

## The Amazing Son In Law Chapter 411-420

### Chapter 411

After reaching the top floor, Marven found Warnia and probably told her about the Feng Shui situation of the Brilliant Club.

Warnia couldn't help being a little disappointed when she heard that the entire glorious feng shui was unremarkable.

It seems that the feng shui master she was looking for before was not really good, and has no feng shui ability at all.

So she hurriedly asked Marven: "Mr. Ye, do you have any good ways to improve the brilliant's Feng Shui?"

Marven smiled faintly, and said: "You have two welcoming pine trees on the first floor, placed in the southeast and northwest corners, facing each other at an angle, and then replace the two stone pillars at the door with stone lions. A male and a female, it is impossible for a lioness to bring a cub. It must be two male lions, and the two male lions must not be parallel. The eyes must be placed at 90 degrees. At the same time, let people make two gold foils and press them on the stone lions. Below you, in this way, it can become a pattern of two lions gathering wealth."

Warnia asked subconsciously: "I don't know what the two lions gather for wealth?"

Marven said with a smile: "The gathering of wealth with two lions is a feng shui for wealth, with two lions as the mainstay, two welcoming pine as the supplement, and the combination of gold leaf and the brilliant club. As long as it is arranged, it will be brilliant. The wealth of the clubhouse will be taken a step forward."

Warnia was shocked. The method Marven said was something she had never heard of. At the same time, she sighed for Mr. Ye's ability. Just casually giving pointers can have such an amazing effect. This is simply a magical method.

Mr. Ye is indeed a real dragon on earth, as Grandpa said!

Warnia said gratefully, "Thank you, Mr. Ye, I will let people do it."

Marven nodded and checked the time, it was almost time to go back to buy vegetables and cook.

So, he said to Warnia: "You remember what I just said, and quickly arrange for someone to change it. It's getting late, I'll go back first."

Warnia hurriedly said: "Then I will see you off."

"No need." Marven said: "I went to the second floor and greeted Boyu. I saw him just now."

Warnia said: "Then I can't let you go alone..."

Marven smiled and said: "Let's go drive, wait for me outside the lobby on the first floor, I'll say hello, and then come down to find you."

Warnia nodded and said, "Okay Mr. Ye, I will wait for you in the car."

The reason why Marven wanted to see Boyu was not that he really wanted to say hello to him, but because he wanted to see how Theresa and Barena Wei were doing.

When he came to the second floor bathroom, Theresa and Barena Wei had just licked the second urinal.

Both their faces were extremely pale, and the ground next to them was full of filth. Seeing Marven's arrival, Boyu hurriedly said, "Mr. Ye, you are here!"

Marven frowned and asked, "Did they just lick the second one? Is the efficiency not too slow?"

Boyu hurriedly said, "Mr. Ye, these two are almost finished vomiting their bile..."

Marven said coldly: "Give them an hour. If they can't finish it within an hour, take them to lick the third floor!"

"Yes!" Boyu nodded hurriedly, and then shouted to the two of them: "Have you heard? Don't hurry up, each of you will have eight more urinals to lick!"

The two of them paled in shock, and Theresa even spit out bile, but she could only wipe her mouth and continued to lick the urinal in shame.

At a certain moment, Marven thought in his heart, is it a bit too much to treat a woman like this?

## **Chapter 412**

But when you think about it, it's not at all!

This Theresa is a snake hearted! How many times has she urged others to rectify him, and even wanted to abandon him, if it wasn't for his own ability, she would have killed him killed.

So, give her a little today, enough to make her remember the lesson of life!

Afterwards, Marven said to Uncle: "I'm leaving, your eldest lady is waiting for me downstairs. You can supervise things here. If you dare to release the water, I can only ask you!"

Boyu hurriedly bowed: "Mr. Ye, don't worry, I will supervise with all my strength! I will never release water!"

"Yeah." Marven nodded, turned and left.

After he left, Theresa and Barena Wei were afraid of being punished because of their slow speed, so they could only lick the disgusting men's urinal harder.

When the two of them finished licking the eight urinals each, their tongues were about to break, and the smell on their tongues was as if they had been marinated in urine for a year, and the smell was unbearable.

