

## The Amazing Son In-Law Chapter 4241-4250

### Chapter 4241

Marven then smiled and said, "Oops, then your luck is really good,"

"Sara's team is saying that they want me to go to New York to examine the feng shui of the New York concert venues,"

"I am hesitating to say yes since you want to see her concerts,"

"Then I will help you to get the tickets for these two concerts by the way!"

"Really?!"

When Avella heard Marven's words, she was surprised and asked,

"Honey, Sara's team really wants to invite you to New York to see feng shui, huh?"

Marven nodded and said seriously,

"Of course, I am the famous Master Ye, they originally thought I was in China and were worried that I wouldn't be willing to come,"

"But it just so happened that I was in the United States and not far away, so they said a lot and had to invite me over."

Although Avella was very excited, but also had some doubts so she asked:

"Husband, for opening a concert do you have to look at feng shui?"

Marven laughed: "The entertainment industry gives importance to feng shui, it is not only the residential companies that need to do a good feng shui layout,"

"Before the start of the film and television series have to engage in an opening ceremony,"

"The tour concert, in order to ensure that the performance behind is smooth,"

"They first must do enough work on feng shui, just like the opening ceremony, Figure a good luck."

In fact, Marven also does not know, the singer will not engage in feng shui before the concert,

But, at the moment, he can only use the reason to look at feng shui to Avella to dispel the doubts in her mind.

Avella also did not suspect much, nodded and said:

“In that case, then husband you must help Miss Gu take a good look,”

“Her tour this time is the last tour before permanently quitting the entertainment industry,”

“It has a great significance, it must not leave any regrets.”

Marven nodded and smiled: “Don’t worry wife, I will do my best to help them get the feng shui right.”

Saying that, he added: “Right wife, it won’t take me too long to go to New York to see the feng shui,”

“I’ll go there in the afternoon of the 11th and I should be back in the evening.”

Avella asked him, “Will it be too tiring to come back at night, you have to drive for three hours,”

“If it’s too late, why don’t you just rest in New York for one night.”

Avella naturally had 100% trust in him, so she didn’t have any wariness.

However, Marven did not intend to spend the night in New York,

And if he took a helicopter on the way back and forth, he could also buy himself some more time.

.....

Two days later.

Hattori Kazuo of the Iga family, along with seven Iga ninjas of great strength, arrived in New York.

After they arrived in New York, they checked in at the Wangfu Hotel as requested by Jesse.

Once they checked in smoothly, Hattori Kazuo received a phone call from his employer,

Jesse, who told him to bring his men to the hotel’s banquet building immediately.

Kazuo Hattori thought that his employer was hosting a banquet for them,

But when they arrived at the banquet building, they saw a notice of suspension of business placed at the entrance of the banquet building.

On the notice, it was written that the banquet hall of Wangfu Hotel had a malfunction in the fresh air ventilation system, so the whole building was closed.

The hotel hardware problem needed to be repaired, which seemed logical to everyone, so no one cared.

Just when Kazuo Hattori was surprised, a young man of Asian descent came out,

Looked at Kazuo Hattori, and asked, "Excuse me, is this Mr. Hattori from Japan?"

Kazuo Hattori hurriedly bowed and said, "Yes, it's me!"

The other party nodded and said, "Please come with me."

Hattori Kazuo and eight other people followed the depressed young man into the banquet building.

#### **Chapter 4242**

And at this time inside the banquet building, not even a shadow of the staff could be seen, much less someone in maintenance.

The young man led them through the large banquet hall,

Then passed by several empty boxes with open doors, and finally stopped at the door of a box with the door closed.

Then, the young man knocked on the door and said, "Mr. Yun, Mr. Hattori, and the others have arrived."

Inside the box, Jesse said aloud, "Invite them in!"

The young man immediately pushed open the door and said to Kazuo Hattori, "Mr. Hattori, please."

Hattori Kazuo also saw Jesse in the room at this time.

He did not know Jesse before today, nor had he seen any reports related to him in any media, so he was curious about this man in front of him.

However, he did not look at Jesse too much, but said very respectfully,

"Hello, Mr. Yun, I am Hattori Kazuo, the son of this Hattori Hanzo of the Iga Ninja!"

Jesse nodded with a smile and said, "Mr. Hattori, I've heard a lot about your Iga ninja, today I finally get to meet you!"

Hattori Kazuo bowed and said, "Mr. Yun, you are too kind!"

Jesse smiled slightly, looked at Hattori Kazuo, and said seriously,

"Mr. Hattori, I'm not going to be polite with you, let's get right to the point.

Hattori Kazuo immediately said in a loud voice,

"Please don't worry, Mr. Yun, there is an old saying,

"Take money from others and help them eliminate their disasters, and that's what we Iga ninja have always done."

