

# The Amazing Son In Law Chapter 401-410

## Chapter 401

The brilliant club has 15 floors.

Except for the lobby on the first floor, the other fourteen floors are used as entertainment venues.

Among them, below the tenth floor are boxes of different sizes and styles. Even the boxes of ordinary members are extremely luxurious, not to mention the high-level VIP boxes, which are simply an emperor's enjoyment.

As for the tenth floor and above, there are swimming pools, sky gardens, fitness and entertainment facilities.

Among them, the top fifteen floors are the most luxurious.

On the fifteenth floor, Marven just got out of the elevator, and immediately saw the luxury of the surroundings.

It's a palace-like splendor, everything is extremely luxurious and elegant, and basically nothing can be faulted.

Warnia walked beside Marven and introduced, saying, "Mr. Ye, this floor is the most luxurious floor in the entire glorious club. It is also equipped with a semi-outdoor infinity pool, presidential suite, private dining room, and even if you want to listen to music A small concert can be held here. If you like a singer, you can ask him to come over and sing for you on the 15th floor."

With that, Warnia hurriedly said: "By the way, a very famous girl group is coming to Wrester for a concert recently. One of their members has been very popular recently and is named koi girl. The other's economic company happens to be Our Song family invested, if you are interested in can be arranged,

Marven smiled lightly, waved his hand and said: "Forget it, I don't like the entertainment industry too much."

Warnia nodded and said, "The entertainment industry is really messed up. If you like more powerful players, I can also help you invite some top singers over and sing for you alone."

Marven smiled and said, "If I have this need, I will tell you."

"Okay." Warnia smiled and said: "In short, Mr. Ye must not be polite to Warnia. If you have any needs, you can tell me that I will do its best to satisfy you."

When she said this, Warnia's face was reddened. This arrogant and indifferent eldest lady was rarely ashamed in front of a man.

In fact, Warnia has always remembered the teachings of her grandpa.

To find a way, to recruit him as the Song Family's son-in-law.

Moreover, she herself also likes Marven, a man who has strength and ability, but is very low-key, and she has long been fond of Marven.

Therefore, these words are not only a heartfelt expression to Marven, but also a vague expression of love.

It's just that Marven didn't taste the deeper meaning, but smiled slightly, thanked Warnia's respect, and said: "From a glance, the Feng Shui here is still very good. At that time, I considered the issue of Feng Shui. However, it is required to be careful about it. Therefore, I have to look at each level, otherwise I may not be able to see it."

After speaking, Marven said calmly: "Let's do it, you go ahead and I will just go around."

Warnia hurriedly said, "Mr. Ye, I will stay with you!"

Marven smiled and said: "No, no, you need to be calm to see Feng Shui more thoroughly. I'll go and watch it alone. Just wait for me here."

Warnia didn't insist on accompanying him anymore, and respectfully said: "Mr. Ye has any needs, just call me directly."

Marven nodded slightly to Warnia, did not speak, and walked into the elevator.

.....

Marven went down from the fifteenth floor and took the elevator floor by floor to look over.

Look at it layer by layer, and finally he reach the only second layer that he hasn't seen.

Looking at it all day, Marven felt that the brilliant clubhouse can be said that the decoration of each floor is very luxurious, and the designer's intentions can be seen.

However, the feng shui here can only be regarded as quite satisfactory.

## **Chapter 402**

Brilliant Feng Shui does have a certain degree of exquisiteness, but in Marven's view, there is nothing very profound and unique.

Ordinary people may think that Feng Shui here is very good, but in his opinion, the Feng Shui here is like a glass of boiled water. It has no advantages, no harm, dull and unremarkable.

But now that Warnia had promised, Marven didn't mind making a move, raising the entire glorious Feng Shui to the next level.

He thought to himself that combining the Feng Shui mystery in the Nine Profound Heaven Scriptures, he soon had a whole set of ideas.

At this moment, a woman's voice suddenly came from behind him.

"Marven, why are you Rubbish here?"