The mouths of the two of them were naturally unsmiling, not only that, but the whole body was full of a disgusting smell.

The two of them wanted to borrow some tap water to rinse their mouths, but Boyu didn't agree. For fear that Marven would turn around and blame him, he hurriedly asked someone to drive them out.

After the two were driven out, they plunged into the fountain pool at the door, rinsed, washed their faces, hands, and tongues. After washing for more than half an hour, the mouths still smelled like a commotion. The two of them had completely collapsed. The tongue was cut off and thrown into the sewer.

Theresa had no effect after washing for a long time. She sat slumped on the edge of the fountain and broke down crying. She had been stimulated by Avella earlier and almost lost her mind. Now because of Marven, she is almost forced to become mentally ill.

Barena Wei is also crazy!

dmn, when you grow up so big, when have you suffered such a loss? It's so fcking up!

The point is, why does Marven have such a face? When Boyu saw him, it was like a mouse meeting a cat. dmn, it was the old and majestic housekeeper of the Song family, who was just a fcking old dog!

So he asked Theresa with a dark face: "What is the origin of Marven, that dog?!"

Theresa said: "This b@stard is really a stinky silk. He had no parents at the age of eight. He grew up in the orphanage, and later entered our house as a live-in son-in-law. He is a waste that's all."

Barena Wei frowned and said, "You speak a little bit away from me, it's too flavorful!"

Theresa said in her heart that she still thinks her words are too savory, so she didn't have the embarrassment to say, but she disliked him?

But she didn't dare to disobey Barena Wei, so she moved back more than half a meter.

Barena Wei questioned her at this time: "Then why both Boyu and Miss Song's family should give this waste face?!"

Theresa said with a bitter face, "I don't know! I also want to know why! I used to scold him in front of me, and he didn't even dare to let his eyes meet with mine. When eating, I poured water on his head. He wanted to say sorry to me; when our family had dinner, he was not given the opportunity to serve the table, and let him serve as a waiter next to him serving tea and changing the plate. During the New Year's Eve dinner, he dropped the plate. I slapped him in the face..."

Speaking of this, Theresa was also extremely distressed and said: "I don't know why. Suddenly, this Rubbish has become a capable person in the eyes of many people. Many people call him Mr. Ye, and many people want to embrace him. , In the end all has become confused and miserable..."

After that, Theresa said again: "That's right! Chairman Fredmen, is still very strong in that respect. It can be said that he is stronger and stronger than the young man, but because after a conflict with him, he returned home. The inexplicable ones can't be used anymore, and he didn't know until now, whether Marven did anything tricks..."

"d\*mn!" Barena Wei gritted his teeth and said, "I can't swallow this breath! I have to go to Fredmen to discuss it later!"

### **Chapter 413**

Warnia drove Marven to the vegetable market all the way in her Rolls Royce.

Rolls Royce stopped at the door of the vegetable market. Marven said to Warnia, "Thank you for dropping me back. I'm leaving."

Warnia nodded with a complicated expression, and said, "Mr. Ye, go slowly. If there is nothing wrong, you can relax at the Brilliant Club. I have been there recently and will definitely serve Mr. Ye myself."

Marven smiled slightly and said, "Okay, I will go if I have time, so I will leave first."

Warnia nodded her head in a hurry, and said respectfully: "Okay, Mr. Ye go slowly."

Saying goodbye to Marven respectfully, watching Marven's back disappear into the entrance of the vegetable market, Warnia couldn't help sighing.

Seeing Marven, a real dragon with superb strength on earth, had to rush to buy vegetables and cook before his wife got off work, she felt very unbalanced in her heart.

It's not that Avella has never seen her before. She looks really good and is inseparable from him. However, in terms of temperament, academic qualifications, ability, and family background, she has nothing to compare with herself.

She has received a Western aristocratic education since she was a child, even if she communicated with descendants of European royal families, she did not lose to them in terms of temperament and etiquette.

