

The Amazing Son In-Law Chapter 4261-4270

Chapter 4261

Marven was a little surprised and looked at Hogan and asked in a low voice, "Uncle Chen, what do you think is wrong here?"

As his own strength continued to rise, Marven had long since entered a state where he could respond to all changes with no change.

Therefore, he did not need to keep a string taut at all times,

And with his strength, he could basically deal with unexpected events easily.

However, Hogan is different.

In the years since he came to the United States, Hogan has always been careful and cautious.

On the one hand, he has to worry about the immigration bureau to find out his illegal immigration status,

On the other hand, he also has to worry about the Hong Kong Island tycoon Liu sent people to find him.

Therefore, he is always alert to everything around him, and his sense of danger is naturally sharper.

At this moment, Hogan said in a very serious whisper,

"Young Master Ye, many small details, in my case are wrong."

Saying that he then spoke all the doubts in his heart, all of them.

After Marven listened, his expression also gradually cooled down.

He felt that Hogan's analysis was very reasonable.

One or two things abnormal perhaps maybe a coincidence,

But many factors are abnormal, it is difficult to explain by coincidence.

Thinking of this, he asked Hogan in a low voice,

"Uncle Chen, do you think that Randal is plotting against Sara?"

"Mm." Hogan nodded and spoke, "Randal is the young master of the Fei family, his status, among all the people outside,"

"Is the highest, so it is impossible for him to help others sing, so he must be the real protagonist."

Saying that Hogan added: "Moreover, with his Fei family young master's status,"

"Since he decided to do this thing, he must have a very thorough plan, and also will certainly not leave any risk,"

"They arranged us in such a retreat room, the intention is already very obvious,"

"The killing machine is ready to ambush us Young Master Ye!"

Marven could not help but frown, his mind, suddenly thought of the still unknown whereabouts of Jesse.

So, a question sprouted in his heart:

This Jesse and Master Fei, could there be any relationship with Randal?

Or, Randal, could it be Randal's important superior?

After all, if Randal really wanted to make a move on Sara today, it would prove that he, like Jesse, is a beast in human skin.

The fact that Jesse disappeared after coming to New York,

And that the ability of the Cataclysmic Front did not find out Jesse's whereabouts,

Proves that Jesse must have defected to someone with great strength, and Randal just happens to have that strength.

With a thought like this, Marven immediately took out his cell phone,

Sent a text message to Joseph, the text message is:

"Check Jesse and Randal Fei of the Fei family, to see if these two people have any interactions in the past,"

"In addition, check what relationship Randal and Jesse have."

But all the things that are written in the file, Cataclysmic Front to check up much easier.

Although much of Randal's information is highly encrypted,

But the Cataclysmic Front has its own informants in the U.S. intelligence department,

And its own trained hackers can also directly crack the confidential information,

So they quickly found Jesse and Randal's file, and then the two files did a comparison and immediately made a discovery.

Just as Marven was waiting for a reply, Sara looked at the two men in surprise and asked,

“Uncle Chen, Marven, what are you two talking about there with your heads together? Mysteriously

Marven smiled faintly and said casually,

“I am quite curious about that young master Fei, so I asked Uncle Chen about it.”

Sara asked in confusion, “Marven, why are you curious about him?”

Marven was about to speak when he suddenly received a text message, which showed,

“Mr. Ye, Randal’s father is called Adam Fei, his grandfather is Dawson Fei, and the rest is still being checked.”

When Marven saw this, he knew that this Randal was actually Stella’s nephew.

So, he said to Sara, “Coincidentally, I know this Randal’s aunt.”

“Ah?” Sara was surprised and asked, “How do you know his aunt?”

Marven laughed: “That’s a long story.”

At this time, Marven’s phone received another message, “Mr. Ye, Jesse, and Randal, used to study at the same university,”

“and the two of them studied at the university at the exact same time overlapping,”

“Which at least proves that the two of them are alumni of the same batch.”

“Fck!” Marven cursed in the bottom of his heart, to this information, his heart immediately is clear,

Chapter 4262

Can not help but think: “Everywhere we are looking for this Jesse and can not find, so he came to New York to join Randal!”

“The Fei family is powerful, and New York is the Fei family’s backyard,”

“Their strength and resources in New York, can be compared to the Cataclysmic Front?”

“If Jesse had been hiding in the Fei family,”

“The Cataclysmic Front might not be able to find his whereabouts even if they searched for another month!”

Thus, Marven was very firmly convinced that today’s charity dinner was a set up by Randal for Sara,”

“And it was even likely that Jesse was behind the plot!