Hearing this, Marven frowned and turned around, and saw Theresa and a man in a Wang suit walking over.

The man is no one else but the eldest son of the Wei family, Barena Wei.

Barena Wei has loved Theresa since he got her from Fredmen.

He even promised Theresa that she would be a master.

Theresa was unwilling to be sent around like a plaything at first, but seeing that Barena Wei was really sincere to her, she was willing to be his lover.

From Theresa's point of view, although the Wei family's strength is not as good as Fredmen's Future Company Group, it is at least one billion in assets. Compared with the previous Xiao family, that is too much.

Therefore, after she approached Barena Wei, she regained her former pride.

Today the brilliant club opened, Barena Wei specially spent 5 million to buy a senior member qualification, and then brought Theresa over to experience it, and meet the world by the way.

After Theresa entered the glorious clubhouse, she was shocked by the luxury here, and suddenly she had the feeling of high society.

But when she was immersed in this feeling, she suddenly saw Marven who made her hate him.

It's like when eating the Manchu Feast, suddenly saw a fly.

Disappointment!

It's really disappointing!

She was so disappointed that she just wanted to quickly find a way to get rid of this fly!

Otherwise, the experience of this full-fledged man will instantly fall into the valley!

Of course, it is best to swat this fly to death.

When Barena Wei saw Theresa firing a cannon at a very ordinary guy, he hugged her waist tightly, and asked curiously: "Theresa, this is the smelly live-in son-in-law Marven you said?"

"It's him!" Theresa gritted her teeth and looked at Marven, and said, "This grandson has been a notorious waste since he was in college. I didn't expect that he would still come to the brilliant club!"

When Barena Wei was lingering with Theresa, he heard Theresa talk about some of the past of the Xiao family, so he was very impressed with Marven.

When he thought that he had just conquered Theresa, in order to make Theresa give up, he naturally wanted to give her a lot of help, so Barena Wei looked at Marven and sneered: "Boy, is the glorious club a place where you can come?"

Marven's face became cold, and he asked, "Why can't I come?"

"Why can't you come?" Barena Wei grinned and said, "Because you are not worthy!"

### **Chapter 403**

Marven couldn't help laughing when he heard Barena Wei's words.

He was not angry, but looked at him with a good temper, and asked with a smile: "Come on, tell me, why am I not worthy?"

Barena Wei's nostrils turned into the sky, and he coldly snorted, "I need to ask? You naturally don't deserve it! Look at the clothes you wear, sh!t, it's not as good as the doorman at the door!"

Marven smiled and said: "What I wear is my freedom. Does Brilliant Club still require guests to wear specific clothes?"

Barena Wei sneered: "Of course, the Brilliant Club does not require clothing, but the membership system is implemented here! No member is absolutely not allowed to enter!"

With that, Barena Wei asked sarcastically, "Are you an ordinary member here?"

Marven shook his head lightly: "No."

Barena Wei asked disdainfully: "Then are you a senior member here?"

Marven also shook his head: "No."

Barena Wei sneered and said, "Why don't you want to tell me, are you a VIP member here?"

Marven spread his hand: "It's still not."

Barena Wei couldn't help laughing: "Hahaha, you smelly rug, wouldn't you tell me you are a senior VIP member? As far as I know, no more than ten people can get senior VIP members in Wrestvel!"

Marven smiled lightly, showing two rows of small Wang teeth, and said harmlessly, "Neither."

Barena Wei frowned and snorted coldly: "You or him are not any members. I think you came in while you were unprepared, right?"

Theresa on the side also said sarcastically: “Then I need to ask, how could such a waste son-in-law who was abandoned by our Xiao family be a member here? It’s definitely a stinky rag who came in to eat and drink!”

After finishing speaking, she glared at Marven, gritted her teeth and said: “Marven, you came to the wrong place today! This is the newly opened brilliant high-end club of the Song family. Today, it is open for trial business. The people who come are all decent characters. You dare to get in and make trouble. Are you not afraid of being killed by security?”

Marven said innocently: “I am a member here, why would the security beat me?”