And she graduated from Harvard University in the United States, Avella just graduated from Wrestvel University, the school level is also very bad;

She is now in charge of half of the Song family's industry, and every business has made steady progress. What about Avella? Even a small Xiao family couldn't get a foothold in a small area. Her grandmother and cousin couldn't make it out. She was incapable, incompetent, and had no wrist at all.

As for the family background, she is even less than a fraction of the Song family!

The Xiao family is already on the verge of bankruptcy, and Avella's own studio has just opened. The gap is almost a thousand miles.

However, she is only better than her in one sense!

She has a good husband!

This is what makes her heart jealous, to go crazy!

Why is she inferior to her in all aspects, but can have such a good husband by her side, willingly and willingly to guard her?

Why is she so good in all aspects, but can't find a man as good as Marven as a husband?

Warnia was born proud and never envied anyone, but Avella was the one, who really made her envy her!

She felt that a capable man like Marven should be with a woman like herself who is very good in every aspect!

In this way, it can be regarded as a talented girl and a strong alliance.

Even, she couldn't help but impulsively a few times and wanted to confess to Marven and tell him what she thought of him.

But after careful consideration, she gave up.

It is not that she is unwilling to confess, but that she is still not sure of victory.

Without the certainty of victory, she would probably be rejected or even disgusted by Marven. In that case, the gain would not be worth the loss!

After so many years of experience in the Song family, and in the business world, Warnia has long developed a good ability to judge the situation and act accordingly.

Therefore, she can only temporarily hold back her inner love for Marven, first accumulate a good feeling in front of Marven and in Marven's heart, and wait for the good feeling to reach a certain level, then confess to him!

#### **Chapter 414**

Marven returned home to make a meal, and Dave, the Old Master who had been out all day, returned first.

Then Avella, who had been busy all day.

After Avella returned, all the food was on the table, and Viola hurried back happily.

As soon as she entered the door, she started to show off to everyone, saying: "Today I won more than 7,000 at the Mahjong Hall!"

Dave subconsciously said, "Oh, my wife, that's amazing! Seven thousand a day, two hundred ten thousand a month!"

Avella couldn't help but frowned and said, "Mom, you occasionally play mahjong and relax. I don't have any problems. I can understand playing a little bit of money. But winning or losing 7,000 a day is a bit too big, right? There is a big risk when you get caught!"

Viola waved her hand and said with a look of disdain: "Oh, don't you come to educate me, I know in my heart that all the rookies playing cards with me are far worse than me. I close my eyes and play cards with them. I always win! Do you know what your mother's nickname is? The God of Haihe Road Sparrow is me!"

Avella sighed helplessly, rubbed her temples, and simply ignored her.

While eating, Avella suddenly received a WeChat message, opened it and checked it, and then asked Marvin, "It's the weekend tomorrow. Do you have any plans?"

Marvin said: "What arrangements can I have, buying vegetables, cooking, washing clothes and sweeping the floor."

Avella said: "Elsa told me on WeChat that she has booked a suite at the hot spring hotel and asked us to go to the hot spring. If you don't have any special arrangements, then I will agree to her."

Marvin asked in surprise, "Soak in the hot springs? Should I go too?"

Avella nodded: "She has reserved a suite, we have a room, and she has a room by herself, just to invite the two of us. She said she has been here for so long and hasn't invited the two of us."

Viola on the side immediately became vigilant and blurted out: "Avella! You and Elsa go to the hot springs, what do you want Marvin to do? He is not allowed to go! Stay at home and work!"

Avella said, "Mom, Elsa invited him! We must go together if I want to go!"

Viola glared at Marvin and said, "How can you do that? You two will still sleep in the same room then, what if he does something to you? Aren't you at a loss?"

Marvin realized that it turned out that he was worried about this owed mother-in-law...

Avella was also a little overwhelmed with Viola's words, and said in a bad tone: "Mom, Marvin and I are husband and wife. We will solve our own affairs, so you don't need to worry about it."

Viola was also anxious. She threw the chopsticks and said angrily: "What? I'm a mother, I can't care about you?!"

Avella still used colors and said angrily: "You can control what you should manage, you can't control what you don't!"

Viola patted the table and said: "There is nothing wrong with being a mother! You have to take care of everything!"

