olivia raised her eyebrows and added: "If Marven can really lose that Concorde to you, I'll have half of this plane too!"

"That's for sure!" William reached out and cupped Olivia's chin and kissed her hard on the lips, only to raise his head a moment later and said with unparalleled tenderness, "Dear Queen Olivia, everything I have belongs to you!"

Olivia nodded with a satisfied face and smiled, "It seems that you have started to adapt to the role of 'Prince William' in advance."

William laughed: "That's for sure! I can't wait to be your husband tomorrow and the Prince the day after tomorrow!"

He said, "My father has promised me that after you inherit the throne and make me Prince, he will give us the Italian luxury yacht in Copenhagen and a villa in Beverly Hills, Los Angeles!"

Chapter 3575

Half an hour later, the convoy drove into the Royal Palace.

The royal family in the Nordic countries has three palaces, and in the capital suburbs, this is the largest of the three, but also the most luxurious.

The entire palace, in fact, is more like a large combination of ancient fortress and manor.

The overall area of hundreds of hectares, the place is so large that there is a golf course inside, and an equestrian venue.

It is said that the value of the building and land of this palace alone is more than three billion euros.

However, because it is a royal patrimony and a symbol of the family, the country's laws prohibit the royal family from selling it to the public.

Can not be sold, it means that the royal family has actually just a right to use it.

The caravan crossed a large green area and stopped in front of an old castle that was at least a hundred years old.

The members of the Royal Guard immediately came forward and opened all the car doors, and Marven walked down with Helena.

Seeing Helena return, the royal guards immediately saluted respectfully, "Your Highness Princess Helena!"

Helena nodded slightly in greeting, and immediately after that, Olivia walked over and said to Marven as well as Amanramovich,

"The rooms for the two guests are ready for you, I will have someone take you there first."

Amanramovich immediately bowed and said respectfully under his breath, "Thank you, Princess Olivia!"

In contrast, Marven was not so polite and just said goodbye indifferently.

Olivia saw that Marven also did not bow, showed much less curtsy, and did not even bother to say a thank you, could not help but be a little upset.

However, once she thought that William was still planning to make a game for Marven, she did not get angry, on the contrary, she said to him with a fake smile on her face,

"Mr. Ye, there will be a dinner in the banquet hall later, Mr. Ye must be appreciated to attend."

Marven did not know what medicine Olivia was selling in her gourd, but to him, all the people in the palace combined, it is impossible to touch him, so he said with an indifferent face: "Okay, I will come there."

Hearing this, William on the side said with a smile, "That's really great, today's guests, in addition to our family and the relatives of the Nordic royal family,"

"There are also some heads of the top four northern European families, then Mr. Ye can also get to know others well."

Marven did not expect that even this guy named William was now smiling at him, thus it was clear that this pu55y and Olivia must not have held back any good facts in the car just now.

So, he then smiled and said to William: "It seems that Mr. William has already made all the arrangements for me, so I'll respectfully do as I'm told."

William immediately laughed and said, "Mr. Ye is too polite, I will let you enjoy tonight!"

Chapter 3576

At this time, Helena said, "Olivia, I want to go see grandma!"

"See grandma?" Olivia laughed twice and said, "Grandma is already in a deep coma, the doctor said it's impossible for her to wake up, what's the point of you going to see her now?"

In Olivia's opinion, Helena was anxious to see the Queen, she must still have a ray of hope, want to go to the Queen to plead for mercy, or to sue her.

But Olivia is not worried, because she knows very well that the Queen's life has entered the end, not only is it impossible to wake up, even life does not have long to continue.

Helena spoke at this time: "Olivia, grandmother is the Queen, I no matter as her granddaughter, or as her vassal, certainly must go to pay respect to her, even if she has been in a coma!"

Saying that she added: "Besides, you and I, sisters, also have some whispered words to say."

Olivia put away her smile, nodded slowly, and said expressionlessly, "Okay! In that case, then I will take you to see Grandma first."

After saying that, she instructed the guards, "You guys send the two guests to their rooms first."

Helena busily asked, "Can I let Marven go with me?"

Olivia frowned: "Didn't you say you had something to whisper to me? What's the point of letting Mr. Ye join?"

Marven knew that Helena definitely wanted to let him go to save her grandmother.