Saying that, Hattori Kazuo added, "However, I still need some more detailed clues from you, Mr. Yun,"

"Such as who and where the person I need to kidnap is so that,"

"I can carry out further investigation and formulate an action plan!"

"No need to be so troublesome!" Jesse shook his head with a smile, waved his hand, and said,

"Three days later on the night of the 11th, there will be a charity dinner here, at that time, the target person you want to kidnap will be arranged in this lounge,"

"At the entrance of the room, there should be at least four bodyguards guarding,"

"As for the room, there should only be the target person and her entourage;"

"And what you have to do is to take out all the bodyguards outside silently,"

"And then take out everyone in this room, except the target, and after that, you carry the bodyguards' bodies into the room,"

"And then take the target away from here silently;"

Speaking of this, Jesse instructed, "By the way, the target person you can make her unconscious,"

"But must leave her alive, and must not let her be injured."

Hattori Kazuo looked around for a long time and said,

“Mr. Yun, this room does not have any windows, in this room to do it,”

“But also to take the people away, then we may only be left with the ventilation duct option, can you let me see the design blueprint first?”

Jesse shook his head and said, “You do not have to go through the ventilation ducts so much trouble,”

“I will give you the details of a man, that man’s name is Leroy Chen, he is the director here,”

“You find the opportunity to kidnap all his family members and force him to bring you into the banquet site and it will be fine.”

With that, Jesse then told Hattori Kazuo his general plan, after making appropriate deletions.

After listening to it, Hattori Kazuo’s heart was a bit appalled, but he still nodded gently and said,

“I understand the general process, first kidnap Leroy’s family, let him arrange for us to work as waiters in the banquet hall on the 11th,”

“Then take the opportunity to take the target person away from here,”

“And after handing them over to you at the pier, we will leave New York by ship.”

Jesse nodded with satisfaction, “That’s right, that’s it.”

Saying that, Jesse added: “You guys first familiarize yourselves with the environment here,”

“See how to take people out, how to transport them out, and still make sure it’s silent, if there’s anything you need, just ask!”

Chapter 4243

The first thought that came to Hattori Kazuo’s mind after thoroughly surveying the scene was that this task seemed a little too easy.

You know that when they helped Ryojin Matsumoto kidnap Zhifei and Zhiyu, the mission was much more difficult than this.

That time was to silently take out all of the Su family’s entourage and then take away the Su siblings from a few dozen stories up,

This mission as a whole seemed much easier than that one.

That operation against the Su family siblings, Hattori Kazuo had also participated in it,

Only after the mission was successful, he did not take the siblings to Kyoto.

So, this time, the mission was not technically difficult in his eyes.

After exploring the scene as a whole, he asked Jesse:

“Mr. Yun, I wonder if you can reveal some information about the target person this time?”

Jesse said lightly, “You don’t need to know the identity of the target, for now, wait until the 11th, I will tell you.”

According to Jesse’s plan, the matter of inviting Sara to the charity dinner was to be kept absolutely confidential.

Even the words of communication with Sara were for her to attend as a mysterious guest,

Which would not only increase the mystery of the charity dinner,

But also ensure that she would not be tracked and chattered by the media and fans when she comes over.

When Sara arrives, the pre-arranged staff will bring her and her entourage directly into the lounge,

And a special VIP lane has been prepared for her so that her motorcade can park directly in the backyard of the ballroom

And enter the lounge directly through the back door.

That way, even the members of the New York Chinese Chamber of Commerce,

Who were going to attend the charity dinner that night did not know,

That the famous Sara Gu would be under the same roof as them.

Therefore, it was even more impossible for Jesse to let Kazuo Hattori know the target of the kidnapping in advance.

Moreover, what Jesse did not know was that Hattori Kazuo not only knew about Sara,

But he also liked her works and was considered a fan of her.

Not only that, at the time of the Yeling Mountain,

Hattori Kazuo had seen Sara appear beside Marven with his own eyes.

If he knew that the target of this kidnapping was Sara, he would have left the United States without saying a word.

He knew very well that money was a good thing, but he had to have a life to spend.

Hattori Kazuo, who was in the dark, saw that Jesse did not want to reveal information about the target,

So he stopped asking questions and changed the subject, asking,

“By the way, Mr. Yun, may I ask what are the origins of the other party’s bodyguards,

Are there any ninjas, or martial arts masters from China?”

“No.” Jesse said with certainty: “Her bodyguards, all are from the U.S. domestic security companies,”

“They are basically retired U.S. Army Special Forces and special police.”

Hattori Kazuo nodded gently.

The overall strength of the Iga ninja was considered the highest among the four major ninja clans in Japan,

So the only thing he was afraid of in his heart was actually the martial arts experts.

