

## The Amazing Son In-Law Chapter 4271-4280

### Chapter 4271

Marven turned back, looked at the assistant and opened his mouth, and asked, "Who are you?"

The assistant busily said, "I'm Young Master Fei's assistant, my name is Evan Sun."

Marven nodded and spoke, "Please tell Young Master Fei that Miss Gu's bodyguard said that"

"All of a sudden there is no communication signal here,"

"There is a great security risk, for the sake of Miss Gu's safety, we have to leave first!"

As soon as Evan heard this, he broke out into a sweat in a hurry.

In his heart, he said in shock, "Miss Sara is actually going to leave?"

"If we really let her go, won't the young master and Jesse's plan all fall through?"

As Randal's most trusted assistant, Evan knew almost all of Randal's affairs.

Even, when Jesse quietly flew to New York, it was Evan who went to the airport to pick him up and bring him back to the Fei family.

Therefore, he already knew all of Randal's plans for today.

At this time, seeing that Sara was going to leave,

He could not sit back and do nothing, so he hurriedly said:

"No signal? Impossible, is there any misunderstanding here?"

Marven said with certainty:

"Our bodyguard just said that the intercom signal and cell phone signal have both disappeared strangely,"

"Which is absolutely unusual, they have gone out to consult with the bodyguard outside,"

"And will come over to take Miss Gu away immediately."

Saying that Marven said with a serious face,

"Even if this is really some kind of misunderstanding,"

"We can't take the risk of Miss Gu's safety! Please try to understand!"

Evan panicked: "That ..... you first take it easy ..... we are heavily guarded here,"

"It is absolutely impossible to have any security problems!"

"As for the signal problem you said, I speculate that there may be some technical fault,"

"We have many types of electronic equipment here, especially the audio amplifier and wireless microphone,"

"It is likely that there has formed an interference,"

"You wait for a moment, I will go and talk to our young master!"

Marven waved his hand: "This way, you go talk to young master Fei, we will go first,"

"If there are any problems, we can communicate by phone."

When Evan heard this, he was so anxious that he blurted out,

"No way! Our young master will soon be on stage to give a speech!"

"The young master is about to give a speech on stage, and will announce Miss Gu's VIP status in public."

"He is the young master of the Fei family, you cannot give any face, right?"

Marven pondered for a moment with a difficult face, his mouth slightly loosened, and said offhandedly,

"Well, then you go and inform Young Master Fei, we will apologize to him face to face,"

"I believe that a reasonable person like Young Master Fei will be able to understand us!"

Sara also said apologetically, "Please ask Young Master Fei to come over,"

"I'll explain to him face to face, I'm really sorry about this matter."

Evan knew he couldn't control the scene anymore, he quickly said,

"Miss Gu, you must wait for a moment, I'll go and inform our young master!"

After saying that, he quickly ran back to the banquet hall.

Randal was anxiously waiting for Evan's news, seeing Evan panting and running over,

He hurriedly asked, "What's the situation over there?"

Evan said, out of breath: "Young ..... young master ....."

"You go ..... quickly to see it! Miss Gu is making a fuss about leaving!"

“Leaving?!” As soon as Randal heard this, he knew that the gang of ninjas had not yet made a move, And his heart was naturally furious to the extreme.

But at the moment he could not care about anger,

Subconsciously frowned and asked: “Why does she want to leave?”

Evan said: “Miss Gu’s bodyguard found that the signal is blocked,”

“They think the environment is dangerous, so for safety reasons, want to let Miss Gu leave first.”

“Holy sh!t!” Randal’s body shivered with anger.

### **Chapter 4272**

The agreement was to open the shield when the ninjas do it, then a quick move,

How come the shield is on for a long time, and Sara is still not controlled?

If they let Sara escape, would not it be a waste of effort?

Thinking of this, he hurriedly said: “You quickly go to keep her there, say you should not let her go,”

“Say that the signal problem is our equipment failure, already working on repair!”

Evan said with difficulty: “Young master, Miss Gu has got up to leave,”

“If I go to keep her there, afraid that people simply do not give me face, originally Miss Gu just want to go directly,”

“I took your name to pressure them, Miss Gu only slightly give in,”

“Said to explain to you face to face, if you do not go over, I think they will certainly go straight away!”

“Danm it!” Randal almost exploded with anger!