Barena Wei sneered and said, “Do you f\*cking pretend to me? There are four grades of members here, ordinary member, senior member, VIP member, and senior VIP member. You are none of these four. You still say you are a member?”

Marven said seriously: “Although I am not a member of these four tiers, I am a supreme VIP member and belong to the fifth tier. Don’t you know?”

“Bah!” Barena Wei said contemptuously: “I can go to your mother to drop it! I didn’t see the hanging introduction in the lobby on the first floor? There are four files in total, and you really know how to edit it. What kind of supreme VIP member? Dan, are you not afraid of offending the Song family?”

Marven shook his head helplessly and said: “You are so strange, what I told you is the truth, why do you just not believe it?”

“I believe you?” Barena Wei seemed to hear a big joke, and said mockingly: “Just like that, you want to fool me, Barena Wei?”

Marven asked curiously: “Are you famous? Why haven’t I heard of you?”

Barena Wei sneered: “Have you heard of Wei’s Pharmaceuticals? I’m the general manager of Wei’s Pharmaceuticals.”

Marven shook his head and said, “I’m sorry, I haven’t heard of it.”

Barena Wei thought that Marven was deliberately taunting him, and suddenly said with a gloomy face: “Boy, you are having trouble today, and you don’t have a membership, and you dare to enter the brilliant club of the Song family. You also blatantly said that you are a supreme VIP member. Which idiot made up this name for you? It’s a d\*mn bluff!”

Marven shook his head helplessly, took out his membership card, and said, “Here, look, this is my membership card. Does it say Supreme VIP Member?”

#### **Chapter 404**

Barena Wei took a look at the membership card and immediately frowned.

Not to mention, the workmanship of this card is so good!

The workmanship is much better than your ordinary membership card!

However, he has never heard of any supreme VIP members of the Glory Club! There are obviously only four gears!

Thinking of this, Barena Wei had an answer in his heart.

This card must be forged like this!

d\*mn, this smelly rag is so bold!

He even dares to forge the membership card of the Song Family Club. What is the difference between this and forged bank checks?

So he immediately snorted and said: "Boy, quickly kneel down and apologize to me, and then get out of here! Otherwise, I'll say hello to Boyu, the housekeeper of the Song family. Do you know that I am talking to Boyu? What's the relationship? Boyu and my dad, that's like brother!"

In fact, Barena Wei's father has nothing to do with Boyu.

The two of them are just fellows, and it coincides that they have known each other for a long time, so they are a bit personal.

Boyu has been in Song family for many years, and his position is detached.

It can be said to be a foreigner with the strongest strength and highest status in addition to the big figures in the Song family.

In terms of status, Boyu is much better than an underground king like Orvel.

Because Orvel couldn't come to the stage after all, unlike Boyu, he was the spokesperson of the Song family on many occasions.

Therefore, Barena Wei often talked about Boyu when he was outside, which could have the effect of a fake tiger.

When Marven heard that he knew Boyu, he sneered and said, "I forgot to tell you that the Supreme VIP membership card was given to me by Warnia Song, the eldest of the Song family. Didn't you just ask, which idiot made up this name? This name was made up by Miss Song."

"I'm going to your mother!" Barena Wei snorted contemptuously, and said, "Just like you, it's worth Miss Song to make up a name for you? Do you really think that you don't need money, you can just blow it? It's going to kill you if you blow it, you know?"

Marven asked curiously: "Why is it terrible? Is it toxic?"

"I'm stupid..." Barena Wei exploded and shouted angrily, and said, "Will you f\*cking behave with me? Do you know, you are disrespectful to Miss Song, if Miss Song finds out, your dog life can not be saved!"

Marven smiled and said, "It seems you are disrespectful to Miss Song, right?"

Theresa on the side immediately said to Barena Wei: "Barena, what are you talking about with this kind of rag? Directly call the security guards of the brilliant club to come over and tell them what he just said. Will the security guards let him go? You must say hello to Boyu when that time comes, give this stinky cock a lesson and abolish him so that he can't be a man!"