In the past, he also did not put martial arts experts in his eyes, until he was on Mount Yeling in China and saw Marven’s strength with his own eyes,

At that moment especially after seeing Marven, he understood that ninjutsu was not the only top martial arts.

After determining that there could not be a martial arts expert around the target,

The only worry in Hattori Kazuo’s heart was completely dispelled.

In his opinion, he could easily complete this mission and return home in triumph.

The day after Kazuo Hattori led the Iga ninja to New York,

Sara and her performance team of over 100 people arrived in New York by a chartered plane.

At that time, Chinese people all over the United States were very enthusiastic,

And many local American fans were also excited about it.

When the plane arrived at JFK airport, thousands of fans went to the airport to greet them.

The scene was so big that it once caused traffic and order chaos at the airport.

It was a 40-minute drive from JFK Airport to the Shangri-La Hotel in New York where Sara was staying.

However, due to the overzealous fans, it took two and a half hours for her to arrive at the hotel.

Chapter 4244

And before she even arrived, while at the hotel, many local media had already reported on the riot that occurred at the airport.

However, these media basically could not believe that a Chinese female singer had such a strong fan base in the United States.

After all, they had always felt that American singers were the global leaders of pop music.

Therefore, the high-minded ones thought that it was impossible for a foreign female singer to have such a big influence.

There were even local media who deliberately questioned,

Thinking that the fans who met the plane at the airport must all be group shows hired by Sara's agency at their expense.

And Sara also responded to these media questions with strength.

Her New York and Boston concerts opened on time three hours after her arrival in the United States.

The two concerts, a total of 90,000 tickets, were instantly snapped up in less than a minute,

Generating sales of over a billion dollars!

Although the U.S. performance market is mature, the starbase is also very large,

So most performances are difficult to sell out, and even if they could,

It would be impossible to sell out in such a short period of time.

This news instantly hit the headlines of all entertainment media in the United States.

Even Sara's North American partner for this tour didn't expect her concert to have such a strong box office appeal.

This instantly made Sara the hottest topic in the whole American entertainment circle, without one rival.

The day after she arrived in the United States, she attended a press conference organized by her agency,

Which was her first public appearance after arriving in the United States.

It was broadcasted live by major media across the United States,

And gathered tens of millions of people watching simultaneously on TV as well as on multiple online platforms,

Once again showing American society the influence of this diva.

When Kazuo Hattori saw the news on TV, his first thought was to regret,

That he did not have the opportunity to stay in New York and see Sara's concert with his own eyes.

After all, Sara's concert started on the 15th, and he,

After completing his mission on the 11th night, would have to leave the United States overnight.

With this regret, Kazuo Hattori led seven of his men to kidnap the nine members of Leroy's family,

The general manager of the Wangfu Hotel banquet hall, from their home in New York.

After these nine people were taken to the suburbs,

Jesse arranged a container truck, loaded all nine people into the car,

And pulled them out of New York in one breath, and parked them in an abandoned container yard.

After work, Leroy, driving his Mercedes sedan came back home,

Surprised to find that the original all the time noisy home, is all empty.

His wife was not there, his four children were not there, and his parents,

As well as two Chinese nannies, were also unaccounted for.

However, the home as a whole was very neat and tidy, looking unlike the appearance of an accident.

Just when he took out his cell phone and wanted to call his wife to ask what was going on, his cell phone rang first.

Surprisingly, it was a video call from his wife.

Leroy did not have any hesitation, immediately pressed the answer button,

The moment the screen was connected, he was struck by lightning,

His legs went limp and he fell to the ground with a poof.

In the video, his parents, wife, and children, as well as the family's two nannies,

All hanging in a container, their mouths are wrapped in black tape, can only struggle, while emitting painful whimpers.

At this time, a ninja's voice came from the video:

"If you want your family to live, then do not call the police,"

"Not to mention do not alert anyone, just follow our instructions,"

"After the completion of the matter, I will naturally release your family."

Here, the other party turned, coldly said:

"However, if you dare to call the police, or tell anyone else about this matter, then this is their fate!"

The words just fell, the video screen, a dagger instantly flew out,

With great speed into one of the nannies between the eyebrows!

Chapter 4245

The nanny, who was still struggling, instantly stopped all movements and died completely.

And her expression was extremely distorted because of fear, dead in peace .....

At this moment, Leroy was so frightened that he almost cried out in pain.

He had no time to mourn for the tragic death of his nanny,

So he went crazy and begged bitterly into the phone,

“I beg you not to hurt my family, whatever conditions you put forward, I will definitely agree with you .....

The other party said with satisfaction,

“I hope you can be as cooperative as you say if you dare to play a bit with us,”

“I guarantee that you will not even see your family’s corpses!”