But it is a little too boring to go straight out now, and besides, one has not yet seen Olivia and William's little plot.

The first thing you can do is to drive straight in and get right to the point. Have to give people a little foreplay and adaptation time?

So, he said with a smile: "You two sisters chat, I will not get involved."

After saying that, he gave Helena a reassuring look.

Seeing this, Helena had to nod her head and said, "That's fine, then Olivia and I will go see grandma first, let's meet at the dinner."

Marven nodded: "Okay."

Marven was led by the guards to a guest room on the third floor of the ancient castle.

At this time, Helena, led by Olivia, came directly to the top floor of the castle, which is the sixth floor.

This layer, is the entire royal family living in a dedicated area.

At this time on the top floor of a luxury suit, the Queen has been basically sentenced to death.

Half of this suite has been transformed into an intensive care unit.

Olivia brought Helena up and did not immediately enter the ward, but brought her to the next room and instructed a maid, "Search her!"

The maid immediately came up and checked Helena's entire body and found that she only had a cell phone, so she handed it to Olivia and said respectfully, "Your Highness, only this."

Olivia nodded and instructed her, "You can keep her phone for now."

After saying that, she waved at Helena and said, "Come with me."

Helena followed Olivia to the door of the ward, Olivia sent away the guards outside the ward, and sent several doctors on duty out together, and only then took Helena into the ward.

Inside the ward, an old woman with white hair, lying expressionlessly on the hospital bed.

Her whole body is very thin, her face buckled oxygen mask, the whole person except for breathing the chest shows a slight rise and fall, there is no other movement.

Seeing this old woman, Helena's eyes were red and she came crying to the bed, choking: "Grandma Grandma, can you hear my voice? I'm Helena, I've come back to see you"

Olivia sneered, "Helena, you just don't dream, there's no way she'll wake up to do you justice!"

There was no one else here except the two of them, and the dying queen, so Olivia immediately put away her hypocritical face.

Helena turned her head to Olivia and questioned, "Olivia, where exactly did you hide my mother?"

Olivia grunted: "Don't you think you're particularly childish for asking such a question? I have to use your mother's life to force you to give in, how could I possibly tell you her whereabouts?"

Helena asked her through clenched teeth, "Olivia! I am your sister! It's your family! Why are you doing this to me! Why are you doing this to my mother?"

Olivia hugged her shoulders and sneered, "Come on Helena, what's the point of playing this emotional card at this point?"

After a pause, Olivia said: "I tell you, now you no longer have any choice, honestly after my wedding to marry you to Aman Ramovich, I will spare your mother's life!"

“Otherwise, I will not only give you to Aman Ramovich by force but also turn your mother into her present form!”

When she said this, Olivia pointed her finger at the Queen lying on the bed.

Hearing this, Helena looked at her with dumbfounded eyes and questioned, “Grandma Grandma is in this state because of you?!”

“Of course it was me!” Olivia, knowing that Helena did not have any recording and eavesdropping devices on her, sneered unscrupulously,

“During her medical checkup last year, her health care doctor told me that with good maintenance, she could live for at least another ten years, and possibly even another twenty”

“Da*n, which crown prince can wait that long? Ten years after another ten years, who knows how many more ten years will follow? The ghosts know if she will also be like the one in Great Britain, give me a super long standby?”

“So, in order to inherit the throne as soon as possible, I could only use some means to try to shorten her standby time!”

Chapter 3577

Helena really did not expect that her grandmother is now seriously ill and not awake, but it was all Olivia who is behind the control!

This makes her heart extremely angry at the same time, can not help but feel a chill in the back

The first thing she had never realized before was that her cousin was actually such a sinister and poisonous woman at heart!

Not only did she scheme against her, but even her grandmother, the reigning empress, did not spare her!

The furious Helena, pointing at Olivia, angrily rebuked: “Olivia, do you know that murdering the empress is a felony of treason! In the past, you would have been sent to the gallows!”

Olivia bristled, sneering with disdain, “Let me go to the gallows? To tell you the truth, the old woman’s fate is in my hands, I let her die today, she can not live tomorrow!”

“If I let her die tomorrow, she will not live until the day after tomorrow! As soon as she dies, I will be enthroned as the Queen! At that time, who can still do anything to me?”