Avella's rebellious enthusiasm was aroused, and she blurted out: "You can't care about this! I said, Marven must go! No one can stop it! If you stop, I will move out!"

"You..." Viola persuaded all of a sudden.

As long as Avella said to move out, she was holding Viola's weakness.

Viola had no choice but to say angrily: "Yes, I don't care, you go, you'd better grasp it yourself, or you will regret it in the future!"

After speaking, she rolled her eyes, looked at Marven with a smile, and said, "Good son-in-law, if you don't go tomorrow or else, how about going to the mahjong hall with mom to play? Mom won't let you go for nothing, here's your pocket money of two thousand!"

Viola thought very well. Since Avella didn't make sense, she wanted to find a breakthrough from Marven. If she could persuade Marven not to go, then Avella can't blame her?

However, Marven smiled faintly at this time, and said, "Mom, I don't know how to play mahjong. I will go to the hot spring with Avella!"

#### **Chapter 415**

In fact, Marven really didn't want to go.

If Viola didn't force him, he would definitely reject Avella.

As for why he didn't want to go, in fact, he was a bit repulsive to Elsa in his heart.

Ever since he rescued Elsa for the second time, and Elsa knew that he was her dream lover, she had been confessing to him.

Now she wants to ask his wife to go out to the hot springs, and she also needs to bring him. The real purpose is to ask his wife to be fake, right?

In this case, it would be a bit embarrassing if he did go.

However, this Viola insisted on jumping out and chirping, forcing him to talk, which made Marven annoyed.

Don't you let me go?

OK, then I will go!

Mad at you!

Viola didn't expect Marven to disobey her, panting with anger, but because Avella was there, she couldn't say anything.

Seeing Marven's promise, Avella said: "The place Elsa decided is in the Champs Elysées Hot Spring Hotel in the suburbs. It is said to be an industry under Shangri-La Hotel. It is said to be pretty good. She will drive over to pick us up tomorrow."

Marven nodded and said: "Okay."

Avella said: "Remember to pack a pair of swimming trunks at night. You must wear swimming trunks in the hot spring."

Marven smiled and asked, "Wife, don't you also want to wear a swimsuit?"

Avella nodded and said, "Of course! I have to!"

Viola hurriedly interjected: "Avella! You are never allowed to wear a bikini! Take out your most conservative swimsuit and bring it with you! So as not to let the b@stard Marven take advantage!"

After speaking, remembering something, she said: "By the way! I have a set of face kini, which is suitable for you! Would you like that? I'll take it out for you!"

Face Gini is a swimsuit worn by some middle-aged aunts at the beach. Not only is it one-piece and very tightly wrapped, but the most terrifying thing is that for sun protection, the entire face is wrapped in, only the glasses, mouth, and nose. A small hole is opened, and the degree of protection is comparable to the mask of a terrorist fan!

If you put on the face Gini, whether you are as beautiful as a god or as ugly as cow dung, you will become a monster without a face and expression...

When Avella heard that her mother let herself wear a jini, she said angrily: "Mom, are you a devil? I'm only in my twenties, you let me wear a jini? Why don't you let me be wrapped in a big cotton jacket and two cotton Go pants to the hot spring?"

Viola said with a serious look: "Mom is afraid that you will be taken advantage of! Marven, this kid, your mom knows that he is a pervert in his bones, you must be careful!"

Marven was furious.

dmn, he knew that Junwei Gao's father Jianjun Gao made her count the ball that day, so why did he save her? What a dmn waste of food!

Avella didn't pay attention to Viola either. After dinner, she took Marven back to the house.

After returning to the house, she chose a swimsuit that was not so revealing and conservative, but that looked very casual and comfortable.

As for Marven, it's simple, a pair of boxer shorts is enough.

.....

The next morning, as soon as the two had packed their clothes, Elsa called again and said that she had driven downstairs.

### **Chapter 416**

Going out is worth the money, Marven has been hesitant in his heart.

For Elsa, an enthusiastic and bold girl, he really didn't know how to deal with it.

On the one hand, he didn't want to hurt Elsa, but on the other hand, he didn't want to be sorry for Avella.

Therefore, now he is in complete dilemma.