Leroy cried and said, “I will cooperate ....., I will cooperate! Please tell me exactly what you need me to do!”

The other party said indifferently, “Go and open the door now, my leader will communicate with you face to face.”

Leroy listened and faintly froze, and immediately after that, he heard the doorbell.

He said to the phone in a panic: “I ....., am going to open the door .....

The other party said in a cold voice:

“Leroy, remember what I told you if you dare to play small,”

“All your family members will die a miserable death!”

After saying that, the other party simply hung up the phone.

Leroy, who was paralyzed, rolled and crawled to the door and opened it with difficulty.

As soon as the door opened, he saw Hattori Kazuo standing outside the door.

Hattori Kazuo had actually been waiting for Leroy's return near his house,

So they could time it right and call him as soon as he arrived home to prevent him from calling the police or notifying others.

However, before Hattori Kazuo came over this time, he had already disguised his face.

Ninjas have been studying disguise since hundreds of years,

And with the aid of various technological materials nowadays,

Their disguise has become so perfect that it is impossible for ordinary people to see any clues.

That's why Hattori Kazuo dared to come to see Leroy in a big way.

The moment Leroy saw Hattori Kazuo, he knelt down on the ground with a poof and cried,

"I beg you to let my family go ..... I beg you ....."

Hattori Kazuo directly stepped forward, one hand to help him up,

One hand to close the room door, dragging him then to the living room sofa.

Then, Hattori Kazuo threw Leroy on the sofa, and sat opposite him,

And said indifferently: "Leroy, if you want to save your family, the only chance is to cooperate with me,"

"As long as you cooperate with me obediently, after the matter is completed, I will definitely send your family back."

Leroy hurriedly said, "You name it, as long as you can send my family back safely, let me do anything!"

Hattori Kazuo nodded and said indifferently, "What I want you to do is very simple,"

"On the night of the 11th, there is a charity dinner in your banquet hall,"

"I need you to arrange me and my people in as waiters, you just need to arrange us in smoothly,"

"And then you will be considered to have completed your task."

When Leroy heard this, he immediately turned pale with fear.

He didn't know that this charity dinner, Sara would be one of the guests,

He only knew that this charity dinner was organized by his own young master,

Randal Fei, together with the Chinese Chamber of Commerce.

So when he heard Hattori Kazuo's words, his first thought was that these people must be trying to do something bad to Randal!

Thinking of this, he said in a panic:

"The owner behind the Wangfu Hotel is very strong, you'd better not mess with ..... otherwise ....."

Hattori Kazuo rudely interrupted him and said in a cold voice:

"If you still want your family to live, do not talk such nonsense to me, just tell me if you can do what I ask?!"

Leroy said with a crying voice: "If you are going to do anything bad,"

"I will take you in, they will not let me go afterward....."

Hattori Kazuo smiled and said, "Then maybe you can sacrifice yourself for the safety of your family."

Leroy asked him rhetorically, "Even if I did what you guys said, what guarantee do you have that you will let my family go?!"

Hattori Kazuo laughed: "In this matter, you can only choose to trust me,"

Chapter 4246

"I can't give you any guarantee other than a promise."

With that, Hattori Kazuo turned his words and said in a stern voice,

"To begin with, if you don't do what I say, your family will definitely die!"

Then, Hattori Kazuo's expression instantly eased some more and said seriously,

"Leroy, I'm not some kind of psychopathic murderer either,"

"I just want to finish my mission and leave the United States safely with the money, so I don't need to kill your family."

Leroy said guardedly, "Who knows if you will kill people after the deed is done?"

"In the vast majority of kidnapping cases, the kidnappers will kill the hostages to avoid exposure!"

"Exterminate?" Hattori Kazuo laughed contemptuously and said,

"Use your brain Leroy, I came to see you in my real face today,"

"And I will also appear in my real face at the banquet hall in the evening of the 11th,"

"Which will also be captured by all the surveillance cameras in the banquet hall,"

"Since I will definitely be exposed, why do I need to engage in any killing to silence the hostages?"

"Is that not self-deception?"

Hearing this, Leroy also believed Hattori Kazuo's words more or less in his heart.

According to his conventional understanding of criminals, the reason for killing and silencing was to avoid exposure,

And Hattori Kazuo's words did make sense since he was going to be exposed himself,

Killing and silencing would be like covering his ears and stealing the bell.

Thinking of this, he looked at Kazuo Hattori and said offhandedly,

"Okay! I promise you! Please make sure you don't hurt my family!"

"Don't worry." Hattori Kazuo smiled faintly and said seriously,

"On the night of the 11th, my people will feed your family,"

"Then hide the container in an absolutely safe place, and after I leave the United States,"

"I will send you the location of the container, and you will be able to rescue them that night."

