

The Amazing Son In Law Chapter 421-430

Chapter 421

Manager Zeng of the Champs Elys Spa saw this scene completely stunned.

He didn't know what was going on, and the security guards didn't dare to move.

Liu Ming even screamed like a pig: "Uncle stop fighting! What the h*ll is going on!?"

Orvel stepped on Liu Ming's face with his foot, and said coldly: "Liu Ming, I usually call you a big nephew and give you a face, don't I? You f*cking act like this outside?"

Liu Ming said anxiously: "Uncle, how did I provoke you? If you tell me, I will change it!"

While kicking him, Orvel cursed: "Mr. Ye is as kind to me as a new parent. You dare to be disrespectful to Mr. Ye. You say it yourself, are you looking for death?!"

Only then did Liu Ming realize that he had provoked someone who shouldn't be provoked, and hurriedly cried and pleaded: "Uncle, I was wrong. I confess my mistake to Mr. Ye. I apologized to him. It was my fault. Blame me, I am willing to compensate him for his loss!"

Orvel glanced at his Maserati sports car and sneered: "You kids are not yourself when you drive a new car, isn't it? Come on, smash his car! It's a mess! I want to listen to it today. Rang! Driving a f*cking broken Maserati and driving you to the sky, anyone dares to offend!"

"OK!" The strong man in black at the back immediately picked up the clubs and smashed the Maserati.

The plastic face woman sitting inside Maserati screamed in terror, opened the door and ran out.

Looking at her appearance, Orvel knew that she was not a good bird, and immediately said to his opponent: "Come on, get me that plastic face kneels down!"

As a result, the plastic face was immediately taken over and knelt on the ground with a splash.

She annoyed and said: "What are you doing? I tell you, I have millions of fans on YouTube! You annoyed me, I will expose you!"

"I'm going to your mother!" Orvel slapped her directly, put her prosthetic nose under his hand, and pointed at her and cursed: "A little Rubbish internet celebrity dare to yell here, know me Who is it?"

"Who knows you, old stuff!" muttered with a plastic face gritted teeth.

Liu Ming next to him was frightened and slapped her face, cursing: "Are you crazy? This is the master Orvel! Great master Orvel!"

The facelifted face was back in the car just now, and was patronizing the car to take a selfie with Maserati's steering wheel. I didn't know that this man was Mr. Orvel. When she heard this, she was

frightened and trembling and said, "Great Lord. Yes... I'm sorry, if I know it was you and killed me, I wouldn't dare to offend you..."

Orvel said coldly: "Unlock your phone for me!"

Plastic face didn't know what he was going to do, but she didn't dare to disobey him. After all, this is the king of the Wrestrvel underground world, so she can only do it obediently.

Orvel took her mobile phone, turned on YouTube, and clicked directly to shoot. He patted the face of the other party with a crooked nose, and said loudly, "Come on, say to the camera that you are a stinky frame from the second generation of Pong Fu. Ten times!"

Seeing that Orvel was about to shoot her on the face of the facelift, she hurriedly begged: "No way, Mr. Orvel, I have a lot of fans...If they see me, what should I do... "

"Don't tell me?" Orvel nodded and said: "Tie her up and take her away, and send her to my KTV as a lady for three years. If she dares to run, you will kill her."

"Yes!" The younger brothers hurried forward.

The face was scared and hurriedly crying and begging: "Oh Lord, I said! I said it's not enough..."

Orvel pointed the camera at her and shouted coldly: "Say it!"

Plastic face crying, while saying: "I am the second generation of Pongfu's stinky frame..."

After speaking ten times in a row, Orvel stopped recording and sent it directly to her YouTube. Then he slammed the phone to the ground and broke it into pieces.

Chapter 422

Now, she wanted to delete it but couldn't delete it.

In the ear, the sound of smashing cars was endless, and the brand-new Maserati was quickly smashed into a pile of scrap iron.

Liu Ming trembled all over, no matter how stupid he knew it, he probably kicked on an iron plate this time, and he hugged Orvel's leg and begged for mercy: "I'm wrong, Uncle, please spare me once, I really know it's wrong!"