Fredmen couldn't be a man, it seemed that Marven had used some shameful means, Theresa had always hated this, so now she especially hope that someone can abolish Marven.

When Barena Wei heard this, she immediately patted Theresa's hand and said, "Don't worry, Theresa, I will call the security guard to come and kill him!"

After that, he immediately shouted: "Where is the security? Are they dead? Come here! Someone pretends to be a brilliant member and arranges your eldest lady!"

As soon as the voice fell, a vigorous and solemn voice sounded: "Who is making noise? What's the matter?"

Marven looked up, okay, the housekeeper of the Song family, that bad Old Master is here!

#### **Chapter 405**

With Boyu's angry shout, Barena Wei suddenly burst into laughter.

He looked at Marven with a smile on his face, and mocked: "Haha, man, you are dead this time, and even the gods can't save you!"

After finishing speaking, he turned his head to look at Boyu, pointed at Marven and complained: "Boyu, here is a force, not only pretending to be a member of our glorious club, but also daring to be disrespectful to Song Family. You can teach him a lesson right!"

Boyu frowned.

He's getting older and my eyes are not so good, so he can't see the face at all from a distance.

But he did recognize Barena Wei who was a little closer to him.

Because he is the son of a fellow villager, he has a lot of contact and is relatively trustworthy, so he sternly said: "Who is so brave? Security, take it for me!"

A few security guards of the top five and three thick will immediately encircle them aggressively.

Theresa was very excited, staring at Marven with a sneer and sarcastically said: "Marven, I see how you died today!"

Marven sneered: "You die eight times, and I can't die either."

Theresa stomped: "It's f\*cking hard! Barena, someone will tear his mouth!"

Marven ignored him, but looked at Boyu, who was approaching, and shouted coldly: "Mr. Boyu, you bad Old Master, you are very powerful! Want to take me down?"

As soon as this sound came out, everyone on the scene was shocked!

d\*mn, is this guy not dying fast enough? Calling Boyu a bad Old Master? !

See how Boyu killed him this time!

It is said that Boyu started a fire to death!

However, Boyu hasn't been angry for many years! This time it is estimated to be blown up by this guy!

However, no one thought that Boyu was shocked by this sound, shaking his whole body!

He listened to his voice like Mr. Ye, and when he looked up, he was indeed Master Ye who even the Song family was respected by!

Seeing Marven, he shuddered, and the aura just disappeared. He immediately clasped his fists and bowed, "Mr. Ye, I didn't know it were you. It is really offensive..."

As soon as these words came out, the audience suddenly froze!

This...

What the h\*ll is going on? !

The aloof Boyu unexpectedly apologized to a smelly pauper? !

Before everyone knew what was going on, Marven said coldly: "I heard that you have a very high status in the Song family. No matter how high you are, you shouldn't be higher than the Song family Old Master?"

Because Barena Wei said that Boyu was his father's brother, Marven did not intend to spare Boyu easily.

He doesn't want to care if Boyu is innocent. Who made others pretend to be forced by him under your name? Then he will ask you to settle the account!

When Boyu heard that Marven moved out of the Song family directly, he suddenly knew that he was in trouble!

**Chapter 406**

Without saying anything, he knelt in front of Marven with a thud, and said with trepidation and piousness: "Mr. Ye, if there is something wrong with what I did, let me make it clear that I will make all efforts to correct it!"

Marven nodded, looked down at him, pointed to Barena Wei with a dumb face next to him, and asked, "This man said that you are his father's brother, is it true?"

Boyu glanced at Barena Wei and immediately said, "Mr. Ye, his father and I are fellow villagers, and can barely be regarded as friends, but we are definitely not brothers."

"Good." Marven nodded. Said: "This kid and his concubine have been using your flag to mock me, threaten me, and kill me. What do you think about this?"

Boyu instantly understood that Marven's dissatisfaction with him was completely responsible for Barena Wei in the courtyard.

He yelled at Barena Wei angrily: "b\*stard! you offended Mr. Ye, and don't kneel down!"