At this moment, Marven’s expression had become very ugly.

He really did not expect that the young master of the Fei family would be so bold as to dare to move even his sister!

At this time, Hogan also saw that Marven’s expression was not right, and quickly whispered:

“Young Master Ye, if the other party really has bad intentions, just with a few bodyguards outside,”

“I’m afraid it’s difficult to deal with, and I speculate that the other party will definitely,”

“Choose to make a move on us when the charity dinner officially begins,”

“So it seems that we only have a five-minute window of time left. “

Saying that he immediately added: “I have a reprieve,”

“Call 911 immediately now and tell them that someone here is using explosives to plan a terrorist attack.”

“In New York, a terrorist attack is the highest level of incident,”

“Once the police receive an alarm related to a terrorist attack, the police are extremely serious,”

“The special operations team will arrive by helicopter within five minutes,”

“And within ten minutes of receiving the alarm,”

“The NYPD will at least draw more than three hundred police officers from the surrounding area to the scene to support;”

“What’s more, this is the Fei family’s property,”

“The young master of the Fay family is here tonight,”

“The police will only take it more seriously and will not rest until the place is turned upside down!”

“By then, the massive influx of SWAT and police will be able to completely disrupt their plans for tonight,”

“And we’ll be safe for now!”

Hearing this, Marven couldn’t help but be surprised by Hogan’s response speed.

He did not expect that Hogan would be able to come up with a series of solutions in such a short period of time.

The 9/11 time that shocked the world back then happened in New York and was a permanent pain for the city,

So he believed what Hogan said, once the city's police received the alarm about the terrorist attack,

They would definitely do everything they could to respond quickly.

What's more, this is still the Fei family's territory,

The young master of the Fei family is holding a banquet here tonight,

If there is really an attack, the consequences are unimaginable.

This will definitely make the police more nervous.

Therefore, the feasibility of this solution is almost 100%.

However, Marven was not going to use Hogan's method.

He smiled faintly and said to Hogan: "Uncle Chen, catching adults in bed,"

"Catching thieves to catch stolen goods! If you don't catch the thief,"

"But want to run away with your property, you can run away for a while,"

"But not for a lifetime, as long as the thief is still here, he will keep thinking about your property."

After hearing this, Hogan said with horror:

"Young Master Ye, the other party is the young master of the Fei family,"

"We don't know how many top experts are working under him,"

"With our bodyguards alone, I'm afraid we are not their opponents,"

"For us now the most important thing is to retreat in one piece, and then think of countermeasures,"

"Stay in the green hills, not afraid of no firewood"

Marven nodded and said with a smile,

"Uncle Chen, don't worry, don't care if he's a baboon or a monkey, as long as I'm here, no one can do anything!"

Hogan did not understand this response, he had told Marven the extent of the danger of the matter without reservation,

But Marven was not moved in the slightest.

He could not help but secretly sigh: “Young master Ye would not really think that he could control such a situation

Thinking of this, he could not help but stifle:

“Compared with the young master Changying, although the young master Ye is courageous,”

“But the big picture is still much worse

“If we can not escape today, the young master Changying will not be extinct?”

Hogan thought to this point, the whole person got an electric shock.

He knew that Changying only had one son, Marven, and moreover,

It was only today that he knew that Marven was actually alive.

Chapter 4263

Therefore, he could not accept that his benefactor’s only son would die here no matter what.

He felt that he had been languishing for more than 20 years,

And his death was nothing to be regretted, but Marven is still young,

And he has the bloodline of Ye and An family, two of the phoenixes in his body,

So no matter what, he could not stand by and see him die here!

So, he immediately took out his cell phone and subconsciously prepared to call 911.

At this moment, he no longer cared whether Marven would stop,

Or whether Marven would be angry, in his opinion, to save Marven’s life is the most important.

However, when he took out the phone and was about to unlock it,

He suddenly found that the top right corner of the phone was showing the word no service!

He exclaimed in his heart, “This is the center of New York!”

“How can there be no carrier signal? Could

“Could

Hogan was right in his guess.

Jesse was worried that in case the Iga ninja encountered a tangle during their operation,

Giving Sara time and opportunity to call the police, would greatly increase the difficulty of their operation.

In that case, as long as Sara called the police, all the plans would be ruined.

Therefore, he deliberately reminded Randal, in Sara's room within a 20-meter radius, installed multiple signal shields.

This signal shield gives good isolation of radio signals,

Once turned on, whether it is cell phone signals or intercom signals, they will be completely cut off.