He was also worried about whether Elsa would take the opportunity to confess to him or make bolder moves when he went to the hot springs.

However, since he had agreed to his wife, it was impossible to go back at this time, so he could only go out with her.

After following Avella downstairs, he saw Elsa poking her head out of a Mercedes-Benz and saying, "Marven, put your luggage in the trunk. You sit in the back seat and let Avella sit in the co-driver to chat with me.!"

"Okay!" Marven nodded, put the luggage in the trunk, and then got into the back seat.

After Marven got in the car, Elsa turned her head and blinked at him shyly.

Marven pretended not to see it, stretched his waist and said, "Oh, I didn't sleep well last night. I was a little tired. I'll squint for a while."

After speaking, he closed his eyes and nodded off in the back seat.

Elsa was also a little bit lost in her heart. She knew the reason for Marven's attitude, but she couldn't say anything when Avella was here.

Moreover, she also expected that Marven would be colder to her, but it didn't matter, since she had already liked him, she was also ready to fight a protracted battle with him.

Because she knew that Avella's marriage with Marven was in name only, so she didn't feel guilty at this time.

Elsa drove the car to the outskirts. After more than an hour, the car drove into the foot of a beautiful mountain. After a few minutes, she reached the entrance of the Champs Elysees Hot Spring.

Champs Elys Spa is the only natural hot spring in Wrestvel. It is located at the foot of Nanxiang Mountain. There are a few natural geothermal hot springs. Shangri-La Group bought the hot springs and the entire mountain and developed the Champs Elys Spa Hotel.

The Champs Elysées Hot Spring Hotel has a very high compulsion and good consumption, so those who can come here to soak in the hot springs are rich people.

However, even so, the availability of rooms here is in short supply. Not only the wealthy people in Wrestvel, but also the wealthy people in surrounding cities, will come all the way to enjoy the baptism of the hot springs on weekends.

Today is the weekend, so the business here is exceptionally good. There are almost no vacancies in the parking lot.

Elsa drove the car and ran back and forth in the parking lot several times, only to finally find an empty parking space, so she was happy, looked around, and immediately drove towards the empty space.

When she arrived in front of the parking space, Elsa gave a direction and was about to reverse and park.

And when she was a few meters away from the parking space at the back of her car, suddenly a Maserati sports car rushed over!

Maserati's speed was very fast, and when she turned around, she was about to rush into the parking space where Elsa was about to stop.

Elsa was startled, her hands were so messed up, she didn't react, she forgot to step on the brakes, so her car continued to fall backward.

Hearing only the harsh noise, the side of the other party's car had already been scratched by Elsa's rear.

Elsa came back to her senses and hurriedly stopped the car. She couldn't help but frown and complained: "Where can there be such a parking space? The quality is too bad, right? The basic rules of first-come, first-served parking spaces can't be done. Understand?"

At this time, in the Maserati sports car, a young man wearing an exaggerated leather jacket and combing his greasy hair came out.

After the young man got out of the car, he glanced at the scratches on the side of the car, his face suddenly gloomy!

He gritted his teeth, walked to Elsa's car, slapped the window hard, and cursed: "fck, stupid, you fucking blind? Can't see that I was going to park in this space? He also shaved the new car he bought, and quickly get him off!"

## **Chapter 417**

Elsa was also very upset in her heart.

She is also Miss Dong's family anyway, who is a dumb person, so she pushed the door and got out of the car, and directly reasoned with the young man: "What are you yelling? You have no quality to grab a parking space, and you don't have to count. ?? Still scolding others here!"

The young man did not expect that Elsa would dare to talk back, and yelled, "It is stupid's silly female driver again. Of the ten silly drivers on the road, nine of them are all women! Can you f\*cking drive? Go back to your mother's womb when the meeting is held, and then come out again, don't be ashamed of coming out!"

After that, he said again: "I've just bought this car with a size of one hundred and hundreds of thousands. This f\*cking made you cut it out, how much am I going to lose?"

Elsa frowned and retorted: "Hey, you figure it out! I saw this parking space first, and I was ready to fall in. You broke out halfway to grab the parking space. It was originally your fault and you still have a face?"