Barena Wei hadn't figured out what was going on.

What is Mr. Ye? Why is it Mr. Ye?

Isn't it just a smelly rug? Is he confused?

So, he subconsciously said: "Uncle Boyu, isn't this just a Rubbish and stinky silk? You are such a high figure, kneel down to him? You are the confidant of the Song family! And he offended Miss Song family, you have to Kill him!"

Boyu shivered in anger.

Let him kill Mr. Ye? Is he f\*cking crazy!

Who doesn't know the name of Mr. Ye in the upper class of Wrestvel?

The Old Master of the Song family relied on Mr. Ye's magic needle and magic medicine to recover from the beginning!

The Song family went up and down, respecting Marven and treating Marven as a god!

No matter how much he has a status, it is also compared to his subordinates. Even the people who are in charge of the Song family are regarded as gods. If you see it yourself, you have to be like a god and kneel down!

The man at the helm of the Song family, Mr. Song, now says the most words at home every day:

"You really don't know Song family, in what year and month can you get Marven, the real dragon in the world, the Old Master can't wait to let him the grandson-in-law..."

Therefore, in Boyu's heart, Marven's status is even higher than that of the Song Family!

Now Barena Wei, a little b@stard, said that he and his father were brothers, and holding his own flag, annoyed Mr. Ye, he was going to kill this pretender!

Thinking of this, he immediately stood up, raised his hand and slapped Barena Wei's face, and then shouted to the security guard beside him: "Come on, press him down! And the woman next to him!"

Barena Wei didn't expect that Boyu would raise his hand and hit him. Just about to ask what happened, he felt two strong forces pressed down from his shoulders on both sides, causing him to kneel on the ground uncontrollably.

Theresa was so frightened that she hadn't recovered when she was pushed to the ground.

At this moment, Uncle Boyu put his hands on the ground, looked up at Marven, and said with a panic: "Mr. Ye, I made friends accidentally. I didn't expect my friends to have such a son who doesn't know good or bad. Please rest assured, Mr. Ye. I will teach him a lesson and let him know the price of rebelling against you!"

Marven said indifferently: "He is a small person, a little talker, it's not a big deal. Besides, people know you Old Master Boyu, even if you reach out and hit me, I can only endure it!"

As soon as Boyu heard this, he knew that Marven was not going to forgive himself this way, so he slammed three heads in a row, and said, "Mr. Ye, if you have any dissatisfaction, please don't hesitate to say it, even if it's a waste. Boyu is absolutely unambiguous!"

Marven waved his hand: "You don't need to scrap it, I just want to know, if someone offends your eldest lady, what would you do?"

After speaking, Marven pointed to the Supreme VIP membership card in Barena Wei's hand, and said to Bo: "This card is given to me by your eldest lady. The title of the Supreme VIP member to show respect. As a result, in this person's mouth, the Supreme VIP member became a stupid name. I ask you, does this not mean calling your eldest lady a stupid?"

Boyu turned his head, gritted his teeth and waited for Barena Wei. He questioned with a gloomy expression and murderous expression: "You bast@rd Wei, are you living enough??"

## **Chapter 407**

Barena Wei was frightened by Boyu trembling.

He was terrified, but still pretending to be aggrieved: "Boyu, in the information displayed in the lobby on the first floor, there is no such thing as a supreme VIP member. This must be made up by the guy himself. You can't be fooled by him!"

"That's it!" Theresa also said life and death, sarcastically: "This kind of person's shamelessness is really the only thing I have seen in my life. I don't care if he pretend to be a member. He also specially fabricated a level and even forged a membership card. It's too bad, you don't put the Song family in my eyes at all!"

Theresa wanted to kill and punish him, and closely linked Marven's behavior with the rebellious Song family.

In this way, the Song family would naturally not let Marven go.

However, she completely ignored the relationship between Marven and the Song family.

Even if she didn't believe in Marven from the beginning to the end, there could be any upper-class resources that could really be respected by the upper-class people, but that was the case.