Helena gritted her teeth and said, “Don’t you forget! Even if you are the Queen, you are still a citizen of this country and have to abide by the laws of this country.”

“If what you have done is known to the outside world, even if you have ascended to the throne and become the Queen, you will definitely be caught and tried publicly!”

Olivia asked disdainfully in return, "But who outside will know about it? You? Do you really think that if you say something, outsiders will believe it?"

Saying that, Olivia did not wait for Helena to open her mouth, then snickered:

"Oh yes, you will not have the opportunity to talk to outsiders either, because from now on, you are not allowed to leave the palace half a step, nor are you allowed to have any contact with the outside world!"

Helena sneered, "What? Do you want to put me under house arrest? Don't you forget that everyone knows I've returned, what will they think if I don't show up at your wedding tomorrow?"

Olivia said disdainfully, "You'll make a short video tonight telling everyone that you're suddenly unwell and have to stay in bed to recuperate, so you can't be my maid of honor!"

Helena blurted out, "You're dreaming! I'm not filming that!"

Olivia laughed, "It doesn't matter, you don't have to film it, but I will have your mother's two eyes gouged out, and then the whole thing will be on video for you to see!"

Helena was shaking with anger and rebuked, "Olivia! You are a devil!"

Olivia bristled, "I'm not a devil, I'm the future Nordic Queen!"

At this point, she stared into Helena's eyes and said, word for word, "Helena! You can never be my match!"

"If you want your mother to survive, you should listen to me honestly, otherwise, not only your mother will not survive, you will not survive either!"

Helena was extremely angry in her heart, but she also knew very well that she was not Olivia's opponent at all.

Her only hope was Marven.

So, she could only give in to Olivia and spoke, "You let me think about it"

Olivia sneered, "Remember, the video must be sent out before eleven o'clock at night."

"Okay", Helena nodded, as a promise.

.....

Chapter 3578

7:00 p.m. Scandinavian local time.

The royal family's internal reception dinner was held in the banquet hall of the palace.

The Western-style banquet is very different from the East, the scene is not divided into several round tables, but an extra-long long table with more than ten fine dining chairs on each side of the long table.

The number of guests attending the dinner was not large, including Olivia and William's parents, a total of less than 20 people.

Most of the guests are close friends and relatives of the two families, which is why they were invited to stay at the palace a day early.

Most of the guests, on the other hand, will come to the palace early tomorrow morning to attend the wedding.

Helena is coming down with Olivia.

Because of Olivia's threat, Helena's mood has been a bit apprehensive.

When she just arrived at the banquet hall, she immediately began to look around for Marven's shadow.

Because right now only when she sees Marven, she could put her heart down.

But he did not appear in the banquet hall.

When Olivia's father Richard saw Helena, he immediately said with a smile, "Helena, you're back!"

Helena looked at Richard, she did not know whether her uncle was involved in the matter that put her grandmother in a deep coma.

But her heart was still very wary of this person, so she spoke: "Uncle, how are you lately?"

Richard sighed lightly and said, "Other than your grandmother's health that I am concerned about, the rest is fine."

As he was talking, Aman Ramovich also came over, first looked at Helena a few times with some fascination, then stepped in front of Richard and said respectfully,

"Hello, Prince Richard! I am Aman Ramovich, it is an honor to meet you!"

Richard nodded slightly and said with a smile, "I've heard a lot about Mr. Amanramovich, but I only had the chance to meet today."

Richard said, "By the way, I've always liked the English Premier League team you bought, I must go to England to see a live game if I have the chance!"

Aman Ramovic said with a surprised look on his face, "His Royal Highness also likes football? In that case, you can come to London next week if you have time, it just so happens that the team has a home game next week!"

Richard nodded and said, "If there's nothing else on the royal side, I would really like to make a trip to London, just as a short break."

With that, he sighed and laughed to himself, "But the royal family has so many things to do every day that they can't get away, so I guess the rest will have to wait for some more time!"

Aman Ramovic said with a smile, "It doesn't matter, it's almost summer, there are especially many summer matches, when the new Champions League season starts, maybe it will come away to play in Northern Europe."

"Yes." Richard nodded and smiled: "I didn't expect you and I to have a lot of common topics, you and Helena will sit next to me!"