The young man scolded angrily: "What's wrong with Mr. scolding you? Isn't it right to call you? Mr. not only scolds you, but Mr. beats you!"

After all, the young man stretched out his hand and grabbed Elsa's hair.

Elsa was startled, she didn't expect this person to be so rude, and she hurriedly hid back.

Avella hurriedly shouted: "Marven, something has happened, come down quickly!"

The young man frowned and looked at Avella, then sneered: "Oh, this beauty is very pretty. Come on, stay with me all night, I won't investigate this matter any further!"

After speaking, he had to reach out and pull Avella into his arms.

As soon as the young man's hand reached halfway, he was firmly grasped by a pair of strong hands.

Seeing Marven got out of the car, the young man dared to grab his hand, raised his eyebrows, and cursed: "Why are you so stupid? Are you looking for death? Let me go!"

Marven threw his hand aside, his face was sullen, and he said, "Isn't it normal to drive a little bit? Isn't it normal? Is there anything you can say properly? Hands can solve the problem?"

The young man looked at Marven and said contemptuously: "What can I say to you poor guys?! Three people drove a broken old Mercedes less than a 200,000 second-hand car. How dare you pretend to be something in front of me? "

After finishing speaking, pointing to his Maserati, he said coldly: "The Maserati that I just mentioned was shaved by you. Come on, how can you compensate?"

Marven frowned and said: "We saw the parking space first, and we prepared to park in first. You have no right, and suddenly came out to grab the parking space. Why should we compensate?"

The youth arrogantly said: “Why? You shouldn’t stop here because of your f\*cking broken car! You can’t offend me!”

Marven didn’t get angry and laughed and said, “We won’t compensate for this kind of thing. If it doesn’t work, call the traffic police. Even if the traffic police decide the responsibility, it is your full responsibility. You should compensate us, understand?”

The young man grinned, and gritted his teeth and cursed: “What the h\*ll is it? Talk to me about the traffic police? Do you know what I said, you have to die here?”

At this moment, a woman with heavy makeup and cosmetic face walked out of the young man’s car. She pointed at Marven and said contemptuously: “You are so poor, you dare to chirp here? Did you know that I have 3 million fans on YouTube? If you don’t pay money, believe it or not, take pictures of your gang of beatings and post them on the Internet so that fans can kill you?”

The young man immediately put on a trivial and flattering expression, and said, “Oh, my dear, why are you back down? Hurry back to the car and wait. Your husband can do this!”

#### **Chapter 418**

After speaking, the young man put on a vicious expression and cursed at Marven: “Boy, if you know me, you should pay the money quickly, and then drive off. Don’t disturb me and my girlfriend to go to the hot springs.”

Marven asked coldly: “What if I don’t pay?”

The young man gave a cold smile before he said: “A bunch of poor people, really f\*cking pretends, you wait, I will let you know the consequences of not paying.”

After speaking, the young man took out his cell phone and dialed out.

After a while, the phone was connected, and the young man said, “Manager Zeng, I’m here to play with you. The car was scraped by a few poor people as soon as it arrived in the parking lot. They look crooked, you quickly bring a few people over.”

After hanging up the phone, the young man looked at Marven with a sneer, and said, “Poor, I will give you a chance to lose money, and then apologize to me. Otherwise, when Manager Zeng comes, I won’t be as fruitful as you!”

Seeing that the other party called for someone, Elsa was afraid that Marven would be injured, so she hurriedly said: “Okay, if I accept it, you can tell me, how much is the loss?”

The young man sneered: “My car was scratched by you this time, and the original paint will never be returned. This is a lifetime pain. You have to pay half the price of the car if you say anything! I will give you a discount. Even if you are 800,000!”

“What? Eight hundred thousand?!” Elsa said angrily, “You are an errant! Your car, even if you go to Maserati 4s shop, it will cost you two or three thousands for a paint, plus sheet metal. , One or two, I think you can do all that by not paying more than ten thousand!”