"Wrong with your mother!" Mr. Orvel kicked Liu Ming fiercely in the chest, turned to look at Marven, and asked for instructions: "Mr. Ye, what do you think?"

Marven glanced at Liu Ming coldly and smiled: "This kid is very interesting. He likes to curse and sprays manure with his mouth full. By the way, two days ago I heard that someone also sprayed manure with his mouth full, and was finally pulled to the toilet. Licking the urinal, do you know this?"

Of course Orvel knows!

At the time in the brilliant club, Barena Wei of the Wei family brought a concubine over and offended Mr. Ye. He was forced by Boyu, the head housekeeper of the Song family, to lick eight urinals. This matter spread early in Wrester. A lot of people talked after dinner.

However, Boyu didn't dare to expose Marven's identity to the outside world, so no one outside knew that Barena Wei and his concubine were punished so badly that they had offended some big people.

Two days ago, Liu Ming laughed at Barena Wei for being embarrassed and being so miserable. He also said that if he was so miserable, he would resist desperately.

Unexpectedly, Marven suddenly said such words at this time, and his soul was frightened.

He didn't want to follow in Barena Wei's footsteps and lick the urinal in the men's bathroom...

So he hurriedly begged: "Mr. Ye, I don't know. Please forgive me this time. You see that my car was also smashed, and I am out of breath. Please forgive me. One time..."

Marven smiled lightly and said: "You seemed to like to call me a poor man just now. I think you seem to be particularly interested in the word poor man?"

"No, no!" Liu Ming hurriedly shook his head and waved his hand, and explained in a flustered manner: "I am a poor man! I am a poor man! Mr. Ye!"

Marven nodded and said, "Okay, since you know you are poor, then I suggest you engrave these two characters on your forehead so that everyone can know, right?"

Liu Ming squatted his head in fright, and cried, "Mr. Ye, please spare me this time. I am willing to pay you five million! Oh no! I will pay you ten million!"

Marven shook his head: "I am a poor person, so I am not interested in your money. Besides, you scared my wife just now. Do you think you can just lose some money?"

After speaking, he asked Orvel: "Mr. Orvel, do you have a knife?"

Orvel hurriedly winked at his opponent.

His men immediately handed over a sharp folding dagger.

Orvel handed the dagger to Marven respectfully and said, "Mr. Ye, please."

"Shall I please?" Marven glared at him and asked him: "Do you think it's worthwhile for me to write an inscription by myself?"

Only then did Mr. Orvel realize how big a mistake he had made!

Yes, a Liu Ming, how can he be qualified to let Mr. Ye personally engrave on his forehead!

So he hurriedly said: "Mr. Ye, let me come! I come!"

Marven nodded and said, "Engrave a little deeper, I'm afraid that if the engraving is shallow, he will not have a long memory in the future!"

Chapter 423

When Orvel listened to Marven's instructions, his expression stunned, he immediately picked up the dagger, and said to his followers, "Come on, hold his head for me!"

Liu Ming was frightened, struggling desperately, shaking his head desperately, he was unwilling to let people engrave the word "poor hang" on his forehead, these two words, but he said every day when he spoke to others and scolded others. !

In the past few years, Liu Ming's family has made some money, and his life has become more and more nourishing, so his whole person has become more and more ecstatic.

When he goes out and see garbage pickers, he will call them poor;

When he goes to the street and sees that one's car is not as good as his, he will also call them poor.

Some time ago, a high school student wearing Metersbonwe accidentally rubbed milk tea on his jacket. He directly beat the other party into a concussion. When the other party's parents arrived, he also scolded the other party: "A poor family Hanging, selling your whole family is worth nothing for me!"

After speaking, he left without paying any money for medical expenses.

Last night, he went out to catch a meal and saw a traffic jam on the road. He drove his Maserati retrogradely on the sidewalk, forcing the cyclist to carry the car to the side of the road to give him the way. As a result, an Old Master acted slightly slower. At one point, when he got out of the car, he kicked the Old Master into the green belt on the side of the road, and then spit on the opponent's face, and cursed: "B@stard stupid dare to stand in my way? This time it is just kicked. Next time I will f*cking kill you old thing!"