Speaking of this, Hattori Kazuo said thoughtfully:

"Leroy, after we leave, the police will probably look for you to investigate,"

“And even list you as a suspect, you do not need to be afraid, just tell the truth,”

“You can even directly tell the location of the container to the police,”

“Let the police help you to save your family, so they will also believe what you say,”

“I believe that even if they hold you responsible, it will not be too heavy,”

“At most, you will go to jail for a few years, but your family will be able to survive safely.”

When Leroy heard this, he felt a little more grateful to Hattori Kazuo.

Because he did not expect that these kidnapers would consider them so meticulously,

It seems that there is indeed some benevolence in it.

It was also Hattori Kazuo’s words of attack that completely dispelled Leroy’s doubts.

So, he looked at Hattori Kazuo and said,

“On the night of the 11th, bringing you to the banquet hall as a waiter, that’s all I have to do, right?”

Hattori Kazuo laughed and said, “Not just me, but eight people, as long as you put the eight of us in, your task is done.”

As far as I know, your charity dinner on the 11th night will be very large,

At least two to three hundred guests will be there, and the dinner will be of high specifications,

So more manpower will be needed, and you can tell the others that we are from other departments,

Or say that the eight of us are temporary helpers from other departments or from another branch of the hotel,

And the others will definitely not be suspicious.”

Leroy nodded gently.

In order to maximize profits, the hotel is really not equipped with a very adequate staff, usually temporary needs, temporary signs.

And temporary signs are also very easy, in New York’s free labor market,

There are a large number of temporary workers who do a day lie three days,

As long as they do not have money to eat, they will play around to earn some living expenses,

As long as the hourly rate of \$ 15 is paid, no matter what the job, the other party will rush to apply for.

This group of people is very mobile, today in the hotel as a waiter,

The next day after tomorrow may be in the restaurant brush plate,

And then two days may go to a construction site as a porter.

So, when you arrange for eight temporary workers to come in, it will certainly not arouse suspicion.

Thinking of this, he gritted his teeth and said to Kazuo Hattori,

“Okay! I promise you! I will definitely put you guys in when the time comes!”

Chapter 4247

Soon, the time came to the eleventh.

Hidden beneath the busy morning rush of New York was an undercurrent that was surging at breakneck speed.

More than a thousand people from the Cataclysmic Front had already arrived in New York,

Hiding in all corners of the city.

And Jesse and Randal, have also been waiting impatiently.

Early in the morning, Randal called Jesse to his study and said excitedly and nervously,

“Jesse, these days the media headlines are almost all about Sara,”

“If she disappears tonight, it is estimated that it will immediately trigger a global sensation,”

“Are you sure that this matter will not be suspected to you and me?”

Jesse nodded confidently and smiled, “Young Master Fei, the Iga ninja side has already taken care of Leroy,”

“Today they will enter the hotel ballroom as temporary waiters under his arrangement,”

“Moreover, Leroy will use their lack of experience as the reason to keep them behind to help,”

“And then send others away from the vicinity of Sara’s lounge,”

“All the tools they need, have been transported to the interior of the ballroom,”

“Last night with the help of Leroy, tonight around 7:20.”

“The ninjas will be able to make their move, while Sara will be in the lounge waiting to make her appearance at 7:40.”

“After winning, they will immediately leave through the back door,”

“Wait until seven forty, when your assistant goes to ask Sara to board the stage,”

“It will be found that, except for Sara, everyone else is already dead,”

“At that time, the scene will naturally be very chaotic,”

“All you have to do is to immediately call the police and leave the rest to the police.”

Here, Jesse said: “After the police arrives, Leroy is the first suspect,”

“As for the ninjas, they all used disguise, the police simply can not find them,”

“And after they are buried in the Atlantic Ocean, the matter is completely broken clues,”

“No one can find out the whereabouts of Sara, you do not have to worry about this matter implicating you.”

“Good!”

Jesse’s words, let Randal settle his heart, he said with a smile:

“Tonight, I will put Sara under my b0dy for pleasure!”

Jesse said: “Young master Fei, you may want to wait patiently for a while,”

“Tonight is certainly the windiest time, you’d better make a show,”

“Run more police departments to follow up on the progress of the case,”

“Appeal to the Chinese in New York to make group efforts, and then put out a heavy reward for useful clues and so on,”

“First to leave a good impression on the public, after all, this time to take the blame there is Leroy,”

“Also considered the Fei family people this time,”

“The matter will bring a little negative impact to the family,”

“You have to find a way to make up for this part of the negative impact.”

Randal nodded approvingly and said, “Just do as you say!”