He did not know what the ninjas were up to, but he could not let Sara go.

Thinking of this, his mind can hardly think deeply, and quickly said to Evan: “Come, you come with me!”

At this moment, Randal only thought about how to stabilize Sara first,

And then find a way to contact the ninjas to see if things could still be salvaged.

Therefore, he also did not even think about the possibility that this was a trap against him.

Moreover, this is the Fei family's territory, and Randal is not worried about any danger in his own territory.

What's more, in Randal's opinion, this kind of thing is naturally the fewer people who know about it,

The better, so he walked quickly to the VIP room together with Evan.

As soon as he arrived at the VIP room, he saw that Sara was already standing at the entrance of the VIP room,

Accompanied by Marven and the others.

When Randal saw Sara, he couldn't help but ask:

"Hey Miss Gu, what's wrong with you? Why are you suddenly leaving without saying goodbye?"

"It's my turn to give a speech on stage, I will introduce you to all the guests as a heavyweight guest,"

"If you leave at this time, I can't get off the stage ....."

Sara did not say anything, just eyes full of anger staring at him.

And at this time, Marven sneered and spoke,

"Young master Fei need not worry about not being able to get off the stage,"

"Because you no longer have the opportunity to go up!"

Randal's eyes widened and asked offhandedly, "What do you ..... you mean?!"

The words just fell, only to hear a few air-breaking sounds from behind him,

Before he could return to his senses, his assistant, Evan, beside him, fell straight forward.

With a boom, Evan fell to the ground and did not move,

And only then did Randal discover with horror that four black daggers had been inserted into Evan's back.

The daggers were the hand swords shot out by Hattori Kazuo!

Randal was terrified and was about to call for help when he was instantly subdued from behind,

Followed by a heavy blow to the neck, and he passed out.

Hattori Kazuo immediately went forward to hold the unconscious Randal,

And hurriedly said to Marven: "Master Ye, I'll take him away first!"

Marven nodded and said, "Bring the six corpses back!"

Hattori Kazuo did not dare to disobey and hurriedly gave a wink to the others who had already revealed their forms.

So, several people quickly got Randal on the garbage truck,

And quickly dragged the six bodies back again and left them at the door.

At this point, the six people's figures and postures were almost exactly the same as when they were first killed by Hattori Kazuo.

After Marven examined the scene, he gave Hattori Kazuo Hattori his contact information and instructed, "Contact him after you go out and give him the men."

"Okay Master Ye!" Hattori Kazuo had already gone out of his way, nodded hastily, and hurriedly fled the scene.

And at this time, Marven said to Sara, Hogan, and Tasha,

"You three go back to your room and sit down first, the time to test your acting skills has come."

The three looked at each other, then hurriedly returned to the sofa and sat down.

At this time, Marven also retreated into the room and closed the door gently.

In the next second, he suddenly pulled open the room door,

Took a look at the corpses of the six bodyguards and an assistant on the floor, and shouted loudly, "Heyyyy! Someone got killed!"

Chapter 4273

Just as the president of the New York Chinese Chamber of Commerce, Brian Lu, had just finished his speech,

And was about to give the podium to Randal, there was a sudden commotion.

Fei's men and the hotel staff were attracted by Marven's shout,

And the next thing they saw was a scene that made them collapse.

Sara's six bodyguards died on the spot,

The young master Randal's assistant Evan is also dead, lying tragically on the spot.

In addition, the whereabouts of the young master Randal were unknown.

Several of Randal's bodyguards sat paralyzed with fear,

How could they expect that their young master would go missing from his own hotel?

Among them, there is a middle-aged man named Lewis Qin, who is the nephew of that personal bodyguard Karl Yuan of Douglas Fei,

A martial arts expert who is specifically responsible for protecting Randal's safety.

However, since as a personal protection team member of Randal,

Randal has never treated him as one of his own, so he was often detached from him for various reasons,

And even Randal often changed his activity plan to get rid of him without permission.

He even mentioned it to his uncle Karl, requesting him to find a fellow senior from the division to replace him.

Although Karl agreed to his request, but also repeatedly told him to hold back for the time being,

So he was all in wait for Karl to return from China.

Today's charity dinner, Lewis wanted to protect Randal,

But he did not expect that Randal would let him guard the banquet hall,

And he was not allowed to leave the banquet hall half a step,

If he had not heard that something big had happened, he would not have ventured to leave the banquet hall.