At this time, Boyu was shivered by these two popular people, and gritted his teeth: "Do you two know that this supreme VIP member is specially set by our eldest lady for Mr. Ye? There is only one person in the world! You! blatantly offended Mr. Ye and offended the eldest lady here. Today I will never forgive you!"

"Ah?!" Barena Wei felt a little bit in her heart, this supreme VIP member turned out to be real? !

Moreover, this level is still set by Miss Song Family?

Didn't you scold Miss Song Family?

My God...Isn't this seeking a dead end? !

At this time, Boyu looked at Marven respectfully and said: "Mr. Ye, these two rubbish offended you, what price do you want them to pay?"

Marven said lightly: "These two people are extremely low-quality, their mouths are so bad that they are spraying feces. I think I should let them neutralize the breath in their mouths."

Boyu hurriedly said, "Mr. Ye, do you want to pour them a few kilograms of perfume?"

Marven waved his hand: "Boyu, people must have common sense. Perfume is a high-concentration chemical product. It's okay to spray a little bit. Drinking a few kilograms will kill you. Although these two people's mouth is a little bit cheap and smelly, Sin does not die."

Both Barena Wei and Theresa looked at Marven in disbelief. They didn't expect that he would let them go. This really surprised them...

Boyu hurriedly asked: "Then I don't know what Mr. Ye has to order?"

Marven smiled slightly and said, "If you spray feces on their mouth, just bring some bashful things to neutralize it. Or else, take them to the men's bathroom and let them lick the men's bathroom urinals! If they don't Willing to lick, and then feed them to drink perfume."

Boyu nodded immediately: "Okay! Now that Mr. Ye has ordered, come here! First invite the guests from the men's bathroom, temporarily close them, and then take these two sl\*ts to the men's bathroom and let them take everything Licking the urinal clean!"

Barena Wei and Theresa looked at each other, panicking each other to death.

Licking the urinal? How embarrassing and disgusting!

Barena Wei is a man himself, he knows how dirty, bashful and disgusting the urinal is...

Countless people are urinating on it, and their fingers are disgusting to death. Now let himself lick? Isn't this an insult? !

So he hurriedly begged Boyu: "Boyu, for the sake of my dad's face, you can spare me this time... The urinal is a place where people can't lick, it's too disgusting. ...."

#### **Chapter 408**

Boyu said coldly: "Okay, you don't need to lick it. I will immediately ask the warehouse to bring ten kilograms of concentrated perfume. You have five kilograms each. You can't leave until you finish drinking it!"

The Glory Club has fifteen floors, with a huge area, and there are very high-class fragrances everywhere, all of which are imported perfumes.

Therefore, the stock of perfume in the brilliant club is extremely large.

When Barena Wei heard that he was going to drink five kilograms of perfume, his liver trembled.

There are at least two and a half kilograms of alcohol in five kilograms of perfume, as well as various chemical additives, musk additives, and antiseptic additives. If he really drinks five kilograms, he will not be able to save it!

In contrast, licking the urinal is a bit disgusting, but at least he can survive...

Seeing him hesitate, Boyu immediately became angry and lost his patience. He said to the security guard beside him: "d\*mn, he doesn't want to lick it. Give me a slap in the face first, and charge me some interest! "

"Yes!"

He gave a direct order, and the security guard of the Brilliant Senior Club rushed over and surrounded Barena Wei and Theresa.

The security guards didn't say anything, and didn't procrastinate, immediately raised their fists and punched them together.

Before Barena Wei and Theresa could react, they were beaten with fists and kicks. The beatings blossomed all over their faces, their noses and tears were beaten out, and they were miserable.

Barena Wei, who was in pain all over, struggled and pleaded: “Boyu, how can I say that I am also your senior member. I spent 5 million. Don’t say that my dad and you are still friends. Even if they are just ordinary people, since I am Customer here, you shouldn’t call me either!”

When Boyu heard this, his face turned green: “Do you think you are a member here, so you can provoke our supreme VIP member? I tell you that the entire Song family respects Mr. Ye, and you dare to disobey Mr. Ye. What are you? I tell you, tomorrow I will refund your membership fee to you. From now on, the Glory Club will permanently ban you from entering!”