“Ten thousand?!” The young man spit out thick sputum on the ground and almost spit on Elsa’s feet. he cursed with a mouthful of big yellow teeth: “Are you arguing with me? Do you know what I do? Just ten thousand. Thinking of something? Let me tell you that you cannot get away with one less than 800,000 today. If the money is not enough, it doesn’t matter, leave your ID card information, and then give me an IOU. The interest is 80,000 a day!”

“You...this is simply extortion!”

Avella couldn’t see it anymore, and said angrily: “No matter how arrogant you are, we will call the police!”

“Report, if you want to!” The young man said contemptuously: “I’m afraid you count me as losing! Play this set with me? Tell you, I’m black and Wang, and I eat both ways!”

Elsa admitted that she was planted, she didn’t care about 800,000, 8 million is a drizzle, but she really didn’t want to cause trouble to Marven

She invited them to come over, in fact, she wanted to meet Marven and have more opportunities to get in touch and get along with each other.

Therefore, she didn’t want Marven to cause trouble because of herself, and she didn’t want Marven to affect his mood because of this incident.

So she gritted her teeth and said, “Okay, 800,000, give me a card number, and then I will turn it over for you.”

“f\*ck, what are you saying is true?!” The young man didn’t expect that 800,000, she would really give it!

What he originally thought was that the other party counter-offered, made concessions by himself, and eventually extorted one hundred thousand from the other party and made a lot of money.

Unexpectedly, people would give 800,000 if nothing else!

Now it’s a f\*cking profit!

But at this moment, Marven suddenly stopped Elsa and said coldly: “Don’t give him a penny. I want to see what the consequences can be today!”

#### **Chapter 419**

Seeing that Marven was blocking his financial path, the young man immediately gritted his teeth and said: “Okay, you are forced to find death. If I don’t beat you half to death later, I won’t be surnamed Liu!”

Marven said indifferently: “You guys like to pretend so much, I think you can change your surname.”

“Stupid!” The youth immediately violent veins, ready to come up and make two gestures with Marven at any time.

At this moment. A middle-aged fat man with a few strong security guards hurried over.

When he saw him coming, the youth immediately said with a smile: "Manager Zeng, I have not seen you in the past few days, and you have become fat again. It seems that life is really nourishing!"

Manager Zeng laughed and complimented: "Mr. Liu, how can you moisturize my days? I just pass my days, unlike you, who has a big family."

After speaking, he hurriedly asked: "By the way, Mr. Liu, what is going on here?"

The young man pointed Marven with his hand, and said in a cold voice: "This poor hanger is too fcking pretending. He won't be compensated me for scraping my car. The bones are still so fcking hard. Solve it!"

Manager Zeng nodded and looked at Marven.

After looking around, he found that Marven was wearing ordinary clothes, and he didn't have the temperament of a rich second-generation. In addition, he drove an old Mercedes-Benz, and knew that the other party was also a person with no background, so he spoke. : "Boy, when you go out, you don't have any vision? Do you know who you provoke?"

"Who is it?" Marven asked indifferently.

Manager Zeng glanced at the youth and said, "Mr. Liu Ming of the Liu family, the Liu family has hundreds of millions of assets, you can't afford it!"

After he finished speaking, he immediately said: "If you don't want to cause trouble, just listen to me, honestly lose the money, then move the car away, don't waste Mr. Liu's time."

Marven frowned and said, "You are also very interesting. You came up and said that it was my problem and wanted me to compensate?"

Manager Zeng sneered: "Sure enough, you are a poor man. Open your dog's eyes and see what car is parked around? What car are you driving? Which car do we have here, which is less than one million What qualifications do you have to park a broken Mercedes here?"

Marven glanced around and said, "I didn't see a sign prohibiting parking of cars under one million."

"What the f\*ck are you talking about!"

Seeing that Marven was always stuck with oil and salt, Liu Ming kicked the taillights of the Mercedes-Benz, and kicked the taillights with a slap.

Immediately he cursed: "d\*mn, I have tolerated you for a long time, you are a poor hanger, what do you pretend to be here? More chirps, believe it or not, I can break your leg? You don't want to lose money. These idiot girls accompany me tonight!"

While speaking, Liu Ming grabbed Avella who was standing next to Marven.