He immediately recognized the shuriken on the seven corpses, which is the exclusive concealed weapon of ninjas!

So, he immediately questioned: "Who first found them?!"

Marven, who was standing at the door frame, said, "It was me!"

Lewis looked at Marven and asked offhandedly, "Tell me! What is this all about?!"

Marven saw his attitude so tough, took a step back and asked in anger,

"You still have the face to ask me what's going on?"

"I still want to ask you what's going on! What the h3ll are you guys up to?"

"You invited Miss Gu to your charity dinner, and all six of our bodyguards were killed!"

“How did you do the security work?”

“If you don’t give us a reasonable explanation for this matter, we will never let it go!”

When Lewis and the other bodyguards heard these words, they were speechless.

Only then did they realize that it was all a mistake on their side,

And that the six of them had also lost their lives because of their mistake.

This made Lewis’s heart even more terrified.

His mission is to protect the safety of Randal, but,

Under his nose such a big thing happened, this responsibility is too big!

Marven saw that these bodyguards seemed indecisive, so he immediately spoke:

“The matter is important, I think it is better to call 911 and involve the police!”

After saying that, he immediately turned around and said to Tasha, “Miss Tasha, please call the police.”

Tasha nodded and hurriedly took out her cell phone.

Lewis hurriedly said, “Sir, you take it easy first,”

“This matter, please allow me to report it to our master and young master.”

Marven said angrily: “We have six dead people, you only have one, dare you are not anxious!”

“You should report to whoever, but this matter, we must call the police to deal with it!”

After that, Marven said: “In order to ensure the safety of Miss Gu,”

“From now on, I want to close this door, when the police arrive, only then it will open!”

As soon as the words left his mouth, Marven heavily closed the door of the room.

At this time, Sara’s security company left outside those bodyguards also heard the sound rushed in,

Once they saw the six companions dead, each and every emotion surged in them and they got excited,

Demanding that the hotel must give an account for what happened.

Chapter 4274

The person in charge of the hotel came to hear the news,

Although he himself was scared half to death, but still hardened his head to try to calm these bodyguards,

After all, once this kind of thing goes to the police,

The world will see this as a Fei family scandal, and who would have to take the responsibility in the end?

However, these Sara's security is even less flexible,

Seeing people dead, the first thing they want is to call 911.

Seeing that the situation was completely out of control,

The hotel manager hurriedly withdrew from the crowd and immediately contacted Randal's father, Adam Fei.

Adam was hosting several business partners at a top restaurant in Manhattan,

When he heard that his son was missing and that too in his own hotel, he was shocked.

The NYPD, that is, the New York Police Department,

After learning of the shooting case that led to the death of seven people at the Wangfu Hotel,

Also quickly sent a large number of police officers to the scene,

At the same time also sent a very high-ranking detective in a police helicopter to lead the investigation.

A few minutes later, Adam could not hide his panic rushed over,

The head of the hotel with a group of staff members rushed to welcome, ashamed to say:

"Young master, subordinates' work is unfavorable, please blame me ....."

Adam black-faced, raised his hand, and slapped the person in charge,

His tone extremely gloomy scolded: "Speak! What the hell is going on!"

The person in charge of the hotel almost collapsed and cried:

"Young master, I am not sure of the details,"

"I only know that young master has disappeared, his assistant,"

"And six security company bodyguards were killed, and the murderer is also missing ....."

Adam gave another slap hard on his face, turned to look at Lewis,"

“Meet up to slap him, angrily rebuked:

“Surnamed Qin, our Fei family gives your division so much funding every year,”

“You were responsible to protect my son. You can not do it, what the fuck are you eating?”

Lewis was at least a four-star martial artist,

So when he was beaten with such a slap, he was naturally very angry in his heart.

But he also knew very well that even if Adam did not have any cultivation, he hit him, he could only take it.

So, he looked at a middle-aged man following Adam,

Who is Adam’s personal bodyguard, Karl’s senior brother, and Lewis’s senior uncle Parker Zhang?

Parker’s expression at this time is also a bit helpless,

Randal is the kind of person, he more or less understands,

His own nephew followed him, indeed not less teased.

The key is, knowing that being teased, there is no way to deal with it.