After saying that, Randal asked again, “Jesse, what are your personal arrangements for tonight?”

Jesse said, “Young Master Fei, I will personally wait at the pier tonight,”

“The pier has prepared two boats, one to send those ninjas to see the Great Amaterasu,”

“And one to send Sara to my island, then I will finish docking with those ninjas, and then escort Sara to the island.”

“Good,” Randal said with a wicked face,

“Then you wait for me on the island, tomorrow I’ll rush there after I’m done with the matter at hand!”

.....

Meanwhile, three hundred kilometers away in Providence.

Marven and Avella were eating breakfast together in the hotel room.

Avella knew that Marven was going to New York today,

So she asked with concern, “Honey, when are you leaving for New York?”

Marven looked at the time and said casually, “I’ll leave around eleven o’clock.”

Avella nodded and said, “Then you pay attention to safety on the way,”

“Since you are not here, I will eat something at the school’s restaurant at noon,”

“You get busy with your work, don’t worry about me.”

“Okay.” Marven smiled slightly and said, “I’m sure I won’t be able to make it back for dinner,”

“So come back to the hotel after class and call the catering department to order food. It is not safe outside.”

Avella nodded and said, “Don’t worry, I’ll get back to the hotel directly after class this afternoon and stay here.”

Marven was not worried about Avella’s personal safety,

After all, Joseph had placed a number of female soldiers of Cataclysmic Front in the hotel to secretly protect her,

With these people around, he could also travel to New York without worry.

Chapter 4248

After breakfast, Avella cleaned up, said goodbye to Marven, and then went to school.

Not long after Avella left, Sara’s phone call came and she couldn’t wait to ask:

“Marven, when are you going to leave?”

“The lift is ready to pick you up at the hotel anytime.”

Marven looked at the time, it was just after nine o’clock, so he said,

“No need to be in such a hurry, if you have something to do,”

“You can get busy first, I can wait until noon and then go there.”

Sara said, “I’m not in a hurry, I’m waiting for you to come and have lunch with me, I’ve already booked the restaurant!”

Marven was surprised and asked, “Sara, don’t you have to work during the day?”

Sara said with a smile, “I have freed up all my time today,”

“So I will eat with you at noon and stroll around with you in the afternoon, I have booked the restaurant.”

Saying that, Sara said delicately, “You pack up now,”

“I’ll have the helicopter arrive at the roof tarmac of your hotel in ten minutes.”

Marven had to agree and said, “Okay, I’ll change my clothes.”

Ten minutes later, a medium-sized helicopter from a ventilation company landed on the tarmac on the roof of the hotel.

After Marven boarded, the copter quickly took off and flew towards New York.

From Providence to New York, the straight-line distance was only two hundred and thirty kilometers,

And the helicopter took only one hour to fly over to New York City.

Afterward, the helicopter landed at a small helicopter navigational site near New York’s Chinatown,

And just after the plane landed, a woman with black sunglasses came over and said to Marven,

Who had just gotten off the plane, “Mr. Ye, Sara is waiting for you at the hotel, please follow me.”

Marven saw that the person who came to pick him up was Sara’s assistant Tasha,

So he nodded and said, “It’s hard for you Tasha.”

Tasha muttered, “Mr. Ye doesn’t need to be so polite.”

Saying that she brought Marven to a Cadillac sedan parked next to the helicopter.

She took the initiative to pull open the rear door for him and spoke, “Mr. Ye, please get in.”

“Thank You.” Marven bent down and sat in the car, and Tasha then sat in the passenger seat.

The driver’s seat was occupied by a white male.

With a strong, expressionless body and black tactical sunglasses as well as a monaural intercom headset,

Which at first glance was the style of a professional bodyguard.

After getting into the car, Tasha said to the driver, "Ready to go."

The driver nodded and immediately drove to Chinatown, a kilometer away.

At this time, New York's Chinatown was very lively,

With stores on both sides of the road doing brisk business and many pedestrians coming and going on the streets.

The Cadillac stopped in front of an inconspicuous Cantonese style roast goose store,

And Tasha said to Marven, "Mr. Ye, Sara is waiting for you inside,"

"But because of her status, she can't come out to pick you up personally."

Marven nodded, and after pushing the door and getting out of the car,

He surveyed the roast goose store and found that there was also a suspended sign hanging at the entrance.

Marven was curious, wondering how Sara, a native of China,

Would ask him to come to a Cantonese-style roast goose restaurant for lunch.

When he pushed open the door of this restaurant, see the first-floor area is only more than twenty square meters,

Of which only four card seats and half of the area is circled into the back kitchen,

Glass room, everywhere hanging roast goose and squab type of ingredients.

And the entire first floor, only a young man wearing white guys clothing, is brushing the phone,

Seeing Marven come in, he subconsciously said: "Sorry, not doing business today."