After that, he just drove away.

Even just now, he didn't have the quality himself, robbed someone else's parking space, and ended up rubbing the car. Instead, he criticized Elsa and Marven for being poor when he spoke. The degree of arrogance is evident.

If he is now engraved with the word "poor hang" on his forehead, it is really the best punishment for his life, his character, and his actions!

Seeing this kid struggling back and forth, he refused to let himself engrave, and immediately gritted his teeth and cursed: "If you cooperate honestly, I will engrave two characters on your forehead, but if you fight with me here, I'm sorry. , I will not only engrave the word "Poor hang" on your forehead, but I will also engrave the word on your cheeks on the left and right sides!"

After finishing speaking, Orvel felt puzzled, and said: "Right! Don't you just think that your dad has made too much money in the past two years, and it is not you who floated? Then I will let your dad be arrested. Engraved four characters on his face! Then tell him that all this is thanks to you!"

Liu Ming was really frightened!

Although he has a bit of money, it is impossible to really fight against Orvel!

The underworld brother Mr. Orvel, can chop his family into the meat with one knife!

Moreover, above Orvel, there is also the Song family. Who doesn't know that Orvel is a dog of the Song family on the road?

However, even if he is just a dog in the Song family, he is definitely not something others can afford!

If he really engraved the word "poor hang" on his face, how would he see people in the future?

If he really engraved the words "Poor Father" on his father's face, how would his father see people in the future?

When the time comes, Dad will be angry and strip him alive!

So he could only cry while begging: "Uncle, please be merciful, can you make it smaller?"

"f*ck off!" Orvel slapped his face directly, and cursed: "Dare to bargain with me?"

Liu Ming was in tears and was extremely afraid of feeling wronged in his heart, but he dared not say anything to Mr. Orvel.

Mr. Orvel asked people to grab his head tightly, preparing to use a dagger to engrave a poor character on it.

Marven took out his phone and turned on the video recording.

Although Liu Ming begged him to engrave a bit smaller, how could he dare to neglect Marven?

Chapter 424

So go as big and deep as possible!

This word occupies half of the forehead.

Moreover, Mr. Orvel, an old thing, is too d*mn ugly writer!

His poor character is not as good as a primary school student.

Mr. Orvel returned to find a supplement for himself, hehe smiled: "Looking at Mr. Ye, I am not used to lettering with a knife, it's ugly..."

Marven snorted and asked, "You tell the truth, how many years have you read?"

Mr. Orvel laughed and said, "I have been studying for several years. I graduated from elementary school anyway, but it's true that I didn't study hard in six years of elementary school..."

Marven nodded and said, "Alright, if you engraved him too well, it would be cheaper for him.

When Liu Ming heard this, he cried out of breath.

The pain on the forehead is no longer important at all. The important thing is, doesn't this mean that he's disfigured?

Mr. Orvel looked at the other party's bloody forehead, took out a wrinkled pile of toilet paper from his pocket, sucked the blood-sucking water, and said, "Come on, the other side now!"

Immediately afterward, Mr. Orvel began to carve another character.

He also engraved this character very big, one on each side is really eye-catching!

After the engraving, he looked around for himself, nodded in satisfaction, and then asked Marven: "Mr. Ye, do you think my craft is okay?"

Marven stopped the video recording, nodded, and said, "Seems pretty good."

Orvel just smiled and asked, "Mr. Ye, how to deal with this plastic face?"

Marven said calmly: "You will observe at these two people from now on. If Liu Ming dared to remove his scars and grow long hair to cover his forehead, he would be killed directly by me, and if she had this plastic face if she dared to go. Fix her crooked nose and disfigure her entire face! Besides, if she still dares to play YouTube, break her leg!"

The bodies of the two kneeling on the ground were suddenly startled...

When Liu Ming was thinking about going back, he hurried to find a plastic surgery hospital to remove the scars, and then grow his hair a little longer and covered his forehead with bangs. This should have a little effect...

But what Marven meant was to let all the people see what was on his forehead with two big characters in the future!