Moreover, he gave the remote control switch of the signal shield to Hattori Kazuo,

As soon as he felt that the time was right and ready to do it, he would immediately cut off the signal.

Just a minute ago. Two of Hattori Kazuo's men, after passing by Sara's room,

Walked out a few meters and accidentally spilled the red wine that they were going to bring to the front,

Which stained the pure wool woven carpet with a red stain,

So Hattori Kazuo immediately asked the two men to replace the carpet.

So, several people immediately carried out a brand new roll of carpet from the equipment room and prepared to replace it.

The six bodyguards at the door were a little wary of this,

But this wariness only made them pay more attention to the waiters,

And did not immediately make them aware of the approaching danger.

At this time, Hattori Kazuo suddenly pressed the remote control in his pocket,

The signal shield instantly began to work, and then,

He gave a wink to his men who were preparing to replace the carpet,

And several hands immediately reached into the rolled carpet.

The carpet at this time has more than a dozen hardened poison shuriken hidden in it.

This kind of cold weapon because of the quenching of blood-sealing poison,

The killing power is extremely strong and can be done without a sound.

When they each had four shurikens in their hands,

Several people exchanged a look with each other, and at that moment, Hattori Kazuo suddenly attacked!

He turned around instantly with great speed and shot out four shurikens in his hand aiming at two of the bodyguards.

The others followed immediately, and in a flash, nearly twenty shurikens raced towards the six bodyguards.

The six bodyguards realized that there was danger, and before their bodies could react,

They were already stabbed by the shuriken and they died instantly!

The whole process took less than two seconds!

Immediately after that, Hattori Kazuo quickly gave a wink to his men,

And the crowd immediately replenished the shuriken and flew towards the door of the VIP room.

At this moment, Sara and Tasha inside the room knew nothing about the danger outside the door.

Because, in the banquet hall next door, the charity dinner has officially started,

The sound of the host speaking, the sound of the applause on the scene,

So that they can not hear the movement outside the door.

And at this time, Tasha was wondering and muttering a sentence, "Huh, why is there no network"

On the other side, Hogan has been nervous to the extreme,

He knows the phone has no network, so it must be the other party ready to make a move,

They have missed the last opportunity, now he is afraid there is only one way to wait for death.

Only Marvin, with his keen senses, took in everything that was happening outside the door.

He recalled his experience when he faced the Iga family ninja in Japan,

And sensed that the weapon used by the other party outside should be the hand sword used by the Iga ninja at that time!

He couldn't help but frown, and laughed playfully under his breath, "Huh, it's actually a ninja!"

Saying that, in his hand, he already quietly held the soul-piercing blade.

Chapter 4264

Sara heard this, surprised asked: "Marven, what did you say ninja"

The word ninja has not yet finished, the door was suddenly kicked open!

Immediately after, Hattori Kazuo led seven Iga ninjas rushed in extremely fast.

The two girls screamed out in fear, while Hattori Kazuo coldly instructed the ninjas around him,

"Except for the women, kill all the rest, leave no one alive"

The same as Sara, Hattori's last two words have not finished,

Looked up and suddenly saw Marven is sitting against the door,

The whole person was scared to the extent that his scalp instantly got numb,

And quickly from the scalp the numbness spread all the way to the toes!

Hattori Kazuo longing with fear, anxiety, panic, and a trembling voice:

"Ye Ye master? How did you you get here"

The other seven ninjas heard this, have looked along with Hattori Ichigo's gaze over.

This look does not matter, seven people saw Marven,

Scared instantly poof all kneeled on the ground, the heads falling to the ground!

These people, without exception, all responded to Ito Nanaiko's signs at the time of Qingming,

And went to Yeling to support Marven.

There, they saw Marven's terrifying strength with their own eyes.

In particular, Marven hooked his fingers and neutralized two of the four battle commanders of the Cataclysmic Front one after another!

That scene still left them with palpitations!

They know, even their head, Hattori Hanzo, and even Hattori Kazuo's father,

Is not a match for the Four Great Battle commanders of the Cataclysmic Front!

Even two Hattori Hanzo, three Hattori Hanzo,

Have no chance of winning in front of one commander of the Cataclysmic Front.

But Marven, like killing a dog, easily dealt with the two of them,

This strength, in their eyes, is already beyond their comprehension!

At this moment, when they saw Marven here, they were naturally scared out of their wits!