Just after the words, Tasha also pushed the door in and spoke, "He is the guest Miss Gu wants to invite."

The young man then hurriedly stood up and said respectfully,

"So it's Miss Gu's honored guest, please go up to the second floor,"

"Miss Gu has been waiting on the second floor for a long time."

Marven said thanks, then went up the stairs to the second floor, and the doubts in his heart became deeper.

When he arrived at the second floor, in front of the square table in the middle, Sara was sitting facing the stairway.

Seeing Marven coming up, she excitedly waved at him: "Marven!"

At this time, there was another middle-aged man with gray hair, sitting opposite Sara, with his back to Marven.

Seeing Sara greeting behind him, he hurriedly stood up and turned around.

The moment he saw Marven, the middle-aged man was dumbstruck,

And only after a few seconds did he suddenly kneel down on one knee,

Clasped his hands above his head, and shouted excitedly and respectfully, "Young Master Ye!"

#### **Chapter 4249**

Marven was stunned by the actions of the middle-aged man in front of him.

He immediately reached out to hold him in place and subconsciously asked, "May I ask who you are?"

The middle-aged man immediately said respectfully,

"Young Master Ye, my name is Hogan Chen, originally should have become a lonely ghost,"

"But I was lucky to be saved by Young Master Changying, so I have survived until today."

Hearing that Hogan was his father's old acquaintance, Marven respectfully clasped his fist and bowed,

"Hello, Uncle Chen, I am Marven Ye!"

Hogan is unusually excited, with red eyes said:

"I know ..... I know ..... turning back the first time I saw you,"

"I knew you must be Young Master Chen, at first I thought I was hallucinating,"

"But as soon as I thought Miss Gu told me there was a mysterious guest,"

"I immediately decided that you must be Young Master Ye ....."

Sara said with a smile on the side:

"Marven, I didn't tell Uncle that you were coming over,"

"I didn't even tell Uncle that we had found you, originally I wanted to give him a surprise,"

"But I didn't expect him to be so smart, he guessed your identity right away!"

Hogan hurriedly said, "Miss Gu, it's not that I'm so smart,"

"It's just that young master and when young master Changying was young, they really look too much alike ....."

Marven could not help but ask: "Uncle Chen, you and my father, how did you know each other?"

Hogan let out a long sigh and said seriously:

"Back then, because of my youthful indiscretion, I messed with the wrong people,"

"The other side issued a pursuit order to kill me,"

"The entire Hong Kong Island's kooks came out in force, just to find me out and hack me to death ....."

Speaking of this, Hogan continued with red eyes:

"The young master Changying sent people overnight to rescue me from Hong Kong Island,"

"And personally came to Hong Kong Island to negotiate with that big brother, pay a huge price, to get back my life ....."

Marven said in surprise: "Uncle Chen, so you and my father are old friends ....."

Sara quickly said: "Marven, my father said that Uncle was a very respected famous scholar at home and abroad,"

"Uncle Ye went to Hong Kong Island many times to ask Uncle Chen to come out of the mountain,"

"who is comparable to any great scholar!"

Hogan said modestly, "Miss Gu is too polite, I can't be considered a famous scholar,"

"But I was just fortunate to be appreciated by Young Master Changying."

As he said, he sighed and sighed:

"Back then, I originally wanted to return to the countryside and let go of my horse,"

"But I was fortunate to be appreciated by Young Master Changying,"

"So I decided to follow him and build a career,"

"But I never thought that just when I finished my personal affairs and was about to go to Orgeyon,"

"To return to Young Master Changying, he suddenly abandoned the Ye family and left Orgeyon with his wife, his whereabouts unknown ....."

Marven heard here, his heart could not help but tighten.

The time Hogan is talking about it, he himself should be only eight years of age.

So, he hurriedly asked, "Uncle Chen, the cause of my parents' death, do you know the hidden story?"

Hogan shook his head and said apologetically,

"I'm sorry Young Master Ye, I only heard about Young Master Changying's murder later,"

"And at that time, he had already cut off contact with me,"

"And the last time he contacted me was before he was ready to leave the Ye family."

Marven was busy asking, "At that time, did my father say anything to you?"

Hogan said, "Back to Young Master Ye, Young Master Changying was talking to me on the phone at that time,"

"He said he was leaving the Ye family, but still hoped that I could serve the Ye family,"

"And also asked me to contact Leon, the great steward of the Ye family at that time, but I didn't agree."

Saying that Hogan a bit ashamed to explain: "I do not hide from you Ye young master,"

“Back then, I would not have wanted to be involved in the affairs of the underworld, if not for the charisma of young master Changying convincing me, I would not have chosen to go out again .....