And that plastic face was thinking about it, and when he went back, she will quickly find a mobile phone to log in to YouTube, deleted the video that Orvel sent just now, and then go to the plastic surgery hospital to get her nose back.

But Marven directly and expressly forbids her to trim her nose, and even refused to let her use YouTube. How can she become an internet celebrity in the future? How to lie to those poor fans? How to hook up the rich second generation? !

The two of them cried and begged for mercy, hoping that Marven could open up their future and not to kill them all.

Marven was completely unmoved. He said to Orvel, "You remember what I told you. If something goes wrong, I will ask you only!"

Orvel immediately stood up straight and said seriously: "Mr. Ye, don't worry, I will observe these two sl*t in the future!"

After that, he gritted his teeth and looked at the two of them, and said coldly: "You two bird people will remember me. You will check in with me every other week from now on. Let me check in person, and I will go to the chase one day later. At that time, the entire Wrestrvel, and even the entire Nanguang people will hunt you down! If you escape from the province, I will send my little brother across the province to hunt you down! Until I hacked you to death I won't stop, do you understand?!"

Chapter 425

At this moment, Liu Ming and facial plastic surgery are completely desperate for their future life.

Seeing that their punishment was more relieved, Marven said to Mr. Orvel: "I look at these two people as a headache, so I hurried to get away."

Mr. Orvel nodded, kicked Liu Ming, and cursed: "Don't you hurry up?!"

Liu Ming got up, ignored the dirt on his body, and hurriedly prepared to escape with the plastic face.

Mr. Orvel gave him a violent kick on his a**, kicked him all the way, fell a dog to gnaw sh!t, and then shouted: "Listen you two. After a week, come to my Classic Mansion to report to me. Let me check, if you don't come, just wait to be hacked to death!"

"Lord, don't worry, we must be there..."

The two hurriedly agreed, and then they continued to flee in a panic, and they quickly fled without a trace.

Mr. Orvel came to Marven's side with a stern face and asked flatly, "Mr. Ye, are you satisfied?"

Marven turned to look at Avella and Elsa. Seeing that they had a strange expression, he asked: "Wife, Elsa, are you satisfied?"

Only then did Avella vaguely said, "Marven, is it not a bit cruel to treat both of them like this?"

Orvel hurriedly said: "Mrs. Ye, you don't know anything. This Liu Ming is a brutal b@stard. He loves to bully the poor all the time. I don't know how many poor people are bullied. The most annoying thing is that this grandson last year. In winter, drinking too much and in a bad mood saw a homeless tramp who went straight up and killed him. The bad things he did are really exhausted!"

Avella exclaimed, "Is this person really so bad?"

Orvel nodded and said, "This grandson likes to bully the poor the most. The poorer he is, the more he will bully to death."

Elsa on the side said: "Then he really deserves it! What kind of ability to bully the poor? What a b@stard!"

Orvel hurriedly said: "Miss Elsa, you are so right! For a person like this, Mr. Ye is doing this for the heavens!"

Marven said indifferently: "Okay, don't linger here, you should be busy, my wife and I are going to the hot spring."

Orvel hurriedly pointed to the hot spring hotel manager who was shocked a long time ago, and asked, "Mr. Marven, what should I do with this person? Can't just let him go? Do you want to engrave him too?"

Marven said lightly: "A dogleg, let him leave his job immediately, get him out of Wrestvel, and don't let him show up in Wrestvel in the future, otherwise let the brothers on the road see once and chop once!"

The manager Zeng has not dared to speak. Hearing this, he hurriedly called out: "Orvel, don't mess around, our Champs Elys Spa Hotel, but Shangri-La's property, Shangri-La's Zak Chen, you should know? If you move me, Mr. Zak Chen will not let you go!"

Manager Zeng thinks that Orvel is awesome, and the Song family is behind him, but his manager Zak Chen is also very good. He is the spokesperson of the Ye family, and the Ye family behind it is much better than the Song family!

Mr. Orvel sneered and said, "Okay, you can call Mr. Zak Chen to see if he can protect you!"