Hattori Kazuo saw seven of his men around him kneel down, he himself then came back to his senses,

Hurriedly kneeling on the ground, fearful, said:

“Ye Master Ye onsorry”

“Really sorry under under Hattori Kazuo... ..Iga ninja under the command of Miss Ito”

“At the beginning, on Mount Yeling, I followed Miss Ito to help you fight against the Cataclysmic Front”

“Today Today, I did not know you were here and unintentionally offended you, so please I atone for my sin”

Sara, Tasha, and even Hogan at this moment have looked silly.

A second ago, these eight people rushed in a murderous manner.

But a second later, these eight people actually all kneeled down,

And these eight people without exception, all in a head kowtowing begging for mercy!

Marven looked at Hattori Kazuo, smiled contemptuously, and asked in a cold voice:

“Hattori Kazuo, right? Tell me, how much fcuking guts have you eaten, how dare you even try to me?”

Hattori Kazuo folded his hands and said in terror:

“Back to Master Ye a guy named Yun paid us a high price to kidnap the two women in this room,”

“And then kill everyone else I really did not know it was You ah”

After saying that, he glanced at Sara and Tasha, and instantly recognized one of them as Sara!

In this instant, he was almost scared out of his mind!

Not only was he a fan of Sara, but he had also seen her with his own eyes that day

On Yeling Mountain and knew that she was Marven’s confidante.

Only at this moment did he realize that what Jesse has asked him was to kidnap Sara!

He couldn't help but curse in his heart:

"Isn't this a fucking dog? I'd rather kidnap Amaterasu Omikami than Marven's woman"

Panicked to the core, Hattori Kazuo cried,

"No wonder that guy named Yun, dead set on telling me who the target really was....."

"Master Ye, I was being used! That person just told me that there are two women in this room,"

"Let us first kidnap both women, did not tell me who these two women are ah"

Saying that he kneeled a few steps, came to Marven while kowtowing like crazy while crying,

"Master Ye I really did not know that you and Miss Gu were here"

"If I knew, even if I was given ten thousand guts, I would never have dared to do anything against Miss Gu"

"Please be merciful and spare me this time"

Chapter 4265

Hogan and Sara both looked confused.

Sara was completely unaware of what was happening,

While Hogan was completely unable to figure out why these few people came in with murderous anger

And immediately knelt down and begged for mercy as soon as they saw Marven.

What they do not know is that Hattori Kazuo is now really scared to death.

He only felt that his heart rate was so fast that it had gone completely out of whack,

And the violent and rapid vibrations seemed to shatter his entire chest cavity with excruciating pain.

In his mind, he couldn't help but recall the image of Marven kicking a small stone,

And directly killing the commander of the Cataclysmic Front on Yeling Mountain that day,

And knew that as long as Marven was upset,

He could send the eight of them to meet the Great God of Amaterasu in a minute.

Therefore, he could only keep begging and repenting, praying that Marven would be merciful.

At this time, Marven smiled playfully and said, "Hattori Kazuo is right, go, close the door first."

Hattori Kazuo could only nod like a gray grandson and hurriedly stood up,

Dragged his trembling legs and closed the door of the VIP lounge.

Afterward, Hattori Kazuo returned to his original position,

Knelt on the ground again, looked at Marven, and begged,

"Master Ye I beg you to forgive me this time"

Marven waved his hand and said indifferently,

"We are all adults, you are still here daydreaming like a child, this is no longer interesting."

Hattori Kazuo panicked to death, like a dog that lost its home, confessed:

"Master Ye your great name for us, has long been like a thunderclap,"

"Your strength, in our eyes, also is like a miracle, I really do not mean to be your enemy."

"... ..this is all instructed by someone"

Marven smiled and spoke: "I ask you, the person who hired you, who is it?"

Hattori Kazuo was busy saying,

"A Chinese surnamed Yun, I don't know exactly what his name is, I only know it's Mr. Yun."

Marven found out Jesse's information, opened the photo, and asked him, "Is this the man?"

Hattori Kazuo crawled forward a few steps on his knees,

And after seeing it clearly, he hurriedly knelt and retreated again before bowing and saying,

"Back to Master Ye, that's him!"

Marven nodded and asked, "How much money did he give to you?"

Without thinking, Hattori Kazuo said, "Eighty million dollars!"

Marven continued to ask: "How many of you have come in total?"

Hattori Kazuo said respectfully, "Just eight of us"

Marven asked in a cold voice: "What was your original plan?"

Hattori Kazuo said: "The original plan was to arrest the two women here,"

"Kill everyone else, and then immediately take them away from the staff passageway,"

"Load them into garbage trucks and transport them to the dock,"

"That Yun has arranged a boat for us, so when we hand them over to him,"

"We could leave the United States by boat."