“So, I felt that if I were to serve Young Master Changying, I would not hesitate to die!”

“But if it’s not to serve him, then I didn’t want to make things difficult for myself.”

“So, I promised Young Master Changying that when he decided to return to the Ye family,”

“Or set up his own business, just one phone call, no matter where I am,”

“What I am doing, as long as he still needs me, as long as I still have a breath,”

“I would just crawl, I will also go to him to resume orders .....

“At that time, the young master also respected my choice, only I did not expect,”

“Soon after, to hear the news that he was killed .....

#### **Chapter 4250**

Speaking of things from the past, Hogan’s eyes have filled with tears,

He could not help but choke on his wrist and said:

“I really did not expect that the young master Changying would die young, it is ..... too bad .....

Marven also could not help but sigh lightly, when his father died,

He was just in his thirties, in the prime of life, it is indeed a pity to the extreme.

While feeling emotional, Marven could not help but ask:

“Uncle Chen, how did you come to New York afterward?”

Hogan let out a bitter smile and said, “After the death of Young Master Changying,”

“I quietly went to Wrestvel to mourn, when I intended to return to Hong Kong Island,”

“The big brother who wanted to kill me also heard about the accidental death of Young Master Changying,”

“So they immediately issued another pursuit order,”

"I saw that I cannot return to Hong Kong Island,"

"So I had to smuggle from the mainland to the United States, and stay here until now ....."

Saying that Hogan could not help but ask:

"Ye young master, where have you been all these years?"

"Mr. Gu in order to find you, went almost all over the world, just to the United States he had come several times,"

"I also helped him together in the United States to find you several times but had come to nothing ....."

Sara on the side said: "Marven, my father and I also came to New York to look for you before,"

"At that time it was Uncle who received us, right here in this hotel!"

Saying that she looked at Hogan and said with a smile,

"Uncle Chen, I remember when I first came to your place with my dad,"

"I was just eight years old, the last time I came was twenty years old,"

"Now I am twenty-six, and your place still hasn't changed at all."

Hogan smiled faintly and said, "I am a kind of person, it is difficult for me to change after getting used to something,"

"In fact, to put it bluntly, I am so lazy."

Sara looked at Marven and explained, "Marven, in the past, when I came to America with my father to look for you,"

"Uncle Chen's place was the first stopping point, oh yes, Uncle Chen's roast goose, the taste is especially good!"

Hogan could not care less about modesty and could not help but ask,

"Miss Gu, how did you find Young Master Ye? Where did you find him?"

Marven opened his mouth and said, "Uncle Chen, in fact, I have been in Wrestvel all along."

Hogan was dumbfounded as he listened and exclaimed,

“How could that be? In the beginning, it seemed that many people,”

“Including Mr. Gu, went to Wrestrvel to look for you, but everyone came up empty-handed .....

Hearing this question, Marven then told the story about Leon placing him in the orphanage.

After hearing this, Hogan could not help but sigh:

“With Leon, I have had a few encounters, at that time, I thought that this person was rough,”

“Righteous, but I did not expect that his strategy was so strong,”

“This hand of black under the lamp, his play is really at a level!”

Sara said with a smile, “Uncle Chen, can we talk while we eat, I’m hungry.”

Hogan hurriedly said, “Fine, fine, blame me, Miss Gu, Young Master Ye,”

“You two please sit down first, I’ll go to the back kitchen to prepare the meal.”

Saying that he looked at Marven and said ashamedly:

“Young Master Ye, my small store is not very good at cooking,”

“I’ll just serve some of the same for you to try, so I won’t arrange for you to order a meal!”

Marven said very politely: “Thank you, Uncle Chen, thank you for your hard work.”

“I should, I should! You two please sit down first, I’ll be right there!”

Hogan said that, turned around, and ran downstairs quickly.

Sara looked at Marven with a smile on her face and asked him in a low voice, “Marven, aren’t you a little confused?”

Marven smiled faintly and nodded, “A little .....

Sara mysteriously smiled, then took out the phone from her pocket,

Handed it to Marven and said, "Marven, my father explained to me before, when you come, let you listen to this."

Marven was a little surprised, and when he looked up,

He saw that on the screen of the phone was Sara's WeChat dialog box with her father.

At the bottom, there was a voice message, Marven took the phone and wanted to click the play button,

Sara quickly reminded: "Marven, listen with the earpiece mode!"

Marven nodded, clicked play, and immediately put the phone against his ear.

Within the earpiece, Philip's voice came, and he said very solemnly:

"Chen's son, your father once told me that the one who wins Hogan will win the world,"

"Such a pillar of talent, you absolutely cannot let go!"

"No matter what, you must persuade him to come out of the mountain and help you!"