After saying that, he pointed to the two empty seats on his right and said to Helena: "Helena, you sit with Mr. Amanramovich."

Helena said awkwardly, "Uncle, I have a friend who came from afar, he is not familiar with this place, I'd better join him."

Richard said indifferently, "You are talking about the person from the Ye family, right?"

"Yes." Helena was busy saying, "The one from the Ye family this time is Morgan's cousin and the first son and grandson of the Ye family."

Richard grunted and said, "I really don't understand the Ye family, after such a big incident at home, why don't they stay at home and clean up the mess, but still have to come out to the world to make a fool of themselves."

Helena had to explain: "Uncle, don't say that, the Ye family also had a good intention, after all, I am the future daughter-in-law of the Ye family, they feel that if I come back alone, more or less lost the etiquette."

Richard said casually: "I was not in favor of you marrying there, our royal family for so many years, has never been through marriage with people outside Europe, you went to China in the past few days I am also considering this issue,"

"Out of respect for the royal bloodline and maintenance, I think you should not marry far away to China, just find a suitable young talent in Europe to marry here!"

Saying that, he glanced at Aman Ramovich, casually said: "In my opinion, like Mr. Aman Ramovich, such young talent, is also not the least bit worse than the Ye family!"

Helena said with a difficult face, "Uncle marriage contract is all set, how can we change if word gets out, others will say that our royal family has no credibility"

Richard said unconcernedly, "The Ye family had such a big incident, it is reasonable for us to change the marriage contract."

Helena was busy saying, "But I can't explain it to the Ye family either"

Richard waved his hand and said disdainfully, "What's so bad about it? Where is the guy from the Ye family? Let him come over, I will talk to him personally!"

Richard's voice just fell, Marven, step into the banquet hall, while walking smiling and asked, "I'm here, who wants to talk to me?"

Chapter 3579

Seeing the yellow-skinned, black-eyed Marven walk in, Richard immediately guessed that he was from the Ye family even though he had never seen him before.

So he said with a smile on his face, "Gentleman, I believe you're from the Ye family?"

"Yes." Marven nodded slightly and asked with a smile, "I heard a general idea when I came in just now, do you have something to talk to me about?"

Olivia at the side immediately said, "Marven, this is my father, Prince Richard of the Nordic royal family!"

Marven nodded and smiled, "Prince Richard I don't know what you want to say?"

Richard adjusted the knot of his tie and said with a proud look on his face, "When we made the marriage contract with the Ye family, we did not know that your Ye family would have involvement with a mercenary organization like the Cataclysmic Front!"

"And we, the Nordic royal family, have always been clean and never had any involvement with such gray organizations!"

"Therefore, in order to maintain the royal family's reputation, we naturally cannot continue to fulfill the marriage contract with the Ye family. I hope that when you return, you will carry my words to the Ye family head."

Saying that, he glanced at Helena and added: "As for Helena, since she has already returned, she will stay directly with the family this time and will no longer return to China with you."

Marven laughed: "Prince Richard, you see that my Ye family has lost power, so you want to unilaterally repeal the marriage!"

"If that's the case, you can just say so, why do you need to make such a big circle, and then bring people from the Cataclysmic Front into this and step on it?"

If the Cataclysmic Front knows that you are using them as a shield to withdraw from the marriage, in case you annoy Joseph Wan, he will have to kill you when he gets hotheaded, what will you do then?

Richard's expression changed instantly, and his heart panicked.

He originally wanted to find a reason to dissolve the marriage with the Ye family, but said straight out that the Ye family is now out of power, the royal family is not willing to play with them.

If the word gets out, everyone can see that the royal family's words are not faithful, and go back on their word.

Therefore, he can only blame the reason on the principle.

The most reasonable way to say it is to take the royal family's cleanliness as a principle, since the Ye family compromised with the Cataclysmic Front, it proves that the Ye family and the Cataclysmic Front have got involved.

His royal family does not want to be soiled by the Cataclysmic Front itself, so it is much more reasonable to withdraw from the deal with the Ye family.

However, how could Richard have thought that Marven was such a provocative master?

As soon as he heard him say that, he immediately bit the bullet that he was using the Cataclysmic Front as a shield, and then directly brought out the Front's name as a threat, which immediately made Richard confused.