Barena Wei is going crazy, his eyes are red. The senior members bought it for real money, so why do you cancel it?

But at this time, how can he dare to talk to Boyu?

A security guard ran over holding a few large bottles and said respectfully: “Boyu, here’s the perfume.”

Boyu nodded and said: “Okay! Since they don’t want to lick the urinal, then pry open their mouths and pour them in with perfume! Each can fill five kilograms, and one drop must be no less!”

Several security guards immediately stepped forward, pinched Barena Wei and Theresa’s mouths, and asked them to open their mouths.

Immediately afterwards, the two security guards each took a two-pound perfume bottle and directly unscrewed the lid. The strong aroma instantly overflowed, and the smell was so strong that it was even a little choking.

Boyu looked at Barena Wei and Theresa with pale faces, and said coldly: “Drink so many perfumes. It is estimated that you will be able to ensure that your bodies will not rot when you die. Then find a wasteland to dig a pit and bury. Maybe a few hundred years later there will be an unearthed cultural relic!”

When the two heard this, they were shocked.

No one wants to die!

They thought that drinking perfume was just a threat, but they didn’t expect it to be true. In this way, licking the urinal has become the mildest punishment in the world!

So the two said in unison: “Forgive us Boyu! We choose to lick the urinal!”

## **Chapter 409**

Everyone knows that the urinal in the men’s bathroom is irritating, but it will not be fatal if it is licked.

But if the five kilograms of perfume were down, their bodies would not be able to cover it.

Although Barena Wei and Theresa are arrogant, neither of them wants to make fun of their lives.

As long as they survive, licking the urinal is nothing.

It's not a big deal to rinse your mouth and brush your teeth a few times!

Seeing that they had chosen to lick the urinal, Boyu said: "Come here, drag this pair of dogs to the men's bathroom, and let them lick the urinal clean. If they dare to leave a stain, they will Hit all the sh!t!"

The security guards dragged Barena Wei and Theresa to the men's bathroom on the second floor like a dead dog. Boyu respectfully said to Marvin: "Mr. Ye, would you like to oversee it?"

Marvin nodded, "Of course I can't miss such an interesting thing."

After all, under Boyu's respectful service, he stepped to the bathroom.

The bathroom on the second floor is very large, and there are two rows of sixteen urinals alone.

Several security guards pushed Barena Wei and Theresa to one of the urinals, and said coldly, "What the h\*ll are you doing? Hurry up!"

Barena Wei tremblingly stuck out his tongue, but he never dared to move forward.

Although the bathroom of the Brilliant Clubhouse is quite clean, it is a urinal after all. Usually the bathroom has an aromatherapy effect. You can't smell anything too irritating and ask, but when you approach the urinal, you can still smell a strong urine smell. This led Barena Wei feel nauseous.

Theresa was also fainted by the disgusting hair. The smell was so violent that she almost fainted.

Seeing that the two were still rubbing together, Boyu said coldly: "If you're haggling again, I'll let you lick the toilet!"

The two shuddered in fright. Barena Wei mustered up the courage first, leaned forward to the Wang porcelain urinal, stuck out his tongue, and licked the tip of his tongue until he clicked on it, and then he retched disgustingly.

Theresa, who was on the side, could only learn something, closed her eyes and gently licked on the urinal.

Barena Wei's expression was very ugly, black and green, looking at Boyu, begging: "Boyu, we have already licked it, can you let us go?"

Boyu turned his head and looked at Marvin: "Mr. Ye, what do you think?"

Marvin hugged his arms and sneered: "This is too foolish, right? Just stick your tongue? What a joke!"

Boyu hurriedly asked, "Mr. Ye, what do you mean?"

Marvin pointed to the sixteen urinals in two rows, and said, "In this way, let them lick eight of them, and distribute them fairly. No one suffers. Each one must be licked from the inside out. It won't work!"