At this point, Lewis said aggrieved: “Mr. Fei, I’m not going to lie,”

“Since I was sent by the master to protect young master Fei, young master Fei has been very wary of me,”

“Many things he did not tell me, many times did not let me follow him,”

“And even often left me alone, I simply can not close to protect his safety!”

Said, Lewis tone also filled with complaints said:

“Half a month ago, he told me to go to Los Angeles for vacation,”

“Arranged two helicopters from home to take off to JFK, when he let me sit in the other helicopter first,”

“The result: His helicopter took off, halfway suddenly switch direction to LaGuardia Airport,”

“I found his aircraft yawning, immediately Let the pilot turn around,”

“But the pilot simply did not listen to me, directly pulled me to JFK,”

“And when I took a taxi to LaGuardia Airport, his plane had long since taken off .....”

“Even today, he made an appointment with me on the way here,”

“So that I can never leave the banquet hall without his orders,”

“Otherwise I would have to go to my uncle to sue, what can I do?”

Parker saw Lewis’s mentality a little collapse, quickly spoke:

“Lewis, now is not the time to whine, hurry up and say whether you have any findings at the scene?”

Lewis adjusted his emotions and said,

“The seven dead, all have traces of being hit by a concealed weapons,”

“It looks like the Japanese ninja’s hand sword.”

Adam frowned and asked in a cold voice: “What did you say? Japanese ninja?!”

Chapter 4275

When he heard the words, Japanese ninja, Adam’s first thought was ‘impossible’.

In his opinion, the Japanese ninja would never dare to go against the Fei family, so how could they kidnap his son.

So, he looked at Lewis Qin and asked in a cold voice, “Are you sure it’s the Japanese ninja?”

“Sure!” Lewis said without thinking, “The concealed weapon,”

“The hand sword is only used by the Japanese, and this blood-sealing poison is also their untold secret.”

Adam said coldly: “This kind of concealed weapon and blood-sealing poison are not available in China?”

Lewis said: “Back to the young master, China had, but in the past,”

“Back then, among the martial artists, there were indeed these things,”

“But since the failure of the Boxer Rebellion, the so-called martial arts basically ceased to exist,”

“What remains is only martial arts, so this kind of dark weapons are no longer in use there.”

Speaking of this, Lewis added: “In fact, after entering the 20th century,”

“The world has set off a wave of ‘go cold weapons’ boom, only the ninja in Japan preserved it,”

“So this kind of thing, now only they are using.”

Adam’s expression is very angry, gritting his teeth and ordered to his assistant:

“Immediately notify the family, all the people, send out all the manpower,”

“Must find those ninjas for me, and bring back Randal intact!”

He said, “By the way, notify all the gangs and organizations in New York,”

“Whoever can provide valuable clues, depending on the clues, the reward will range from 10 to 50 million dollars;”

“If anyone can save my son, the reward will be 100 million dollars!”

“If anyone can save my son and catch those ninjas at the same time, I will reward them with \$200 million!”

Without thinking, the assistant said, “Okay, Young Master, I’ll get right on it!”

Adam looked at his bodyguard Parker and spoke,

“Mr. Zhang, please, with your master brothers, help me to investigate properly and see if you can save Randal.”

Parker nodded, but asked with some concern, “Young Master, your safety is not guaranteed here, why don’t I send you home first!”

“No.” Adam shook his head and said in a cold voice, “I’m not going anywhere!”

After saying that, he turned to look at the hotel manager angrily and asked offhandedly,

“How did you do your security work? How could you let ninjas get in here?”

The hotel manager choked: “Young master, this time the security work, was taken over by the young master’s men,”

“They took the full responsibility, young master Randal he ..... did not allow me to intervene.....”

“What do you mean?” Adam frowned and asked, “Randal did not allow you to intervene?!”

“Yes .....” the hotel manager said aggrieved: “Young master Randal said,”

“This charity dinner has important guests, it is not trivial,”

“So he wanted Evan to take full responsibility for the coordination and security,”

“The specific arrangements and the process were all dealt with by him and Master did not allow me to interfere! .....”

Adam was in deep thought for a moment.

Then, he looked at the lounge with the door closed and asked,

“The important guests of Randal were here?”

The person in charge of the hotel hastily said,

“Back to the young master, the important guest Miss Sara Gu, the now-celebrated Chinese singer is inside.”