Don't look at him as a royal prince proud, but if really faced with the Cataclysmic Front, he can be scared to sh!t.

So he hurriedly waved his hand and said, "I didn't mean that! Don't talk nonsense!"

Chapter 3580

Marven laughed: "What am I talking nonsense about? Just now you said yourself, so many people listened to it, did I say it wrong?"

Saying that, Marven added: "Don't worry, I will definitely take your words to Joseph Wan intact, as for whether you deliberately stepped on him or not, let him judge for himself."

Olivia saw that Marven even brought out Joseph's name to threaten her father, and immediately said in annoyance,

"Mr. Marven! You don't have to talk out of your a55 here! Your Ye family has a father's murderous grudge against Joseph, and you were treated by him, lost your ancestral tomb and half of your family fortune, and all in the world know about it."

"And now you dare to bring up Joseph to threaten others, if he knows that you are using his name outside, I believe he will never let you go!"

When the others heard this, they also instantly looked at each other with approval.

After all, the Ye family had just been taught a lesson to death by Joseph, and to bring Joseph out to scare others at this time was indeed very untrustworthy.

Aman Ramovich, sitting next to Helena, said with a smile on his face: "Mr. Ye, the marriage contract itself is a contract, you can choose to perform, of course, you can also choose not to perform,"

"If the two sides initially set a breach of contract clause, then the non-performing party will have to compensate in accordance with the terms, if not set a breach of contract clause, it is more free to decide! We are all civilized people, there is no need to make such personal threats, right?"

Marven frowned and asked, "Did I ask you? who are you? Do you have a role to speak here?"

Aman Ramovich didn't think that Marven, who was a brat, would dare to publicly humiliate him on this occasion!

Marven looked like he was in his twenties, but Aman Ramovich was already in his fifties, almost twenty years older than him, so he naturally could not bear to be humiliated by this boy.

So, he immediately stood up, slapped the table, and cursed angrily, "Marven Ye! Do you know that this is Europe? Do you still think that this is China? Based on your rudeness to me just now, I can make you die in Europe, do you believe it?"

Marven saw Aman Ramovich gnashing his teeth, did not say anything, but suddenly stepped forward, grabbed him by the collar, and slapped him hard on the face, and pushed him backward afterward, causing him to fall over.

Everyone at the scene was shocked speechless.

No one expected that Marven would do it just like that!

Richard, who was the host, was also confused and didn't know what to do at once.

Aman also did not expect that Marven would dare to make a direct move on himself.

These people on the scene, are the so-called noble gentlemen of Europe, the dogma is: I can kill his family behind his back, but on the surface must be polite, can not lose the aristocratic style.

But who would have expected that Marven's style of action is so brutal, without saying a word upon the dry, immediately dry Aman Ramovich on the ground.

While everyone was dumbfounded, Marven moved a new chair and sat on Amanramovich's previous position, saying in a cold voice:

"Just a Nordic royal family and a Russian oligarch with assets of more than 20 billion dollars, and you think my Ye family is a soft persimmon? The assets of the two of you combined are not even one tenth of my family!"

After saying that, he twisted his head and looked at Aman Ramovich, said indifferently: "I know you have some background in Russia, but I can tell you clearly, just your strength, in front of me is not even a fart,"

“Be smart and honestly move a chair to sit far away, otherwise, I have ways to make your life worse than death.”

Aman Ramovich was frightened by Marven’s coldness, but for a while was unwilling to admit defeat in front of so many people.

At this time, Prince Richard at the side repeatedly thought deep inside: “Why is this guy surnamed Ye so arrogant? Wasn’t their Ye family just cleaned up by the Cataclysmic Front? Doesn’t he know how to keep a low profile at all?”

When he was wondering, he suddenly thought of something and exclaimed, “Oh no! I almost forgot! The Front took half of the Ye family’s assets, which certainly can not be all cash, there must be a large part of the Ye family’s shares!”

“The Cataclysmic Front is not good at running businesses, so in the future, it will still depend on the Ye family to run it?”

“According to this, although the Ye family has lost half of its assets, the Ye family and the Cataclysmic Front should somehow be considered integrated and become a community of interest!”

Thinking of this, he was horrified: “No wonder this boy has no fear! The Ye family is now substantially tied to the Cataclysmic Front!”