"Call him!" Manager Zeng let out a sigh of relief, took out the phone, and dialed Zak Chen.

Soon, the call was connected.

Manager Zeng hurriedly said: "Mr. Zak Chen, Orvel is making trouble here. He carved the words "Poor Hang" on Liu Ming's forehead with a knife and beat Liu Ming's girlfriend's nose crooked. He wants me out of Wrestvel and wants to block me, you have to save me!"

Zak Chen asked in surprise: "What's the matter? Give Mr. Orvel the phone and I will tell him."

Chapter 426

Manager Zeng quickly handed the phone to Mr. Orvel and said, "Mr. Orvel, Mr. Zak Chen is looking for you."

Orvel picked up the phone, and Zak Chen reprimanded on the phone: "Mr. Orvel, what's the matter with you? Do you dare to make trouble on my ground? Do you want to hit me? Are you a bit too arrogant?"

Mr. Orvel said seriously: "Ms. Zak Chen, it was not I who made trouble, but Liu Ming, who offended Mr. Ye, and your, Manager Zeng, also helped Liu Ming teach Mr. Ye. What do you think?"

Zak Chen blurted out and asked, "Mr. Ye? Is it Mr. Ye?"

"Of course, besides him, who else is Mr. Ye?" Mr. Orvel smiled.

Zak Chen was shocked!

Unexpectedly, a dog under his hands bit his owner!

This is just asking for f*cking death!

So, he immediately followed by detour: "Mr. Orvel, you turn on the handsfree!"

Orvel immediately turned on the speaker and heard Zak Chen's angry roar: "Zeng, you b@stard! You don't have so long eyes and offend Mr. Ye? Have you lived enough?"

As soon as Zeng heard this, his legs trembled with fright: "Mr. Ye, I don't know this is Mr. Ye..."

Zak Chen scolded: "You do it yourself this time, don't blame me for not showing you mercy."

After speaking, he said again: "Mr. Orvel, what does Mr. Ye mean?"

Orvel said: "Mr. Ye meant to dismiss this kid, then drive out of Wrestvel, and see him cut once when he comes back!"

Zak Chen said immediately: "Okay! Could you do me a favor!"

Orvel hurriedly said, "Zak Chen, please speak."

Zak Chen said coldly: "Beat him to half death first!"

"Okay." Orvel agreed with a smile and then hung up.

Zeng was already sitting on the ground with fright. Who is that young man! Why even President Zak Chen respects him so much!

He couldn't help but knelt and climbed in front of Marven, kowtowing his head and begging for mercy: "Mr. Ye, please let me go. I have lived in Wrestvel since I was a child. My parents, relatives, and friends are in Wrestvel. If I can't come back for a lifetime, Why am I still alive!"

Marven said coldly: "As the manager of Champs Elysees, I believe that Zak Chen should not give you less money. Your salary plus bonus for a year is at least one or two million or more. This in itself is enough for you to live a good life in Wrestvel. , Become a high-paid family man, but you just want to be a sh!t for someone like Liu Ming, and you also bring Champs Elys' security guards to help Liu Ming beat other guests. With this end, you deserve it!"

After speaking, Marven asked again: "Do you know that, including you and these security guards, all the employees hired by Champs Elysees? Champs Elys hired you with money so that you can help everyone

As for customer service, you should treat every customer fairly. Why are you responsive to Liu Ming?! You even helped him beat others. Is this a job duty given to you by Champs Elys?”

Zeng cried and said, “Mr. Ye, to tell you, I think that Liu Ming has a little background, and I want to make friends with him more, so I deliberately please, I was also confused for a while...”

Marven sneered: “Adults must pay for their own confusion!”

After all, he looked at Orvel and angrily said: “Mr. Orvel, don’t do it yet, what are you waiting for?!”

Chapter 427

When Orvel saw that Marven was a little angry, he hurriedly waved to his opponent and said coldly: “Hit me hard!”

A group of strong guys immediately surrounded Zeng, punched and kicked, until he was dying of breath, which was regarded as a stop.