Hearing this, Marven nodded gently, then he smiled lightly, looked at Hattori Kazuo with interest, and asked,

"Hattori Kazuo, let me ask you, do you guys still want to return to Japan alive?"

Hattori Kazuo's expression was overjoyed, and he nodded his head like garlic and hurriedly said,

"I do! We all want to! I beg Master Ye to make it happen!"

The others also begged, "Please, Master Ye!"

Chapter 4266

Marven nodded and said, "To tell you the truth, one of the masterminds behind this matter today is.."

"Randal Fei of the Fei family in New York, and he is here now,"

"So help me arrest him and transport him out according to the plan you just mentioned,"

"But not to Jesse, I will arrange for someone to meet with you and take him away, and after it is done,"

"The eight of you will go directly with my men, and they will protect you."

Although Hattori Kazuo had never met Randal,

He was very clear about the reputation and strength of the Fei family in New York.

The strength of the Fei family was simply not comparable even to the Ito family in Japan,

Yet Marven told him to capture the young master of the Fei family, which made him scared out of his mind.

So he panicked and cried and begged, "Master Ye we Iga ninja have always survived in the cracks,"

"Life is very hard, if we provoke the Fei family, it is likely to be the disaster of extinction for us..... "

Marven sneered and sternly said, "Hattori Kazuo! For you, Iga ninjas, provoking the Fei family,"

"There just might be a disaster of extinction, but you provoked me, then what it might be!"

He said that and stood up, looked down at Hattori Kazuo, and said coldly:

“When the Su family was able to exterminate the Matsumoto family,”

“Even the son of Matsumoto Ryojin, who was taken away by his ex-wife for many years and changed his name,”

“Was not spared, how could I, Marven, be inferior to them?”

“If you are determined to oppose me, then I will make the Iga ninja,”

“And all those who are related to the Iga, disappear from this world completely!”

When Hattori Kazuo heard Marven’s words, he was struck by lightning and his liver and guts were split!

He knew Marven’s strength.

Not to mention that Marven himself was so powerful that killing Iga ninja was no different from killing a chicken.

The strength of the Cataclysmic Front under his command alone was so strong that it made him shudder!

If Marven really wanted to exterminate the Iga ninja, then they definitely had the ability to complete Marven’s order!

Hearing this, Hattori Kazuo had completely collapsed,

He knocked his head on the ground and cried out in pain, his whole body kept trembling as he sobbed.

When he came to America, he still carried the mission and vision of revitalizing the Iga ninja.

But now, the centuries-old heritage of the Iga ninja was likely to be destroyed.

If he did not agree to Marven, the Iga ninja would completely disappear from this world,

And if he agreed to Marven, he was afraid that he would spend the rest of his life,

Trying his best to avoid the Fei family’s pursuit, it was still unknown how many would survive.

This desperate situation had caused his emotions and mentality to completely collapse.

The other seven Iga ninjas were in the same mood.

Marven, seeing that Hattori Kazuo was still not cooperating, said in a cold voice:

“Hattori Kazuo, we have an old saying that,

“good words are not enough to persuade a damn3d ghost’, since I have given you a way out and you don’t cherish it,”

“Then don’t blame me, for being merciless, you go first today,”

“Your father, brother, and other relatives, it won’t take long for them to accompany you!”

As soon as Marven’s words came out, Hattori Kazuo immediately raised his head,

Emotionally broken down and cried, “Master Ye I am willing to cooperate! I am willing to cooperate!”

“Good!” Marven nodded and said in a cold voice:

“You first dispose of the bodyguard’s corpse outside the door,”

“Then continue to go out disguised as a waiter, it won’t take long,”

“That Randal will definitely come over to see what’s going on, then you will directly do it,”

“First take out all the bodyguards around him, then take the person away.”

Hogan, who had not spoken, said in a low voice:

“Young Master Ye, a person of Randal’s level must have martial arts experts around him,”

“I’m afraid these ninjas are no match.”

Marven agreed and said, “There is indeed this possibility.”

After saying that, Marven looked at Hattori Kazuo and spoke,

“You don’t have to worry too much, if there are martial arts experts around the other party, I will solve it for you.”

Chapter 4267

Hattori Kazuo now could only cross his heart and follow Marven all the way to the black,

So he gave up and said through clenched teeth, “Okay, Master Ye! I will do everything you say!”