“Sara?” Adam frowned and said, “If I remember correctly,”

“She should be the only daughter of the Gu family in China, right?”

“Yes.....” the hotel manager nodded, “It is indeed the Gu family’s daughter.”

Adam originally wasn’t quite sure why his son wanted such a charity dinner,

But hearing Sara’s name, he probably had an answer in his heart.

He thought that his son should have wanted to take the opportunity to pursue this actress surnamed Gu,

That’s why he made such a perverse operation, but unexpectedly, he was caught by the ninja.

Chapter 4276

In this instant, Adam Fei couldn’t help but wonder if Sara had anything to do with this matter,

And whether she could be behind the scenes masterminding all this.

So, he said to the hotel manager: “Let that Miss Gu open the door, I have something to ask her!”

The person in charge of the hotel said, “Back to the young master,”

“Just now the person beside Miss Gu said they will only open the door when the police arrives on the scene.”

“How dare they!” Adam said furiously and angrily,

“Doesn’t she know that this is Fei family’s territory?”

After saying that, he stepped forward and kicked the door of the VIP lounge, and said, “Open the door!”

Marven spoke from inside: “We will only talk to the police,”

“So keep away from us we have nothing to do with you!”

“As for such unqualified guys, get as far away as possible!”

Adam became furious.

His son's disappearance had already made him angry and anxious,

But he didn't think that a guy whose name he didn't know dared to ridicule him from inside the door,

So he cursed furiously: "How dare you talk to me like that, do you know who I am?"

Marven said disdainfully, "I don't know who you are,"

"And I don't want to know who you are if you can understand human language,"

"Please stay away from us, we will only communicate with the police, no one else even if you are the president."

Adam was shaking with anger, he gets two hundred percent respect no matter where he is,

He never thought he would be ignored by an unknown guy now, his heart was on fire,

He gritted his teeth and shouted: "What you have to do now is to honestly tell me everything you know,"

"Don't wait for some bull5hit police! In my family's territory, who the h3ll are the New York police?"

As soon as the words left his mouth, a middle-aged man spoke in an unkind tone,

"Young master Fei, I don't think the NYPD has ever offended you, right?"

Adam subconsciously turned around and saw a middle-aged Chinese man.

All in the suit with more than a dozen police officers striding over.

As soon as Adam saw him, his expression was a little ugly and he said,

"So it's Sheriff Li, Sheriff Li you are a real detective,"

"Your nose is really good, you came here so quickly."

The one who is called "Sheriff Li" is the very famous Chinese Sheriff Duncan Li of New York.

Duncan is very famous in New York, not only is he the highest division chief of the New York Police Department,

But also the detective with the highest crime-solving rate in New York.

However, Adam and Duncan has not been very close,

Mainly because the Fei family has always wanted to cooperate with Duncan,

To engage in collusion between business and government, so as to facilitate their future actions.

But Duncan has not given face to the Fei family, he does not care whether,

One is the Hilton family or the Fei family, the An family, in front of him, shall not become a stumbling block to justice.

Although the Fei family is very strong, but after all settled in New York,

So it is inevitable that they deal with the New York police, Duncan is the most headache for them.

At this time, Duncan walked up to Adam and said indifferently,

“Young master Fei, we received a report of a serious murder case here, so we rushed over to investigate.”

After saying that, he pointed to the seven corpses on the ground,

Looked around and asked, “Who can explain to me what is going on here?”

“When did these people die, what is the time of death, who is the first witness?”

Marven opened the door and said, “I called the police, the person died about ten minutes ago,”

“I heard the movement outside, opened the door, and found these people dead.”

At this time, Adam stared at Marven, his heart was very hot,

He heard Marven’s voice, just now, and his dislike shot through the door for this kid!

Chapter 4277

Marven felt Adam’s extremely unfriendly gaze,

Gave him a sideways glance and found that this guy looked a little bit similar to Douglas.

Based on the conversation he heard just now from inside the door,

He could be sure that this person was Randal’s father, Adam.

Adam was in an extremely angry mood at this time,

And when he met Marven at eye level, he almost immediately asked:

“I asked you to open the door just now, why didn’t you open it?”

Marven said with some annoyance: “I do not know you,”

“I know who you are? In such an emergency situation,”

“I naturally do not believe anyone except the police!”