Zeng lay on the ground and yelled, even worse still to come, Mr. Orvel said coldly: “I’ll give you half a day to leave Wrestvel. If I see you tomorrow after daybreak, I will kill you!”

The dying Zeng choked weakly: “Fifth Lord, can you give me two days of grace and let me heal the injury before leaving...”

“Go to the field for treatment!” Orvel said coldly, “Call your family and directly hire an ambulance to take you away. Just stay away from Wrestvel! If you die in another place, don’t let your ashes brought back to Wrestvel for burial, otherwise I will take you out of the grave, and lifted your ashes!”

Zeng was frightened as if he had gone mad, convulsing on the ground for a long time.

This is so cruel!

Hurry up and kill!

People are not allowed to come back, and the ashes are not allowed to come back even? !

At this moment, Zeng really wanted to die.

But there is no way, he himself knows that he is to blame.

Zak Chen allowed him to be in charge of the Champs Elysees Hot Springs so that he would serve the customers well. It was good for him. In order to favor individual customers, he took the Champs Elys security to try to beat other customers. This is serious negligence in itself!

What’s more, he also provoked a distinguished guest who even Zak Chen was very respectful. It would be considered kindness if he didn’t want his life!

So he could only tremble and took out his cell phone, crying and calling his family, asking them to find an ambulance and send him to the next city for treatment.

Once Zeng was settled, Orvel looked at Marven in kindness and smiled: "Mr. Marven, do you want me to accompany you in to check-in?"

Marven shook his head and said, "Forget it, you can handle it here, I can go inside by myself."

Orvel nodded quickly and said, "Then I would leave. If there is anything wrong with Mr. Marven, please call me at any time."

Marven nodded, then looked at Avella and Elsa, and said, "Let's go."

Only then did Elsa come back to her senses, looking at Marven's eyes, full of unconcealed love and admiration.

This man is like this, every gesture can give people an infinite sense of security...

As long as he is by her side, she is particularly at ease in her heart, even if the sky is falling, she won't be afraid.

.....

Champs Elys Spa is a Japanese-style private hot spring.

The customer has a private suite. Behind the suite is a courtyard covering an area of 100 square meters, and the private hot spring is located in this courtyard.

The water in the hot spring pool is drawn from the eyes of the underground hot spring and flows continuously into the hot spring pool 24 hours a day, keeping the temperature very suitable.

Zak Chen knew that Marven was here, and hurriedly arranged for the hotel people to upgrade their room to the best set of top-notch suites. There are two super-large and luxurious bedrooms. Even the hot springs are much larger than other places. The scenery is much more beautiful.

After entering the room, Avella and Elsa looked at the surroundings and immediately became happy. Elsa hurriedly urged Avella and said, "Avella, change your swimsuit quickly. Let's go to the hot spring to relieve our fatigue!"

"Hmm!" Avella was also very happy, and immediately nodded and agreed.

Marven originally thought about having a chance to see the beauty of his wife changing her swimsuit, but he didn't expect that the two went to the same room...

Chapter 428

Seeing this scene, he naturally knew that two beautiful women could only appreciate each other, and his hopes were lost.

So Marven went to another room and changed into the shorts he brought over.

Since Marven changed shorts relatively quickly, when he came out, the two girls hadn't come out yet.

So Marven walked to the yard first and slowly entered the huge hot spring pool.

Marven couldn't help but let out a long sigh of relief as the warm water gradually spread over his body.

After a while, footsteps sounded, Avella and the two changed their clothes and walked into the yard.

Marven turned his head to look, and his eyes lit up.

The swimsuit Avella wore was conservative, nevertheless, it outlined her perfect figure, slender legs, and fair skin, all of which made Marven's heart hot.

And Elsa next to her was even bolder. Although Viola stopped Avella from letting her wear a bikini, Elsa really wore a pink bikini!

This bikini only covers the important parts and shows most of the other parts in the air, which makes the figure unparalleled.

She is not inferior to Avella's body, and her appearance is equally beautiful because her dress is bolder and more irritating, but she overwhelms Avella!

Seeing Marven's somewhat surprised and stunning gaze, Elsa smiled charmingly, and then quietly threw a loving look at him, which looked bold and shy.