Marven in order to ensure that nothing goes wrong,

Took out the cell phone and opened the information sent by Joseph,

Opened Randal’s photo, handed it to Hattori Kazuo and several people, and instructed:

“Remember this person, later if he brings people over, you wait for him to come in,”

“Take out all his men, if he comes himself, then directly kidnap him and bring him to me, understand? “

Hattori Kazuo dare not to say anything anymore, nodded hastily and said,

“Master Ye don’t worry, I understand”

Marven nodded and added: “If he lets people come to explore the truth,”

“You do not have to do it, directly let people in.”

“Okay!” Hattori Kazuo solemnly agreed, and carefully stared at Randal’s photo before speaking,

“Master Ye, I’ve memorized Randal’s looks!”

Marven nodded slightly, waved his hand, and said,

“Since you have already remembered clearly, then this is no longer your business, all go out!”

Hattori Kazuo breathed a sigh of relief and hurriedly said,

“Master Ye, then I will first leave”

After saying that, he hurriedly led the seven people to retreat out.

As soon as they left, Sara asked impatiently, “Marven, that Randal, why would he kidnap me?”

Marven coldly said: “I was tracking the whereabouts of that Jesse when I was in Canada,”

“But this kid disappeared after coming to New York, just now I learned that this Randal,”

“Is actually Jesse’s superior, they specialize in brutalizing young girls for fun,”

“And via extremely ruthless means, you should have been their next target.”

Sara gritted her teeth and said, “This evil is too vicious!”

“He put on such a big show to deceive me! It’s so hateful!”

Marven smiled faintly and said, “Sara, don’t worry, I will make him pay the maximum price.”

Sara couldn’t help but ask: “Marven, what are your next plans? Is it to kidnap that Randal?”

Marven nodded and said firmly, “I will definitely not let them go,”

“But right now I don’t know the exact whereabouts of Jesse, so since Randal is here,”

“Why not take this opportunity to give him a trick first!”

Sara hastily reminded, "Marven, this Fei family is strong,"

"In North America, it is second only to the An family of Chinese families,"

"If you move their young master, this matter will bring you trouble"

"Never mind." Marven casually laughed: "People are not kidnapped by us either, we are just witnesses."

Hogan could not help but exclaim: "Young Master Ye, this solution is too good!"

"When that Randal comes over, those ninjas will kill his men and kidnap him,"

"And even the six bodyguards who died just now can all be counted on them as well!"

"We just need to play nice in front of the police,"

"And then we can watch the fire from the other side of the river!"

Saying that, Hogan added: "Young Master Ye, in that case,"

"I dare to suggest that you should not put these ninjas back if the Fei family traces them,"

"This matter will still be exposed sooner or later."

Marven nodded with approval and said, "There is indeed this layer of risk."

After saying that, Marven asked Hogan, "Uncle Chen, what good advice do you have?"

Hogan busily said, "I heard these ninjas just now say that the person who invited them here,"

"Is the one you've been trying to find, Jesse, right?"

"Right." Marven nodded his head.

Hogan added: "Young Master Ye, you have not been able to find the whereabouts of Jesse,"

"According to me, Jesse is probably hiding with the Fei family to advise Randal,"

"And the Fei family is powerful, has many industries, and is heavily guarded, so it is not easy to find him."

Chapter 4268

Marven agreed and said, "Right, I now also suspect that Jesse has been hiding with the Fei family."

Hogan then said, "Since you intend to let these ninjas kidnap Randal,"

"It might as well let your men control these ninjas as well,"

“Let them first demand a huge ransom from the Fei family,”

“And then let them evaporate, then the Fei family will then naturally think that,”

“It was these ninjas who kidnapped Randal, so they will definitely follow the line of ninjas to investigate.”

“If they find out the identity of these ninjas,”

“Then they will definitely go to Japan to find the whereabouts of these people,”

“And people in your hands, they can only go to Japan to find the relatives of these ninjas in Japan,”

“And then they will definitely force to ask Jesse who hired the ninjas,”

“In this way, the Fei family will probably think that it was Jesse who hired these ninjas to kidnap Randal,”

“And that he is the real mastermind behind it and by then,”

“I’m afraid he won’t be able to wash his hands even after jumping into the Yellow River.”

“I believe that once the Fei family investigated the ninja layer,”

“Without waiting for them to find out the actual results, Jesse already will be panicked,”

“He will only have two choices, either take the initiative to confess everything to the Fei family,”

“Or can only grit his teeth and carry this black pot to escape,”

“No matter which one he chooses, the Fei family will not let him go!”

Marven frowned and asked, “Uncle Chen, what do you think,”

“If Jesse confesses to the Fei family, how will the Fei family deal with him?”