Adam said with exasperation, “I’m Adam Fei of the Fei family, you haven’t even heard of my name?”

Marven shook his head: “Sorry, I just came from China not long ago,”

“I really have not heard of you, besides, your priority now should be to find your son,”

“There is no need to play a bully with me here, right?”

“If you have this time, wouldn’t it be better to find out your son’s whereabouts?”

“You ……” Adam was angry and didn’t know what to say at once.

Immediately, he suppressed the fire and asked through clenched teeth,

“What did you see just now? Quickly tell me!”

Marven said with a bland expression,

“Sorry, I only talk to police officers with law enforcement powers about these things, as for you, I have no comment!”

Adam had never met anyone in his life who dared to talk to him like that,”

“And in this instant, he could not wait to have his bodyguards kill Marven on the spot.

However, when he thought of the detective Duncan Li was around, he could only hold back his anger.

At this time, Duncan looked at Marven and asked,

“Young man, I am the detective of the New York Police Department,”

“And I am the division chief of the whole city, you can tell me what you saw.”

Marven pointed to the seven corpses on the ground, said with an obscure face:

“What else can I see, of course, as soon as I opened the door,”

“I saw dead people! Before I came to the United States,”

“I thought your security here is fcuking good,”

“But where the hell I would know when I push the door I would see a ground full of dead people!”

Duncan smiled and asked, “Did you see the murderer? And the young master of the Fei family.”

“No.” Marven shook his head and said,

“We were inside waiting for the appearance, heard a movement outside,”

“As if someone fell down, it felt a bit wrong, so I called our bodyguards from the door first,”

“But no one responded, I was afraid of any accident, deliberately waited for a while,”

“To make sure there is no movement outside the door,”

“I opened the door, after opening, it were all dead bodies blocking the door.”

Duncan nodded and asked, “Then did you hear someone talking?”

Marven nodded and said, “Yes, I heard.”

Duncan asked again, “Then did you hear what they were talking about?”

Marven shook his head and said, “I think they were speaking Japanese, but I don’t understand Japanese.”

Duncan nodded gently and said to himself, “It seems that it was indeed the work of Japanese ninjas.”

After saying that, he asked,

“You should be able to hear the voices of men and women, right? More men or more women?”

Marven said without thinking: “All men, and it sounds like at least seven or eight people.”

Duncan nodded, thanked Marven, and said to the police officers around him:

“Immediately block the scene, a full examination of each body,”

“In addition, check the surveillance video here, to see if there are any valuable clues,”

“Moreover contact the Immigration Bureau, to retrieve the entry records from Japan to New York in the last week,”

“Collect all Japanese nationals’ information of males between the ages of 18 and 48!”

Chapter 4278

A slight pause.

Duncan said: “All the staff here tonight are taken away to investigate,”

“The focus should be to check the number of people who have not been reduced,”

“To let each person identify the others, to see if there is a lack of manpower, some people missing!”

People immediately do as they are told, Duncan then said to Marvin:

“Because you are the only indirect witnesses who were at the scene,”

“Although not eyewitnesses, but it is also very helpful to us to solve the case,”

“So later you all will come with our car to take a trip to make a statement.”

Marvin said: “Miss Gu is a public figure, this time in and out of the police station,”

“In case word gets out, the media we do not know how it will fabricate fake news to gain attention, so it is not very convenient.”

Saying that, Marvin added: “How about this, we go back to the hotel first,”

“If you want a statement, come to the hotel, we will certainly cooperate fully.”

Duncan nodded and said, “That’s good, when I arrange things at the scene, I’ll bring someone to visit the hotel.”

Marvin asked him, “Then can we leave now?”

“Yes.”

On the side, Adam said discontentedly, “My son is still unaccounted for,”

“And before my son is found, no one is allowed to leave!”

Marvin frowned and asked rhetorically, “On what grounds?!”

After saying that, he did not talk more nonsense with Adam, immediately looked at Duncan and said seriously:

“Inspector Li, I now seriously suspect that this matter is premeditated, and the Fei family is highly suspect!”

Adam gritted his teeth and roared, “What did you say?!”

Marvin repeated: “I said, the Fei family has a great suspicion!”

Adam was annoyed in his heart and was about to speak up,

But Duncan on the side asked very seriously, “Why do you think so?”