Seeing this as gentle as water, and with a somewhat fiery look in his eyes, Marven felt a little throbbing unconsciously.

But he could only pretend that he didn't know, and quickly withdrew his gaze, fearing that he couldn't restrain himself and reappeared in the water, and secondly he was afraid that Avella would see the clues.

The two women twisted their waists naturally and walked over like a pair of models. In Marven's eyes, it was a wonderful underwear show.

Afterwards, the two reached the side of the hot spring pool, stepped on their long Wang legs, and plunged into the water one after another.

It was also the first time for Avella to wear a swimsuit in front of her husband, so she was a little bit shy, so she took Elsa, sitting two or three meters away from Marven, whispering, and chatting about some topics between girlfriends.

But Elsa's thoughts were clearly on Marven.

While chatting with Avella one by one, she secretly glanced at Marven with her eyes from time to time.

In order to prevent being seen by his wife, Marven could only turn his back, and then closed his eyes and rested in the hot spring.

The two women chatted for a while because the hot springs made their bodies too relaxed, so they both felt a little sleepy.

Avella has been very tired recently. Not only is there a lot of things happening recently, but the company is newly opened, and she has been busy tossing, and she is already exhausted.

At this time, she was surrounded by the warm spring water, and she felt unprecedented tiredness. After a while, she became sleepy.

So, ten minutes later, she was by the hot spring pool, leaning against the hot spring pool with a towel, and fell asleep slowly.

And Marven was closing his eyes to rest up his mind at this time, and suddenly he felt the water surging around him. When he opened his eyes, he saw Elsa's Wang and tender body, who had already swum to his side.

Just as Marven was about to speak, Elsa stretched out a finger and put it directly in front of his lips, and whispered: "She fell asleep, don't wake her up."

Marven glanced at Avella and made sure she was really asleep. Then he breathed a sigh of relief and whispered: "We shouldn't be so close, especially in the face of Avella!"

"Avella is already asleep!" Elsa smiled, and said emotionally: "I just want to thank you for what happened just now, you saved me again..."

Chapter 429

Facing Elsa's confession, Marven said with a calm face: "It just happened to meet a few s*umbags, just clean up, don't take it to heart."

Elsa said seriously: "Then I would like to thank you very much!"

After all, Elsa sat down next to Marven, and when she stretched out her hand, she hugged Marven's arm in her arms.

The two of them wore very little, Marven's arm instantly felt the smooth and tender skin touch.

Marven squeezed and said quickly: "Elsa, don't do this, you will be seen by Avella."

Elsa smiled and said, "That means I can't see it at first, so I can do it?"

"I didn't mean that..." Marven said helplessly.

Elsa hugged a little tighter and said: "I want to hug. It's best to let Avella see it, and then you two divorce so that you can be with me."

Marven asked with a righteous look: "How can you do this? You are Avella's good girlfriend!"

Elsa also said seriously: "I know that you and Avella were not married because of love, but because her grandfather insisted on doing his own way, so she was willing to marry you, and I also know that you two have no substance until now. There's no such thing as a husband and wife!"

Speaking of this, Elsa couldn't help but said emotionally: "Since you don't have any marriage at all, why do you hang around each other? Hurry up and get divorced, and then you can find your true love. Isn't it good? Everyone will not delay anyone!"

Marven waved his hand: "You don't understand my feelings for Avella."

Elsa asked: "Then my feelings for you, do you understand?"

Marven nodded and said seriously: "I understand, but I can't promise you anything, sorry."

"Why?!" Elsa said aggrievedly: "Why would you rather want a marriage without any facts than let go of this false marriage and pursue true love?"

Marven whispered: "I made it clear to you last time. We are not suitable. Even if I divorced Avella, we may not be able to get together. What's more, I won't be with Avella at all. Divorce, it's totally meaningless for you to waste time on me."

Elsa snorted softly: "I am willing to waste time, I just love you!"

Marven said helplessly: "You are purely stupid. Instead of wasting time on me, it is better to find a single man who is not married and has no girlfriend to have a serious relationship."