Marven frowned, stood in front of Avella and Elsa, grabbed Liu Ming's arm and pushed him out.

Liu Ming was furious and cursed: "You are so poor and want to fight back? I think these two ladies are honored by me. If you dare to fight back, I will kill you! You believe me. Do not believe?"

Marven squinted his eyes slightly, with a cold expression in his eyes. He looked at Liu Ming and said, "It's better to leave a way for being a man, and don't let yourself go to death."

As soon as Liu Ming stretched out his hand, he pushed Marven, and said with an annoyed smile: "Oh, you are a poor hanger and you have installed it. I won't stay behind. What can you do for me!"

Manager Zeng also waved from the side, asked the security guard to surround Marven and the others, and said: "Poor, let go of Mr. Liu, you hurt Mr. Liu, you can't afford to die!"

Why would Marven take care of his nonsense? He lifted his leg and kicked directly on Liu Ming's stomach and kicked him out.

Liu Ming only felt a sharp pain in his stomach, as if his intestines were broken, and said angrily: "Manager Zeng, kill him! d\*mn! Dare to beat me, beat him to death! I am responsible if something goes wrong! "

Manager Zeng was about to order, but suddenly heard a voice from inside.

#### **Chapter 420**

"Yeah, what's the matter, so lively?"

When Manager Zeng heard this, his whole body was shocked. It was too late to hit Marven. He turned to look over there and said eagerly, "Mr. Orvel, are you finished soaking? How do you feel?"

"It's okay." Orvel responded casually and asked curiously: "What are you doing?"

While speaking, Orvel brought a bunch of his little brothers and walked towards him.

Manager Zeng quickly explained: "A poor man hit Mr. Liu. I am about to avenge Mr. Liu. This kid is not very capable, but his bones are a bit hard."

Liu Ming clutched his stomach, and shouted at Mr. Orvel, "Uncle, long time no see."

Orvel glanced at him twice before smiling and said, "It turns out that it's the little b@stard of the Liu family, you are bad enough, can you still be beaten in Wrestvel? It's too shameful for you!"

Orvel has a good relationship with Liu Ming's father, so Liu Ming is regarded as his half-elder nephew, and he speaks more directly, and he is completely elder.

Liu Ming didn't dare to make a second in front of Orvel, so he had to say embarrassingly: "Uncle, isn't this a poor man who is stunned, and I will let him know the cost of beating me later!"

Orvel snorted and said, "I really want to see, whoever is so courageous, even you dare to fight."

Orvel walked to the neighborhood, and then pushed aside the security guards surrounded by layers and looked at the crowd.

Immediately afterwards, he saw Marven with an indifferent expression.

Marven looked at Orvel playfully, and asked, "Mr. Orvel, are you pretty nosy?"

Orvel immediately broke into a cold sweat!

He did not expect that the one surrounded by this group of people turned out to be Mr. Ye!

At this moment, he secretly rejoiced in his heart. Fortunately, he didn't say anything excessive just now. Otherwise, if he accidentally angered Mr. Ye, wouldn't he even have to follow him?

The last time Mr. Ye gave his favor and rewarded himself with a magical medicine, he was already loyal to Mr. Ye. He was his dog when he was born and his dead dog when he died. This time he almost didn't have eyes and bit his master. It's almost a disaster!

Orvel hurriedly bowed deeply and respectfully said, "Mr. Ye, I didn't know it was you who came..."

The people around were suddenly speechless...

The famous Orvel is so respectful to a poor man? !

Isn't this f\*cking weird?

Marven pointed his finger at the young man and asked faintly, "Do you know this kid?"

Mr. Orvel is not a fool, knowing that Liu Ming must have offended Mr. Ye. At this time, he could not care that he was a friend's son. He immediately walked in front of Liu Ming and knocked Liu Ming to the ground with a fierce slap. Grab his hair and slam his head against the concrete floor!

With a boom, Liu Ming was smashed.

Liu Ming resisted the severe pain, and asked: "Uncle...you...what are you hitting me for?!"

Mr. Orvel glared at him, slammed directly on Liu Ming's head again!

"Dare to provoke Mr. Ye, you're so f\*cking impatient!"