Marvin said seriously: “The matter itself is very strange, the young master of the Fei family,”

“Insisted on inviting Miss Gu to the charity dinner,”

“But deliberately said that she would be invited to be a mystery guest,”

“So the vast majority of people outside simply did not know that Miss Gu is here,”

“And they also deliberately arranged us in this kind of lounge without even a window,”

“Saying something about waiting for the right moment.”

“Before The first time I saw you, it was a little bit of a nuisance. As if there is some kind of conspiracy.”

Speaking of which, Marven added: “And, what’s even weirder is that not long after we came in,”

“There was no signal on the phone, and now there’s still no signal!”

“I seriously suspect that someone has blocked the wireless communication here!”

Hearing this, Duncan subconsciously took out his cell phone to take a look, and indeed, there was no signal or service at all!

He immediately frowned and shouted out of the blue:

“Johnson, block the entire banquet hall, use professional equipment to check and see where the shield actually is!”

At this time, a police officer quickly ran over and spoke:

“Detective, we just confirmed the surveillance records,”

“All the surveillance images near this lounge were replaced in advance, using the relevant images from the last banquet five days ago.”

Duncan frowned and asked, “Such a big problem, the security department did not find it?!”

The officer replied, “We consulted the security guards on duty in the monitoring room,”

“They said they did not know that there were important VIPs tonight and thought that the VIP room was free today,”

“So their attention was not near the VIP room at all,”

“So when these monitoring probes were playing the video recorded a few days ago, they did not find anything unusual.”

#### **Chapter 4279**

Hearing this, Marven said in a cold voice: “I told you that this matter was premeditated,”

“It was simply someone deliberately trying to hide the fact that Miss Gu had arrived here from everyone else!”

“Moreover, even if those few ninjas could mix in,”

“It is impossible to get the surveillance video a few days ago,”

“Much less hack into the surveillance system, it is clear that there is a mole!”

Adam was astonished and asked, “Duncan, what does this mean? Do you suspect the Fei family’s people?”

Duncan has always been dissatisfied with Adam.

On the one hand, he really does not see Adam as the right person,

On the other hand, because he has long heard that Adam’s father Dawson Fei seized the opportunity to seize power,

Because he has much admiration for Douglas Fei senior, so in his heart, for Dawson and Adam it is all dislike.

The reason why Adam took Duncan like nobody, mainly because Duncan’s fame is really big,

Even in the White House, he has a very high political status.

Duncan in the United States, known as the light of the Chinese,

And even for solving a serial murder case that lasted ten years, and received the current president’s award.

Moreover, his mass base in the United States is very solid,

Especially in the Chinese diaspora, he is as important as a totem,

If he has a problem, I am afraid that the Chinese in the United States will set up a big march to seek justice for him.

Therefore, in the face of Duncan, Adam simply can not afford to provoke him,

If he dares to do anything to him, the Fei family will definitely suffer heavy losses.

At this time, Duncan looked at Adam and said in a cold tone,

“Adam, although your son is missing now, but in my opinion, in today’s events, your son may not be innocent!”

Saying that looked around for a while and coldly said:

“You are smart, think about it, a charity dinner originally can simply be straightforward,”

“But your son had to go to such great lengths to make such a set, can he still have any good intentions?”

Adam was speechless.

Although he was uncaring, he was also a wise man,

And he also felt that his son’s act was a bit perverse.

Moreover, the most perverse thing is not what Duncan said, but the nature of this matter is very perverse,

He knows that Randal has always been uncomfortable with charity,

The family usually organized some charity activities, pulling him to show his face he is not interested,

This time he would take out tens of millions of dollars in donations,

Take the initiative to engage in charity dinner and work, this itself is very strange.

In addition to those other strange, contrary to common sense details,

He also vaguely felt that there is a deliberate taste everywhere as if his son really has other plans.

However, Adam could not admit this, so he said to Duncan in a strong tone:

“Li, you should not forget that the victim of this matter is my son!”

“Now he is the one who is kidnapped!”

“The immediate priority for the NYPD is to find my son and bring him back safely!”

Duncan smiled and spoke, “We police have our procedures when handling cases,”

“We don’t need or allow other people to tell us what to do.”

After saying that, he immediately turned around and asked his men around him, “Have the staff been gathered?”