Elsa's big eyes were suddenly covered with a layer of mist, and her mouth was pouting, and she choked up: "Marven, my whole heart is on you. Since you saved me for the first time, I have fallen in love with you. , After so many things in the middle to now, I am hopelessly in love with you..."

As she said, there were two red clouds on her face, and she said seriously: "I dreamed of you last night..."

"Dreaming about me?" Marven asked in surprise: "What did you dream about me?"

Elsa said: "I dreamed that you and I went back to my house, we got married, and then..."

"Then what?" Marven asked.

Elsa blushed and said like a mosquito hum: "Then I gave you a big fat boy..."

Marven curled his lips and said, "Dreams are all opposite..."

Elsa said immediately: "That's fine to have a beautiful daughter, I like it too."

Seeing Elsa's serious look, Marven really had a headache.

Marven had to emphasize again: "Elsa, we really can't...you don't understand me..."

Elsa's eyes were a little dim, and she said: "If you don't understand, you can slowly understand. It doesn't matter if you don't divorce Avella. I can love you secretly, even if I secretly love you for a lifetime, I am willing to..."

Chapter 430

Marven was a little speechless for a while, what did Elsa mean in her words, even she was willing to be an underground lover for him?

But how could he agree to such a thing?

First of all, he was sincere towards Avella. She was arranged to marry him by her grandfather. Even though she was so dissatisfied, she finally agreed, and even the whole family laughed at her and ridiculed her. Old Xiao, of course, he never looked down upon him.

Moreover, after Aunt Lena of the welfare institute became ill, she has been living frugally under Viola's nose, lending money to him, and even paid Aunt Lena's medical expenses. Marven will never forget this kindness.

So, how could he agree to let Elsa be his lover?

At this moment, Avella, who was asleep, suddenly moved.

Marven was shocked, and quickly took his arm out of Elsa's arms.

And Elsa glanced at Avella and saw that she was not awake, she immediately pressed her face to Marven's mouth at this moment and kissed him gently with her lips.

The touch is delicate, and it breaks with one touch.

Marven hadn't recovered yet, Elsa had already blushed and swam away.

But Marven saw that Avella was about to wake up, so he couldn't say anything.

Avella stretched out at this time, opened her eyes, and sighed: "Oh! It's really comfortable to take a bath in the hot spring! I was feeling tired during this period of time, it relieved most of it all at once!"

After speaking, she saw Elsa's face flushed, she asked in surprise: "Elsa, the hot spring water is not hot, why is your face so red?"

Elsa rubbed her face embarrassedly and then said with a smile: "The hot spring water is not hot. The key is that there is such a beautiful big beauty lying next to me. It makes me feel hot when I see you..."

While speaking, she stretched out her hand to scratch Avella.

Avella hurriedly avoided, Elsa hurriedly squirted water on her body, Avella also hurriedly held water to fight back, and the two women quarreled.

Elsa's figure is more plump, and Marven is a little dizzy with such a large movement, and Avella on the side is not much inferior to her, and it is also beautiful scenery.

Marven felt a rush of heat in his body. In order to calm his mind, he plunged into the water and stopped looking at the two women.

Seeing this, Elsa deliberately teased: "Hey, Marven, why are you still dipping your head in the water? Are you not afraid of choking water!"

Marven vomited a bunch of bubbles in the water, raised his head, and said, "Um, I'm done soaking, you two get busy, I'll get you some drinks."

Avella hurriedly said: "It happens that I am thirsty, Marven, please help me get a bottle of ice-cola!"

Marven nodded: "Okay."

Elsa said hurriedly: "Then I want Iced Sprite!"

"Okay." Marven agreed, got up hurriedly, and escaped from the hot spring pool.

There are two big beauties around him, one is his wife, the other is his lover, and they are dressed in such a cool dress. If they stay here, they are afraid that they will really be unable to control them.

Avella still had no intention of marrying him.

Although Elsa has 10,000 loves for herself, since she is already the husband of men, of course, she can't do anything to her.

Therefore, to Marven, these two women are both types that can see and cannot eat.

This type is seen too much, not only hurts the body but also sad!