Hogan said without thinking: “If I were at the helm of the Fei family,”

“If Jesse came to confess this to me, the first thing I would do is to kill him, and on the spot to avoid a long night!”

“Because once these things get out, the Fei family’s reputation will suffer a devastating blow!”

“Even if Randal, the young master, can never be recovered,”

“His father can still find someone to regenerate another or even several!”

“But once the family reputation completely collapsed, the loss is not as simple as of a male child!”

“So, even for Randal’s father, there is no way to allow what Randal has done to implicate the entire family,”

“A family so strong, if not a little courage to break the wrist, it is impossible to come this far.”

Hearing this, Marven’s heart was enlightened and he laughed:

“In this way, once the Fei family followed the ninja matter down the line,”

“Jesse will only have a chance of survival by fleeing from the Fei family.”

“That’s right.” Hogan said, “Since you have already sent people to lay a net in New York,”

“You might as well use this method and let the Fei family force Jesse out!”

“Or let Jesse himself be scared out by the Fei family!”

After a pause, Hogan added: “Young Master Ye, as long as you play this scene well today,”

“The Fei family will never suspect your head even if they die!”

“Moreover, I believe that it won’t take long for you to catch Jesse as well,”

“And you won’t have to worry about being exposed at all;”

“After all, when the Fei family found out that the ninja was hired by Jesse,”

“And then Jesse could not be found, they will definitely think that Jesse is hiding in advance,”

“Even if the Fei family can not find Jesse for the rest of their lives,”

“They will not associate this matter with you!”

“You caught Randal today and watch the fire, tomorrow and then wait for the rabbit to catch Jesse,”

“And finally get the whole body and retreat, the best of both worlds.”

The more Marven thought about it, the more he felt that Hogan’s method was very feasible,

And the only thing he had to do was to finish off Hattori Kazuo or hide them.

However, since he had already promised to keep them alive,

Then naturally he would not go back on his word to kill them.

Therefore, as long as they were hidden in a place where no one could find them,

The matter would develop in the direction analyzed by Hogan.

As for where to hide Hattori Kazuo and the others,

Marven naturally had an excellent choice in mind.

Without a doubt, the best place for them is to go to Syria!

Chapter 4269

Hogan's analysis made Marven exclaim: "Uncle Chen, your idea is really great! Let's do as you say!"

At this time, Tasha couldn't help but speak up,

"Mr. Ye just now, didn't that Hattori Kazuo say that that s(um named Jesse was waiting for him to take us to the pier?"

"Why not catch Randal here first, and then go to the pier to catch that Jesse?"

"What's the point of going to all this trouble?"

Hogan smiled and said, "Miss Tasha, the reality is different from the movies,"

"In "Gangster", Chen Haonan became the leader and often personally led his disciples to chop people up."

"Responsible for the hands, the brain is only responsible for moving the brain,"

"How can the conductor behind the scenes risk putting himself in danger?"

Marven also nodded and said, "If Jesse would personally go to the pier to do the hand over from the Iga ninja,"

"Then this person would not be able to live today, in my opinion,"

"Not only will he not go to the pier, but he has also even made a complete plan,"

"Maybe when the ninja gang appears, they will directly kill them."

Tasha awkwardly smiled twice: "Well am I thinking too much"

After saying that, she asked Marven:

"Mr. Ye, then how are you sure that Randal will definitely come over?"

"In case he is late, then won't the plan go down the drain?"

Marven said seriously, "It depends on who is the first to sulk."

Saying that, he looked at Sara and smiled, "Sara, help me perform the play later!"

.....

At this moment, Hattori Kazuo and others had already loaded all the bodies,

Of the six bodyguards into the garbage truck through the internal passage prepared in advance.

In order to ensure that the matter would not be revealed,

Hattori Kazuo had long forced Leroy to clear all the area in this vicinity,

So there were no other staff activities in this area, which greatly facilitated them.

Afterward, Hattori Kazuo and others, in accordance with Marven's orders,

Reassumed their roles as waiters and returned to the vicinity of the VIP room to continue their cleaning work.

And at this time, inside the banquet hall, Randal was anxiously waiting for the news that the ninja had gotten the job done.

Originally, the plan Jesse had made was that after Hattori Kazuo had gotten his hands on the work,

He would take the man away in the garbage truck, and at this time would send a text message.

To Jesse informing him that things had worked,

Jesse would reply with a coded message to Randal, relaying the good news to him.