One of them nodded and said, “They have been arranged to take statements in different rooms,”

“And they will all be gathered in the conference room immediately after the statements are taken,”

“And then they will be allowed to cross-identify one by one.”

“Good!” Duncan opened his mouth and said, “Take me to the conference room!”

After saying that, he looked at Marven and spoke,

“You can leave a contact for my assistant to go back to the hotel first,”

“And I will have someone contact you if we need you to cooperate.”

“Okay.” Marven nodded and said to Tasha, “Tasha, leave a contact for the officer.”

Tasha hurriedly took out a business card and handed it to the police officer beside Duncan.

At this time, Duncan looked at Adam again and said coldly:

“Adam, you can also go, if there is any news, I will have someone notify you.”

Adam was angry enough and said offhandedly,

“This is our Fei family’s hotel, you want me to leave? Where am I going?”

#### **Chapter 4280**

Duncan impatiently said: “Go where you like to go, here is now the scene of the crime,”

“From now on it is all closed management, extraneous people must be evacuated!”

As he said, he also instructed the police officer beside him:

“Gather the guests outside, check the identity of everyone, if there is no suspicious people,”

“Let them go home first, but everyone is not allowed to leave New York in the next week, and must be available when asked.”

The officer immediately nodded and said, “Yes, Inspector, I’ll arrange it!”

Adam’s face turned blue with anger.

Several police officers with walkie-talkies on their shoulders,

And pistols in the waist of their pants immediately came forward and said to the crowd,

“You heard what the detective said, please leave the scene immediately.”

Adam had never been so angry. He kicked the wall and cursed, “Duncan, you’re a fucking bully!”

A police officer immediately stepped forward and warned in a loud voice:

“Sir, if you don’t leave and continue to trouble us on the scene,”

“I will have to take compulsory measures against you!”

Adam gritted his teeth and said, "I'll see who dares to touch me!"

Several policemen also knew Adam's identity,

And when they saw his fury, they didn't dare to come forward to fight hard.

Duncan turned around and said, "Okay, Adam, since your head is so heavy, then stay here."

Adam saw Duncan compromise, his heart finally felt better,

Tonight he has been having a strong head, this feeling is really too suffocating,

Now finally considered to be back to a city.

So, he snorted and said arrogantly, "Duncan, this time you'll have the sense to do it!"

Duncan saw him so arrogant, also not angry, smiled and said:

"Right Adam, out of such a big thing, we are obliged to the public,"

"Later estimated that media will rush to report, you just stay and have a good chat with the media."

After saying that, Duncan instructed, "You must not leave, a short press conference later,"

"You happen to be a special guest."

When Adam heard this, his whole mind exploded.

He didn't want to stay here, but Duncan had driven him away and made him hold his breath, so he confronted him.

But who would have thought that this guy would want to hold a press conference here!

For Adam, even if he was beaten to death,

He would never attend any press conference and openly tell the world that his son had been kidnapped.

He could not afford to lose this person.

Thinking of this, he immediately said stiffly:

"I don't have time to stay here with you to raise the earth!"

"You can have your own conference, I still have to go find my son!"

Duncan sneered twice and sneered, "What? I'm bullying people by letting you go, what do you mean by leaving?"

Adam said furiously, "I can stay or go whenever I want, why do I need to explain to you what I mean?"

After saying this, Adam turned around with a stomach full of anger and walked away without looking back.

.....

Meanwhile.

In the middle of the Fei family's manor in New York,

Jesse was staying in the guest room Randal had prepared for him, anxiously waiting for news from Hattori Kazuo.

Originally, he thought he had everything under control tonight, but he didn't expect that it would be a disaster.

He picked up his cell phone and called Hattori, but his phone was still unavailable,

So he hurriedly contacted Randal again but found that Randal has also sunk into the sea, and there was no response.

He called Evan, Randal's assistant, but he still couldn't get through.

When he didn't know what to do, the bodyguards of the Fei family suddenly exploded,

And all of them were rushing to the outside.

So he hurriedly stopped a bodyguard and asked, "What happened?"

The bodyguard said nervously, "Young master Randal has disappeared, the Young master told us to go out and look for clues!"

"What?!" Jesse asked in a panic, "Wasn't Young Master Fei at a charity dinner? How could he go missing?"

The bodyguard explained, "Young Master Randal just disappeared at the charity dinner,"

"And it is said that many people died at the scene too!"