Everyone present was stunned...

Mr. Ye is too cruel!

One person licks eight urinals? !

This urinal is an imported Kohler urinal. It is very large and stylish. It is almost one meter high, not to mention licking eight. Even if they lick one, they will have to smash people to death, licking eight...

When Barena Wei heard this, Theresa broke down. Theresa burst into tears and begged Marven on her knees: "Marven, anyway, you are also my brother-in-law. For the sake of my youth and ignorance, let me go this time?"

Barena Wei also folded his hands together and kept begging: "Mr. Ye, you have a lot of ways, please give me a way to survive..."

Marven nodded and said, "I've given you a way to survive. I will let you go immediately after licking eight."

#### **Chapter 410**

Barena Wei's expression was even uglier than his dead father, and he cried and said, "Mr. Ye, eight are too many, and one is so big, no one can stand this stuff..."

"Oh, can't stand it?" Marven smiled, and said to Uncle: "Call Mr. Orvel and bring these two people to his dogfighting ring. Like the Hong Kong Mr. Lai, chop up and feed them to dogs!"

Boyu nodded immediately and said, "OK, Mr. Ye!"

At the beginning, the liar from Hong Kong, the Feng Shui master named Lai, was exposed because he lied to the eldest, and was directly fed the dog by Mr. Orvel.

Mr. Orvel didn't do this kind of thing once or twice. He was already familiar with it.

When Barena Wei and Theresa heard this, they were frightened.

At this time, how dare the two of them bargain?

Barena Wei, who has the strongest desire for survival, blurted out: "I lick! I lick! I will lick!"

After finishing speaking, he immediately rushed to the urinal in front of him, stuck out his tongue and licked it to resist the nausea.

The pungent smell made him vomit while licking, but he didn't dare to delay any time. For fear of being dragged to feed the dog, he could only bite the bullet and continue to lick.

Theresa was so sad that she cried, holding the urinal and licking it.

Marven said at this time: "Theresa, this row has been claimed by Barena Wei, you are licking it now to help him, the row you have to lick is behind you."

Theresa cried loudly. It turned out that it was licked in vain just now, so she could only cry while crawling to the back row, holding the urinal and licking it.

This is really the biggest humiliation she has suffered in her life, and the worst torture she has suffered in her life...

Marven didn't want to stay here to appreciate their performance art, and told Boyu: "Remember, you must let them lick clean before letting them go!"

Boyu quickly said, "Mr. Ye, don't worry, I will look at them personally."

Marven nodded, turned directly onto the private elevator, and went to the 18th floor.

Boyu personally sent him off, not daring to be disrespectful.

When Marven was about to get on the elevator, Boyu said nervously: "Mr. Ye, what happened just now is really because of my impropriety. It must have irritated you, and I hope you can forgive me."

Marven said indifferently: "Give me a good look at those two people, as long as they lick carefully and cleanly, then forget about it."

Boyu hurriedly nodded: "Mr. Ye, please rest assured, even if they dare to miss one spot, I will kill them!"

As he said, he couldn't help but begged: "Mr. Ye, there is another plea from me..."

Marven said lightly: "Say it."

Boyu hurriedly bowed respectfully: "Mr. Ye, what happened just now, please don't tell Missy, your great kindness, I will remember it for life!"

In the final analysis, Boyu is nothing more than a servant and a courtier of the Song family, and Marven is a guest of the Song family desperately trying to fudge. If Warnia knows what happened just now, she will definitely punish him and even take his job as a steward. .

Marven also knew that Boyu himself was not wrong, it was just being used by others. Seeing that his attitude was very correct, he nodded and said: "Okay, I will help you this time for the time being. Anything to do, don't blame me for being rude to you."

Boyu immediately thanked him and said, "Mr. Ye, please rest assured that I will definitely draw a clear line with this kind of person in the future. If there is another time, I will break his legs!"

"Yeah." Marven nodded faintly, waved his hand, and said: "Okay, you go."

Only then did Boyu worshipped and said: "Thank you, Mr. Ye!"