This way, Randal does not have to have any contact with Hattori Kazuo throughout the whole process,

When the person disappears, Leroy has to take the black pot of blame,

He only needs to pretend that he does not know anything, no one will associate himself with him.

Therefore, Randal is now only looking forward to Jesse's reply.

However, seeing that the Chinese Chamber of Commerce's Vice President Luan has finished speaking,

President Lu has also reached the halfway point, and it will be his turn to speak on stage.

But still did not receive any news, the efficiency of this ninja is really disappointing for him.

At this time, his mood got more nervous.

He was nervous, not in front of so many people to address, but he knew very well,

According to his original plan about Sara, with the Chinese Business Association,

After the speech of the two presidents of the association, the process is followed by his speech at the end.

And here he would announce in public tonight's charity dinner and the intro of a heavyweight VIP.

Immediately after, he will be on stage to announce that there is a heavyweight guest on stage.

At this time, Sara will come out of the lounge, directly step on stage,

To the audience to drop a heavy bomb, the charity dinner tonight will go to the climax.

Of course, this process is under the premise of no surprises.

The real process is that Hattori Kazuo has to complete his task and kidnap Sara before Randal takes the stage.

Subsequently, if he received the coded message back from Jesse,

Chapter 4270

So Randal will be rest assured about the boldness of the speech on stage,

Speaking at the end, or the public announcement of tonight's heavyweight VIPs, and then have the VIPs on the stage.

However, since Sara would have been kidnapped and all the people around her had been killed,

The situation would be that he would have said on stage that he would invite the VIPs to appear, the VIPs would be late.

At this time, he will be directly on stage to the two presidents and say,

"I guess the VIP did not hear the words just now,"

Let them hurry to the VIP lounge to invite them to appear.

Immediately after, the two presidents would find that the VIP lounge,

Save for a pile of corpses, there is no shadow of Sara?

So, the scene would be in chaos, and as the host himself, he would have to be in a state of crisis,

And after seeing the tragic events that has occurred,

He would first call the police and first ask his men to close the entire banquet building so that the suspects would not escape.

Subsequently, a large number of police officers would quickly arrive,

Then investigate the scene, and finally find Leroy as a major suspect,

Take him back for interrogation, and finally, the direction of things would completely be put on Leroy, completely away from Randal.

Because everything has long been interlocking arrangements,

So Randal at this time is particularly worried that the gang of ninjas will have an accident.

So, already a little subdued, he took out his specially prepared new phone and sent a message to Jesse: "Still no movement?"

Jesse quickly replied, "I haven't received any news yet."

Randal urged, "Ask what's going on! I'm about to give a speech on stage! Five minutes at most!"

Jesse naturally knew what it meant for Randal to speak on stage,

So he immediately made a call to Hattori Kazuo.

However, at the other end of the line, it was temporarily unavailable.

Jesse panicked, he knew that signal shielding equipment is installed near Sara's,

Now can not reach Hattori Kazuo's phone, which means that Hattori Kazuo's gang is still on the scene!

If Kazuo Hattori is still at the scene, it means that he has not been able to get it!

Thinking of this, Jesse was even more nervous.

The most critical thing was that he could not contact Kazuo Hattori at all,

So he had no idea about the specifics of the scene.

So, he immediately sent a message back to Randal: "Young Master Fei,"

"I can't contact the ninjas now you send a trusted man over to see if there's been any accident" "

"Fcuk!" Randal saw these contents, immediately replied:

"You fcuking swear that there is no problem, everything is under control,"

"You son of an idiot! If anything goes wrong in this matter, I'll fcuking kill you!"

After sending the message, although he thought more and more angry,

But still did not dare to delay, immediately called his most trusted assistant over and whispered:

“Go to the VIP lounge to see if there is anything, if there is, immediately come to tell me!”

“Yes, young master!” The assistant didn’t dare to delay, he got up and rushed to the VIP lounge.

Disguised as waiters, Hattori Kazuo and others secretly observed this person’s approach,

But once they thought of Marven’s instructions that they must not make any rash moves,

Without seeing the young master of the Fei family, they did not make any moves.

The assistant came all the way to the entrance of the VIP lounge,

And to his surprise, the door was open at this time,

And Marven was persuading Sara with bitter words,

“Miss Gu, I suggest you listen to the bodyguard’s advice and hurry up!”

Sara said with a difficult face, “Just going straight away, it’s not appropriate, right

Marven waved his hand and said, “What’s inappropriate, safety is important!”

Randal’s assistant was slightly stunned and hurriedly came forward and asked,

“Miss Gu, where are you going?”
